DOC AGAN

10LHDVD4-4 – Doc Agan – FEW MEN LEFT - Doc gives numerous scripture references in this teaching. Joel 2:11 says that the day of the LORD is great and very terrible. He points out that our light can't shine unless there is darkness. Sinners will be consumed from off the earth. The earth has been given to us - the kingdom is ours - the overcomers. The day of the LORD has begun. The red horse takes peace from the earth. The black horse brings famine. Jesus said that the ones that endure to the end shall be saved - Mt 24:13. There will be few left. Enter into your chamber and hide yourself until the indignation pass. We have Rev 21 and 22 to look forward to.

10LHDVD4-8 – Doc Agan – NO EGG – All creation awaits the manifestation of the sons of GOD - Acts 27:20, Col 1:27. Doc says "Our extremities are GOD'S opportunities." With many scriptures, we're shown how GOD excels in doing what we can't do for ourselves. Some scriptures used were: Mt 19:26 - With men this is impossible but with GOD all things are possible. 1Cor 15:51, Jn 8:50-51, 5:24, 11:25,26, We're reminded of Sarah and Abraham and others – the Shunnamite woman, Hannah, Elizabeth - all who could not possibly do anything on their own and how GOD came thru in each case. God has not changed. He'll do it again!

DON ANDREWS

08LHDVD7-14 – Don Andrews – GOD'S TIME IN GOD'S PRESENCE - We are not very good at carrying God's presence. We can deliver people out of where they are at but can we bring them into Jesus? Inside they are lacking something; not carrying God's presence. We are supposed to be a spiritual people. Don illustrates this teaching from Ex 25:10-22 which is about the ark of testimony, What God is doing with man; carrying the presence of God in representation of us as a "mobile box" to have Him rest in. When righteousness comes in it feels like an affliction. But we seek righteousness because the opposite is rebellion. Don explains how the Israelites always carried the ark with them everywhere they went. Then they set it aside and started doing things their own way. He gives another example with Samuel. Don says being what God wants us to be is more important than doing things. Righteousness brings affliction. You are being set free to be in bondage to Jesus. I Chron 13:1-12 David was afraid of God, he saw God's presence was there and he wanted to bring it back to Jerusalem. Isn't this what we are supposed to do? Our prayer life should be our communication with God on a daily basis. We need good communication with God which moves us into a better ability to understand what God wants us to carry. God wants us to walk and carry His presence so that we can see what He is doing. We need to have an open-minded prayer and seek Him and His will to cut away our will and hear and see the things he wants us to hear and see not what we want to hear and see. Don shares a personal example. God is not interested in you having a testimony. He is interested in you to do it to praise Him for who He is and what He does. God wants us to flow with Him and carry His presence. Don closes with prayer.

09LHDVD7-8 – Don Andrews – TRAUMA – We learn in this teaching that the traumas in our life can work for our good or for our harm. We must choose life. Trauma - to wound, pierce, shock. Sometimes it takes something traumatic to cause us to make right decisions. We must learn to enter into God's presence and let Him circumcise our heart so that we want what He wants no matter what it costs. Demons tell us lies that open us to insanity spirits. Sin deceives and kills - Christians are looking for freedom - not a disciplined life. The law is good in that it is fulfilled in us. It is written in our hearts. Ps 51:15 says a broken and a contrite heart, God will not despise. He hears the deep cry in our heart and is waiting on us to turn completely to Him. Sometimes it takes trauma to bring that to pass. Prayer for God's blessing follows.

09LHDVD11-2 - Don Andrews – JESUS - YOUR STUMBLING BLOCK - God builds our value in Jesus. We are spiritual beings whether we understand it or not. What matters is our submission to Him. Our giftings mean nothing unless they are under His control. There's no formula - it's an individual work - He'll bring it all together into His Body. We're the ones who change in order to fit. Our will must be broken to agree with Jesus Lk. 4:18,19, Mt 10:7,8.

09LHDVD12-2 - Don Andrews - OUR RELATIONSHIP WITH HIM - Rom. 8: 1 - "Who walk not after the flesh but after the spirit." We are responsible for our personality - not our parents or spouses or friends, etc. The enemy loves to pull the puppet strings of our past to bring us into condemnation. Jn 3:17 "God sent not His Son into the world to condemn the world..." We must stop living in the natural realm and move into Jesus – having our life in Him. Our flesh will suffer but the long term rewards are unbeatable. We can have as much of God as we want and He gets the glory.

09LHDVD12-6 - Don Andrews - EMOTIONS - Negative emotions affect our body as well as our spiritual development. Continued stress causes physical illness. However, it is possible to be stressed and not react. We can respond in the Spirit --- choose our 'self' or Jesus. Our response to Him gives Him honor. He is setting His church free to worship Him. Heb 12:14,15 says that with this He is well pleased. Our negative reactions do much to defile us. Know that what God is doing in us now will help someone else down the road.

09LHDVD12-17 - Don Andrews - PROMISE LAND – What is the difference between soldiers and warriors? Soldiers get paid to fight and can return home after the battle. A warrior always fights. The battle is a frame of mind – the smarter you are, the more trouble you'll have. The wilderness is our training ground – where we get experience. We'll not trust God if we do not have to. Only by walking daily with God will we come into the promise land. Let's not be in the wilderness 40 years and still not be broken. God isn't required to cover us if we're not in Jesus. Get the warrior mentality. Fight the enemy until all his works are destroyed.

10LHDVD4-7 – Don Andrews – NEW LIFE - With much conviction Don expounds on the need to know Jesus and how that changes us - how He gives us a new heart - new life in us with no end to it. We hear a testimony of strong oppression but also of a stronger GOD. 'Macho Man' was cast out! The peace that God's presence gives is unexplainable. Don shares on how God showed him that there was nothing he could do to "produce God" - It's all HIM or not HIM at all and we have to allow Him to produce in us. Say 'YES.'

10LHDVD11-3 – Don Andrews – IDENTITY - In this teaching, we hear much testimony of God's deliverance from what seemed an impossible place. We hear how He can take you out of a place of torment and transplant you into a safe place. We hear how God will even change your identity. Isn't it funny how when God begins to set you free, your whole environment seems to change? Spiritual conflict with your life is conflict with God. An example is schizophrenia – Amos 3:3, Mt 6:24. Most deliverance is a process – a becoming. 1 Jn 3:1-5. Becoming sons of God – Rom 8:14. Anything is possible when we are with God. Deliverance prayers follow. (There are some audio problems with the DVD but not the CD)

11LHDVD4-5 – Don Andrews – FEAR OF REJECTION - Don gives an extensive testimony of the work that God has performed in his life, beginning with prayers prayed for a special anointing in the spirit realm. There was much in his life that God had to deal with such as his equipment concerning martial arts. He learned also that power is another side of rejection. God began to show him what love is so that he became very conscious of endeavoring to please God and aware that God hears the cry of our heart. As the soul chooses God's way, the flesh begins to die off. If it comes to just God and me, that is enough. He can bring us to be at peace with heaven and earth. Don shares many examples of how we can progress in the spirit realm by loving God and doing what He says - 1 Cor 10:3-5, 1 Jn. 2:15 and Ps. 91. Prayer follows. The DVD of this service has low volume.

11LHDVD5-5 – Don Andrews – REDEEMED - What should we do when attacked by the enemy? – withdraw into God's arms. Redemption = rescue. Is. 54:5-8 is an illustration of God's grace - beauty in action. God prepares us to deal with the demonic. We are accepted, loved, restored. We can live in peace with God and others, free from our past. Rom 7:5-9, the law is still connected to our sin nature, trying to draw us back in. However, God sets us free from all that. He gives us a battle and then tells us to walk it out. But when we are set free, it's worth the price. Rom 8:1 tells us there is no condemnation to those who walk after the spirit. We have already been given the victory and now it's being worked out. Don't give the enemy credit for what God is doing in your life.

11LHDVD7-12 – Don Andrews – SHEEP TO THE SLAUGHTER - The enemy's job is to separate us from God but the Word says in Rom 8:28 & 29 that all things work together for good - to them that love God and are called by Him. He planned a victorious life for us. If God is on our side, why do we fret? He loves us and is trying to separate us from things that separate us from Him and that love. If we want His presence, we must co-operate with Him. As the demons drop away, we see Him and His way clearer. We are enabled to hear and we can choose to obey. We must recognize that all the difficulty comes to purify us. He has a higher realm for us to operate in. Eph 3:6-12. Is what is happening to us out of God's control? Col 1: 16-21. The truth of who God is...revealed in His people ... His Kingdom is alive and moving.

12LHDVD5-4 - Don Andrews – GOD'S PRESSURE - God's pressure is growing today. We are getting "squished" so He can work things out of our flesh. We want to get to the place where pleasing God is the most important thing in our life. These places where God is applying pressure are becoming more narrow and compressed. God wants our whole heart. Allow Him to be God. The narrow ways keep getting narrower and we become smaller and smaller, as little children. In this way we can receive the heavenly things He shows us. The works of His love are challenging. Ask yourself, "Who do I belong to?" He is our destination. He makes the pressure so great we have to move some way. He is renovating our mind ... bringing heart and soul into unity. When you lose yourself, the pride drains off. Sometimes when we are weak we speak a thing. The goal is to walk without offense. Allowing offense to come is an emotional issue. You are the one who has the problem. We need to understand what is going on and how God is dealing with us to bring us to Him. He is working righteousness into us. Anger and strife and all evil is going out. The things He asks us to do will change our lives. We must trust Him completely. According to His mercy He saves us. We learn to seek and to ask. He loves us. The pressure He applies allows us to be changed. He puts us in the places only He can go. This teaching is followed by prayers to break all resistance to God.

12LHDVD9-4 - Don Andrews - THE TOUCH OF HIS HAND - What do we really want from God? Do all to be right before Him. Be open to Him to receive His love. He has mercy because He loves us so much. We are nothing without the life of God in us. We cannot trade it out or replace the bad things we have done by doing good things so that we do not have to change. He knows the very intents of our hearts. We cannot be evasive with God. The devil does not know everything that is going on with us. God has a way of keeping it secret until it is done in you. When you realize the depth of your depravity, tell God, save me if you can, I cannot help myself anymore. We cannot manipulate God by our prayers, acts, or thinking. When we get a little mentally and spiritually healthy, we try to get our control back. After five minutes of true spirituality comes, we tell God, I'm going to help You a little bit. He is so much more wonderful than we think He is. Unless great pressure is applied, nothing is going to happen to us. We are looking for something to relieve the pressure we are under, We are not always looking for God. We are always looking for a happy life. What God wants from us is relationship. How bad do you want it? Will you submit to Him consciously and let Him have your life by submitting to His will? God is the perfect, good Father that we can trust. Persevere until He sets you free.

CHERYL BATTS

06LHDVD12-15 - Cheryl Batts - THE 3RD HOUR - Cheryl starts off with Matthew 20:1 - when we all get to heaven we'll reap the same no matter how long we have been saved. Matthew 20:15 - God has a right to do what He wants to do. It's His way or no way in the Kingdom of Heaven based on His righteousness. Deuteronomy 15:9 - we must move into the Kingdom of Heaven and know where we are. Our greatest challenge is to check out ourselves if we want to get into the Kingdom of Heaven here on earth. We have to minister with our spirit and not our flesh to people. Proverbs 23:6-7 - Don't fellowship with just everybody; make sure they are moving in the same direction as you are. The Kingdom of God is not made up of robots that do the same thing the same way all the time. Luke 12:36-40 - tells us to be prepared to enter the Kingdom, be awake, watching, go through the test, take the squeeze and challenges. Scream aloud and stand fast. Be excited about the Kingdom and seek after God with all that we have. She says read everything you can about the Kingdom and gives scriptures and explanations. Cheryl says the Kingdom of heaven is what it is all about. In closing she continues with scriptures about the Kingdom being about great wisdom and Mark 4:26 which is a parable about the Kingdom.

07LHDVD4-6 [\$8.00] - Cheryl Batts - FEAR NOT - Cheryl delivers a powerful message on being prepared for war. "Are you packed?" is the question we need to explore. What do you have in your backpack? 2 Cor 10:1-6 is the text from which an outline is drawn. Know the Commander-in-Chief ... train to use the weapons ... know what the weapons are ... learn to be disciplined and obedient ... discover the land mines in our lives. This teaching can mean the difference between life and death.

07LHDVD5-9 [DVD is \$8.00] - Cheryl Batts - WHAT TIME IS IT? - Cheryl brings a "soul-searching" message and repeatedly asks, "What time is it?" Those for whom time is running out - when they come in (to Jesus) - are you ready for that? That generation does not speak "Christianese". Can you hear what God has to say about yourself? It's time to be who God has called you to be. It's time to shake yourself, O Zion, for God is calling. You say, "I can't fast for medical reasons." Why do you think fasting just has to be about food? Look at other things in your life you can "give up", to let God have His way in your life. Hosea states our idols cause us to be a snare - a stumbling block to one another. They also speak of a "landmark" - the place where you can decipher right from wrong in our lives. That's what time it is! Cheryl ends with, "It's a good day to die - from all that is not of Jesus." Deliverance prayers and ministry concludes this teaching.

07LHDVD12-12A & 12B - Cheryl Batts - SPIRIT OF ARRESTED DEVELOPMENT - As we are living longer some of the people behind us do not know the miracle working power of God. This spirit of arrested development keeps you from growing past the age of 13, works in the mind and starts in a child. Isaiah 5:13, captivity because of no knowledge. Fill children with Jesus at an early age. Pro 3:1, God is telling us to instruct our children. This spirit will not allow a normal conversation on any issue. Small children are selfish. Mine! John 10:10, being childlike and even in looks, in some instances, are the result of this spirit. It can return the victim anywhere from 13 years to younger. Many more symptoms are shared by Cheryl. This demon may cause people to drink or have temper tantrums. They never seem to learn from their experiences - I Cor 13:11 and cannot balance having more than a few friends at a time. Cheryl follows with much good instruction for parents concerning their children. Arrested development is a strong demon operating with a cluster of more demons. In praying, start at age 2 under the leading of the Holy Spirit, go up the ages, bind and cast out and release maturity in each prayer. When you are being prayed for you should be praying on the inside also. It's where 2 or 3 are agreed that the answers come. You have a responsibility; fight or not, putting all you can into your deliverance. You will not get all the deliverance God is making available for you if you don't take that responsibility. When you hear this CD you can take it to others so they can be set free. Have mercy on the ones with this spirit because there is a lot of fear associated with it. Cheryl closes by acknowledging God's greatness and deliverance prayers from the spirit of arrested development. This is a powerfully anointed deliverance service and many people were delivered.

08LCDVD2-4 – Cheryl Batts – HAVE YOU LOST YOUR FIGHT? - Something is at your door and you back away from contending with the devil about encroaching on you and your life. You wind up so tired you can't think. Amos 6:1 – balance. There are 191 plus scriptures on battles. Get some rest. When in rebellion, get serious with God. Cheryl shares testimony on being out of balance in time past and says you have to get serious with God. He will get your attention in the end times but it's better to stay yielded to Him. It is in the quiet time that God lets you know who He is. With your mind stayed on Him, you can go forth and win great battles. Look for balance in all that you do. The Holy Spirit will lead you into all truth. What He wants you to know is not about you; it is about the people your life will touch. Deut 21:10 – as the general of tiredness comes against you, you say God's Word. There is power, healing, love and all we need in the Word. Job 39:42, Ps 18:39, Ps 55:18, Ps 140:7 - speaks of peace in the day of battle. We need to be rested and be prepared for all battle at all times. He will tell you the time to move. Eccl 9:11 – The time for the great battle is not far away. Stay in balance. Do not be weary in well doing. Cheryl closes with powerful mass deliverance over the congregation. The anointing for deliverance is with this message – listen and get delivered!

08LHDVD5-9 – Cheryl Batts – NO FEAR - Cheryl starts by saying this is the first day of your life. Take the time to really hear. She shares that for 2 years she was in a strong state of fear. Do you have profound awe and reverence toward God? This is the deciding factor concerning fear. Fear is mentioned in the Bible 485 times. Psalms 86 – a prayer of deliverance by David. You need to come to the place of reality of what you really are as opposed to what you think you are. Be quiet and listen. God may send a donkey to speak to you. She shares a personal experience where God gave her enough time to repent, and receive relief from fear, self-pity, etc. Then God opened the flood gates. Rom 8:13-30. We turn and look at our self. How about productive pain? Can we empathize with others? New level - new devil and a shift of faith for you. Stay on the potter's wheel. Trust God and obey. Respond in faith instead of fear. Have enough love and respect for God to obey Him. Psalms 91 is the answer for deliverance from all the demons that attack through fear. Stay under the shadow of God's wing. If you lose, it is because you choose to lose. Psalms 91 is your security blanket. Fear today should not be part of our make-up. Cheryl closes with deliverance prayers for many kinds of demons that come under the spirit of fear.

08LHDVD9-3A & 3B – Cheryl Batts – THE CHANGE FROM WITHIN - Today is like no other day that God woke you up. It is a new day to be conformed as you promised God. He does not forget. There is seriousness in this hour as never before. The change from within is what we resist. We already told Him to do what He is trying to do. Change your ugly stuff into something that looks good - like Him. When you first get saved God's supposed to change everything around you. God says "not so", I will change you. You said "I will" and He is going to change you as long as you are here. The change within comes with a price. He has to keep you in the press until you can see what others already can. The fire is hot here. God is trying to do all He can to bring you into balance. The change is within us so we can be what He calls us to be in the Kingdom. Jesus changed the disciples and the world in three years. Rom 8:20. He is the change maker. Quit thinking it is your enemies, etc. Rom 12:2, Joel 12:15. Just when, after a victory, you think you (Ps 41:3) are perfect now, God says (Acts 20:32) we are going to work on (Rom 12:2) something else, forget it! He is not going to do it all in one day. It is a lifestyle. Don't get (Rom 8:20-28) stuck on how things used to be. The change within will give you discernment on where God has people at. It's all about the change maker living within us and changing us. Rom 8:21 Now we can go from kindergarten to first grade. Still some stuff the Deliverer wants to set us free from. Basically fear keeps us from change. Not trusting God to change us. It's really about obedience to do what God calls us to do. Cheryl closes with prayer.

08LHDVD11-6 – Cheryl Batts – CHANGE IS COMING – God has been saying, "Gear up for change!" We are encouraged to always be in a state of readiness for change. Stay with Him. He will prepare you for what is on the horizon when you give yourself to Him in prayer. In the days ahead, do not judge the people God is bringing in. He loves them. Let Him change them. Be available to mentor and to pray and watch Him bring the transformation. Be more concerned with how much Light is in you to pierce the darkness in them! Be careful how you treat God's people. Prayer and prophecy conclude this service.

11LHDVD4-3 – Cheryl Batts - SEE, SAW & LOOK AT THE PROMISES OF GOD - Cheryl says we need the word of God-the truth. We are not paying attention to what God is telling us to do. The enemy is after our attention. So we take our eyes off the promises of God. We see miracles and then as a result, we become double-minded. Eph 3:16, 11 Tim. 1:7 speaks of our defense for fear – that we would be ‘strengthened with might by His spirit,’ and “God hath not given us a spirit of fear - but He has given us power and love and a sound mind.” In 1Kings 19, we see Elijah hiding because of fear-what he heard instead of what he’d seen to be true of his God in the past. The bible says to ‘fear not’ 365 times. We must keep our eyes on Jesus, bind and loose, cast all our cares on Him. We then had prayer for forgiveness followed by deliverance.

11LHDVD7-6 – Cheryl Batts – MEET ME AT THE WELL - Jn 4:1-4 Don’t miss your divine appointment at the well ... there’s water for the thirsty soul. God will reveal Himself there. Whatever is said at the well, stays ... the curse broken there. These are spiritual truths not known before – like who we are and what we’re about. The questions are from our heart – not from our lips. We will understand things by and from the spirit. There can be no preconceived ideas – we’re open to listen. God is whatever you need Him to be at the well. Let your bucket with all the ‘stuff’ down and draw back up what you need. Jesus is waiting for you ... to save, heal and deliver. Deliverance follows.

RONNIE & DIANE BIJEUX

08LHDVD7-2 – Ronnie Bijoux – THE NEW CART – This teaching text is taken from I Chron 12 & 13. He says we are moving in on a new horizon; 1. New administration on the rise. God is raising up people called by His name. The five fold ministry needs to come. 2. New level of understanding at the gate. (Issachar anointing, Zebulun anointing). The devil is not your greatest enemy, your tongue is. 3. New dimension of spiritual warfare. 4. New release of spices – Exodus 30 - God told Moses to use 5 sweet spices. 5. Fresh move of God- Ronnie uses the hand and “g’s” to illustrate the offices of 5 fold ministries: Apostle – governs; Prophet – guides; Evangelist – gathers; Pastor- guards; Teacher – grounds in truth. Ronnie gives illustrations with David and Saul. We have to discipline ourselves to praise God every day. David said in vs 2 if it seems good to you and it is of the Lord God. The new administration will happen corporately before globally. We are going to have to change our mind set. We don’t want to get into the church we want to get into God. We are the “woman of God”, what are we birthing? Think of the transition in Matt 17:1-8, vs. 4 it is good for us to be here ... Hear ye Him! Vs 7 – Jesus had to move from where He was to where they were. I Chron 12:32-33 – everyone needs a strategy to defeat the enemy. He tells about a “PHD”- praise Him daily. At the gate of understanding, your understanding will be peeled back and what you could not see; now you can see. You will know apostles, prophets, teachers, pastors and evangelists by their fragrance not by their title. This is the final order. We must be careful of the false anointing, false teaching, etc.

08LHDVD7-8A & 8B – Ronnie Bijoux – THERE IS A SHIFTING IN THE ATMOSPHERE - In the last 2000 years we have been getting into church not into God. Ronnie says we are partakers not undertakers. Shifting means there is going to be a birthing. God is changing us; this means He is shifting us. In Gen 28 we see Jacob was a supplanter. Heb 5 tells us Jesus learned obedience through the things He suffered. I Kings 18:44 there is some shifting going on. God gave Elijah a warning. Elijah prayed and saw something. We need to go back to what we saw from God rather than what we are seeing. Come into the Kingdom as a little child. Humility 101 is the lesson - you are nobody until you are somebody in Jesus. Eph 6:18 through perseverance we need to be observant of what God shows us in the Spirit. God is going to spew lukewarmness out of his mouth. Every door is clearly marked push or pull. Nothing is birthed without adversity. Shifting takes place from hind sight to insight. Things don’t just happen. Choice and not chance will lead you to your destination. In Gen 28, the ladder had a divine connection between heaven and earth. Promotion comes in our shift. We are not limited when it comes to God’s will; we are limited in our finite

minds. Wisdom from above is pure, gentle, etc. God has an “escort business”. He will have an angel take you right to where you need to be. Ronnie says he knows of 2 witches in the church; the Pentecostal witch who prays against the soul of the leadership of the church and the Charismatic witch who draws the sheep to themselves. If we always do what we’ve always done we will always be the same.

09LHDVD7-2 – Ronnie Bijaux – IF MY PEOPLE – In this message, we’re told that there is an attempt to mute God’s voice in the earth today. When we look at the way things used to be, we realize that our freedom of speech has been lost even in the church. What happened to the name of Jesus? The church has been silenced by fear--behind the scenes. Amos 8:11 talks about a famine of hearing. What has happened to trusting God and knowing He is more than enough and we have nothing to fear? God is for us, not against us! The enemy tampers with our peace as well as our joy. We’re told that Jezebel is trying to kill the anointing. The apostles and prophets must come forth to redirect the church. Leviathan is Jezebel’s strongman. We must open our mouth and speak the words of God. It’s time the voice of God was heard in the church again. Prayer follows.

09LHDVD7-11A & 11B – Ronnie Bijaux – A RIVER IS COMING – Ps 46:1-11 Be still and know that I AM GOD. You can’t hear God till you get still. The next move of God will cover the whole earth - Ezek 47:1 We learn about the 9 rivers in Gen 2:11 - the meaning of each name. We need to let God be God in our lives. He’s the one to take us down the river. We’re told that whatever you see is where you’re going. Learn to catch little fish and God will teach you how to catch the big ones. and he who wins souls is wise. Prov. 11:30 This river of God is moving, flowing, brimming with life. Integrity will come back to pastors. We’ll see a mending ministry, waters of opportunity, unity, humility, all working together, all in the same river, moving with God.

09LHDVD9-5 – Ronnie Bijaux – GOD IS CHANGING OUR SPIRITUAL CLIMATE (Part 1) - Apostles and prophets are types of what God is doing in the New Test church. Ruth’s life is used to depict the path of the present day church. The comparison of Ruth and Naomi is made to show bitter and sweet and how Ruth saw something in Naomi that was worth staying with. Ruth 1:1. Why are we not winning people to Jesus? Elevation revolves around confrontation. We can be in the field and never look inside to see the goodly pearls. God is looking for the church on the move. Your mind is your land - possess your soul. Mt 28 commands us to, “Go into all the world.”

09LHDVD9-10 – Ronnie Bijaux – GOD IS CHANGING OUR SPIRITUAL CLIMATE (Part 2) - God is looking for a people who are willing to be plucked up out of their comfort zone - Ruth 1:21,22. Over 1500 pastors a month are resigning. Who will take their place? Are you willing to go where God is? The church that is moving with God must lead by example, allowed to go - not be manipulated. Ruth, a young believer, can follow but doesn’t know how to lead. However, she pressed thru and God positioned her where He chose. She chose to go with God and then had to go thru probation (testing). However, there was a bonus in store for her - Boaz! So, as Naomi had released her to glean, and she was willing to work, then she was rewarded.

10LCDVD2-1 – Diane Bijaux – TRANSITION INTO POSITION – PART 1 - Transition is the place you go through when change is in process – change our mind set, our attitude, our heart. It is the place where we must give in to what God has planned for us. He shows us our heart and we must decide to go His way. He is capable of turning your life and any negative situations around. Stop looking back. Philippians 3:9-16 tells us we are able to do what He is requiring of us no matter how impossible it looks. Diane gives a very poignant testimony of what God did in her life as she had to deal with what seemed to be an impossibility.

10LCDVD2-4 – Diane Bijaux – TRANSITION INTO POSITION – PART 2 - God is faithful and He has a purpose for you. Jer 29:11, 1 Peter 2:9. You are chosen by God, Ps 33:12. Take a stand, so that people will know that you are chosen in Christ – joint heirs, royalty. Purpose and plan = destiny. We are accepted in the Beloved. The Greater One lives in us. God is on our side. He will take us to the place in

Him that He has chosen for us. Diane uses examples to show us how God brings us into our destiny. Esther, Ruth and Naomi are all examples of God bringing His chosen ones into an unexpected end. Would He do any less for us?

10LHDVD7-4 – Ronnie Bijaux – THE CHURCH IS LIVING IN ITS FINEST HOUR - There is a spirit trying to silence the voice of God. The greatest enemy in the church today is the carnal mind. There are unlimited resources deposited in us - enough to cause a turn-around. We see in Ruth 1 that sometimes we have to go back where we began. At other times we must go to where we are out of our comfort zone. You may have to glean for awhile but eventually you can possess the land. It's time to wake up. We need to re-establish our love for God, our country and our fellow man. We need Jesus! America needs Jesus! Prayer follows.

10LHDVD7-8 – Ronnie Bijaux – GOD, SHRINK MY PROBLEMS - 2 Tim 2:11:12 We read that if we suffer with Jesus, we may reign with Him. We will never overcome if we do not confront and refuse to back down when problems occur. Sometimes they may look like Goliath – LARGE - and a bully! We must learn to keep our focus on Jesus and cast down imaginations. The biggest enemy we have is our carnal mind. We must believe - feed your faith and starve your doubts. What do we do when we have a 'giant size' problem? Meditate on God and His word. We can withstand the enemy, 1Sam 17:9, His favor is in the midst of the problem. We are in training to win the battle and to retake our land! Prayer follows.

10LHDVD7-14 – Ronnie Bijaux – ZAREPHATH - I King 7:9 - God has a place in Zarephath - a place of refining. He will refine what belongs to Him. He gets us ready to go to places we thought we could never go – places where He may have to supernaturally provide for us. His sandpaper ranges from extra-fine to super coarse – whatever is needed. God may wait until the last minute to give the next instruction. We don't have to know what He is doing. We sometimes must just blindly trust Him. He will cut away the unfruitful so we must be in submission in order to complete what He assigns. He will empty before He fills. Listen closely. Obey promptly. If we are willing and obedient, we can eat the good of the land according to Isa 1:19. Prayer follows.

11LHDVD7-2 - Ronnie Bijaux - DON'T QUIT IN YOUR PIT! - Life throws some hard punches. We MUST fight back! The pit we're in now is our preparation for our future life. We are in a pit for a purpose. We must die to some things. You can't upset something that is dead. According to Eph 4:12, we are called to do the work of the ministry. Sometimes it's necessary for us to be 'contained' in order for us to be still enough to hear the Lord. Ps. 40:2, says that God can take us out of a pit and set our feet on a solid rock. He will put a new song in our mouth. Remember, David encouraged himself in the Lord. Rejoice and get the victory or complain and go thru the problem again. God has a plan and it's higher and more glorious than we can imagine. Is. 55:8-9.

11LHDVD7-11 – Ronnie Bijaux – TAINTED PICTURES – We are a Benjamin generation, seated at God's right hand – we must operate on a higher level. We heard about a prophet, a brook and a bird. The church is in a drought but rain is coming ... a fresh rhema word to turn the church around. We'll speak by divine revelation. God is looking for a people who are real. Prov. 6:2 says we curse ourselves while Prov. 16:24 gives the remedy. 1 Kings 17 speaks of a new beginning.

12LHDVD7-8 - Diane Bijaux - RETURN TO ME - All over this land people within our churches are tired of business that is not God's business. Especially the young people are seeking the presence of the Lord with their whole hearts. There are two kinds of churches: 1) Institutional churches, man-made customs and formats, organized programs polluted by paganism. The Prodigal Son's older brother stayed at the house, going through the motions. His outward appearance was religious and conforming, but his heart was far from his father. 2) Organic churches looking for life, nothing artificial or synthetic, but simply led by the Holy Spirit. Because of the famine in the land (no Word), the Prodigal said, Is this all there is? What am I doing here? He was transformed by the renewing of his mind. He came out from among them. He

returned to his father's house to achieve his destiny. Our Father wants us back. You can wither and die in religion or find fullness of life in the Spirit of God. Service concludes with an old-fashioned altar call.

12LHDVD11-1 - Ronnie Bijaux - KINGDOM CHURCH - Part 1 - We are moving from the Church Age into the Kingdom Age. We have had 'church' and 'religion' for 2,000 years. We have had an intimate relationship with the 'church'. What we need now is a relationship with God our Father - true intimacy. The sign of a religious spirit is 'no personal relationship with the Father.' That person will defend their church, pastor and doctrine. We are coming out of carnality and pagan Christianity. God is developing us by stages into His Kingdom of righteousness, peace and joy in the Holy Ghost: 1) baby's milk and food 2) strong meat 3) spiritual gifts 4) the five-fold ministry 5) full mature Sonship. 'Chief Cornerstone' means alignment. Let the Lord align you and move you into position to fulfill your destiny. God is watching us from the throne, looking for one who is saying, 'Lord, here I am - send me.' Jesus says, 'My Kingdom is not of this world.'

12LHDVD11-2 - Ronnie Bijaux - KINGDOM CHURCH - Part 2 - A word of encouragement - the Kingdom of God shall prevail. At this present time, if we are not walking in victory, our mind needs to be renewed. 'Religion' has stolen from us, but 'whosoever will' call upon God and He will appear to them. Remember, in the Holy Place, the only light is the glory of God. Christ in us the Hope of Glory. We are now coming into the New Jerusalem. We are living in an hour where God is training us to hear and obey His voice. Be ready to endure persecution from the religious church. Learn to sever unhealthy relationships. Get rid of strife and envy in your life. We now live in a spiritual dimension where nothing is impossible to those who believe. Like Abraham, be willing to stand for your nation. There is no other way to walk - no other thing to do but to surrender to the Living God. We are living in a present reality Kingdom. Find out what you are made of and in whom you believe. You are come to Mount Zion.

JESSE & KARA BIRKEY

11LCDVD2-2 – Kara Birkey – TESTIMONY – PART 1 - Kara gives us an overview of her life and how she got tired of her lifestyle and prayed for God to bring her a husband. However, married life wasn't exactly perfect either. Her husband got involved in sin and even after much prayer, she found out that they were not 'altogether' yet. Sometimes we aren't as spiritual as we think. 1 Cor 10:12, "Take heed lest we fall." One of the most important points that she made was to take responsibility for your own sin – not blaming others. She was very candid and transparent about her own sin, not blaming her husband. Pride keeps us looking at others. Ps. 139:23, 24 "Search me, oh God and know my heart: try me, and know my thoughts. And see if there be any wicked way in me, and lead me in the way everlasting." Prayer follows for God to search our hearts and for hidden sins to be exposed.

11LCDVD2-6 – Kara Birkey – PERSONAL TESTIMONY - PART 2 - Mt 3:1-3 says, "Repent, for the kingdom of heaven is at hand." Kara says that repentance is just the beginning – an opening for God to do a work. We must walk in obedience to the Word. Vs. 8 says we are to "Bring forth fruit meet for repentance." Serious marriage indiscretions caused her to have to work thru an ongoing battle with bitterness, rage etc. Repentance means confessing your sin but that's not always going to make the results of that sin disappear. She compares it to 'spring cleaning.' If God is not changing you, you're missing it somewhere. 1 Jn.4:16-18 God is love and He will enable you to do whatever He requires of you.

11LHDVD7-3 - Jesse & Kara Birkey - TESTIMONY OF FAMILY RESTORATION - Kara Begins her testimony with the story of how she went from being a traditional Baptist to adultery. She was repentant eventually but it was a long road to restoration. There were a lot of forgiveness issues on both sides. Jesse shared how he was desirous of spiritual gifts as a Baptist child but got involved with pornography. He also had an anger problem as well as a gambling addiction. While listening to some teaching, his heart was set

on fire for God, who then took him thru a series of experiences involving healing, deliverance and inner-healing. They made choices which eventually brought them through to peace and restoration of relationships. An impossible situation was rectified as they followed thru in obedience to the Lord.

11LHDVD7-9 - Jesse & Kara Birkey - RESTORING THE SONS & DAUGHTERS TO GOD - Who God is in our lives has powerful influence in the earth today. Jesse recounted the varied violent and immoral activities that are happening in our country today. Remember though, that we can trust the God in others. We must set boundaries in relationships and still be vulnerable. Satan wants to separate us from the knowledge of God's love thru damaged relationships. We can choose which way to go. We can know the love of Jesus which passes knowledge. Eph 3:19. God's love is everlasting according to Jer. 31:3. It's all about the love of God. Many scriptures were used to tell of the multi-faceted love of God. Our earthly parents did not love us perfectly but God will forgive and restore. This session is concluded with a Father's and Mother's Blessing.

JOHN BONEY

06LHDVD11-1 - John Boney – A NEW MINISTRY INVADING THE HOUSE OF GOD – "God's purpose preserves you" was John's opening statement. God has a purpose and a plan that is on schedule. God determines the seasons and He changes the seasons in line with His plan. So many people are rejoicing in what God used to do. There is a progressive unveiling of God to man. John tells his version of what Moses saw, that God called His back parts. He says that heaven is bugged! The Holy Spirit sits in a corner and listens to the Father talking to the Son. Revelation is the hearing of the Father talking to the Son. Reference is made to Deut 8:2. God already knows what is in your heart but He wants you to know what is in your heart. We learn about the principle of corruption that God put in the manna which is angel food. In II Kings 17:32-34, John explains that some things God gave us for a season don't work anymore. II Kings 18:1-4, he explains the Nehushtan and that it means a worthless piece of brass. He speaks of 2 religious spirits parading themselves in the House of God referencing Isaiah 65:11. John "drops a bee in your bonnet" concerning Ezekiel. A new ministry is going to invade the House of God in this new season. What good is revelation if it doesn't bring transformation? Flee Babylon and save your own soul! The old is the biggest enemy of the new. This is an excellent teaching explicitly from the Word of God with Scriptural examples of how things given for a season may not work anymore. John closes with prayer thanking God for this new season and new day.

06LHDVD11-7 – John Boney – GOD'S KINGDOM –Beginning with a chorus of "This is the day the Lord has made, let us rejoice and be glad in it", John teaches an awesome correlation of "the third day". God has one distinct purpose and has permitted 7 days or 7,000 years for the fulfillment. Since Jesus came to earth it has been 2,000 years or 2 days. We are now at the beginning of the third day. He gives three Scriptures concerning God's plan made before the foundation of the world; Eph 1:3, Rev 17:8 and 14:8. God does not have a plan B. His plan is right on schedule. Matthew 17:1 shows us God is taking some people into a new realm of experience with Him but not everyone. He only took 3 of the disciples here. John 17:3 is a classic Scripture that describes eternal life. Matthew 7:21 tells us there are different levels of relationships with God. You can do religious works but not have a relationship with Him. The price you have to pay is everything. Genesis 1:2 is not about God's purpose for heaven but about God's purpose for the earth. The blessed hope is not the going of the church but the coming of the Lord. The biggest hindrance to revelation is traditional doctrine. John tells us the movement of the Spirit by itself doesn't change anything. The elements of change are the Spirit, the Word and man. We are either the problem or the solution. He teaches many more interesting thoughts on the 7 days of God's plan from the Scriptures. Then John fast forwards to the restoration of the church from Ezekiel and he declares prophetically that the "church is changing". He finishes with the chorus "This is the day", and gives us these pointers; everywhere you go declare the Kingdom of God is here, submit yourself to the Word, bless and prophesy over your children, and make preparation for your seed to be prepared and equipped. John closes with prayer.

GAIL BOWEN

13LHDVD12-12 - *Zalmer Nichols / **Gail Bowen - *GOING DEEPER **THE GLORY OF GOD -

*Brother Zalmer recounts stories about early revivals in America and the men and women who stirred it up. They were yielded vessels to God. Then Brother Zalmer teaches from Deuteronomy 11. The Israelites were instructed to place the Ten Commandments on their door post. Only people in covenant with God would come into their home and they were protected. We are in covenant. We could have our homes and families protected from the world as they did. Go deeper into God. When we are truly obedient, broken, and contrite the power of the Holy of the Spirit will radiate through us. **Sister Gail teaches us the brightness and splendor of God is known as the Shekinah Glory. We see the glory of God in nature all around us. God's glory was in the wilderness with the cloud and pillar of fire. His glory was in the Holy of Holies of the finished Tabernacle. We know that Jesus is the glory of God. Now the glory of God is in us because He built His temple in us...Christ in us. We can pray anywhere and God is there. We are being transformed into the image of Christ...from glory to glory by the Spirit of the Lord...the manifestation of the Sons of God that the Father may be glorified.

MIKE BROWN

11LHDVD12-4 Mike Brown BUILDING YOUR BUNKER - We have the mind of Christ. Jesus tells us what to think about. We have the potential for ultimate communion with God all the time. Sadly, to those who are without God's love, the Word of God is foolishness. The devil's job is to keep us powerless. His world system cannot stand. It will crumble. We see in part because the enemy brings in other things that seem good. That is why we cannot see clearly all the time. We have to push away those things to get to where God is. To get into God's bunker His love must be established. Read and meditate on the word. Worship leads to heart to heart communication. Praise is a powerful force. Pray in tongues. Cast down vain thoughts. Be thankful. Forgive. Focus on Jesus and others, not ourselves. When we are anchored in God's love we have an unshakable power.

RON BRUNSON

11DELTRDVD-4 - Ron Brunson - SCHIZOPHRENIA - Ron describes a spirit as "an unseen, underlying personality that makes a person think and act a certain way." The enemy knows if he can get believers and the church divided he has conquered us. He tries to divide our soul into two parts - schizophrenia - double-mindedness. Every erratic behavior a person exhibits is a symptom of seeking love because of rejection. Schizophrenia is the devil's master plan to destroy God's image. Deliverance prayers conclude this message.

CARLA BUTAUD

06LHDVD12-12 - Carla Butaud - THE KINGDOM - PART 2 - Carla begins telling us the basis of what the Kingdom is all about in Ephesians 3:1-12. There are things revealed to the church at different times. The Kingdom teaching seems new. This is about the revelation of the Kingdom. She says repent means to think differently, reconsider. Many scriptures are referenced concerning the Kingdom. Because we are citizens of the Kingdom of God we are entitled to privileges. We have been transferred from the Kingdom of darkness into the Kingdom of light. Carla makes comparison of three differences we would encounter if we were placed in a foreign country. 1. We would have to learn to language - the Holy Spirit speaks through us 2. There would be a time difference - Kingdom time is not measured by the clock 3. We would have to exchange our money - money is worth nothing in the Kingdom, faith becomes our exchange. She tells us the Greek definition of Kingdom has to do with a realm, also it is tangible. The Kingdom is here

now. Demonic power is understood but God's power is all most always misunderstood. Carla gives scripture references and explains the things Jesus does when walking in the Kingdom. You will find out what she calls the "kingdom principle of multiplication" in the Bible including II Kings 14:48. She tells us our thinking must change because the Kingdom is here. Carla says her next teaching will look at the weight holding us down and how to enjoy the benefits of living in the Kingdom - Matthew 5:5&6. She closes this interesting teaching with prayer.

07LHDVD5-6A & 6B – Carla Butaud – THE KINGDOM (Part 3) – Carla starts with a prayer, “Dry bones, hear the Words of the Lord!” Change your thinking as Jesus said in Matt 5:43-45. Using Hebrews 12:1b, “... let us lay aside every weight ...” she likens them to unevenly distributed weight in an airplane. Weights can be 1) getting saved, becoming religious, then never getting to KNOW Him; 2) not knowing our inheritance in Isaiah 53, not taking possession of it. She uses 2 Sam 9:1-10 to illustrate a person of royalty who described himself “as a dead dog.” The King said, “Fear not, I will restore.” Once we begin to walk in our inheritance, we can give it – distribute it – so Jesus can come and rule and reign in the Kingdom of God.

07LHDVD7-3 – Carla Butaud – RULER SPIRITS – AHAB AND JEZEBEL – If you do not know how to recognize a spirit of Jezebel, this teaching will not leave you in doubt any longer! Carla exposes her hiding places! She is a very destructive ruling spirit. Carla points out that we are the product of not just our parents but from a gene pool of thirty-two relatives from each parent. In 1 Kings 21:1-10, we see Jezebel. She points out we have a weak church and weak nation because this spirit has never really been dealt with. The solution is to let God give us a true attitude of heart. A few of the traits of Jezebel that she lists are always being angry because she can't control everything; always has to have the last word; has a nasty/nice thing going on; feelings hurt easily but often hurts others; suspicious minded; wild imaginations; it's my way or the highway; justifies self; blames others; has a religious spirit; rage; idolatry, etc. Jezebel will open you up to a false anointing. Be finding out – who you are, what your place is and then be in that place and doing God's will. If there is an area in your life where you are pushing, pulling, etc., try and just step out of the way. Much prayer and ministry for deliverance follows this teaching.

07LHDVD9-5 – Carla Butaud – IDOLATRY (The Kingdom of God Series - Part 4) – This message begins with John 14:30 and Luke 18:18-27 as the basis for the statement – The reason we are not walking in the Kingdom is because we have too many weights on us. Having other gods before us keeps us from enjoying and partaking of God's Kingdom. The question is raised, “What are some of the things you can't let go of? (Idols). When Jesus comes into a life, there should be a transfer of loyalty. Without realizing it, you may still be bound to ancestor worship or family traditions. In the Old Testament the covenant promise was for the land. In the New Testament, for us, it is the Kingdom – so obey God! A spirit of religion blinds you to the Truth. We make idols of our children, become men pleasers instead of God pleasers. If you need your children to change, get out of the way. If you are between them and God, you are making yourself God. Carla speaks of many modern day idols and says you can't walk the line – you will slip off one way or the other. This session ends with prayer for repentance and deliverance.

07LHDVD11-3 – Carla Butaud – HOW TO RECEIVE – To receive is to actually take possession. Many believe but never receive. The power comes with the receiving. John 1:12, “But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:” We are to be conformed to His image. When we really receive Jesus in His fullness, there will be activity. Jesus has given us authority but have we received this power of authority? We are accountable to God for this gift He has given us. To receive is to be humble. For example, when a compliment is given, humble yourself and willingly receive it. God is a giver and He is looking for receivers. Some of the things that block us from receiving are: 1) The bastard curse and the spirit of abortion. Both carry rejection with them that will make you feel unworthy to receive what God wants to give you. 2) Negligence toward being in the Word of God. 3) Offence – a huge block to receiving from God. 4) Cares of this world (Rom 6:16). 5) God, teach us all how to be better receivers!

07LHDVD12-7 – Carla Butaud – LIVING BY FAITH - Jeremiah 1:10 – Carla starts with personal examples of the results of speaking negative things (Joel 2:28, Eph 3) and also speaking positive words and results. God is beginning to put His mind-set into His people for His purposes. Pro 23:7, We need to change our thinking. James 3:1-6, Anything not spoken in love or exhortation is a curse. Gen 1:26, God said it was so. Ex 14:13, Moses as an example of this type of prophesying. God has given us authority in the name of Jesus to be used in times of impossible situations. Ezek 37:3-6, God told Ezekiel to tell the dry bones to live. Carla shares more personal examples of speaking positive thoughts in times of crisis and how God is glorified. Rom 4:16, We all have storms in our life and as Christians we should respond differently than the world. We are asking God to do things He has given us authority to do. Heb 1:1, Your circumstances will not change God's Word but God's Word will change your circumstances. All we can see is what we see but God sees the big picture. Live as though the answer has come and leave the mess to God. Peace in the midst of the storm. Rom 4:17-20, Abraham considered not the circumstances.

07LHDVD12-11 – Carla Butaud – ALL THINGS NEW – Carla opens with prayer for the Lord to speak to us. God hears our words and whether you know it or not He is taking you at your word. Are you ready for God to do something new in your life? It will require you to change your life. She gives a definition of insanity – it means doing the same thing over and over but expecting a different result. For 2008 she would like for it to be your desire for God to do something new in your life. Rev.21:5, God says I make all things new. It is an adventure to live with God. Another thing she would like to see you do is keep things simple. God speaks when He has an ear. The 3rd thing she would like for you to do in 2008 is try to forget everything you know because there is knowledge that can get in the way of what God wants to do and wants to say. She gives an example in the scripture John 20:11 and in her personal experience. She tells us 3 scriptures she is going to particularly turn her attention to in 2008 – Pro 3:5-6, Matt 6:25-33, Phil 4:4-8 and gives illustrations on each. Eph 5:23, pray over your wives and children. I Cor 7:1-5, the relationship between husband and wife. The word power in this verse means to exercise authority upon. Carla tells a personal experience with this scripture. We must practice all these things so you'll get more "gumption to your unction so you can function". II Chronicles 16:9, the word perfect here means ready to cooperate. She closes talking a little bit about faith starting with James 2:17 – the works that He is talking about here is if you don't work your faith to get you through a circumstance then your faith is dead, you don't have faith. We need to be able to activate our faith or it is dead. God needs people of faith. Carla says this is just kind of a little pep talk to go into the New Year with. Some of the things we are going to have to put down are our own desires, wanting to be our own god, set down our own idolatries, our own agendas and allow Him to live through us and guide us and direct us, acknowledge Him in all of our ways and He will direct our paths. John 21:18 tells us when you mature you let Him have your hand and He guides you where you might not want to go but if He is with you it will be ok. She closes with prayer.

07LHDVD12-17 – Carla Butaud – KEYS TO THE KINGDOM – Glen Miller, our host, shares a few interesting stories from the past before this teaching. Carla begins by a welcoming prayer for the angelic host and Holy Spirit to be present in this meeting. She then gives us scriptures for her text regarding keys to the kingdom. To mention a few; Matt 6:14-15, 7:12, 5:7, 6:12, II Cor 9:6, Gal 6:7, Luke 6:38, etc. Carla gives many interesting personal illustrations of how these principles work in her life. Matt 16:19 is seen by Carla as a personal scripture to her and she explains how. Spiritual principles work just as real and strong as principles in the world and are very important in our Christian walk. She illustrates mercy and judgment in her life. Everything she has judged she is living. When you judge someone you will get a chance to be tested because when we judge others we tend to do it in our self-righteousness. Correct in a loving manner so you can be corrected in a loving manner. In your Christian walk how generous are you? Remember there is a sowing and a reaping. In the Kingdom of heaven money will not buy you anything. II Cor 1:4 – judge not but have mercy. The principle here is give and it shall be given to you. We are so selfish; it's all about us. Get "WHY" out of your vocabulary and you will be all right. Some things are so simple we miss it. Carla uses many of her personal experiences to further explain how these scriptures work in our lives. She concludes the teaching with deliverance and opportunity for repenting.

08LHDVD3-2 – Carla Butaud – HEALING - Phil 3:10 – power is the meaning of His resurrection. Matt 27:50-53, Heb 2:14, I John 3:8. John 1:29, Rom 5:12-15, Gen 3:14 – death, sin and all evil as we know it today came in and also curses. Rom 5:18 – by the obedience of one (Jesus) many are made righteous. Gal 3:13, Rom 8:2. The law of life in Jesus abolished the law of sin and death. Luke 4:18 speaks of Jesus' mission; to set the captives free, etc. We cannot always see the bruises and offense in people. The church is sick. Ex 14:26 says I Am the Lord that healeth thee. Acts 10:38, Mark 5:1-8; This man was tormented by demons but came and submitted to Jesus. He was made sane and whole and the people who knew him reacted in fear. We also have generational curses, diseases or judging of others that may come back on you. If so, repent. Healing is a gift. Jesus was moved by compassion. He tells us in John 14:12 that greater works we will do. If you belong to Jesus, healing belongs to you. Isa 53:4-5 shows the gifts given us from Jesus, freely given by His great love. In James 5:14, God made a provision for the church. Forgive the sin, and then healing can come. We are a jumper cable or extension of God to others to be free and healed. Mark 16. Lay your hands on the sick in your family. Pray for each other. Carla shared two personal testimonies and closed with a prayer of commitment to give Jesus all sickness, sorrow, torment, etc. and asked Him to restore all lost or damaged lives. She prayed deliverance and broke curses for generational problems, all blood diseases, all cancer, all work of the devil, all mental illnesses, spirits of infirmity, pain, and arrested development.

08LHDVD3-6 – Carla Butaud – THE SPIRIT OF ABORTION - Carla starts by reading a list of manifestations of a demon, saying there will be some of these you may think do not apply to you. She shares a testimony of tormenting thoughts as a child; fears of murder, abandonment, rejection, false guilt, and many more. She was given insight into the generational causes of all these manifestations. We in America are under the curse of abortion. This applies to men and women. A spirit of illegitimacy comes in when the baby is not wanted. At that time a spirit of death comes in to the womb that even if future babies live some are affected by this spirit. Carla shares a personal testimony of a sexual curse coming down her family line from great grandmother to grandmother, to mother, to Carla and her daughter ending with forgiveness, healing, and deliverance. This spirit runs closely with the bastard spirit. The upcoming abandoned children will be an awful generation. Carla says by her experience she knows how prevalent this spirit is in the world. It also causes men not to love their children. She closes with a prayer of repentance for the group present and for the sins of our country. Prayers for deliverance set many free.

08LHDVD5-6 – Carla Butaud – GRAVE CLOTHES - John 11:41-44. She says when we are “born again”, we still have grave clothes from past generations; things we just can't get past. She shares personal family experiences of much bondage. Gen 1:11-12 - illustrating how the seed bears after its kind and how this shows up in each life; a bad habit, a belief system, an infirmity, etc. Jesus set us free and we have freedom we have not possessed yet. Ex 20:1-5, Deut 23:2 – with the bastard spirit on you, you can go to church but never really fit in because of this generational curse. Heb12:3-8 - if you did not have proper discipline, being an unloved child has symptoms of this spirit. You think it's just me; anger, etc. Gen 12:10 – Abram was fearful. Fear can cause us to lie. Gen 26:1-7 - the son like the father. The blood of Jesus has broken these curses but there is more to this. 2 Sam 11:1 – guard what you look at. We would do well to be about what we are supposed to be doing. Tarrying gets you in trouble. What you believe does not change the truth. II Cor 1:-3-6 - the ability to be obedient takes breaking these curses to remain free. I Cor 6:19, Romans 7:15 – the flesh and the spirit are always in battle. John 2:13, Matt 21:12; 10:5-6 - freely you have received (Jesus says) freely give. Jesus was sending disciples out to God's people. We need to quit being polite to the devil. He likes to steal the Word. Deal with him when he shows up. Luke 13:10 – spirits of infirmity travel down the blood line; some come from way back in blood lines. Matt 15:21 Deliverance is for the church. Ps 135:15, Hos 4:6 – God can tell you what your idol is. Ask God about anything in your house that is offensive to Him. Carla closes with prayers for deliverance.

08LHDVD7-4 – Carla Butaud – WHEN THEY DON'T GO THE WAY THEY SHOULD GO – Carla begins with, "Children obey your parents so you will live long on the earth." Deut 21:18-20 tells us how

God feels about rebellion; by law they were stoned. Thank God for Jesus. God has put order in the home like Jesus is in the church. We tend to do the same things our parents did and make the same mistakes. Our responsibility is to raise up the children to have a relationship with God. Young men are to be the head of their households. Job 1:1-5 – Job tried to cover his grown children. Fear and faith are opposites. Rebuke fear, an evil spirit that will cancel your faith. Ex 30:14 - at the age of 20 and up they were required to give an offering. Num 1:20; 14:29 – at the age of 20 children should be out of the nest. If you are still trying to parent (Ps 27:10) your adult children, you are playing God and you will be accountable. Matt 10:21 – children shall rise up against parents and cause them to be put to death. Carla shares testimony from the past of how the enemy comes against parents, children and families to destroy God's order, His church. Give your kids to God; Luke 15:11-20. Satan will also try to discredit you in the community. If you have judged - repent and be forgiven; she uses the story of the prodigal son. Whatever you receive deliverance from always go and break it off your children too. If we go out and rescue them we are asking for great agony. Consequences will bring you back to the right path. Sometimes we have pride and wonder what people will think of what kind of parent we have been. Rom 4:20 - hope against hope, being fully persuaded that God can perform what He has promised. Carla closes with prayer for the parents and the children. This is an excellent message for both parents and children.

08LHDVD9-1 – Carla Butaud – BOWELS – Carla begins with the definition of this word “bowels” that she heard from God a few months ago. It describes our organs; heart, liver, etc. Old Testament references begin with Gen 15:4-15 – Abram questioned God. We know God's promises but many times we doubt. More references include Gen 25:23, Numbers 5:11-31. We are created to live in peace, harmony and balance; it brings health to our body. Pro 7:1-27 – a seducing spirit causes an arrow in the liver. I Kings 3:1-28 has to do with wisdom, a heart attitude. Hate evil and love justice. Use God's wisdom or our body pays. II Chron 21:12, these scriptures all have to do with bowels or organs and the consequence of sin on them; not being faithful to God. Job 30:27 – bowels boil and rest not. Ps 22:1-31. Carla shares an example of a personal friend who died with colon cancer. She shares a personal experience when she was a teenager and the lesson her Daddy taught her concerning being lied about. He said if she knows it is not true and God knows it is not true to ignore the lies and the tormentors and they will cease. It worked for her then and it still works now. Let them curse but you bless. Lam 1:20 – because of rebellion. Lam 2:11- maybe eye trouble; grief, pride, and sorrow may affect the liver. Then Carla shares some New Testament references to “bowels”. Acts 1:15-20, I John 3:11-17 not just our actions but the intent of our hearts (Deut 15:6-10) and the last New Testament reference is Col 3:5-17. She says in closing forgive, have tender mercy. It is a discipline. We have to do what the Word of God says. Put off the old self and put on the new. Carla ends with prayer for all having trouble in the “bowels”, covering all the words she has given in this teaching that refer to “bowels”. Is there a physical manifestation of a spiritual problem in our bowels?

08LHDVD9-5 – Carla Butaud – WALKING ON PURPOSE - He that hath an ear let him hear ... Repent for the kingdom of heaven is at hand ... Demon spirits work in us but they can't be crucified they must be cast out. Flesh cannot be cast out it must be crucified. There is nothing we can do to make ourselves pure, free or holy but after we are made pure, free and holy by the Lord it is up to us to stay that way. Pure means clean - not mixed with anything else. Carla shares other definitions of chaste, etc. She gives illustration with personal example. II Tim 2:19 means you have to depart from iniquity. God will convict you of iniquity which means unrighteous behavior. II Tim 2:21 – we have to purge, cleanse ourselves. Verse 22 - think about youthful lusts such as vanity and pride, whatever pleases the flesh, living apart from God. Gal 5:16, this is Carla's prayer to teach her to walk totally in the Spirit and walk not in the flesh. She continues on in verse 19 and 20 explaining each of the deeds of the flesh in these verses. Being disloyal to God is committing adultery. Lev 18 – incest, homosexuality, bestiality all brings curses on you. In Deut 28 you can find a lot of diseases know to man. Jer 2:19 – judge and convict. This is about having no fear of the Lord. The church has no fear of the Lord. Acts 5:1 is an example. Deut 18:9-11 tells about witchcraft. Rom 12:9-10 – putting someone else before yourself. John 2:19-23 taking eyes off of self. Mind your own business. All this boils down to a love issue because God is love. What kind of vessel are we; a vessel of honor or a vessel of dishonor? Ephesians 5:14-17 is a message to us today – walk on purpose. Who are we

when no one else is around? Carla closes with I John 2:28 – 29:3 and prayer to let us live lives of repentance to be vessels of honor fit for you Lord.

08LHDVD9-9A & 9B – Carla Butaud – ADAM ANGER/EVE ANGER - Genesis 3:7- this thing between men and women started right here. Anger has caused a lot of prejudice between men and women. When you get rid of the competition by forgiving the Adam anger and Eve anger, the man can be who he needs to be, the woman can be who she needs to be and they can be who they need to be together. She says call forth the godly man of your husband every day. We as women have lost our position as women and who has it hurt? Us! Women have had so much anger at men; we have caused them not to treat us like women. She says let God save your husband because you cannot. Carla shares many personal experiences and examples throughout this teaching. The Adam anger spirit and Eve anger spirit play a big part in our lives today. Submit unto your husband as unto the Lord. Pray and ask God before you ask of anyone else then be submissive to His answer. God is bringing up things to enlarge our arena for deliverance. Carla closes with corporate prayers of deliverance to break Adam anger, Eve anger spirits.

