**We want to start this issue with Merrill's prayer Friday morning at the Summer Camp Meeting:**

“Lord, I give thanks unto You for this offering, for the blessings that You have given us. I thank You, Lord, for the people that are here. I ask that You move on them with Your Holy Spirit and give them the things that they've come here for and have asked You to do in their lives - for their families, for their children, husbands and wives. Those that are here, Lord, that are desperate in their lives, I ask that You give them peace in their heart. Talk to them, Lord, and tell them that You are with them and that You will never leave them. Through the fire and through the water You will always be with them. I thank You, I praise You, I glorify You, I lift You up. You are my God, my Lord, my King forever and ever!”

Though July camp is now part of the history books, lives were forever changed by the anointing of the Holy Spirit that ministered to the family of God. Two of the children in attendance received Jesus as their Lord. In their classes they learned the importance of having daily fellowship and a personal relationship with Him. The ministry to adults offered multiple opportunities for deliverance, healing and spiritual growth. Much of what we learned requires surrender - whether it be honesty coupled with repentance, willingness to choose a different mindset, or facing the truth that it is not about “me” but that the King of Kings and Lord of Lords wants His image and likeness completed in us. The heart of the psalmist so simply stated, “As for me, I will behold Thy face in righteousness: I shall be satisfied, when I awake, with Thy likeness.” (Ps 17:15)

Our next camp meeting is on the calendar for **August 29th through September 1st**. Kerna and Jean Williams, Geri McGhee and Randy Richey are the scheduled speakers for the Labor Day Camp. These men and women of God desire to see the people of God ministered to and taught how to defeat satan and walk in victory. We are in a real war with an enemy that never gives up. We must KNOW, BELIEVE and EXERCISE our position in Christ Jesus. There's a difference in just saying, “In the Name of Jesus,” as opposed to speaking that command with the voice of God! Then the enemy knows he is defeated in that particular fight!

## TREASURES ON CD

**85LHCD5-6 - Erma Miller - THE OCCULT - \$4.00** - Christians, take heed! If you have never had any prayer to release you from the occult powers which you have dabbled in yourself (usually in ignorance to what the Word of the Lord says), or your ancestors have practiced, by all means listen to this message. The Word of God expressly prohibits going to a fortuneteller, consulting Ouija boards, reading horoscopes, being hypnotized, and many other occult activities. You are living under a curse and need to be set free and come out from under these powers. Understand and recognize that all occult involvement is considered sin and must be renounced and repented of. Many, many occult practices are called out as spirits in this service, and deliverance from these powers of darkness is ministered. Divorce, strife in the home, indifference, extreme fears, nervousness, and suicide are only a few of the numerous symptoms of occult oppression and bondage.

**81LHCD5-6 - George LeRoy - DEEP DELIVERANCE - \$4.00** - Why would the Word of God need to pierce into the joints and marrow? (Heb. 5:13) Could it be that spirits live there? What areas of your life are still under the authority of the devil? Could the dead works mentioned in Hebrews 9:14 perhaps be spirits that are hindering you from going on in God?

**81LHCD5-7 - George LeRoy - REMEDY FOR PROBLEM CHILDREN - \$4.00** - How Pastor LeRoy came to grips with deliverance after twenty years, not only for himself but for his family as well. Very moving!

**94LHCD12-19 - Kyle Parmer - FREEDOM IN CHRIST - \$4.00** - As Christians, we are not to use feeling, perception, emotion, experiences, etc. as the basis for reality. Our reality must be based on God's Word. That Word says that He HAS delivered and translated us and we ARE seated with Him above all principalities and powers. It's time for us to start living like we believe it! If we are dead with Christ and the old man has been crucified then we must stop letting him get up and walk around. Are you ready to believe the Word?

