## **Greetings to all our readers!**

God miraculously ministered deep healing to many who attended the Memorial Camp Meeting. Deliverance flowed. The axe was put to the root of problems plaguing long-time believers. Fifteen people received the Baptism of the Holy Spirit. Those who entered into worship touched the hem of His garment. To God be the Glory!!!! Do you have a desire to know Him deeper? Perhaps you will consider obtaining the teaching/ministry audios listed on pages 4-8. Let the Holy Spirit reveal something new to you. He does that for us every camp meeting!

Our thanks to Dan Helderman, LHBC's maintenance man. There are 2 small buildings that were on the property when Glen Miller purchased this land in the 70's. They have been used for multiple purposes over the years (currently storage for spare parts, etc). The peaked roofs on both of them had deteriorated and were leaking. Dan was able to gather up enough excess materials here on the campground to re-roof both buildings with metal roofing. We are thankful to our neighbors to the south who loaned him a mechanical lift so he could do the work. LHBC takes re-purposing to a whole different level! Junk isn't always junk. Sometimes it becomes just what is needed to make something useful again. The wisdom needed is to know what to pitch and what to keep! Aren't we glad God saw potential in us when we were yet heathens.

**Summer Camp is fast approaching!** See full information on the back page of this issue. There will be ministry for the adults and special ministry for the children - ages 5-18. Camp will begin on Thursday, July 5th. Supper will be from 5 to 5:45 and the first service will be at 7pm. Ministering to the adults will be Carla Butaud, Geri McGhee, Nickie Pinson, Randy Richey and others. James & Danica Baker and their helpers will be in charge of the ministry to the children and youth. Mark 10:14-16 ... (Jesus) said unto them, Suffer the little children to come unto Me, and forbid them not: for of such is the kingdom of God. Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein. And He took them up in His arms, put His hands upon them, and blessed them." Bring your children and grandchildren. There is something God wants to do in all of us.

## 2018 MEMORIAL DAY CAMP MEETING CD's, DVD's & MP3

MP3 - [18LHMP3CD5](#) - All 8 messages of the 2018 Memorial Day Camp Meeting in **MP3 format** on 1 CD disk (Donation \$10.00 plus \$3.50 shipping)

[18LHCD5-1A & 1B](#) [2 CD Set - \$6.00] or [18LHDVD5-1](#) [DVD - \$6.00] - **Randy Richey - GRACE** - Randy shares extensively on what grace means, concluding with his definition - "God's power in our lives that accomplishes God's will for our lives." It is a gift that has to be received by faith to accomplish anything. Grace gives us the ability to receive the fullness, breadth and depth of God's love. It is NOT a license to sin. By the grace of God we can be dead to this world and alive unto God. Throughout this entire message Randy stops at strategic times to lead the congregation in specific prayer concerning forgiveness, repentance, revealing of individual sins, ancestral sins, etc. Grace is extended to help us forgive. It takes God's grace for every detail of our lives. Randy asks the questions, "How much of your life are you living in your own strength?" "How much of your life is spent doing works that are good but not God breathed?" Perhaps we should be asking the Lord, "Do You have a better way than what I know to do?" We want to be God-sufficient, not self-sufficient! Much repenting and deliverance takes place within this message, paving the way for a deeper relationship with our God.

[18LHCD5-2](#) - [CD - \$4.00] or [18LHDVD5-2](#) [DVD - \$6.00] - **Frank Marzullo, Jr - THE DO'S AND DON'TS OF DELIVERANCE MINISTRY** - Mark 16 lists certain signs that should follow believers. One of those signs is to cast out devils in Jesus name. This is the "lane" God has Frank in and throughout the years he has learned things to do and perhaps more importantly, things not to do. He asks the question, "Why is the deliverance ministry so important?" He bases his answer on Mt 7:23 - the devils want to hold you to iniquity until you stand before God. He admonishes the listeners to not be so sophisticated that they walk out from this conference with their demons. Let the Holy Spirit shine His lamp and expose the darkness that is in each one of us and then deal with it. Iniquities follow the family line, they lodge in the bloodline. (Lam 5:7) Frank shares

sixteen Biblical and practical do's and don'ts for deliverance ministry and follows up the teaching with deliverance ministry to the congregation.