08LHDVD12-9 – Carla Butaud – THE BASTARD SPIRIT - When people tell you God loves you, if you can't receive it, it is because of the Bastard Spirit. Carla shares that as a child, even though loved (Deut 23:2) by her family she couldn't accept it. She was not a bastard child but the spirit was operational in the bloodline. This spirit keeps you away from God and people. It makes you feel like you are inferior, not good enough; causes extreme timidity or over aggressiveness. The cure is to apply the blood of Jesus. Heb 12:6 generationally, conception and not having proper discipline from father are some ways this spirit comes in. Zech 9:6 it will ruin things; like not taking care of your body, no respect for self, etc. It keeps you from receiving or giving love; it will rob you of the joy God has for you. When the Holy Ghost and God's love come you don't have to try, just BE. People with addictions usually have these spirits because they have so much pain in their life. Walls of self-protection are thrown up to keep hurt out but also keeps God out. God can restore what you have missed when these spirits are broken off your life. Carla closes with prayer to break this spirit and cast it out. Rom 8:15 Through Jesus you are now a child accepted in God and His family.

08LHDVD12-15A & 15B – Carla Butaud – SPIRITUAL BLACKMAIL - Is there anything keeping you from walking out God's call on your life? If you think you have let God down and you are unworthy to do anything to be used by God blackmail by force or threats are working in your life. Just you, God and satan know about it. Rev 12:11 we overcome by the blood of the Lamb and the word of our testimony. Carla shares testimony of a childhood incident when money was stolen and how her Daddy brought it to the light and brought correction. Then she shares another similar incident concerning her teenage son. This is when she felt spiritually blackmailed. I John 1:9. She repented but had no release. But shares how she later was set free. The root was pride. Prov 11:2 Pride then shame then contentions and strife. Prov 16:18, Isaiah 2:11, 3:16-26 Haughtiness is an ugly thing and it stinks. Luke 18:10-14 satan has his greatest power in the place of your secret sin. Tell the truth and be set free. Job 41:31 leviathan – pride, his heart is as hard as a stone. Carla shared the satanic set-up that blackmailed her into sitting down and shutting up. Prayers of deliverance follow and close this teaching.

09LCDVD2-1 – Carla Butaud – A MARRIAGE RESURRECTED (Part 1) - Carla shares testimony of how God resurrected her marriage of 34 years as of today. When she was saved in 1977 everything changed except her husband. She thought having children, being a wife and mother was happiness. It was then she began to die; resentment of life, husband and her role. But today she has a different perspective. Then – lonely, etc which lead to depression, husband and wife being in the same house but being alone. Both were lost. Ps 127 without God there are no answers. Angry against God, she cried out to Him and He instantly healed her of depression. She received life but the marriage was dead. She asked God to fix it. Titus 2:3. The older women need to teach the younger women to be wives who love their husbands and children. God told Carla to greet her husband home from work like she would like to greet God Himself. So she did. You don't have to feel it to obey God. Matt 8:2, 9:18, 15:25. Worship is a posture of submission.

Eph 5:22, Phil 4:6 – as unto the Lord. Make your requests known to God, and then ask your husband. Submission is good. If done in the right manner it will cause him to want Jesus. I Pet 3:1-4, I Cor 7:14. Give him to God and relax, treat him as if he is saved. Acts 26:18. In two weeks her husband accepted Jesus. (To Be Continued). Prayer for individuals follows, then prayers for husbands, sons and family members.

09LCDVD2-4 – Carla Butaud – A MARRIAGE RESURRECTED (Part 2) – Acts 1:8 you shall be witnesses unto Me, Jesus. After being healed of depression Carla and her family got in church and into its entire works. Then God took her out of it all. She said a prayer, asking to know God and be the wife and mother pleasing to Him. Go to I Cor 13 to learn about love. Then God showed her herself; said He was pleased with her but to be the witness she must be in her own family. Gen. 3:12 – Eve became offended at Adam and we still blame one another until today. Adam anger / Eve anger. She shares of learning to put her body under subjection when discovering Jesus paid for her freedom from Eve's curses. Satan does not want unity in marriage. Eph 5:22 - It doesn't happen all at once but when we begin to honor, be respectful and kind to our husband, he will take his place as the head of the family. I Cor 7:4 when you begin to exercise Gods' power in your home, the enemy does not like it and will oppose you. Carla shares personal examples of these teachings. I Cor 7:10 God made her marriage new and can do the same for others. God is able to make something that is dead, alive. Never lose hope. Teach others. Carla closes with prayer.

09LHDVD4-3 – Carla Butaud – KINGDOM ECONOMY – (This is the 5th message in Carla's series on the Kingdom) - Economy is defined as a systematic arrangement. Matt 6:19-24 The Kingdom of heaven is here. You cannot serve God and mammon. God wants us to trust Him - press into the Kingdom. Vs. 33 - seek, Mark 10:17, Luke 12:15 not self-sufficient but trust in God; Kingdom principle - Jesus is Lord over all our life. Prov 3:1-9, Gal 4:16; the 90% after the tithe goes further than the whole amount. Mal 3:7 robbing God of the tithe brings a curse. I Pet 5:8 take God at His Word, His covenant with you. Mal 3:16 it's time for us to tend to the things of the Kingdom because the world has nothing for us. Luke 6:38, 16:1-8 - be wise as serpents but harmless as doves. Are you a good steward of what God has put into your hands? Heb. 11:1, 6, Eph 2:8.

09LHDVD4-2L – Carla Butaud – STOP THE MADNESS – SEXUAL SINS - These sexual demons are moving on and on - generation after generation. They must be broken off of you so that your seed will be clean. There are multitudes of people on each side of the family when two come together. So it is not just you two that brings junk to the marriage. The area satan would have us keep secret are the areas we need help with to get free. Satan cannot do anything without a body. These generational curses are deposited on us and we don't want them. Carla shares some of the evil spirits we battle; Pornography, masturbation, familiar spirits, Jezebel, Ahab, incubus, succubus and the spirit of the bride of satan with explanations and examples of each. These are connected to sexual sins. Carla shares personal experience throughout this teaching to give understanding. She explains that when these spirits come to you or your children in dreams, etc. you must cast them out - they are demons. Knowledge is empowering. In closing, Carla receives questions and answers on these spirits.

09LHDVD5-6A & 6B – Carla Butaud – LYING SPIRIT – Pro 6:16 - two of the seven things God hates refers to lying. Geri shares many scriptures that deal with lying. In these end times the lying spirit is a major problem. In the coming days when we speak a lie, the Holy Spirit is going to convict right then just as it was with Ananias and Sapphira, and the true church grew. When you lie, you cannot hear God. We lie to our self if we think we can hide our iniquity from God. Some will hang on to family traditions rather than the truth of God. Pray for discernment to tell the difference between the truth and a lie, between true and false prophets and apostles and liars. If someone followed you around all the time would they see a real Christian or one living a lie? Read 11 Chr 18:20. Carla shares a personal example of an encounter with a lying spirit; how it will take your words, change them and give them to another. Lord, teach me how to live and walk in my spirit man. I Sam 17:42 the lying spirit that will try to make you believe a lie. David did not believe the lying spirit but refused it. Then there is one that makes you believe a thought, not God's thought, wants to make you fearful; feeling affects the flesh and becomes a stronghold. I Jn 4:1 try the

spirits. II Cor 10:13 cast down the imaginations. Bringing into captivity every thought. Carla closes with prayer against this spirit.

09LHDVD7-3 – Carla Butaud – TAKING BACK WHAT THE ENEMY STOLE – The enemies camp? - Where is it and how do we get our “stuff” back? We learn in this message that our money has a voice, James 5:4, blood has a voice, Gen 4:10, the fig tree had a voice, Mk. 11:14, stones have a voice, Hab 2:11, creation is groaning - a voice. Whatever belongs to you is crying out. We’re told that we have the ability to recover all that has been stolen from us. We hear examples of how things that had been stolen were restored to their family - all within 3 weeks after prayer. Make your list and then go to the enemy’s camp and command the return of your stolen blessings. Remember Job - he got double what was taken. However for this to work there are things we must do. We must forgive, Mt 18:23, Mt 6:14,15. We also need to loose thing you want from God to others. Prayer follows.

09LHDVD11-7 – Carla Butaud – SPIRIT OF DEATH - In this teaching, we look into, not only God’s original plan, but Jesus’ provision to restore the original. God never meant for man to die. Rom 5:12 says ‘by one man, sin entered the world and death by sin.’ According to Heb 2:9, Jesus tasted death for us all so we wouldn’t have to. Rom 8:11 says if the same spirit that raised Jesus from the dead is in us, it will quicken our fleshly body. We learn much more about how it was meant to be and how we have settled for much less.

09LHDVD12-12 - Carla Butaud - WARFARE – 1Jn 4: 4 tells us that the greater One lives in us. Our birthright was given up to satan by Adam and it’s his job to fight us but we have been given dominion. We are in close combat with unseen enemies but we can win. Mt.11:12, “The violent take it by force.” However, it is all dependent on relationship - ours with HIM. “We overcome by the blood of the lamb and the word of our testimony.” When we do what God tells us, He’ll do what He promised. Words have power. Speak to those dry bones and the dry places in your life.

09LHDVD12-18 - Carla Butaud - CURSE OF THE BASTARD - Deut. 23:2 says a bastard can’t enter the congregation of the Lord for 10 generations – that is 400 years. One way a bastard spirit can come in when the child is unwanted. It causes you to always feel unloved. You can be in a room full of people and still feel alone. You will usually have an inferiority complex. You will also have problems receiving God’s love. That spirit of rejection attracts people who will reject you. Extreme timidity or aggressiveness may manifest. Jesus made a way for us to be free. We need to break the curse and cast out the spirits involved. Call them by the name they are manifesting and command them to GO!

10LHDVD4-3 – Carla Butaud – HEALING - Carla lists many, many scriptures that verify her teaching. We have not seen the full manifestation of the Kingdom on the earth as yet. Lk 4:18 Deliverance and healing are to our body, what salvation is to our spirit. Healing was a great evangelical tool as Jesus walked the earth. Mt 4:23-25, Jn 5:6, Mt 8:14-18, 9:1. The result of healing was that they glorified GOD. Do we KNOW that it is GOD’S will that we be healed? His blood was shed so we could be made whole. Do we understand the authority and power of GOD’S word and what we possess because of JESUS. Will you be made whole? You were AND you are. We have to apply and possess it for ourselves.

10LHDVD5-3 – Carla Butaud – THE SPIRIT OF FEAR - The scriptures tell us time and again to FEAR NOT! Is 41:10,13, Ps 27:1, Ps 56:3. Carla quotes many others and gives testimony of her own battle with fear. Gen. 3 is the first reference in the bible concerning fear. When we fear, we are in rebellion to God and are listening to His enemy. Fear keeps us from doing things that God calls us to and things that we want to do. Anything that affects our spirit, if not dealt with, will work out in our flesh - sicknesses, etc. We can have strong faith in one area and have fear in another. Deliverance prayer concludes service.

10LHDVD7-3 – Carla Butaud – DELIVERANCE BEGINS IN THE HOME - God created family before the church. Family is very important to God. Eph 5:22,23 says for wives to submit to their husband and that he is the head of the wife as Jesus is head of the church and savior of the body. We see in this day

a stark contrast between the biblical standard for the family vs. the world's. We see that marriage problems began in the garden and have gotten progressively worse. We hear testimony of how a marriage was delivered from strife by correction brought by God. We also get detailed info about the strong generational spirits – namely - Ahab and Jezebel who are largely responsible for the condition of marriages today. Included was a time of forgiveness between spouses for the blame that has been going on since Adam and Eve. Deliverance prayer follows.

10LHDVD7-10 – Carla Butaud – A MESSAGE FOR AND ABOUT CHILDREN - There are 3 groups spoken of in the Bible - men, women and children. Mk 10:13 says to “Suffer the little children to come unto Me and forbid them not for of such is the kingdom of God” We are all His children. This is a very explicit teaching for children and young people, saying things that parents may not say. This is unfortunate because the world will address the same issues, only in perverted ways. Even we as Christian parents have allowed ourselves and our children to walk a more ‘modern walk’ - thus allowing many things - curses, soul ties, evil spirits etc. that may have been avoided if we would have walked a life more guided by God’s word. Time for us to repent also! Carla uses many scriptures in this teaching and ends with prayer.

10LHDVD7-15 – Carla Butaud – THE KINGDOM – PART 6 – THE SPIRIT MAN - In deliverance we have rooted up, pulled down etc. Jer 1:10 - Now is the time to begin to build up. 1 Cor 6:19 tells us our body is the temple of the Holy Spirit. The Samaritan woman testified of Jesus and many believed. You may see the church and religion but not the kingdom until you’re born again. Jn 3:1- We need the Holy Ghost in order to enter into the kingdom. Even Jesus did no miracles until after He received the power of the Holy Ghost. We have been given power to operate in the kingdom and to begin to build up and to plant. Prayer follows.

10LHDVD9-4 – Carla Butaud - THE SPIRIT MAN – PART 2 - Lk. 3:21- Carla says that the Holy Spirit descended upon Jesus in the shape of His body. It can be seen, can be touched. You must be born of the Spirit to manifest the kingdom of God on the earth. Jesus is the king and He’s coming back to rule His kingdom. We are to be preparing for that by destroying the works of the enemy 1 Jn 3:8. We are to be renewed, fresh every day, 2 Cor 5:17. It is time for the church to walk after the Spirit of God and do the works that Jesus tells us to do! “Present your body a living sacrifice” Rom 12:1. Carla gives us testimony of how this has worked in her life. Submit the flesh to the spirit, put your body in subjection, and walk in the spirit. “These signs will follow those that believe” Mk. 16:17. Prayer follows.

10LHDVD9-12 – Carla Butaud – PREJUDICE - Prejudice means to pre-judge or pass judgment before evidence is given, or irrational reaction of hostility. God requires that we just love UNCONDITIONALLY because love never fails. Perhaps we ought to try it. 1 Cor 1:10 tells us there is to be no divisions between us. Ps 133 tells us how pleasant it is for brethren to dwell together in unity. That doesn’t mean we must agree with each other about everything - just that all the parts of the ‘body’ not fight with each other. Man looks on the outward but God looks at our heart. He will honor our faithfulness to His commands. Look at Job - he was faithful and was restored. Prayer follows.

10DELTRDVD-7 – Carla Butaud – SPIRITUAL ADULTERY - We began by talking about a dump...a place where God has not been allowed to clean yet. Prov 6 tells us the 7 things that God hates. In any area that we refuse to give GOD access, we are giving the enemy access and are guilty of spiritual adultery. Vs 20 says, ‘reproof with instruction is life.’ A seducing spirit draws you away from God, giving satan an arena to operate. He is hunting for a precious life. Familiar spirits watch you at all times, looking for weaknesses in your relationship to God - an area where you can be drawn away. God is separating the sheep from the goats and as shown in the story of Ananias and Sapphira, Acts 5: we are given an opportunity to repent and be free.

10LHDVD11-6 – Carla Butaud – RELIGIOUS – ANTICHRIST SPIRITS - What is an antichrist spirit? Mt 5:20 Jesus said unless your righteousness exceeds that of the scribes and Pharisees, you will in

no wise enter the kingdom of heaven. Mk 12:38 says scribes love long clothing, the best seats, etc. – self-important. Lk 18:19, they trust in themselves - are prideful. Carla very thoroughly examines many biblical examples of so called, religious people and then describes the spirit involved with many, many additional scriptural proofs. We also learn the damage that is done by these spirits and how we may be free. Deliverance prayers follow.

10LHDVD12-14 – Carla Butaud – PERSONAL TESTIMONY – Carla testifies of a very normal secure childhood, Christian parents, good family life but full of fear ... fear of shots, being left alone, bugs, bees, fear of someone chasing her, or killing her ... unreasonable fear. She felt invisible and unloved, a misfit, never told anyone. Married in 1975 and saved in 1977, back surgery in 1978. Carla goes on to tell how God began to deliver her, beginning with the fear of surgery. Her relationship to God became vital. 1 Jn 4:18 says “that perfect love casts out fear because fear has torment.” However, as we know, the road to deliverance is not usually immediate or easy. Motherhood, as well as marriage was not the rosy path expected. Of course, there was a lying spirit that accentuated the negative. She finishes her testimony with many examples of how God has set her free from much of this torment. 1Pe 5:7 tells us to cast all our care on God - because He cares for us. Deliverance prayers follow.

11LHDVD4-7 – Carla Butaud - DESOLATION – THE CURSE OF TAMAR - 2 Sam 13:1 begins the story of Absalom, Tamar and Amnon. Tamar was raped by her brother Amnon and then her other brother, Absalom, tells her to keep quiet about it. So many times things happen in families that are swept under the rug. When they're not dealt with, they grow. Tamar was shamed thus she thought herself to be inferior, dirty, etc. This is what desolation does – and the enemy works in this to cause other manifestations. The devil has the most power in the area of secrecy. Arrested development is a frequent manifestation of desolation. Carla gives examples of how this comes down thru the bloodlines. We ended in prayers of deliverance to be free from the spirits that come on us thru the curse of Tamar - desolation.

11LHDVD5-6 – Carla Butaud – NARCISSISM- THE SPIRIT OF OFFENSE - This is a trait of self-love based on ego, a severe personality disorder, real or unreal superiority, promotes division, a dangerous spirit. You highly scrutinize others and are offended when others scrutinize you. It's all about you - taking everything personally - body language, looks, etc. Rom. 12:3 tells us not to think more highly of ourselves than we should but to think soberly. In Lk. 17:1, Jesus tells us that offences will come. It is what we do with them when they come to us. Jesus had many opportunities to be offended but always passed them up. What do you do? We've not been asked to do anything that is impossible. Prayer follows.

11LHDVD5-9 – Carla Butaud – WAKE UP! - What happens when we get a negative report – one that directly contradicts what God has said? In Num 13, we see an example. The land has already been given to them but when the spies came back, they reported what they had seen – voiced the opposite of what they'd been told. How many times do we do the same? However, Caleb did not look at the facts. He had already heard that they had the ability to carry out the task before them. Jesus came to restore to us what seems impossible but we must stop looking at facts and what we've seen in the past. We've been made joint heirs with Jesus but we so often walk in unbelief. In Jn 17:1 - before Jesus left, He prayed that we would be one with each other and with Him and do what He was leaving to get done. It takes confidence in what the Word says to see signs and wonders and miracles. There was given many examples of fear and unbelief and the remedies in scripture. Deliverance prayers follow.

11LHDVD7-1 - Carla Butaud – WHO DO YOU JUDGE GOD TO BE? - 1 Pet 4:17 “For the time has come that judgment must begin at the house of God” .. How we respond to God's Word decides how we judge God ... what we believe will be revealed in our lives. Jas. 2:17-20 tells us that faith without works is dead - the pressure in our lives shows our faith. Giving heed to seducing spirits leads you into false doctrine. We can and must choose to believe the truth of God. Hearing but not doing is judging the Word to be untrue. Are you taking the authority and dominion given you? Do you take advantage of the presence of the angels? We are spirit beings walking around in the flesh and the demons can see Jesus in

us. We carry the glory – is it being revealed in us? Prayer follows for others to see Jesus in us – to be changed into His likeness, lead by His spirit.

11LHDVD7-8 – Carla Butaud – PLASTIC BAG STORY – MESSAGE FOR CHILDREN – The first point – in Israel, boys were of age at 20 yrs old. Then Carla tells the story of a plastic bag. It was created for a particular purpose just like us. Gen 1:26 says we we're created in the image of God ... to look and act like God ... and to rule – have dominion over the earth. God has a good plan for our life. Jer. 29:11. Sometimes we get bogged down like the bag – deflated because it was not where it belonged. Remember the prodigal son. Rebellion caused him to end up in a pig pen. The Word of God says children (under 20) are to obey their parents and we are all to honor them. Parents, pray for your children ... employ the angels. Carla prayed for the curses to be broken off the children.

11LHDVD9-2 - Carla Butaud - UNDERSTANDING YOUR AUTHORITY - There are hindrances which prevent the Body of Christ from understanding their authority. "All things are become new." 'New' means not formerly known or experienced. Jesus describes how we are new in Him. Not knowing who you are leads to confusion and depression. Sometimes we get like Mephibosheth who was lame, depressed and had a low opinion of himself. The truth is Jesus' worthiness is our worthiness. All the land of Saul was restored. All of our land can be restored, too. Possess your land. You are the rightful heir. Otherwise "someone else" will. From the days of John the Baptist the world suffereth violence and the violent take it (the Kingdom of Heaven) by force. "Force" means to go after it and not stop till you get it. Jesus has given that power to us. The fear of man and religious spirits keep us from exercising that power. "So send I you." We are to be His representatives ... ambassadors ... on earth. Know your authority and use it correctly. We have authority over all demons and all sickness. Go and do His work. The Kingdom of God is at hand.

11LHDVD9-10 - Carla Butaud - FREEDOM FROM THE CURSE OF THE BASTARD - Does this sound like you or someone you know? Nobody loves you, you feel inferior, no good, no identity, have hurt feelings, feel alone, don't fit in, can't receive goodness, feel like you are always imposing on others, sad, oppressed, depressed, abandoned, have a death wish, sorry you were ever born and many more manifestations of this destructive spirit. It is a curse that touches everybody. It is the curse of the bastard. Once it is established it remains in families until someone begins to break the curse. In the Old Testament it called for a literal separation from the congregation. In the New Testament it means a lack of discipline. You never know what is in your blood line. Carla tells of dreams of being abandoned as a child. Her marriage and children were not the fulfillment of happiness she was seeking. Deep depression set in. Her husband did not know what to do for her. When she got to the end of herself Jesus appeared to her. He revealed His love to her. Once you understand what the spirit of the bastard is and what it does you are ready for deliverance from it because that curse and spirit alienates you from God. DVD has low volume.

12LHDVD4-1 - Carla Butaud - THE FAR REACHING EFFECTS OF PORNOGRAPHY - Part 1 - Pornography is affecting people everywhere in the world regardless of socio-economic bracket, gender, race, age, nationality or occupation. Porn is high-level witchcraft and is as addictive as cocaine. The purpose of pornography is to arouse sexual excitement and lead people into sin. First you look, then you desire, then you crave - you must have what you see. Once satisfied it gives a false sense of peace. False peace is an idol. Sin, when finished, brings forth death. Walking after the flesh brings condemnation. Get rid of the sins tormenting you. Bring them to the light and let Jesus set you free. Carla tells about a boy who said he was born as a homosexual. Before his father and mother were married, his father had watched pornography. The evil spirits that entered him at that time were still operating after he married. Those unclean spirits were passed on to the baby boy before he was born. Satan will make you believe that perversion is better than God's real blessings. The devil wants you for himself. Satan will claim you as his bride. Pornography is everywhere and is destroying families. Children are losing their innocence early. In this end-time he wants to destroy marriage and gender identity. His plot is to destroy the family and thereby destroy the church. Whose side are you on? Deliverance prayers conclude this message.

12LHDVD4-5 - Carla Butaud - THE FAR REACHING EFFECTS OF PORNOGRAPHY - Part 2 -

We have become tolerant of many evil things. We have become agreeable with them. Sexual sins make one worthy of death. Pornography is about rousing sexual desire and perversion. Fornication is sex between a man and a woman not married to each other. Sex is meant for the marriage relationship when you become one. Each partner is connected to the other by soul ties. Glorify God in your body. Pornography gives a perverted view of what sex is. When perversion is brought to the marriage bed, it is defiled. "Ye are the temple of God. Be ye holy." The Old Testament command stated, "Thou shall not commit adultery." In the New Testament Jesus taught, "If you lust with your eyes you have already committed adultery in your heart." Could adultery be the root of a fatal, incurable disease? The stupid stuff we have done and forgotten about have left seeds in us that sprout and yield consequences. A ten generation curse affects 1,022 people down the line of one person's sin of sexual perversion. We have all learned a lot of bad habits. Read the Scriptures to change those habits. Also be on guard against familiar spirits that are attached to books and objects. Familiar spirits attract like-minded spirits. You have to forgive. Love and forgive that person, including yourself, and hate the demons. Carla concludes with deliverance prayers for all spirits named and their consequences.

12LHDVD5-3 - Carla Butaud - GENESIS CURSES THAT WE'RE BORN WITH -

Genesis curses are the ones that come with us into this life. He that was dead came forth, just as we are dead without Jesus. We are now brought to life by Jesus. When we are born-again we come with grave clothes ... the things in us and on us. All have sinned. Death is the ruler spirit of all sickness. We are free from the law of sin and death by the blood of Jesus. He abolished death. It should not be working in us. Jesus reconciled us back to the Father. We reign in life by Jesus. Our own righteousness is as filthy rags. We are called to be overcomers and walk in the finished work Jesus has already done. Satan's goal is to get you offended. Bind it and loose it. This is a love issue. Love suffereth long and is kind. Love is not easily provoked. The love of God heals all things. God forgives our sins and cleanses us from all unrighteousness. Adam blamed Eve and then he blamed God. That put the curse of death on the woman and her seed. That also put a curse on the first born. The curse of the bastard was established at that time. It is an anti-Christ spirit. This service ends with prayers to break curses.

12LHDVD5-7 - Carla Butaud - HOW WILL YOU RESPOND TO WHAT YOU HEARD? -

Repent. We come into this Kingdom with some wrong thinking. The Kingdom of Heaven is at hand ... here. Believe the gospel. In this time there are a lot of distractions. Satan is trying to do you much harm through distractions. Very soon we are going to see things we have never seen before ... supernatural things. Jesus tells us, "Occupy till I come." Watch and pray. Man has been given dominion over this earth. With His stripes we are healed. Jesus said, "It is finished." Whatever is keeping you from having peace, Jesus took it. The Kingdom of Heaven suffereth violence and the violent take it by force. We sit in our need and ask God to come into our need. We must change our thinking and move over to the finished work of Jesus. We are asking Him to do things He has already done. Jesus came to destroy the works of the devil. Now it is our commission. Jesus said, "I am the one Isaiah spoke of." And we who believe on His Word are one in Him. His Word is powerful and so is ours ... because of Him. You employ angels or demons by your tongue. Jesus told us, "These signs will follow those who believe." When you go and do what Jesus says, He is with you, confirming His Word. Prayers of deliverance follow this teaching.

12LHDVD7-3 - Carla Butaud - THE CURSE OF THE BASTARD -

Deuteronomy states that "the bastard shall not enter into the congregation of the Lord." If one parent was a Hebrew and the other a non-Hebrew that person was considered a bastard and had to live in Ashdod. Someone under this curse always feels like they are on the outside looking in. You can break this curse off you and your family. It can even be broken off a baby before its birth. Babies are born under this curse because we are living in a day where people are neglecting to marry. Also people with strange looks, dress, manners, tattoos and such are usually suffering the results of a spirit of rejection. These people can not give or receive love. They have extreme fear, insecurity, low self-esteem, self-hatred, oppression, depression and suicide. Self-hatred can cause

auto-immune diseases. A lying spirit operates with the bastard spirit. Without this being broken you are open to a huge religious spirit. The love of God in Jesus is the answer. Deliverance prayer follows this teaching.

12LHDVD11-3 - Carla Butaud - SINS UNTO DEATH - There are sins that bring a death sentence on your life. Some of the sins unto death are listed in Lev 20. Could terminal illnesses in the church and our entire nation today be the result of these curses? We need to deeply repent for ourselves and our nation. We are born with 'grave clothes' or curses because of the sins of previous generations. We had nothing to do with their choices but we suffer the consequences of their sins. Jesus shed His blood and died that we can be set free. Like Lazarus, Jesus says, 'Loose him and let him go!' Some sins unto death are abortion, involvement in the occult which allows familiar spirits to enter, failing to honor your father and mother, adultery, divorce, incest, bestiality and many other sexual sins. Do not be offended at the Word. Do not justify yourself or make excuses. Let godly sorrow lead you to repentance. Break evil soul ties, break the curses, renounce, rebuke and cast off familiar spirits, speak to spirits of infirmity. Forgive and be forgiven. We will be sanctified and made holy and effective in the Kingdom of God. Deliverance prayers follow.

13LCDVD2-5A & 5B - Carla Butaud - TOOLS FOR THESE TIMES - Come into deliverance with the authority and power of Jesus Christ. Do not put up with the nonsense that is in the lives of people around you. When hell comes to your house you go from praying to fighting. In the name of Jesus Christ bind and break the power of the enemy and command him to leave. You get free and then you can cast the spirits out of your children. Make no mistake, the devil is out to kill you, or at least the gift of God in you. Satan will sorely distract you when he moves into the children. Distractions are his main strategy today. Stay focused on the Word of God and it will come out of you automatically. Jesus has overcome the world so we do not need to be afraid or troubled. In Him we overcome, conquer, subdue, prevail and are victorious. We must be 'violent' and take the Kingdom by force. That means to put on the pressure and be violently active, energetic and forceful. We are to go after it and not stop until we get it. What are we waiting for? God told us to do it. Preach, 'The Kingdom of Heaven is at hand. Heal the sick, cleanse the lepers, raise the dead and cast out devils.' As He is, so are we in this world. Activate the mind of Christ. We must begin to embrace who we are in Christ. Deliverance follows this teaching.

13LHDVD3-6 - Carla Butaud - TOOLS FOR THESE TIMES - God has given us tools to be able to live this life without a lot of "unnecessary stuff" happening to us. Carla first lays a premise for those who really don't know who they are in Christ, because without knowing who you are, these tools aren't going to work for you. If you are not settled on who you are in Christ, you're only left with fear, doubt, unbelief, intimidation and eventually, you are a defeated ineffective Christian. The first tool God has given us is dominion. We can avoid a lot of tragedies if we would just use what God has given us. This, and many other tools are shared to help us be the overcomer God has called us to be. Ministry concludes this message.

13LHDVD7-3 - Carla Butaud - THE TWO PATHS OF LIFE - God's plans for us are good, the kind we hope for and long for. The Word of God helps us find God's path for us. Two paths are before us - the path of God and the path of satan. Jesus comes that we have an abundant life. The devil comes for one purpose, to destroy us. God's Word is a lamp to our feet and a light to our path. We'll have a wimpy spirit man if we don't read the Bible. The world wants to pull our children away from the Word of God and righteousness. Parents need to read the Bible to their children right in their homes every day. We need to feed our Spirit Man just like we need to feed our bodies. Otherwise we will have nothing but destruction and trouble in our life. Children have one commandment or rule. "Children obey your parents in the Lord for this is right, that life may be well with you and you may live long upon the earth." But satan wants us to be rebellious and foolish and wicked. It is a form of worship of satan to do the things he wants us to do. He wants you to think bad things are really cool. Be wise and choose to worship God with obedience to His Word.

13LHDVD7-6 - Carla Butaud - JUDGING - Wisdom is to take knowledge and apply it. Judgment means "to distinguish, to decide, to condemn, punish, damn, go into law with, call into question." Even a thought can be a judgment. This is a spiritual law - judge and you will be judged. It is like writing a purchase order. Watch out for self-righteousness, which is a Pharisee spirit, a religious spirit. That spirit sees itself as sinless. That is what makes it so horrible. In this Christian walk we will be wrongly judged by people we thought were our friends, family members, even from Christian brothers and sisters. They will speak evil judgments against us. Learn to ignore the accusations of the enemy. Jesus told us offenses must come. Stop being shocked and appalled when it happens. They mocked Jesus, chose a murderer over Him, and killed him. We will have things like that done against us. Like Jesus, we must say, "Father, forgive them." Let that be our heart. Scripture teaches us to have our behavior honest before men in the world, that with well doing we may put to silence foolish men. We are to refrain from evil and seek peace. If a man endure wrong and suffer for Christ, it is well. If we suffer for righteousness sake, happy are we.

13LHDVD9-10 - Carla Butaud - HEALING - Carla begins by sharing about the healing of an autistic child who could not talk, hear, learn or communicate. God wants His people healed. He carried our sorrows and bore our grief and became the curse for us. They tore Jesus up completely and He did that for us. With His stripes we are healed...made well, healthy, mended, cured, repaired thoroughly, made whole, free from defect or damage, intact, having all it's parts. Carla sums it up with a little word to y'all from Him. "My Child, when I shed My blood on the cross of Calvary, I took upon Myself the payment for sin that otherwise would have been required of you. I suffered the shame condemnation, damnation and punishment for your sin so you wouldn't have to. You are forgiven. At the same time I took upon Myself the suffering of every sickness, disease and affliction known to mankind and destroyed its power over you. You are healed. I also suffered all forms of bondage and the torment that goes along with it so that you could enjoy complete rest and freedom. You are delivered. I did all this because of My great love for you. I pray you will receive it all with joy. Jesus Christ of Nazareth". God wants to move us from where we stand asking for healing, over to the place where we simply receive it.

13DELTRDVD-4 - Carla Butaud - JEALOUSY IN THE MINISTRY - Matthew 10:16: Jesus sends His sheep out into the midst of ravening wolves. If your heart's desire is to truly serve God, you will be prey for wolves in sheep's clothing who are deceitful, eager to obtain, sly, greedy of gain, expert at performing things secretly, usually implying some degree of meanness. Those wolves know the true sheep. They attack with wounds and embarrassments. In this way we share in His suffering. If you want to serve God, you will be met with opposition, competition, jealousy, envy, hatred, and presumption. Carla gives definitions and examples to help us understand how these evil spirits operate. In the Scriptures we learn how the spirit of jealousy operated against Joseph, Daniel, and David. When the spirits of jealousy and its cohorts manifest against you, just know what they are and go on. What to do with those who bring these offenses and hurts? Love, love, love them. The "fire" will not have power over you. Jesus is in the fire with us. Continue to stand, serve and love after you have suffered a while. If we do not have charity, all our works are in vain. God will be glorified if we have the correct response to the spirit of jealousy. Deliverance prayers follow this teaching.

13LHDVD11-4 - Carla Butaud - REST - God rested on the 7th day. He blessed it and sanctified it. God wants us to rest our body on the Sabbath Day. Our body is God's temple and it is our responsibility to take care of it for Him. God has instructed us to rest, repose, desist from exertion, take a break from all secular labor and employment. Keep the day holy and consecrate it to His service and worship. The Christian church observes the first day of the week as the Sabbath in commemoration of the resurrection of Christ. It is intended to be an intermission from pain and sorrow, a holy day. Holy means a sacred place or thing. Our rest should be sacred to us, a consecrated, dedicated thing, hallowed as in "most holy", a sanctuary. Many illnesses are rooted in lack of rest so we need to learn how to be refreshed or we will bring about a slow, gradual diminishing of our life. Resist being driven and enslaved by the demands of modern life. God has established the Sabbath rest as a perpetual covenant...it never ends. It is meant to be a state free from

commotion and noise, a quiet repose, a state of reconciliation to God. It is possible to live continuously in a place of quiet, permanent habitation in His presence. Deliverance prayers follow this teaching.

13LHDVD11-6 - Carla Butaud - THE PRIESTLY ANOINTING IN THE HOME - This message is geared toward family, but especially men...husbands. In Num. 11 Sam. 9, we see David searching for someone of the house of Saul. He finds that Jonathan has a son in Lodebar who is crippled in his feet. David sent for Mephibosheth, welcomed him, restoring all that had been taken from him. Mephibosheth questioned the goodness of King David, calling himself a dead dog. Sometimes we allow our inheritance or our position to be taken from us, seeing ourselves as unworthy or incapable, etc. Because Mephibosheth didn't take his place, someone else took it from him – those who were supposed to be his servants. Lodebar was where Mephibosheth had dwelt. The meaning of Lodebar was “without pasture”. A pasture provides feeding, sustenance and life....no flock = no provision. He was the grandson of the king Saul and was the heir but he had allowed all to be taken from him. Then we switch this scenario over to the family because many men see themselves as Mephibosheth saw himself. Their position has been taken away. Most men are not aware of their place in the family, in the church, nor their worth in God's eyes. God ordained family even before He ordained the church. Eph. 5:23, talks about the husband being the head of the wife, even as Christ is the head of the church. So, the husband is the savior of the family, like Jesus is the head and Savior of the church. Carla goes on to teach about the responsibilities and the results of order in the family. Deliverance prayer follows.

13LHDVD11-8 - Carla Butaud - BREAKING OF GENESIS CURSES - The word, Genesis, means to be born, origin, coming into being. This message is the story of Lazarus. John 11 tells us that Lazarus has been dead for four days. Jesus came to the tomb and called out, “Lazarus, come forth.” He came out but was still bound in grave clothes. At that point, Jesus said, “Loose him and let him go.” This is a picture of deliverance...Before we have an encounter with Jesus, we're dead. Then after we're saved, we're alive but still have our grave clothes on. So our Christian lives are begun in bondage. Without being loosed from the grave clothes, Lazarus couldn't walk out into his new life and neither can we. We will learn in this teaching that we opened no doors, gave no entrance to the curses in our life. They came with our origin...we were born with them...our 'genesis.' At the end of this teaching, these curses will be broken. The first one we learn about is the 'sin and death.' We didn't become sinners...we were born in sin. We sin because we were made sinners. Rom. 5:12 “Wherefore as by one man sin entered into the world and death by sin; and so death passed upon all men. So we were not only born sinners; death was also part of the package. David had a revelation of this as is stated in Ps. 51:5 “Behold I was shapen in iniquity and in sin did my mother conceive me.” The good news is in Gal. 3:13 “Christ has redeemed us from the curse of the law, being made a curse for us.” Carla goes on to give a detailed explanation how, just as we were shaped in iniquity, we have also been set free from all that the genesis curse entails. Deliverance prayers follow.

13LHDVD12-3 - Carla Butaud - BETRAYAL - Carla recounts the story in 2 Samuel 13 about Tamar and her unfortunate, devastating experience with her half-brother Ammon. Tamar was betrayed and made desolate. Recently Carla has been asking God why so many beautiful, available young Christian men and women of today are living lonely and desolate lives. Could it be that the sins of the fathers are being visited upon these sons and daughters? Generationally inherited effects of sin come down our blood line. These demons are known as familiar spirits. That means we will have manifestations in our lives as though we had committed those sins. We become desolate...the hated, the blamed, betrayed, shamed and shunned. We are taken captive by demons...swallowed up, made prisoners of war. A stupor comes upon a child who has been severely traumatized and betrayed by those they trusted to provide for and protect them. They fail to develop emotionally, often resulting in arrested development, multiple personality disorder, and repeated failures in relationships. You will be astonished as Carla describes many consequences in the spirit realm assigned to a person who has been betrayed. Deliverance prayers follow this teaching.

13LHDVD12-7 - Carla Butaud - CONFLICT - Carla begins her teaching out of the book of Philemon. Yes, people can change, but if you are in conflict with someone it is possible that you prevent them from

changing by means of the damaging, descriptive words you continue to say about them. Because of condemning words, you will keep them locked into those unfavorable characteristics. When you have a conflict with a person, begin to pray and give them permission to allow God to change them. Scripture teaches that if it be possible, live peaceably with all men. It is not glorifying to God for conflict to continue, so we have to learn how to replace enmity with the love of God. Learn the difference between a peacemaker and a peacekeeper. A peacemaker will work to restore and reconcile peaceably. A peacekeeper will do anything or nothing just to keep the peace. Conflict is contention, strife, competition, striving to oppose or overcome, a struggling in the mind, distress, anxiety. It is not good to pretend that nothing is the matter, because in that way you become a hypocrite. Carla tells a delightful story about her experience with resolving a conflict with a sister in the Lord. Deliverance prayers follow this teaching.

13LHDVD12-8 - Carla Butaud – FAMILIAR SPIRITS - Webster Dictionary defines a familiar spirit as an intimate associate, companion, a spirit held to attend, serve or guard a person, characteristic of a family. We have familiar spirits that have been handed down our family line for generations. Fortunetellers, psychics and mediums can “wow” you with what they “know” because their familiar spirits communicate with your familiar spirits. In Deuteronomy 18:9 God gives us a clear command to have nothing to do with any form of witchcraft. Understand that evil spirits are attached to every book we read and movie or TV show we watch. Have we involved ourselves with something that has a death curse on it? Is that why we cannot receive healing? Galatians 5:16 ... “Adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulation, wrath, strife, seditions, heresies, envying, murders, drunkenness, reveling...they which do such things shall not inherit the Kingdom of God.” Carla believes that all sickness is from the devil. In these days, these kinds of powers are going to intensify. Repent of your sins and forgive the sins of your forefathers. Take away the demons’ legal rights to afflict you. Deliverance prayers follow this teaching.

14LCDVD2-3 - Carla Butaud - ROOTING OUT, PULLING DOWN, DESTROYING & THROWING DOWN - Are you being tormented? Is there someone you need to forgive in the way that the Lord has forgiven you so you will not be put into a prison and be handed over to the tormenters? With forgiveness comes new life in Christ Jesus. Then we can get free and be healed as we rid ourselves of generational inherited curses, spirits and infirmities. Speak destruction to every plan of satan for your life and for your children’s lives. Bind and break the curse of the first born and speak a blessing instead of a curse. Familiar spirits which follow down the blood line must be commanded to go. Give leave to the unholy angels which were assigned to us at birth by satan. The anti-christ spirit can be inherited through initiation rites, oaths, lodges, religions, fraternities, covenants, satanic dedications ... things in our blood line that are like grave clothes on us ... deception, religious spirits, self-righteousness. The bastard and orphan curses hinder you and your family from receiving God’s blessings for ten generations. Throw down the spirit of death, a ruler spirit, which causes aging, degenerative diseases and all infirmities. Repent of sins unto death and live in Jesus’ name. Deliverance prayers follow this teaching.

14LCDVD2-5 - Carla Butaud - ORDER, POSITION AND AUTHORITY - The word ‘order’ means to arrange in an orderly manner, assign or dispose to a certain position, appoint, ordain, set ... an established mode of proceeding. ‘Position’ means state of being placed or situated. ‘Authority’ is the legal right to command, as the authority of a prince over subjects, and of parents over children. It means power, rule, to have or wield full privilege over, to exercise authority, preeminence, superiority in rank or character, authority and excellency. When we submit to God’s order, it is wonderful. Ephesians 5: 23. “The husband is head of the wife ... and he is the savior of the body.” The word ‘savior’ in this text means the husband has the same priestly anointing in the home that Christ has over the church. For women to be honored as the weaker vessel, they are to yield without murmuring, and reverence their husband with affection. Carla lists the many combinations of disorderly family relationships in these modern times. Abnormal mind sets used to be ostracized but now are considered alternative lifestyles ... calling evil good. If the family is healthy the church will be healthy. Let the older ones teach the younger ones about order, position and authority. Deliverance prayers follow this teaching.

14LHDVD4-1 - Carla Butaud - BREAKING THE CURSE OF DEATH - When we get saved, we are all aware that the “sin issue” is dealt with through the blood of Jesus, but so is the “death issue”. As the Word of God comes forth in this teaching, the power of God is present and contains the power to heal as you hear it, so when you feel the quickening of the spirit, receive your healing. Scripture teaches that we are all born with a curse of sin and death on our lives. “Death” is a ruler spirit. It is the ruler spirit over all infirmity, sickness, diseases, afflictions and aging. When Jesus shed every drop of His blood, we came into position to be free from the curse of sin and death if we live in obedience to God. Romans 8 encourages us that if we do not walk after the flesh but after the spirit we are free from the law of sin and death. Start taking authority over the curse and spirit of death...daily. Appropriately what Christ has done. When you belong to God, He is able to make Kingdom Principles manifest in your life now. Deliverance follows this teaching and the curse of death is broken.

14LHDVD4-3 - Carla Butaud - ORDER, POSITION AND AUTHORITY - God set up order in the earth, in the family and in the church. In the beginning the earth was an indistinguishable ruin, in confusion and chaos, without form and void. In any earthly kingdom they understand order. There are certain positions there, and everybody knows what their position is and the authority that goes with that position. They stay in that order. When a church or family is out of order, there is confusion and no sense of peace. In Ephesians God gives instructions for order in the home. Christ is the head of the man and the man is to be the head and savior of his home, just as Jesus Christ is the Head and Savior of His Church and laid down His life for it. As a wife settles into her position and submits to her husband’s authority she can enjoy her husband’s protection and provision. In that way she knows she is honored and cherished by him. Parents are then in position to take authority over their children. Peace will reign. Remember that the world and even the angels are watching us. Pray the Lord will guide us in our determination to employ His principles.

14LHDVD4-5 - Carla Butaud - THE CURSE OF THE BASTARD & THE SPIRIT OF ABORTION - Both the curses of the bastard and abortion are rooted in the spirit of rejection. These curses perpetually repeat themselves in families and open doors for evil spirits to enter us. In the Hebrew language, the word ‘bastard’ means ‘to alienate’. You do not have to be illegitimately conceived for this curse to be upon you. It is enough if you were unwanted. You feel that you are not important, like an outcast, isolated, and unworthy to be loved or have nice things. Regarding the abortion spirit, a hard-heartedness develops, murderous rage, a fear of abandonment, nightmares, a person wishes they had never been born and they wish they were dead. A Jekyll and Hyde personality develops. Your hopes and dreams end abruptly when a spirit of abortion is working in your life. Our entire nation is cursed. The destruction done by these curses is so extensive that space does not permit the telling. Prayers of repentance, deliverance and healing follow this teaching as well as the Father’s Blessing.

14LHDVD5-6 - Carla Butaud - HOW TO LIVE BY FAITH - Carla asked God, “How do you actually live by faith?” Once you get an understanding of this, your life will never be the same. “The just shall live by faith,” is used four times in the Bible. It’s His faith. We have been justified by Jesus Christ and we are to live by His faith. 1) Romans 4:13 Against hope believe in hope according to what is spoken in the Word. Do not live by sight or circumstances, but live by faith and not by sight. 2) II Corinthians 1:4 The areas in your life where God has comforted you are going to be the strongest areas where you are able to comfort others. Guard against negative words and opinions of other people because you can be thrown off balance. Consider it not. 3) Romans 4:20. “Abraham staggered not at the promise of God through unbelief.” Let your countenance reflect that God’s promise to you is already accomplished in your life. We have need of patience while we live in joy and hope. Keep being faithful because that glorifies God. Do not give up because you might be on the brink of receiving what you are believing for. 4) Romans 4:21 Be fully persuaded that what God has promised, He is able to perform. Deliverance prayers follow this teaching.

14LHDVD5-10 - Carla Butaud - DECEPTION – PART 2 - Matthew 24:11 “Many false prophets shall arrive and shall deceive many. “Christ” means ‘the anointed one, the Messiah’. False christs and false prophets shall deceive the very elect. It means a false anointing...a spurious prophet, a religious imposter,

who will deceive with great signs and wonders. Scripture tells us how the evil one is adorned with precious jewels. These days at some church meetings it is reported that jewels, feathers and gold dust appear out of nowhere. Wisdom is being profaned and the sanctuary is being defiled by demonic manifestations. Look at the signs and wonders that Jesus did. Matthew 10:7 And as you go preach saying, the kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils.” He multiplied loaves and fishes. He calmed the storms. Sometimes false prophets, satan’s ministers, are able to do signs and wonders in the name of Jesus because Jesus honors His name, but He wants nothing to do with those deceivers. Beware of false prophets who are wolves in sheep clothing but inwardly are ravenous wolves. Read Revelation 13:11 and find out how God deals with false prophets. Deliverance prayers follow this teaching.

14LHDVD7-7 - Carla Butaud – SALVATION - Carla tells the young people how the Lord directed her to bring the message of salvation to them. She designed a large book to share the gospel using illustrations to depict these events in a clear and wonderful way: the Garden of Eden, Adam, Eve, the tree of life, the tree of the knowledge of good and evil, the serpent, the first sin of rebellion, blame and shame, and eviction from the Garden of Eden. Since then every baby has been born with the stain of sin and is separated from God. Next God brought the law, kings and prophets, the promise of Our Redeemer and the life and ministry of Jesus Christ. Because of His great love for us He came to destroy the works of the devil. Jesus was crucified and then was resurrected from the dead. So believe in His love for you, bow your knee to Jesus Christ and make Him Lord of your life. Repent of your sins and be cleansed, and by His stripes you are healed. Be baptized and filled with the Holy Spirit and reconciled to the Father. Enjoy everlasting life in Heaven with the Lord. (DVD contains Merrill Miller speaking and Carla using the book she made.)

14LHDVD8-1 - Carla Butaud - CHURCH - IT’S TIME TO WAR - We have entered into a new time...”Game On”... an increased level of warfare. These are extraordinary times and we are called to be extraordinary Christians. Something is changing in the spirit realm. Demonic entities are being released and they are beginning to have their affect on people. Faith is believing in and totally trusting in God. Add virtue which is valor and strength of mind in regard to danger, to that believing faith. The Kingdom of Heaven belongs to us and it is a realm within the earth realm. Jesus demonstrated all the Kingdom Principles and gave us the keys of binding and loosing. We know we are having increasing trouble and pressure because the devil’s job is to pulverize us. Our job is to take the Kingdom by violently active and energetic force. The devil is our enemy and we are at war and it is time to engage. We will destroy the works of the devil in the Name of Jesus Christ. Persevere. We are going to make it, and when we do, we are to strengthen the brethren. Deliverance prayers follow this teaching.

14LHDVD8-6 - Carla Butaud - SINS UNTO DEATH - What is a sin unto death? Genesis 2:17 “Do not eat from the tree of the knowledge of good and evil or you will die.” We continue to have this dying process, a slow diminishing of life. Bind the spirit of death and loose the law of the spirit of life into your body. Get into your concordance and look up the scriptures relating to ‘death’ and you will find those sins unto death. There are many of them. Perhaps it is something your ancestors have done, or a sin of your own that is causing death to your life, relationships, opportunities, progress, and finances. Carla suggests that when you are praying for someone with an incurable disease, take them to these scriptures and help them repent of sins that have the death sentence upon them. Exodus 21:12 He that smiteth a man that he die, he shall surely be put to death. Exodus 21:17 Cursing your parents will bring a death sentence on you. Romans 6:23. The wages of sin is death. Matthew 7:1 With the same measure you judge, you will be judged. Hebrews 9:27 There is an appointed time to die but if you are foolish you can die before your time. Be on guard against hardness of heart against God’s commandments. Deliverance prayers follow this teaching.

14LHDVD8-10 - Carla Butaud - WHO DO YOU THINK YOU ARE? - God established the Kingdom of Heaven in the Garden of Eden. Adam and Eve lost all that, but Jesus Christ came to restore it to us. We think of Heaven as a place of the future, no more sorrow or pain. Recently the Lord opened up to Carla a new plateau of peace and well-being. She has learned that we can have Heaven, that place of no pain or sorrow, right here, right now. She shares with us about some mountains of difficulty and deep pits of

sorrow in her personal life. She learned to live her life to please Jesus Christ our King, not everybody else. God is pouring out many blessings, but the enemy is funneling all of our blessings into his camp. The devil is laughing hysterically at all of us. But if you pay your tithes the Lord will rebuke the devourer for you. Also, make a list of what that bully has stolen, go to the enemy's camp and demand your inheritance. We need to change our thinking, so activate the mind of Christ. When we discover "Whose" we are and "Who" is in us, it changes our world. Don't wait for a near death depression to find out who you are in Christ. We are seated with Christ in Heavenly places and as He is so are we in this world. That is your true identity. Deliverance prayers follow this teaching.

14LHDVD11-4A & 4B - Carla Butaud - HARDNESS OF HEART - Carla shares an astonishing story about what happened recently when she prayed with a woman for deliverance. She learned that when the time comes for us to stand against violent forces of evil, the Lord Jesus Christ of Nazareth and you are enough to defeat the darkness. Carla goes on to share how God is teaching her to deal with this fact: whenever we are tempted to sin, there is first a check in our spirit against it, then to do what we know we are not supposed to do, we have to harden our heart against God. We must quickly repent when we yield to temptation. The "grace message" coming into the church is leading many away from the truth of the Gospel and their hearts are turning to stone. The root word for stony means numbness ... an inability to feel. It means to fortify and surround ones heart with a wall of stone to protect from wounds and hurts. A stony heart of unbelief makes you insensitive to the voice of God. Also, hardness of heart could come as a familiar spirit you inherited from your ancestors, from those who were not loyal to God. Break curses that have been passed down to you and your children and give those spirits leave so we can all enter into God's rest. Deliverance prayers follow this teaching.

14LHDVD11-8 - Carla Butaud - KNOWING WHO YOU ARE - We, the body of Christ have not comprehended who we actually are. Know that the battles with evil that we fight are not with flesh and blood. We are wrestling in the spiritual realm. The day before you were born again, you had no absolutely no power. Ephesians 2:12 says that without Christ, we were aliens, strangers, having no hope and without God in this world. But now in Christ we were made near by His blood. The example was given of the president. Before he was sworn in, he had absolutely no power but after the swearing in, that all changed. So, we need to know who we are and the power and authority that is ours ... not only for ourselves but to teach others. If we're not aware of the position we hold, we're not likely to do our job very well. Jesus gave His followers things to do. Would He tell us to do things that we'd not been given power to do? In Matthew 10:6-8 He gives clear instruction for His disciples. He's instructing them about the kingdom of God. Heal the sick, cleanse the lepers, raise the dead, cast out demons. Then He said you give what you have freely received. Does that mean that we can and should be doing the same? Examples from the word show us. Deliverance prayer follows.

14LHDVD12-2 - Carla Butaud - JESUS IS THE GIFT - Carla starts by telling us an amazing story about her recent close call with death in a violent car accident. It is a testimony about God's promised protection. We are thanking God with her and her family, that although her car was totaled, she was not injured in any way. Hallelujah! She begins her teaching in John 4:3 about the woman of Samaria and the "gift of God", Jesus Himself. A gift is a present, a sacrifice or an offering, given without compensation or obligation. Some people do not feel worthy to receive any gift. Jesus freely gives to us and we must be able to freely receive from Him...healing, deliverance, peace, joy, assurance, protection, health...everything that He is constantly pouring out to us. God the Father gave Jesus His Son to us. Jesus is the Gift of God. Come close to Jesus the Christ and be honest with Him. He already knows about your secret sins that are keeping you back from a deeper relationship with Him. Are you believing in Jesus because of your own encounter with Him or because of what other people say about Him? Do you know the Gift of God? Then go forth with signs following...heal the sick, raise the dead and cast out devils. Healing prayers follow this teaching.

14LHDVD12-9A & 9B - Carla Butaud - GENESIS CURSES - John 11: 43 “Loose him and let him go.” When we get born again we come to new life, but we still have “grave clothes” attached to us, those sins of our forefathers and the curses from Genesis 2. These curses are 1) the curse of sin 2) and the curse of death. Psalm 51:5 We were all born under the curse of sin through Adam. We were all shaped in iniquity. Sin and the curses came upon us when we were born, and have been affecting our lives since our beginning. We did not open any door to give those curses entrance. We were born sinners, alienated and separated from God. The curse of death is the ruler spirit and strongman over every infirmity in our body, degenerative diseases, accidents, murders, suicide, and the gradual diminishing of our life force. The enemy is constantly trying to put fear of disease and death into our minds, and that fear will draw the very thing we fear to come upon us. Although we were made sinners through Adam, we were made righteous through the death of Jesus Christ. The Genesis curses can be broken off us. Deliverance prayers follow this teaching.

14LHDVD12-12A & 12B - Carla Butaud - CHURCH - IT'S TIME TO WAR - Luke 22:35, Jesus said, “If you don't have a sword, sell your garment and buy one.” Carla believes He was saying we are entering into a time of spiritual warfare. Jesus was calling people into action then, and it is time for Christians to come into action now with faith. Faith is belief and total trust in God. Add to your faith, virtue, valor, voluntary obedience to truth. You will become people's enemy because you will tell them the truth. Add to virtue knowledge, temperance, and to temperance, patience, and to patience, godliness. Temperance is self-control, the ability to withhold, sedateness, and restraint. Patience is cheerful and hopeful endurance or waiting and much, much more. Godliness is piety, holiness, belief in God and reverence for his character and laws. Holiness is purity or integrity of moral character, freedom from sin, sanctity. In this war we are going to need personal, fearless bravery in danger, undaunted courage in boldness. Our salvation should produce these attributes in us. God is looking for a holy people who know who they are in Christ and will take authority in His Name. We will take the Kingdom by violent force in this spiritual war. Deliverance prayers follow this teaching.

15LCDVD2-1 - Carla Butaud - BREAK UP YOUR FALLOW GROUND - Carla asks our Father to circumcise our hearts, even break down the walls of protection that we have put up around ourselves to keep us from receiving from Him. There are many Genesis curses that we were born with which Carla calls grave clothes. Our intent is to deal with those generationally inherited curses, evil spirits, and spirits of infirmity that have been in our blood line for years and years which bring death. We will not be satisfied until we get those curses broken and the demons cast out. Sin and death came into mankind when Adam and Eve sinned. Death is a slow gradual diminishing of our life force. It means “aging”. Death curses can be broken because of Jesus' blood. Since we belong to Jesus Christ now, we have the opportunity to step back into the Garden of Eden with all the benefits He meant for us to have. We are able to step into His resurrection life force without growing “old”. Finally, to combat the spirits of offense and unforgiveness, Carla counsels us about “Adam Anger” and “Eve Anger” and the ensuing power struggles in relationships. This teaching reveals much fallow ground that must be broken. Deliverance prayers follow this teaching.

15LCDVD2-4 - Carla Butaud - COMPLEX RELATIONSHIPS - MOTHERS & DAUGHTERS - There are grown women who are still having issues concerning their mothers. The Old Testament definition of mother is “the bond of the family”, “womb”. The New Testament definition that applies here is “a woman who exercises care or tenderness to another” or gives parental advice”. The relationship between mothers and daughters is complex. Carla shares stories about her relationship with her mother and her own experiences as a young mother. The Lord commands us to honor our mother regardless of her attitude and behavior toward us. Difficult and confusing situations will arise between mothers and daughters, and they need to be dealt with appropriately and lovingly. You do not have to be angry to tell someone the truth. You can communicate truth without being offensive when the words are spoken in love and with respect. Conversely, we as mothers do not need to “mother” our adult daughters, which according to Scripture, is the age of 20 years. We do not need to give unsolicited advice or enable them. Daughters need to learn that God is their parent now. Mothers and daughters can become sisters in Christ in the family of God. Deliverance prayers follow this teaching.

15LHDVD4-1 - Carla Butaud - PREPARATION FOR DELIVERANCE - 1 Corinthians 11:27 We need to examine the deepest chambers of our hearts where we have hidden sins. We must expose them to the light of Christ, repent, be forgiven and delivered. One hindrance could be an attitude of our heart. If we think we have a right to hold unforgiveness against anybody, it is a waste of time to come to a deliverance camp. We must choose to "let it go" or we will remain in bondage to the person who offended us. Perhaps we have a forgiveness problem, not a demon problem. Unforgiveness is like drinking poison and waiting for the other person to die. Matthew 18:1-7 If we are not careful, a spirit of offense will cause us to stay in unforgiveness. Have we offended someone or judged them with a word, a look, or a thought? We will be judged by that same measure. Also, pride, religious spirits and anti-Christ spirits will keep us from receiving deliverance. Pride will cause us to judge everyone who does not live up to our high standards. That anti-Christ spirit will cause us to avoid praying in the name of Jesus Christ. An unloving spirit will bind us up and hinder us from deliverance. Let the Word of God bring us the discernment we need. Deliverance prayers follow this teaching.