## 2019 SUMMER CAMP MEETING CD's, DVD's & MP3

MP3 - [19LHMP3CD7](#) - All 8 messages of the 2019 Summer Camp Meeting in MP3 format on 1 CD disk (Donation \$10.00 plus \$3.50 shipping)

[19LHCD7-1A & 1B](#) [2 CD Set - \$6.00] or [19LHDVD7-1](#) [DVD - \$6.00] - **Randy Richey - IDOLATRY** - God says we are going from glory to glory. That means something has to change to put us at that next level. Generally, that something has to do with us changing! God's goal for us is to be made into the image and likeness of Jesus. God loves us just as we are but He loves us too much to leave us there! We are to live the life God puts before us - not someone else's life. Our number one enemy is ourselves - our flesh. Number two enemy is satan and demons. Our third enemy is the world's system. The thief commeth to steal, kill and destroy. Why would we want to help him? Be quick to repent and quick to forgive. We are spirit, soul and body. Freedom only comes when we are walking it all out. Just casting the demons out doesn't solve all your problems. That flesh is still going to have to be crucified. You are going to have to do something else with your body that is different from what you have been doing. Randy makes the comment, "If everything that we have been doing was working, we wouldn't be here!" Randy covers a whole plethora of potential idols in our lives and most of them are not false religions. Whatever you choose to do that is contrary to God, you are literally bowing down to that. The question is: "Do we take idolatry as serious as God does?" There is a reason He lists it as the first Commandment [Exodus 20:3] "Thou shalt have no other gods before Me." Randy concludes with extensive prayer and ministry for deliverance.

[19LHCD7-2A & 2B](#) [2 CD Set - \$6.00] or [19LHDVD7-2](#) [DVD - \$6.00] - **Geri McGhee - BESIEGED** - Geri practices and teaches the Word of God. She has learned to defeat the enemy with God's Word. When the enemy projects lies to her, she counters the lies by

speaking the Truth. That's what Jesus did. You have to be in the Word of God to know how to line yourself up with the Word of God! We are all a work in progress and God wants us to overcome. A person that is besieged is overwhelmed and overcome by the enemy. He has no defense against the enemy. The dictionary says, "to surround with hostile forces". A person who is besieged has had their spiritual walls torn down or breached. Geri explains the "breaches" in our spiritual walls. Victory comes by dealing with sin, repentance, curses and deliverance. Geri traverses through the blessings and the curses found in Deut 28 relating them to her topic on "Besieged". Many Scriptures are shared on our responsibility and need to "stand". The purpose of your trial is to conform you into the image of Christ. Do not be overwhelmed by everything that is wrong with you, or that you think is wrong with you. God is the potter and you are the clay. Stay surrendered to Him and He will do the work. He looks at our hearts! This message ends with extensive prayer and deliverance.

**[19LHCD7-3](#) [CD - \$4.00] or [19LHDVD7-3](#) [DVD - \$6.00] - Deborah Vails - DELIVERANCE FROM MENTAL BONDAGES -** Deborah opens in prayer then goes right into her message by making it clear that depression, oppression and mental bondage should have no place in our lives. She begins in Isaiah 61:1-4. Jesus says this also in Luke 4. This message is about total restoration. She reminds us that we should not always be looking at events or happenings negatively. Even death which God does allow, has a positive side. She gives definitions and examples then takes each situation we may find ourselves in and shows us that the remedy is provided. This scripture tells us that He is available and able to heal broken hearts, set captives free, give beauty for ashes, as well as joy for mourning and praise for heaviness, explaining as she goes. However, we are also reminded that we must be willing to do our part...receive from God, and be obedient to His instruction...be willing to let go of the past, face your issues, forgive. There are tests that we must pass and then final exams to see if we are prepared for the next level. We learn that mental bondages can keep you bound if you continue to be offended. Forgiveness is vital to get free. Be willing to be corrected and be self-disciplined. Watch where you go, what you watch or listen to...your mind records. She lists 7 ways to pull down ungodly thoughts then lists ways we can build a hedge to protect our mind.

Give God a special place and time daily and pay attention to what He says. Renew your mind, keep heart pure, watch what you speak and what you do. She prayed many scriptures that give us instruction as to how to live in victory. She then prays deliverance.