**18LHCD5-3A & 3B [2 CD Set - \$6.00] or 18LHDVD5-3 [DVD - \$6.00] - Randy Richey - TRAUMA** - Randy begins his message on trauma with deliverance prayers. Before he begins praying, he admonishes us to be sure we are saved and then to repeat the prayers after him. Randy then led us in prayer, emphasizing the power and willingness of God to carry out the deliverance. He says, passivity kills....that we must fight, resist the enemy, put our flesh to death and make God our #1 focus. Each area that he touches on in prayer, he then commands evil spirits to leave. We must learn to tear down these strongholds, the lies in our mind, and put in the truth, which is what God says. The description of trauma is a life event that may render one helpless or fearing for life. It may not be in your conscious mind...buried but still doing it's damage. Sometimes it causes amnesia or delayed recall, and some have replay over and over as happens in wars, prison experiences and concentration camps. Sometimes it's temporary and sometimes it's blocked out forever. It can range from slight depression to complete stupor. Regardless of the cause, we mustn't allow unholy judgment to take up residence. Take accountability, forgive, give it over to the Lord and be freed. Confusion, betrayal, insecurity, openings for sexual abuse, domestic violence, addiction and the list goes on - whether it is the source or the result, there is one remedy and that is our Lord's love, forgiveness and deliverance. Randy gives many more examples and more prayer.

**18LHCD5-4 [CD - \$4.00] or 18LHDVD5-4 [DVD - \$6.00] - Nickie Pinson - CONSTRAINING CHRIST** - Luke 24:13 "And, behold, two of them went that same day to a village called Emmaus, which was from Jerusalem about three score furlongs." Just three days before, 'one of them' named Peter, when confronted with these words, "Surely you also are 'one of them', for your speech betrays you", declared emphatically that he was not 'one of them' (Matthew 27:73). Notice Peter's speech betrayed him as being 'one of them'. Luke 24:29 But they constrained him, saying, "Abide with us: for it is toward evening, and the day is far spent. And he went in to tarry with them." The Arabic version renders it, "they held him by force" (the violent take it by force), the meaning is that these two men on the road

to Emmaus, who were ‘one of them’, laid hands on Him in a forcible manner. Song of Solomon 3:4 describes this principle of constraining Christ, "but I found him whom my soul loves: I held him, and would not let him go". Psalms 42:1 says, "As the deer pants for the water brooks, So pants my soul for You, O God". The Apostle John, was so desiring to be close to Jesus, that he leaned upon Jesus' breast. By knocking at our heart's door, Christ is constraining us to invite Him in so He can abide with us. His knocking at our heart's door, and His voice calling unto us, will cause a burning in our hearts - if we are ‘one of them’!

**18LHCD5-5** - [CD - \$4.00] or **18LHDVD5-5** [DVD - \$6.00] - **Frank Marzullo, Jr - FOUR WAYS THE ENEMY CAN GET IN** - This message is a ‘must hear’ for both those offering ministry for healing and deliverance and for those seeking the same. In Frank’s many years of ministry he has come to the conclusion that the enemy can only enter a person in four ways. He does not judge a person but simply judges the fruit of their life to see what demonic things are present and what right they have to afflict a believer. It is his understanding that the affliction and harassment comes because of: sin, rejection, lies or unforgiveness. Coming out of a career in law enforcement he uses crime solving techniques to solve demonization problems - those being who, what, when, where, why and how. Throughout this entire message, Frank shares personal ministry experiences and Scriptures that give understanding to the listener concerning each of the four ways he believes the enemy gets in. He used to spend hours in deliverance with a person but now he has them make their own separate lists on sins, rejections, lies and unforgiveness. He has found that those that finish this assignment are truly the ones seeking God’s permanent deliverance. Unfortunately many who seek man’s deliverance do it because they want the torment to stop without repentance or they just want attention. Repentance is the starting point to permanent deliverance. Deliverance ministry prayer concludes this service.

**18LHCD5-6A & 6B** [2 CD Set - \$6.00] or **18LHDVD5-6** [DVD - \$6.00] - **Nickie Pinson - NO OTHER FOUNDATION** - Nickie shares instruction on the gifts and operations of the Holy Spirit, exhorting the listener to know when it is the voice of God speaking through you or someone else. Jesus said, “My sheep know My voice.”