15LHDVD4-5A & 5B - Carla Butaud - WITCHCRAFT - We as the Church need to know about witchcraft. This valuable teaching brings to light many truths about Satan's doomed followers and their magic arts. God forbids the abomination of witchcraft and He puts a death sentence on every witch. Witches know the principles of God and use them against Christians. Witches are faithful to pray their satanic prayers against us because their god is a wrathful, cruel and unforgiving slave master. Satanists show up wherever God's people gather. They are assigned to cause strife and discord. These evil emissaries bewitch us with sorceries and magic. They invade our privacy by astral projection. Terroristic acts worldwide are the schemes of Satan. Witches use the elements of nature and weather to bring disasters on the land. They use water spirits, divination, enchantments, spirits of the witch such as warlocks, wizards, witchdoctors, séances, palm reading, crystal balls, dark arts, cunning, guile, invocations, charms, spells, vexes, hexes, tormenting spirits, voodoo, bewitchments. Witches can no longer work unhindered. Take authority and dominion over every evil work of witchcraft against God's people. Deliverance prayers follow this teaching.

15LHDVD5-1 - Carla Butaud - THINGS THAT UNCLOG OUR WELL - Genesis 26:15. The Philistines filled the water wells of the Israelites with dirt. We must keep our 'spiritual wells' clear, clean, fresh and flowing. Living in strife and opposition will clog our 'spiritual wells'. We will not get past the spiritual law that says our trespasses will be forgiven in the same measure with which we forgive the trespasses of others. The ministry of deliverance helps with forgiveness because it teaches us to separate demons from the person being used by the devil like a puppet. Judging people is a clog in our well. We will be judged for that very same thing and with that same judgment. A self-righteous Pharisee will see the mote in someone else's eye which is simply a reflection of the beam that is in their own eye. Powerful deliverance prayers unclog our wells from generational curses and the familiar spirits that accompany them are released. Carla ministers to those who have participated in abortion and murder, prays to restore fragmented souls and breaks off curses of death. Also dealt with are death curses which come from practicing witchcraft, from not honoring our parents, from committing adultery, incest, homosexuality, and bestiality. Unclog those spiritual wells.

15LHDVD5-8 - Carla Butaud - AFTER DELIVERANCE - NOW WHAT? - Some demons came into us when we were born, some come from our own actions, some because the devil is a bully and wants to make sure we do not have a positive influence in the Kingdom of God. Each time you are set free from the control of an evil spirit, you will still be tempted, but you will have more power over that demon than it had over you. You will have many opportunities to use that power and say, NO! In the name of Jesus! Then set your mind on something else. It will require continued, rigorous, violent discipline of your mind. Satan wants you to hate yourself, so he will come and project to your mind thoughts of self-hatred. Just start praising God for the opposite of what the devil is trying to put on you. He tempted Jesus. He will tempt you. That's his job. He'll be back. He'll try again, and again. Take those thoughts of doubt and unbelief

captive and bring them into the obedience of Christ and stand your ground. The ark is a type and shadow of Jesus Christ where we can run into and be safe. He is drawing all men unto Him. But there is a day coming when the ark will be shut and there will be no more entrance. Multitudes are standing in the Valley of Decision. Choose whom you will serve.

15LHDVD7-5 – Carla Butaud – PARENTAL RELATIONSHIPS - Do you have a close relationship with your parents? God's Word says to honor your father and mother. Honor means to express respect and treat parents with dignity, even if you think they do not deserve it. It is a commandment with God's promise of a good long life for you, if you obey. If you strike a parent or speak hurtful words to or about them, you will automatically receive a curse of death. You may not ever be best friends with your parents, but you must treat them properly. Some parents think their adult children still need their unsolicited advice, and ought to obey them even when those children are past twenty years of age. Many times adult children do not live the way they were raised "in the fear and admonition of the Lord", but rest assured, the law of sowing and reaping will deliver their consequences. Be careful not to enable your adult children or you will get in God's way when He is dealing with them. What you hear in this teaching could change you - so your relationships can improve. It might take a miracle, but our God is a miracle working God. Deliverance prayers of repentance, forgiveness, healing, restoration and the longed for 'Blessings of a Father and Mother' follow this teaching.

15LHDVD7-11 – Carla Butaud – WE NEED TO CHANGE OUR THINKING - What is the Kingdom of God? Multitudes today have a battle going on inside of them and have not made their decision regarding the Kingdom of God, the Lordship of Jesus Christ. Matthew 4:17 "Repent, for the Kingdom of Heaven is at hand." 'Repent' means to change your thinking. 'At hand' means within your reach, it is right here, right now. In Matthew 5:21, Jesus commands His followers to change their thinking from adhering only to the law, but to expand and change their thinking and love their enemies! He gives examples of what those words mean, then tells us to bless them that curse us, do good to them that hurt us, and pray for them that spitefully use us and persecute us. That requires a change in our thinking alright. When we speak the truth about the Kingdom of God, we will join Jesus in the fellowship of His suffering. He is sending us into the world to preach His Kingdom, heal the sick, cleanse the lepers, raise the dead and cast out demons, freely. Receive His power and become a Son of God. That's our commission, that's our job. While doing so, remember to keep your thoughts focused, centered on Jesus Christ and not on the enemy of our souls. Deliverance prayers follow this teaching.

15LHDVD9-1 - Carla Butaud - BECOME AN EXTRAORDINARY CHRISTIAN - Ephesians 5:14 Church, wake up and arise from the dead! Walk circumspectly, not as fools but as wise, redeeming the time; diligently, cautiously with watchfulness, guard against surprise and danger, with steady application and care, not negligently. The spiritual warfare we are engaged in requires daily, hourly, extraordinary Christianity. Prove your faith by obeying God when the crisis of testing comes. Encourage yourself in the Lord your God, just as King David did. These are some of the scriptures that keep Carla on level ground: Proverbs 3:5-6, Jeremiah 33:3, Exodus 15:6, Psalm 16:8, Psalm 16:11, Psalm 17:7, Psalm 18:35, Psalm 20:6, Psalm 44:3, Psalm 48:10, Psalm 60:5, Psalm 63:8, Psalm 89:13, Psalm 98:1, Psalm 138:7, Song of Solomon 8:3, Isaiah 41:10. You can live by sight and circumstances, or you can rely on the Word of God. Employ ministering and warring angels to help you in a mighty way. Live with faith, believing that your prayers are being answered right now. Carla demonstrates how to bind, loose, rebuke, and render the enemy powerless in the name of Jesus Christ. Church, take dominion, conquer and bring evil into subjection. Deliverance prayers follow this teaching.

15LHDVD9-5 - Carla Butaud - DECEPTION - THE ANTI-CHRIST SPIRIT - Carla's message is given out of her love for Jesus Christ and God's people. It is a study on the subject of the current trend of Christians to conform to Jewish rites and ceremonies and incorporate them into their spiritual life. Matthew 24:4 Take heed that no man deceive you. The Word is talking about the Spirit of anti-Christ. "He is anti-Christ that denies that Jesus Christ is the Son of God, come in the flesh." Jesus' brethren hated Him

because He spoke against their traditions, making the Word of God of none effect. Are we in danger of leaving our first love? Jewish people are still waiting for their Messiah. As Christians we should be so joyful, so prosperous, so healthy, so peace loving and so blessed that they would be chasing us down to know our Jesus. Some have believed. We better stick with the Holy Scriptures, not the TV Church's, prayer shawls, menorahs, and the like. Search out the origins of the Star of David. If you trust in anything or anyone other than Jesus Christ, you are involved in witchcraft. Jesus came to fulfill and replace all these things which have enthralled so many. Jesus Christ is all we need. Cast out the anti-Christ spirit. Deliverance prayers follow this teaching.

15LHDVD12-1 - Carla Butaud - OUR NEED TO PREPARE FOR DELIVERANCE - We are walking in a world full of filth, so we need to be diligent about cleansing ourselves of those things which weigh us down and affect us. Let us ask the Lord to search our hearts and let the light of His Holy Spirit shine in us to reveal those areas which need cleansing. It is critical to deal with forgiveness. Maybe we are holding on to even some small offenses. We are actually collecting "junk" in our "dump", wounds hidden away and festering. This can be a spiritual thing that works out in our flesh and might cause a physical illness. Forgiveness is a stern requirement of God. If we do not forgive others, we will not be forgiven. What is standing in the way of our being healed and made whole? It might be our self in need of forgiveness. Also, be on guard against judging others. "I would never do that." What we judge about others, the same will be delivered to our house. Ask God to show us what we have judged so we can have that "purchase order" cancelled. The speck we see in someone else's eye is a reflection of the mote in our eye. We must humble ourselves so we do not become proud, self-righteous Pharisees. His grace is sufficient for us. Deliverance prayers follow this teaching.

15LHDVD12-6 - Carla Butaud - ARRESTED DEVELOPMENT - In this message Carla shares with us her spiritual insights into the nature and symptoms of Autism, Arrested Development, and other developmental learning disabilities. We learn how to pray for the deliverance and healing of these afflicted children. 'Arrested Development' means that the advancement toward completion or perfection has been hindered or restrained. This condition could be due to trauma in the womb. The baby there is very sensitive and they know when Mommy is frightened, upset, or sick. A person's mental and emotional age will be 'arrested' when they experience trauma. Arrested development can come to children who are molested, who endure physical or sexual abuse, incest, accidents, sickness or events they can not deal with. God taught Carla how to pray for children with Autism and Arrested Development. She explains that Autism is like a prison. The child has been taken captive and is a prisoner of war. She would anoint the child with oil, speak to the brain's, electrical impulses, eyes, mind. Several children have been delivered and healed of Autism through prayer. Learn who you are in Christ, take dominion and expect miracles. Deliverance prayers follow this teaching.

15LHDVD12-8 - Carla Butaud - THE PRODIGAL - Before Carla brings forth these truths, she prays for the spirits of comfort, encouragement, hope and peace to parents in the congregation. Many of our children are in overt sin and rebellion. It is disturbing to realize that often times the things they are doing openly are things we did in secret. As you listen to this teaching and conviction hits your heart, repent immediately. Just say, "Lord, forgive me. I did that." They are 'giving in marriage' which means 'neglecting to marry'. Many babies are born out of wedlock. As with any unwanted child, an anti-Christ curse of the bastard corrupts these little ones. As time goes on, they might become a prodigal child. Luke 15's prodigal got weary of being under authority, demanded his inheritance and left home. This father was not an enabler. He did not try to keep his son from leaving, did not follow after him, or inquire after him. "Prodigal" means given to extravagant expenditures of resources, spendthrift. Then there came 'a mighty famine' in that Prodigal. No man gave unto him. He came to the end of himself, repented and returned to his Father. Lay your prodigal on God's altar and trust them to His everlasting love. Deliverance prayers follow this teaching.

15LHDVD12-12 - Carla Butaud - WHAT TO EXPECT - Carla gives practical instruction on what to expect when we get back home from a camp meeting. The devil has lost ground and he does not like it. He sends spirits of ambush, backlash and retaliation against us. We must bind them, break their power and tell them to shut up and go in the name of Jesus. We will have to fight the lying spirit which can make a person lie but it also stands between people and tangles their communication. If a person is new to the "ministry of the casting out of demons" and does not understand how a Christian can have a demon inside of them, listen to Carla's teaching on "Grave Clothes". (lhbconline.com 08LHCD5-6A & 6B) Demons are relentless in their determination to make an open shame of us. Demons of witchcraft are listening to our every word and designing assignments against us. In addition to routine prayers we must do intense spiritual warfare to protect ourselves and our families. Every day bind and break all word spoken curses coming from the kingdom of darkness, and many coming from charismatic witches. Break evil soul ties. We must learn our authority in Christ and how to use the weapons of our warfare. We are at war. Deliverance prayers follow this teaching.

16LCDVD2-1 - Carla Butaud - PREPARING FOR DELIVERANCE - Donation \$6.00 - Carla begins this teaching by taking authority over the strongmen and evil spirits assigned to interfere with the hearing and doing of the Word. I Cor. 11:27-32 "If we will judge ourselves we will not be judged." To judge: examine, test, discern. Tell the Lord you are sorry for your sins. You are forgiven and the slate is clean. Eph. 4:26-27. "Be angry and sin not. Do not let the sun go down on your anger." We must learn to forgive offenses immediately or we will be thrown into prison with our tormentors. Not forgiving is like drinking poison and waiting for the other person to die. If you judge somebody, it is like writing a purchase order for that very thing to be delivered to your house. Pray for people and lift them up to the Lord. Let the purchase order be lost in the mail. The splinter you see in them is a reflection of the beam in your own eye. So often we hold people up to a standard that we can not achieve. Also, be on guard against religious, anti-Christ spirits which dispute and pervert the Word of God. Do not give heed to seducing spirits and doctrines of devils, but search the Scriptures. In the end, the only acceptable motive for serving God and others is to shed abroad His love in our hearts.

16LCDVD2-6 - Carla Butaud - CLAIM YOUR INHERITANCE - Donation \$6.00 - What God wants to do is move us from the place of asking for healing over to the place where healing is. Jesus said, "It is finished!" So receive healing by faith. Your circumstances do not dictate truth. Carla leads the ladies in a powerful prayer to break generational curses and to dismiss familiar spirits coming down the blood lines. You are going to have to work and fight for what belongs to you, to claim your godly inheritance of divine health. Carla cautions us that when we come into these end times, there will be "healings" that will not be of the Lord. Be careful what and who you put your faith in, what and who you trust. Is Jesus Christ really your all in all? Carla recounts several of her personal life experiences of how Jesus taught her to believe and trust in Him. It was Jesus who was wounded for our moral corruption. Say, "Jesus shed every drop of His blood for me. Whatever my infirmity, He took it on the Cross for me. By His stripes I am healed. He bore my griefs...depression, anxiety, continued pain or distress, disease, misfortune and loss. That is His inheritance for me. I claim and fight for my rightful inheritance." Tell satan you are probating the Will. Prayers for healing conclude this teaching.

16LHDVD3-1 - Carla Butaud - FOUNDATIONAL DELIVERANCE - Donation \$6.00 - Carla starts basic deliverance by teaching us how to break generational curses as well as other demonic assignments. This puts us into position to receive all that God has for us. It is written in Matt 12:29 and Mark 3:27 that we each have a strongman, a demonic force sent by the enemy to have rule over our life. We bind that strongman and break his power so we can eradicate his influence and spoil his house. The Keys to the Kingdom, as named in Matt 18:18, belong to us so we can live a powerful Christian life. Carla comes against idolatry and death curses in our lives. John 11:44 "Lazarus was dead, bound head and foot with grave clothes and came forth." Nehemiah 1:5 is a cleansing prayer of repentance to break generational curses of sin and death. Carla leads the congregation in prayers of confession and continues to break generational curses, evil soul ties, and death curses which include aging, a slow, gradual diminishing of

life. The death curse is the ruler of all infirmities. Psalm 91:3 speaks of a “noisome pestilence”, meaning “any ill smelling, infectious, contagious disease or virus.” Receive your healing, the finished work that Jesus Christ accomplished by His stripes and death on the Cross.

16LHDVD5-1 - Carla Butaud - BREAKING SATAN’S GROUNDS - Donation \$6.00 - We need to know what satan’s legal grounds are and break them off of us. Generational curses come down our blood lines because of the sins of our ancestors. Powerful ruler spirits are assigned to hold each of us hostage. The death of Lazarus symbolizes us before we were born again. Our sins are the grave clothes which defile us. Those grave clothes prevent us from living our Christian life. Jesus Christ comes and calls us to “Come forth!” Humbly repent and burn those filthy rags in the fire of God’s delivering power! Carla leads us in a prayer to deal with hindering, blocking, lying and perverse spirits that hinder the hearing and understanding of the teaching of the Word. The spirit of offense causes us to rise up against the move of the Holy Spirit in us as we seek deliverance. The anti-Christ spirit wants to dispute the Word of God. Very often our forefathers made oaths, covenants and dedications on our behalf. Familiar spirits are attached to these word curses. Psychics communicate with familiar spirits and operate in the spirit of divination, known as Python. Keen spiritual discernment shows us when we are dealing with psychic witches. Deliverance prayers follow this teaching.

16LHDVD5-5 - Carla Butaud - THE CURSE OF TAMAR - Donation \$6.00 - This teaching is about breaking desolation off people’s lives. It comes in through the Curse of Tamar. There are so many beautiful, single Christian women who want to be married but have no prospects and they remain desolate. Read II Samuel 13 and learn what happened to Tamar. Amnon, her half-brother, was ‘sick with love’ (lust) for her. He knew that a relationship with her was off limits (rebellion), but he was driven by temptation (obsession). An evil spirit had taken him over. Amnon deceived her (plotted a conspiracy with seducing spirits) and forced her to lay with him (rape). Then he hated her (anger, resentment, bitterness, shame, self-hatred .. the familiar spirits of a rapist) with hatred greater than the love he had for her (betrayal). The devil lured him into sin, then mocked and reviled him for succumbing to evil. Tamar was totally devastated. No more virginity, beautiful garments, hopes or dreams for this Princess. From that day she lived a lonely life of exile in her brother Absalom’s house. Years later, Absalom plotted and conspired to have Amnon killed (revenge and murder). The iniquities of the father, King David, were visited upon his children. Deliverance prayers follow this teaching.

16LHDVD7-1 - Carla Butaud - GENERATIONAL CURSES AND SPIRITS - A curse is a source or cause of evil, an open door that allows evil spirits to come into us. When you break a curse, you shut the door to prevent the entrance of more spirits. Genesis 12:10 and 26 tells how Abraham’s sins were repeated in his son...fear and lies. The sins of King David continued to happen in his sons’ lives ... a forbidden sexual encounter and murder. Break the generationally inherited curses that have come down your father’s and mother’s bloodlines ... sicknesses, weaknesses, bad habits, infirmities, vices, addictions, expressions and mannerisms ... break them now in Jesus’ name. Give leave to the familiar spirits that have followed the curses down the blood line and attached themselves to you. Break evil soul ties with people and send their soul and spirit back to them. Call your soul and spirit back to you, cleansed and sanctified by the blood of Jesus Christ. Then enjoy having a mind that is no longer scattered and confused and a life that is not ruled by curses. Deliverance prayers follow this teaching.

16LHDVD7-6 - Carla Butaud - ORDER, POSITION, AUTHORITY - Carla begins this teaching with a thorough and powerful prayer of binding and loosing. She reminds us that obedience will always open the door to blessings and miracles. Definitions: ‘Order’ means to arrange in an orderly manner, to assign, dispose to a certain position or lot, appoint, ordain, an established mode of proceedings. ‘Position’ means state of being placed, a situation. ‘Authority’ means legal power or right to command, rule, sway, to have or wield full privilege over, prominence, figuratively superior in rank, character, excellence, as a prince over subjects or a parent over children. God is a God of order. He expects His order to be fulfilled in the earth, the family and the church. Ephesians 5:23-24. Order in the home requires that husbands love, honor,

protect, nourish and cherish their wives. Wives will then find it joy to reverence, be in awe of, revere, respect and obey them. Then Carla deals with God's desire for order regarding sexual identity. Everything must be done God's way. Deliverance prayers follow this teaching.

16LHDVD9-1 - Carla Butaud - STRIPPING OFF GRAVE CLOTHES - Donation \$6.00 - We need to know who we are in Christ and how to do spiritual warfare. Prayer is addressing God and spiritual warfare is addressing the enemy. Carla begins her teaching with the prayer of confession found in Nehemiah 1:5-11. She explains the meaning of generational curses and how they are like grave clothes which bind us and keep us from living the Christian life successfully. Unfortunately, the ministry of casting out evil spirits is being neglected in the churches. That is why Christians are so oppressed by the devil with spirits of poverty, infirmities, abuse, addictions, divorce and death, to name just a few. Throughout this teaching Carla guides the congregation in prayers to break the power of generationally inherited curses and gives leave to the familiar spirits that accompany them. These familiar spirits seek to guide us contrary to the plans and purposes that God has for our lives. She deals with the importance of forgiveness, the danger of judging others and how to break soul ties. This is stripping off grave clothes.

16LHDVD9-5 - Carla Butaud - SINS THAT BRING A CURSE OF DEATH - Donation \$6.00 - The plan of demons is to torment you and keep you from living. Familiar spirits travel down family blood lines through generational curses. These include sins such as sexual perversion, incest, abortion, child abandonment, murder, spiritual adultery (participating in witchcraft and the occult), which are some of the sins that bring a curse of death. Even if you have not ever participated directly in them, you will suffer the effects and consequences of the sins of your ancestors. Your blood line needs to be cleansed from these curses and the familiar spirits that accompany them. On the other hand, if you have knowingly committed these sins, satan has his greatest power in the area of your secrets. He will spiritually blackmail you. Confess and repent of these sins of disobedience and rebellion which keep you separated from God. Break the curse of death that has come upon you. Because of Jesus' blood and death on the Cross, you are forgiven and cleansed of all unrighteousness and made whole. Deliverance prayers are ministered throughout this teaching.

16LHDVD11-5 - Carla Butaud - MULTIPLE PERSONALITY DISORDER - THE "IT" FACTOR - Donation \$6.00 - Personality is that which constitutes an individual, a distinct person, individuality. Demons have personalities. If you do not know that "it" is a demon, then you think "it" is you. We have many "things" coming down the generational lines that define who we think we are, but that is not who God created us to be. Disorder means lack of order, tumult, commotion, disturbance, agitation, usually accompanied with great noise or uproar, confusion, violence, irregularity in the functions of the brain, derangement of the intellect, disturbed natural functions, sickness. You can begin to know "it", what evil spirit you are dealing with, by the way "it" acts. "It" acts the same in every person. Without the ministry of casting out demons there are only three things you can do with "it"...medicate a person, punish with jail time, or take authority and cast "it" out. Break the power of generational curses, familiar spirits and soul ties, forgive, repent, and be set free. Go for the miracle! Deliverance prayers follow this teaching.

17LCDVD2-1 - Carla Butaud - EXPLORING PRAYER - Donation \$6.00 - Carla wants to help people learn to pray so they do not have to explore by trial and error as she had to do. When she first began to learn about prayer, she was not sure where her prayers were going or if they were being heard. But she learned God does hear and answer our prayers. She shares many of the foundational Scriptures that helped develop her prayer life. Learning to pray is a process. Know that God will help us along with dreams and visions. Nothing will be impossible to us if we have even just a little bit of faith, like the size of a grain of mustard seed. Be specific in your requests to the Lord and be assured that He fights for us. In the spirit realm, ministering and warring angels are all around us, so be encouraged. If we seek God with all our heart, we shall find Him. Ultimately, we are to do the very same things Jesus did on this earth...preach the gospel of the Kingdom, heal the sick, cleanse the lepers, raise the dead and cast out demons in the Name of Jesus Christ. Deliverance prayers follow this teaching.

17LCDVD2-5 - Carla Butaud - WHO YOU ARE IN CHRIST - Donation \$6.00 - You need to know your place in God's Kingdom and what His purpose and plan is for you. Until you know who you are in Christ, you will never be able to do what He has called you to do. Your flesh and weaknesses will get in the way and you will think you are how others define you. Find out who God says you are. Go to your Bible and read it out loud to yourself. When you read what the Word says you are, it is recorded in your brain by way of your eyes and your ears. You have a brain in your spirit man called the mind of Christ. You are the righteousness of God because of Christ Jesus who lives in you. He sees you as holy, a living sacrifice unto Him. First and foremost, your purpose is to be conformed to the image of Christ Jesus. Rest in Him and He will do it. There is a timing and preparation involved. The devil will be unrelenting in his attempts to frighten and distract you and get you to back off from finding out who you are in Christ. Your identity is revealed in Holy Scripture. Deliverance prayers follow this teaching.

17LHDVD4-1 - Carla Butaud - BREAKING UP FALLOW GROUND - Donation \$6.00 - Jeremiah 1:9-10 Tells about spiritual nations, kingdoms of darkness in this land that we are commanded to destroy in order to build and plant in the Kingdom of Light. We are to break up our fallow ground until He comes and reigns righteousness upon us. Understand that after we are saved and baptized, we need the ministry of deliverance. Our own righteousness is as filthy rags and we "stinketh". We are bound hand and foot with grave clothes such as the generational curses we were born with and the consequences of our own sins. I Corinthians 6:19 reminds us that our body is a temple of the Holy Spirit and it was bought with a price. Matthew 21:12 tells us that Jesus had to cast the money changers out of the Holy Place, the Inner Court of His temple, His House of Prayer. Jesus came to destroy the works of the devil and we are to do the same, violently, with energy and force. Force means go after it and do not stop until you obtain it. Set your plow deep and break up your fallow ground. Deliverance prayers follow this teaching.

17LHDVD5-1 - Carla Butaud - GENERATIONAL INHERITED CURSES - Donation \$6.00 - Satan is identified clearly as the enemy - using people as his instruments. We need to know who we are dealing with, we need to know how to deal with who we are dealing with, and we need to understand and know who we are in Christ. You are going to find yourself "beat up" - until you understand who you are in Christ. Then you can say, "No way! Jesus Christ got the victory and I'm walking in that victory. It belongs to me." In dealing with generationally inherited curses, it is important to realize that these are curses that have fallen on us through our ancestors. We were born with some of them - they are in the bloodline. Carla explores and teaches on a number of inherited curses that hinder us from living our Christian life successfully. She leads the congregation in prayers of deliverance for each curse she addresses.

17LHDVD5-3 - Carla Butaud - SINS UNTO DEATH - Donation \$6.00 - Carla says she gets flack from people that say, "All you ever talk about are bad things, curses, and all that stuff. You know there are blessings too!" She responds by saying, "Yes, that's true but are the blessings giving you any trouble?" It's the sins, the curses and the bad things that we have to deal with because they are what are hindering us in our Christian lives. They are what are keeping us from entering into many more blessings!!! This teaching is based on Leviticus 20 and ties into 1 John 5:16. Deliverance is a process and this teaching and the accompanying ministry can take another layer off!

17LHDVD7-1 - Carla Butaud - DELIVERANCE BLOCKERS - Donation \$6.00 - Carla shares that nothing has affected her life more, (other than getting saved) than the message of deliverance. It opened the door for change - to be set free from the things she didn't like about herself - things she had tried to get rid of and couldn't. People come to camp to be set free from things. In this message Carla teaches about deliverance blockers. These are things that will block your deliverance. She deals with these things the first night of camp so that all the other messages can have their deepest, best work in you (the listener). This is a wonderful message, both for those new to the deliverance ministry and for you who have experienced much deliverance. Are you where you want to be in the Lord? This message could provide the key you have been asking for from the Lord. Ministry is included.

17LHDVD7-8 - Carla Butaud - THE CURSE OF THE BASTARD - Donation \$6.00 - Carla opens with a very thorough prayer covering the participants in this meeting...a prayer for our participation, protection and understanding of the works of the enemy in order that we may be set free. She then explains exactly what a curse is... a doorway for spirits to come in and out. We want to get rid of this doorway and stop the enemy from having access to our person. Galatians 3:13 tells us that we have been redeemed from the curse of the law...that Jesus Himself was made a curse for us. The curse of the bastard was a 10 generation curse. The problem arises because it was a very shameful thing and wasn't discussed openly, allowing a continuation throughout the family line. Neither has it been dealt with because of ignorance of the curse, misunderstanding or unbelief. After a very thorough exposure of the works of the enemy through the bastard curse, she leads us in very powerful prayer of deliverance. There is complete freedom from this curse through Jesus.

18LCDVD2-1 - Carla Butaud - SLAYING THE DRAGON - Donation \$6.00 - Carla shares various Scriptures to lay the ground work to expedite the deliverance during the conference. There are some things that can block one's deliverance and generational curses are one of them. For those who don't understand, a curse is a doorway that allows other spirits in. If you take care of the curse, then when you cast the spirits out, they can go. She shares the importance of understanding the name of Jesus and the power in that name when it comes to casting out demons. It is time to learn to do warfare in the spirit realm. You don't have to be afraid. We don't wrestle against flesh and blood - against that person that is giving you trouble - against what is going on in the church, community or nation - we wrestle against principalities and powers - demons! If it's not flesh and blood we're wrestling with, that means we must know how to defeat the enemy in the spirit realm. Husbands and wives have a unique authority over each other. (1 Cor 7:4) Emphasis is put on the vital need to forgive. That is one of the biggest "deliverance blockers" we can have. Deliverance ministry concludes this message.

18LCDVD2-6 - Carla Butaud - HOW TO DEAL WITH TORMENTING SPIRITS - Donation \$6.00 - One of the enemy's job is to torment. He is a bully and he is very good at it. God showed Carla the process of how tormenting spirits work. It starts with a thought that comes from a lying spirit. And you don't like the thought. Then you find yourself arguing with the thought. That causes a conflict in your brain. You think the thought is your's, not realizing it's the devil, a tormenting spirit. So this conflict produces fear which produces chemicals in your brain which has an effect over your whole body. It affects your blood pressure, heart rate, digestive system - everything in your body. And it produces a "feeling". Now you're starting to "feel" this way or that way. And we, as humans like to "share" our feelings. You start hearing things like "I just feel like" ... blah, blah, blah. Satan has already projected thoughts towards you, now you have expressed the feelings with your mouth. There's much more to be explained here and Carla does a much better job teaching it than we can summarize! Bottom line, she wants you to understand how these tormenting spirits work, so you don't have to be victim to them. Deliverance prayers and ministry are included with this message.

18LHDVD7-4 [DVD - \$6.00] - Carla Butaud - THE SPIRIT OF SUICIDE - Suicide is a permanent solution to a temporary problem. It comes at a time when you think you can't go any further and the enemy is telling you the same thing. He is right there to push you into whatever your idea is. Suicide is an evil spirit. Scripture is given to establish that Jesus is all about life, and satan is all about death. In Matthew, chapter 4, it is revealed that satan tried to get Jesus to commit suicide. Jesus is our remedy to overcome that treacherous spirit. The more the Word of God you have in you, the less likely you are to be deceived. (Heb 4:12) Carla shares both Old and New Testament examples of when this self-destructive spirit accomplished its goal. Various sources of where the spirit of suicide comes in are examined. Even Christians can be plagued with a "give-up" spirit, disguised by saying "I just wish Jesus would come back!" Some of the drugs that people are given to battle depression and other problems can produce symptoms of suicidal thoughts. The enemy would prefer that you not expose him, but remember this is a

spirit that has to be cast out! A very timely message which gives significant opportunity to receive deliverance ministry. Choose life!

18LHDVD7-7 [DVD - \$6.00] - Carla Butaud - THE PROMISES OF PROSPERITY - Carla begins by stating God has been preparing this message in her for 10 years. She likens it to a big puzzle with many different pieces and when they all come together they create the picture in the puzzle. Some Scriptures have been misused and abused over the years and we have been robbed of the true blessing of the promises of God that are in these Scriptures. The traditions of man make the Word of God of none effect. Example: Most Americans go to church on Sunday and if they feel sick they call the doctor on Monday - instead of calling for the elders to pray and anoint. We follow along with her as she describes various pieces of the puzzle. The primary puzzle piece described in this message is prosperity. Citing the miracle of the loaves and fishes we see God's abundant provision - not just for the needs but with extra. He didn't give us just one apple seed. The seed produces a tree, with hundreds of apples and hundreds more apple seeds! Everything about God and His Kingdom is multiplication. The key is where we put our trust and who we are seeking after. Can He trust you? Deliverance prayers conclude this message.

18LHDVD11-4 [DVD - \$6.00] - Carla Butaud - TO BE EFFECTIVE IN THE KINGDOM - Carla's prayer for this message is that it will be a word to build and to plant, and specifically that the hearer will come to know who they are in Christ. Knowing who you are in Christ is the most important element to spiritual warfare. Without knowing this you will never be effective in or for the Kingdom of God because you won't step out and do what He has commissioned you to do. Discussion pertaining to angels will be of interest to the listener. Christians should not be following after signs - signs should be following us! Vivid illustrations are given to drive home truth of Scriptures to implement into your daily life. Example: When a President is elected, there is no power until he is sworn into office. And then, the power is not in the man, it's in the position. Liken that to Eph 5:23 and the position a husband has over his wife, home and the devil! It's not about the man - but the power God has given to the position. Many more treasured tidbits accompany this teaching as well as prayer and ministry at the conclusion.

18LHDVD11-6A & 6B [2 DVD Set - \$10.00] - Carla Butaud - A WORD OF ENCOURAGEMENT & EXHORTATION - Jesus encouraged Peter in Luke 22:31-32, "... Simon, Simon, behold, satan hath desired to have you, that he may sift you as wheat: But I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy brethren." When things begin to go wrong in our lives, the first thing that gets challenged is our faith. Jesus was telling Peter that he was going to get to the other side of the problem. He was going to make it because Jesus had prayed for him. But be reminded that Jesus ever liveth to make intercession for you! He is your Advocate with the Father. It is not out of order to say, "Jesus, pray for me!" Peter, because of his experiences and what Jesus said to him, was the right person to write, "your adversary, the devil". The adversary is not your husband, wife, kids, employer, pastor, etc. It is the devil! And you are a target for the enemy because he hates Jesus. Carla shares various life experiences that put Scriptures into applied principles of how to live a victorious Christian life. True to the message title, you will be encouraged and receive exhortation along with prayer for deliverance.

19LHDVD7-4 [DVD - \$6.00] - Carla Butaud - EQUIPPING & PERFECTING THE SAINTS - This message pertains to equipping us to stand, giving us tools, sharing strategies that the enemy uses, and then what to do when those strategies show up. The enemy came to Carla's house and gave her a "sucker punch" and left her laying there gasping for breath. God began to show her what was going on and now she teaches others about God's order and how to walk in the path He has made available to them. One thing to learn is that "God said" and we need to learn to speak out loud, not just think it in our head or pray it in our prayer closet. One day God said to her, "Did I say if you have faith as a grain of a mustard seed, ask Me to remove that mountain?" Truth came to her that day. God's Word says, "...ye shall say unto this mountain, remove hence to yonder place: and it shall remove ..." She believes many of our prayers go unanswered because we are asking Him to do things that He has already given us to do. Prior to this verse, Jesus is addressing the unbelief in the disciples. His reference to fasting is not to cast out the demon, it's for

them to deal with their unbelief. Fasting in this reference is not about moving God to do some thing, it's about moving the disciples into having more faith. Carla shares multiple strategies the enemy uses to throw Christians off guard and distract us from what Jesus has given us the power and authority to do. Prayer for deliverance concludes this helpful and practical teaching.

19LHDVD7-6 [DVD - \$6.00] - Carla Butaud - GOD'S ORDER FOR FAMILY - After prayer, Carla begins by saying that family camp is dear to her because we are part of God's family. God loves family and He set up an order for everything... our earth, churches, government and of course the family. She begins with a testimony of how her marriage started well but then she got saved and her husband had to deal with another man in their home...Jesus! Neither of them knew how to deal with that! Here is a good teaching on what NOT to do when you get saved. The rest of the message teaches us how to find and operate according to God's Word concerning the husband and wife...His order for the family. Times do not change God's Word! He still has a plan that works for marriages and families but until you find it, things can get messy. She describes her marriage as a shipwreck...at 6 years, three children, severely depressed, what now? She ended up at the psychiatrist's office, wishing to have never been born, thinking her husband and children would be better off without her. At this point, she began to hear from God as to how to come out of this. She learned about deliverance and how those evil things were not her. They were demons that could be cast out. He started with simple things which had long been forgotten like how to treat her husband and she learned her place as a wife and how the husband is the head of the house even as Christ is the head of the church. There is surely something for all to learn from this teaching. She said all this to come to the place where she will tell you what God says about order in marriage and considering that the rate of divorce in Christians is the same as non-Christians, perhaps we need to pay close attention. Carla ends this teaching with deliverance.

20LCDVD2-2 [DVD - \$6.00] - Carla Butaud - SPIRIT OF THE BRIDE OF SATAN - Carla introduces this title to the audience by sharing personal testimony of her first encounter with this spirit. This launches her into a plethora of issues such as molestation, masturbation, sex slavery, the "mean man" spirit, spirit wives, spirit husbands, marine spirits, kundalini and soul ties. The "Carla gifting" makes it simple to understand inherited curses, demonic control and familiar spirits. She clearly exposes the cruelty of satanic activity in one's life and the seductions of its evil anointing. The enemy makes everything that is sin in God's eyes, seem more pleasurable. This deception tactic is what he beguiled Eve with and he continues to successfully use it today. Additionally he blackmails us with our deep, dark secrets. Real freedom comes when these sins are exposed, dealt with and the spirits cast out. The spirit of the bride of satan "claims" you as his and will use you to satisfy itself. It covers you, as with a veil. Some people never marry. The perils of pornography are brought to light, especially concerning the sewage of unclean spirits infiltrating the home and children. Understanding of deliverance answers so many questions about why people do the things they do and provides us the means to pray and see lives set free. Deliverance ministry includes the breaking of generationally inherited curses of the spirit of the bride of satan, infirmities, death, adverse personality traits, all forms of witchcraft, oaths, altars of satan, etc. Soul ties are broken and prayers for healing of mind and soul are administered. The depth of deliverance ministry associated with this message really takes care of business so the listener can experience true freedom from horrible spirits.

20LCDVD2-4 [DVD - \$6.00] - Carla Butaud - HOW DELIVERANCE CAN HELP YOUR CHILDREN - Carla's first witness to the power of deliverance in her children occurred after she prayed over her 5 year old daughter. Carla had heard a man on the radio tell how spirits from a mother can transfer into the fetus. When she was pregnant with her daughter she was not in a good place, unstable and cried a lot. When her daughter was five years old she would mysteriously cry on the way to school and Carla didn't know why. After hearing the man on the radio and following his instruction to pray over her daughter and command the sad, depressed, melancholy spirits to leave - it worked. The next morning the little girl asked to get saved. And there were no more tears! Carla was hooked! Another example was of her grandson who was disruptive in class, and soon after deliverance prayers was honored as student of the month. Another example was with her granddaughter who was not doing well in math class - in fact she

had the worst grades in the class. Carla prayed arrested development prayers over her and by the end of the year, the granddaughter had the second highest grades in the class. Carla gives example after example - with instructions - of what deliverance can do for your children - autism, arrested development, learning disabilities, birth defects, rebellion and much more. She concludes the service ministering extensive prayers for deliverance in the areas she taught about.

FRANK BUTLER

11LHDVD4-1 - Frank Butler – GREAT FAITH GIVES JESUS MUCH GLORY - We begin in Mt 15:22 – the Canaanite woman came to Jesus - she cried out to Him until she got what she came for. Personal faith gets personal results. She didn't give up even though Jesus seemed hesitant to grant her request to deliver her daughter from the power of demons. Everything seemed to be against her but she kept going after what she needed and her faith was rewarded. We see in Mt 8:5 - that the Centurion's 'great faith' also got a miracle. Neither time was the one in need, present when Jesus was called upon for healing and deliverance. Jesus' word went forth and healed the daughter of the Canaanite woman and the Centurion's servant. Bro. Butler closed in prayer and proclamation of a new day and change to come.

11LHDVD4-4 – Frank Butler – GOD'S WAY OF HEALING - Christians do not want to talk about health-care. Doctors treat people; Jesus heals people. God's way is to use believers to lay hands on and anoint with oil to heal. Wouldn't we be better off to trust God and do it His way? What He asks for is our faith and He has given us a measure of that. In the 4 Gospels and Acts, all that were sick or demon possessed were healed and set free and the dead were raised. That is God's health plan and He has provided what we need to see it work; our hands, oil and faith. Prayer for healing follows.

11LHDVD4-8 – Frank Butler - GOD LOVES WINNERS - Eight times in Revelation, we read 'to him who overcome'....In Acts 16:16, the girl said the right thing but with the wrong spirit. The devil will use scripture to trip you up and attack Jesus. Whose authority are we under? Sin shortens our life. Know that when someone attacks you unjustly, there's something wrong in their life. Paul and Silas were able to sing and pray even while incarcerated wrongly. That's freedom in the spirit – vs 27, 33. "God is our refuge and strength, a very present help in the time of trouble," Ps.46:1. When your ways please the Lord, even our enemies are at peace with us. Joy comes from serving Jesus.

12LHDVD5-1 - Frank Butler - SATANIC POWERS EXPOSED - As we draw near to Jesus He draws near to us. Jesus came to destroy the works of the devil. The Holy Spirit came to give us power for the battle. Jesus told us to do the same as He did. The anointing of the Holy Spirit breaks the yoke of bondage. Why does God allow satan to attack us? 1) To develop character in us so we can become kings and priests unto Him. 2) To keep us humble. 3) To cleanse us from all sin. In the Book of Revelation Jesus calls us Overcomers eight times. There is much rubbish in the church. We need to have great discernment. The devil goes to church. Brother Frank names many problems the devil causes and many ways to overcome satan. First put on the armor of God and stay alert. God is omnipresent but the devil is not. Angels are not demons and demons are not angels. Demons and the unsaved are under satan's dominion. God forbids us to communicate with demon spirits. Know who you are in Christ. There is only one thing to do with devils. Cast them out. Be holy and pure in your life. God wants us all to be free.

12LHDVD5-5 - Frank Butler - HOW TO RECEIVE HEALING AND DELIVERANCE - We are only passing through this world. The hearts of God's people have grown cold. Satan blinds the minds of unbelievers. God wants you to be radically changed in your thinking, doing and being. When the Head (Jesus) comes back the church has to be as well as the Head is. Healing and deliverance is God's will. Not all Christians want to be healed and delivered. This is about personal choice. Life is a battle. God gives us the victory but we have to get in the fight. These are some possible causes of sickness: (1 Personal sins, 2)

Other people's sins, 3) Unforgiveness of self and others, 4) Unclean spirits, 5) Stress diseases, 6) Accidents, 7) Unbelief, 8) Taking Communion unworthily, 9) Misuse of the tongue. What to do? 1) Attend a live church which believes in healing, 2) Take care of your health because no one else will, 3) Do not partake in surfeiting. 4) Glorify God in your body and spirit which belong to God, 5) Have faith in God to heal you. 6) Thank, praise and worship God for your healing before you are healed, 7) Testify and be optimistic that God will heal you, 8) Surrender everything to God, 9) Have faith God will keep you healthy, 10) Pay attention to God's Word, 11) Stay humble before God and others. A lot of people get healed when they start loving on others. 12) Always believe. It is a choice.

12LHDVD5-6 - Frank Butler - HAVE A GO WITH JESUS - When a person receives Jesus their whole life changes. It is a miracle. Miracles always give God praise and honor. When Jesus walked on the water the disciples were three miles out from shore. First they were afraid they were imagining things or seeing a ghost. Then they were afraid Jesus was going to pass them by. Jesus said to Peter, "Come." Peter walked on the water by the Word. Peter experienced a miracle while the other eleven adult men were in the ship. Then fear gripped Peter and he began to sink. It doesn't matter how far you sink, Jesus will lift you up. Your faith will be tested. Jesus brought the ship to its desired destination. Because Peter had great faith, Jesus left His church in Peter's care. Brother Frank shares testimonies of several miracles he has witnessed in this present time. Fear God and keep His commandments. This is the whole will of God. This is a new day and we are a new creation. Prayer of encouragement follows this teaching.

13LHDVD3-1 - Frank Butler - THE EXPECTATION OF YOUR FAITH - The Word of God says we will still bring forth fruit in our old age. Jesus healed the woman with the issue of blood because she had an unquenchable expectation of faith in Him. For twelve years her condition had continued to deteriorate. But then she heard about Jesus and confessed her miracle before she got it. She expected the unexpected and looked forward with certainty to her healing. She was fully persuaded that what God promised He is fully able to do. The Bible says the anointing abides forever. He upholds all things with the Word of His power. There's nothing like the presence and power of God. He has given every one of us a measure of faith. Our greatest possession is our personal faith in Jesus Christ, His words and His miracle power. That little woman was not a wimp. Her faith led her to Jesus. These are some of the ingredients of her faith. She heard it, stayed with it, thought it, said it, planned it, was pro-active, confident, bold, determined, expected it, received it, did it, humbled herself, testified about it, believed it. Let faith in Jesus Christ come alive in you as never before and come boldly to the Throne of Grace and obtain mercy.

13LHDVD3-5 - Frank Butler - GOT A BIG WANT TO? - People go to service after service, hear message after message and nothing changes. Christianity is about change. It is a personal choice. You have to make up your mind that you want to change. You have to have a "big want to." Are you going to get rid of the garbage in your life or continue to carry it around? What do you do with the trash in your house? You don't put it on the sofa next to you - you get it out of your house! Blind Bartameus had a big want to. He cried out! Jesus was His only hope. He was desperate. This message encourages you to believe that God will do what He says He will and not to be discouraged by the opposition the enemy sends your way when you truly believe. Bro. Frank ministers to the people at the conclusion of this message.

ROBERT CAMERON

06LHDVD11-4 - Robert Cameron - PASSING THE TEST - Robert starts out by telling us that when Zion prevails we will bring forth! He says the devil will tempt you to destroy you but God will test you to grow you. God is holding our hand, we are not holding His. We have to keep our vision fresh and clear. We have 2 ears and only one mouth so we should listen twice as much as we talk. God may give us unusual tests and the worst thing we could do is ignore these tests. Listing some tests, he gave examples of each: 1) Work the hours you are supposed to work 2) Talk to those who are less fortunate than you 3) Give help to someone even though it's a con job. 4) Do things for your spouse above the call of duty. 5) Don't cheat on

your taxes. There are two types of dreams; supernatural and supper-natural. In Scripture Joseph had a supernatural dream. His tests alienated him from his family. Robert tells us the things that were tested in Joseph's life and explains each one. Test #1 Loyalty, Test #2 Integrity, Test #3 Faith, Test #4 Patience, Test #5 Pride, Test #6 Love. Then he shows us why Joseph passed the tests. 1) He had the right attitude 2) He never gave up 3) He moved in when opportunity arrived 4) He realized the Lord had done this thing 5) He never retaliated 6) He forgave his brothers 7) He built Pharaoh's house and waited his time. God used Joseph. This is a wonderful teaching comparing the tests in Joseph's life to ours.

06LHDVD11-8 – Robert Cameron – 7 DIPS WILL DO YOU – "How to have a breakthrough in your life" or Robert's short version "Seven dips will do ya". This is a very informative teaching taken from II Kings 5 concerning Naaman, a man of character. God is a God of breakthrough in our lives. He mentions things that can stop us from having a breakthrough in our lives including fear, lack of faith and insecurity. We must think generationally. Don't hide problems, face them and deal with them. Robert shares 7 hindrances Naaman had to deal with to have a breakthrough and they pertain to us also; pride, anger, presumption, prejudice, disobedience, offenses and defiance. He then gives us examples of solutions of how to get a breakthrough in finances, family, health and ministry. He closes with the statement that we need to get a revelation of who God is and when we do get a breakthrough we need to have a worshipful heart.

DALE & JUNIE COPELAND

06LHDVD12-1 - Dale Copeland – WHEN YOUR GIFT OUTFRONS YOUR GROWTH - In the introduction to this teaching, Dale tells us we are debtors to one another and nobody stands alone. But it is easy for us to have our own agenda. Dale says he doesn't have an agenda of his own in this teaching. God's grace and mercy are new every morning and get sweeter and sweeter every day. He says perhaps another title would be "Growing into our calling". The substance of his text is taken from Genesis 37:2-22, depicting the young calling on Joseph's life and what he went through to get to it. Joseph was a spoiled brat, an arrogant prideful young man. Dale tells us one of the most dangerous things is to get something you desire before your maturity level comes - particularly when the gift is good but our passion for God is not so great. God chastens those He loves, sometimes for training and not for punishment. There are two kinds of chastening; internal chastening and if that doesn't work, external chastening. We cannot operate in a gift without love. The character and nature of God is love. Dale explains each of the verses on Genesis showing how Joseph was growing in his calling. In closing, he summarizes by saying Joseph was in a learning process and went from most favored all the way through other trials to abandonment. A seed was planted in him as a young man and his character grew into his calling. Don't try to push in front of your brother. Grow in your passion for Jesus. Our calling is to be mature sons and daughters of God. Don't ever put anything above Jesus. Dale said, "When I'm loving you, I'm loving Jesus."

06LHDVD12-5 - Dale Copeland - HE'S MY EVERYTHING - God is not here for us, we are here for Him. God judged the world 2000 years ago. Something ended then. God changed the whole world when Jesus came. We have a new wine, new temple, new heart. Then Dale asked the congregation to describe how big God is? After responses he asked, "Now, how big is God in you?" He is the same. Jesus prayed and God moved. Dale said he didn't come to find God, he brought God with him. He said he came to fellowship with God in us. II Corinthians 3:16 & 17 is a radical statement for Apostle Paul - you can't repay all He did for you; you just need to receive it. II Corinthians 6:16 - I will dwell in them. We haven't made the transition in our hearts and minds that He lives in us. He has taken His abode in us. We are the temple of the living God. God didn't live in people before He moved on them. Dale gives many interesting scriptures and analogies about our walk with God and our image of who God is and different levels of growth to maturity in Him. In closing he says to look up worship in the Bible. Not one time is it mentioned when the church comes together. It literally means adorers! Adore Him all the time. Dale said he has come to a place in his life that even if there wasn't a heaven or hell, he would still love Him and serve Him as a

true worshipper. The church is stuck in early church traditions. This teaching is very informative on being a Son and a Servant.

07LHDVD5-1 – Dale Copeland – TRUE WORSHIPPERS – Do not listen to this message unless you want to see more of God! The Scriptures tell us to “magnify” the Lord. How can we make Him, who is already bigger than the entire universe, any more magnified? To magnify Him is not to make Him bigger – it is for us to see Him bigger. Using a magnifying glass does not make the image any bigger – it allows you to see the image in a greater dimension! Dale presents a different view of worship – the church has made it something other than what the Bible says it is. Even our concept of praise needs to be re-evaluated – praise is not connected to what He7 has done – it’s for who He is. You’ve never expressed the love of God until you are willing to express it if He didn’t give you anything! Worship (intimacy) should be disconnected from our circumstances. Worship causes you to look at circumstances completely different – you discern divine needs then obey. Worship is obedience - Gen 22:5, “And Abraham said unto his young men, Abide ye here with the ass; and I and the lad will go yonder and worship, and come again to you.” A message that will feed your hungry soul, water your dry ground, and cause you to come to love God more than ever!

07LHDVD5-5 – Dale Copeland – WHAT INCENTIVE DID JESUS GIVE TO SERVE HIM? – What incentive did Jesus give His disciples to serve Him? Was it fame, fortune, etc? Jesus enticed the twelve with just God! The question is, are we serving self or are we serving God? One test of whether it is the “Big I”, is, “Can you put a folded hundred dollar bill in the offering and conceal it completely with a dollar bill?” Using Scriptures in Titus 2:14; Matt 6:24 and Mark 12:30, along with many, many down to earth examples – Dale shows how iniquity is more than can be told about in one sentence. Ask yourself the question, “Why do I serve God?” It’s all about motive. Dale points out that we must really **KNOW GOD** to be able to recognize evil. There are way too many nuggets uncovered in this session to point out in this short synopsis. Better to get the CD or DVD and hear them for yourself!

07LHDVD11-4 – Dale Copeland – WHO DO YOU SAY THAT I AM? – “Our passion must become our need and our need must become our passion.” You can be working for Jesus and lose Him. What about just belonging to Him? Most of what we do is the outer court ministry. Without the love relationship it is just religious activity. Jesus asked, “Who do you say that I am?” A revelation of Jesus is not enough. Peter knew who He was and was still rebuked and called satan. “Who do you say that I am?” – It shows by your life, in your home, with your family, on the job. What is faith? It is action based upon belief, sustained by confidence. Example: Jesus on the cross believed God’s Word. Dale speaks of the despair that is prominent in the church because the hopes of the past have not materialized. He speaks much of the Utopia mentality – always looking for something or somewhere else that makes being a Christian worth it all or where we will finally arrive. If you don’t have anything today to take you to tomorrow, you will not have anything when tomorrow comes. Jesus’ coming is not the hope – Christ in you is the hope of glory. When He becomes our passion, our walk with God becomes our Utopia. The reason it is so difficult for us to get it right is because of the doctrines of demons that have ruled the teachings in the church. So many of the teachings we have embraced are centered on self. We must begin to live by the Spirit as Jesus did. When you are in love it is easy to give of yourself - fall in love with Him! Being saved is a change of ownership, to fulfill His purposes – you no longer belong to self – you belong to Him. We must quit being self-aholics.

07LHDVD11-5 – Dale Copeland – GET A LIFE WITH JESUS – Don’t shy away from adversity – that’s the place where you are needed. The glory of God is the brightest in adversity - those darkest places we go through. Most of us don’t want to serve and wash another’s feet. We want the water brought to us. Why? Because we are basically self-serving! Our soul is not really saved unless the engrafted Word is ruling it. If somebody cusses you out today, it is your opportunity to let the Light shine through you. Kings have vacated thrones because of love – that’s what Jesus did for us – and we are to love Him like that – living not for ourselves but for each other. God has never changed His plan – He still wants trees fit

to eat fruit of. Quit worrying about what's going to come and enjoy God's presence today. We have Jesus who loves us no matter what, and we better learn how to love Him. Mt 6:25, we seek what we value. Value first the dominion of God in your life. The value of the love of Christ is to win you.

08LCDVD2-1 – Junie Copeland – THERE IS A DELIVERANCE THAT WE HAVE NOT EXPERIENCED - Junie begins by telling us a deeper walk with God comes by a deeper commitment. We learn from what comes across our life and we go on. Moses looked at the Red Sea and thought "What am I going to do?" God said, "Stretch forth your hand." Do you sometimes question, "Maybe that's not what God really said." If Moses had thought, "Maybe that's not God who said, "Stretch forth your hand", there would have been no deliverance for the children of Israel. Ex 14:16-23 – "the waters closed over the enemy and all he had." What is your enemy today? There is a deliverance in God we have not yet experienced. Stretch forth your hand! 1 Cor 10:13, Pro 28:1 – the righteous are bold as a lion. I Sam 17:3-11, 41 - David quickly ran to meet Goliath. David had spent time with and had a commitment with God. It is important to know what to do when you get to the giant. Whatever is big to you right now is the giant you are facing. Matt 14:18-28 – Jesus said come. What has Jesus told you to do? Step out of the boat. We read in Acts 2 that the Holy Spirit gives you boldness. They were all filled. Peter was never the same; he was consumed by the Holy Spirit. It is time to stretch out your hand and do what God is telling you to do. Junie closes with prayer for a greater infilling of the Holy Spirit for all who desire it.

08LCDVD2-5 – Junie Copeland – SISTER LUCY - Junie portrays the character of "Sister Lucy" in her dress and demeanor. This teaching creates lots of laughter, "which doeth good like a medicine." She begins in II Cor 5. Sister Lucy says let the righteous be glad – Ps 68:3. Exceedingly rejoice. The Lord spoke to her and told her, "You are a helper of My joy" - II Cor 1:24. So many of God's people really look dreadful. There is **deliverance from depression when you laugh**. II Cor 10 – joy is a mighty weapon. The Bible says think on good things. You have to exercise to think on good things. Junie shares the testimony of how "Sister Lucy" came into being. Let the joy of the Lord be your strength and when you remember Sister Lucy, laugh. This is a great teaching on CD, but to get the full effects of the character you will need to get the DVD.

08LHDVD12-1 - Dale Copeland – YOU CAN TRUST GOD - The whole thing about the Kingdom of God is duplication. God is after a maximum multiplication. Dale shares a personal miracle testimony about when he recently suffered a massive stroke. He says it is his destiny to be fully restored, with God's help. The Kingdom of God is within us. Let Him rule and reign from His throne. Man fell from right relationship with God. God has never got to see what He created man for. Jesus came to bring us back into right relationship with God. We need to start and end our day with gratitude. We need to get our eyes off our problems. Our spirit produces things from God, our soul practices what God puts in our spirit and our body manifests what God put there. So often we get into trouble and don't know the voice of our Father. People are not being taught to hear the voice of God. Praying is not hard; if you beg it is hard. Prayer is communicating with the Father. He said I'll sup with you and you sup with Me. Prayer has got to be a phone conversation; you have to hear as well as talk. We can't do anything more to be a child of God but we can become a better child of God. If you are going to have to trust God sometime, why not do it now? When you are in the middle of a mud pit you still have to walk through mud when you decide to get out. You are never committed until you can't catch yourself. Dale encourages us that God is trustworthy and will do what He says. You can believe and obey. Keep valuing your beloved. His name is Jesus. Rest in Him.

08LHDVD12-2 - Dale Copeland – THE AGE THAT IS NOW - You don't have to have the last word. To get revenge, love your enemies. Bless them that curse you and pray for them that spitefully use you. A sheep has no defense - the shepherd is his defense. Without conflict there is very little change in our life. Don't look at what you are facing look at the glory God will get when you get through it. God is faithful to always be there. When you are in the pit, mine for gold. Jesus said humble yourself, learn of Me. You know you have learned when you can give it away. It is one thing to know you are supposed to do something but it is another thing to do it. Dale gives some word seed you can take home and make bread with. Scripture references concerning world – Heb. 1:1, 2 - there is more than one world (cosmos), John 3:16, I John 2:15, Gal. 6:14, Heb. 9:25. Don't ever deceive yourself and think that where you are at is where God wants you

to be. Anywhere there is an end - there will be another beginning. Dale explains the perishing worlds from II Peter 3. In vs. 10 'elements' means the procedures under the law. Verse 13 - we are looking for a new heaven and a new earth. To be spiritually minded is peace; carnal minded is death. Anytime something comes from God it is coming down because Spirit is higher than natural.

08LHDVD12-5 - Dale Copeland – EVERYTHING THAT HAPPENED TO JESUS, HAPPENS TO US - You have choices in your life but you are not in charge of the outcome of your life. It is ok to disagree but not to be disagreeable. Enjoy where you are at with God. Dale uses verses in Romans 5 and 6 for this teaching. It is not your actions that make you holy, it's Jesus. Dale shares example of a brother who has the gift of healing and miracles happened. Jesus healed all who came to Him whether they deserved it or not. When Jesus said "It is finished" He meant it. Man was appointed to die because of sin. Jesus met an appointment Heb. 9:27, 28. Gal.2:20 – we were crucified with Him. Romans 5:8 – we died with Him, we shall also live with Him. Romans 6:11-14. Romans 8:1. Do your part and believe God for His part. He met the appointment for us. Dale shares an illustration of a child growing up. Col. 2:13 – we were quickened together with Him. We are built to occupy both heaven and earth. We are a new species; a new creation designed to live in the natural and the spiritual. II Cor. 5:14, 15, II Tim. 2:11, Col.3:3, 4 – notice 'with'. In summary Dale says "I was crucified, buried, raised, quickened, glorified and seated with Him".

