## MOVING FORWARD ....

First, a little history: This new year of 2019 launches the 45th year for Lake Hamilton Bible Camp to continue to **move forward** in the plans and purposes of God. Actually, it was 1967 (52 years ago), Glen received the vision from the Lord concerning the establishment of this place. At the time, he had no idea the extent of what God was purposing! The non-profit designation came in 1974 (45 years ago). Space and time does not permit going into the entire testimony but if you have never read or heard it, we encourage you to do so. Glen and Erma's testimony will inspire, encourage and offer much insight into the ways of God. It can be read and/or heard online at

<http://lakehamiltonbiblecamp.com/about-lhbc/the-arkansas-story/>

We know some of you do not use the internet so if you have a CD player, we can send you the CD. We only need your name and mailing address to ship it.

Erma entered into Paradise in 2002 and Glen in 2011. The Body of Christ still gleans from the planting of Glen and Erma Miller here at Lake Hamilton Bible Camp. Without their sacrifice, diligence, determination and submission to the Lord, there would be no **moving forward** of Lake Hamilton Bible Camp.

In 2011, the Miller's son, Merrill, accepted the position of Director of LHBC. He is committed to the Lord - **moving forward**, under the direction of the Holy Spirit to keep the doors open and deliverance ministry available to God's people. He has that same determination in the Lord as his parents did, who said many times, "We are going to praise the Lord for the victories and we are going to overcome the defeats. We will not be defeated, for Jesus is our victory, praise the name of the Lord."

Simply put, Lake Hamilton Bible Camp is, has been and always will be God's place. It was birthed out of His heart. He is the foundation, and without His presence and provision, there would be no Lake Hamilton Bible Camp.

We are so very thankful for the many ministers, employees and volunteer laborers that have come and gone over the years. And there have been hundreds! God had each one here to participate in what He was doing at that particular time - both for their good and His Glory. He doesn't waste anything. This applies to those serving right now in 2019. Some were (continued on page 10)

## 2018 WINTER CAMP MEETING CD's, DVD's & MP3

MP3 - [18LHMP3CD12](#) - All 8 messages of the 2018 Winter Camp Meeting in MP3 format on 1 CD disk (Donation \$10.00 plus \$3.50 shipping)

[18LHCD12-1A & 1B](#) [2 CD Set - \$6.00] or [18LHDVD12-1A & 1B](#) [2 DVD Set - \$10.00] - **Randy Richey - UPROOTING THE ENEMY** - Randy begins this session with a testimony of how he became acquainted with the deliverance ministry and ultimately Lake Hamilton Bible Camp. He goes on to point out that this is not a 'one shot deal'... that deliverance is a progressive lifestyle. He also emphasizes that it all starts with repentance. He begins his message with Jeremiah 1:8-10 where the Lord is talking to the young prophet. Randy says this scripture is the pattern for deliverance. We are to "root out, pull down, destroy and throw down"...this dismantles the enemy. Then we replace the work of our enemy with truth which sets us free. We still need healing...the wounds from past experiences. If we get delivered but not healed, we still have a problem. We may not have as many demons but there are still some areas that need attention, so now we "build and plant". Then we get a blueprint for deliverance. He begins with forgiveness and repentance, both individual personal as well as identificational and goes from there, pointing out that it all must begin in the heart. Mark 1:14,15. John 3: We must be born again. Jesus said we must be born of water and the Spirit. Randy continues to lay out a pattern for deliverance and to walk us through it, giving scripture and declarations and ending in mass deliverance.

[18LHCD12-2](#) [CD - \$4.00] or [18LHDVD12-2](#) [DVD - \$6.00] - **Jean Williams - WHERE IS GOD IN OUR PAIN AND STRUGGLE?** - Jean is like a Holy Ghost tour guide. She takes us around one curve showing how we feel and think in our pain and struggle - then around the next bend is what the Scripture says. The whole journey is really about where our focus is and our personal relationship with Jesus Christ. God's got us! He understands and He will deliver, but we must wait for Him. He is the final destination through all this back and forth but we have to keep at His "speed" to reach the end result. It's when we

try to navigate these twists and turns of life ourselves that we get ahead of what He is doing. That only leads to more pain and struggle! We are looking for Him just around the corner but He wants to speak to us from a different spot. That is why we must focus on Him and not on what we are going through. This message brings understanding to the experiences of pain and suffering. Embrace what God is doing through it! His ultimate goal remains - to conform us into His image and likeness. He wants us to learn to hear His voice so we can understand what we are going through. Jean looks at 4 ways pain and suffering can shape us. God doesn't just want you to survive - He wants you to thrive. Message concludes with an altar call and prayer.