Paul said in 1 Cor 2:2, “For I determined not to know any thing among you, save Jesus Christ, and Him crucified.” We preach Christ. Why, because we are complete in Christ. We don’t add Christ to our life - He has to become our life. He is the answer to everything. We have to be changed into the image of God. Why? Because we lost the image in the garden. Rom 8:29 “For whom He did foreknow, He also did predestinate to be conformed to the image of His Son, that He might be the firstborn among many brethren.” That is what He is after - for us to be conformed into the image of Christ. “That I may know Him”. That “knowing” is intimacy not knowledge. Nickie shares on what the inward revelation of Christ is. We want to be set free but God wants to “make us free” - make us a different person - the image of His Son. The axe has to be put to the root. Your root has to change. What you are has to change. We cannot continue to be what we are and just “fix” some things. When Christ is in us, He is in our house. But when we are in Christ, we are in His house. Nickie shares a variety of different truths in this message but they all circle back to “No Other Foundation”.

**18LHCD5-7** - [CD - \$4.00] or **18LHDVD5-7** [DVD - \$6.00] - **Frank Marzullo, Jr - PRINCIPLES OF HEALING** - Joel 2 and 2 Kings 4 serve as the backdrop for this poignant message and testimony on healing. Frank shares principles of healing. He testifies how God uses him as he lays hands on people and prays in Jesus’ name for healing and deliverance. Then he gets real personal and shares how his wife, Jill, got very sick and was dying. And he, being the man of faith that he is, did everything he knew to do - break generational curses, bloodline curses, word curses, cast demons out, take his wife from church to church for prayer only to see her progressively getting worse and worse. She had a deadly disease called pulmonary fibrosis - basically your lungs dry up and you can’t breathe anymore. His faith began to waver, just as anyone’s would. They were doing this for about 4 years and 4 to 5 years is about all anyone can survive this disease. All their prayers were seemingly being unheard and they are asking, “What do we do Father?” Their pastor told them he couldn’t tell them what to do but, “Choose life”. Frank says, “that stuck”. So they get on the transplant list. Miraculously the call came forth quickly that they had a set of lungs, they operated on her and she was healed. Oftentimes

we look at healing from one perspective, not looking at it from the medical side. Many of us are living proof of healing from the medical side. So, he looks at how she got healed and he's scratching his head. It did not happen the way He believed for as a minister of the gospel - how others are healed and delivered but not his own wife. And then he came to God's answer for him. Isaiah 55:8-11 with special attention to rain and snow.

**18LHCD5-8A & 8B [2 CD Set - \$6.00] or 18LHDVD5-8 [DVD - \$6.00] - Randy Richey - WEAPONS OF WARFARE - The final service of this camp meeting contains quite a few "bonuses" as Randy put it. We won't list them all in this summary. The power of words, as a weapon of warfare, is given serious consideration in this message. If you really want some understanding, go to Proverbs and highlight every time you see "words" or "speech" and read how much God has to say. You will be amazed. After he completes the lesson on words, he makes the statement, "if you're words don't change, your life doesn't change." The greatest weapon of warfare that we have is obedience to God. On it, hinges the success of all remaining weapons. When you have a problem that besets you, get into agreement with believers who will stand with you to see you through to victory. Sometimes the victory comes by doing something different. For example, if you have a problem with pornography don't open your computer without there being someone else in the room that you can be accountable to. Other weapons of warfare are the name of Jesus and the blood of Jesus. Never hide from your sin - repent and apply His blood. This message would make a wonderful booklet!**

# TRUST

We...I talk a lot about trusting God. But it has been my experience that trust is progressive. We may trust God in the present situation, but what happens when the wind changes direction?

What if I lost my job, home, SS check, savings, car, health? How about a child, friend, husband, wife, etc,etc,etc? What if I lost it all? We sing "He's All I Need" but what would we sing if all that we have is suddenly gone? Maybe we need to take a look at our lives and assess our trust in God compared to our trust in other things...things we assume will always remain the same. Will HE still be 'all I need' if all I take for granted is gone? We tend to get lackadaisical when things are going along without a hitch, but let our lives get jostled a bit, how do we react, respond etc?

What if we've been living what we call a very blessed life that we consider as coming from God and suddenly it begins to dissolve - and we can't pray or command or take dominion .. nothing changes it. What do we feel or think or do? Is this a place where we can continue to trust God? Or suppose we have had nothing and for some reason, all of a sudden we are blessed beyond measure? Can we still trust God or will we try to control or spend our time thinking how we can keep and protect what we've acquired?