STEVE COYLE

08LHDVD9-10 – Steve Coyle – PRIESTHOOD OF THE BELIEVERS - Mal 2:1-4, 7-8. About 1,000 years from the start of the priesthood at this time it is corrupted. Ex 19:4-6 a kingdom of priests and a holy nation, God says to the Hebrews at Sinai. The tribe of Levi stood with Moses to serve God. They tended to the worship of God; offered up the people's offerings, etc. The High Priest, on the Day of Atonement, entered the Holy of Holies and took blood so sin was forgiven for the nation. In the New Testament the high priest is Jesus, the priests are the believers. In the Old Testament their role was intercession. The people were dependent on the priests; in the New Testament this all changes. Heb 9:11-12 - Jesus, the sacrifice of His blood on the mercy seat for us. Vs. 24-28. Heb 7:24-25 – intercession is the key role of the High Priest and Priests. The word intercession in Greek is entungchánein. The primary meaning is to meet with a person to converse with him. The secondary meaning is to address someone in behalf of another person. Jesus as our high priest will first talk to us and He makes the appeal. I Pet 2:5, 9, Rev 1:5, 6, 5:9-10. He explains what we do as priests. The role of a priest is not an office it is a function, it is servant hood. We offer up not physical (lambs) sacrifices but spiritual sacrifices. Most important area is worship; it is preeminent. Worship is about intimacy between you and the Lord. It comes from your spirit. Second role of spiritual sacrifice is to receive confessions; show people they have a direct access to God's presence. The third role is involved in spiritual warfare; you have spiritual authority and weapons. The priest led in a spiritual battle around Jericho until the walls came down. Luke 10:19, II Cor 10:4. Are you doing these things? It is time for you to be who you are. That is who you are – the anointing is there. Ex 29:19-20 – ordination of the priests. Steve closes anointing all present and willing with oil into the priesthood; as believers we are priests.

08LHDVD9-7A & 7B – Steve Coyle – WORSHIP – THE ALTAR OF INCENSE - This study is taken from Ex 30:1-10 concerning the altar of incense. The altar of incense by having 2 rings only, would swing when being carried. As the priest burned incense morning and evening, he worships as fragrance (Luke 1:5) permeating the whole area. The priest, Zacharias, stood and worshipped and received a breakthrough. God may ask you to do something and you may have to wait 9 months, more or less for your answer. He then shares the ingredients of the incense and how they pertain to worship. 1. Stacte - from a myrrh tree (purest kind), it eases pain, you cut the branch and the sap pours out immediately. This is for worship that comes instantly. 2. Onycha – comes from external crust of a shellfish from deep in Mediterranean and Red Sea. It enhances the other ingredients of incense to come together and work together. It is used in medications and

perfume. This is intercession and the intercessor in worship. 3. Galbanum – a gum resin that comes from roots and the lower trunk of wild plants. It does not smell good. It stinks! It is very valuable and one of the oldest forms of medicine. It is uniquely used to repel snakes and reptiles. Mixed with oil it will kill snakes. Pertaining to worship, the smell is in regard to the stink in our life that needs to go such as any addiction, anger, fear, rejection, depression, etc. And secondly when it is mixed with the other ingredients and burned it smells good. So when we receive deliverance to get rid of the stink as it is burned we become pure and smell good. 4. Frankincense - is gum resin from a tree. When the sun goes down the tree is cut and the sap does not come out until hours later in the night. It is edible and good for digestion, healthy skin and relieves depression, anxiety, etc. In relationship to worship it is like what takes place in the middle of the night with us sometimes; a time of worship and praise and a good time for intimacy. Altogether these ingredients become a blend of worship. 5. Salt – added as a way of seasoning and blending in. Mal 1:11 – even among non-jewish nations His name is great and everywhere incense will be going up. Ps 141:2 – may my prayers be counted as incense towards You. Rev 8:3, 4 – visible sensation of what is going up. Steve uses a visible illustration of crushing and burning incense. We must submit to a crushing and breaking process to be pleasing to God as the incense is crushed first; whole the ingredients will not work. Praise builds the house and worship is when God moves in. This teaching ends with worship by those present by placing the incense in the replica of the altar of incense which burns and the house is filled with worship.

DON DAVIS

09LHDVD4-7 – Don Davis – TESTIMONY - Don begins with “God inhabits the praises of His people.” Magnify His name. God breathed into Adam His breath, His DNA into man. Don shares his life testimony beginning with his birth in 1935. He tells of having warts that led to an introduction to witchcraft, but how God healed him. The Holy Ghost later gave him diverse kinds of tongues. Other highlights include being associate pastor in a dysfunctional church, he and his wife ministering in other countries, etc. Don shared how expressing the love of God caused God to show up with healings, miracles, freedom from demonic forces, salvation and filling with the Holy Ghost. He shares of a conference in Lima, Peru, and closes with Gal 5:16, 17 - walk in the Spirit. Pray in the Holy Ghost every day. Keep your heart and life before Jesus Christ.

PHILLIP FIELDS

07LHDVD9-4 – Phillip Fields – TIME TO GET REAL – The title of this message reflects the ministry name God gave to Bro. Fields – Get Real Ministries. He begins by sharing how God is using him to discipleship the broken. It has required him to yield to the flow – not try to control it. He has found that the infilling of God in his life is what has changed him and he knows God wants us to be filled with him. We all have need of a personal encounter with God. When you have forsaken the presence of God, ask Him to give you a willing will – an open door to come in and bring change. He will meet you in your desperate need. Part of the reason change is difficult is the patterns learned from childhood. God will keep drawing you – let Him love you. Learning to be holdable is the key to healing the deep hurts. If we are not seeing the change, fruit, etc. of God, it’s because we are doing our own thing. God wants to speak a fresh new word to you. Breakthrough begins with brokenness as you feed on His Word. Ministry follows this teaching.

07LHDVD9-10A & 10B – Phillip Fields – A 3 FOLD CORD – God has a plan for you and it’s always good. The key to overcoming bondage is to bond with God. Allow yourself to learn, grow and to make mistakes. The real test of what God is doing in your life is in relationships. Jesus did not build an institution. He moves His Gospel through people. Phillip talks about the 3 fold cord spoken of in Ecc 4:12 and expounds on many areas of 3’s. All of us have been hurt by somebody. Exchange the “yuk” in your life for the benefits Jesus paid for. If you are still living as a victim of sin, you are still in bondage. Let the light in – shine on the dark areas and get healed and free. Jesus, in the garden prayed three times until his

self (will) was into God's will – then came the impartation to go through to the cross. We have to be willing to have all of self emptied. Exchange old pain for new love and the acceptance God wants to pour into you. You do not have to live in that childhood place of pain in your life anymore. You don't belong in Egypt anymore. You belong in the Promised Land.

08LHDVD3-1 - Phillip Fields - THE FEAR OF THE LORD - Phillip begins by saying when you can hear God's voice everything else falls into place. Fear is an obsession with yourself. He just released a new book "Get Real With God". It is a comeback story - almost from death - that he wrote because every time he was in a meeting someone would come up to him and say "I can relate to you". Phillip says be open to what God wants to do. A learner is a disciple; are you willing to be one? Fear and being absorbed in self keeps us from being in this move of God. Being real, seeing what's in our heart leads to freedom. Col 10:13 – lays a foundation for Kingdom living. It is a lot easier to please God than to please yourself. How are you spending your spiritual inheritance? Are you using it for a last minute ticket to heaven, a tool to judge others or a means of defense so people cannot get close to you? Have you ever been so busy doing the Lord's work that you couldn't see the Lord? He wants all of us to have the benefits of the gospel. You're in, you qualify. It comes down to a couple of things. What is my responsibility in the Kingdom? To position ourselves strategically so we can fulfill our purpose when the Holy Spirit comes. We are the vessels. Experience conditions us. We have two hindrances: 1. Passivity – I can't do it; fear of being hurt and disappointed. You become passive because you don't want to get hurt again. The enemy has you captive because you are passive. The other extreme is 2. False responsibility- everything is my responsibility; you wear yourself out "like a hummingbird". You develop a "Messiah complex" trying to grow feathers like an angel. You create problems by trying to be the Holy Spirit. It brings a lot of peace when you learn who you are and what your purpose is. John 8:14-16 - the number one priority of Christ was to bring honor to His Father's Word. That is the fear of the Lord which is a passion to protect your relationship with the Father. If you can get this in your heart everything else will come into place in your life. The first change is for God to take you out of judgment and into mercy. Judgment in the body of Christ causes more pain than anything else. The key to walking in the fear of the Lord is a blinding encounter with God. Acts 9 – the story of Saul's conversion. You understand God's mercy. He wants you to have a living encounter with Him. How you respond to His discipline determines the fruit from this encounter.

08LHDVD3-7A & 7B – Phillip Fields – HOW TO HEAR THE VOICE OF GOD - The question is really, "How do you get close to Him?" If God hasn't spoken to you, that is the starting place. What really helps is the Word of God. You don't have to have the power you just need to know where to get it. Be willing to learn. John 17:3 Stop praying for results! Compassion in the New Testament is not pity but to draw you out of that place. Jesus pulled darkness out and light in. Our efforts are limited. Your brain uses an eye dropper; your Spirit can suck on a hose. Matt 6:9-10 Jesus said "Your Kingdom come". For us to activate this we must hear God's voice. Today we must hear the voice of God for our self. Jesus is our mediator. When we begin to see with spiritual eyes then we will hear Him. The Word of God must be current in our life. Be teachable! A disciple is a learner. Give yourself permission to learn. Position yourself to draw from Him. If you are going to hear God's voice, He has to be your focus. You have favor, draw from it. We are not here just to hang out. God has not hidden His Kingdom from you; He has hidden it for you. Stop trying to live for God – draw from the well. We need lots of water. John 6:28-29 – what must we do to work the works of God? Believe in the One who is sent. A free person can ask for anything needed. Any problem you have is because of words and will only be solved by words. Our need - a Word of life. Anything you want to know – God has spoken. The devil cannot override the Word of God. There are 4 words that God gave that Phillip says he uses every day. 1. Listen 2. Wait 3. Obey 4. Stand. Learn to still yourself expecting from God. Come Holy Spirit. Just listen then write down what He says, then wait, whatever you see or hear check out in the Scripture. Obey – act on His Word to you. Free yourself up – simplify your life and stand on God's Word. Thy Kingdom come, thy will be done. Philip closes the meeting praying for release of hurtful relationships, pain, disease, old habits, and unholy images and to set the captives free. Receive from God and then give to others.

BO & JEAN FISHER

08LCDVD2-2 – Jean Fisher – THE SECRET TO SLAYING GIANTS - You do not have to be anything other than what you are to receive love! We cannot use the world's rules; we were created to be a child of God. Everything else the Holy Spirit will do. We are called to die; we are called to weakness. This teaching is taken out of I Sam 8, 15 and 17. Israel is compromised; they did not want to look different. They left the door open to the enemy and he came in. I Sam 15:24 - when you need to be thought well of by others, you are not following the Lord. When there is a valley, it is a picture of something you need to go through. The pathway to freedom starts right where you are. You must keep going forward or you will be going backwards. Verse 5-7 is a picture of intimidation, everything we cannot handle in our own strength. Jean praises the Lord for the "goliaths in her life". Goliath means captivity. The Lord allows the devil in our life to press us to depend on Him. She explains the circumstances David was in, leading up to facing Goliath – this example also pertains to us in our walk with Him. She compares Saul to the world and David to faith. Ps 131 is written about David in his ability to quiet his soul before God. What keeps us from becoming quiet before the Lord? Are we too busy? In conclusion she prays for us to ask ourselves what it is that keeps us from setting aside quiet time with the Lord and prays to expose the barriers preventing our quiet time.

08LCDVD2-6 – Jean Fisher – LOVE PEOPLE! - The Kingdom of God is all about relationships. Jean begins with personal testimony of how the walls around her life kept her afraid of the close relationships that all Christians need. Acts 2:44 – the work of the Holy Spirit is to bring all together in unity in Jesus. The Kingdom of God comes in the flow of God's love. Matt 22:34-40. The whole message of God is to love God and love your neighbor. Matt 18:15. God is after a place where we don't secretly have resentments against each other so we can go out and be witnesses of God's love. Luke 6:27. Love your enemies who hate, abuse and curse you. The chains of evil have to stop somewhere. It takes one person saying, "NO!", to let God's love rule. We have to be real. Confess and be honest with one another. We must go to Jesus. He puts a whole new perspective in our life of the way He sees our problems. God is not shocked or offended to find out you are a sinner. Jesus is so gracious. We need to be this same way to each other. Jesus lives inside of each of us. This is such an awesome thing. We have to forgive everyone. It has got to be real. God places the lonely in families. You are supposed to live in the church and go to the world; not live in the world and go to church. In conclusion, Jean offers a commission for God's people. She recommends you be submitted to a covering; one who you respect and who you cannot control. Go and love your neighbor, go and love your enemy. Go and wash the feet of the person who has been ugly to you. Her prayer is that Jesus gives us the courage to go home and deal with the broken relationships in families, churches, homes or wherever they are. Jean closes with prayer for an anointing to go out in the love of Jesus to the world about us.

09DELTRDVD-5 – Bo Fisher – HELPING MEN OVERCOME PASSIVITY & THE AHAB SPIRIT - In 1 Kings 16,17 and 18, we see that Ahab was a man of little conviction, confused, irresponsible and plays the blame game. This is not an option for men as God has put them in the place of leadership. We're reminded that women really desire strength in men as it makes them feel safe and protected. Not only does Ahab fail to restrain Jezebel, he encourages her to do his dirty work - a job she did willingly. Men, you can restrain with kind words - speaking truth in love. I Kings 20:30 Ahab exercises poor judgment and God pronounces judgment on him. Ahab was not a leader. He allowed Jezebel to be Jezebel. The teaching continues by giving reasons for Ahab's problem and remedies for all those with Ahab spirits. Prayer follows.

10DELTRDVD-4 – Bo Fisher – OLD TESTAMENT TYPES & SHADOWS OF DELIVERANCE - God's message to His people is the same all the way through the scriptures. Bo presents an excellent teaching of the parallels of Old and New Testament. We see that the flood in the Old Testament is a picture of New Testament baptism. We see in the story of the bondage of God's people in Ex.1 and how the enemy tried to wipe them out but GOD sent a deliverer just as He did in the NT. We saw how the Psalms are pictures of spiritual warfare. All day long, demons say, "Where is your God?" But Jesus has said that He would never leave or forsake you. Obedient living threatens satan. Mass deliverance follows.

10LHDVD12-5 – Jean Fisher – BE STILL AND KNOW GOD – There is no excuse for fear. Ps 46:10 “Be still and know that I am God.” When we know Him, we’ll know that we can trust Him in any and all situations. We must make an effort to be in His presence. 2 Cor. 3:18 - As we behold Him, we are changed into His image, from glory to glory. We will find out who we are, in the presence of God. He wants to make our souls peaceful. The world bombards us with noise. We have to come to the place where that noise does not disturb us. We are the temple of God. Is there noise and confusion in the temple? Should it not be a holy house of prayer? We must learn to be like Mary. She chose to be still at Jesus’ feet. Martha, on the other hand, “was cumbered with much serving” – Lk 10:40 . We must choose to be still and listen. We must also be willing to do what we hear Him say. The message ends with a ‘quiet time’ to practice what had just been taught.

10LHDVD12-6 – Bo Fisher – WHO’S IN CHARGE, YOU OR THE DEVIL? - There is no comparison between the light that came on when you were born again, and the light that is seen after you’ve come to really know the Lord. When we fall in love with the Living Word, our lives will progressively change. Ps 149:1 - Then the strongholds in your life will begin to be broken and the light in us begins to be light to others. For what reason was the Son of God manifest? So, we must carry on Jesus’ ministry – continue to do what He began. Lk 9:1 & Lk 10:1,2 Do you see yourself with the authority over demonic forces. Pray violently - give the enemy both barrels and don’t give up until the battle is won. Bo gives several more scriptures describing the weapons of our warfare as well as the armor. Take your thoughts captive to the obedience of Christ – believe what He says! Deliverance prayers follow.

10LHDVD12-9 – Bo Fisher – PUT ON THE WHOLE ARMOR OF GOD – Eph 6:10–14 “Be strong in the power of HIS might.” Four times in the next four verses, we’re told to stand or withstand. We’re to wear the belt of truth! What is that truth? What Jesus says ... God’s word is truth. Jn 8:32, 40 The devil speaks lies, John 8:44. Jesus came to undo the works of the devil! Did He fail? NO! So what are we to be doing? We must be walking in the provision that Jesus gave to us. We are citizens of light - of life. We should be shining forth the light given to us. This teaching is packed with much more than listed here about the rest of the armor. Good teaching. Prayer follows.

11LHDVD5-1 – Bo Fisher - THE UNSEARCHABLE RICHES OF CHRIST - Bo says most of our Christian life should be outreach – study, then go out and set others free. Heb 8:6 says we have obtained a more excellent ministry – the good news is that we have better promises in the new covenant and they have been made ours! Which ones have we not received? Sometimes we must suffer in our receiving but we know that Jesus was made perfect by the things He suffered - Heb 5:8. It’s all about Jesus – He paid the price for a victorious life for us. We must walk in a manner worthy of what He has done for us – namely the vocation to which He called us – Eph 4:1. Bo then prayed the prayer of Paul in Eph 1 for us.

11LHDVD5-3 – Jean Fisher - THE WEAPONS OF OUR WARFARE - We do not war after the flesh. 1 Cor. 2:12, says that we have not received the spirit of the world but the spirit which is of God. In 2 Cor. 10 we read that the weapons of our warfare are mighty through God to the pulling down of strongholds. We can correctly surmise that if we’ve been given weapons, we have a battle to fight. We must not be limited by our minds but know that these are God-given weapons – fully capable of gaining the victory. Stop depending on your friends or family or your own understanding - which becomes a stronghold of wrong thinking - to do the fighting. The Bible talks much about wisdom – the wisdom of God – which gives right knowledge on how to handle our battles. There are many scripture references given. Prayer follows.

11LHDVD5-4 - Bo Fisher – THE LORD IS WITH YOU - Eph 1:3 tells us that we’ve been blessed with all spiritual blessings in Jesus Christ by God! We have been given dominion – seated with Jesus in heavenly places. We were dead in trespasses and sin - but not any more! Eph 2:10 says we are His (God’s) workmanship, created in Christ Jesus unto or for good works. We are brought near to God by the blood of Jesus. The wall of separation has been broken down. Eph. 2:19 - We have been made one new man –with

Him and with others – fellow citizens with the saints. As we believe the truth of God's Word, we will attain what has been supplied. Make right choices and see God's work manifest in our lives.

11LHDVD5-8 – Bo Fisher – YOU HAVE GOD FAVOR, APPROVAL AND POWER - Bo tells the story of David and Jonathon becoming good friends - 1 Sam. 18:1-3 – best friends who believed in their God. There was a covenant made between their households and even after the death of Jonathan, David continued to honor that covenant resulting in Jonathan's son, Ziba receiving the benefit. We also saw where Abraham's descendants were blessed because of the covenant he had with God. We attained the promises of the new covenant when Jesus rose from the grave under the law of the spirit of life in Christ Jesus. Forgiveness is a requirement. In Lk. 15, we see an example of that in the story of the prodigal son. God has made a way, so we need to walk in the light of that. Deliverance prayer follows.

11DELTRDVD-3 - Bo Fisher - JESUS IS THE PERFECT ROLE MODEL FOR YOU - Why do we do deliverance? The 12 did. The 70 did. Jesus expects us to do deliverance. But if an afflicted person is not set free - whose fault is it? The battle is between the deliverance minister and the devil. Jesus taught us that two things hinder the power of God. 1) He said, "That kind comes out by prayer and fasting." 2) The disciple's unbelief. Keep the gospel simple and demonstrate the Sovereignty of God.

12DELTRDVD-4 - Bo Fisher - SOME NEW COVENANT THOUGHTS - We are to keep the unity of the Spirit even though we have divergent views on things. Bo tells about a group of preachers in his city. Although they are from different denominations, they agree on God to be in their city, schools and churches. It is important that we do not isolate ourselves. Many have a zeal for the Lord. Each has a different tool in God's hand. Get the Church outside of the walls of the church. We have the light of Jesus in us. Let it shine. The holy seed, Jesus, is planted in us to bear the fruit of the Spirit. Demons can hinder growth, so we need these out. The New Covenant is when this prophecy is fulfilled. Jesus says the New Covenant is to Israel and Judah and us today. We are descendants of Abraham by faith. The old was not perfect so the new has come. Jesus is the perfect sacrifice for sins. He did away with the first sacrifices and replaced all that by His sacrifice. By accomplishing that He allows us to go face to face with God. Our sins and iniquities are remembered no more. The body and blood of Jesus brought in the New Covenant. We had nothing to do with it but we benefit from what He did. It is a miracle. In Christ we are a new creation. We have peace with God.

12DELTRDVD-5 - Jean Fisher - THE POWER OF GIVING THANKS - Jean shares how she grew up in church and had a good upbringing, but she was not thankful. Not being thankful cuts you off from God and opens you up to many wrong things, such as a dark and hard heart. You will do strange, ungodly things. Giving thanks is a choice. Gratefulness makes it possible for us to grow in God. Give thanks in all circumstances. God sees eternally. When I am giving thanks, I am saying I trust God. It breaks self-pity and other such negative thought patterns. In this world we will have tribulation, but Jesus says, "I have overcome the world". When we praise Him we are complete. We are created for relationship with Him. When the Israelites came out of Egypt they were never thankful or content. King David gave a good example of a thankful heart. Jesus gave thanks after breaking the bread and passing out the cup. Paul gave thanks as he broke bread on the sinking ship. We are to give thanks as we are going through trials and tribulation. Of the ten lepers Jesus healed, only one turned back to thank Him for what He had done. Giving thanks is a mighty witness to the world. We cannot receive more from Jesus until we are really thankful from our heart for where we are right now. Deliverance prayers follow this teaching.

14LCDVD2-2 - Jean Fisher - MY COVENANT OF LOVE - God instituted marriage so we can understand the eternal relationship we have with Him. Marriage is supposed to be an object lesson on the faithfulness of God...on the commitment that God makes to us who are His. He enters into covenant with us when we are born again. A covenant is a sworn commitment of unbroken relationship joining two parties as one. We can wholly put our trust in and base our life on this covenant with Jesus our Christ. Mental assent is different from the Amen, the belief that turns our life upside down. God cut a covenant with Abraham as

soon as Abraham believed and shed the blood of sacrifice. God and Abraham were in an inseparable partnership for all eternity. When you are in covenant with someone, everything one has in this life is available to the other on demand. Sadly, this generation has defiled the image of God in the land ... the concept of an unbroken covenant relationship is incomprehensible to them. Renounce, rebuke and get free of every evil spirit operating in your life that prevents you from entering into God's Covenant of Love. Deliverance prayers follow this teaching.

14LCDVD2-6 - Jean Fisher – TRANSFERENCE OF SPIRITS - Mark 15:6 Pilot knew Jesus was innocent. He perceived it was for envy the Jews wanted to crucify Him. The chief priests stirred up the crowd, but there was more at work there, some evil spirit was being transferred among them. God wants His spirit in you to be in control of your environment, your spiritual atmosphere. We are to spread His fragrance wherever we go. We need to understand our influence as Christians and we need to use it wherever we go. God has put gifts and talents in each of us for His glory and honor. We have "clumped" up in church where it's safe, but we need to get out there. The time for being dull is over. Discernment of spirits is being aware of what is going on in the spiritual realm. Cry out for discernment and lift up your voice for understanding. God has treasures of wisdom and discernment for us. The keys of the kingdom will not be turned by careless hands. We must have discernment to be in touch with our own spirit and transfer a godly spirit. To be able to reach those who are lost in sin we have to be fearless and very sure we are hearing the right voices. When we are sure of our authority we can walk as salt and light in this world. Deliverance prayers follow this teaching.

CARL FOX

08LHDVD11-1A & 1B – Carl Fox – THE CURSE OF POVERTY – The curse of poverty is clearly laid out in Malachi 3:6-12. You are never going to love God until you give Him your tithes **and** offerings with love. Changes are coming. We are facing financial times like never before. It is time to really learn what it means to trust God and His Word. It works! Believe it and obey it! Many other nuggets are presented in this message that will help equip the saints of God for the days ahead. When you work for Jesus and don't care what people say and just do what Jesus says, God gets His work done. Individual ministry follows the conclusion of this teaching.

08LHDVD11-4A & 4B – Carl Fox – TIME TO DRAW NEAR TO GOD – We don't know what tomorrow is going to bring but if we draw near to God, it won't matter. Pressure sometimes can be a real blessing. Carl talks quite a bit about boldness. It's the blood of Jesus that gives us boldness to draw nigh unto Him. Get bold now! Jesus' blood gives you access to the throne room of God for what you need. He shares how God opened the doors in Romania for him to minister to the Gypsies, and they in turn will reach people all over the world. Concerning tithing, if your excuse is that you don't have enough to go around, why not go ahead and give God what is His. Prayer concludes this service.

09LHDVD12-1 - Carl Fox – FAITH - 1 Cor. 13: 13 "Now abideth faith" - Carl says faith and love cannot be separated. The heart of faith is relationship with Jesus. Our Father says He will never leave you or forsake you and that means He is with you in the midst of the problems we are facing. Our problems are not bigger than Jesus! Praise and worship is about how you live - how you handle your life. Unbelief is a demon. Let's get rid of it and trust God!

09LHDVD12-4 - Carl Fox - FAITH OF JESUS - Deut. 28:1 We must diligently hearken - make the choice to obey God. He delivers us from this present evil world. What you hang out with will leave it's odor on you. The world affects us. Know the Word of God. He honors it. The Word has life. Having Jesus fully living in our lives makes the difference. Just start doing what He's telling you and as you believe and obey, He'll be faithful to continue to guide you. Gal 2:16 says we must have the faith of Jesus.

Vs. 19 says we are crucified with Christ we live by the faith of Jesus. We obey Him because we love Him!

09LHDVD12-9 - Carl Fox - INHERITED CURSES - Gal. 3:13 is taken out of context to teach that Christians cannot have demons. Curses and soul ties are legal means that can take you away from the fear of God that causes you to depart from evil. Prov. 16:1 Curses come when there is a cause. Take away the cause by repentance and the curse can be broken. However if the door remains, the demon spirits will enter.

09LHDVD12-16 - Carl Fox - GOD WILL MAKE A WAY - Our words may come and go but you can depend on God's words. Eph 4:30 says we are sealed by the Holy Spirit. It is not our job to convince those in deception - just love them and tell them what God says. His Word makes you wise. Carl tells us of how, in Romania, where it is so cold, they heated the churches and as people came to get warm, they accepted Jesus. They baptized 1200 in one day. We must become familiar with what God has said and be quick to obey and He will do the rest.

JAMES GOLDEN

06LHDVD12-11 - James Golden - VICTORY IN JESUS - Brother James and Sister Murlene are missionaries from Belize who we were honored to have in this camp meeting. He said God is a "raght" now God! He gave victory to Shadrack, Paul, blind Bartemaus, the naked demon possessed man and others. James is looking forward to God doing more exploits in his life. He tells the story of his fiddle he plays that his Dad made. Then he plays and sings "Isn't it grand to be a Christian". James gives an awesome testimony of his life attesting to school, work, how he met Murlene, his lovely wife and his dreams of the mission field, how God prepared him for the ministry and other interesting experiences in Belize. James is looking forward to seeing what God is going to do. He told of God's preparation for Peter. He closes advising us that God is teaching us to be steadfast and unmoving and always abounding in His work.

09LHDVD11-4 - James Golden - TRUST THE LORD - Bro Golden says, 'Give it all you've got.' Then he sings "I Love My Jesus." In English and Spanish. Poses the question - "Who is God to you?" God melts hearts together and give you strength in that unity. He continues to build the work that He began before the world began. We hear testimony of mighty deliverance, salvation and God's provision in time of need. God promises to take care of us. Is 41:10

10LHDVD12-18 - James Golden - TESTIMONY - As is his custom, Bro Golden was a blessing even at this time when he has so very recently lost his wife of many years. He shared on their courtship and their desire to serve God on the mission field which they did for many years. We heard how they met Glen and Erma in Calif. and how an angel told him when to go to Mexico. He married Murlene in 1961 and that began a long stint on the mission field. We heard of dreams and visions; he sang songs and played his fiddle and saw. No matter, what the subject, he gave mighty praise to God. Even his description of his dear wife's home-going was uplifting. We were reminded to forget the things that are behind and reach forth unto those things that are before. Phil 3:13. There's a great day coming! Will we be found praising the LORD?

GOSPEL SOUNDS

07LHDVD9-9A & 9B - THE GOSPEL SOUNDS & GLEN MILLER TEACHING ON AMERICA - LHBC worship leader, Jane Hunt, is a member of a southern gospel quartet, The Gospel Sounds. They graciously put on a concert for us on Sunday afternoon. This was a wonderful service and a tremendous blessing to all who attended. The quartet took a break and Bro. Glen shared some of the things the Lord has shown him and history has documented concerning who America is, in relation to the Scriptures. Sing

along with them as they sing some of your favorite southern gospel songs. They conclude with the glorious, How Great Thou Art.

CHIP HILL

08LHDVD7-1 – Chip Hill – DISAPPOINTMENT – Chip begins with Pro 13:12 saying that defer means postponed, put off, delayed without explanation. When your heart gets sick it opens you up to demons. III John vs 2 goes along with this. Hope deferred can open you up to many spirits. Unbelief and hardness of heart comes out of hopelessness. Probably starts with disappointment. He gives a military example and illustration of the “arrowhead formation” as being effective for victory. And the tip of the arrowhead is disappointment causing a breach in your spirit. How do you know your hope is getting deferred (disappointed)? He gives 6 ways to know; 1. withdrawing from your walk of faith, etc. 2. Being extremely bitter, angry, and outrageous. 3. A stronghold of cold love. 4. Passing your spiritual responsibilities on to others 5. Refocusing your attention, energy, etc. on safer non-spiritual pursuits. 6. You notice a lessening resistance to sin, maybe even to demoralization. Then Chip shares 6 practical things to do to walk free of disappointment; 1. Be honest with God - Ps 142:3. You will find out about “Jawbone Heights” in a personal experience Chip shares. Not all disappointment is from the devil - some is from God, for our good. Pour out your disappointment to God. 2. Realize that when someone lets you down, their sin against you doesn’t move you from a place of significance in the Kingdom. 3. Find your voice in the Psalms (your heart’s cry) and read it until you are renewed. 4. Stay before the Lord until the peace of God that surpasses all understanding invades and gains mastery of your heart. 5. Refuse to de-value what God has already taught - he gives an example - Isa 53:10 – he believes it is not talking about spiritual healing but physical. 6. Rebuild and maintain your “solid front” – the Word of God. Chip concludes with a song about the “Solid Front”.

08LHDVD7-7 – Chip Hill – SPECIAL FORCES PEOPLE - I Sam 30:6 – David encouraged himself. We need to learn God has given us everything we need to be encouraged. Chip shares some experiences with angels which happened to some of his personal friends. Ps 103:20 - they hearken unto God’s Word. Let’s speak God’s Word and let them work God’s will in the earth. Perilous times, Heb 11:7, are here. This is where we are today. The Issachar anointing is to see the things coming; see, repent, keep struggling till freedom. Find your voice in the Psalms. To prepare your Ark, seek first the Kingdom of God. It is time to shape up and get ready. Isa 24:1-7 no one can escape the storm, it will affect everyone. In Isa 25:4 is our answer in the time of this storm. Isa 32:2 get your house in order; get ready for people in need who will be coming to you. Do whatever it takes to prepare. It is time to shape up and march for the King. You can’t be a pew sitter anymore. Ministry is in the streets, the marketplace, etc. God is ready to pour out His healing and anointing. Be prepared and ready for this exciting time. The reason some of us are frustrated is we have been in the cage too long. Get out there where the battle is with the Lion of Judah. Pray in the Spirit. Don’t sit around and pout, shake yourself. Rise up in Jesus Christ. Recognize your strength comes from Him. Take up the sword of the Spirit. You have to take it up. Eph 6. See yourself as the mighty warrior you are in Christ. Chip says he is a “Rambo for Jesus” and we need to be “Special Forces Christians”. He tells us how to build a warfare spirit: 1. Be sober, vigilant 2. Be steadfast in faith. Be encouraged, the best is yet to come. In the world it’s darker and darker but in Jesus it’s lighter and lighter. Jesus is getting ready to flex His arms. Salvation is coming!

MARY-ETTA HINKLE

09LCDVD2-3 – Mary-Etta Hinkle – IDOLATRY (Part 1) - Behind every binding in our lives is an idol. Lev 7:29 no one can give your thanks for you. Isa 57:14 it’s the little things that sink us and cause us to stumble. Mary-Etta share several idolatries that she had and explains each with testimony in her life. She says her grandmother had a “matriarchal spirit” over her family. She had to get rid of the quilt her

grandmother made to break it. Mary-ETTA's faith was tested in the midst of trials for 10 years. Jer 20:7. The second idolatry is father. Regression therapy is when you try to regress the person back to where the problem started. Just forgive your father, don't try to bring it all back. Psa 37:34a. A lesser aggressive behavior is a nice way of saying getting a little violent. The third idolatry is to pastors. You can't let your spiritual life be an idol. God doesn't want us to look to a man of God - only to Jesus. There is a fine line between control and God-given authority. Mary-ETTA shares about her schizophrenia. Jesus set her free! She closes with a song "I sat down under His Shadow".

09LCDVD2-5 – Mary-ETTA Hinkle – IDOLATRY (Part 2) - The Lord warned that Mary-ETTA's daughter had to be rescued from the violet man. Later he did kill a man. I Tim 2:15 – She and they shall be saved - if they continue-faith, love, holy living etc. Mary-ETTA shares more idolatry she had to be freed from. 1) Idolatry to children - she shares testimony of her 4 children including teen years when rebellion set in. A business opportunity she and her son were to operate for 12 years with prayer every day. Gen 3:12, 16 – the curse. Gal 3:11. Her children came against her about what she had written in her book. Isa 8:18, 54:18. Today has brought much reconciliation and blessings. 2) Idolatry to pain of motherhood – Matt 10:35-38 She shares a letter written to all her children to help them understand their mother. She told them about her psychiatric friends and how she was getting free of all this hassle and going to stay free. The Lord said, "Pain of motherhood spirit leave", and it did. But the Lord said you can't get rid of motherhood pain in this world. She shares examples.

NATHAN & JANIE HOPSON

07LCDVD2-2 – Janie Hopson - "WAR" - Janie starts this teaching giving us her acronym for war which is Waging Aggressive Resistance. She tells us God's Word is our manual to direct our lives. Her text is taken from Ephesians 6:11-18. We are waging war and must have the armor of God in place. We have identified the enemy which is not flesh and blood in Ephesians 6:12. Man's method of sinning is satan's method of winning your soul. Satan's major plan is to keep us ignorant of God's Word. Remember, if God says it is sin, it is SIN. There are two types of armor - defensive for protection and offensive to defeat the enemy. Janie explains each piece of the armor of God we must have for war. Satan wants our minds on things that feed our flesh. Do not entertain these thoughts. Food for the mind should be the Word of God. The Word of God is alive. She illustrates with personal experiences and scripture telling us what we need to be equipped for war against satan. Satan came to Jesus when He was weak but He spoke the Word of God to him - "It is written". Janie gives examples of our perception of some things from earlier life including excessive grief and anger. She concludes this excellent teaching with prayer asking the Lord to minister.

07LCDVD2-4 - Janie Hopson – "LIES, DECEPTION AND WOMEN" - Janie opens this teaching with "satan is a liar". Scripture references John 8:44 and Genesis 3. She says just as satan deceived Eve, he will deceive us. She shares there are many instances in the Word of God where women influence their men; such as Sarah, Abigail and Esther to name a few. The gift God has given us to influence others can be twisted by satan. There are no harmless lies. Satan's demonic forces want to keep us ignorant of God's Word. Low self esteem comes from the pits of hell. We see in John 3:16 and know that God loves us and does not look upon us as a worthless being; we were paid for by the blood of His Son Jesus. In looking at Eve in Genesis, she was striving for herself. But it's not all about you, it's about Jesus. Janie shares some about her childhood. She says now that we are godly women we need to be responsible for our choices. Confess sins and admit our own failures. The parable in Matthew 18 shows us that if you forgive not men their trespasses God will not forgive you – v. 35. Matthew Henry's commentary tells us a Proverbs 31 woman is like a looking glass and hopefully you will see a reflection of the Proverbs 31 woman. Janie recommends a good little book by Kathie Sistrunk, "Woman of Worth" about a Proverbs 31 woman. She gives us a simple one liner for ladies seeking out a mate: "A woman's heart should be so hidden in Christ that a man should seek Him first to find her". She gives many scripture references including I Thessalonians 5:24, Philippians 2:13 and Mark 11:22-23. Janie closes this interesting teaching, hoping God

has brought clarity to the Word. Believe it does exactly what it says it will do. The Word says whatsoever you ask you for you shall have. Recognize lies and deception have become a friend to you and you must be willing to give them up.

07LHDVD7-8 [DVD is \$8.00] – Nathan Hopson – DOING THE WORKS OF THE KINGDOM – 1 Cor 1:1-9 - Unbelief is our hindrance. God is looking for somebody to go somewhere and tell somebody about Jesus. Signs follow believers – if you aren't moving, nothing is going to follow you. He speaks on grace, truth and repentance. Repent, renounce, don't do it anymore. Vs 7 says the gifts operate until Jesus comes. In praying for healing, check for sin in self before laying hands on others. There are many good nuggets in this teaching. A prophet speaks by revelation. A preacher tells the good news. John 14:12 Truth is truth when God says it through His Word. To keep deliverance – stay up, pray up, all other ups to stay clean. Jesus wants us to bring glory to Him so He can bring glory to the Father. Understand this – He is God and you are not. Let God be God and believe He will do what He says. Act like Christian people. Jesus is the door. God is waiting for us to get alone to hear so He can tell us what to do.

07LHDVD7-12 – Nathan Hopson – DECEPTION – DOCTRINES THAT DEMONS TEACH - A teacher's work is to prepare the people to work in the ministry. Satan's plan is to take away the basics of the church. So many are religious but lost. There is a need in the church for life-changing experiences. 1 Tim 4:1 Nathan deals with some of the doctrines of demons being taught today, starting when satan told Adam – you will surely not die. When the Word, (Spirit) speaks, we need to hear. Get the Word in you. 2 Tim 2:15 The purpose of giving people knowledge is to serve. Be willing to show tough love. **Anything that takes away from the price Jesus paid is a doctrine of demons.** God demonstrated His love. Learn to discern between what truth is and what isn't. Who are the most open to a doctrine of demons? Those in rebellion! A door is open. Gal 3:1 We must learn to rightly divide the word of truth. Recognize the untruth inserted into the words of God. Read, read, read and you can recognize error or man's traditions. The deceived person has the most difficulty receiving truth. 2 Tim 3:13, imposters will grow worse and worse. 1 Tim 4:6 is an example of good doctrine followed. We have the choice to choose good over evil.

08LHDVD7-3 – Nathan Hopson – SPIRIT OF HEAVINESS – Nathan shares how in a prison ministry a spirit of heaviness is present. Weariness is always heavy to bear. Depression follows along behind. Everyday the devil wants you to believe you are a loser. If we are self-centered, the cares of this life will have us; the flesh, wallowing in our misery. Nathan says "Get over it". He shares about a spirit of lethargy in a church and a spoken spirit of weariness in a church; "I'm tired". Put a guard on your mouth and do not let it infiltrate the congregation. It gives the enemy a legal right to come in the church. How are you dealing with any of these mentioned? Know your enemy and how he works. Times of despair, discouragement, etc. come into our lives from time to time. Rebellion is running from God's will for your life; nothing works. Nathan shares about physical impairments using a personal experience about his father when he became crippled what he learned about the true values of life. His father never said a negative thing and how others might have become better by this testimony. Other causes might be finances, spiritual regression (back sliding), etc. Nathan shares Rom 8:28 and says He gives us beauty for ashes, the oil of joy for mourning. Christ in you, the hope of glory and gives personal examples of this. We have these times but do not have to stay there. He sent the Comforter and at times has us to comfort others. We need to put on the garment of praise for the spirit of heaviness. Sing "How I love Jesus" and the devil scoots. Rejoice in the Lord. Ps 149:1-9. We have the power to execute judgments on demonic forces. Bind, cast out, and rejoice in the Lord. Share the good news. God wants you strong. Jer 31:25-26, 21:3 – Submit to God. Isa 40:28 - wait on the Lord. Prayer for deliverance from discouraging spirits closes this teaching.

08LHDVD7-6 – Nathan Hopson – THE KINGDOM - The Kingdom of God (Heaven) is mentioned more in the Bible than "church". The Kingdom is within you and the King, Jesus rules within you. Being born again is in the Bible 3 times. Matt 16:13-19 - vse 19 – the key to the kingdom: – the Holy Ghost revelation that opens the door to the Kingdom; then in the Kingdom (within you). You have access to the keys of the Kingdom. Vs 17 – 1. The revelation John 16:7 telling you that you are lost so you can be born

again. 2. The rock – Luke 10:19 you have the authority to trample on the most powerful things the enemy has. 3. The result – the keys of the kingdom. I John 5:14 ask in God's will; bind and loose. Find out what God's will is in heaven. John 15:7 Abide in Jesus and know the will of God. We are joint heirs with Jesus. We have what He has. The keys of the kingdom are practical spiritual principles bringing into your life the things God has for you. Jer 29:11 God has good thoughts for us. If you are hard-headed and stubborn, Nathan says "get over it". A human body is mostly water. When an unclean spirit goes out of a man to dry places if it is allowed to return, it is looking for its own swimming pool, back to the water. Speak life not death. Get Kingdom mentality. This is what will keep us in the hard times ahead. A quote he uses says, "My God has not forgotten the recipe for Manna". God wants to work in us His Kingdom principles.

09LHDVD5-2A & 2B – Nathan Hopson – WHAT HINDERS GOD'S HEALING POWER? - Healing is your inheritance in Christ. "And they shall recover." (Mk 16:18) Everywhere Jesus went, He cast out demons and healed. When people want prayer, we don't always deal with the sin question. Nathan shares an example of a young man God sovereignly healed who went back into the world and was in worse shape than before. Healing is always miraculous but not always instantaneous. Why do some receive and others not? Do we question or trust? He is still sovereign and commissions us to do good like Jesus. **Signs follow those that believe.** Nathan gives other reasons we don't get healed: The abuse of our bodies as in eating and smoking; stress and anxiety (heart and stomach); if you worry, you die; if you don't worry you die, so why worry? Overwork – not enough rest or sleep; living in unbelief. It is hard to overcome negative teaching and negative speaking. Quit claiming you have something (sickness or disease). It is imperative we learn to control the tongue. Speak life and not death; health and not illness. Refusal to acknowledge our sin leads to rebellion. Sin leads to more sin and ends in idolatry. Unforgiveness is a main root. Anger and hatred against people who have hurt you; low self esteem. It is hard to get healed with all this junk in you. Face the issues. Repent of all known sins, confess unknown sins. After dealing with these, healing and (I Jn 1:8-9) deliverance can be received. Christians, as a rule, do not really believe the Word of God. Prayer for healing follows.

09LHDVD5-10A & 10B – Nathan Hopson – RECOGNIZING RELIGIOUS SPIRITS - The word "religion" is used 5 times in the NT; Acts 25:19, 26:5, Col 2:23, Jam 1:26, 27. Nathan shares a little on church history starting with Cain and Abel. Traditions overshadow God's commandments. "Let the wild fires alone, there are always enough blankets to put them out." It is better than no fire. I Cor. 8:9, 10 several modern traditions are described from their beginning. I Cor. 10:14 avoid idolatry, anything between you and God. Demons seek to deceive believers. Doctrines not true to God's Word are doctrines of demons. Vs. 33 - Ask God to reveal any religious spirits operating in your life. Seducing spirits are coming into churches today. Men would rather be right than righteous. Nathan shares individual aspects of religious spirits; the spirit of Cain – Gen. 4:1-15 - lying, under a curse - rebellion; the spirit of Korah – Num 16:1-50 – jealousy - would not come under authority; the spirit of Jezebel – I Kings 19:2 - manipulation, witchcraft, etc.; the spirit of Eli – compromise, did not call sin what it is; the spirit of Diotrephes – III John 9, 10 – pride, critical of those in leadership, egotistical, controlling, unteachable. Others mentioned were Saul, Alexander, Ananias and Sapphira, Absalom, and Ahab. It is imperative we get free of deception. Nathan closes with corporate deliverance prayers.

09LHDVD7-4A & 4B – Nathan Hopson – SCRUBBED BY THE WORD – Are we really ready to meet our Lord? Our greatest enemy is our flesh and the demons play havoc with that flesh. What has become of integrity and Christ-like character? God's people are full of fear. Where has our trust in God gone? Are we trusting instead in guns and extra food supplies or a hiding place? 1st Peter 4:17-19 tells us that repentance must begin at the house of God. Witchcraft is by intellectual means. God equips by 5-fold ministry. 1st Jn 1:8,9 tells us that if we repent, God is faithful and just to cleanse us from our sin and cleanse us from all unrighteousness. We are already seated with Him in heavenly places. We need to live like that is true. God takes sin seriously and so must we. There will come a time when there is no more grace. Rev 22:14,15. Ezek 3:17 and 33:7 is a call to be a watchman on the wall. 2 Cor 13:5 says, Examine yourselves as to whether you are in the faith. Prove yourselves. Jesus is coming soon.

09LHDVD7-6 – Nathan Hopson – AUTHORITY – SUBMISSION – In this message we're taught the importance of submission. We're told how being placed in a particular denomination taught the necessity of honoring God-given authority. There seems to be little respect for the pastors today, thanks to the Jezebel spirit. God's word is clear. Heb 13:17 says, "Obey those that rule over you." Eph. 4: 11-16 tells us that the 5 Fold ministry has been given for the building of the church of which we are a part. 1Sam 15:22-23 tells us that Saul lost the anointing because of disobedience, even though he remained king. David, on the other hand, honored Saul's position even though he had lost God's anointing. Submission qualifies you to be in authority. If you are not in submission, you will not have authority and you may be marked by the enemy. Preparation for leadership includes 2Tim. 2:15 - Study to show yourself approved - learn what your gifts and callings include and where you belong 1st Cor. 1:11-13. Bloom where you are planted!

09LHDVD7-12 – Nathan Hopson – SO YOU WANT TO CAST OUT DEMONS – Why do we want to cast out demons? All major revivals lasted 5-6 years except the Argentine revival which lasted 18, and it started with casting out demons. Right reasons: 1) Jesus said to do it, 2) love of God shed abroad in our hearts, Rom 5:5, 3) you want to see people set free. Wrong reasons: 1) thrill of supernatural, 2) personal glory. The teaching goes on to tell us how to do deliverance as well as how not to. He then gives some practical suggestions on praying for deliverance as well as pointers on staying free.

CLEMENT HUMBARD

07LHDVD4-8 – Clement Humbard – CHRIST IS RESURRECTION – Clement fires off Scriptures like a rapid-fire machine gun with pin point accuracy, exposing wrong beliefs held by the church. Fear of touching something God has forbidden has held the church back from walking in the realm God provided. Luke 12 ... "for it is your Father's good pleasure to give you the kingdom." Can we then say, "Mine is the kingdom?" - "Mine is the power?" – Acts 1:8 "Mine is the glory?" God will not share His glory with heathens but His glory is risen upon me. The answer is yes, Lord, yes, Lord, yes, yes Lord! This is a powerful message for the church today to walk in victory. The final question is "who have you been mistaken for lately, Jesus or satan?"

07LHDVD7-9A & 9B – Clement Humbard – GOD'S GLORY OR YOUR GLORY – Who is in white robes and where did they come from? This message will fire you up to become an overcomer. Bro. Humbard starts by saying, "Believers – look up!" He says Rom 8:19 is to be our constitution. We are to believe, practices the Word, and spread the gospel. God has a new step of faith for each one. We need to get off the merry-go-round of two or three Scriptures and get on the white horse of the Holy Spirit in Revelation. Jesus is the Son of God. We are sons. Rom 8:14-18 & Gal 1:15. God needs some minute men for our days. Be ready or get run over! If you are self-centered you are not Christ-centered. You may need to fast – even a forced fast will not hurt you. Jesus is the heir, we are joint heirs with Him. Let go and let God have His way. In this last day all will be fulfilled. From the time of Moses at the burning bush – Jesus name is still **I AM**. You will get a glimpse of the Glory of God and that He desires that glory to abide in us as Bro. Humbard shares this message.

07LHDVD9-8 – Clement Humbard – THE BRANCH – Jesus is the King of Kings and Lord of Lords. A King who is soon coming. He was, is, and going to be! (Zech 2:10) Immanuel means, God's dwelling. We need an honest mind, open heart, and a willing spirit. Speaking of the gospel of glory, Clement says Jesus builds His house. There is the water, milk and meat of the Word and something beyond the church. He believes the church age, as we have known it, is over. We are in an overlap of time. God has all kinds of people and we are not all of it. (Isa 60:1-2) He will not share His glory with idols. He challenges us to get full of the joy of the Lord. Where the Spirit of the Lord is, there is liberty for the Glory to be revealed and manifested through. Keep seeking God and avoid religion as such, and the Glory of the Lord will cover the earth.

07LHDVD11-8 – Clement Humbard – WHO GOD IS – Bro. Clement begins this service leading the congregation in a prayer of salvation for anyone who has never accepted Jesus as their Saviour. He then shares personal experiences of God's healing and miracles. He encourages the listener to not live at the "medical shrine" – that they can live prescription free. Rom 8:11, "But if the Spirit of Him that raised up Jesus from the dead dwell in you, He that raised up Christ from the dead shall also quicken your mortal bodies by His Spirit that dwelleth in you." The faith that saves you is the same faith that heals you. Christianity is a miracle religion. He reminds us that the Kingdom of God is righteousness, peace and joy in the Holy Ghost. More people were destroyed in the wilderness for their murmuring than those worshipping the golden calf. How long has it been since someone recognized Jesus in you when you were under dark circumstances. Miracles should be the norm – not the exception.

07LHDVD12-8 – Clement Humbard – WHAT IS MAN? - Clement begins by reading I Cor the 12th chapter and 13:1&2. This teaching goes through these scriptures. Heb 2:9 quotes the Ps 8:5. He exalts Jesus and starts out with an exercise of putting sin, fear, poverty, the old man, sickness, disease and the devil under foot. Clement explains when the time will be that Jesus will come back. The most real person on earth is the Lord Jesus Christ. Most of I Cor chapter 2 tells us we know absolutely nothing except what the Holy Spirit in you reveals to you. In the text in I Cor, Clement calls attention to 3 things; vs. 4 - Gifts of the Holy Spirit, vs. 5 – Administrations of the Lord – 5 fold and vs. 6 – Operations of miracles of God. God can work through any of these or none of these. God is never doing just one thing. What you may think you do something for may not be His purpose for having you do it. We must remain a servant. It takes the Spirit of God to perform miracles as Isaiah 11 tells us. These signs shall, shall, shall follow..... The 7 Spirits mentioned in I Cor 12 are wisdom, understanding, counsel, might, knowledge, faith and love. They are mentioned in Rev 1:4-7, 3:1, 4:5 and 5:6. These 7 fold spirits bestow the 9 gifts of the Spirit. In conclusion, Clement gives us many confirmations in Acts showing that the Holy Spirit is not limited to speaking in tongues only. We need to get so much of God our sickness and unbelief are crowded out. Waiting upon the Lord or "praying through" as the old timers called is something we should all do. Clement closed with prayer for a continual filling in the Holy Spirit on this day.

08LHDVD3-5 - Clement Humbard – THE DEATH OF DEATH! - Clement begins by saying that when you enter a house you can feel either the peace of God or demonic power. He gives a personal testimony about his nephew and other family members. Forget your calendar age if you are a believer. When someone asks how old you are, say you are "forever young". In heaven you will sing. God created the world singing. In Revelation it tells us death shall be no more. God created man to live not to die. We were made a little lower than God. I Thess 5:23 – we are not 3. We are one person. The joy of the Lord is different than happiness. It is on the inside but happiness is on the outside. Ps 84:11 – it is the age of grace and glory. John 17:22 is the true Lord's prayer (5 prayers for oneness). Jesus is praying for oneness not unity. Oneness with Christ. The first enemy is sin. II Corinthians 5:21. You will hear about "Fido". The Bible is the book of miracles. 1. Believe in the virgin birth 2. Believe in the bodily resurrection of Jesus Christ. There is only 1 faith and it is inspired for what you need. We must put sin under foot; sickness, disease, demon power, fear, the old nature, poverty and the last enemy to be destroyed is death. Man started dying from the beginning. Eating pork won't keep you out of heaven just get you there a little faster. When God said it, just believe it. Zip your mouth and talk to God! II Tim 1:9-10 - death is already defeated and already abolished. Christians never die; there has already been the death of deaths in Christ. Phil 3:10, 11 – resurrection of the believer. Peter had 3 calls, 3 denials and 3 confirmations. Christ abolished death. Heb 2:14,15 - death is not of God - it is of satan. II Pet 1:4 - all promises of God are for us. Col 1:27 – Christ in you the hope of glory. Every promise in God's Word is conditional. Without faith it is impossible to please God. We must seek Him. In closing Clement says read Heb 10:12, 13 – When is Christ coming back? Vs 13 – when all enemies are underfoot!

08LHDVD5-5 – Clement Humbard – PROPHECY – THE PRAISE OF HIS GLORY - This generation is destined to know the Lord Jesus more than any other generation that has ever lived. Clement gives history of the great move of God that began in Great Britain over a hundred years ago. He tells the prophetic word that was given in Whittington Park in Hot Springs, AR, Malvern, AR, and California in 1914. Adhere to 1 Cor 14. Acts 2:17 and Joel 2:28 are prophetic words the Lord has given. You do not join

the family of God, you are born into it. The church is not a building where you teach the way to 'mix manna', etc. We are trying to get the church straightened out when it isn't even what the Lord said to do. Eph 4 tells us to equip the saints which should be why we are here. Eph is a book of heavenly things. No person can seek God unless God's Spirit first seeks them. You cannot get right with God on your own terms. You will obey God when He calls you or you will die. There are no dead saints. There are living saints. In Eph 1:15 Paul gives us 7 things we need: wisdom, understanding, council, might, knowledge, faith and love. We are to be the praise of God's Glory. This is the call. Clement shares many scriptures which tell us of the "praise of God's Glory" explaining what they mean. Satan always uses 3 things: the lust of the eyes, lust of the flesh and the pride of life. Clement explains, in modern day terms, the stories of how these three things were used in the Garden of Eden, with David and Bathsheba, and with Ahab and Jezebel. We are not to lay up treasures on earth. They do not pull a U-Haul trailer behind a hearse. Heb 3:1-6 says we are members of a house ... not just to be a church as we are the called out ones. The purpose is manifold; God's purpose. We are the praise of His Glory means we are to be the praise of His Glory - a super imposition of time, space, place and order. We, in the Shekinah Glory are unlimited in this. Clement shares many more scriptures on the Glory. We should not be called the glorious church but the church of Glory. Clement closes with a prayer asking "may a greater voice than man's be heard" and to cleanse us from the lust of the eyes, pride of life and lust of the flesh.

08LHDVD7-11A & 11B – Clement Humbard – SHORT OF THE GLORY - Six times in the Bible it tells us Jesus looked up when He prayed. Rom 3:23 thank God we know Him that knew no sin. SIN is disobedience to God. Prayer is a two-way conversation with the Lord. There are sins of commission, sins of omission, sins of disposition, mental sins, sins of attitude, emotional sins, etc. It is said that 34% to 40% of ministers are bound by pornography. The blood of Jesus cleanses me from all sin. The angels are weeping during this church age. Ps 84:11 this is the age of grace and glory. In Luke 24:44 Christ is what the whole Bible is centered around. Sin takes you farther than you want to go, keeps you longer than you want to stay and makes you pay more than you want to pay. Clement gives examples. He tells us the hardest thing to do is to correct spiritual error. The devil should not be chasing us, we should be chasing him. No man can come to God unless God calls Him. It is God's intention we have the glory. We are in end times. Quit eating yesterday's manna. The Gospel of Glory is taught in the New Testament. Rom 1:17 God reveals himself by natural creation, vs. 21 - know God by the things He created. Vs. 23, 24 – God gave them up because they changed the glory. He couldn't reach them – a reprobate mind. The difference is not in who God is but what God does. Revelation of God is progressive. It is for you. Don't share your divine revelation from God with every Tom, Dick and Harry. True revelation from God lifts you to a higher plain. If you refuse revelation of God you start forming your own God. The things of God are not for information they are for formation. Clement shares seven redemptive compound names of God; provider, healer, banner of love, peace, righteousness, shepherd and the Lord is present with scriptures and proper Hebrew names. The Glory shall be revealed to us, in us and through us. God is the Father of Glory. He shares scriptures on the Gospel of Glory. Clement shares many scriptures for the doubters and closes with prayer thanking God for the revelation.

08LHDVD9-8 – Clement Humbard – THE NAME AND THE GLORY - Clement begins with John 16:12-13 - there is a progressive revelation of the Lord to the human mind, soul and spirit. The primary revelation of God to a human being is who God is in His divine glory. Believe God for everything. That is our trouble, we cannot believe God completely. The text of this teaching is John 17. Your life should be pursuit after God every day. The revelation of God is always progressive - first who He is and then what He does. Realize who you are in Christ so the progressive revelation is more and more and more. Clement says John 17 is truly the Lord's prayer. He tells us we should learn to look up when we pray. If God's Spirit is speaking to us it is immediate. We need to be a minute man or a minute woman. We sorrow like those with no hope. You can't give someone something that you don't have. Prepare the way of the Lord and walk close to Jesus. Gal 1:15-17 Paul tells why God call him. John 17:4-5 Jesus is praying to God. Clement says the word "skin" in Hebrew is the same as light. Adam and Eve were clothed with the Shekinah Glory. Verse 6 – the mission of Jesus is to reveal the Name to men. Where God comes down is where His name is

recorded. You will begin to see the truth of the "I AM" revelation. If you don't confess it you'll never be it. Learn how to use the name "I AM". Ps 104:9 I AM prayer. It pleases God for His little children to become like Him. Eph 2:19 you are of God's household. There is a Gospel of Glory, Father of Glory, etc. I Peter 2:4, 5you are a spiritual house. Eph says 4 times we are the praise of His Glory; according to His time, His place and His order. God is not through with this world yet, we are to be metamorphisized into likeness of Jesus. Heb 12:1, II Cor 3:18. Clement closes with prayer.

08LHDVD11-2 – Clement Humbard – WHO KNOWETH THE SPIRIT OF GOD? – The core of this message is really concerning joy. Press in to Christ, get in the Spirit and the Word, get out of yourself and into God and you can rejoice in hard times, too. It does not make you a hypocrite to express praise and joy when things are hard. If we don't serve the Lord with joy and gladness we will serve our enemies (which are God's enemies) - sin, sickness, disease, death, demon power, fear and poverty. If you walk, talk and act like an invalid, that's what you are. If you walk, talk and act in joy, it will solve many a problem for you and the need for healing and deliverance will be less. Bottom line – serve God with joy or serve your enemies!

10LHDVD11-2 – Clement Humbard – SEVEN-FOLD SPIRIT AND GIFTS - Isaiah 11, Rev 3 talk about the spirits of God. 1 Cor 12:6 says there are diversities of operations, but it is the same God which worketh all in all – God the Father, God the Son and God the Holy Ghost. - Christ in you, the hope of glory. We heard that our relationship with God is to be a divine romance. Love Him with all our being! We want Him more than anything else. The giftings of the Holy Spirit must operate in love – divine love! We are given many, many scripture references. The church age is over and we are in transition which will require the glory of the Lord.