**[19LHCD7-4A & 4B](#) [2 CD Set - \$6.00] or [19LHDVD7-4](#) [DVD - \$6.00] - **Carla Butuad - EQUIPPING & PERFECTING THE SAINTS** - This message pertains to equipping us to stand, giving us tools, sharing strategies that the enemy uses, and then what to do when those strategies show up. The enemy came to Carla's house and gave her a "sucker punch" and left her laying there gasping for breath. God began to show her what was going on and now she teaches others about God's order and how to walk in the path He has made available to them. One thing to learn is that "God said" and we need to learn to speak out loud, not just think it in our head or pray it in our prayer closet. One day God said to her, "Did I say if you have faith as a grain of a mustard seed, ask Me to remove that mountain?" Truth came to her that day. God's Word says, "...ye shall say unto this mountain, remove hence to yonder place: and it shall remove ..." She believes many of our prayers go unanswered because we are asking Him to do things that He has already given us to do. Prior to this verse, Jesus is addressing the unbelief in the disciples. His reference to fasting is not to cast out the demon, it's for them to deal with their unbelief. Fasting in this reference is not about moving God to do some thing, it's about moving the disciples into having more faith. Carla shares multiple strategies the enemy uses to throw Christians off guard and distract us from what Jesus has given us the power and authority to do. Prayer for deliverance concludes this helpful and practical teaching.**

**[19LHCD7-5](#) [CD - \$4.00] or [19LHDVD7-5](#) [DVD - \$6.00] - **Randy Richey - SPIRIT OF TRAUMA** - Randy begins by reminding us how important our words are and that if we would read a Proverb a day, it would change us. He then leads us in deliverance over some Proverbs reminding us to be agreeing with God's words and repenting when we aren't obedient to them. There was a disturbance at one point in the service that had to be dealt with and**

**See Page 11 for Ordering Information**

prayer was the weapon of choice. Randy then goes on with service reminding us that we must respond, not only with prayer, but with forgiveness. We must not hate or be in fear. Moving into his subject of trauma, we learned that it may come in various ways...accidents, any type of abuse, wartime experiences... anything that overwhelms us outside the range of normal experience. Firemen and policemen see things on a regular basis that may be a cause of trauma. We may not remember but it remains in our mind, sub-consciously causing emotional or even physical symptoms. Fear, anger, stupor anxiety, agitation and stress can all be resident with trauma. We must battle to agree with God, fighting the lies, facing facts, but not allowing our emotions to control our life. The goal is that we get free and continue to walk in that freedom. He talked about rooms in a house...Jesus may own the entire house - but the rooms might not all be cleaned out yet. The anger and fear rooms may be clean but the rejection room is still occupied. So we asked God to shine His light on anything hidden. We still need healing of the trauma after we get the deliverance. There can only be total deliverance when we deal with the obvious and the hidden and walk out the requirements. However it is ultimately our choices that decide the outcome. Do we choose God's way or our own? Randy prays throughout the message and continues to pray deliverance at finish of message.

**[19LHCD7-6A & 6B](#) [2 CD Set - \$6.00] or [19LHDVD7-6](#) [DVD - \$6.00] - **Carla Butaud - GOD'S ORDER FOR FAMILY** - After prayer, Carla begins by saying that family camp is dear to her because we are part of God's family. God loves family and He set up an order for everything... our earth, churches, government and of course the family. She begins with a testimony of how her marriage started well but then she got saved and her husband had to deal with another man in their home...Jesus! Neither of them knew how to deal with that! Here is a good teaching on what NOT to do when you get saved. The rest of the message teaches us how to find and operate according to God's Word concerning the husband and wife...His order for the family. Times do not change God's Word! He still has a plan that works for marriages and families but until you find it, things can get messy. She describes her marriage as a shipwreck...at 6 years, three children, severely depressed, what now? She ended up at the psychiatrist's office, wishing to have never been born, thinking her husband and children would be better off without her. At this**

point, she began to hear from God as to how to come out of this. She learned about deliverance and how those evil things were not her. They were demons that could be cast out. He started with simple things which had long been forgotten like how to treat her husband and she learned her place as a wife and how the husband is the head of the house even as Christ is the head of the church. There is surely something for all to learn from this teaching. She said all this to come to the place where she will tell you what God says about order in marriage and considering that the rate of divorce in Christians is the same as non-Christians, perhaps we need to pay close attention. Carla ends this teaching with deliverance.