Most of us live somewhere in the middle .. not rich and not poor. Even there, are we trusting God? Do we get nervous when we have unexpected expenses/situations, or do we have the assurance in our heart that God can be trusted to come thru for us .. though not always in the way we thought He would.

What if after 30 years of marriage, your spouse dies or perhaps is unfaithful, or your most promising grandchild turns into a drug addict or you find out your daughter is a prostitute or your son shoots his wife? This sort of thing shouldn't happen in my Christian life - but it does. You have no finances nor any input in how things are handled, no way to change what's happened in your family. Do we still know we can trust God in the midst of the mess? Trauma happens to Christians too. Suddenly your body begins to show symptoms of some very scary medical conditions. You've done all the right things, prayed, fasted,

gotten deliverance and it persists. All the 'figuring out' comes up with nothing. Can you still say with Job, 'Though You slay me, yet I will trust in You'?

All this can be especially difficult if you're in ministry and you are preaching healing and deliverance or maybe you just have a reputation of being a 'good Christian'. Is it possible that we've been put in a position of having an opportunity to trust God even when we are destined to stay in the affliction? Can we wrap our brain around that thought? Somehow as Christians, we've sometimes thought we have a remedy for everything. If we do a certain thing, God is required to do something in return. Can I tell you that we can never be sure of what God will do! All we can be sure of is that we can trust Him to do what's best for us. Sometimes there's a happy ending and sometimes, not. Can we still trust Him? Read Mt 6:25-34 Amp. Know that just because it isn't working out the way we had it figured, doesn't mean God is not in control. Nor does it always mean that our sin brought it on us.

We must learn to trust God even before we know the outcome. Ralph Waldo Emerson said: "All I have seen teaches me to trust the Creator for all I have not seen." I'll add to that, 'no matter how it turns out.' Now that's a hard one. Though the thought and the words may be automatic, the 'walking it out' will take some perseverance. The happy ending will not always happen but we can choose to trust God even when we don't know what the outcome will be. Sometimes we may even start out trusting, but like Peter when he jumped out of the boat to go to Jesus, sometimes we look around and see the height of the waves and down we go. The good news is that He'll not let you drown!

There is no condemnation here. Only, that we must understand that there is a process we go thru to really trust God. Know that as the opportunities to trust come into our lives, so does the knowledge and ability to trust. We trust in something small and He comes thru so we trust in something a little larger and it continues all our lives. In the trusting, we see that even when we don't get what we want, we can trust Him with whatever He chooses. The more we see His faithfulness, in our situations, the more our trust grows. But we must never get proud and boastful or we may have 'opportunity' to practice our trust. Nor must we ever try to manipulate God for though He will always stay true to His word, it may not always be the way we think.

# PLAN TO ATTEND!!

## 2018 SUMMER FAMILY CAMP Thursday, July 5th - Sunday, July 8th Adults, Youth & Children

Ministering to the children & youth will be **James & Danica Baker** and their appointed helpers.

This year they feel called to focus on something very basic with the young people. They will be looking at prayer - how to pray, when to pray, what is prayer, who can pray, etc. The hope is to lead the young people into a more intimate relationship with our Savior. (Matthew 6)

Camp meeting kicks off for everyone on Thursday, July 5th with supper at 5:00 and the 7 pm service. Services for the young people (ages 5 to 18) will start on Friday, July 6th and continue through Saturday, July 7th. Camp meeting for everyone will conclude with lunch after the 10 am service on Sunday, July 8th.

Cost per child is \$50.00 all inclusive. Please bring sleeping bag or bedding, towels, soap, insect repellent, personal items and swim suits. Girls must wear one-piece suits and boys must have trunks, not briefs.

Parents and guardians are responsible for the children and young people they bring. This is not a camp where you send them off for a week – you are here also – attending the adult meetings. They will sleep with their parents or guardians. Our children and grandchildren desperately need to have something they can believe in, count on and trust to be there for them tomorrow. They need Jesus. We invite you to bring them and give them an opportunity to let the Holy Spirit minister to them.

Ministering to the adults will be **Carla Butaud, Geri McGhee, Nickie Pinson, Randy Richey and others to be announced.**

Call 501-525-8204 or email [72lhbc@cablelynx.com](mailto:72lhbc@cablelynx.com) for more info.