10LHDVD12-8 – Clement Humbard – I AM BECAUSE HE IS – These signs shall follow believers - cast out demons, speak with new tongues, dominion over the natural laws, animal kingdom, etc. - if we drink deadly thing, it will not hurt us, lay hands on the sick. Speak the promises of God. There is a place in God where we have no enemies. It is their problem. God is love and as He is in this world, so we can be 1 Jn 4:17. "Great peace, have they which love thy law and nothing shall offend them." Ps 119:165. We are partakers of the divine nature of God. There is much more to be heard on this teaching with many references and many personal examples and testimonies.

JANE HUNT

11LCDVD2-3 – Jane Hunt – SOUL TIES - Ps 23:3 "He restoreth my soul." The Word says we are created in the image of God. When we are born again, the battle is on. Paul said that he died daily. The flesh screams loud and clear and receives its instruction from the soul. We must not let it rule. Whatever we feed, grows - and what you starve, dies. Soul ties bind together for a purpose. Unholy soul ties keeps us from the things of God. We can have unholy ties with people, organizations, animals, etc. We can also have good soul ties with friends, spouses, family, etc. They can be physical, mental or spiritual. Jane gave us a list of ways to break unholy soul ties. Deliverance prayers follow. The DVD of this service has low volume at the beginning but picks up shortly after she starts.

13LHDVD12-9 - Jane Hunt - REVIVAL TIMES - The Body of Christ means "the called out ones"...the ones who answer to a different government. Have you ever wondered what happened between the time of the apostles, the early church and now? Every wave of spiritual blessing seems to have a spiritual renewal in the generation in which it operates. God wants us to recover spiritual truths that He has for us...to bring His people into alignment with His Spirit and His Word. Jane tells us how the Church developed from its very beginning through the 4th century when Constantine put an end to the persecution of Christians, on through the Middle Ages and the following centuries to the present day Church in America. Whenever people prayed, spontaneous revival would come and sweep the entire nation. It took the spirit, fire and

finger of God to bring revival...Holy Spirit electrified them with His Presence. Today in America God is trying to get the Church to wake up, but it has rolled over and gone back to sleep. If we had as much praying as we have preaching, revival would come and people would make Jesus Lord, be baptized in water and the Holy Spirit. Our desire should be for God to send His fire and move in us and bring revival to our land.

14LHDVD12-6A & 6B - Jane Hunt - UNITY IN THE CHURCH - Without unity nothing will go right in our lives. In the church, praise brings us into unity as we enter into the presence of God. As we praise the Lord, a level of worship comes and the glory of the Lord is revealed. Then we are bound together in unity. Praise is an instrument of harvest and is the voice of victory. Praise creates an atmosphere where miracles occur. It ushers in the anointing which will break every yoke. Praise is celebration. Praise is also warfare. It changes the atmosphere of any bad situation. Praise will still the avenger. Our focus needs to shift up into the heavenlies, not on the situation at hand. With our will we choose if we are going to be involved in praising our God. When we reach the place of worship, God's people are beyond help because they are so caught up into the presence of God. Worship is like the anointing oil in the Old Testament. In praise we focus on what God does, and in worship we focus on who He is. Sadly, refusing to forgive offenses blocks unity, and that will prevent the anointing from flowing in our lives and our services. Blessed are the peacemakers, not the troublemakers. Deliverance prayers follow this teaching.

VANN & SANDY HUTCHINSON

15LHDVD5-4 - Sandy Hutchinson - HEALED OF ASTHMA, ALLERGIES & COPD - Sandy tells how God healed her of debilitating diseases. God changed the way she thought about her health. We are to quit having faith in our sickness so we can have faith in what God says about our health. There are many ways to be healed. One way is through the gift of healing. Some people get healed instantly that way. They need to learn how to keep that healing. Another way to get healed is through a word of knowledge and it can also come through deliverance. "Through seed time and harvest" is another way to release God's power working in you. Also, we have to change the way we pray over our food, because we are eating food out of cursed ground. Read Exodus 23:25, Psalm 103:5, Mark 16:18. God gave her a deeper revelation about how she was putting word curses on herself. Angels and demons also hearken to our words. What we decree with our words will be established. Relationships have to be made right by forgiving one another. And certainly you cannot expect God to heal you if you are carrying around hidden sins. Believe what God says in Exodus 15:26. Diligently hearken to God...no disease. That's what the Word says. Deliverance prayers follow this teaching.

15LHDVD5-5 - Vann Hutchinson - STRESS - THE ROOT OF MANY DISEASES - Everybody who comes into the Kingdom of God is a soldier, but not every soldier is a warrior. We are on a "seek and destroy" mission...the "mop up" stage for the King of Glory. If you read the Word you know the promises of God. The condition to receive those promises is to be willfully obedient. The law of sowing and reaping is the major way God moves. Spiritual laws govern sowing and reaping. 1) Sow in the flesh and you will get sickness, poverty, destruction, and dissatisfaction, 2) The seeds you sow determine the fruit you will pick, 3) Everything you do is sowing in one kingdom or another, 4) You cannot take a day off from the battle because demons never stop trying to destroy you, 4) That which is insufficient for man can be multiplied into abundance by God, 5) Seeds must be sown in the right season. Do not wait until it is too late, 6) Keep your enthusiasm and do not allow yourself to grow passive in this fight. Do not give up before the victory comes. If we sow in the flesh will reap wrong emotions. Fear, anxiety, depression, malice, bitterness, anger and strife will cause stress in our body and soul. Stress is the root of many horrible diseases named here. Deliverance prayers follow this teaching.

08LHDVD9-2 – Toby & Gisela Huyssen – WE CAN MAKE A DIFFERENCE - Gisela, and her son, Toby, are missionaries to the Philippines, Asia and Germany. Toby gives testimonies first of his father as a missionary willing to lay down his life for the Lord. He was a man who did what God told him to do. Hab 1:5; it's about God. He explains how the Bethesda Home for unwed mothers was started in the Philippines and gives testimony where shame was replaced with Jesus. His father passed away in 1994. The family felt they needed to go on with the ministry their father had started in the Philippines. Toby shows a short footage about Germany. Three and a half years ago God called Gisela back to Germany to the town where she grew up as a child. Gisela gives testimony of how her family members from childhood, one by one, came to Jesus and a new ministry has started there. God changed Gisela and brought her out of her comfort zone. She tells of a vision she had. Gisela shares that we need to share what the Lord has done in our lives not just preach. Jesus wants our obedience to Him. Then Toby shares about the store front church right downtown in a small town in Germany. He says we must get out of the boat as Peter, who was actually walking on the Word of God, when he walked on the water. We make excuses instead of walking on the Word of God. He tells us I Tim 4:12 is a verse for everybody. Timothy's excuse was because he was young. Don't worry about your excuse, be an example in speech, life, love, faith and purity. One person can make a difference. It is not us but it is God. Toby says without the arm how could the hand reach; without the leg how could the foot go? We are to be in unity. He speaks of the Springs of Living Waters which is a children's ministry built right beside the Bethesda Home. God does the work and it just spreads in the Philippines. Three hundred churches planted in three years through their team. They want to reach all the people in the Philippines for Jesus. They are now branching into Southeast Asia and Africa, Vietnam and South Korea. They are training 3,100 ministers to be ready to go. You cannot limit God only blindly follow Him. Toby closes with a story of how one person who wanted to be used by Jesus becomes unified with many in the body of Christ.

CHARLES JENNINGS

08LHDVD12-4 – Charles Jennings – REVIVAL - If we don't learn from the past, we are doomed in the future. The church Jesus is building is a living body. The cross is the central point of all history. God had a plan in the beginning and it is still going forth today. Brother Charles shares his testimony of being born again and receiving the Baptism of the Holy Ghost. Psalms 85:1 what is revival? He shares several definitions. We have enemies backed up by demonic spirits. Daniel 10:12 There is warfare in the heavens and in the spirit world; there is a battle for our country. In 1776 the Illuminati was organized. He shares several hymns and exposes their background as being not of God. We, in the church, are inflicted with something called ignorance. Revelation 6:15-16 – 'mountains' refer to government. We have strayed as a nation in our dress, our music, etc. He shares great revivals from the past and how they saved nations. Every revival has had its pitfalls; start in reality, ends a man made monument. He shares 17 things God gave him in 1997 that begin with "I WANT TO BE" that are coming. It is time to get right with God now before the real church is outlawed. It starts with restoration and ends with a coronation of our prophet, priest and king, Jesus.

08LHDVD12-7 – Charles Jennings – THE SINS OF THE CANAANITES - This teaching uses scriptures from Lev 18 & 20. Paul said "I have learned in whatsoever state I am in to be content". Genesis 9-1-29, Lev 18:6, Noah's nakedness was his wife. Ham took advantage of her while she and Noah were drunk. Canaan was the result. Lev 20:11 the husband is his wife's covering. Genesis 10:2-5 following Ham's descendants was a whole evil group ending in the "ites". Lev 18:1-3, 27 - Canaanites had 17 capital sins God was ready to judge. The origin of this wicked people was incest. Lev 18:30 Holiness has two sides to it; reward and judgment. Genesis 38 Judah had a Canaanite woman and 3 sons; a mix of Judahite and Canaanite. Remember Esau married a Hittite. I Kings 11:1 King Solomon married into the descendants of Canaan; the "ites". Solomon went from fame to shame. Free masonry is traced back to Solomon. Ezekiel 8:1 abominations in God's house; much sexual perversion. Money, women and power were a snare to Solomon and are a snare to many modern preachers today. Secular humanism is the religion now not Christianity. I Cor 6:15 - a warning needed to go out to today's young people is to keep your virginity. Charles discusses

some of the well know men of later years whose immorality has influenced our society today. Thank God for the leading of the Holy Ghost. A personal testimony of dying to all that had been before is shared in this teaching and Charles says thank God now he can really learn God's Word.

08LHDVD12-11 – Charles Jennings – TEN PROOFS OF THE DEITY OF JESUS - The soul is comprised of 3 things; mentality, emotions and will. The Word of God will keep you from sin or sin will keep you from the Word of God. The written Word must become the living Word. The Word has to be our life. Sin first passes our door as a stranger then enters our door as a guest and finally enthrones over us as the master. I Tim 3:16 - give us 6 things without controversy and are so obvious by the Spirit. What did God give David? He gave him ten things; a house or lineage, a horn, a root, a city, a covenant, a throne, a key, a tabernacle, a kingdom and a greater son, Jesus. This is the foundational structure of the covenant of David. The tabernacle of David will be the restoration of true biblical worship and praise. The revelation of truth has been made known already and His name is Jesus. Charles shares 10 proofs, out of the life of Jesus, that Jesus is the Son of God and explains each with a key word for each. 1. His virgin birth-key word is incarnation 2. His presentation at Jerusalem-key word is announcement 3. His water baptism-key word is anointing 4. Jesus' wilderness temptation-key word is overcoming 5. His sinless life-key word is perfection 6. His miracles-key word is approval Acts 2:22. Judge a miracle by its facts, focus and fruit. 7. His transfiguration-key word is glorification 8. His sacrificial, substitutionary death-key word is humiliation 9. His resurrection from the dead-key word is triumphant victory 10. His ascension-key word is exultation. If you have received the Baptism in the Holy Ghost it verifies Jesus ascended to the Father. He is there at the right hand of the Father making intercession for us. He closes with Col 2:10.

08LHDVD12-14 – Charles Jennings – GOD'S ULTIMATE PURPOSE - 1 Tim. 3:16 He was justified in the Spirit. All 10 proofs in His physical life involved the Holy Spirit. The Holy Spirit is Jesus Christ in Spirit form. The totality of Jesus Christ is in us by the Holy Spirit. John 15:26 Jesus says the Holy Spirit will speak of Me. The focal point of everything should be Jesus. The Spirit of God wants to commune with us. It is part of our inheritance. Charles shares 5 points of the Holy Spirit in relationship to the Word of God: inspiration – means to breath, illumination – to clarify, supply light on the Word, revelation – something only known by the unveiling of a mystery, interpretation – knowing what the original intent was, and application – how does it apply. He shares 6 areas we need to have in the revelation of God: His person, His presence, His promise, His plan, His provision and His purpose. What is the ultimate purpose of God? Ezek 36:21 – it is for His Holy name, character and nature. God owns it all by right of creation. We have 3 enemies – sin, self and the world (devil). Our biggest problem is self. Charles concludes with an admonition for the last days, the melody of “F”, a 6 word sermon: NEVER FEAR, FRET, FIGHT, FUME, FORGET and gives examples. In closing he remembers a song which says “When nothing goes my way Lord, just give me peace in my soul....”

ED JOHNSON

08DELTRDVD-5A & 5B – Ed Johnson – HOW DEMONS ENTER, WHY DEMONS LEAVE – Ed shares testimony of a young couple with 2 children who were newbies (new to deliverance). Our responsibility is to teach the newbies as we were taught. Jesus said everything I have done, you shall do. When we break God's law, we open the door for demons. The devil has the same plan he has had for thousands of years; he just uses it on different people. Ed shares personal examples to illustrate in this teaching. He gives 20 characteristics of having demons: (1) Confused or disordered thinking-losing touch with reality (2) Obsessions, uncontrollable urges (3) Inability to cope (4) Difficulty making and keeping friends (5) Pattern of failure across the board (6) Prolong or severe depression (7) Immaturity, arrested development (8) Series of physical ailments (9) Neglect of personal hygiene or the other extreme (10) Difficulty adjusting to new people and places (11) Undue anxiety and worries, phobias (12) Too much or too little sleep (13) Excessive self-centeredness, no compassion for others (14) Substantial weight gain or weight loss for no explainable reason (15) Muted flat emotion – no emotion, absence of anger,

inappropriate emotions (16) Negative self image – feeling of worthlessness (17) Frequent, random change of plans; failure to keep appointments, etc. (18) Extreme aggressiveness-violent, rage, combativeness or extreme docility (19) Risk taking; a key sign of demonic entity (20) Lack of zest and enthusiasm - sadness, everything negative, no sense of humor. I Thess. 5:23, Eph. 2:1, I John 5:11-12. Philippians 2:13-15 talks about the contract between us and God; demonization results when denied. Ed closes with recitation by those present taking authority over some demonic entities.

11LHDVD12-3A & 3B - Ed Johnson - WITCHCRAFT & THE GREAT DECEPTION - My people are destroyed for lack of knowledge. The enemy has a plan against you from the moment you are born. If you have no awareness and no information, how can you fight a war against him? Bind the strongman before talking to a cult member. Each morning start with a binding and loosing prayer. Bind all demons from your family and church. Loose ministering and warring angels to protect you and your family. Witchcraft is practiced today all over this country. When you are under a witchcraft curse, a word of knowledge is needed. Deliverance prayers follow.

STAN JOHNSON

07LHDVD7-5A & 5B – Stan Johnson – SHOW AND TELL #2 – The Word of God is the bottom line for everything – Col 2:1-10. Using a table full of props, Stan brings a lively meaning to the many Scriptures he uses. With toy lambs, Christ in you is portrayed. He says when Christ is being formed in you, let Him minister out of you. As you keep taking in His Word, we will be changed into His likeness. He shows righteousness, peace and joy in the Holy Ghost, being taken in his body (these are sounds and lights) that his body glows with the light of Jesus and sounds of joy and signs of power. To say, “I want to know Him”, we must eat the Lamb. Jesus being turned into a lamb was another object lesson. All children, ages 5 years to 95 years will receive much of Jesus and the Kingdom of God from this teaching. We highly recommend you obtain the DVD set because of the all the object lessons and visual aids that really bring home the truth of the Scriptures he is using.

STAN & KATHY JOSLIN

13LCDVD2-3 - Kathy Joslin - INFERIORITY SPIRIT - God requires an army. The weekend warriors are gone and the fearful are being filtered out. He will make it clear to us whom we serve. If we have truly accepted His Son, we are secure, but unspeakable destruction lies outside God. A new level of deliverance is here and the battles are harder. In this way the secret treasures of the heart are revealed. Fear, lust and pride lead to a spirit of inferiority which paralyzes us so that we cannot do the work God has called us to do. Fear is unreasonable and prevents us from making decisions. We feel inadequate and stupid and cannot reason our way through problems. The enemy will keep at a spot until he breaks through. Remember the devil is an intimidator. Inferiority makes us impatient and impulsive and we give place to rescuing spirits. We justify those actions made in haste. When a damaged sense of our own worth is created in us, we cannot stand up against bullies. We resign ourselves to settling and we are thereby derailed and delayed from what the Lord wants for our lives. Moses, Gideon, and Job were Gods men who dealt with the spirit of inferiority and eventually embraced their God-given abilities. Like them, we will go through tribulations so we can serve as warriors in Gods army. Deliverance follows this teaching.

13LCDVD2-6 - Kathy Joslin - CRACKS IN OUR FOUNDATION - Jesus was speaking from experience when he told us to build our house upon a rock and not upon sand. Essentially He was warning us to beware of false prophets. If we trust in lying spirits our system will default to disaster when life's trials come like the rain. Those wolves in sheep clothing enter where churches do not want to alienate people with the 'meat' of the Gospel. Scriptures make you wise. True prophecy will line up with Gods Word. Beware of the anti-christ pretender who is full of inconsistencies. Ask, 'Would my pastor lay down

his life for his congregation?' False christs and false prophets shall deceive even the very elect. Get all witchcraft out of your midst. It brings condemnation, negative attitudes, division, separation, strife and religious spirits. Charismatic psychic witches and warlocks operate in divination. We need to ask the Lord for the spirit of prophecy for ourselves and for keen discernment. It has been noted that during a recession, the metaphysical and psychic industries make great financial gains. They develop a broad client base because people want to know what will happen to them. Build your house on the solid rock of Gods Word and you will be sure of your future in Christ.

13LHDVD9-3 - Kathy Joslin - WORDS - ORIGINS - DEFINITIONS - Let us always be mindful that out of the abundance of the heart a man speaks. On Judgment Day we will give an account for every idle word we speak and by the words of our mouth we will be justified or condemned. We all have spoken hurtful words that cannot be taken back. We are sorry, but the damage has been done. Demonic words are meant to hurt, steal joy and destroy relationships. We are given guidance in the book of Proverbs which contains many promises regarding good words. Scriptures admonish us to speak the truth in love according to the leading of the Holy Spirit, but unfortunately it appears that in this country today, plans are in place to restrict our freedom to speak about what we think and believe. Our freedoms are eroding away much as termites slowly eat at the foundation of a structure. The battle is in the heavenlies, not against flesh and blood. Kathy reminds us that as Christians, we are to love the Lord our God with our whole heart and our neighbors as ourselves, regardless of our many differences. Deliverance prayers follow this teaching.

13LHDVD9-4 - Stan Joslin - WOUNDED PRIDE - There is a component of healing that goes hand in hand with the message of deliverance from the spirit of cruelty. Often the root of evil actions of cruel people is their wounded pride. Wounded pride can be explained in these basic points: 1) most pride is birthed by wounds and insecurity, 2) wounded pride is compensation, a self-affirming treatment that has gone terribly wrong, 3) pride masks and attempts to hide the insufficiency, the inadequacy, the inferiority that some people feel inside of them. Masking never really heals the wound, just overcompensates for it again and again. Compensation is a mechanism by which an individual attempts to make up for some real or imagined deficiency of personality or behavior. Stan gives many excellent examples of how pride enters because of unbearable wounds and how a sense of shame and failure is perpetuated. When the time comes to pray for a person with wounded pride, first minister to their wounds, build the person up, and self-worth comes forth. Then it is time to tear down strongholds and let the cleansing begin. Deliverance prayers follow this teaching.

13LHDVD9-5 - Kathy Joslin - INTEGRITY - Merrill Miller, the President of Lake Hamilton Bible Camp, shares his thoughts at the beginning of this CD and can be viewed on the DVD of this teaching. Integrity means you do the right thing when called on, and if you do not intend to keep a vow, do not make it. Kathy further clarifies the definition of integrity and gives examples of people in the Bible who displayed it. Boaz had integrity when he recognized his brother's right to Ruth's hand before he took her for himself. Esther's uncle, Mordecai, gives us an example of uncompromising fearlessness by exposing the plot against the life of King Ahasuerus. Extreme conditions or enormous pressures test integrity, the kind of testing Job went through. With all the testing, Job's integrity stayed intact. Pray that when we are tested we have the integrity of Job. Joseph insisted that his personal integrity was based on his determination to not sin against God. And David, even with all his mistakes, had integrity of heart. People are watching us so our standards have to remain higher than those of the world around us. At the slightest slip-up they are right there to point the finger. Whenever the Lord reveals to us areas in our heart He wants to make ready for Himself, jot those things down. When the right time comes, submit to deliverance. Deliverance prayers follow this teaching.

13LHDVD9-6 - Stan Joslin - LEAVING A SPIRITUAL INHERITANCE - "Who is going to be there for your children and grandchildren when you're not there?" God will have to break into our business, our self-centeredness, our busy day, our schedule, our little errands. If we take our time to bless people in our everyday lives, that will create a legacy for our descendants. There will come a day when your children and

grandchildren will need someone to help them in their time of need, heartache and sorrow. Who is going to show compassion and consideration when they need it? You can leave a legacy of spiritual inheritance that will affect the lives of others for all eternity. Your godly lifestyle can profoundly affect your children. 1) You will instill in them a desire to follow the Lord Jesus when they see that Jesus is the center of your life, 2) Let godly principles govern your life. Instill in them a reverence for God's Word and a faith that conquers the trials of life. God will pour out His Spirit upon your seed. What legacy do you want to leave your children and your children's children? Prayers of deliverance and blessings follow this teaching.

KEN KEMBLE

10LHDVD5-1 – Ken Kemble – WHAT TO DO IN TIMES OF TROUBLE - Our nation has turned away from God - our backs are toward Him! Is it any wonder we are in so much trouble? Ps 119:107 - Meditate on God's Word - memorize it. We need protection everyday - Ps 91. Mt 4:1 tells us to live by every word that comes out of the mouth of God. That is the only thing that we can depend on without exception. We can trust in Him - enough to hang our life on His Word. Ken said that fear is the dark room where negatives are developed. Keep your focus on Jesus. What you are focused on will consume you. Where is your focus? Know that God is in control - no matter what we see in the natural.

10LHDVD5-7 – Ken Kemble – BIBLE STEPS TO A HAPPY HOME – Prov 3:5,6, Mt 6:23 These scriptures are quoted often but seldom lived by. God's Word has ALL the answers for this life's problems. We know that marriages are in trouble - not just in the world but in the church. The reason is simple. We have not followed the instructions given in the Word of God. This teaching gives many scriptures that pertain to a successful marriage. Eph 5:23, Titus 2:3,5, Col 3:18. We are given specific guidelines for both husband and wife. Jn 15 tells us to love one another. We know from scripture that if we love God first, we'll love others - for life! There is also instruction on how to raise your children. Bro Ken closes with prayer for needs.

10LHDVD5-10 – Ken Kemble – GETTING SAFELY AND PROPERLY TO THE MARRIAGE ALTAR – Dating causes fornication and marriage break-up later according to Bro Ken. All girls should be treated as sisters. Dating puts you in a Matt 6:13 situations where you will be tempted. 1 Cor 6:18 tells us to flee fornication. Rom 12 tells us to present our bodies a living sacrifice. Dating someone you wouldn't marry promotes promiscuity and defrauds. There is only one First Love! Allow God to pick your mate. Quit shopping. Ken gives an exhaustive list of the conditions to be met by someone marrying his daughter. Prayer follows the message.

ROBERT KRAMER

10LHDVD11-1 – Robert Kramer – WHAT IS THE NICKNAME OF JESUS? – Mt 1:21 "And she shall bring forth a Son and thou shall call His name Jesus:...." Verse 23 goes on to say "They shall call His name Emmanuel, which being interpreted is, God with us." They – the public, interpreted as those who saw Him, heard Him, - Jn. 10. They saw Him as "God with us." 2 Cor 5:19, "God in Christ." Jesus said if you've seen me, you've seen the Father. He reconciled us to God. In Him all deity dwelt in bodily form. We go on to discuss why it was necessary to be reconciled to God and what the purpose was and what our goal should be. Do people see God's nature in you? What's your nickname? This was a powerful message!

10LHDVD11-7 – Robert Kramer – ONE BIBLE STUDENT'S VIEW OF THE RAPTURE - First of all, we know there are several differing views concerning the rapture teaching. Most of us know that the word 'rapture' is not found anywhere in scripture. With that settled, he went on to say that we are not to

fight over our opinions. Lk 17:30 says thus shall it be when the Son of man shall be revealed. Mt 24:4 Jesus says to be careful that no one deceive you. We then heard the four major points that he feels are important to understand as seen in his studies. Are we going in a split second? Where are we going? When? What about the three and one half years? How will we be changed? Much scripture is used to back his teaching. This teaching is not pro-rapture.

JIM LANDRY

08LHDVD5-4 – Jim Landry – GOOD SOLDIERS - Jim states he believes God is going to raise up houses of Joseph – provisions for the days ahead. We must live holy and be a good soldier. Selfishness and pride must be out of the way. What He has given us is not for us, but for the Kingdom. If you are not a soldier you will be commissioned shortly. God gives each believer a mark. The standard weapon is the Word. Some use weapons that encourage them for battle; fidelity, accountability, etc. in you from your mentor of authority. Mark 16:15 - preach the gospel to every creature. Mark 9:38-40. The enemy can recognize if you are in rebellion to the authority you are under. Luke 4:18, Matt 28:18. All believers are in it to win it. Trials, afflictions, dying daily bring strength for the battle. Soldiers do not concern themselves about worldly things. Too many people are not responsible soldiers. The fruit is produced from the root. All leadership should possess the basic principles that Jesus did. The Lord is soon to come; there is a great need to do what God tells you to do. The enemy wants to pick you off. Luke 10:1-17 – we should be like Jesus and His disciples. Eph 6:10 - be strong in the power of His might not ours. Lev 15:8, II Cor 10:3 – bring every thought to the obedience of Christ. Deliverance will be the most oppressed ministry in these end times. Heb 5:14 – a lot of good works out there will tempt you away from your purpose and calling in God. Acts 19:13 – the demons should recognize our name like they did Paul's. Are you a good soldier for Jesus? John 7:14, 14:12 – do the same works that Jesus did. Jim says ask for help if you need it. He closes with deliverance prayers towards specific unclean spirits.

08LHDVD7-10A & 10B - Jim Landry – UNCLEAN SPIRITS – Robert and David Pennington, brothers 18 and 21 years old, assisted with the LHBC youth and children's camp. They were given the opportunity to share personal advice to parents, and the Christian values their mother taught them, at the beginning of this teaching; a wonderful testimony for this generation of young people. Jim starts with some personal testimony. We all have issues and he says he is very pleased to be saved. You will not get very far without going low so God can promote you. He says he has seen restoration in the children after dealing only with the parents. Then Jim begins to teach on the "unclean spirit"; traits of uncleanness; scrubbing endlessly, etc. Matt 10:1 is Jesus first command to His disciples; to cast out unclean spirits. Lev 15:1-2, 19, vs. 8. As a servant of God you have no right to judge yourself; that is why we need mentors. Luke 4:33 - A characteristic of an unclean spirit. An unclean spirit said "let us" so they are more than one. Mark 5:1-Supernatural strength. Jesus called it unclean. It said, we are legion, 2,000 to 6,000. They do not like to be alone. All can be delivered from them. Rom 12:3, Matt 12:43 shows the restless nature of this spirit. After one member has been delivered, it comes back and attacks the "house of David", "house of Landry" (Jim's house), our house, etc. This spirit likes dark places, tombs, it doesn't sleep much, crying, hollering, no peace, many cut themselves, and some are suicidal. The person who has the spirit has self-hatred. Luke 4:34-35 They tend to communicate with the deliverance minister. When being delivered, they recognize the minister. Jesus is there to win the battle for you. We are soldiers for the Lord and we do not need to indulge in the things of the world. Rev 18:1-2 – Babylon is the worldly end time church. Jim closes with powerful deliverance prayers against unclean spirits.

09LHDVD5-4A & 4B – Jim Landry – RELATIONSHIP - We are called to God's Army and He will supply our provisions. There are too many talkers and very few walkers in ministry. We must be able to accept and receive correction. We ought to be "body builders" for Jesus. There are too many loners, independents in this business. Jim begins with his testimony of starting in ministry. He has many mentors who will "rain on his parade". Many in ministry today do not want relationships. We are working with the

souls of men. We need help – we need each other. He shares scriptures about the first disciples who were deliverance workers. Luke 4:18, Isaiah 61:1, Mark 3:13, 14, Luke 19:37, 38. Jesus is foremost among the first deliverance workers in the Bible. He is our mentor and example, preaching the Kingdom, supernatural healing, deliverance, etc. You must know Jesus to be an effective deliverance minister. If you can't support another man's ministry, you are not capable of starting your own. Mark 6:7, 12 they preached repentance. It is absolutely necessary to receive healing. We need to network together so Jesus will be glorified. You can be under authority, but yet have liberty. Many more principles are given. The test of leadership is discipleship. Be greatly used for He is great. Don't limit yourselves. Jim closes with many renunciation prayers and mass deliverance prayers.

09LHDVD5-7A & 7B – Jim Landry – THE CURSE OF EXPECTATION - God give us ears to hear and eyes to see. We are in a war. He gives us enough victories to keep us going and enough losses to keep us depending on Him. If your expectation is low it could be there is a curse on your life. David expected to win over Goliath. The bear he fought represents the religious system and the lion represents the roar of pride. David had victory over these first. Ps 43:2 I expect God to be my protector. Jn 14:1, Ro 8:28 you must have faith and trust. Our provision must come from God and God alone. The curse of expectation affects believers, back sliders and unbelievers. Just because your mother had colon cancer doesn't mean you should expect to have it. Fear robs you of faith. Job 3:25 fear is an open door for satanic activity, Gal 6:7, in our life. Is 48:22. People who have the curse of negative expectation learn to adjust their feelings; they gorge themselves with food, tobacco, sex, alcohol, etc. They are selfish and self centered. Many wrestle with lots of worry. Mt 6:25-34 Jesus spoke against worry and anxiety. Do we trust God? What are we expecting from God? Our expectation is to be in Him. Jim shares some personal examples of trusting God. The just live by faith and the unjust live by facts. The opposite of faith is fear. Jim shares many examples of expectations and asks the question: Is this faith or the curse of expectation? Satan and the demons are trying to get God's people caught up in the world system in failure. Cast down strongholds and negative expectations. Do we trust the Lord? Jim closes with corporate prayers of mass deliverance from this spirit of the curse of expectation. Many were delivered and set free in this service.

09LHDVD9-4A & 4B – Jim Landry – SPIRIT OF GAMBLING - Over 40 states have already legalized gambling. There are many types of gambling in the U.S. – lottery, bingo, horse and dog racing, etc. Each time you gamble, the spirit gets stronger. There are Midianite spirits involved here – the little foxes – a 'something for nothing' spirit. Churches are becoming more and more open to this spirit. Gambling is a major cause of family neglect and is especially harmful in financially oppressed areas. Jim uses many scriptures. Thou shalt not covet - Ex 20:17. Mt 6:24 says no man can serve 2 masters. We must choose - God or money. Deliverance prayer follows.

09LHDVD9-7A & 7B – Jim Landry – THE BELIEVER'S COMMISSION - The test of leadership is discipleship. Mk 16:17 – them that believe. God has given power to carry out His assignments. 2nd Sam. 22:1 - David loved and honored God. He had the attitude of a warrior and trusted God to deliver him from all his enemies. 1st Sam 17:38, David's attitude was to annihilate his enemies. In vs 33, Saul questioned David and the enemy will question you. You must conquer the lions of pride and the bear of religion before you're a soldier in this warfare. Learn how to deal with rebuke. God is looking for soldiers to war with Him. Jesus began the work of the kingdom and we are to finish it.

09DELTRDVD-7 – Jim Landry – HOW CURSES AND SIN GUARD THE STRONGMAN'S PALACE - We know that binding and loosing are powerful tools in the hands of God's people. In Mark 3 and Matthew 12, Jesus explained the principle of warfare that is still effective today - ways of removing all legal grounds. Sin and curses give rights to the enemy to oppress us. We must apply God's word to the given situation. Eleven steps are listed to help us systematically do battle and render the enemy exposed and his power gone. Deliverance prayers follow.

10LHDVD5-8 – Jim Landry – ANGER – If you aren't absolutely sure you are clear with God, don't pray deliverance. The enemy uses anything available to trip you up. Eph 4:29 tells to not allow corrupt communication to come out of your mouth. We are to guard our mouth. Matt 5:22 - If we are angry with

someone, we're in danger of hell fire! Jim says that anger is a learned habit - a choice of the will. Our old man does not have to rule. We can choose to serve Jesus. Our old nature must be crucified - not cast out. Suppressed anger has been proven to be a source of much disease. Remember Moses? He smote the rock and was prevented from entering the promised land. Deliverance prayer concludes service.

10LHDVD7-9A & 9B – Jim Landry – GOD’S SPECIAL OPERATION FORCES - We are disciples - so teach us, Lord. We've been called to tear down demonic strongholds. Love overcomes a lot of evil! Relationship comes before ministry. God protects His soldiers. Death in you is life in Christ. We are in this thing to win! 2 Sam says, HE teaches my hands to war. That was David's attitude toward battle. We must pursue the enemy or he will pursue us. We've been given the necessary weapons in order to win but we have to use them. Deut 8:1 Do, live, multiply and possess. However, it must start in us. God's promise to Israel came with much abundance, but with many giants. We must love what God loves and hate what God hates. Face your giants. God will refine and purify us with His word. Then we are more able to help others to possess their land. Prayer follows.

10LHDVD7-16 – Jim Landry – CHURCH PRINCIPLES - We've all been drafted into God's warfare. We must endeavor in the church and in the world not to get bitter. Jer 22 God is raising up a kingdom of disciples who understand kingdom principles. When we come under God's alignment, we lose our opinion. If we do not hear, we'll come into desolation. Vs 5 - We are called to be overcomers. God delegates the authority – it's not our business. The attitude of real leadership is gracefulness when you come under attack. Num 1:12 Miriam and Aaron spoke against Moses. Jim gives many scriptural examples of the result of mutiny against leadership and the results. He says the enemy can't have the children when the family is in God's order. Jesus chose the faithful to walk with Him. Service ends with a charge being issued to the people of God.

10DELTRDVD-2 – Jim Landry – HOW DEMONS OPERATE IN THE LIFE OF THE BELIEVER - Jesus preached the kingdom. The 12 disciples preached the kingdom. The 70 preached the kingdom. Why not us? Jesus said that we would do what He did and greater if we were believers according to John 14:12. When Jesus ministered, demons came out and people got excited. His fame spread according to Mark 1:21-28. What excites you in your church? We know that most believe that Christians cannot have a demon but we learn in this session that while the enemy is limited, we can and do have demonic issues. Jim gives many scriptures to verify this teaching. We are body, soul and spirit and we see that the whole man is not always 'saved' in the initial salvation experience. However Jesus made a way for us to be free. Let us follow on to know full redemption.

11LHDVD5-7 – Jim Landry – BREAKING THE CURSES OF VODOO - God is preparing you to go behind enemy lines. Voodoo came on the scene in the U.S. about 200 years ago – the religion of Cuba, Haiti, W. Africa, Orisha practices which is ancestor worship. Deut. 18:9 tells us not to learn to do after the abominations of other nations. Jim names and gives definitions of many occult practices. There are 8 kinds of voodoo. We also hear of occult practices that are paralleled in some Christian churches. God is not the author of confusion and He never tells us to worship in the flesh – drum dancing, etc. Jim gives much info and many scriptures. Deliverance prayer follows.

11DELTRDVD-5 - Jim Landry - CHOSEN ONES - As chosen ones we are to take the fight to the enemy's camp. Deliverance is a divine commandment and is essential to coming into kingship. The ranks are thinning. Gideon defeated an army of 1,000,000 with 300 troops - 1% of his original army. God chose soldiers who understood warfare. He who walks in a perfect way will serve Me. God chooses the faithful. Ask yourself, "Am I faithful?" Low volume on DVD.

12DELTRDVD-3 - Jim Landry - ROOT WORKER - In this teaching, the two types of common root workers were discussed. Voodoo Root Workers (primarily African, African American) and Hoodoo practiced by Caucasians, Latinos, and American Indian descendants. Root workers think they are doctors. Many deceived root workers are preachers. In our ministries, be careful we do not bring in stuff to help

Jesus out. He does not need help. Jesus said beware of false prophets. You will know them by their fruits. You should be able to discern that. The American term for root workers is Hoodoo. We are given examples of cases in which root workers practice their hexes, vexes and spells. When ministering deliverance, the word of knowledge will reveal which scheme the enemy is using to prevent the preaching and receiving of the Word of God. These sins of charms, hypnotism and sorcery are against God and are an abomination to Him. Some of this is being done on the internet. Do not overlook the fact that a root worker can put a hex on children to be homosexual. Root worker witchcraft is being done by people from a variety of racial origins. Most of us have several types of blood in us...white, black, Indian, etc. We are indeed a multi-racial society. We all share in the responsibility to root out the root worker in ourselves as we do spiritual warfare against those who are determined to be the enemies of God. Deliverance prayers follow this teaching.

12LHDVD7-7 - Jim Landry - UNFORGIVENESS - Many of God's children want others to be free. The spirit of unforgiveness is a major demon concerning God's people. God has promised mercy to the merciful. The measure you measure out to others will be measured out to you. Forgive or be turned over to the tormenters such as sickness and infirmity. Forgive and do it quickly. The church needs reform so pray for restoration. God says, "Be ye perfect", "Bless them that hate you." Jesus forgave us and we need to forgive each other or else a door opens for demons to come into our life. Hurt and offense that is not dealt with lets in bitterness. People get angry with God and wallow in self-pity. The biggest spirits in the last days are rebellion and bitterness. When we agree with God then we become blissful. If the offender is dead and the hurt is still in you, forgive them for your own good. If they are living ask God to bless them. Be honest with the Lord. Bind the strongman of unforgiveness and you will get free from the tormenters. Deliverance prayers follow this teaching.

13LHDVD5-3 - Jim Landry - I'M CALLED TO THE DELIVERANCE MINISTRY! - We must all walk in accordance to God's word. We may have needs but we must be obedient and open also to exhortation and correction. Even in the Old Testament, God commanded His people to do deliverance. Jer.22:3 It is part of His order - a divine command. God is raising up a kingdom of priests with a fullness of servanthood and He did not give us an option. We are to be getting delivered and doing deliverance. Notice that Jesus took the ones that were with Him and knew Him and sent them out to do as He was doing. Luke 16:15-18 There must be replacements for the deliverance ministers of the past and we are chosen for this time. Someone needs our help and we have been assigned. We are called to be soldiers but we need to humble ourselves and begin to march to the command of our Superior.

13LHDVD5-5A & 5B - Jim Landry - MASS DELIVERANCE - Mass deliverance is so simple you might think it could not even work but it does. We have received curses from our own sins, from other people, and from our ancestors. We may not have had a very good start in life, but now we have a chance to break curses off ourselves so that our children, grandchildren and great-grandchildren can have a better chance than we had. The first area we have to plow down and get rooted out is unforgiveness. We must forgive those who have hurt and disappointed us or we will be cut off from communication with God. This is how we take away the legal rights of the enemy. Also we need to be informed about the occult. Deuteronomy 18:9 mentions the abominations of witchcraft which the Lord hates with a holy hatred. We shall have no other gods before the Lord our God. No idolatry! Every contact with the occult carries a death penalty as well as curses for four generations. This teaching details many areas of occult involvement. Break those curses, destroy the enemy's legal grounds, submit to deliverance and live the abundant life. Mass deliverance prayers conclude this in-depth teaching on unforgiveness and the occult.

13DELTRDVD-3 - Jim Landry - THE MARKS OF FALSE MINISTRY - Avoid becoming a false prophet! 1) Be submitted to your delegated spiritual authority. 2) Strong mentors speak into our life. 3) With the exception of an apostle, a minister should be sent forth by someone else. 4) Keep your priorities straight: God, family, ministry. 5) Abide in your own calling. 6) Be honest in all financial matters. 7) Be on guard against seductive spirits and avoid extended ministry alone. 8) Do not be overawed by the signs and wonders that accompany your ministry. 9) Keep your ministry Scriptural. 10) Jesus never sent out His evangelistic teams until they knew how to deal with demons. 11) Do not over-emphasize the Gifts of the

Spirit at the expense of the Fruit of the Spirit. 12) Ministers should strive for balance in their teachings. 13) Mass deliverance is an effective and acceptable tool for casting out demons. 14) Ministers need to stay in fellowship with other deliverance ministers. 15) The office of the prophet must flow with the local fellowship. 16) Ministers are the favorite targets of the schemes of satan. 17) Any private revelation should be able to stand the scrutiny of other ministers. 18) Avoid rapid advancement in ministry. Deliverance prayers follow this teaching.

ERNIE MARZULLO

06LHDVD12-8 - Ernie Marzullo - THE POWER IN THE SPOKEN WORD - Ernie starts out sharing that he is Italian and "The Family is All". Referencing Matthew 12:36 he says because we have the same Spirit of God in us we have power. Matthew 19, we can bind and loosen. Proverbs 13:3 - your mouth speaks positive things and it becomes life. Matthew 12:33-37 - Feed your mind Godly words. Read the Bible! Read the Bible! Read the Bible! Read the Word of God! Where the Word of God goes the devil flees. Fill your mind with the Word of God. We are accountable for what we speak. We will be judged by what we created with our words and rewarded for what we say. As you sow so shall you reap. If you sow words of life you will reap abundantly. James 3:10 - We can bless and curse with the same mouth. Ernie gives examples of damaging spoken words in Exodus 20:25. Out of the abundance of the heart the mouth speaks. Ask God to give you a new testimony fresh every morning. Ernie then asks the congregation to participate. He gives declarations we repeat to Jesus and then to the devil. Then he gives renunciations repeated by the congregation. Ernie tells us the devil is out to get you by crook or by hook. One of the greatest hindrances to healing is unforgiveness which is caused by pride. To the extent that you have forgiven you will be forgiven. Ernie then continues with congregational renunciations to command evil spirits out dealing with sexual bondages, and fear. Then he goes through a list of occult spirits and organizations of fellowships not pleasing to the Lord. In closing he asks for fresh Holy Spirit on all.

06LHDVD12-16 - Ernie Marzullo - GOD HAS NOT GIVEN US A SPIRIT OF FEAR - Ernie begins by telling us the greatest obstacle to receiving anything from Jesus is fear. He says the key scripture to this teaching is II Timothy 1:7. Ernie was a teacher of teachers until "the Teacher" came. He is convinced the author of unsoundness is "right in front of me facing me the mirror". The Holy Spirit's purpose is to make us like Jesus. John 14:16-18 - He (Holy Spirit) is the Comforter another helper. The Holy Spirit is not an 'it', He is a person. There is no door knob on the outside of us only one on the inside and only we can let Him in. At this time Ernie give some family life experiences. Psalms 91:14-16 has 20 pronouns. Exchange them for "Jesus" and your name. Luke 10:19 - we have power in the name of Jesus. Power is released by prayer, praying in the Holy Spirit. Only with His Spirit in us are we able to love others. "Our father" means we are all brothers and sisters. There is a battle for the control of our minds. Ernie gives scriptures of what the Holy Spirit does when he comes into us. An extension cord is no good unless it is plugged into the power. Fill your mind with godly words. Isaiah 54:17-remind the devil who you are. We must remember who the Holy Spirit is and talk to Him and ask him to make us like Him. Ernie closes with an awesome prayer asking the Holy Spirit to come, and led the congregation to pray along with him.

FRANK MARZULLO, JR.

07LHDVD5-4 – Frank Marzullo, Jr. – THE SPIRIT OF JEALOUSY – Before Frank begins the message on jealousy he challenges the listener to be a true convert, not to practice lawlessness, and not to be deceived. He talks about what salvation is and what it is not. We must be serious about what the Word of God says and means, not what we have diluted it to believe. Matt 7:22-23 “Many will say to me in that day, Lord, Lord, have we not prophesied in Thy name? and in Thy name have cast out devils? and in Thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.” Jealousy is part of man’s fallen nature. It does not discriminate. It affects the ministry, the congregation, families, and relationships. Satan rebelled because of jealousy. It manifested in

Cain and Abel and attached to it was a spirit of murder. He gives examples of jealousy including how this spirit attacked ministers who came from another country to America and when some were excluded from this trip, a spirit of jealousy rose up in those left out and 6 members of the team had heart attacks. He shares how he believes this spirit came against him, causing him to go through a six way heart bypass surgery. Within a few months, the same thing was attacking his wife. The Lord sent an angel to her room and after spiritual warfare took place, pulling down the strong man and curse of jealousy levied against her, they could find nothing wrong with her heart. He explains three common patterns of jealousy. It creates havoc in our lives and we must not come into agreement with it. He concludes the service with deliverance.

07LHDVD5-7 – Frank Marzullo, Jr. – REJECTION – This teaching on rejection as a condemning spirit is very effective. Rom 8:1-2 speaks of no condemnation. The difference between condemnation and conviction is - condemnation forces you to look to you for bondage. Conviction makes you look to God for freedom. Three types of abuse are looked at in this message – verbal, physical and emotional. He teaches about rejection as being active, passive and imaginary. They all rob Jesus of your presence and robs you of His freedom with the end result being that you never walk in the fullness of His righteousness. There is a tremendous amount of deliverance at the conclusion of this message.

09DELTRDVD-2 – Frank Marzullo, Jr. – AUTHORITARIAN ABUSE (SAUL SPIRIT) - The teaching begins by showing us that a Saul spirit distorts the image of God. Saul may look religious and even have the ‘word of God’ in his mouth. He will take matters into his own hands, blame others for failures, and will not repent. He’s stubborn, disobedient, rebellious, arrogant and everything is ‘all about me.’ However, we must not judge! Our ministry is ineffective unless we love=forgive! Know that if you’re under a ‘Saul,’ it may be God’s plan- to work out the ‘stuff’ in you. If you are the ‘Saul,’ you must not ‘lord’ it over the sheep. What did Jesus do? He served, washed feet --- lead by serving. We are to be servants, not oppressors. Prayer follows.

09DELTRDVD-8 – Frank Marzullo, Jr. – SPIRIT OF CONTROL - To control = to dominate. We learn in this teaching what the enemy uses to gain control in our lives. They include generational curses, rebellion and rejection. That which we hide behind to keep out more hurt is a control spirit. We may not be aware of it but it must be exposed in order for us to be set free. We see in Luke 4:18 that provision has been made to set the captives free. That includes freedom from the spirit of control that maneuvers other people that are in our lives as well – makes them jump through our hoops. Matthew 12:29. Some spirits involved are named with a description of each. Extensive deliverance prayer follows.

13DELTRDVD-1 - Frank Marzullo, Jr - LEVELS OF SPIRITUAL WARFARE - This teaching is taken from Brother Marzullo’s book, “Spiritual Warfare Now”, Chapter 10. As we know, there exists a satanic kingdom at war against the Church. Our struggle is against: 1) Principalities: These evil spiritual princes are assigned to control large regions of the world and they influence world leaders. 2) Powers: These are behind witchcraft, occultism, psychic and mental powers, dark arts, and other such invisible powers. 3) Rulers of darkness of this age: They rule under the legal authority of the principalities, such practices as organized crime, indecent and immoral behavior, gambling, prostitution, adultery, influencing people to justify doing wrong. 4) Spiritual hosts of wickedness in heavenly places: These evil spirits form a blanket of wickedness over the earth causing floods, hurricanes, earthquakes, tornadoes, tsunamis or any wicked event that would cause theft, death and destruction. We must learn how to do spiritual warfare at these different levels. The devil lies and schemes to make us feel weak and incapable of fighting and defeating him. The Word tells us, “Behold I give you authority over all the power of the enemy! Do not be afraid.” Deliverance prayers follow this teaching.

13DELTRDVD-8A & 8B - Frank Marzullo, Jr. – SPIRITS THAT ATTACH TO LEADERS & ATTACK THE CHURCH - Teaching from the pages of his recent book, “Spirits That Attach to Leaders and Attack the Church”, Frank explains the characteristics of these malignant and destructive spirits:

Jezebel's dirty work is manipulation, domination, witchcraft control. Jezebel will use any means to get close to truly prophetic and anointed people in order to do them harm. Ahab refuses the responsibility and authority of his leadership. Celebrity spirits lure people away from the true anointing of God. The spirit of Barabbas stirs up rebellion and disorder against Church leadership and government. The spirit of Athaliah wants to seize power by destroying the ones God has chosen to rule and reign, the royal priesthood. The spirit of Absalom sits under authority and patiently draws the hearts of the people away from the person in leadership. The spirit of Saul has a mind of his own and does not follow the Lord completely. Sanballat, Tobiah and Geshem are assigned to mock, despise and accuse the work of God in us. Close the doors to the corrupting influence of these demonic powers. Deliverance prayers follow this teaching.

18LHDVD5-2 [DVD - Frank Marzullo, Jr - THE DO'S AND DON'TS OF DELIVERANCE MINISTRY - Mark 16 lists certain signs that should follow believers. One of those signs is to cast out devils in Jesus name. This is the "lane" God has Frank in and throughout the years he has learned things to do and perhaps more importantly, things not to do. He asks the question, "Why is the deliverance ministry so important?" He bases his answer on Mt 7:23 - the devils want to hold you to iniquity until you stand before God. He admonishes the listeners to not be so sophisticated that they walk out from this conference with their demons. Let the Holy Spirit shine His lamp and expose the darkness that is in each one of us and then deal with it. Iniquities follow the family line, they lodge in the bloodline. (Lam 5:7) Frank shares sixteen Biblical and practical do's and don'ts for deliverance ministry and follows up the teaching with deliverance ministry to the congregation.

18LHDVD5-5 - Frank Marzullo, Jr - FOUR WAYS THE ENEMY CAN GET IN - This message is a 'must hear' for both those offering ministry for healing and deliverance and for those seeking the same. In Frank's many years of ministry he has come to the conclusion that the enemy can only enter a person in four ways. He does not judge a person but simply judges the fruit of their life to see what demonic things are present and what right they have to afflict a believer. It is his understanding that the affliction and harassment comes because of: sin, rejection, lies or unforgiveness. Coming out of a career in law enforcement he uses crime solving techniques to solve demonization problems - those being who, what, when, where, why and how. Throughout this entire message, Frank shares personal ministry experiences and Scriptures that give understanding to the listener concerning each of the four ways he believes the enemy gets in. He used to spend hours in deliverance with a person but now he has them make their own separate lists on sins, rejections, lies and unforgiveness. He has found that those that finish this assignment are truly the ones seeking God's permanent deliverance. Unfortunately many who seek man's deliverance do it because they want the torment to stop without repentance or they just want attention. Repentance is the starting point to permanent deliverance. Deliverance ministry prayer concludes this service.

18LHDVD5-7 - Frank Marzullo, Jr - PRINCIPLES OF HEALING - Joel 2 and 2 Kings 4 serve as the backdrop for this poignant message and testimony on healing. Frank shares principles of healing. He testifies how God uses him as he lays hands on people and prays in Jesus' name for healing and deliverance. Then he gets real personal and shares how his wife, Jill, got very sick and was dying. And he, being the man of faith that he is, did everything he knew to do - break generational curses, bloodline curses, word curses, cast demons out, take his wife from church to church for prayer only to see her progressively getting worse and worse. She had a deadly disease called pulmonary fibrosis - basically your lungs dry up and you can't breathe anymore. His faith began to waver, just as anyone's would. They were doing this for about 4 years and 4 to 5 years is about all anyone can survive this disease. All their prayers were seemingly being unheard and they are asking, "What do we do Father?" Their pastor told them he couldn't tell them what to do but, "Choose life". Frank says, "that stuck". So they get on the transplant list. Miraculously the call came forth quickly that they had a set of lungs, they operated on her and she was healed. Oftentimes we look at healing from one perspective, not looking at it from the medical side. Many of us are living proof of healing from the medical side. So, he looks at how she got healed and he's scratching his head. It did not happen the way He believed for as a minister of the gospel - how others are healed and delivered but not his own wife. And then he came to God's answer for him. Isaiah 55:8-11

CARROLL MCCARROLL

09LHDVD7-1 – Carroll McCarroll – I SET BEFORE YOU LIFE & DEATH – In Deut. 30: 19-20, we read Moses' last words to the people - CHOOSE LIFE! Yet, as the children of God, they had many problems and so do we. One of the reasons, we're told, is curses. Gal. 3:13 says that Jesus was made a curse for us on the cross. So what's the problem? One of them is ignorance - lack of knowledge and refusing knowledge - as seen in Hos 4:6. We have been given laws to follow - Deut 5:17-18 - for which we are accountable even if we are ignorant of them. Also, we have been given weapons that we must learn to use. We have the Word of God and the Holy Spirit to lead us into all truth, therefore we are without excuse. God is merciful and will forgive us if we repent and He will show us how to get free and stay free. We hear an example of a girl who was under a curse and how God set her free. Prayer follows.

09LHDVD7-7A & 7B – Carroll McCarroll – LEGAL GROUND – What are legal grounds? We have been given detailed instructions on how to walk in God's favor and not be idolaters. In Deut. 30:15-20, we see that we are blessed for obedience and cursed for rebellion. The choice is ours. In Josh 6:17-19 God gave the plan for victory and He warned against disobedience. Disobedience by one man could have cost the lives of 39,999 people who did obey. At Ai, 36 men died because of Achan's sin which gave satan a right to operate. The accursed thing in our lives causes us to be unable to stand against the enemy. Jesus gave us authority over all the power of the enemy - Lk 10:19. Mk. 16-17 says we can cast out demons. We must exercise this authority over evil, break the curse. Repentance for our sin will bring freedom.

09LHDVD7-10A & 10B – Carroll McCarroll – RAHAB THE HARLOT – Rahab - a Canaanite - in a wicked city - and her faith changed God's plan, Joshua's plan and the world. God uses whoever He chooses to carry out His plan - and sometimes in strange places. He has His people everywhere. He had a harlot prepared to preserve the life of 2 spies. Joshua, chapters 1 and 2. Rahab wasn't satisfied to bargain for just her life - she wanted her whole family. What price are we willing to pay to see our family saved? The teaching ends with prayer, symbolic scarlet thread and a mark for a miracle.

09LHDVD7-14 – Carroll McCarroll – A NEW CREATION IN CHRIST – Our brother testifies that he was led to the Lord in a filling station at age 18. He says that from there God led them to have a Bible School. We are encouraged to study God's Word. We are not to lean on the arm of flesh but on the Lord 11 Cor. 5:16. He goes on to say he wanted to go to heaven but wasn't able to be good. So he decided to be baptized ... went in a dry sinner, came out a wet one. Paul said I know Jesus in the flesh, but now I know Him in Christ. In Christ - vs. 17 old things have passed away and all things became new. Thru Jesus we have been reconciled to God. The veil was rent in two. We need to practice reconciliation - bring together - be ambassadors of Christ. At the close of the service, the ministers were called to the front for a commissioning service.

09DELTRDVD-1 – Carroll McCarroll - EXPOSING & DEFEATING SATAN'S STRONGHOLDS IN OUR LIFE - Our brother calls this place – LHBC - Access to Recovery ministry. Ephesians 6:12 explains that our battle is not with flesh and blood. Things that are seen are affected by things that are not seen – the spirit world. There are 2 sources – GOD and satan and he gives examples of each. He points out that if our covering has a hole in it - be it our parents, pastors or husbands etc, the enemy is given access to areas of our life. Ps. 78:8 The signs that should be following us as believers are listed in Mark 16:17.

09DELTRDVD-4 – Carroll McCarroll – OUR GOD PROVIDED WEAPONS TO WIN IN SPIRITUAL WARFARE - If we are going to have a revival in the United States, we are going to have to reach our children. Our schools are missing the mark. The Bible and some good Christian schools would be of help. Some of the weapons that we must use are discussed. Eph 5: 8, 9 - We must submit to God and

not cave in to the devil. Job 3:25, 26 - Fear caused a hole in Job's hedge. John 13:2 - satan put a thought in Judas' mind and he allowed that thought to take root. We are without excuse. We have the blood of Jesus, angelic protection and the authority given to us by Jesus Himself. What have we to fear?

GERI MCGHEE

06LHDVD11-2 – Geri McGhee – A BITTER ROOT OF JUDGMENT – Beginning with reference to Matt 7:1 and Luke 6:37, Geri tells us that false gods are judgments you will not take to the cross. Even in the womb you reap things that were sown in generations before you. She explains these come down from your mother and father. We must do as Deut 5:16 and Eph 4 tells us concerning our father and mother and dealing with our sin before sundown. She also makes reference to our Nehushtan. The world says "what goes around comes around" but God calls it "the law of sowing and reaping". We must take accountability for what we do and quit blaming others - John 20:20. "Bitter roots are about bitter fruit". She explains what righteous judgment and unrighteous judgment mean to us. And she reminds us that "wherever you go you have to take yourself". Geri says God allows people in our lives that permit our "roosters to crow" as He did for Peter. Bitter root judgment is your own sin. Bitterness is like drinking poison and waiting for someone else to die. "How you are trained up defaults your lifestyle" is an interesting analogy she brings to us. But you can cancel your reaping by repentance. God says love and forgive. Faith purifies your soul as you yield to God you can receive holiness. Geri tells us we become like whom we judge. She gives many scripture references in this teaching and closes with a group recitation renouncing generational curses and other strongholds

06LHDVD12-9 - Geri McGhee – THE POWER OF WORDS - In her introduction, Geri gives us nuggets about our words from the Word. God gives us the keys to the Kingdom of heaven, whatever we bind and loose on earth is bound and loosed in heaven. One way we overcome and take dominion is through our words. God says if you are His child and you are righteous - He orders your steps. God says if I say it, you can say it. Remember every idle word men speak they will have to give account for on the Day of Judgment. You can dig the ditch deeper or praise your way out of the ditch. Scripture says the walls are salvation and the gates are praise. A gate lets things in so I can stand at the gate and I can be negative and let demons into my life or I can stand at the gate and praise God and keep the enemy out. Halleluiah!! She asks, "What do words do?" They bless or curse, bind or loose, hate or love, bring sickness or health, etc. If you can control your words, you can control things around you. The Bible says the tongue sets on fire the course of your life, either negative or positive. Geri explains many scriptures concerning your lips, tongue and words. She says a critical spirit is a misguided gift of discernment. She references Steve Sampson's book "I am always on my mind". James 3:1-7 tells us we cannot tame the tongue but we can purify our hearts which changes what the tongue says. Matthew 15 says out of the heart proceeds evil thoughts. Then Geri gives us some steps to deliverance concerning confession of words and a prayer of self-deliverance with the congregation repeating after her asking for revelation of the truth that sets us free. She concludes with the song "Nothing but the blood of Jesus" asking the Lord to fill us with love, joy, peace, etc and speaks a blessing over the congregation.