[19LHCD7-7](#) [CD - \$4.00] or [19LHDVD7-7](#) [DVD - \$6.00] - **Geri McGhee - THE EFFECTS OF LACK OF DISCIPLINE** - This message is for everyone, but especially for parents with children and for those of us who grew up without discipline being given. Discipline includes love, protection, care, provision, instruction, and guidance. Discipline is to correct mistakes. God disciplines every son who He loves. Every time we embrace God's discipline we are changed from glory to glory. Discipline is not child abuse. The Bible says to not discipline your children in anger. Geri has feasted on the Word of God for many years and we are nourished by her diet in this message! Scriptures that are shared give us understanding of God's discipline and it's application to our lives and also helps parents as they train their children. When a parent does not correct their child and lets them do whatever they want, they are teaching them to live after the flesh. Discipline causes us to be a happy person. Job 5:17 says, "Behold, happy is the man whom God correcteth: therefore despise not thou the chastening of the Almighty." Geri had to forgive her son, Todd, for being a grief and bitterness to her because of his homosexual lifestyle (Pro 17:25). Geri shares that mental illness can be directly related to disobedience to God's Word and His commandments. Geri knows people that punish themselves because they were not disciplined - they feel guilty. There are so many insights into problems people have due to lack of discipline, that you are just going to have to get the message to hear yourself! Prayer and deliverance ministry concludes this teaching.

[19LHCD7-8](#) [CD - \$4.00] or [19LHDVD7-8](#) [DVD - \$6.00] - **Deborah Vails - THE FIRE OF GOD** - The fire of God will help us share Jesus wherever and whenever He provides the opportunity. We should

always be ready to share Jesus. We need more of Him - the light of His life in us. The more of God that we have the less territory the enemy has to occupy. The Lord wants to move in and through us but we have to have an active part. This message contains seven parts about the fire of God. 1) Sodom and Gomorah - God's fire brought purification. It's a wake up call to how sin really brings devastation in our lives. 2) Abraham's willingness to offer Issac on the altar of sacrifice - God wants us to be willing to put our "thing" (whatever it is) upon the altar and let Him burn it. 3) God was in the fire with Daniel and the 3 Hebrew men - they were there because they would not bow down to false gods. There are many false gods in the earth today. God is very clear when He says we should have no other gods before Him. The remaining four identifiers of the fire of God illustrate additional characteristics of His fire. One of them relates to prayer. Deborah shares practical principles regarding prayer. Her prayer is that everyone's relationship with the Lord will intensify. God wants us to be transformed - changed! Don't be conformed to this world. You can't run in the new ... in the old! He that hath an ear hear what the Spirit is saying. If you want the light of God to shine through you, do it God's way. We must spend time in His Word, praise, prayer and repentance - that's where we are changed.

## NEW BOOKS AT LHBC

[CASTING DOWN IMAGINATIONS](#) by Monty Mulkey - \$7.00 - (41 pages) God gives us power and authority over our thought life. There is victory but not without a battle - not without warfare. The mind is one of Satan's greatest strongholds. This is one of the best booklets we have ever read on casting down imaginations, how to get free, stay free (what we must do) and includes in-depth deliverance prayers that will help the reader actually experience deliverance.

[DELIVERANCE AND SPIRITUAL WARFARE MANUAL - A Comprehensive Guide To Living Free](#) by John Eckhardt - \$17.00 - (251 pages) - Bringing much needed light to the topic of spiritual warfare, this comprehensive guide names specific demons, spirits, strongholds, and manifestations, and it provides biblical teaching, tactics, and strategies for defeating them so readers can see their lives return to the place that God designed.

[DECEIVING SPIRITS, DOCTRINES OF DEMONS & ANTI-CHRIST](#) by Frank Marzullo, Jr - \$11.00 - (69 pages) - It is Frank's hope to teach the reader about how we are deceived and seduced by the devil. He teaches us to recognize when and how we are beguiled into receiving doctrines of demons, deceiving spirits and anti-Christ. Then we learn how we can be set free of them now. Prayer for deliverance from demons is found at the end of each chapter.