**18LHCD12-3A & 3B [2 CD Set - \$6.00] or 18LHDVD12-3 [DVD - \$6.00] - Geri McGhee - HOW TO DO WORD STUDIES** - Geri begins by reminding us that the Word of God is settled forever. He watches over His Word to perform it. Jesus is the Word of God. She gives testimony of how the Word has brought deliverance and healing in her life. Instead of going to the world, we need to run to God. Proverbs 25:2 says, "It's the glory of God to conceal a thing: but the honor of kings is to search out a matter". She says that when we read or search out the Word of God, we are creating an atmosphere for Jesus. The Word says that the root of pain is vexation and that 'the curse causeless cannot come' which tells us that we need to go after the cause...anger, unforgiveness, pride, idolatry etc. Repentance over the Word of God brings healing and deliverance. So, if we have a problem, we are to simply go to God, ask Him what the issue is, repent and watch Him set us free. For example, if you have a back problem, begin to look up all the scriptures on the word "back", or symptoms, and see what God shows you. She then gave very specific details as to how this is done: finding the applicable word in scripture, then reading - not just that verse but all the surrounding verses in that particular chapter, repenting for everything mentioned, knowing that we or someone in our bloodline probably committed the mentioned sin and ask God to cleanse, heal and deliver. Geri uses several different passages, showing how to do this, leads us in prayer, asking God to show us our issues, and then does deliverance.

**18LHCD12-4A & 4B [2 CD Set - \$6.00] or 18LHDVD12-4 [DVD - \$6.00] - Kerna Williams - **DIVISIONS, ISMS & SCHISMS IN 2019** - Jude 17-19 lays out the blueprint for this title. In the end-times there will be scoffers sent to cause division. This prophetic word is not just about the church. It includes government, families, educational systems, work places and more. We should be crying out for God to bring us into a greater measure of discerning of spirits. Kerna profiles what an end-time scoffer is. They come to ridicule, belittle, discredit, find fault, and condemn others to promote themselves. This spirit operates behind the pulpit as well as in the congregation. In the Hebrew, a scoffer is the same as a fool. A scoffer does not want to be corrected. They will recruit others to join in their rebellion. Scriptural instruction is given as to what to do with those who cause divisions, isms and schisms. Extensive deliverance and healing for medical issues (over 60 minutes) concludes this sobering message.**

**18LHCD12-5A & 5B [2 CD Set - \$6.00] or 18LHDVD12-5 [DVD - \$6.00] - Geri McGhee - **THERE IS AN IDOL LURKING BEHIND YOUR ANGER** - Geri dives right in with a statement that makes it clear. We are called to be overcomers and that means we must repent and get victory over the things that displease God or we will not inherit the kingdom. Whether it is fear, anger, depression, pride, etc... anything we put before God is an idol. She makes it clear that we're not talking about an occasional slip. The issue is whether it's our lifestyle to be angry. We're to look for the root of our problem and deal with that. It really all boils down to our control or lack of it concerning our life situations...our way or God's way. First Samuel 15:23 says, "Rebellion is as the sin of witchcraft and stubbornness as iniquity and idolatry". Regardless of the area, anywhere we are not submitting to God, there are unresolved issues and if we want to be free, we'll deal with them. We must stop playing the blame game and deal with our own issues. She uses several scriptures to show us how important understanding is...it is necessary to understand in order for the truth to make us free - John 8:32. Geri says the way to get rid of anger is to give it to God...die to it, using John 12:24 which states "Except a corn of wheat fall into the earth and die, it abides alone: but if it dies, it bears much fruit". She says to take it up the mountain and offer it to God - put it to death. Geri uses more examples, leads us in prayers of repentance and ends with deliverance.**

**18LHCD12-6A & 6B [2 CD Set - \$6.00] or 18LHDVD12-6 [DVD - \$6.00] - Kerna Williams - JANUS OR THE MONTH OF TE-VET** - Before Kerna begins this teaching he shares 3 recent events that are fulfilling Bible prophecy. He then digs deep into the idolatrous background of the Gregorian calendar, with specific emphasis on Janus (January) and the paganism, witchcraft and impact it has, especially on the mind. Janus is two-faced and a keeper of the doors. Kerna states, "satan's false system (the Gregorian calendar) was introduced into our lives to hinder the blessings." We are being governed by the Gregorian calendar but it's time we understand God's calendar. In the Hebrew calendar, we are in the month of Tevet (Dec 11-Jan 11). The Hebrew calendar is prophetic. It is not the Kabala and it is not Jewish mysticism. We are in 5779 on the Hebrew year which is an era of favor, grace and goodness as long as one walks in obedience to Jesus Christ. Kerna says every month on the Hebrew calendar is connected to the 12 tribes. Tevet is connected with the tribe of Dan. He breaks down the month of Tevet and the blessings of aligning ourselves with the Hebrew calendar. Fasting, praying, purifying, placing things on the altar - these are all part of the month of Tevet. He reminds the people that you will still have to use January when you write a check but to pray about shifting to the Hebrew calendar and it's applications to the Kingdom of God. Kerna concludes the last 30 minutes with additional prayer, ministry and deliverance in the scope of medical issues.