06LHDVD12-14 - Geri McGhee - THE SPIRIT OF SLEEP - Geri begins her teaching by telling us what the Bible says about being sober, on alert and drunk. Zephaniah 1:12 tells us of the man with a stagnant spirit. A reprobate mind is a mind that doesn't recognize God therefore it is a root to alzheimers. The Bible warns us to wake up. Ephesians 5:14 tells us you are either drunk with wine or the Holy Spirit. She gives us scriptures about bringing about the spirit of sleep or a sluggard. The seeds of lust produce a crop. Did you know your body sleeps but your spirit does not? You are either better or bitter. God is telling the church to get out of harlotry. If you sit in a church and don't come out different you haven't met God. This is the reason Geri says she likes to come to LHBC. She always leaves different. More references are given including Matthew 22:2-6, 7-14 showing us God is pulling out a remnant. Romans 11:8-10 shows a spirit of stupor or slumber. Geri closes with spiritual warfare against these spirits and others.

07LCDVD2-1 - Geri McGhee – THE POWER OF BLESSING - Geri begins by telling us she is going to give us a tip that will change our life and circumstances. She says it is by blessing yourself, your spouse and your children. First we have to deal with our “stuff” - unresolved things planted in our spiritual garden. The more purified your heart, the more you can bless others. In John 4 Jesus said he was looking for worshippers and blessers. You need to find out what’s in your heart. Negative words can cause spiritual or physical death and act as a curse over peoples lives. Speaking blessings cause strength, energy, vigor and power. Positive words bring spiritual life and vitality. Even if others do not hear what you say it draws evil to them. With words you can heal or make sick. Your words can set you free and others free. She gives many examples from the book of Proverbs. We can direct our lives by speaking God’s Word. Geri give us facts about blessings and curses. For instance one fact about blessing is agreeing with God and one fact about curses is that they put God in opposition to us. In God’s Kingdom we do not have the right of free speech only to say what He says. Blessings are often forgotten among Christians today. Our blessings have more power than satanic curses and power blessing will blast power curses. She tells us the root of Bi-polar. We cannot bless horizontally until we can worship and bless God. Geri says we can “drive a nail for God or we can drive a nail for satan”. She closes this very informative teaching containing many nuggets from the Word of God with congregational recitation for deliverance after asking the Holy Spirit to reveal any negative words spoken over them or they have spoken over others.

07LCDVD2-6 - Geri McGhee – ENABLER - Geri opens with prayer asking Jesus to cover her words with His precious blood. Jesus says “Come unto Me” – Give us control of your life, get on the potters wheel, yield to God and He will take junk out, God has a refuge – Psalms 91. She explains a vivid picture of an enabler in the story of the man clipping the butterfly’s cocoon before its time. She tells of people healed when they receive deliverance and repentance from being an enabler. If you quit trying to be their savior, they will look for a savior. Enablers usurp Gods authority. Geri shares personal stories. Realize that if you stop being an enabler their pain will bring them to God. Geri shares many Proverb scriptures on the woes of being an enabler such as 28:5- enabler is a worker of iniquity. Enablers are false deliverers, delivering for the moment only. They operate under jezebel, anti-Christ and python spirits. Enablers exalt human opinions over the Word of God. She uses many scriptures to back this up. Remember enablers reap what the person they enable sows. Geri closes this excellent teaching asking each one to ask the Lord if they are enablers and to repent. Congregational deliverance recitation follows at the end.

07LHDVD4-2 – Geri McGhee – POSSIBLE ROOTS TO DISEASES – Geri nails Scripture after Scripture to lay the groundwork for possible roots to diseases. The spiritual root to a disease is the sin that causes the disease. The sin can be your own personal sin, a sin committed against you, or it can be a generational iniquity of the forefathers. For some people it is hard for them to understand or believe that sin and sickness could be related. This message will do more for you than any prescription drug, any trip to the doctor, any surgery, or treatment plan. The Holy Spirit is sending a message to the body of Christ that the Word of God is the solution for every ailment, every disease, every affliction or symptom. It is the way of healing, the way of divine health and we have to be willing to let the Master Surgeon operate on us using His Precious Word. His death on the cross was not a religious experience for Him. Neither is what Geri talks about in this message, intended to be a religious experience for us. We must be willing to have everything exposed by the Holy Spirit so that cleansing, healing and restoration can be fulfilled. Ministry concludes this teaching.

07LHDVD5-2 - Geri McGhee – SWEPT AWAY BY THE FLOOD – When the enemy comes in like a flood, the Lord will lift up a standard against him. In the context of this message, the flood that she refers to is the flood of words the enemy uses. For example, satan might say, “You’re fat.” God has told you that you are wonderfully made. Listening to the flood could cause a person to fall from faith. See that you are not misled for only the righteous will enter the inheritance of God. The Word of God is the standard that is lifted up against the enemy. Geri also makes the statement that, “How you are walking proves who you are

walking after.” Don’t be swept away by the enemy’s flood. This message ends with prayer and deliverance.

07LHDVD5-10A & 10B – Geri McGhee – DO YOU HAVE EARS TO HEAR? – “The Word is like a fire and a hammer that breaks rock.” Geri takes the listener through many Scriptures – from being born again, to discipleship, to obedience, and hearing. We need to have an ear to hear and understand. If our natural ears or spiritual ears are in need of healing, REPENT. If we have cut off (closed our ears to hear) our parent’s voice, a teacher, pastor, etc., or an actual blow to the ear – FORGIVE and watch God set you free. You are a spiritual garden. Watch over what kind of seed you plant! Deliverance prayers follow this teaching.

07LHDVD7-6A & 6B – Geri McGhee – BREAKING THE POWER OF ADDICTIONS – Geri uses many Scriptures and personal experiences to illustrate the subject of addictions. An anti-christ spirit is an unloving spirit that will not let you love yourself or others. In John 14:27, Jesus said, “My peace I give to you.” We are led by the Spirit of God or the spirit of bondage. Maybe we are co-dependant on someone else instead of God and have bad soul ties. In Jer 17:5 and Eph 5:8, we see that as we get delivered we will have no need for the addiction that had us in bondage. Geri points out to not be drunk with wine but to be filled with the Holy Spirit. As the character of Jesus is being formed in us – we will suffer. Let go of pride, take responsibility, repent – be willing to suffer. Much, much more is included in this teaching. If you need victory over any addiction this CD or DVD will help you. To get the full benefit of this teaching you should also obtain 07LHCD7-13 [CD is \$4.00] or 07LHDVD7-13 [DVD is \$8.00] – Geri McGhee – AN UNLOVING SPIRIT. Listen to Breaking the Power of Addictions first and then An Unloving Spirit.

07LHDVD7-13 – Geri McGhee – AN UNLOVING SPIRIT – Geri teaches that this spirit is connected to a multitude of fear spirits. 2 Cor 10:12 Do we compare our self by our self or by the world? Isa 40:18 God is the one to compare our self to. What does He say about us? When we don’t see our self as God sees us, we are in sin – which causes the body to turn on itself. When you curse yourself (I’m fat, etc.) you strengthen this unloving demon. Geri suggests that this spirit is at the root of several diseases that she names. This spirit may come through a parent – the one most like you. It will not allow you to love yourself like God does. The biggest hindrance to loving yourself is this unloving spirit. Mt 22:37-39. The devil says you are never going to win. God says you always overcome in Him. God wants you to change your way – go His way. The root of this spirit is lack of discipline. A great deal of teaching concerns this in children and the consequences in later years. To get rid of this spirit – come under God’s discipline. Decide to love yourself as God does. Look up verses on who you are in Christ. Ps 40:5 Forgive parents – repent of rebellion and refusing discipline – recognize the spirit is not you. Break generational curses – break soul ties with the parent most like you. Prayers for deliverance conclude this service.

07LHDVD9-2 – Geri McGhee – OVERCOMING THE POWER OF FEAR - Fear is a sin and an evil spirit. If not dealt with, it can destroy your immune system. She believes fear is at the root of all sin and is the opposite of faith. A lack of peace causes disease and God wants us to live in peace. As our heart and thoughts get purified, our mouth will be changed. 2 Cor 10:4-6 Geri gives the remedy for pain found in Ecc 11:10 and points out that pain is rooted in vexation and we must forgive. Germs cannot live in a body that has no unforgiveness. She says, “Let God fix it” or “the world wants to cover it.” She covers good fear and bad fear. Good fear – the fear of the Lord causes you to want to run to God. Demonic fear causes you to run from God. The term “fear not” is in the Bible over 344 times. It is rooted in idolatry which lets wounds come in. God wants to heal your wounds. If you say, “I’m just full of wounds,” you’re saying you are full of idols. If you have a fear of death that spirit can hinder the work of the cross in your life. Geri lists many doorways to fear. The solutions to be free are to 1) Lay down the idol, 2) Take your thoughts captive, 3) Give up your life (your wants), 4) Take the idol up the mount (to God), 5) Run into God’s refuge. Command the enemy to spit you up if he’s swallowed you up!

07LHDVD11-2 – Geri McGhee – THE ARMOUR OF LIGHT – Geri’s opening statement is, “Quit playing church!” She exhorts the listener to press into God and break up the fallow ground (which means make your land shine). Be attentive to this message – it will help you survive, no matter what you see happening on this earth. She gives personal testimony concerning one of her sons who became saved even though he suffered from a fatal illness. She shares an abundance of Scripture - the Holy Spirit makes it clear that our trials are to purify us. Do you receive instruction? If not, find out why you don’t and learn to. We are to walk on the narrow highway of holiness. That is the path of protection from the enemy. We are to rest in the Lord. Geri states that unrest is a curse. We must yield our lives to Him, see sin and turn from it, come under the yoke of Jesus and you will have peace in your life. Moment by moment obedience to the Lord guarantees you are protected by His Armor of Light. Rom 13:12-14, “The night is almost gone, and the day is at hand. Let us therefore lay aside the deeds of darkness and put on the armor of light. Let us behave properly as in the day, not in carousing and drunkenness, not in sexual promiscuity and sensuality, not in strife and jealousy. But put on the Lord Jesus Christ, and make no provision for the flesh in regard to {its} lusts.”

07LHDVD11-7 – Geri McGhee – CAN A CHRISTIAN BE UNDER A CURSE? – Gal 5 bears witness there is no law when we are producing the fruit of the spirit but when we are living in the works of the flesh, we are under the law. You are not under the law until you disobey it. Look for the spiritual reason behind why you are sick. It may be a childhood promise you made. Issues that were not dealt with then bring symptoms and consequences in the present. Geri speaks extensively about idols in this message. Repent of your idols. Jesus died on the cross to get the devil out of you! Every place your parents did not train you up according to God’s Word, you have a root issue for a present sickness or problem. **FORGIVE!** You have to see the sin and idolatry before you can break the curse. When we turn from our false gods we can be healed. We must stay on the potter’s wheel. He wants to make us into the purpose He has for us. If you haven’t understood about curses before, this teaching can help you learn to walk in freedom. Prayers for bondages to be broken conclude this message.

07LHDVD12-4 – Geri McGhee – DO YOU HAVE EARS TO HEAR? – Your protection in these last days is to hear and obey God. Geri gives testimony of being born again to be a disciple. We are to be changed from glory to glory. We can do self-deliverance, John 12:24. When we are not listening to God we may be going back to an issue with our father or mother. This can also be the cause of later hearing loss. Repentance will be the first choice to try. We need to ask God to straighten out our thinking and He will. See Job 34:3, Hos 4:2 and Isaiah 6:9. The ear of the wise seeks knowledge. Neh 9:16-37. Stubbornness leads to a stiff neck; a cold shoulder to God’s Word. II Kings 17:13-20 may be the cause of shoulder pain or problems. Pro 1:24-33 – promises for listening to God. Isaiah 42:20 – seeing not hearing. Mal 2:2 – God curses not listening to and obeying Him. II Tim 4:3 – have ears for false teachers. Stay on the potter’s wheel because the potter is really smart. Watch what is coming up in your spiritual garden. Plant good seeds. Isaiah 5:3-listen that you may live. I Kings 3:9 – a hearing heart was Solomon’s prayer. Examine your heart. Do you have ears to hear? In closing Geri speaks deliverance prayers.

07LHDVD12-9 – Geri McGhee – SHAME AND GUILT – Shame means to distort, etc. and leads to guilt. If we deal with it God’s way, He removes the shame. Anywhere you get your button pushed you have a wound and it is an idol. She references Deut 32:15. It is ok to make your needs known to the Lord but if you are angry, it is an idol. Rev 9:20, Producing from the flesh leads to eye cataracts. Gal 5:19, If you practice anger you will not inherit the Kingdom of God. Matt 13, anger and jealousy are fruits of idolatry. God uses the turkeys in your life to change you. Deut 32:23-39, if we put our trust in God, we will never be ashamed. Geri shared some of the causes of shame – when a child is not covered by love, grows up with criticism, poverty, alcohol in the family, what we think we ought to be, sexual sins, living a sinful lifestyle, a past life, children not having a dad, etc. II Sam 13:10-19, sexual sins open you up to shame which opens you up to a spirit of death. II Kings 19:26, pride-trusting in your own abilities – vs. 28, 22 shame because of wickedness. A root of torment is unforgiveness. Psalms 44:7, root of shame-hating God’s children. Ps 53:5, rejection, Isaiah 45:16, 42:17, trusting in idols, Isaiah 45:24, angry at the Lord, basically anger from an unresolved childhood issue with a parent. The need is to forgive. Repent, praise God and go free. Isaiah 54:4, Geri closes with prayers of repentance and forgiveness for all.

07LHDVD12-14 – Geri McGhee – BUTTON PUSHERS – Button pushers are rooted in an area of your heart where, when you were hurt as a child or some other time, you did not go to God, you were provoked to anger, you receive a lie and your heart goes after something else. And that something else is idolatry. Here in America we have false gods and do not even realize it. Every thing that makes you mad, afraid and depresses you is linked to a false god. Wounded spirits can come down generationally and you can be born with a wounded spirit. Babies can hear in the womb. Geri encourages all to find what purpose we have in life. We are all sowing good or evil by the things we do. She says when you get your button pushed you need to start looking for the idol. Personal experiences are shared by Geri. Gal 5:19, things not acceptable to God. Every place you get your button pushed you may stuff it or you may explode because you have a wounded spirit. Rev 3:10, deal with your stuff and overcome. The button pushers are things that God is letting manifest in His timing because he says I am ready to heal it. You are always healed when you go to God in your pain. When you say I am a wounded person you are saying I've got lots of false gods. I'm just an idol worshipper. Col 3:2, do not provoke your children to anger because it sets in motion the law of sowing and reaping. Geri shares many personal experiences in this teaching. Do not speak negative words over your children. Wherever you have an idol you have an issue of sadness in your heart. Get in the mirror of God's Word and seek out repentance whether you think you are guilty or not. The Word is what heals you the world cannot. What you say is directing the course of your life. Geri then prays "Lord what pushes my buttons" and asks all to repent of what the Lord shows them. Then she closes with deliverance recitations from a wounded spirit, button pushers, etc.

08LHDVD5-1 – Geri McGhee – UNDERSTANDING – THE TRUTH THAT SETS YOU FREE - Geri begins by admonishing us to be full of the Word of God for these times of need. Her text for this teaching is taken from Jer 23:1-3, 10, 14-22. The so-called prophets today are about another gospel, another Jesus with no conviction of sin and no righteousness. John 8:32 – understanding is the truth that sets us free. Discernment is lacking in the church today. If Jesus isn't Lord in my life something else is. In the one world religion there is no Word, no repentance, no cross and no reverence, etc. Ezek 13, Matt 12:33. God wants us to overcome. Prov 24:3, Ps 119:34 shows our need of understanding. The fear of the Lord is wisdom. Wisdom is your sister - understanding your intimate friend. Our parents are models for us in what God is like. The more pure our own hearts are towards our parents the more we really know God. Geri has many scriptures showing why we need understanding. She shares her "snake story" with us. Then she shares many more scriptures to show how we lose understanding. II Thess 2:10 -she explains how to get understanding; Prov 1:23 – by digging for it – Prov 2:1. The gold is the Word of God. True revival is when you and I make Jesus Christ Lord and master of our life. A time of repentance and deliverance concludes this teaching.

08LHDVD7-12A & 12B – Geri McGhee – SOUL TIES – You can carry sexual diseases, demons, etc. from soul ties. She shares an experience where Michael the arch angel drove out a demon from a woman with a satanic background. Also, a person who craved drugs after being in contact with a user. Demons come in through the eyes. Jer 23 the pastures have dried up Ezek 12 The body of Christ is starving for the Word of God. Deut 28 God scatters when there is no obedience. These soul ties are one way we are scattered. God wants to heal. Soul tie is a false relationship, personality. There are good soul ties and evil soul ties. The sword of the Spirit can sever the connection. Col 2:2 is a biblical soul tie. When God's order in the home is not perfect there will be issues to deal with. Unforgiveness opens you up to soul ties. The glory of children is their fathers. When a child does not have a daddy, the enemy thinks they are up for grabs. A present example; boys raised by their mother to know God is their Father can be in balance, they do not need as much healing. I Cori 6:9 Geri says "Repent". A person raised by only one parent may take on their familiar spirit. They may not be an active homosexual or lesbian but will draw persons with the same spirit to you. Be careful to not let people lay hands on you. I Tim 4:1 Soul ties to perverted family ties. You can receive soul ties through bestiality, sickness of animals. You can receive soul ties through grief. Unforgiveness binds you to the one who hurts or disappoints you. If you have piercings, tattoos, break soul ties with the one who did yours. Break this blood covenant tie. Levi 19:28, Ex 21:6 Cut soul ties with the one who cuts your hair. Geri shares some medical body transplants that changed the personality of the persons who received the transplant organ. Floaters in the eyes can be logs from judging people. Pro

13:20 You will become like the bad companions you fellowship with. Ask God to show you who you have soul ties with. Prayers for deliverance close this teaching.

08LHDVD9-6A & 6B – Geri McGhee – THE WISE AND FOOLISH VIRGINS - Geri starts with a deliverance prayer binding every demonic spirit from this meeting. You cannot have salvation unless Jesus is Lord. Salvation is a walk of continually putting to death the flesh. Gal 5:16 - Choose God's way over your way. Sin is sin. Be a vessel of honor to God. Repent! The Word of God is what transforms you. The lamp of the body is the eyes. Being lukewarm and not in God's Word is sin. Ezek 44. When you yield to Jesus His Glory comes all over you. No man can give it to you. Geri leads in a prayer for being born again. Several forms of false worship are described. Church wake up, get in the Word of God. Matt 6:21:2. The entrance of God's Word brings light. You can have God's Glory only by crucifying your flesh; so are we changed from glory to glory. Matt 5:14-16. If sin is in your life, your light is dim. The more you repent the more light (Pro 13:9) in your life. Scriptures: Job 18:5-6, Ps 19:105, Pro 6:23, 24:1, 20:27, Pro 21:4. Our answers are in God's Word. Luke 11:36, Matt 7:1, Matt 25:1-3, John 2:23-24. You don't obey to be saved; you obey because (Matt 25:1-12) you are saved. Matt 7:15, Ps 41:11, Matt 7:17-27. All you have to do is say "here I am". Let the Potter mold the clay. Stay on the highway of holiness. Ezek 44. God separates between the holy and profane. Romans 8:13. Geri closes with deliverance prayers.

08LHDVD11-7 – Geri McGhee – COVENANT – God has a better covenant – blessings for keeping His Word. The alternative - curses for disobeying. Geri shares an abundance of Scriptures concerning covenant, and the blessings that come from keeping yourself in covenant with Him. It can't be fully accomplished using our own strength – we must be yielded to Him, letting the Potter fashion us. Give up your life to the Potter. An admonition contained in this message: Anger breaks God's covenant and you go into a spiritual prison. This service concludes with deliverance prayers and breaking of curses.

08LHDVD12-6 – Geri McGhee – OVERCOMING ANGER - Eph 4 - If you let the sun go down on your anger, you will be full of demons. Anger may lead to heart failure and death. Geri reads a medical report showing much more about bodily damage. Sin is at the root of most disease; bitterness, unforgiveness. Gal 5:19 anger and it has a hot wire to idolatry. Deut 32:15-20 a hard heart is produced from the flesh. Most of our problems are from unresolved childhood issues. Not dealing with it only lets it blow up somewhere else. I John 3:21 If you don't get free of the spiritual roots it will be hard to keep your deliverance. Frustration is a form of anger. God wants us to live in peace Gal 5:19, Matt 22. I Cor 13 love never fails. Anger can change the body's chemicals. Prov 19:19 if you are angry with 500 people you are in 500 prisons. Forgive self also. Unforgiveness chokes you. Arthritis in feet, etc. is the result of unforgiveness in your path. Psa 41:10 God is pleased when my enemy has no power over me. Prov 27:4. Prayers for freedom close this teaching.

08LHDVD12-12 – Geri McGhee – SOUL TIES - A root of prayerlessness is when you don't believe God wants to talk to you; this could be how you saw your parents. Heb 12:1 don't quit when God disciplines you. Matt 5 the pure in heart shall see God. Prov 30:3 die to our flesh. I John 4:6 abiding in Christ means to obey. James 4:7 a soul tie is being connected with another spirit. Whatever they are you can become. Remove vexation out of your heart and God will heal you. You become like who you judge. Geri shares many causes of acquiring soul ties. You have to forgive each one and each situation. I Tim 5:2, Luke 6:40, I Cor 6:15, II Cor 6:14-17, Prov 13:20, 11:15, Ps 115:135, I Cor 8:9-12. God wants you to become conformed into His image, not in the image of the person who hurts you. Everything you have planted in your spiritual garden is going to come up, good or evil. Geri closes with prayers for breaking soul ties.

09LHDVD4-2 – Geri McGhee – ROOTS OF PRIDE - Geri begins with testimony of her eyes and ears being healed and how this thrust her into the Word of God. If you have a physical problem, do a word study on the body part affected. Sickness is a curse; you must find the root. The most important thing you can do is get in the Word of God. Geri shares many definitions and symptoms of pride, being proud and arrogance such as holding a high opinion of yourself, self-importance, being bold to excess, etc. Pride cast Lucifer out

of heaven. It's the first sin to enter men's heart and the last to leave. Pro 6:16 - haughtiness means to lift oneself up. The eyes are the index of the mind. Watery eyes come from a haughty look. God sent His Word to heal us. A patient spirit is better than a haughty spirit. Those "turkeys in your face" are just mirrors of unresolved childhood issues with your parents. I John 2:16 the first consequence of pride is eye problems. Pro 21:4 - shows about pride and consequences. Geri share many scriptures concerning consequences of a prideful, arrogant heart from Prov and Psalms, etc.

09LHDVD5-3A & 3B – Geri McGhee – THE SINS OF FRETFULNESS - If you are a "fretter" you have anger and anxiety. It is a state of mind. In the OT the word is "fret". In the NT "anxiety" is used with the same meaning. These words are used 344 times in the Word. Much of this teaching comes from Ps 37. Geri shares many dictionary definitions for fret and anxious. Delight yourself means to be tender and pliable towards the Lord. She shares ways you can overcome fretting. Along with fretting comes being judgmental. God tells us to fret not because it is sin. Geri shares personal examples of her fretting experiences. If we rest in Him, He will carry us through. When we fret we are judging by what our eyes see. Remember, He is the rewarder of those who diligently seek Him. God is watching you; you never leave His sight. Evil is coming. When we fret; we do not believe the Word of God. We don't get glory any other way except by repenting. God uses your circumstances to conform you into His image. You will either get bitter or better. Every sin we commit can be traced back to denying God. Geri shares some reasons why we fret with scripture references: Job 40:23, Isa 8:20, 21, I Sam 18:8, Prov 6:34, II Kings 19:28, Prov 19:3. She shares reasons why we shouldn't fret because of evil doers; fretting grieves the Holy Spirit, destroys your witness, etc. Matt 6:25 be anxious for nothing. Stay submitted to God and you will fulfill your purpose. Geri closes with corporate prayers against fretting, anxiety, etc.

09LHDVD7-5 – Geri McGhee – THE GLORY OF CHILDREN IS THEIR FATHER – We've learned that both bastard and incest curse have a 10 generation curse. That's 144 people thru which the curse comes. We begin with a prayer for deliverance. Scripture says, the glory of children is their father - Prov.17:6. A wicked inheritance can be passed down from your father. In additions, judgments that you make can bring curses and cause a blockage between God and you. We must forgive in order to enjoy God's glory. Whatever we sow, we'll reap. An example was given of a homosexual son who was set free when his father got saved and began to affirm him - Prov. 13:22. In the spirit realm demon spirits can see the glory of God over a child under his father's covering and consider it off limits. Again we see the necessity of forgiveness for our walk in freedom. As we walk in repentance, the glory grows brighter. Deliverance prayer follows.

09LHDVD9-3 – Geri McGhee – DRUNKENNESS – BLESSING OR CURSE? - Jer 23:14, Ps 81: 15 - Those who hate the Lord fake obedience. There is no spiritual drunkenness on the highway of holiness. There is a famine of the Word of God in the land and the enemy is making fools of God's people while they believe they are in 'revival' - one example being drunkenness. Eph 5:18 says we are to be filled with the Holy Spirit. 1st Peter 4:7 says, to be sober, watch and pray. We need to put on the armor of light and blind the enemy! Deliverance prayer follows.

09LHDVD9-11 – Geri McGhee – RESTORING OUR FATHER IMAGE - 1 Cor 3:9 We are God's building. God wants to restore our lives. We all have images in our heart that influence what we believe about God. The father's role today has been demeaned. We need good father examples in order to influence our view of our father, God. If we have unforgiveness toward our fathers, we must forgive in order to be free of the spirits involved. Deut 5:16 says we are to honor our parents even when they have not been honorable and we are not to judge them. Go to God and let Him correct our mistakes and theirs.

09LHDVD11-5 – Geri McGhee – BARRIERS TO HEALING - Geri gives a list of 21 reasons why we are sick. God has provided healing but we are still not walking in healing as a body. We sometimes abuse our bodies. Sometimes the problem is sin - either our own or sins of our forefathers. At times, we're passive or just too lazy to fight. According to scripture, God's people are destroyed for lack of knowledge, Hos. 4:6. Deliverance prayer follows.

09LHDVD11-8 – Geri McGhee – COVENANT - The body of Christ is in distress. 1 Cor 6:17 says if we are joined to the Lord, we are one spirit - that's covenant - to be His possession. Covenant - an exchange of garments, weapons, etc. It means that whatever is His, is mine and whatever is mine is His. It's a walk of death to my desires, my ways etc. Our part is to stay on the Potter's wheel - His part is to make us holy.

09LHDVD12-7 - Geri McGhee - PERVERSE SPIRIT - Steadfast = no compromises, stubborn, perverted, crooked, unteachable. If we are perverse, we are not one of God's children but we can have a perverse spirit in us. Rev. 9:20. Geri gives characteristics of a perverse spirit and it's all based in idolatry and we have no protection from the enemy if we have other gods in our life.

09LHDVD12-11 - Geri McGhee - THE CONDITIONS OF THE HEART – When we make a vow, we enter into idolatry. We build a wall around our heart - protect our selves (which is pride), rather than let God protect us. 1Jn. 3:21 says if our heart doesn't condemn us, we have confidence toward God. Mk 6:52 a disciple can have a hard heart. Heart and eye problems can be related to a hard heart. The hard ground needs to be broken up, plowed, sowed, watered etc., to get a new crop. Keep God's Word in the midst of your heart.

10LHDVD4-2 – Geri McGhee – SOUL TIES - Geri tells us that soul ties are any connection we have with people, places, objects etc. They can be good or evil. The emphasis in this teaching is on the evil ones and how to get rid of them. We've learned that forgiveness is a very vital part of the process in any area where we've been violated. She talks about souls of people being scattered by false prophets of today – Jer 10:21 and the good soul ties described in Col 2:2, formed by the love of Jesus. She gives a list of things that can form soul ties. She talks about possible problems from transplanted body parts and blood transfusions. Repentance and deliverance follows.

10LHDVD4-6 – Geri McGhee – ESSENTIALS TO HEALING AND DELIVERANCE - Geri shares on what must be dealt with before deliverance. Eph 4 GOD delivers us from a fainting spirit. She shares about how anger damages our health. Anger is toxic and is rooted in idolatry. We must be able to speak the truth in love or we have unresolved issues in our life. When we worship or submit to idols, we are submitting to demons Rev.9:20. We must submit to authority but not to demons – and know the difference. The True Vine produces the fruit of the Holy Spirit Gal.5:19-23 as opposed to the flesh. Sin is idolatry - 'having it my way.' If we say we have forgiven and we still roll it around in our thoughts, we haven't forgiven from the heart. We must yield to the Potter and allow Him to form Himself in us. Let go of your idols and be healed & set free! Repentance and deliverance prayer follows.

10LHDVD5-5 – Geri McGhee – BLESSINGS – Ps 109:1 Bitterness comes from agitated thoughts or negative words. Words spoken over you even while in your mother's womb can cause curses in your life - or they can cause blessings. We must learn to say what God says. However, we must also be obeying Him or our words will not bring blessings. If our heart is right, we will speak right words. Medical tests results on the effect of words are given. Are we blessing others, our country, our leaders, ourselves, etc? We are given many scriptures to illustrate the truth of this teaching. Prayers of blessing follow the teaching.

10LHDVD7-6 – Geri McGhee – HEARTS OF STONE AND INNER VOWS - Each time we say 'no' to God, our heart gets a little harder. Jer 17:9 tells us our hearts are wicked. In Heb. 3:7,8 we see we can harden our heart. Ps 37:4 promises to give us desires of our heart. Obviously, confessing our sins and repenting puts us in the receiving line for God's blessings. Jesus says His yoke is easy and His burden is light. If our burden is too heavy, perhaps we need to check the source as well as the conditions of our heart and our attitudes. If we hold unforgiveness toward God or others, we acquire a hard heart, blocking our relationships. Vows must be broken, and our heart softened in order to be free so we can walk in paths of peace. Prayer follows.

10LHDVD7-11 – Geri McGhee – MENTAL ILLNESS AND THE EFFECTS OF LACK OF DISCIPLINE - A major result of lack of discipline is mental problems. In grades 1-3 only 2 or 3 in each class showed no evidence of mental problems. Geri says if we see things we do not like in our children, ask God to expose it in us. God wants to correct our areas of distress but we must submit to His discipline. We must also learn how to apply discipline to our children. If God corrects those He loves, should we not follow His pattern. Isa 1:5 says when we revolt, the whole head is sick and the whole heart is weak. Prov 15:32 tells us if we neglect discipline, we despise ourselves. God helps those who really want help. Prayer follows.

10LHDVD9-8 – Geri McGhee - A LIVING SACRIFICE - We need to make His way our agenda. Doing things our way is saying that we are going to be 'lord' over ourselves. Only disciples will inherit the kingdom of God. Rom 12:1, presenting our bodies as a living sacrifice is obeying His word because we want to please Him. Jn 12:25 says if we love our life, we'll lose it. Give it to Jesus and we'll live - in resurrection life – His life. God does not allow compromise. We must sacrifice in order to bring forth fruit that is acceptable to Him. There are many more scriptures that point out our need to get in line with God's agenda. Prayer for deliverance follows.

10DELTRDVD-5A & 5B – Geri McGhee – HOW THE ENEMY GETS GROUND - Romans 12:1 "Present your body, a living sacrifice" James 4:7 says if we submit to God and resist the devil, he (the devil) will flee. The devil does not make me do it. A way of escape has been provided. We choose to disobey in many cases and are recipients of the fiery darts of the enemy. We must not only repent, we must be obedient to the Word of the GOD. In any area that you are disobedient, you are under the law. There is a place in God where the enemy is powerless in our life. He will turn things around for good. The result is wisdom for future trials. Attacks are opportunity to overcome and become clean.

10LHDVD11-5 – Geri McGhee - REJECTION – The closer you are to Jesus, the farther you will be from religious people. Definitions of rejection are read. When we are victims of rejection, we will attract rejection from others. We have all been rejected and have rejected others. This opens us up to fear and fear of man. Jesus paid the price for rejection for us. Isa. 53:3-6 and 2 Peter 2:24. Rejection is also a sin and can come down your bloodline. It can be the root of physical, emotional and mental problems. God leads us - but satan drives us. Ask God to forgive you. Forgive those who have rejected you and forgive yourself. Repent of the past and press on. Deliverance prayers follow.

10LHDVD12-12 – Geri McGhee – TAMING THE TONGUE – The tongue is capable of producing good or evil. Prov 12:17-19 The mouth of fools pours out foolishness. "Out of the abundance of the heart, the mouth speaks" Mt 12:34. Words are as seeds that are planted and we are as soil. Something is going to grow. Many of our problems come from spoken words – sometimes our words, and at times, words of others. We must say what God says if we want what He wants. Commit our ways to Him and we'll begin to speak aright. Geri gives many examples of possible physical or demonic issues that can be connected to spoken words. Deliverance prayer follows.

11LHDVD4-6 – Geri McGhee - ASSYRIANS – THE ROD OF GOD'S WRATH - Pro 16:7 – When our ways please the Lord, He makes our enemies to be at peace with us. Assyrians today? – One World Order. The United Nations is their headquarters. Sin gives legal right for our enemies to move in – 1 Peter 5:8. Idolatry was the sin of the Israelites - false gods. Ours? – One of them is anger toward each other. If we practice anger and not forgiving, we will not inherit the kingdom of God. Obedience to the Lord is our only hope in these days. The Rev 3:10 hour is about to come upon the whole world. The book of Nehemiah is for the building up our spiritual walls in order to close up any entrance that gives access to the enemy. If we are not obedient to God, we will be turned over to the Assyrians. Woe to those who go down to Egypt for help. We must endure until the end. Prayer follows.

11LHDVD5-10 – Geri McGhee – LOVE FULFILLS THE LAW - Love is spoken of 270 times in scripture. 1 Cor 13 tells us what love looks like. Anger breaks God's law and you enter a spiritual prison. Satanic forces will keep you in that prison and torment you while you're there. The only way to walk in love is to die and we can only love as required with the love that God gives. Mt 22 tells us to love God and our neighbor as ourselves. The way to stay in the secret place of the Most High spoken of in Ps 91, is to stay in the Spirit. If Jesus is our Lord and we stay repented up and walking in love, we'll stay under God's protection. Scripture concerning the law are shared. Deliverance prayer follows.

11LHDVD7-4 – Geri McGhee - WHY LIFE DOESN'T GO WELL - Geri begins by stating that all who are true believers must be broken. The pits we experience are to bring us to the end of ourselves and show us who we really are. Jn. 15 tells us that God prunes all who are "in Him" .. and it's a painful process. What is planted in our hearts will surface. Many scriptures are used to point out a number of ways that our relationship with our parents sets the pattern for our lives, Mt 15:4. It all goes back to forgiveness and honoring them in order to have all go well with us. Deut. 5:16, Eph. 4:26. Anger is idolatry – jealousy and fear are products. Eccl. 11:10 says to get vexation out of your heart and pain out of your body. Mt. 5:8 - Blessed are the pure in heart for they shall see God. Deliverance prayer follows.

11LHDVD9-6 - Geri McGhee - SANCTIFICATION OF THE SOUL - The biggest problem in your life right now is what God wants to fix next. Sanctification comes while we work out our salvation. Dismantle the hot wires such as anger. It is not acceptable. It is idolatry of self in your heart. Confess each sin individually ... not in a big lump. Seeds planted in the spiritual garden of our lives will reproduce after their kind. Weeds sewn into our lives come from seeds, too. See the fruit and trace down the seed. God breaks down the hedge of the unfruitful vineyard. People who call themselves Christians today are in a mess. What we sow into our lives reaps fruit. What our forefathers sowed into their lives is being reaped in ours. When a problem comes up, ask God where it came from and let God help you deal with it. Live for God's glory. Deliverance prayers conclude this message.

11LHDVD9-9 - Geri McGhee - ABOLISHING FEAR - There are 2,000 kinds of fear and each is linked to idolatry. We have to give up our life and find God. We cannot overcome the enemy when fear rules. Let go of fear and let faith come. When you die to your self the fruit of the spirit comes. Jesus' nature comes. He is our answer. Everything you go through can be used by God to perfect you. In suffering, sin loses its power over you. We, today, must live in the Secret Place or we will die. The answer to all our problems is the Word of God. No plague can come near your dwelling when your conscious is clear. That's when you have faith in God. Idolators are turned over to terror. God has compassion when those idols are gone. The yoke of Jesus produces peace because you give up your idols. Say, "Jesus, You are all I want." Deliverance prayers conclude this message.

11LHDVD4-6 - Geri McGhee - ASSYRIANS - THE ROD OF GOD'S WRATH - Proverbs 16:7 When our ways please the Lord, He makes our enemies to be at peace with us. Assyrians today? One World Order. The United Nations is their headquarters. Sin gives legal right for our enemies to move in. 1 Peter 5:8. Idolatry was the sin of the Israelites - false gods. Ours? One of them is anger toward each other. If we practice anger and not forgiving, we will not inherit the kingdom of God. Obedience to the Lord is our only hope in these days. The Rev 3:10 hour is about to come upon the whole world. The book of Nehemiah is for the building up our spiritual walls in order to close up any entrance that gives access to the enemy. If we are not obedient to God, we will be turned over to the Assyrians. Woe to those who go down to Egypt for help. We must endure until the end. Prayer follows.

11LHDVD5-10 - Geri McGhee - LOVE FULFILLS THE LAW - Love is spoken of 270 times in scripture. 1 Cor 13 tells us what love looks like. Anger breaks God's law and you enter a spiritual prison. Satanic forces will keep you in that prison and torment you while you're there. The only way to walk in love is to die and we can only love as required with the love that God gives. be too late to give up unforgiveness, bitterness, hatred, malice, strife and all the works of darkness. We are soil. Watch what is planted in your heart, because that is what comes out of your mouth. When you abide in Christ sin loses its power over you.

12LHDVD7-5 - Geri McGhee - MEEKNESS - We lift up Jesus only when we humble ourselves. Ask God to show you all the deep areas of pride you are unaware of. Pride is like an iceberg cut off the top and more will surface. The only time we become humble is when we choose death to self. It is a choice we make by God's grace. The Lord uses our problems to show us what He wants to deal with next. It is the crushing in our life that brings the anointing, just as olives are crushed for oil. Jesus is meek and lowly. Leviathan is the prince of pride. Make no provision for the flesh and follow after meekness. Instruct others in a spirit of meekness. Jesus chose to go to the cross and we choose also. We go through trials to humble us. Jesus shows us that anything good in our lives is because of Him. Lord show us by Your grace how to be truly meek and humble and regard others before ourselves. The meek shall He teach His way. The meek are the gentle, tamed by God. Deliverance prayers follow this teaching.

12LHDVD9-3 - Geri McGhee - GRAVEN IMAGES - How you train up a child is setting up a default. You are programmed at the factory (home) and you will automatically revert (default) to those behaviors all your life. Watch over your heart with all diligence. Any kind of negative thought or emotion is the result of rebellion against God and it leads to idolatry. When we develop a mental image of what we think we ought to be like to be acceptable to others, or what we think our children ought to be like, or our mate, or what our work ought to be in this world for us to be successful. It's all idolatry. The Bible says to go into the land and destroy their images. This is a physical picture of a spiritual reality. Bitterness, depression, discouragement, hostility, indignation all negativity needs to be driven off of our spiritual land and destroyed before it destroys us. There are unresolved issues that are buried so deep that we don't even see them. Wherever you have an idol it's because you have been wounded. It's then we turn to a false god and make inner vows. I'll find someone I can trust who will love me. Bring every thought captive to the obedience of Christ. Do not compromise. God's true remnant will seek God with their whole heart. Praise God that Jesus Christ made provision for us at Calvary. Deliverance prayers follow this teaching.

12LHDVD9-6 - Geri McGhee - IDOLS, IMAGES, YOKES AND FALSE GODS - This message combines teaching on the Potter's Wheel and Idols, Images, Yokes & False Gods. If you grew up believing that in order to be loved you have to perform, you receive a lie. When you get saved, you think you have to perform to get God to love you and to keep Him loving you. It wears you out because you cannot do it. The Word says, God is the Potter and we are the clay. Take My yoke upon your neck and learn of Me. I am gentle and meek and lowly and humble and you shall find rest for your souls for My burden is light and My load is easy. You can only wear the yoke of Jesus when you deny yourself and take up your cross. Then you are operating in the character and nature of Jesus. If you have yielded to God the best you know how, do not think you have missed Him. You cannot. It is impossible. He is the Potter. Parents model for us a picture of what God is like. When parents provoke a child to anger the child receives a lie and their heart is drawn to an idol. Jesus says, Come unto Me. Around every idol you will have a negative emotion. There is a pain. Grief, sorrow, hurt and anger are idolatry. Remove this out of your heart. Anger is tied in with all negative emotions. Whenever you get mad and fearful you are trusting in an idol. Do not think you are a hopeless case. That's why God drives them out little by little. As you repent over the Word, your soul will prosper. Deliverance prayers follow this teaching.

12LHDVD11-5 - Geri McGhee - SPEAK, SAY, DECLARE, PROCLAIM & DECREE - The Scriptures teach us, 'They overcame him by the blood of the Lamb and the word of their testimony and they loved not their lives unto the death.' Our part in these days is to close all doors in our lives that would give entrance to the enemy. Let God work out of us all that would not bless others. Speak and declare what the Bible says. Do not be a mealy-mouthed compromiser. Often times we don't know what's in our heart until it comes out of our mouth. Speak the truth. It will be painful, but separate yourself from idols - the holy from the profane, whatever it costs, no matter the separation that comes from those we love the very most. All

iniquity is rebellion and idolatry. Keep putting on meekness. Be dead to yourself. We will be rejected. God already says we will. We must choose to walk the narrow way. God will change us from glory to glory. Let us use these last days to help others and not live for ourselves. If we give up our life for Jesus we will find it. Ask God to send us divine appointments so we can help the needy. God has already given us all that pertains to life and godliness and without holiness no man can see God. Deliverance prayers follow.

12LHDVD12-3 - Geri McGhee - ZION - THE MOUNTAIN OF GOD - There will be no 'self' or 'flesh' on the highway of holiness as we pass through this world into eternity. Make sure you are not just a religious church member, exalting and serving your 'self'. Be willing to examine and deny yourself and take up your cross daily and follow Jesus Christ. God destroyed the children of Israel because they murmured and grumbled in the wilderness. Our wilderness is our circumstances. We are to be thankful and grateful to God for His blessings. It is impossible to get delivered if you do not have a grateful heart. Keep covenant with the Lord. Repent and get sin out of your life. Go to Zion, the throne of grace to get strengthened, confirmed, established and perfected. There you are conformed to His image by dying to self. Zion is the New Jerusalem, the Mountain of the Lord, the Hill of the Lord. It is the place of protection, the place of God's presence. It is the Secret Place. Be encouraged. When you are yielded to Him, He will protect you in these dangerous times. Zion is the place of life, health, healing and deliverance - a place of great authority. No man or woman can stand against you if your ways please the Lord. Deliverance prayers follow this teaching.

13LCDVD2-2 - Geri McGhee - GRIEF - EXCHANGING SORROW FOR JOY - We need to take our sorrows to God, to the Throne of Grace where Jesus sits. We grieve because of our own failures, regrets and loss of expectations. It is essential that we repent of judgments against parents. Anything we once valued that we lose will cause grief and a spirit of death will enter. Grief can cause our soul to weep. Our body will deteriorate and oftentimes eyes grow dim. Deal with sin and vexation. When we remove vexation from our heart we will remove pain from our body. People who drive us nuts are reflecting to us what we do not like about ourselves. We are getting on our own nerves. Thankfully, we can live in the nasty here and now in perfect peace when we allow ourselves to be conformed to the image of Christ. Spend every day of your life serving God and developing a relationship with Him. That is what is real and will last forever. When you enter into God's rest the fruit of the Spirit will be manifested in your life. Just say, 'Whatever it takes to make me pleasing to the Lord, that's what I want and He is all I want.' God will put His love in your heart and exchange sorrow for joy. Deliverance follows this teaching.

13LHDVD3-2 - Geri McGhee - THE SPIRIT OF COMPROMISE - Compromise means mutual adjustment, to yield for the sake of peace. But there is no compromise with God's Word. We must align our will with God's will. Fence riders or compromisers never have a problem with anyone. But when we want to "build the walls of Jerusalem", to repent and get our life right with God, evil spirits that hate God will rise up in other people to mock us. We then think there is something wrong with us and we cave in. To not compromise is to have a steadfast adherence to a strict moral or ethical code. It is synonymous with honesty, sincerity and incorruptibility. God uses obstacles in our lives to train us to follow His ways and He will enable us to respond in a righteous manner. If you say, "I'm saved by grace," and turn from righteousness, you're a compromiser and defiled. Do not compromise God's Word! Sanctification is a lifetime process. Thank God that He is the Potter and we are the clay.

13LHDVD5-1 - Geri McGhee - FEAR - When we fear God we won't fear anything else. Perfect love casts out fear, and to overcome fear we have to lay down every idol. Some of our big idols are, "I have to succeed, I have to be perfect, I can't fail, I have to find somebody to love me, I've got to be accepted by other people, I have to be noticed." If we expect other people to meet these needs, we will be angry because they can not deliver. Anger is connected to a hot wire that is connected to an idol in our life. When the fear comes, take your idol up the mountain and lay it on the altar. Ask God to bring glory to Himself through it. You have to give up every idol in your life to glorify God. So be it. We ask one thing, that we please God. Keep on repenting until all fear, anger and pride are gone. Fear is faith in what the devil is telling you. It is

trusting in the wrong god. It is a yoke of slavery. Then the demon has a legal right to take us into bondage in whatever area we are dealing with. Job is our example of fearing God and dealing with pride. Finally he repented of pride in sackcloth and ashes. Fear and that whole nasty mess will leave when you really mean it. The testing of our faith will produce endurance and trust in Him.

13LHDVD5-4 - Geri McGhee - ORNAMENTS OF PRIDE - It is said that more people are set free by breaking evil soul ties than for any other reason. Anywhere you violate the Word, evil soul ties are formed. God is ironing out the wrinkles in the lives of His people. We either have on His ornaments or the ornaments of pride. Prov. 1:8,9 tells us that if we obey father and mother, there is imparted to us an ornament of grace. His ornaments are also imparted by Godly wisdom. Understanding is the truth that sets us free. This comes thru His Word. One of the ornaments is a meek and quiet spirit. We need to fear the Lord and avoid evil. What are we covered by? It is necessary to put on the Lord Jesus. And we are accountable for all that we are shown. We need God's strength as we are unable to win these battle on our own. We can trust Him. Some examples of ornaments are obedience, praise, salvation, righteousness, joy, etc. An example of a way to lose God's ornaments is found in Ex 33. This talks of being stiff-necked and how God responded. But Eze. 16 shows that God will wash away the pollution of our lives and give us His ornaments. We can't trust in our looks, money, intellect, etc. Let's choose God's way. Deliverance follows.

13LHDVD7-5 - Geri McGhee - SPIRIT OF HAUGHTINESS - Geri has been seeking healing for her eyes and has been repenting of haughtiness and pride. She is learning that a haughty spirit is connected with eye problems. "Pride" is a feeling but "haughtiness" is a thing that lifts itself up. It is a principality over pride. If we exalt ourselves we put God down and make ourselves great, wanting to be noticed, being a blabbermouth. If we want to be honest, we have all been haughty. God gives us the grace to make the right choice to be patient and humble. It's hard to admit that our haughtiness is rooted in pride and rebellion, stubbornness and witchcraft. Do not allow Python, Leviathan, Jezebel or any anti-Christ or divination spirit block us from hearing what it is God wants us to hear. We keep thinking and saying the same wrong things because that is what is in our hearts. A haughty spirit is condescending and finds it difficult to tolerate other people's character flaws. Being critical, sarcastic, scoffing, insolent and a slanderer reveals a haughty spirit. Humble yourself and ask God to reveal to you the root cause of haughtiness and pride in your heart then thoroughly repent and set out to be delivered of all that corruption.

13LHDVD9-7 - Geri McGhee - PAIN - GOD'S ALARM SYSTEM - The answer to every problem you have is in the Word of God. Go to spiritual roots and you will find that pain is tied in with soul ties. Geri says she sees many people healed by breaking soul ties and dealing with old wounds and unforgiveness. Through soul ties, you acquire the demons, mental problems, sexual problems, addictions and physical infirmities and pain of the person you are bound to, in the soul realm. Geri develops this lesson with diligence and great care helping us to understand how many ways vexation and sin will snare us and as a consequence we are continuously tormented in our bodies and souls. For example, if you watch pornography, through soul ties you will have a pedophile spirit, a homosexual spirit, adultery, fornication, and lust. It is possible that a soul tie can be established in you because of an event that happened to a forefather. Perhaps you have pain today because of physical abuse you received as a child. Learn how the Philistine spirit will bring great pain and destruction to you. If you have pain in your body, find out where the vexation is. Get it out of your heart and get pain out of your body. Deliverance prayers follow this teaching and soul ties are broken.

13DELTRDVD-7 - Geri McGhee - WATER SPIRITS - A water spirit is a deceiving, lying spirit which comes in through the words we speak and words we hear. The Book of Revelation tells us "the serpent opened his mouth as a flood against the Woman". The "Woman" is a type of the Church. One of the ways lying water spirits speak to us is over the air waves. We will be swept away by those lies if we are not clear about what the Bible says. We are continuously being conditioned by this flood of lies from all forms of media. Remember, if a thought contradicts the Word of God, it is of the devil. Through movies, books, TV and cartoons, seeds of perversion and witchcraft are being planted in the spiritual gardens of our children.

Plant the Word of God in their gardens instead. Evil water spirits of pride and defiance will block us from taking action. Dagon, Leviathan and Poseidon are water spirits which clothe us with their strong, scaly hides as a shield to defend our pride. Leviathan, the sea monster, a water spirit, is awakened through our cursing. He is satan, king of the sons of pride. Get out of that crocodile skin and put on the humility and meekness of the Lord Jesus Christ. Deliverance prayers follow this teaching.

13LHDVD11-3 - Geri McGhee - A HAUGHTY SPIRIT - The dictionary meaning of haughty is: arrogant overbearing pride evidenced by a superior manner toward others, unreasonable self esteem, condescending, egotistical, controlling, display of being better and superiority. However, the biblical definition is simple – to exalt yourself. It's hard to differentiate between haughtiness and pride. Prov. 16:18 says that "pride goes before a fall and a haughty spirit before destruction." Prov. 18:12 tells us that "Before destruction the heart of man is haughty and before honor is humility." Prov. 21:24 tells us that "Proud and haughty scorner is his name, who deals in proud wrath." It seems as though pride is how we think and feel and haughtiness carries it out. We know that according to God's word, neither is pleasing to Him. He points out the problem in order that we may deal with it. Anything in our lives that is opposite of God's way is sin. 11 Sam. 22:28 ... "Thine eyes are upon the haughty, that thou mayest bring them down." If we don't deal with it, He will! In 1 Cor 13, we see that "love doesn't seek it's own." When we are haughty, we are seeking our own. Col. 3:5 reminds us we are to "reckon ourselves as dead unto sin but alive unto God thru Jesus Christ." Geri gives many scripture references on how we are to deny ourselves and consider others because it is through death to our flesh that the life of Jesus can manifest in us. Deliverance prayers follow.

13LHDVD11-7 - Geri McGhee - SPIRIT OF INSOMNIA - Could it be that God is dealing with you? A clear conscience is important to be able to sleep peacefully. Worry can keep you awake as well. Millions of Americans suffer from insomnia and other sleep disorders which keep them from functioning normally during the day. Insomnia can lead to obesity, diabetes, heart disease and stroke. Taking medicine to induce sleep is like putting a band aid on a spiritual problem. Geri is convinced the sleepless person is unable to enter into God's rest because of curses, which is God's judgment carried out by demons. That is how God brings discipline to His children because of His great love for us. Perhaps the problem is found in the lives of your ancestors. Check to see if you are in rebellion and disobedience against God in some area of your life. Unforgiveness, unbelief, fear of the future and anger will rob you of peace. Be transformed by the renewing of your mind. Repent over the Word, submit to God, take the yoke of Jesus and find contentment in your life...mental and emotional satisfaction. The Lord is our Shepherd, we shall not lack any good thing and that includes a good night's sleep.

14LCDVD2-1 - Geri McGhee - ORPHAN SPIRIT - Today many people are suffering from an orphan spirit even though they have never been put in an orphanage or foster home. We are opened up to an orphan spirit if we lacked care, love, parental involvement and nurture as a child. A person with an orphan spirit feels cut off from the Father, feels they have no spiritual inheritance, no sense of security or the feeling of being protected. We feel like no one really cares about us or our destiny. We don't seem to be able to enter into rest for our soul, forever feeling inferior. Most likely we will have an attention-getting spirit, fear, terror, victim mentality, lack of trust...always looking for someone to be what our parents were not. In John 14:18 Jesus promises that He will never leave us nor forsake us ... He will not leave us orphans. He will never let us down. We have been adopted into the Kingdom of God and we are of a different family. Allow the radiance of God's glorious love to relieve us from the torments of the orphan spirit. We can cry, "Abba, Father!" Deliverance prayers follow this teaching.

14LCDVD2-4 - Geri McGhee - PAIN - There is physical, emotional, mental, and sexual pain. Pain comes out of vexation in your heart. Ecclesiastes 11:10, "Put vexation out of your heart and put pain out of your body." Vexation means wrath, anger, sorrow, provocation, hurt and idolatry. It is idolatry because in your pain you go to something or someone else, not to God. If you have pain, you have something spiritually wrong with your body. You cannot medicate a demon. When you have things go wrong, go to God and find out what He is trying to teach you about the sin in your life. When you find out where pain came in, you

can be healed. Break soul ties that exist between you and those who have hurt you throughout your life. You do not have to live with the pain and sickness that comes with those associations. Bitterness will create diseases such as arthritis and cancer. The location of your pain has a lot to do with what you are bitter about. Also, there is a curse working in the area of your sickness. Jesus bore all this pain at Calvary, but we have to meet His conditions to be healed. We must die to sin and live to righteousness or we will pay the price. Deliverance prayers follow this teaching.

14LHDVD4-2 - Geri McGhee - THE SPIRIT OF REJECTION - Rejection is an evil principality, an evil spirit that rules over many lesser demons, especially in the realm of fear. This includes fear of rejection, fear of failure, fear of not being loved, fear of not being perfect, fear of not looking good, fear of being blamed, and thousands more. Many times these spirits come in through negative words, through the power of the tongue and verbal abuse. When you were criticized by your parents you were opened up to spirits of rejection, shame, self-hatred, self-rejection and anti-Christ spirits. Rejection is a spirit of hate. Demon spirits of rejection and fear and all like spirits carry on for four generations. It is time to put an end to this corruption in our family line so our descendants can be spared. Parents, do not say negative things to or about your children because they will become what you say. Start speaking blessings. A child of rejection will either be a perfectionist performer or will live out the negative words spoken about them. Deliverance prayers follow this teaching.

14LHDVD4-7 - Geri McGhee - THE LAW OF SOWING & REAPING - God has laws that govern His universe. He also has His law of sowing and reaping. All of us are reaping what we have sown. We are also reaping what our forefathers have sown...those sins that were never taken to the cross. We can put all of the forefathers' sins under the blood of Jesus and repent before the Lord. As we break curses off our blood line and cleanse it with the blood of Jesus, the assignments and power of the curses are cancelled and we do not have to live in bondage and torment. Scripture tells us to honor our father and mother. This is a simple and fundamental key to a good and long life. Even if they mistreated you and it seems impossible to honor them, you must forgive them by sundown. If these issues are not resolved, an unconscious block will exist between you and your Heavenly Father. These defaults are reset when you forgive your parents. Lay down your idols of anger, rage and wrath or you along with your family will be thrown into a spiritual prison. Deliverance prayers follow this teaching.

14LHDVD5-3 - Geri McGhee - HOW THE ENEMY GETS GROUND - Geri teaches that we have demons because of sin, and we are sick because of sin. All of our problems are rooted in sin. Our problems are there because there is a lesson God wants to teach us. Submit unto the Lord, resist the devil and he will flee. When we seek God with our whole heart He will save, heal and deliver us...this is God's promise to the overcomers. Every time we conquer a giant in our life we enter into God's rest. In Matthew Chapter 11 Jesus says to take up His yoke and He will give us His rest. It is because of sin that we have, for example, stress, anxiety, frustration, anger, and sleepless nights. These problem areas are demonic strongholds. We can't cast out a demon if we do not repent of the sin that gives it a legal right to be there. Without true and continued repentance, then after you receive the deliverance you fought for, the enemy will come back with seven of his friends and take over your "house". When we submit to God, He will humble our pride and lead us to true repentance which prepares us for deliverance whereby we become sanctified. This is an ongoing, lifelong process. God is preparing us to do the works of Jesus in this day...heal the sick, cleanse the lepers, raise the dead and cast out devils. We must not think of our own strength as our god. Our strength is in the Lord and in the power of His might to overcome our adversary the devil. If we violate our covenant with the Lord we become spiritual adulterers. Another way the enemy gets ground is when we yield to the sin of idolatry in all of its many forms. Deliverance prayers follow this teaching.

14LHDVD5-7A & 7B - Geri McGhee - ENTERING GOD'S REST BY CONQUERING GIANTS - The giants in your land are the problem areas that loom in your life...areas where you feel hopeless, worthless, and you feel no good, like a loser. The giants in your land are your spiritual enemies. We have to overcome the giants of anger, bitterness, sexual perversion, pornography addictions, adulterous

relationships, drug addiction, alcohol, depression, discouragement... Every time you conquer one of those areas you enter God's rest in that area. What God has taught me to do is look up all the scriptures on that subject and then repent over all of them. Geri tells us how she gives herself to God and resists the devil and he flees. That is self deliverance. You get delivered as you line your life up with the Word of God. God says He sends His Word to heal you. There is always something God wants to teach you in everything you go through. Search the Word for what it says about health, finances and relationships. Unrest comes in through disobedience to the voice of God's and His Commandments. Die to who you are so Jesus can be Who He is in you. Deliverance prayers follow this teaching.

14LHDVD5-11 - Geri McGhee - BARRIERS TO DELIVERANCE & HEALING - Exodus 23 tells us God will drive demons out of our "land" little by little lest we are overwhelmed. Not being born again is the number one hindrance to deliverance and healing. People believe in their head but they have not been transformed in their heart. They must be born again and transformed into a new creation. The church is full of religious Pharisees who do not deal with their sins. If what you say does not line up with the Word of God, you need deliverance. Heart issues need to change. Your tongue is a restless evil full of deadly poison, so take your thoughts captive. If you do not do that, you go backwards and that is one of the roots of Alzheimer's disease. Not dealing with bitterness will work out in your body as physical illness. Secondly, unbelief and doubt hinder deliverance and healing. If you do not have a clear conscience you can not have confidence in God and you will not believe what His Word says about sin. Whatever your problem is, if it doesn't go away no matter how much you pray and bind and cast out, search the scriptures to find out what to repent over. Find out what you need to die to. Break the generational curses and take accountability for their sins. Deliverance prayers follow this teaching.