**18LHCD12-7A & 7B [2 CD Set - \$6.00] or 18LHDVD12-7 [DVD - \$6.00] - Jean Williams - UNDERSTANDING GOD'S TIME AND SEASONS** - The only time that you and I have is now, so there's no time to waste to be out of the will of God. This message is really about God's Kingdom business. He is not concerned about your age but with what you did with your time while on this earth. Jesus knew His time and purpose. Many times He said, "My time has not yet come." This is an extremely thought provoking, practical, wise and timely message for all to hear. We want to be aligned with God's timing and season in the decisions that we make. One of the surest ways to miss God's timing for our life today is murmur and complain during our wilderness of dry season. The advice given in this message for the "dry season" is priceless. Jean explains why we must understand time and seasons. She shares 5 advantages of

time, 7 things you must know about your season and 5 questions to ask yourself about your purpose. Wasted time is a wasted life. Extensive deliverance ministry concludes this excellent teaching.

**18LHCD12-8** [CD - \$4.00] or **18LHDVD12-8** [DVD - \$6.00] - **Randy Richey - MOVING FORWARD IN THE LOVE OF GOD** - Randy begins by reminding us of how even going to God for repentance is an act of faith and when that's finished, we are not to look back. The reward for repentance is cleansing. There's no progression while looking back. Once we are forgiven, we must change our ways...thus changing our future. If we continue to lament our past, we'll repeat it. We make headway when we forgive our enemies, and pray for those that spitefully use us. We waste time by thinking about the past. We must get it in our mind that His blood is enough! We've been cleansed and each time we go forward being more loving, we're being polished. Our heart change causes us to desire to do what Jesus says and little by little we begin to resemble Jesus. If we behave because we love Jesus and want to please Him, we'll be free, but if we behave because we don't like the consequences, we'll not be. Our check list is 1st Corinthians 13. Randy says that the deliverance part is easy but then you must walk it out...hear and obey. Love causes that to happen. First we receive it from God and then we pass it on. The fruit of the Spirit is the result. Galatians 5: tells us what love looks like. The love that we receive from Him is what enables us to keep His commandments. John 14:15, 23, Luke 10:27, John 13:35. He gives us the ability to love as He commands. John 17:26 Jesus prays, "that the love wherewith thou {GOD} hast loved me {Jesus} will be in them and I {Jesus} in them". Randy uses many other scriptures, did deliverance and then Callie, his wife came up and led us in declarations.

(Continued from Page 4) here to build, cook, plant, teach, design, type, create, pray and fix. Some were complainers, encouragers, joyful, angry, physically and/or mentally challenged, young, old and many of us sanded off the rough edges of one another as we labored together in this unique ministry.

We can't rehearse about all who have come and gone here without mentioning all who have prayed for and supported this ministry throughout the years. Many have gone to be with the Lord. We still pray for their children, grandchildren, and great-grandchildren! Those prayer warriors and financial supporters God has in position now, you are prayed for as well. Our hearts are full of thanksgiving for ya'll!!!

We conclude our **moving forward** .... with some statements from Kevin King, one who came here with Glen and Erma in 1974.

"I've been working for Glen Miller since I was 17 years old in 1973 (started in California). I got married here to Patti during the 1980 Spring Deliverance Camp meeting. Frank Hammond was ministering then. Patti started working here for Erma Miller in 1981. We're still here, helping where needed. We did move for a time as I needed to take care of my own dad, but after he passed, Glen soon called asking if Patti and I would come back. We did. We have been back here full time since 2002. We're still just helping where needed. The other people working here have been here for many years as well. Some over 20 years. Some later retired completely. Linda Henley, Rick Hastings, Dan and Christel Helderman have all been here twice, came back, and are still here. We all had to leave for a short season but God brought us back and we are **moving forward**. We are all the "comeback crew"!

It does not matter to me that Glen passed in 2011. I know he would still want me to continue this audio project if I was still here. So I am, with the blessing of the board of directors of Lake Hamilton Bible Camp. It's always good to be under authority. I'm in my 60's now. Still love doing this job! Because it helps people. Patti shows me some of your letters of thank you. Very encouraging to me and keeps me **moving forward**!

We all need to **move forward** and don't give up on ourselves. Keep forgiving others. Keep asking the Lord to change your heart. Give Him permission. He knows how to fix us. If we're a Christian then our life should bring glory to Him. But we need to ask Him to help us."

We thank the Lord for His faithfulness! He alone is worthy of our praise! Amen & Amen.