14LHDVD7-2 - Geri McGhee - WATCH OVER YOUR HEART - From the heart flow the issues of life, so watch over your heart. The issues of life are all the sins you were born with through iniquities of the forefathers, the things that happened to you that you did not forgive, the times you let the sun go down on your anger, and the sins you have committed and have not confessed. That is a lot of stuff that is buried down in your heart. Your thought life totally comes out of what has been stored there. You can know what is in your heart by paying attention to what comes out of your mouth. The more pure your heart is, the more pure your thoughts, the more pure your words and the more pure your actions. Be careful what you allow your eyes to look at...TV, movies, video games. Psalm 101:3 "I will put no unclean thing before my eyes." You will reap what you sow, so deal with every hidden, secret sin. To be a disciple of Christ we must bear good fruit. God will bless us as we seek to be changed so that one day He will not tell us to depart from Him. Deliverance prayers follow this teaching.

14LHDVD7-10 - Geri McGhee - SICK BECAUSE OF SIN - All of us have a hidden storehouse of wounds, hurts, our wrong responses to what was wrongly done to us since childhood. If we let the sun go down on our anger, the next day it becomes unforgiveness, then festers into bitterness. Unrepented sin brings sickness and disease. God tells us that if we confess our sins He is faithful and just to forgive and cleanse us. Yielding on the potter's wheel is abiding in Christ. Whatever part of your body needs healing, search the scriptures referring to that part, repent, and healing will come. Mark 12:29-31. "Hear, O Israel; The Lord Our God is one Lord. And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength; this is the first commandment. And the second is like, namely this, "Thou shalt love thy neighbor as thyself." When there is a love issue there is a sin issue which brings a curse which brings sickness and disease. When we study the Beatitudes we will learn to love our neighbor as ourselves. Deliverance prayers follow this teaching.

14LHDVD8-4 - Geri McGhee - HOW TO HAVE MOUNTAIN MOVING FAITH - In James 3:1 it says if we can control our tongue we can control our body and circumstances. When we speak the word of God, angels carry out the Word of God. Demons watch us and carry out the devil's words, those words that contradict the Word of God. Mark 11:22 "If you do not doubt, you shall have what you ask." When you stand praying, forgive, because the promises of God for the overcomers are conditional. We must walk in

obedience. If you think you have forgiven someone but you are still arguing with them in your head, it is an unresolved issue with your mother or father. It is impossible to have faith if your conscience is defiled. 1 John 3:21. Listen to what is coming out of your mouth and notice what you are thinking. That reveals what is down in your heart and that is the source of unbelief. God does not want us to be passive towards faith, but energetic and forceful. 1) Get to know the Promiser. 2) Cleanse your self from defilement. 3) Read and meditate on the word of God and repent over it. 4) Have faith that God has healed you. 5) Speak God's words in faith. 6) Endure and persevere. 7) Plant the seed of faith and watch it grow. Deliverance prayers follow this teaching.

14LHDVD8-8 - Geri McGhee - GOD WANTS YOU HEALED - God says signs and wonders will accompany His Word like a fire and a hammer that breaks rock. Geri shares with us how God has healed her. Problems will cause you to press into the Lord. Search the Word regarding the symptoms that are presenting in your body. Pull up all the scriptures pertaining to that area and repent over each verse. God will reveal to you the source of your infirmity. Continue this process of diligent searching, repentance and prayer. He sent His Word to heal you. Whatever you sin with, is where the judgment of God will be. In Job you will realize that nothing happens to you without God's permission. It is the fire of God that brings judgment. Psalms 17:13 God uses the wicked as His sword and His bowstring. He has a plan to discipline, perfect and purify you. After repentance, God can restore all that was taken away. God wants you healed ... body, soul and spirit. It is His will that you walk in divine health. God disciplines you for your good that you might share in His holiness. Identify and renounce all idolatry in your life or lose God's hedge of protection. If you truly obey God's Word, He will defeat your enemies, so possess your land. Deliverance prayers follow this teaching.

14LHDVD11-2 - Geri McGhee - THE CHARACTERISTICS OF A FOOL - The dictionary definition of a fool is: mad, a stupid one, destitute of reason or powers of understanding, an idiot, one who is deficient in intellect, a person who acts absurdly, one who does not exercise his reason, one who pursues a course contrary to the dictates of God's wisdom. Scripture calls a fool a wicked or depraved person, one who acts contrary to God's wisdom in morality, a buffoon, one who follows his own inclinations, one who prefers trifling and temporary pleasure to the service of God and eternal happiness. A weak Christian is a fool. A fool spends his time in idleness, and no matter how much a fool is instructed, he thinks he has a better way and needs no advice. The pestle of chastisement grinds and grinds but a fool never "gets it". Adverse circumstances come and he always thinks the trials are the fault of somebody else, so the refining goes on in vain. Proverbs teaches us much about the sad life of the fool. A wise person is considered good, a sheep, wheat and is blessed, but a fool is considered evil, a goat, a tare, and is accursed. If this is speaking to you, ask God to teach you His ways and lead you out of the lifestyle of a fool. Deliverance prayers follow this teaching.

14LHDVD11-7A & 7B - Geri McGhee - THE WISE OR FOOLISH VIRGINS - In this time, we are desperate for true wisdom that comes from God, the truth that sets us free. Over and over in scripture, we see examples of the importance of wisdom. In Matthew 25: 1-13 is the parable of the wise and foolish virgins. We see that all of them took lamps and went out together but only five of them took extra oil, resulting in the need to go buy oil and when they came back, the door was already closed to the wedding feast. Matthew 7: 24-27 tells of the wise man who built his house on a rock as compared to the one that built on sand and was washed away. The importance of bringing forth good fruit is emphasized. It's not enough to believe in Jesus...demons believe and tremble, and we know where they're headed... we must obey God's Word. We don't obey to get saved. We obey because we are saved. In John 15:1- 11 we see the result of the good fruit tree as compared to a bad fruit tree which is cut down and burned. Tares and wheat look alike but the time will come for them to be recognized for what they are. Many, many scriptures are given to show the necessity of obedience and the connection to wisdom. We choose whether to obey or to rebel and... Deliverance prayers conclude service.

14LHDVD12-3 - Geri McGhee - BUTTON PUSHERS - Geri begins her teaching by explaining that a button pusher is that raw, sore, touchy place in our life that has not been healed. We might be having a happy day until somebody looks at us crooked or says something insensitive and it “rains on our parade”. When we step outside the refuge of God and walk in rebellion, we are open season for the devil. God is coming for a people who are working out their salvation with fear and trembling. So whenever our button gets pushed, we need to ask ourselves this: where did we let the sun go down on our anger and when did we turn to an idol, a false god? When we turn to an idol for solace, we develop a root of bitterness. We can trace it back to an unresolved issue with our mother or father. As soon as we deeply forgive, there will no longer be an issue. If we can not get over an offense, we need to look deeper and deal with generational curses and sins. We must ask God to forgive all the sins of our forefathers that were never before taken to the cross and break soul ties. Also, our own words reveal what is in our true heart. When heart wounds get healed, we will no longer respond with hurt or anger and have no buttons to push. Deliverance follows this teaching.

14LHDVD12-8A & 8B - Geri McGhee - HARD HEART - What’s keeping us from being healed? Some place in our life our heart has become hardened, and it could be coming down generationally on all of us. Isaiah 12:40 A heart hardened against God causes us to have eyes that do not see and ears that do not hear. This hardness of heart has blocked us from the truth that sets us free. What is required is a process of continuous repenting over the Word. The reason for judgment on us is unclean lips, unbelief and rebellion against God. Scripture warns us that death and life are in the power of the tongue. We will have what we say. When we use many words, transgression is unavoidable. We must live a crucified life with the Lord. God expects us to give control of our life over to Him. We die to our flesh when we choose to do what God wants us to do. We will experience opposition from Leviathan, king over all the sons of pride, a type of satan. Every time we submit to our flesh, we manifest the character and nature of satan. Gal 5:19 The fruit of the spirit is the character and nature of Jesus Christ is produced in us when we deny ourselves and soften our hearts toward Him. Then by His stripes we will be healed. Deliverance prayers follow this service.

15LCDVD2-3 - Geri McGhee - WHY LIFE DOESN'T GO WELL - Our hearts are like spiritual gardens, soil, land and fields. Things have been sown into our spiritual gardens and today we are reaping the crops of what was planted there. If you feel anger toward your parents, you must forgive them of all their offenses. If you do not deal with each unresolved issue of your heart, especially concerning your parents, and forgive those who have offended you, the doorway will open to allow demons to enter your soul. You must forgive by sundown or you will go into a spiritual prison. If you do not forgive you will not be forgiven. How you are trained up sets a default, but those demonic defaults are broken when you forgive. To be healed, delivered and sanctified you have to be specific in naming the people and offenses you are forgiving. Take your hurts to the cross or you will turn to idols for comfort and set in motion patterns of abandonment, rejection, abuse, being unloved and unwanted. These are the issues you fight about in your marriage. If the bitterness stays in your heart, eventually it is going to manifest as sickness. The key to all deliverance is dealing with unresolved mother-daddy issues, so forgive your parents and honor them in that way. Deliverance prayers follow this teaching.

15LCDVD2-5 - Geri McGhee - HOW WE SEE GOD - When troubles come along in life, a person with a fainting spirit wants to give up, quit, bail out, and if he’s married he wants a divorce every time. The Bible tells us to count it all joy when we go through trials, knowing that the testing of our faith produces endurance. Those who endure to the end will be saved. The promises of God are to the overcomers. Don’t give up. Keep going. Take a step at a time. How do you see God? What makes you want to faint? Do you think God doesn’t want to talk to you or is a liar like your daddy? Until those mother-daddy issues are dealt with, we will not be able to endure trials. God wants to conform us to His image and increase His life in us. God allows trials to come. He disciplines us because He wants to correct our mistakes. God is all knowing and He will help us because He loves us. We must keep our eyes fixed on Him. God deals with us as sons. He disciplines us for our good that we might share His holiness. There is no healing without sanctification

of the soul, and without sanctification, no man will see the Lord. Chastening produces the peaceable fruit of righteousness, so submit to the chastening of Father God. Deliverance prayers follow this teaching.

15LHDVD4-4 - Geri McGhee - OVERCOMING THE SPIRIT OF FEAR - This message is a thorough study which teaches us how to overcome fear once and for all. Fear is sin and it is a demon. Geri presents many Scriptures to help us understand the doorways that allow fear to enter us. We will never be free from fear until we are willing to give up our life and all our idols, those works of the flesh...ungodly desires. When we speak of our fears, we are prophesying over our life, what is going to happen, because we have what we say. Our heart is a spiritual garden and we have to be very careful what we plant there. The media's agenda is to plant fear in our hearts. God commands us to be anxious for nothing. Fear, stress and worry wear down our immune system. If our ways please the Lord, there is no need to worry. We are to walk on the Highway of Holiness and keep turning from evil. Breaking covenant with the Lord will cause us to live in fear day and night under a yoke of slavery and bondage to that demon. Many believers are hysterical with fear because they were raised by parents who were controlling, angry, abusive, irresponsible, and incompetent. Let's forgive them quickly and abide in the shelter of the Most High God, our loving Father. Deliverance prayers follow this teaching.

15LHDVD4-6A & 6B - Geri McGhee - SPIRITUAL ROOTS OF DISEASES - God's perfect will is that we never get sick. He wants us to live in divine health. What makes us sick? Sin does. The Bible and many secular studies connect unforgiveness and unresolved social conflicts with disease. Disease means 'lacking peace'. Unless we deal with negative emotions and troublesome issues, our bodies will suffer pain and sickness. Isaiah 26:3 says, "He will keep us in perfect peace because our mind is stayed on Him." If we walk in perfect peace is it possible that we can walk in perfect health? See how important it is to not let the sun go down on your anger. Be aware of an unloving spirit that might be living in you which is a voice that you think is you. It continuously harasses your mind to causes you to live in fear and self-hatred. Not forgiving yourself leads to torment and self-condemnation. Self-hatred is one of the major roots of diabetes, headaches, migraine headaches, MS, rheumatoid arthritis, lupus, Crohn's disease and other auto-immune diseases. Deal with curses and sins, both generational as well as your own, and find that precious peace in Christ...completeness, safety, soundness in body, nothing missing and nothing broken. Deliverance prayers follow this teaching.

15LHDVD5-2 - Geri McGhee - OVERCOMING THE SIN OF PRIDE - Why is pride the greatest sin? Because everything pride does is "I, me, my". Pride causes you to live just for yourself. If you do not allow Jesus Christ to conform you to His image, you will become a bitter fool. If you submit to Jesus through your trials, His yoke will produce the fruit of the Holy Spirit in you. Let Him as the Potter fashion you into what He created you to be. A Pharisee or legalist will have to perform for God but will just wear themselves out. These are some synonyms of pride: a high opinion of yourself, of one's dignity and importance, superiority, taking pride in your outward behavior, bragging, disdainful, lofty, arrogant, dictatorial, overbearing, dominant with an air of contempt, manifesting a haughty air or walk, having to be the star of everything, putting on airs, being aloof, having audacity, bluster, conceited, conspicuous, egocentric, high-minded, insolent, rude, overbearing, pompous, presumptuous, scornful, self-important, self-love, smugness, vanity. The proud haughty scoffer acts with insolent pride. Those who exalt themselves hate the Lord. Humble yourself and let Him produce His character and nature in you. Deliverance prayers follow this teaching.

15LHDVD5-6 - Geri McGhee - DELIVERANCE PRAYERS - The sanctification process takes a lifetime and requires much prayer. "To be made holy" requires that we forgive our offenders. If we can easily forgive, it is not a heart issue. Otherwise, we need to go for the root, an issue stemming from our childhood. Geri teaches us how to forgive our mother and father and sever cords of control linking their soul and human spirit to our soul and human spirit. Until we forgive our parents for not nurturing us adequately, we will reap the same difficulties everywhere we go in our daily lives. How we see our mother and father is how we see God. It creates a perverted image of God and that is how a fainting spirit comes

in. When trials come, we easily faint away and give up. Ask God for the Father's Glory to come to us. Geri prays Psalm 23 and Psalm 91 as a way to strengthen our belief in our Heavenly Father's complete and eternal love for His children. She teaches about curses that come because of sexual sins, generationally and our own: the illegitimate child (a ten generation curse), incest, bestiality, pornography and prostitution, to name a few. Powerful prayers break curses and soul ties with every person we have encountered sexually. God cleanses us from all defilement.

15LHDVD7-2 - Geri McGhee – TAKE YOUR THOUGHTS CAPTIVE - Donation \$6.00 - Take your thoughts captive, because what you think can make you sick. All thoughts of doubt, fear and anxiety come from the devil. Rebuke the enemy of your soul and start quoting the Word of God out loud. Every fear in your life has to be overcome if you are going to walk in divine health. Fear will destroy your immune system, so take captive every thought to the obedience of Christ. It is not an option. Any thought you have that does not line up with the Word of God is a thought from the pit of hell. Reject it immediately. How do you take your thoughts captive? 1) Recognize the source of those defiling thoughts. Bad memories from childhood? Repent for your wrong reactions to them. Break generational curses. 2) You had better know what the Word of God says or you will be deceived by false prophets. Consider the news media's onslaught of fear mongering. 3) God wants you to love yourself with His estimation of you. 4) Realize that fear is a demon and is sin. 5) A broken and wounded spirit needs to be healed so you can stand strong. Tell that unloving, lying, anti-Christ, nit-picking, satanic spirit of fear to get out of you, in Jesus Name. Deliverance prayers follow this teaching.

15LHDVD7-7 – Geri McGhee – SOUL TIES - Donation \$6.00 - Geri tells us she has seen more people healed through the breaking of soul ties than she has by any other message God has given her. She teaches how to get free from the bondage of curses and ungodly soul ties. A soul tie is a connection between people and it exists in the supernatural realm. An evil soul tie is a connection like a string, rope, cable, or chain, depending on the depth of sin a person has with another person. You can not see a soul tie with the human eye. It is something you see in the spirit realm. A soul tie is the joining or knitting together with the soul of a person ... you get a part of them and they get a part of you. It is possible to have soul ties with thousands of people. Through soul ties you carry the demons and the familiar spirits, the mental illness, the addictions, the perversions, the depression, the sicknesses of any person you are connected to with a soul tie. A soul tie develops because of an unholy alliance or perverse relationship. Your soul gets scattered and fragmented when you compromise and come into agreement with sin, or if you have ever been abused. No sin is as destructive to your soul as sexual sin. Evil soul ties must be broken. Deliverance prayers bring freedom from soul tie enslavement.

15LHDVD7-9 – Geri McGhee – BITTERNESS - Donation \$6.00 - God wants us to be conformed to the image of His son, Jesus Christ. God uses our trials to discipline and purify us because He disciplines every son whom He loves. If we are obedient and allow Him to correct us, we will continue to be conformed to the image of Christ. In that way we will be restored back to the image He created us to be in the Garden of Eden. On the contrary, if we get bitter and do not humble ourselves and go to God's Throne of Grace, He calls us illegitimate children. We will then be conformed into the image of the beast. A root of bitterness will spring up in us and many will be defiled. Bitterness is defined as a dangerous error or schism, a breach of charity, tending to draw people to apostasy which is the abandonment of what they once professed. It means extreme and irreconcilable enmity, ill will, grudge, hatred, discouragement, hopelessness, grief, spiritual adultery, fruitlessness, wrath, anger, clamor, slander, malice, and Wormwood. We must forgive others by sundown every day or a root of bitterness will develop and we will enter a dark and gloomy prison. God wants us to sparkle with His glory as Light Bearers. Let your Light so shine. Deliverance prayers follow this teaching.

15LHDVD9-4 - Geri McGhee - THE LAW OF SOWING AND REAPING - Donation \$6.00 - Our heart is our land, our spiritual garden. When we become a living being in our mother's womb, our spiritual garden already has some "giants in the land". Briars and thistles were planted from offenses committed

against God by our forefathers. As life goes along, we plant our own seeds of corruption, and spiritual giants begin to overtake the good fruit that has been produced. We must choose to overcome spiritual giants of fear, pride, arrogance, rejection, infirmities, insomnia, panic, torment, adultery, and all sexual perversion, just to name a few. Deal with every evil thought, word, attitude and action and take it to the Cross. Jesus Christ died to purify us from every lawless deed. Know that what parents do will be multiplied in their children when the law of sowing and reaping activates. If you want victory, ask God if you dishonored your father and mother. God's commandment sets in motion the forces of that law. Repentance and deliverance is God's pruning that allows us to conquer giants and bear much good fruit. Deliverance prayers follow this teaching.

15LHDVD9-6 - Geri McGhee - YOU HAVE WHAT YOU SAY - Donation \$6.00 - Geri shares with us that she has been seeking healing for her eyes since 1987. As she would go before the Lord, He began to show her the ways her life did not please Him. It eventually came down to doubt and unbelief. That was the issue. The Lord has shown her how to build faith in her life by speaking words of faith, planting words of Scripture in her spiritual garden. If you keep saying God's Word long enough, it will get down in your spirit and become real to you. Our words reveal our true heart. If you transform your vocabulary, you can transform your life, because you will have what you say. When the devil speaks doubt and unbelief into your mind, tell him he is a liar. When you align your mind with the word of God, then prosperity and health come. Mark 11:23 is the key to victory ... mustard seed sized faith to have whatsoever you desire. If your conscience is clear, faith will come automatically. When we speak negatively over our children, mates, and our situation, we put people in a spiritual prison. We bind them with our words. If we can control our tongue we can control the direction of our life. Ask God to change our vocabulary and teach us how to talk. Deliverance prayers follow this teaching.

15LHDVD11-4 - Geri McGhee - WORD CURSES - Proverbs 26:2 Every curse has to have a cause. Curses are carried out by demon powers and their swords. Sources of curses: 1) Generational iniquities of the forefathers. Exodus 20:20 "Do not worship false Gods or serve them or I will visit the iniquities of the fathers to the third and fourth generation." Satan wants these curses to continue down through the generations, so his strategy is to have every generation increase in wickedness. 2) Do not bringing a cursed object, an abomination to the Lord, into your house. Deuteronomy 7. Acts 19:19 The children of Israel burned all their occult books and cursed items. 3) Because we are Believers, satanists and witches are cursing us. Often without intending to, people speak curses over us, we speak curses over each other and over our children, and we speak curses over ourselves. 4) There are curses spoken by God because of our disobedience to the voice of God and His commandments and statutes. It is important to read Deuteronomy 28. Take accountability and repent for your sins and the generational iniquities of your forefathers that would bring any curse on you and your children. 5) The curse of infirmity is rooted in sin. Deliverance prayers follow this teaching.

15LHDVD11-6 - Geri McGhee - THE SPIRIT OF LONELINESS - Loneliness is a powerful force in people's lives, an evil spirit, a serious spiritual enemy. Lonely people know that being around people does not take away loneliness. It can be characterized by feeling 'lonesome', devoid of sympathetic companionship, solitary, isolated, having an empty, hollow feeling, not having anyone to share your innermost thoughts and feelings. It comes in through inadequate parenting, a lack of interaction and intimacy, a young life sadly devoid of meaningful communication. A child then feels unloved, unwanted and rejected and tends to withdraw into himself and will put up walls of isolation. Then a default to loneliness is established that regulates their entire life until they forgive their parents and God sets a new default and retrains them to seek out relationships. When we experience loneliness, it is an opportunity to draw near to God. Loneliness can be satisfied by having an intimate relationship with Jesus Christ, our best friend. We need to cultivate heart to heart fellowship with other believers and think of how we can be a blessing to them. God desires of us, as members of His Body, to be interdependent and one with Him and one another. Deliverance prayers follow this teaching.

15LHDVD12-3 - Geri McGhee - YOU MUST BE BORN AGAIN -When you are truly 'Born Again', your life will change. You cannot continue living after the flesh. The fear of God will come all over you. People seeking deliverance must first be Born Again. Examine your heart: Am I a reprobate? Am I a new creation in Christ? Is God doing a transforming work in my heart? Do I live according to my flesh? (Galatians 5:19) Do I hold to demonic doctrines? Do I compromise? Am I on the Potter's Wheel so He can perfect me? Am I a slave of sin or a slave of righteousness? Do I have a love of the truth or has a strong delusion been sent to me? Am I entangled in the world? Do I love God with my whole heart? Do I love others? Am I being led by the Spirit? Am I denying myself and putting to death the deeds of the flesh? Am I an Overcomer or am I overcome? Will I endure to the end that I may be saved? Do I have the witness of the Spirit that I am a Child of God? Do I want to please God more every day that I live? Am I committed to the Word of God? Am I consumed by Him? Does He have first place in my life? Do I abide in Him and stay under His control and authority? Know that God will walk you out of the darkness as you obey Him. Deliverance prayers follow this teaching.

15LHDVD12-5 - Geri McGhee - OVERCOMING ANGER, UNFORGIVENESS & BITTERNESS - If you let the sun go down on your anger, that anger will lead to unforgiveness, then bitterness. If you do not deal with these negative emotions, they can work out in your body as physical sickness such as cancer. If we do not forgive, God says He will turn us over to the tormentors, which means demons which inflict pain. If you are an angry person you are full of demons. You will be tortured and tormented all your life until you forgive. For us to live an overcoming life, we cannot allow anger, unforgiveness, bitterness, even depression or discouragement. When you feel sickness coming on you, ask the Lord, "What are you trying to teach me through this? What do I need to repent of?" Do not give anger a place in your life. It is linked to idolatry, rebellion and witchcraft. When you are 'bothered' could it be that God is trying to remind you of something that you said or did? Search your heart and detect what makes you angry or fearful, what depresses you, what are your button-pushers? If you get impatient and frustrated, calm down. Get off your judge's bench, put people in God's courtroom and rest your case. Leave the vengeance to God. Deliverance prayers follow this teaching.

15LHDVD12-10 - Geri McGhee - BEING SCATTERED - This message deals with the subject of multiple personality disorder, also known as disassociative identity disorder. This affliction comes in through abuse, especially extreme cases of satanic ritual abuse. These people change personalities like switching channels on a television set. Geri tells us how for ten years she prayed deliverance for a girl who had been ritually abused in satanism. She had many demonic breeches which allowed alternate personalities to come into her and scattered her soul. Satanists destroyed her personality by binding her to demons or other persons. They began to rebuild demonic personalities in her. Every false personality is a breach in a person's spiritual wall and a soul tie is formed. Scattering is experienced even by those of us who have not been victims of ritual abuse. Many of us have soul ties with other people. A soul tie binds you to the other person's sicknesses, their familiar spirits and their demons. Scattering comes through soul ties, false shepherds, our own evil deeds and pride. Breeches and scatterings have to be healed one by one. Until we repent and forgive, the breach will stay open and we will remain scattered. Deliverance prayers follow this teaching.

15LHDVD12-11 - Geri McGhee - MASS DELIVERANCE - Geri felt led to take the congregation through mass deliverance. The subjects she dealt with are breeches in our heart, the fear that comes from living in this fear-driven world, fear of the One World Order, fear of concentration camps and the Mark of the Beast. She then explained how soul ties can be the source of pain in our bodies. Children get soul ties through phones, games, the internet, movies, TV, and toys. There is a thread of witchcraft and a satanic plot running through all these devices for children. Geri taught how to break soul ties and curses of sexual sin with the Sword of the Spirit. She ministered prayers of forgiveness and deliverance from soul ties which come through sexual sins, generational curses, the curse of the bastard, the curse of incest, rebellion, the root of rejection and perfectionism. She showed us how to "bring each other into the Sanctuary of the Lord." We learned about an unloving spirit, a spirit of self-hatred. Geri called on the congregation to speak

out some of the unkind, horrible names said to them since childhood that were meant to belittle, ridicule and demean. Randy Richey led with prayers regarding present day demonic manifestations occurring in church services.

16LCDVD2-2A & 2B - Geri McGhee - HEALING THE BROKEN HEART - Donation \$6.00 - "Broken hearted" in the Hebrew means to burst, break down, break in pieces, crush, destroy, hurt and quench. In the Greek it means to be crushed completely, shattered, broken in shivers, to be bruised. The dictionary definition is a crushing, anguish, distress, to be burdened with sorrow, grief, disappointment. Any time there is sin in our heart, it is a sad place. Sadness in our heart will make us sick. A broken heart can cause physical and emotional pain and is the root of addictions and heart disease. God uses circumstances to reveal to us areas He wants to deal with and cleanse. When a problem arises in your life, always ask the Lord, "What are You trying to show me? What have I done wrong and how have I mistreated others?" Thank God for revealing to you what is hidden in the deepest recesses of your heart, repent and get delivered. Soul ties that are ungodly must be severed. Put vexation out of your heart and put pain out of your body. Instead of humiliation we will receive the joy of the Lord. A joyful and undefiled heart is good medicine. After all our deliverance we will become the Priests of the Lord, Oaks of Righteousness, Healers of the Breach, His Overcomers. Deliverance prayers follow this teaching.

16LCDVD2-4 - Geri McGhee - DEAL WITH YOUR ANGER - Donation \$6.00 - Jesus taught us that the whole law is fulfilled when we walk in love. When we are angry we break God's law of love. Anger is attached to a hot wire that is connected to an idol. Anger is idolatry just like any sin is idolatry. For example, depression is rooted in anger. Depression is sin and it is idolatry. We have a standard of how we think life ought to be, but when life does not go our way, we slide into depression. How do you know if you have an idol? If you get angry when you do not have something you want, or if you have it and you become angry when it is taken away, it is an idol. Fear is linked to anger and idolatry. You know you have an idol if you fear you will not get a certain something or you are afraid you will lose it. Do not compromise or allow anger in your life. It is sin and it is not acceptable. Anger opens the door to not forgiving, sickness and death. All idolatry is witchcraft and rebellion. Deuteronomy 32 tells about the progression of heartache and disease that come when we refuse to banish idolatry from our lives. The Book of Proverbs, Ecclesiastes 7:9, 11-10 and Ephesians 4:26 have much to teach us about the disastrous consequences of anger. Deliverance prayers follow this teaching.

16LHDVD3-2 - Geri McGhee - THE GRASSHOPPER SPIRIT - Donation \$6.00 - A 'Grasshopper Spirit' is someone who does not know who they are in Christ. They live in fear and confess the facts of what they see, but instead they need to state the truth of what God's Word says. Numbers 13:25 tells about a troubling report of giants in the land of milk and honey. "We saw ourselves as grasshoppers in their sight." Joshua and Caleb responded, "But the Lord is with us...fear them not! Follow the Lord fully so you and your children will possess the land." We must live an overcoming, sanctified life. The giants in our land are anger, addictions, perversions, bitterness, unforgiveness, fear, infirmities...all those things we have to overcome so we can possess our land. A person with a Grasshopper Spirit is in constant turmoil and never enters God's rest. They see themselves as worthless and little in life's difficult situations. They want to quit and run every time there is a problem. The Grasshopper Spirit can come in through fear of man if you grow up with angry, raging parents. Jesus says, "Come unto Me all ye who labor and are heavy laden and I will give you rest." It is a picture of yielding to the leading and control of the Holy Spirit. Deliverance prayers follow this teaching.

16LHDVD5-4 - Geri McGhee - EVIL SPIRIT OF REJECTION - Donation \$6.00 - Geri begins by making a distinction between the evil spirit of rejection and the inevitable rejection that comes when you follow Christ. When Christ is in you, you will be rejected because people are rejecting the Christ who is in you. Noah condemned the world by his righteousness, by the way he lived. Today you are the righteousness of God in Christ Jesus. You can expect rejection if you are going to follow Christ. You are to welcome it, rejoice and be exceedingly glad as approved of God and consider yourself blessed. The world

hated Jesus before it hated you. When you are a lukewarm fence rider nobody who is in the world ever says anything, but when you want to follow God fully, you are some kind of 'weirdo' to the world. Then Geri teaches about the evil spirit of rejection that operates in us called an unloving anti-Christ spirit. The principality of rejection works closely with the principality of fear. This monster rules over many lesser fears. Geri lists those fears which plague most of us and have come down our generational lines or have entered us through trauma. All of these evil spirits have their roots in idolatry. Let us seek to be free from these tormentors. Deliverance prayers follow this teaching.

16LHDVD5-6 - Geri McGhee - PEOPLE PLEASER - Donation \$6.00 - Some of us are extreme, habitual people pleasers, some are moderate people pleasers, and some try to please people every now and then, but God demands that we give 100% of our pleasing to Him. He commands that we align our lives according to His Word. He will bless us when we suffer for doing His will, because we entrust our soul to a faithful Creator who will always do what is right and will reward us in Heaven. If we live to please man we are going to suffer the consequences of not having God's favor, plus all the judgment and demons that come with those choices. People pleasing is one of the many fruits of rejection. It works with multiple spirits of fear. People pleasers wear themselves out jumping through the hoops of others. In the quest for pleasing people, they will be bowing down to the idol of acceptance of self and the approval of man. They say, "Do not reject me or be mad at me, do not be angry or upset with me." People pleasers are cowards who enable other people. God pleasers will speak the truth in love regardless of the consequences. Revelation 21:11 says, "The cowardly and unbelieving will not inherit the Kingdom of Heaven." Deliverance prayers follow this teaching.

16LHDVD7-2 - Geri McGhee - FINANCIAL DISTRESS - There are scriptural reasons why we are in financial distress. If we do not love the Truth and walk in the Word we will be sent a strong delusion. One of the first reasons we may have financial problems is that we are not willing to work. The second thing would be the generational iniquities of our forefathers. Anytime they violated the Word of God, three to four generations came under a curse. Demons carry out those curses. Blessings come when the Word of God is obeyed and we are thankful for God's many blessings. Another reason for financial problems is the word curses spoken over our finances by ourselves and other people. Also, dishonoring your parents will cause your life to not go well and that can include financial distress. Additionally, the wealth of the wicked is stored up for the righteous. The Word says arrogance and pride interfere with blessings. Dig into your own word study on wealth, riches and prosperity and learn why your finances are in distress. Deliverance prayers follow this teaching.

16LHDVD7-8 - Geri McGhee - WHOSE SPIRIT IS MANIFESTING THROUGH YOU? - Jesus is humble and meek but the spirit of satan is pride. That pride got satan, Lucifer, Leviathan, kicked out of Heaven. Read what he proclaimed in Isaiah 14. You are either letting Jesus Christ or satan manifest through you and rule you and there is no in-between. Day by day, moment by moment, choose to deny yourself, be dead to your flesh and follow the Lord, His ways, will, character and nature. That is what it means to humble yourself under the mighty hand of God and walk in the Spirit. The mystery of the ages is "Christ in us the hope of glory". If you have invited Jesus Christ into your heart, He lives within you. Who can comprehend what that means? He wants to live His life through you by the power of the Holy Spirit. All else is worthless vanity, disaster, desolation, wood, hay and stubble and it is going to be burned up. Be meek, gentle and lowly. Submit to Jesus Christ and wear the yoke of His Lordship. Ask God to order your steps and live through you for His glory. Deliverance prayers follow this teaching.

16LHDVD9-2 - Geri McGhee - EARS TO HEAR - Donation \$6.00 - Isaiah 50 says, "God wants to give us the ear of a disciple so we will not be disobedient and turn back." Having 'ears to hear' means having a hearing heart that seeks after the Word of God. Jesus says in Mark 4, "Take care how you listen because words are seeds." If you listen to words that are contrary to God's Word you are planting weeds in the spiritual garden of your heart. Not having 'ears to hear' is the root of all kinds of physical problems of the ears such as allergies, infections, fungus, and hearing loss. Sometimes hearing problems originate in

childhood if someone is unable to forgive their parents for physical and verbal abuse. Judgment comes when we let the sun go down on our anger, but healing comes when we forgive our parents, even grandparents, and break the power of evil soul ties and familiar spirits. The Word says hearing problems parallel our not listening to God, but he who listens to life-giving reproof acquires understanding and the ears of the wise seek knowledge. Deliverance prayers follow this teaching.

16LHDVD9-7 - Geri McGhee - THE FRUIT OF PRIDE - Donation \$6.00 - Pride is like an iceberg. We can repent of what we see as pride in ourselves, but then some more floats up. Pride is the worst sin because it is the character of satan. The works of the flesh, the many manifestations of pride, are listed in Galatians 5:19-21. Pride is inordinate self-esteem, unreasonable conceit of one's own superiority, talents, beauty, wealth, accomplishments, rank, elevation in office, it manifests itself in lofty 'airs', distance and reserve, contemptuous of others, insolent, impatient, haughty and rude treatment of others, vain, boastful, fond of presenting one's own endowments or works to others in an advantageous light, showy, gaudy, intended for vain display, arrogant, the act of taking too much upon oneself, bold and confident to excess, dictatorial, overbearing. On the contrary, we are required to live and walk in the Spirit, nature and character of Jesus Christ, Who is meek and humble of heart. The fruit of His Spirit is listed in Galatians 5:22-23. Deliverance prayers follow this teaching.

16LHDVD11-4 - Geri McGhee - THE WISE OR FOOLISH VIRGINS - Donation \$6.00 - Mathew 25 tells about the wise and foolish virgins. This applies to both men and women. The virgins are supposed to be the pure bride of Christ, those who enter into a covenant relationship with Jesus. He is coming for a pure Bride, full of the Holy Spirit. Characteristics of the wise and foolish are named in Psalms and Proverbs. The foolish virgins are simple, silly, easily seduced, showing a lack of sense, foolish in actions and speech and they babble non-stop, are arrogant and careless. But the wise have the power of discernment, and judge properly as to what is true, discretion, prudent, knowing the Word of God, a disciple. The wise person will hide the Word of God in his heart, will try to increase in learning, will accept wise counsel, will live soberly. A wise person will love you if you correct them but a fool will hate you. So stay yielded to the Potter, abide in Christ, keep on confessing your sins, line up your life according to the Word of God and He will change you into His likeness. Deliverance prayers follow this message.

16LHDVD11-6 - Geri McGhee - BARRIERS TO HEALING - Donation \$6.00 - Unbelief is one of the greatest barriers to healing because you have to have a clear conscience in order to believe God and receive His gift of faith. Beware of thoughts of doubt. Break generational curses of rebellion against God. Through perfectionism you can put a heavy yoke of stress on you own neck. A spirit of fear is at the root of autoimmune diseases. Another barrier to healing is leading a life that does not bear fruit for the Kingdom of God. If you "stuff" your emotions, that will cause abdominal problems. Do your best to stay free of prescription drugs because every side effect is another disease. Remember, death and life are in the power of the tongue, and as you think in your heart, so your soul will prosper and you will be in good health. Anger, bitterness and unforgiveness lead to disease. Occult worship, involvement, covenants and articles lead to disease and death. The list goes on and on. Diligently search God's Word to find more barriers to healing, then deeply repent. Deliverance prayers follow this teaching.

16LHDVD12-2 - Geri McGhee - ISSUES OF THE HEART - Donation \$6.00 - This teaching begins by explaining that a soul tie is a spiritual connection. A soul tie can bind you to somebody by any sin you have committed with them, or to anybody you have judged or sinned against, or anybody who has sinned against you. A soul tie is like a thread, a string, a rope, a cable or a chain, depending on the depth of your sin. With a soul tie you can carry the sicknesses and diseases of that person, their familiar spirits, addictions, mental and emotional problems, and you can carry their demons. If they sin against you and you let the sun go down on your anger, an evil soul tie will be established. Anger and unforgiveness will keep you bound by satan and his demons, those tormenting spirits that bring sickness and diseases. Every time you repent you get free of a demon. Transfer judgment from your courtroom to God's courtroom, to lawful authority. He

will exact justice on your behalf. When we are under God's refuge, curses and the breath of the ruthless cannot disturb us. Deliverance prayers follow this teaching.

16LHDVD12-8 - Geri McGhee - FINANCIAL PROBLEMS - Donation \$6.00 - Giving is a spiritual thing. God wants to bless your finances so you can bless other people. By your standard of measure it is measured back to you. Look in God's Word for answers to financial problems. Geri teaches us how to do a word study and repent over the Word of God. Find these Scriptures and many others: To dishonor your father and mother will set you up for poverty. Who sows righteousness gets a true reward. The wickedness of your forefathers can bring poverty upon you. The wealth of the wicked is stored up for the righteous. Much wealth is in the house of the righteous but trouble is in the income of the wicked. The wicked sow deceptive wages, but who sows in righteousness gets a true reward. Arrogance and pride against the Almighty brings poverty. The reward of humility and fear of the Lord are riches, honor and life. Wealth obtained by fraud dwindles, but the one who gathers it by labor increases wealth. Align yourself with God's Word and be blessed! Deliverance prayers follow this teaching.

17LCDVD2-2 - Geri McGhee - THE PURPOSE OF SUFFERING - Donation \$6.00 - Suffering is part of the human condition. The key to victory is how we react to it. Whatever you go through, the answer to every problem is in God's Word. God tells us to count it all joy when we go through various trials, knowing that the testing of our faith produces endurance. James 1:12 says, "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love Him." We need to go to God with our problems or we will get bitter instead of better. A root of bitterness will eventually kill us. That is why we cannot allow anger and fear to fester in our life. We must take our sorrow to the Throne of Grace and deal with it God's way. It helps to understand that the purpose of each crushing trial is to make us more like Jesus, to conform us to His image. Get on the Potter's Wheel and submit to the fashioning of the Potter. Have the unshakable assurance that God can transform something terrible into something wonderful. Deliverance prayers follow this teaching.

17LCDVD2-4 - Geri McGhee - SAY WHAT YOU WANT, NOT SAY WHAT YOU SEE - Donation \$6.00 - The facts may present themselves in a certain way, but the truth is what God's Word says. Words are seeds, and what we plant in our spiritual garden is what grows there. The tongue is a restless evil full of deadly poison. It sets on fire the course of our lives and it is set on fire by hell. We just do not know the power of words, and without meaning to, we constantly curse our children, others and ourselves by our perverted words, and we plant certain evil spirits in our spiritual gardens. Jeremiah says we are to pull down, uproot and pluck out, then plant and rebuild. Words are the most powerful, potent spiritual force on the face of the earth. Words of blessing have the ability to bring healing, health, prosperity, joy, gladness and peace to our hearts. Words contrary to the Word of God can bring death, sickness, disease, poverty, depression, destruction and ruin. We are either speaking a positive or negative force against our lives, blessings or curses. We will have what we say. Deliverance prayers follow this teaching.

17LHDVD4-4 - Geri McGhee - HOW THE ENEMY GETS GROUND - Donation \$6.00 - Geri shares many Scriptures to help us learn what God says about preventing the enemy from gaining ground in our lives. I Peter 5:8 You can be in a 'swallowed up place'. It is a picture of a false refuge. Psalms 91 says we are to be under God's refuge. Outside of that we are in satan's territory, the shadow of death. Psalms 107:10 If you spurn the counsel of God you will be a prisoner of misery and shame. Amos 9:3-4 God will command a serpent to bite a rebellious man. Psalm 17:13 Deliver me from thy enemies which is thy sword. Acts 13:40 Take heed not to be a scoffer. Habakkuk 1:1 God creates and sends evil people and their demons to judge and correct us. He will destroy the pride and stubbornness of Judah. Psalms 81:15 Those who hate the Lord pretend obedience. Anyone who does not love the Lord, let him be accursed. Demons carry out curses and holy angels carry out blessings. Be faithful to the Lord so the enemy cannot get ground and bring deep darkness and gloom to your life. Deliverance prayers follow this teaching.

17LHDVD5-4 - Geri McGhee - PAIN - GOD'S ALARM SYSTEM - Donation \$6.00 - Geri explains how soul ties can carry pain. She has seen more people healed through breaking soul ties than anything else. Medication is not God's ultimate remedy for pain. The best the world wants to do is to manage pain. It's really putting a band-aid on a spiritual problem. She teaches about the spiritual roots to pain. God wants to heal us when we meet the conditions. He's made a provision for us at Calvary. Many Scriptures are shared regarding healing - God sent His Word to heal us! Geri leads the congregation in thorough repentance and into deliverance. You can be set free listening to and participating in this message.

17LHDVD5-6 - Geri McGhee - INSOMNIA - Donation \$6.00 - Geri comes out of the gate stating that in spite of what the world tells you, insomnia is a sin problem, not a disease. It basically enters because we have not learned to enter God's rest. It comes in through the lack of peace. After years of ministering she has also seen that insomnia is often rooted in not having a good earthly father which gives a child a sense of protection, safety and covering so they have nothing to fear when they go to bed at night. When a child grows up with that, they have no problem expecting God to provide that same level of love. Praise the Lord for His Word which is the Truth that sets us free. Deliverance ministry is included in this message.

17LHDVD7-2 - Geri McGhee - SOUL TIE - Donation \$6.00 - Before Geri gets into the meat of her message she shares a statement that has come not only from years of experience in the deliverance ministry but also from being delivered herself: "Deliverance in a nutshell is just James 4:7, 'Submit yourselves therefore to God. Resist the devil, and he will flee from you.'" More importantly, she offers everyone the opportunity to examine whether or not they are truly born again in their hearts - not just believers in their heads. A soul tie is a connection in the spirit realm. Geri teaches in depth, the various types of soul ties and their corresponding consequences - depending on the level of sin you have been involved in. Extensive prayers of repentance and breaking of soul ties is included in this message.

17LHDVD7-6 - Geri McGhee - THE LAW OF SOWING & REAPING - Donation \$6.00 - Geri looks at sowing and reaping from many different aspects. The things that bother you about your children, ask God first if you did the same thing. And then repent for what the Lord shows you. If we don't deal with our issues, we're going to reap it through children, grandchildren, jobs, bosses, finances, health, relationships - the list goes on and on. Through experience Geri has learned that nine times out of ten if you are having problems with your mate, it's because you're living with your daddy or your mother and God's trying to show you to just forgive your father or mother for the thing you can't stand about your mate. You will see sowing and reaping in a whole new light after listening to this life-changing message. Deliverance ministry concludes this service.

17LHDVD9-2 - Geri McGhee - CAN A CHRISTIAN HAVE A DEMON? - Donation \$6.00 - The scores of Scriptures Geri shares in this message are given to hopefully clear up any misconceptions about the validity of the deliverance ministry. Deliverance never stopped after Jesus went back to the Father. Among other things He gave Christians the commission to cast out demons. It is one of the signs that follow believers. Sin is behind why we have demons and true repentance invites the Holy Spirit to begin the process of deliverance through the mighty name of Jesus! It is the authority of Jesus that the demons have to obey. As He increases in us and we decrease, that authority becomes more recognizable. The more we submit to God in all things, the greater the anointing will come forth through us. Pride, unbelief and doubt are the biggest obstacles to deliverance and healing. Deliverance ministry concludes this message.

17LHDVD9-6 - Geri McGhee - YOKES OF BONDAGE - Donation \$6.00 - The purpose of a yoke is for subjection or servitude. This message is not about physical yokes but spiritual ones - those you cannot see

with the human eye. Many neck problems are caused by having the wrong yoke on your neck. You know you have the wrong yoke if you're living a life of unrest. Jesus promises rest to those who are yoked to Him. When we wear His yoke the character and nature of Jesus is produced. Any other yoke produces the character and nature of satan. You're either serving God or your serving the devil. The enemy's yoke is a yoke of bondage that brings fear into your life and causes your life to be dominated by fear. How do we wear the yoke of Jesus? Geri answers that question with various Scriptures. She also compares the fruit and manifestations produced, depending on which yoke you are wearing. Extensive repentance prayers and deliverance ministry for yokes of bondage conclude this excellent teaching.

17LHDVD11-4 - Geri McGhee - THE WONDERFUL NAME OF JESUS - Donation \$6.00 - What a wonderful message on the wonderful name of Jesus! We really don't comprehend the fullness of His name but He has given us authority to use it to carry on His Kingdom purposes. He requires us to live holy and obedient lives - surrendered to Him as best we know how to be. The privilege of using His name has some conditions - requiring faith in Him, His name and in His Word. God gives us the authority to use His name according to His Word. If your mountain is not moving, you need to seek the Lord for the reason. Geri gives personal testimony about repentance, unbelief, doubt and how repentance has been the vehicle to remove unbelief concerning healing of her eyes. Many gems of truth are revealed in this teaching as well as deliverance prayers and ministry.

17LHDVD11-6 - Geri McGhee - MENTAL ATTITUDE - Donation \$6.00 - A good mental attitude affects all of us. A good mental attitude is better than mental ability. You have to make the best of where you are. Your circumstances may not change but you can make the choice to have a different attitude and that changes you! Develop an attitude of gratitude. Geri dives into the many Scriptures that reflect what makes for a good mental attitude. Her ability to apply the Word of God to everyday living and make it sensible, shines throughout this entire teaching. How we treat others is how we will be treated. The "knit picking" spirit is one that constantly throws the same accusation at you, attempting to tear you down. Geri leads the listener in prayer to forgive and be set free. The Holy Spirit anoints this time of ministry then freedom in Jesus results. Additional teaching and ministry toward our "defaults" makes this an excellent message to listen to, get set free then share with others. Deliverance is a process and this teaching "processes" us!

17LHDVD12-3 - Geri McGhee - HEALING OF THE PRENATAL WOMB - Donation \$6.00 - In her opening prayer, Geri asks the Lord to give the listener a sovereign gift of grace to forgive, to know the Father's love and to know they are not a mistake. Healing and deliverance begins right out of the gate with this opening prayer. The message deals with generational sins of the forefathers and sins that we have committed that we have not confessed before God. You can be "confessed" up but not see everything and we want the Holy Spirit to keep revealing the sin in our life so it can be repented of. Geri is very transparent as she shares things God has and is dealing with her about. She is one of the most repentant people we know, yet she continues to ask the Holy Spirit to reveal more layers of sin and iniquity that has been hidden because she so desires to live holy and righteous before Him. Geri breaks down examples of sins from the womb. (Examples: Psa 58:3 "The wicked are estranged from the womb: they go astray as soon as they be born, speaking lies", and Isa 48:8 "Yea, thou heardest not; yea, thou knewest not; yea, from that time that thine ear was not opened: for I knew that thou wouldest deal very treacherously, and wast called a transgressor from the womb.") Prayers and ministry relating to the subject matter conclude this message.

17LHDVD12-7 - Geri McGhee - BITTERNESS - Donation \$6.00 - The Word of God says it's the truth that sets us free. Yes, sometimes we need some help from ministers or teachers but the Word of God is the truth that brings freedom into our lives. However, we are required to obey what His Word tells us in order

to receive the benefits. We must deal with fear, anger, hurt, and depression, all of which leads to bitterness in our lives - if we want to be free and if we want to see God. We must repent if we want to get free of the demons attached. God is merciful and will show us the things that we need to repent for. The Word of God tells us that a curse without a cause cannot light. So if there's a curse, there's a cause. How we respond to our trials decides whether we will be bitter or better so we must learn the correct way to respond. Deliverance is all about repentance. When we repent, the demons leave because they have no grounds to stay. One example Geri uses is about what happens if we are not producing acceptable fruit. Bitterness in our lives will cause us to produce bad fruit. John 15 tells us that if we bear no fruit, we are cut off as a branch, and destroyed by burning which may pertain to terminal diagnosis from your physician. Ephesians 4:17-32 gives instruction on how we are to walk if we want to be fruitful- how we are to treat others as well as instruction to not grieve the Holy Spirit of God. The things we go thru in this life are to conform us to the image of Christ according to Romans 8:28, 29. In Romans 8:10-13 we read of the danger of wounding someone's conscience. What happens is, whatever is done to them begins to manifest in the wounded one. Example: If someone is molested, they may begin to masturbate or molest someone else. They have received the spirit of the one that wounded them. Until they forgive, they are bonded to the molester. Romans 2:1 says we become like the one we judge. Regardless of the situation, we must forgive, so that no root of bitterness can grow. Prayers and ministry for deliverance conclude this message.

18LCDVD2-2 - Geri McGhee - DYING TO SELF - THE SECRET OF THE POWER OF GOD -

Donation \$6.00 - Paul said he died daily. Positionally for us, that took place at Calvary but we have to appropriate that death, moment by moment and die to self. Most of us live the opposite - we are slaves to our bodies. Paul said when we walk in the spirit we won't fulfill the lusts of the flesh. How do we walk in the Spirit? We stay dead! The only reason for us to die to the flesh is for the life of Jesus Christ to live in and through us. Self can no longer be our reason for existence. We must exist to please God. 2 Corinthians, chapter 4:10-11 helps put it into perspective. "Always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be made manifest in our body. For we which live are always delivered unto death for Jesus' sake, that the life also of Jesus might be made manifest in our mortal flesh." Geri speaks about self-righteousness by telling the ladies about her "holy list". Your cross is anything where your will crosses God's will. Deliverance ministry concludes this message.

18LCDVD2-4 - Geri McGhee - BITTERNESS - Donation \$6.00 - You don't suddenly become bitter.

It's a process. The Bible says not to let the sun go down on your anger. You give a foothold to the devil every time you go to bed mad, hurt, or upset. If you don't deal with it that day, the next day it becomes an issue of not forgiving. If you allow it to fester, the result will eventually be bitterness. Much emphasis is put on forgiveness, what it means, how it works, why it can sometimes be so difficult. We all have history of going to bed angry, not forgiving and becoming bitter. To unravel much of that mess we need the Holy Spirit to bring to our attention the events and actions we need to repent of. This message helps that process. It also gives understanding for the listener, to get it right - starting today! Turn the battle at the gate - don't go to bed before you settle the issue. Bitterness is a walk of death. It not only affects your spirit man but your physical body as well. It is poison! Many prayers, confessions, and eradication of the enemy take place in this service.

18LHDVD3-3 [DVD - \$6.00] - Geri McGhee - BEING BORN AGAIN - From the time you accept the

Lord, if your life has not changed, if there has not been a heart change in your life, you need to be born again. A religious person is only concerned about things on the outside. A born again Christian wants God to deal with heart issues, things on the inside that are not pleasing to Him. God wants us to be born again. He wants us to overcome, to forgive and be conformed into His image and likeness. Jesus said we cannot even see (know, be acquainted with, and experience) the kingdom of God unless we are born again. Geri clarifies that no one has yet to reach perfection - we are all a work in progress. When we allow the Holy Spirit to work in us to produce the fruit of the Spirit - the nature of Jesus becomes more evident. 1 John 3:9 in the Amplified says, "No one born (begotten) of God [deliberately, knowingly, and habitually] practices sin, for God's nature abides in him [His principle of life, the divine sperm, remains permanently within

him]; and he cannot practice sinning because he is born (begotten) of God. We are all sinners but this is talking about practicing sin. And even when we have a problem with a particular sin, we are seeking God for His truth so we can be set free to no longer commit that disobedience to His Word. Extensive ministry takes place at the conclusion of this message. If you have any doubt regarding being born again, either yourself or someone close to you, please get this message.

18LHDVD3-5 [DVD - \$6.00] - Geri McGhee - THE FEAR OF MAN - When a person fears man it brings a plethora of accompanying fears. When the Bible talks about fear of man it means to have more concern for mankind than for God. A person is actually under a curse from God when he trusts in man (Jer 17:5). When you allow someone to control you, you become conformed into their image instead of the image of Christ. Geri shares many Scriptural benefits to fearing the Lord. She profiles extensively through Scripture, the horrific consequences to hanging on to the fear of man. Fear is faith in what the devil tells you. Faith is faith in what God tells you. Also included in the message are many of the ways that fear of man enters into us. It's important to remember that God wants us to be completely set free of ALL fears that come from the dark side. Many were set free during the time of prayer and ministry and you can too, as you participate listening to this on CD, DVD or MP3. This message helps you to understand as you minister to others, how crippling fear of man can be in the life of the believer.

18LHDVD7-2 [DVD - \$6.00] - Geri McGhee - LEARNING TO ENTER INTO GOD'S REST - The only thing that frees you and brings you into rest is the yoke of Jesus. He says, "Come unto Me, all ye that labour and are heavy laden and I will give you rest ..." (Mt 11:28-30) We wear self-inflicted yokes and ones that others place upon us. You can't see yokes with the human eye. Two types of people find it hard to rest. The first is the perfectionist who has to have everything just right and gets mad if it isn't. God is a perfectionist but when your perfectionism becomes intolerance, then it's not God. A perfectionist gets their acceptance through what they do and they wear everybody out that is around them so that no one can rest. Everyone's on their treadmill! The second type of person is one who had to be the mommy or the daddy when they were growing up. The government is on God's shoulder. Your parents, for whatever reason, put the government on your shoulder and you receive the lie that you have to take care of everybody. We know that we are not overcoming when we live in a state of unrest. Self-sufficiency is one of our biggest obstacles to entering into God's rest. There are so many treasures shared in this message and there is not space to cover them all. We suggest you hear it for yourself. Prayer is included in the service.

18LHDVD7-6 [DVD - \$6.00] - Geri McGhee - HEALTHY BONES - This might be the first message you have ever heard on bones. Ezk 37 breaks down into a picture of being born again or not being born again. God wants us to see in His Word what is wrong with our bones. In some instances bones refer to a man's soul. In order for us to have healthy bones - both physically and spiritually, it is critical that we deal with sin in our lives. We don't just live with our sins and put up with them, we have to repent and quit! Fear is a sin. Unbelief is a sin. Anger is a sin. Geri brings insight into Scripture after Scripture concerning what God's Word reveals about bones, bone diseases and our spiritual condition in relation to bone problems. She states that 99% of the deliverance she has received over the years has come from aligning herself with the Word of God. James 4:7 is deliverance in a nutshell! Extensive repentance and deliverance prayers conclude this unique message.

18LHDVD9-2 [DVD - \$6.00] - Geri McGhee - PERVERSE SPIRIT - A perverse spirit is a crooked spirit. One of the roots to scoliosis is a perverse spirit - when your spine goes in a crooked direction. But you can have a perverse, crooked spirit and not have scoliosis. It does not have to just manifest in the physical realm but is also applicable in our spiritual walk. Geri outlines some of the meanings of perverse which include being stubborn, obstinate, fixed in opinion and much more. She then brings multiple examples from the Scripture of the many faces of a perverse spirit. We encourage you not to dismiss this teaching simply because of it's title. You will be amazed to learn the many operations of this spirit which have nothing to do with what we typically think of as only sexually related. This is an exceptionally balanced teaching on deliverance, being conformed into His image and likeness, and bringing distinction to

God working something in or out of your life, as opposed to just blaming everything on the devil. It really boils down to taking accountability for your sins, repenting and willingly submitting yourself to God. Extensive deliverance ministry concludes this message.

18LHDVD9-6 [DVD - \$6.00] - Geri McGhee - BARRIERS TO HEALING - Do a word study on plague, disease and sickness and read those Scriptures. You will see that God can and does allow sickness. Geri has seen so many miracles over reading the Word of God and repenting for the things God shows her. She goes so far as to say ninety-nine percent of the deliverance she has received over the last fifty-seven years has come by repentance through the Word of God. If you have not received healing after following the instructions in James 5:14-16, then ask the Lord to show you what the barriers are to your healing. For example the word disease comes from “dis + ease” so any place you are not walking in peace can open you up to sickness and disease. Geri shares over 30 possible barriers to healing and most of them are detailed with corresponding Scriptures. Prayers for deliverance and healing are included. (There was an electrical problem during the recording of this message and approximately 10 minutes was lost. Don’t let that deter you from obtaining it. Excellent teaching!)

18LHDVD11-2 [DVD - \$6.00] - Geri McGhee - WISDOM - THE PLACE OF UNDERSTANDING - Geri begins with prayer, reminding us that God is Wisdom and Understanding and that He is the Truth that sets us free. God tells us to forsake our folly, whatever it is, and live. Folly is the opposite of understanding. She gives examples of how we will be disciplined according to our particular sin. Job 28:12-28 is the reference for this teaching, telling us all the places that wisdom cannot be found and finally in vs. 28, we see that the fear of the Lord is wisdom and to shun evil is understanding. Proverbs 24:3 says by wisdom, a house is built and through understanding, it is established and through knowledge the rooms are filled. Scripture after scripture was used to show the importance of wisdom and understanding. At the end she has us pray to make sure we have true spiritual wisdom and understanding and not just head knowledge...that we’re truly born again. Deliverance follows.

18LHDVD11-5 [DVD - \$6.00] - Geri McGhee - SPIRIT OF STUPOR - The spirit of stupor – to lose one’s bearing or be disconnected - has various characteristics which we may have one or all and they are all evil. They may come from our sin or be generational from our forefathers. She begins by naming some of them...sleep, laziness, gluttony, sluggishness. Then she begins to describe the characteristics involved. This spirit can cause eye problems, back issues, etc. and are caused by not walking according the will of God. Romans 11:8 talks about a spirit of slumber which gives eyes that do not see and ears that do not hear...blindness and deafness in the spiritual or natural. She also noted that if we have been delivered from drugs and/or alcohol, there may be residue from our past still hanging on. Idleness causes slothfulness or stupor and there will be no fruit as a disciple. However, there is a remedy for our situation. If we begin to admit to our issues, repent, and get deliverance, we will be enabled to see and hear what God is requiring and stay under His protective hedge. There is a continual bringing forth of examples and scripture to explain these spirit’s sources and the ways to walk in victory over them. Deliverance follows.

18LHDVD12-3 - Geri McGhee - HOW TO DO WORD STUDIES - Geri begins by reminding us that the Word of God is settled forever. He watches over His Word to perform it. Jesus is the Word of God. She gives testimony of how the Word has brought deliverance and healing in her life. Instead of going to the world, we need to run to God. Proverbs 25:2 says, “It’s the glory of God to conceal a thing: but the honor of kings is to search out a matter”. She says that when we read or search out the Word of God, we are creating an atmosphere for Jesus. The Word says that the root of pain is vexation and that ‘the curse causeless cannot come’ which tells us that we need to go after the cause....anger, unforgiveness, pride, idolatry etc. Repentance over the Word of God brings healing and deliverance. So, if we have a problem, we are to simply go to God, ask Him what the issue is, repent and watch Him set us free. For example, if you have a back problem, begin to look up all the scriptures on the word “back”, or symptoms, and see what God shows you. She then gave very specific details as to how this is done: finding the applicable word in scripture, then reading - not just that verse but all the surrounding verses in that particular chapter,

repenting for everything mentioned, knowing that we or someone in our bloodline probably committed the mentioned sin and ask God to cleanse, heal and deliver. Geri uses several different passages, showing how to do this, leads us in prayer, asking God to show us our issues, and then does deliverance.

18LHDVD12-5 - Geri McGhee - THERE IS AN IDOL LURKING BEHIND YOUR ANGER - Geri dives right in with a statement that makes it clear. We are called to be overcomers and that means we must repent and get victory over the things that displease God or we will not inherit the kingdom. Whether it is fear, anger, depression, pride, etc... anything we put before God is an idol. She makes it clear that we're not talking about an occasional slip. The issue is whether it's our lifestyle to be angry. We're to look for the root of our problem and deal with that. It really all boils down to our control or lack of it concerning our life situations...our way or God's way. First Samuel 15:23 says, "Rebellion is as the sin of witchcraft and stubbornness as iniquity and idolatry". Regardless of the area, anywhere we are not submitting to God, there are unresolved issues and if we want to be free, we'll deal with them. We must stop playing the blame game and deal with our own issues. She uses several scriptures to show us how important understanding is...it is necessary to understand in order for the truth to make us free - John 8:32. Geri says the way to get rid of anger is to give it to God...die to it, using John 12:24 which states "Except a corn of wheat fall into the earth and die, it abides alone: but if it dies, it bears much fruit". She says to take it up the mountain and offer it to God - put it to death. Geri uses more examples, leads us in prayers of repentance and ends with deliverance.

19LCDVD2-2 [DVD - \$6.00] - Geri McGhee - BITTER JUDGMENT - God consistently uses Geri to deal with heart issues and this topic is no exception. Not only does the Holy Spirit reveal many truths here, but there is much wisdom to be gleaned from Geri's experiences. A bitter root judgment often starts in relation to an authority figure, i.e. parents, husband, boss, pastor, etc. It is a judgment you make against that person(s) and you let the sun go down on it without forgiving. It then becomes a bitter root down in your heart. Geri states she believes that this topic is 90 percent of the cause of why marriages don't work. Bitter roots bring about bitter fruit. Good roots bring forth good fruit. This message digs deep into sources of disease and physical problems. So many problems in life can be traced back to not honoring our parents and the Holy Spirit brings clarity to the truth of that as Geri teaches. A critical spirit is a misguided spirit of discernment. God allows us to see things so we will pray - not judge. Sometimes people have leg and feet problems because they are bitter toward the path they have had to be on. Extensive repentance, deliverance prayers and ministry conclude this teaching.

19LCDVD2-4 [DVD - \$6.00] - Geri McGhee - THINGS YOU NEED TO KNOW ABOUT YOUR TONGUE - This is an in-depth Bible study, where Geri gives us another principle for living an overcoming life. It centers on what we say, how we say it, where our words come from, blessing and cursing with what we say, and more. Words we speak, which are contrary to the Word of God, produce death and we are being a mouthpiece for the devil. God watches over His Word to perform it and so does Satan. We can bite and devour one another with words. That is a type of cannibalism. (Gal 5:15) Words of blessing produce life and health. We can destroy our marriages, our children and our health by the words we speak. Words can affect your sinuses, your weight, breast cancer and other health issues. We can't tame the tongue but we can cleanse our hearts, and that in turn brings our tongues under control. This is perhaps one of the most in-depth messages on the tongue that has ever been shared at LHBC. It's time to stop destroying one another with our words. There's truth to that old adage, "If you don't have something good to say about someone, don't say anything." Righteous lips are the delight of kings and that includes King Jesus! Prayers for deliverance conclude this awesome teaching.

19LHDVD4-4 [DVD - \$6.00] - Geri McGhee - THE LAW FOR THE LAWLESS - When we are in obedience we are in God's refuge. When we sin we are out from under His umbrella. That's when it's time to ask God what am I doing wrong? The lawless are the rebellious. We are in rebellion every time we walk counter to God's Word. That's why every time you align yourself with God's Word you are going to get freer and freer. This message is loaded with "teaching tidbits" - pearls of wisdom that she has learned

over her many years of serving God. She is a living testimony of walking in divine health and it's only because she goes to God when issues start to come up and deals with whatever sin God shows her. Her testimony is not founded in boasting but in giving all the Glory to God, so people might learn to practice repentance! "...so you may not do the things you please..." Paul said he died daily. When you walk in the Spirit you produce the life and character of Jesus. When you walk in the flesh you are producing the character and nature of satan. The real battle is in making the right choices - those that align with God. That is when the law of the Spirit of Life in Christ Jesus sets us free from the law of sin and death. We expose ourselves to the execution of the law when we step outside the law. It is only when you are traveling above the posted speed limit that you become a target for a ticket! Message concludes with deliverance ministry.

19LHDVD4-6 [DVD - \$6.00] - Geri McGhee - HOW TO HAVE A STRESS FREE LIFE - Geri opens in prayer. She begins by telling us that God showed her that stress is simply fear. We may call it tension, worry, pressure, strain, or anxiety, but in actuality it is fear...which is faith in what the enemy says rather than what God says. We are looking to something to make us happy or satisfied. It might be food, alcohol, other people...all idols. God wants us to look to Him for refuge. We know we have idols if we are angry if we don't get it or if we lose it. John 12:24 says unless a grain of wheat falls into the ground and dies, it abides alone. Mt 6:25-34 says we are not to be concerned about our lives because our Father knows what we need and will supply but He says we are to seek Him first. Geri references scripture, in Luke 13:6 speaking of a fig tree that had no fruit and the master was ready to cut it down but was willing to give it more time. 1 Cor 3:9 says we are God's building, a spiritual garden, the vineyard of the Lord. Is our vineyard producing good fruit? In John 15, we see that if we are producing fruit, He prunes so that we may produce more fruit. He saved us to become good fruit producers. Jesus says God is glorified when we bear more fruit and prove to be disciples. 2Peter1:3 says that we have been given through Jesus all things that pertain to life and godliness. We are safe if we stay on the potter's wheel. When the trees are producing good fruit, the hedge is protecting us. An example of the hedge being down is found in Proverbs 24:30-34. When we obey Him, we're protected by His hedge. We want the Master to be pleased with what comes forth from our vineyard. If we are dependent on someone or something other than God to satisfy us, we are being disobedient and are giving demons open doors. She compares the True Vine with the vine of Sodom which is satan in Deut. 32:32. There is a warning here. Know that when we are abiding in the True Vine, stress, fear etc vanishes but if not, we are vulnerable to our enemy and unprotected by God. Geri ends with prayer and deliverance.

19LHDVD5-3A & 3B [2 DVD Set - \$10.00] - Geri McGhee - WHAT'S BEEN PLANTED IN YOUR HEART? - Applying and appropriating the truths of this message will help change your life! It all boils down to good seed and bad seed. Deut 22 says you shall not sow your vineyard with two kinds of seeds, lest the produce of the seed which you've sown and the increase of the vineyard be defiled. In other words, the bad seed will destroy the good. If you've ever had a garden, you know you have to take care of the good plants. If you don't, the weeds will overtake the good plants. It's the same with the Word of God and seeds that are not of God. When the Word of God goes forth we should embrace it. If we don't we are anti-christ, because Jesus is the Word of God. We were all born with a garden full of junk. Our sins have planted things in our garden. Other people plant things in your heart. How you know what is planted is by looking at the fruit. If you let the sun go down on your wrath you have given the devil a foothold in your life. Whatever your problem is, God is trying to tell you that is the next thing He wants to fix. Ask Him what it is He wants you to learn. We are sowing every day of our lives. Many of us are sowing bad seed by the things we are saying about ourselves, our circumstances, etc. We need to quit speaking death and start speaking life. Geri grew up hearing, "God helps those who help themselves." This was "planted in her heart". It made her feel guilty and she would pray, "God, I can't help myself." God doesn't want us to do it ourselves - He wants us to stay yielded to Him. Geri believes that one of the biggest sources of sin in our lives is our mouths. She encourages the congregation to not think too badly of themselves. God's not going to "chuck" you and throw you away, saying "you're too bad." Everyone can be fixed by the Lord! Sanctification takes a lifetime. The Bible says, "Faith purifieth your soul." There is so much richness to

share concerning this message and not enough space to do it. We encourage you to get this and listen to it through to completion. Deliverance ministry is included, however, asking God to help you change the way you think and speak is what is needed.

19LHDVD5-6 [DVD - \$6.00] - Geri McGhee - PRINCIPLES OF ABIDING IN CHRIST - The title of this message basically means to yield to God. I choose His way over my way - His plan over my plan - His attitude over my attitude - His Word over my word. So you have to know God's Word. If we remain the clay and continue to yield to the Potter then the Potter takes out all our junk. When you are abiding in Christ the Fruit of the Spirit - His character and nature - is manifested in your life. When we yield to God, sometimes we have to suffer in the flesh. Geri quotes another minister as saying, "Your 'cross' is where your will crosses God's will. When you are under God's yoke, you can't be under someone else's yoke or you will be conformed to their image and likeness and not God's. Geri shares several benefits of abiding in Christ. We don't obey to be saved, we obey because we are saved! Obedience is a fruit of salvation. Geri leads the congregation in prayers of repentance and deliverance.

19LHDVD7-2 [DVD - \$6.00] - Geri McGhee - BESIEGED - Geri practices and teaches the Word of God. She has learned to defeat the enemy with God's Word. When the enemy projects lies to her, she counters the lies by speaking the Truth. That's what Jesus did. You have to be in the Word of God to know how to line yourself up with the Word of God! We are all a work in progress and God wants us to overcome. A person that is besieged is overwhelmed and overcome by the enemy. He has no defense against the enemy. The dictionary says, "to surround with hostile forces". A person who is besieged has had their spiritual walls torn down or breached. Geri explains the "breaches" in our spiritual walls. Victory comes by dealing with sin, repentance, curses and deliverance. Geri traverses through the blessings and the curses found in Deut 28 relating them to her topic on "Besieged". Many Scriptures are shared on our responsibility and need to "stand". The purpose of your trial is to conform you into the image of Christ. Do not be overwhelmed by everything that is wrong with you, or that you think is wrong with you. God is the potter and you are the clay. Stay surrendered to Him and He will do the work. He looks at our hearts! This message ends with extensive prayer and deliverance.

19LHDVD7-7 [DVD - \$6.00] - Geri McGhee - THE EFFECTS OF LACK OF DISCIPLINE - This message is for everyone, but especially for parents with children and for those of us who grew up without discipline being given. Discipline includes love, protection, care, provision, instruction, and guidance. Discipline is to correct mistakes. God disciplines every son who He loves. Every time we embrace God's discipline we are changed from glory to glory. Discipline is not child abuse. The Bible says to not discipline your children in anger. Geri has feasted on the Word of God for many years and we are nourished by her diet in this message! Scriptures that are shared give us understanding of God's discipline and it's application to our lives and also helps parents as they train their children. When a parent does not correct their child and lets them do whatever they want, they are teaching them to live after the flesh. Discipline causes us to be a happy person. Job 5:17 says, "Behold, happy is the man whom God correcteth: therefore despise not thou the chastening of the Almighty." Geri had to forgive her son, Todd, for being a grief and bitterness to her because of his homosexual lifestyle (Pro 17:25). Geri shares that mental illness can be directly related to disobedience to God's Word and His commandments. Geri knows people that punish themselves because they were not disciplined - they feel guilty. There are so many insights into problems people have due to lack of discipline, that you are just going to have to get the message to hear yourself! Prayer and deliverance ministry concludes this teaching.

19LHDVD9-2 [DVD - \$6.00] - Geri McGhee - A LYING SPIRIT - Merrill introduces Geri as a Lt. Col. in the Army of the Lord - not a paper pusher but one who leads her troops into battle! Geri continues in her commission to help believers be "kicked out of factory defaults" which were established in our growing up years, and embrace God's way of resetting bad patterns. This message on a lying spirit is not to condemn anyone who has been a liar but its intent is to cause you to not want to lie anymore. The Word of God

emphatically denounces lying. The most serious consequence of lying is that you will not inherit the Kingdom of God. The Fear of God turns us away from evil. We as believers, the church, families and our nation need the Fear of God! Why is lying wrong? When we are lying we are being a mouth piece for the devil and that is contrary to the character and nature of God. Jesus is the Truth - His nature and character is Truth! If you don't love the Truth, ask God to give you a love of the Truth. We all need God's help with this. As a born-again believer we must choose to die to being a liar. The Word of God is clear - we should be speaking, thinking, praying, living, walking and believing truth. We must be careful not to change the Truth of God into a lie - the outcome is not good! (Romans 1) Geri breaks down at least a dozen reasons for lying, more than twenty forms of lying and six ways that freedom comes. The issue of lying all boils down to making falsehood your refuge instead of making God your refuge. An interesting testimony was of praying for a man that had a tumor on his breast. The breast speaks of feeding. The Holy Spirit showed her that he was a liar - feeding people lies. Once there was repentance and prayer he was set free and the tumor left. This message on lying concludes with repentance and prayer for deliverance. Be willing to let the Holy Spirit show you those areas that need dismantling. This message will assist you in that decision.

19LHDVD9-5 [DVD - \$6.00] - Geri McGhee - BARRIERS TO HEALING - Are you ready to end the life of being a prisoner to band-aid methods of treating your problems? Do you long for God to plant your feet on higher ground by following His problem solving techniques? This is not a message on "self-help". There is nothing "academic" about it. It is a clarion call to allow the Holy Spirit access to your heart. Find the difference it can make in your quality of life, your relationship to the Lord and to others. Geri uncovers sins that hinder Christians from getting healed and delivered. Sin is behind why we need deliverance and to be physically healed. When we are going through something difficult we need to ask the Lord to show us what He's trying to teach us. Geri states, "Nothing can happen to a surrendered Christian unless God allows it." Get your paper and pencil ready. There are at least thirty different barriers shared that can impede or block our healing or deliverance. Throughout the message she stops on several occasions to give opportunity for repentance that is specific to certain barriers. At the conclusion she takes the congregation through confession and repentance of many of the points shared. It is not practical to list each barrier in this summary. Just know that if you are serious about walking in newness of life, there are keys given in this message that can open those doors. Remember, the husbandman must first be partaker of the fruits. A person is not able to upload this kind of content without it first being downloaded into them. Geri doesn't just talk the talk - she walks the walk.

19LHDVD11-4 [DVD - \$6.00] - Geri McGhee - DOUBLE MINDED - Geri begins by leading us in prayer of Ps.51:10. She then reminds us that in Jn.12, Jesus tells us 'that unless a corn of wheat dies, it will abide alone but if it dies, it bears much fruit.' This is telling us that in order to really live, our flesh must die. That is a requirement by God. She testified of recently waking up blind but that one eye was restored and she is seeking to be more yielded to God and is thankful that it is well with her soul. If we want others to see Jesus in us, we have to die. We must choose His ways, attitudes, plans and works over our own. She reminds us that the promises of God are to the overcomer. Fear, hurt, anger, depression must all go. If we are double minded, we are compromisers. Double minded people can have more than one personality. The Amplified Bible in Js.1:8 describes them as having two minds [hesitating, dubious, irresolute], unstable, unreliable and uncertain about everything he thinks, feels, decides. We must get free of all the minds that have ruled in our life in order to get the mind of Christ. The people that influenced our thinking as we grew up may even seem like it is our selves but we must let that all go. In Rev. 3:15 the Lord says He knows our deeds and if you are lukewarm, He'll spit you out of His mouth. Matt. 6:24 Jesus says no man can serve two masters. 2nd Tim. 3:5 talks about having a form of godliness but denying the power. 1 Kings 18:21 Elijah asks how long will you be of two opinions. Choose between God and Baal. God requires total submission. Geri then went through Ezek. 37 commenting on how this applies to becoming of one mind...examples of coming into agreement and submission to God. Jesus said if we're not with Him, we're against Him. Mt. 12:30. Geri continues, using numerous scriptures and leading us through prayers of repentance.

19LHDVD11-6 [DVD - \$6.00] - Geri McGhee -PHYSICAL AND SPIRITUAL ADULTERY - Geri takes the first fifteen minutes to share several illustrations of the believer and the Potter's wheel. She does this to encourage people so they are not overwhelmed, thinking there are so many things wrong with them that there is no hope. No matter how bad we are or how much junk we have, as long as we stay yielded to the Potter we can't miss God. But we have to die to our flesh and there are some things we are doing that we just have to stop doing. Spiritual adultery is when you pray a prayer to receive Jesus and your heart goes after other lovers. Anything that makes you mad is connected to an idol. The first commandment clearly identifies we are to have no other gods before us. That has to include the god of self! Many believe that since we are saved by grace they can do whatever they want. That's not the case. Paul said he had to die daily lest he be a castaway. We need to be living for eternity - not the "nasty now and now". As the bride of Christ when we have other lovers, we commit spiritual adultery. Physical adultery is willful intercourse between a married person and a partner other than their lawful spouse. Jesus expanded adultery to include lust. He said in Matt 5:28, "But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart." This also means a woman lusting. It includes pornography and masturbation. She uses David as an example of the generational ramifications of the sin of adultery - even though David repented. According to 1 Cor 6:9-10, adultery will keep us out of the Kingdom of God. This message is not to condemn anybody. Jesus forgave the woman in adultery but He also said, "Go and sin no more." In the vein of spiritual adultery, if you have an occult background and you're prophesying you better make sure that gift has been purified, because that same demon could be prophesying through you. If today's prophets would prophesy what God is saying instead of what people want to hear or out of their own imagination, people would repent of their sins. (Jer 23) Geri concludes this timely message with prayers of repentance and deliverance.

19LHDVD12-2 [DVD - \$6.00] - Geri McGhee - A TRANQUIL HEART - Geri begins by commenting on how important it is to walk closer to Jesus...to be living for eternity. What is a tranquil heart and how do we get there? We learn in John 6 all about dying to our flesh and going God's way. When we are dead, there is no battle. She told us that God isn't going to take everything from us. Sometimes it's up to us to choose His way. If He does it all, we won't have to die. Prov.14:30 says a tranquil heart gives life to the body but passion rots the bones. In the Hebrew, tranquil is defined as a medicine to mend or cure but passion means anger, jealousy, striving, which are all flesh. We heard an interesting comparison between trees pushing off the dead leaves in the fall and the life of the Vine {Jesus} pushing death out of us. He will purge us as much as we allow, bringing in new life. Our goal should be a closer walk with God, allowing him to lead us to wherever and to whatever He chooses. Our eyes must be single toward Him. Mt. 6:24 tells us that we can't serve two masters...no compromise. The double minded will receive nothing from God. Verse 25-34 tells us that He has and He is everything we have need of. Thus we see that to worry and fret is lack of trust and that our eyes are not single. The key is in verse 33: Seek first the kingdom of God! We must concentrate on walking with God today and let Him take care of tomorrow. She reminds us of the promises to those who wait upon the Lord. We are to be still and know that He is God. We saw instruction and promises in Psalm 37. When we're troubled, we need to focus on what God's Word says. She says do like we'd do if we got arrested: put your hands up and do what you're told. Surrender. In any area where we are lacking peace, we open the door to disease. When we have a tranquil heart, that door is closed. So we need to find the roots of our lack of peace. We saw the path to peace in Philippians 4 and Psalm 23. Geri continued with numerous scriptures to confirm that there is a path we can follow that leads us to tranquility, reminding us this is a continual walk. She then led us in repentance prayers and deliverance.

20LCDVD2-3 [DVD - \$6.00] - Geri McGhee - PRAYERS THAT AVAIL MUCH - After opening in prayer, Geri makes it clear that we have access to God in prayer, which is simply talking to God just as we would talk to anyone else. She also notes that more than ever there seems to be numerous areas of stress in Christian's lives which simply means new chapters and challenges for us to overcome. She reminds us that our enemy can't do anything unless God is allowing it. It's all about our purification. Because of the issue with her eyes, she questioned what her problem may be instead of blaming God or the devil. However, God used this time of hardship to expose the pride in her life, resulting in a more intimate relationship with God

than ever before. Because she was willing to repent, He drew her closer to Himself. We may be “repented and prayed up” but we will always have areas that need work. Job prayed for God to show him what he didn't see. Through prayer, we get counsel, comfort, encouragement, and answers as well as healing and deliverance. She points out that prayerlessness is sin. Samuel says "God forbid that I should sin by ceasing to pray" 1 Sam. 12:23. Phil. 4:6 says, we are to 'Be careful for nothing but in everything by prayer and supplication, let our requests be made known unto God" Jer. 33:3 God says, "Call unto Me and I will show you great and mighty things which you know not" We have been given power and authority to come boldly before God. Mt. 7:7 "Ask and you shall receive, seek and you shall find, knock and the door will be opened to you" She explains the difference between asking and knocking and shows us that prayer needs to be a priority. Geri uses numerous scriptures to emphasize not only the need for prayer, but the blessings as well. We also see the danger if we are not praying. We should note that this is God's Word giving the instructions, so this is not optional. We are to do warfare as well as making requests known because we have a very active enemy. She points out that perfect prayers are prayers from God's Word. She then begins deliverance prayers by having us repent for making specific judgments and emphasizing the necessity of forgiveness.

20LCDVD2-5 [DVD - \$6.00] - Geri McGhee - HIS REFUGE - MY HIDING PLACE - Geri begins with prayer, emphasizing our thankfulness for His Word. Then she shares what it means to be in God's refuge, how He hides us. She reminds us that there are conditions to being in that refuge. Other words for it are fortress, hiding place, shelter. Jesus is our strong tower. They all have to do with walking under His Lordship. He is the King. The Hebrew definition is an asylum which is a receptacle for protection. The dictionary calls it a condition of being safe from danger, harm and trouble. She then shows us an illustration of what a refuge looks like, using slides of an umbrella. At this point, it would be good to have the DVD as she illustrates the refuge of God. She explains that when we are in His refuge, crucifying our flesh, walking in His wisdom, denying self, we are protected from our enemy. She goes on using the slides and scriptures to show examples of sin that takes us from under the safety of God's refuge. The Word says we can know God is pleased with us when our enemy does not shout triumph over us. We are given many examples of things that draw us out of His refuge such as food, sex, alcohol, movies and drugs. These are idols. She shows us rebellion of children and wrong responses by parents. Scripture says it's better to take refuge in God than in man. Prov. 16:7 says 'When a man's ways please the Lord, He makes even his enemies to be at peace with him". If we're being hit, something is out of the place of protection. Prov. 18:10 says "The name of the Lord is a strong tower, the righteous run to it and are safe." Ps.1:1 says that "In the Lord we trust or take refuge." and we can flee like a bird to His mountain. Pr. 30:5 says that "God is a shield to those who put their trust in Him" Ps. 46:1 says "God is our refuge and strength, a very present help in trouble". She made a point of reminding us that this refuge is not a place we visit occasionally. It must be where we live, walking in repentance under Jesus' Lordship. This message is packed with scripture. She also warns that there are consequences of not dwelling in God's refuge, takes us through prayers of repentance, asking for the truth that sets us free.

GLEN & ERMA MILLER

91SACDVD3-2A, 2B, 2C – Glen & Erma Miller – BREAKING BONDAGE OF OCCULT & HEREDITY – These services were held in Sacramento, CA, in 1991. This DVD set is packed full of years of ministry, teaching and changed theology! Glen begins by sharing how circumstances and situations throughout their lives contributed to the Lord changing their belief system, helping them to better rightly divide the Word of Truth as God means for us to understand it – not as our traditions have taught us. He addresses doctrines of demons such as “ultimate reconciliation”. He invades the enemy’s ground of incest, eating fat and blood and the diseases that result from disobeying God’s Word, the bastard curse, four and ten generation curses, bestiality, and much more. He details the progression of punishment, death and cursing. He brings clarity to what Jesus actually did at Calvary with relation to sacrificial offerings and the

authority we have to deal with ancestral sins. In Malachi it says that if the head of the house does not give glory to God, then the entire household is cursed. "It is written" is our authority against the legal ground that satan has in our lives because of sin, curses and disobedience – that we may live in the blessings - not the curses. Erma shares how she finally learned in 1966, why she had always been sick as a little girl – there was a curse of death on her because of something her grandmother had spoken over her when she was born. You will appreciate her real life testimony of how her demons did not like the message of deliverance, but deep down inside she really wanted to be free. She never understood why she could not excel in the things of the spirit – yet she experienced tremendous success in the business world. She shares how that the first time she was prayed for, she could literally hear chains dropping off her and she could feel herself being loosed. Out of her innermost being came a great big puff of wind and she began to pray in tongues. She barely touched the forehead of the man who was ministering to her and he fell over under the power of God. She thought her "demons had killed him!" She shares how Derek Prince discerned that both she and Glen were both under the power of a fortune teller, though neither of them had ever been to one. What a difference it made once those powers were broken over her – she could feel a tent lift off of her - she could think better, see better and she felt better! When Bro. Prince prayed for Glen about the power of a fortune teller, she felt another tent lift off of her. She liked the results of what deliverance did in her life. Erma tells about the demon of forgetfulness that was cast out of her. Its assignment was to not let her remember the Word of God. She tells of her nervous breakdown and how God sovereignly delivered her and put her in her right mind. Erma also testifies of how their daughter was estranged for sixteen years and how when she read about the breakdown of marriage and family in Derek Prince's book, Blessing or Curse – You Can Choose, she prayed all the prayers he suggested. Two weeks later their daughter called and talked with them. There had been a breakthrough in the Spirit realm! She tells of the many word curses we put on ourselves, like "You're driving me crazy." "I just can't take it anymore." She exposes the occult as being one of the main causes of divorce and then goes into many of the occult practices that bring both demons and curses into our lives. Erma also talks about Lamaze, necromancy, molestation, and incest. In depth prayer and ministry begins at the end of disk 2 and continues on disk 3 and includes breaking the power of incest, the bastard curse, bestiality, homosexuality, lesbianism, sexual sins, perversion, uncleanness, eating fat and blood, eating rare meat, soul ties, mental problems, insanity, divorce, asmodeus, occult, depression, hypnotism, delusion, unpredictable behavior, rebellion, heart problems, infirmity spirits, arthritis, unforgiveness, and much more. Erma talks about the dangers of having a Buddha in your house. She teaches on having your spiritual senses exercised and gives examples of hearing and seeing in the spirit, on discerning of spirits and how when the Lord shows you something about someone, that is your key to know how to pray for them. Multiple personalities (multiple demons) are discussed and how incest ties them together. Erma shares testimonies of different ones whom the Lord has had her and Glen pray for over the years – ones with such treacherous problems that only the Lord can help them. A second deliverance service concludes this 3 part DVD set. Shingles are attacked, fear, overeating, lust for food, witchcraft, mockery and much more. Glen concludes this service, exhorting that God is looking for men and women who will stand in the gap to make up the hedge – intercessors for the Lord - those willing to accept the mark of the intercessor. He details in Revelation, the promises that are for the overcomers.

91SACDVD3-1A & 1B – Glen & Erma Miller – HOLINESS AND THE SPIRIT OF UNBELIEF –

After the pastors comments and a short introduction, Glen and Erma begin this session, recorded in Sacramento, California, in March of 1991. Glen is the first to share, stating that God has never stopped looking for a people who desired to know and serve Him – not because they have to, but because they want to. In Ex 32:26, Moses, said, "Who is on the Lord's side?" This is a call to holiness and righteousness and obedience to God's Word. Glen cites many Scriptures that rehearse God's desire for a holy people. Deliverance is a path into holiness. It is not the only path, but there is no substitute for it. Glen gives wonderful, common sense advice on how to live as a Christian. It's not about religion – but how to walk in the nature of Jesus. When Glen finishes speaking about Holiness, Erma shares about the spirit of unbelief. What we "believe" is critically important. Mark 9:23 Jesus said unto him, "if" thou canst believe, all things are possible to him that believeth. Can it be true that all things are possible? Yes, if you drive out unbelief.

Fear is a running buddy of unbelief. Often through a traumatic event in life, fear opens the door for a spirit of unbelief to enter. Unbelief exalts itself above God. The person under attack comes into agreement that their situation is too hard for God. Erma related a story of a lady under attack by this demonic spirit. When the spirit was commanded to identify itself, it spoke identifying its assignment. It said, "My name is unbelief and I kill Christians." How can it be that the spirit world has such authority? Satan has always challenged God's authority. Agreement with the demon or the Holy Spirit is what determines the outcome. Whatever we trust we serve. Many have lost their healing after a miraculous healing by listening to the voices of fear and unbelief. Jesus couldn't do mighty miracles because of unbelief. The children of Israel could not enter the Promised Land because of unbelief. Erma leads in a prayer of repentance for unbelief and deliverance prayers for that spirit are included on this DVD set. You can participate and receive deliverance right in your own home! (Please add \$2.00 for shipping/handling charges).

07LHDVD9-9A & 9B – THE GOSPEL SOUNDS & GLEN MILLER TEACHING ON AMERICA – LHBC worship leader, Jane Hunt, is a member of a southern gospel quartet, The Gospel Sounds. They graciously put on a concert for us on Sunday afternoon. This was a wonderful service and a tremendous blessing to all who attended. The quartet took a break and Bro. Glen shared some of the things the Lord has shown him and history has documented concerning who America is, in relation to the Scriptures. Sing along with them as they sing some of your favorite southern gospel songs. They conclude with the glorious, How Great Thou Art.

07LHDVD12-3 – Glen Miller – CURSES – Glen starts with a testimony of being born in Pentecost in 1920 when it was taught that no Christian could have a demon or a curse. He later found, that, and many other things including the rapture, to be false teachings. The shedding of innocent blood (as in abortion) has to be accounted for according to God's Word. Glen gave an example of demons in Erma that caused him to change his theology. Derek Prince prayed for Erma – the demon spoke out of her (not in her voice) and said, "I'm not coming out. I won't let her believe the Bible." Well, that one and a whole lot more came out. He shares 5 scriptural aspects of the blood; 1. To apply 2. To appropriate 3. To cover 4. Sprinkle 5. Wash in the blood of the Lamb. Lev 3:13-17 – he shared that the Lord showed a diabetic that a curse was on her family from eating blood. She told Glen if he would pray for her and break the curse of eating blood, God would heal her. And He did. The curse Jesus carried for us, we have to apply it. All of us have some curses through family lines. Gen 19:34-38, Deut 23:1-3 – incest and illegitimacy are a curse for 10 generations or 400 years. God's curse on Judah's line had to run out before David could become King. Ex 20:5 shows us a third and fourth generation curse. Sexual sins are a 10 generation curse. We are dealing with more than just what we do. In Deut we find curses of 3rd, 4th, and 10th generations. Glen discusses other false teachings and traditions. He says we must trust in "It is written". The Kingdom of God has to be in us before it can be in the earth. We are a Kingdom of Priests unto our Lord Jesus. He closes with Rev 22:18-20, and prayers to break curses over the congregation.

07LHDVD12-16A & 16B – Glen Miller – SO YOU WANT TO BE A MANIFESTED SON? – Romans 8:19 – the manifested sons of God are to be the authority under Jesus for the future. They are not self called but servants of God. Glen shares some of the requirements to be a son of God. 1. The Bible – truth Lev 18:1 2. Keep the commandments, judgments, ordinances and statutes of the Lord. These are still to be kept but when Jesus said "it is finished", the animal sacrifices were done – Jesus is our sacrifice. Lev 26:1, Deut 4:1-2 –hear the keys and do them. I John 5:3 this is the love of God-keeping God's commandments. Deut 12:32, 7:9-God keeps covenant with them that love Him to 1000 generations. Rev 22:13-20 – we need to study to learn God's commandments and to obey them so He can bless us. Another subject Glen shared is the history of the scattered Hebrew tribes, how Jeremiah took his granddaughter to England and on to Ireland. They are in the history books-from Adam to David to Jeremiah to Queen Elizabeth of England. Joseph of Airametha took 13 people to England and built a colony which is now being excavated. Glen shared many more interesting facts of history in this teaching. Several heresies are also shared in this teaching. We need to rightly divide God's Word. In Peter's vision, the animals represented the standards of the heathen nations. They have a right to the Gospel too. In Rev 2 and 3 the seven churches are heathen

nations. In Isaiah 18:1-7 a prophecy concerning the USA is given. Deut 15:5-6. Deut 27 lists the curses and the blessings are listed in Deut 28. So by the Word, who are God's chosen people? Glen opened a question and answer session for this teaching, at this time to close it out.

08LHDVD5-7 – Glen Miller – DOCTRINES OF DEMONS - Glen said he will also be talking about 'wolves in sheep's clothing'. Micah 3:11 – they prophesy for money and say the Lord will bless it. A prophet for hire is an abomination to God. Glen gives example of a warlock and a witch and things they had done at LHBC. II Pet 2:1-2 says there were many false teachers and many shall follow their pernicious ways. Glen gives a personal experience of the knowledge of "ultimate reconciliation" also an example of "once saved always saved". False prophets abound today. Lev 20:22 – God commands us to obey His statutes and precepts. Several other examples of modern day false prophets are given. Everything that glitters is not gold. Ex 21:5-6 - pierced ears are a sign of slavery and a blood covenant and soul tie is formed with the person who did the piercing and that is the reason some cannot get free when being delivered. Deut 14:1-2;15:17, Lev 19:28;21:5 – God says we are a holy people with no body cuttings. Beware of those who say they are of God and they are of the synagogue of satan. From secular studies and Deut and Lev, trichinosis from eating pork is 70% the cause of arthritis. Lev 18:9. Glen says if this was taught by preachers and fathers today we would not have abortion, homosexuals, lesbians and other moral sins. Catfish, clams, oysters, and shrimp are scavengers just like the hog. God says they are an abomination to Him. God says keep My commandments. Glen says it is his responsibility to make the people sitting under his authority aware of these things. And then we are to study it out for ourselves, "it is written". For tattoos, repent and break the soul ties and blood covenants. This teaching is concluded with prayer.

08LHDVD12-3 – Glen Miller - DOCTRINES OF ERROR - Rapture – a theory that won't fly. You study to show yourself approved. There are qualifications to becoming a son of God and of becoming an overcomer of the 12 churches in Rev. 2 & 3. "God, make us worthy of this lofty calling" is Glen's prayer. Rev. 22:18-19. Matt. 28:20 - requirement to obey all. Gen. 26:5 things God says. Neh. 9:14 His statutes and His laws. Mark 10:5, Heb. 9:19 His precepts. There are 348 commandments, 166 statutes, 135 precepts in the scriptures. Hear and keep all, and He is the Lord who will heal you. Gen. 1:1, 31 - Fear, honor, respect and serve the Lord. Deut. 10:12-13, Lev. 3:17 – a perpetual statute – eat no fat or blood. Lev. 18 – a list of abominations that the penalty for is death. Body piercings - break soul ties with the one who pierced your ears. Exod. 21:5 - a sign of slavery. Jesus came so we could be set free from being under some of these curses. As you learn to walk in the light of the scriptures it will benefit you, your family and others. Curses apply to the tenth generation until we stand up and say it is enough and get them broken. Tom Stone closes with Glen's list of curses to be broken.

Sit down and write a spiritual history to determine demonization, a list of events that have taken place in a person's life that cause problems in the spirit, soul and body. These can include traumatic events, sins, anything that would open the door for a demon to come into a person's soul or body. Every demon in you has a legal right to be there. Repent, forgive, renounce as appropriate, break demonic ties and bondages. Now you are ready to cast out demons and pray for healing. Moody teaches us how to use the deliverance manual to pray for ourselves and others. Deliverance prayers follow this teaching.

15LHDVD10-5 - Gene Moody - OVERVIEW OF SEXUAL SIN - Donation \$6.00 - Brother Moody deals with the big picture of sexual sin and its consequences. He mentions that there are 35 different types of sexual sin listed in the Deliverance Manual. We need to be aware that there are curses working in our lives because of sexual sins committed by our ancestors. These sins were never taken to the Cross so the descendants are cursed. The curse of the bastard and the curse of incest are active for ten generations. Consider that in ten generations you have 1024 ancestors on your mother's side of the family and 1024 ancestors on your father's side. We also must deal with our own sexual sins such as the curse of the bastard, incest, adult pornography, child pornography, rape, women and men as sex objects, child sex offenders, sexual lust, sexual perversion, bestiality, fornication, masturbation, premarital sex, adultery, homosexuality, sodomy, lesbianism, divorce, soul ties, sexually transmitted diseases, abortion, sex with evil spirits, Incubus, Succubus, astral-projecting soul travel sex with a witch or warlock, cyber sex, sexual addiction. Brother Moody teaches about some of the consequences of sexual sin and concludes the teaching with a question and answer session with the men in the congregation.

PHILLIP MORRIS

10LHDVD4-1 – Phillip Morris – THE DOUBLE SOUL MAN - Phillip gives an account of how he set out to prove his wife wrong concerning the baptism in the Holy Spirit and realized while studying that it was real and he received. Seven months later, he was thrust into deliverance - not even realizing what he'd done. As it turned out, his secretary was Frank Hammond's daughter-in-law and she talked him into reading "Pigs in the Parlor." Mr. Morris' emphasis in this message was on the importance of names, nicknames etc., and how they can affect us. He gives us many examples of the captives being set free over the years. We had prayer for repentance and rebellion, curses to be broken and demons were commanded to leave.

10LHDVD4-5A & 5B – Phillip Morris – MULTIPLE PERSONALITY DISORDER - Phillip explains what actually happens with MPD - how when something unbearable happens, people sometimes are subject to amnesia or they choose not to deal with the incidents. We can then open ourselves up to demonic spirits that may materialize as different personalities. They may take turns manifesting with different voices, mannerisms, etc. The other personalities make them feel safe but know that they are evil spirits - not of GOD. Phillip gives many examples of his experiences in ministering to MPD which are among those addressed in his book. Deliverance follows.

MONTY & SHARON MULKEY

12DELTRDVD-1 - Monty Mulkey - A DESIRE FOR GREATNESS - Do not get bit by the I Am Great bug. Only God is great. We will never be great. Having that urge and striving to be great is a religious spirit. It's not God's way. Who will be chief, let him be the servant. Give your life for others. The desire for greatness causes division in the Body of Christ. Pharisees do their works to be seen of men, but whoever exalts himself shall be abased. Esteem others better than yourself. Sadly, it is possible to be around Jesus

and still miss knowing Him. Jesus used a child as an object lesson. Servants do small things. The smallest acts keep us on the right path. How hard it is to flush out the world system of thinking. Get rid of the desire for greatness, the spirit of the world and religious spirits. Those spirits are rooted in emotional wounds from the past and the need to prove yourself. Ask God for healing. It takes time to work these things out of a person. Learn to be content and put on humility. Deliverance prayers follow this teaching.

12DELTRDVD-2 - Sharon Mulkey -THE INDEPENDENT SPIRIT - Christianity is based on relationships?on prayer and fellowship. The self-made, independent spirit is not the way of a Christian. We are to depend on Jesus. The independent spirit will separate you from God and lead you into rebellion against Him. It is worth the fight to get rid of it. Another spirit that partners with the independent spirit is being in the seat of judgment?. It dulls the emotions. We resist strongly when God puts his touch on this spirit. Also, if not presented with God's wisdom and counsel, and unless we have a relationship with the people we are ministering to, the Ahab and Jezebel teaching can do damage to marriages and can cause unnecessary strife. Most often the independent spirit has been inherited. Religious spirits reinforce it. God made us to have relationships for our brains to grow normally. God wants to change us. He will fill the place in our life where He is to be. He wants us to have abundant life. More and more perilous times are coming. People need people. God created us to be this way. People will not change without deliverance. The more deliverance you get the easier the Christian life becomes. Deliverance prayers follow this teaching.

12DELTRDVD-7 - Sharon Mulkey - LEARNING GOD'S WAYS - Demons work overtime to keep you from hearing these messages. Lord Jesus, teach us Your ways. If people come into your group to complain about petty things, they are just there to cause a disturbance. Cast them out. Many people are coming to deliverance expecting a soft deliverance. We are going to be tested and tried. We are still like a marshmallow on the inside. Love is not based on words or ideas. Many ministers are in it for themselves. A true man of God will give his life for the sheep. If you want to see people set free, it will cost you everything. Ask yourself, do I want this or not? You can not have a hidden agenda. You will not be popular with family or friends. Many people refuse deliverance because they see imperfections in the deliverance minister. God will deliver all of us in His time. There is never a time when God is not working, taking out the spots and wrinkles. The closer we draw to Jesus, the more we see our sin. To get to the end of the race, the strong will must line up with God's will. One day we will give an account for our lives. Every change God is doing in our life is rewards in eternity. God expects us to have treasure in heaven. Much deliverance concludes this message.

12DELTRDVD-8 - Monty Mulkey - MADE PERFECT IN WEAKNESS - Paul ministered to Timothy to fight a good warfare. But there will be those who wreck their lives by not using wisdom in spiritual warfare. Every soldier needs strong meat not just milk. Drink deeply from the wells of deliverance. Endure hardness. Do not return to elementary teachings. Soldiers do not take off their uniforms for civilian events. Their home is wherever God calls them to be stationed. How do you go from being just a babe to Christian maturity a soldier for Christ? Out of our weakness we will be made strong. In our walk with Jesus we need the road blocks removed. Those would be the demons. We need balance and sound teaching on deliverance as we go. The bigger the stronghold, the more work and time it will take to break it. We need to fall in love with Jesus. We do not need to get to a place of strength before He can use us. He will give us His strength and we will be made perfect in weakness. If we had no weaknesses or shortcomings we would have nothing to be made strong. Then we will be filled with the power of God Deliverance prayers followed this teaching.

13LCDVD2-1A & 1B - Sharon Mulkey - HEALING THE WOUNDS CAUSED BY BEING BULLIED - Part 1 - Deliverance deals with the root of peoples problems - demons. Those bullies have been tormenting us, stealing from us and trying to destroy us all these years, making our lives miserable. Instead of using all our energy to push down negative emotions, we need to push the demons out. Bullying plagues every country, race and class of people. Bullying shuts you down and drains your life out of you.

You become hollowed out. The enemy wants to destroy the design God had for your life and replace it with his design. He wants to totally derail you. The devil knows who is marked for greatness by God. He starts working early in someones life to destroy Gods plan for them. Because of tremendous fears of confrontation and rejection and wanting so badly to have friends, a bullied person often will not tell anyone about what is being said and done to them. God wants to reclaim what has been destroyed in you. Only God can heal you. Your life will change when you get the demons out. God comes to pour in the oil and the wine to heal your wounds. Deliverance follows this teaching. (The DVD includes announcements, introductions and giving of gifts)

13LCDVD2-4 - Sharon Mulkey - HEALING THE WOUNDS CAUSED BY BEING BULLIED - Part 2 - Have you ever asked yourself, 'Why am I always getting picked on?' Negative interactions at a young age are often a source of the bully spirit - for the one who bullies and the one who is bullied. If parents bullied you at home you may not have ever learned how to protect yourself. Alcoholic families breed bullied people and bullies. Women bully other women out of their sense of low self-esteem. The Queen Bee bullies a woman and gets other women to join her. Bullies are opportunists, jealous, weak and insecure people, afraid their inadequacies will be exposed. Their tactics are often subtle. They connive and manipulate and may not be seen as a ring leader. They sabotage the work and reputations of others and spread rumors. They whisper secrets, purposely making sure the bullied person feels excluded from the clique. Do not be surprised at what the devil will do to intimidate you. Bullying is dangerous business. It is a mine-field of murderous rage. The enemys intent is to put a cap and seal on your gift to bless the world. Are you going to let them steal from you the Fathers blessing, 'Well done thou good and faithful servant?' Deliverance follows this teaching.

13LHDVD9-1 - Monty Mulkey - THE SPIRIT OF CRUELTY - "Blessed are the merciful for they shall obtain mercy." Matthew 5:7 The opposite of mercy is cruelty. Cruelty is defined as a violence, a wrong, an injustice, damage, oppression, severity, to be harsh, to be difficult, ill treated, hard pressed, to have severe labor, to make difficult, to make burdensome, stiff, stubborn, and obstinate. Many of us carry the wounds of having been treated with cruelty. Thankfully, God is a merciful God. That is His nature and He expects us as Christians to be merciful...to become Christ-like. But we are often cruel with our unrestrained response toward the actions of someone who has done something against us. We may be very correct in thinking their actions were unjustified and harsh and we didn't deserve it. Although we always want God's favor, protection and blessings, our own cruel response to the offender breaks covenant with God. We have to let God be the judge. He will recompense. Then we are in position to re-establish covenant with Him. 1) Confess your wrong doing, 2) Ask God's forgiveness, 3) Forgive other people's cruelty to you, 4) Ask God to heal your wounds, 5) Forgive yourself. Deliverance prayers follow this teaching.

13LHDVD9-2 - Sharon Mulkey - HYPNOSIS - God's people must hear this dynamic teaching. The rulers of world government are using hypnotic suggestion to bring about a passivity of the human will. Hypnosis opens your mind to believe anything. Hypnotic induction techniques tell you to "visualize" whatever you want to have or become. Visualization is the primary gateway for demonic infiltration into human consciousness currently being worked on a grand scale. People tamper with forbidden practices because of curiosity and because they are desperate for help. Pastors are supposed to preach salvation, healing and deliverance, but instead many are being trained in neuro-linguistic programming (NLP). You will be shocked to learn how casual conversation hypnosis is being used against all of us. Even facial expressions open us up to mind control. If you knowingly participate in hypnotism you are in this distinguished group: soothsayers, necromancers, charmers, enchanters, observers of times, shamans, witch doctors, sorcerers, wizards, consultants of familiar spirits. If you are serious about deliverance, the manual to get is "War on the Saints" by Jesse Penn Lewis. Deliverance prayers follow this teaching.

13LHDVD9-8 - Sharon Mulkey - CONVERSATIONAL HYPNOSIS - How is it possible that someone can just talk to me and I will be hypnotized? We must not be ignorant of the devil's devices of beguiling and sorcery. Sorcery is supernatural power over people and their affairs and conversational hypnosis will

give that power. Beguilers attract, delight, allure, captivate, enchant, fascinate, and charm...satan is a master at disarming your conscious mind. Unstable souls are beguiled with enticing words. Conversational hypnosis uses big words that are hard for you to understand and while you are trying to figure them out, someone who does not have your best interest at heart will bypass your prefrontal cortex and start implanting their ideas into your brain. Sadly, God's people are allowing these abominations and worldly practices to be brought into our churches. Manipulators feed off our discontent and disillusionment. By demonic powers, they use therapeutic hypnosis to diminish our use of analytical thinking. To deny reality or attempt to alter reality with one's positive words and or thoughts is witchcraft. Once these ideas are implanted they do not come out until they are cast out. Sharon implores us to be curious enough to search out the truth for ourselves on the subject of conversational, covert hypnosis. Deliverance prayers follow this teaching.

13LHDVD9-11 - Monty Mulkey - INCORRECT TEACHING ON THE SPIRIT OF JEZEBEL -

Monty shares with us his personal belief and perspective on how women are to be treated in the church. He challenges the traditional teaching on the spirit of Jezebel. He declares that he will be a voice to be reckoned with wherever he sees women treated unfairly, looked down upon, or given an inferior role at church or at home. Monty believes that the teaching of the spirit of Jezebel is a false doctrine, a theology that is not needed in the deliverance ministry. It is divisive, oppressive, breaks unity, stifles women in their role, robs the men and blocks the flow of the Holy Spirit. Over the years and in his many travels, Monty has noticed that married couples who sit under this teaching do not have the intimacy they need. As ministers of deliverance we are to set people free and encourage them to follow and serve the Lord Jesus Christ with the gifts and talents they have received from Him. Women warriors are needed in the Lord's work to teach, preach and cast out demons. Women are to be valiant, strong and full of faith, in partnership with their husbands. Jesus wants us to love and serve one another. We are laborers together, and we are one in Christ. Jesus Christ is Lord over all and the rest of us are His Body, His Church, and His Bride.

14LHDVD7-1 - Monty Mulkey - DO ALL THINGS WITHOUT COMPLAINING -

Monty's desire is to see people set free, procure the favor of the Lord and grow spiritually. If you are tired of sickness and death and wondering where God's favor is, learn how grumbling and complaining bring about the disfavor of the Lord. Note: Your personal happiness is your personal responsibility. Complaints come from unfulfilled desires and they seem to be rooted in self-centeredness, self-pity, spoiled-brat spirit, perfectionist spirit and fear. Be on guard against a sense of entitlement. Religious spirits foster legalism and fault finding. Check yourself for arrested development...being emotionally immature. Philippians 2:14 "Do all things without complaining that you can be blameless and harmless without rebuke in the midst of a crooked and perverse nation." Develop holiness which is a God centered character, and a thankful heart which will yield all the fruit of the spirit. Your life will radically change when you stop complaining. Deliverance prayers follow this teaching.

14LHDVD7-3 - Sharon Mulkey - YOU ARE THE GIFT -

In Romans 1:11, God has put spiritual gifts in us to the end that we may be established, rooted and grounded in sound doctrine. A gift is something that is given without hope or expectation of a return. Until we know what our gift is and what we can do, we do not know who we are. We have been created in the image of God, and we are His gift to the world. We have been sent to the world to be light and salt. The only light the world will see is the light in you. The salt you are will bring life. 1 Corinthians 7:7 "Every man has his proper gift of God." Psalm 90:1 "You were created before the foundation of the earth was laid," and the gift God gave you, He will not take away. Your gift is for the perfecting and equipping of the saints. The gift you are is needed in the workplace. Just your presence is enough to bring light and salt to darkness and decay wherever you go. But it is only a gift if you give it away. One day you will give an account of your stewardship of the gift within you, so do who you are. Deliverance prayers follow this teaching.

14LHDVD7-5A & 5B - Monty Mulkey - GO CREATE SOMETHING - Create something today. This will build you up and it gives you joy and a sense of purpose. People today do not have skills. Learn a skill.

Build something. Skills are more valuable than knowledge in the day of famine. Ephesians 2:10 We are to work and walk in creating just as Jesus did. Proverbs 9:1 "Wisdom hath builded her house..." It doesn't have to be something material...you could be building an environment of peace. Jeremiah 1:10 "This day I set you over the nations, over the kingdoms, for you to root out, to pull down, to destroy, to throw down, to build and to plant." Christians being impoverished is the work of the enemy. Slackness is a cruel trick that the enemy pulls on Christians... "just wait on the Lord." In the Hebrew language "wait" means to actively trust in the Lord. It is not passively waiting for God to do something for you. If you are in lack, take inventory of what you do with your time. Use your gifts and talents and skills. Do what God has called you to do. Deliverance prayers follow this teaching. (The DVD contains the praise and worship part of the service and Merrill Miller speaking to the congregation.)

14LHDVD7-9A & 9B - Sharon Mulkey - UNWRAPPING THE PRESENT - Were you allowed to express your creativity as a youngster? There is something about doing creative things that brings out our humanity. When you are trying to figure out who you are and who you are not, cut out magazine pictures of what you are drawn to and put together an album. Keep it just for your viewing. Fear of criticism makes us withdraw and be what everybody else wants us to be. Can you list four things in your life that you do not want to live without? What were your childhood dreams? If you are not developing your own gifts and talents you are building someone else's kingdom. A sense of worthlessness robs you of God's best. Abuse obliterates your will, desires, hopes and dreams. Demonic spirits teach you to submit to the abuser so you can stay alive. Only God can heal you. That's why He brought you into deliverance. You are the present and God wants to unwrap you. You will have a life you cannot even imagine. Deliverance prayers follow this teaching.

DAVID NEES

16LHDVD11-3 - David Nees - REFINED IN OUR FIRE - Donation \$6.00 - God is going to bring you through your trials, not away from your trials. You will be changed in the midst of trials, despite the circumstances. These fiery trials purify us and shape us into the image of Christ. Turn off the fear-mongering TV. God wants to silence all that and deal with your heart today. Minister to others out of the love of God and His light that shines within you. Hear Him pleading with your heart. As God refines you in the fire, get strength when you fix your eyes on Him at the Cross. He will be with you even to the end of the age. If you are not getting set free, maybe you need to stop playing games with God. You need to crucify the lust of the flesh daily if you want to get set completely free. You need a pure heart in order to not crumble under the pressure of the enemy and the pressures of this world. Only a pure heart is useful for His purpose, broken so you can be poured out. When you can say you desire nothing in the earth more than Him, then He can be glorified in you. Personal ministry followed this teaching.

KYLE NEES

11LHDVD9-1 - Kyle Nees - HIDDEN PLACE - God is the hidden place for us. Being hidden changes things. The hidden place is the key to breaking heavy yokes off your life. It brings us to a place of protection. His faithfulness is our shield. Learn to tarry in His presence. In God, in Christ, we are not out in the open and exposed, but you cannot get there without the cross. It crucifies the flesh. His presence brings His anointing into your life and makes you an ambassador for Christ. People are watching you ... especially your family. Take up your cross, follow Him, be hidden in Him and that anointing will break every yoke.

11LHDVD9-4 - Kyle Nees - TAKE MY YOKE - God wants us released from every yoke of oppression. This is Jesus' invitation to you. "Take My yoke upon you." Be willing to release your children from your yoke to His power in the heavenlies. He is about making your life a thing of His glory. We have need of the ministering angels. To take Jesus' yoke we need a brokenness. Jesus clears the fog of loneliness and

deep despair. Run into His presence in the hidden place. It produces perfect love - for there the love of Christ controls us. We need the spirit of reconciliation. We also need the spirit of truth. A tree of life brings healing, a spirit of praise and of thanksgiving. Your King calls you from your Lodebar. Take His yoke, learn of Him.

11LHDVD9-5 - Kyle Nees - ACCOMPLISHED IN THE FAITH - Jesus prayed for Peter that his faith not fail. Jesus helps our faith grow so we can help others. Jesus accomplishes all things if we have faith. Resist the enemy when your faith needs to be enlarged. Accomplished means “realized in our lives” so we have a story to tell. It is already a finished work. God has a table spread for us in the presence of our enemies. Claim what is yours. God gives us keys to unlock our bondages of fear and stubbornness. Jesus on the cross said, “It has been accomplished.” Faith comes by the Spirit of Truth. Apart from this spirit we remain in darkness. Faith brings liberty. God’s secret weapon is prayer. Pick up the pace. Time is short. Ask for a spirit of truth and faith ... a fresh infilling. This will lead you to prayer. Now walk it out. Tremendous tool to overcome fear is given at the conclusion. God has a work He wants you to finish.

12LHDVD11-4 - Kyle Nees - THE WORK OF THE HOLY SPIRIT - Receive the Holy Spirit and cut off the yoke and bondage of fear. The enemy's purpose is to beat you down and keep you discouraged over something that happened in the past. He sneers: 'You failed, you always fail, you are a failure.' Do not let your whole life be ruled by a sense of failure. Do not be the slave of a tormented mind, living in fear and bondage, listening to the wrong voices. The spirit of fear will rob you of your identity in Christ. Living the lie is missing the dream. The Holy Spirit will lead you into Sonship. God wants you to press in and be persistent and cry out for His Holy Spirit which brings sanctification into your life. The Holy Spirit will bring love, power and a sound mind. It brings total transformation. Pray for that. Make a new commitment to Christ. He will take you out of the fog of confusion so you can be filled with His love and compassion for others. This message is followed by prayer to receive the Holy Spirit. The volume is low on the DVD of this message.

11LHDVD9-5 - Kyle Nees - ACCOMPLISHED IN THE FAITH - Jesus prayed for Peter that his faith not fail. Jesus helps our faith grow so we can help others. Jesus accomplishes all things if we have faith. Resist the enemy when your faith needs to be enlarged. Accomplished means realized in our lives so we have a story to tell. It is already a finished work. Pick up the pace. Time is short. Ask for a spirit of truth and faith - a fresh infilling. This will lead you to prayer. Now walk it out. There is a tremendous illustration on how to overcome fear given at the conclusion of this message. God has a work He wants you to finish.

12LHDVD4-2 - Kyle Nees - THE PLACE OF FAITH - God says, “Open up your heart and receive.” He is making you a receiver today. Faith will make you sing and believe no matter what you see going on around you. Who else can heal the brokenness of God’s people? We need the kind of faith that is tested by endurance. Fight the good fight. There is a victory to be won at your Jordan. Like Naaman, where are you resisting faith? Others depend on your life, so the enemy wants to destroy you. You are a reflection of what you trust. What is the reflection that others see? Are you trusting in yourself or in what God says? We are to be a reflection of God. Do not have strange fire on the altar. America’s problem is that we want to do our own thing. Let God give us a new song to sing. Naaman needed to be healed of leprosy. He went to the man of God to buy his healing. But Naaman learned a new song after he was obedient. He obeyed the man of God, dipped seven times in the Jordan and received his healing. We have been bound by our old ways of thinking. Thank God and praise Him and you will be amazed at what He does as you sing His new song. Get yourself out of the way and let the life of God flow. Don’t miss your Jordan, your place of faith.

12LHDVD7-4 - Kyle Nees - THE OPEN DOOR - Jesus is the door, the portal - if you try to come any other way you miss the point of the door, the fullness, the glory - you miss all that He wants to give to you.

Open your heart to receive the fullness. Kyle uses an illustration of a red bird that was pecking against the glass windows in their gathering place to bring home some poignant truths. The bird was fighting what he thought to be his enemies, when in essence he was fighting with himself. We waste a lot of time and energy trying to do things our way, and still the only open door is to do things His way. Jesus cures the blindness caused by our own reflection. When you are seeing too much of your own reflection, you will be fighting against yourself and never really come to the door. The bird's erratic behavior kept him from the presence of what was in the building. Sometimes our actions, our thoughts, what we are preoccupied with keep us from going through the door. We can be right there and not even see that all we need to do is step through the door and step into the Glory. We want His image but can't get past our own reflection and the blindness it produces. Prayer for surrender to the yoke of Jesus and the anointing concludes this message.

12LHDVD9-2 - Kyle Nees - THE POWER OF YOUR PRESENCE - Society is growing darker every day because of the work of the enemy. We must desire holy purity. We need God's presence. David cried out to God, "Create in me a clean heart and renew a steadfast spirit within me." He remembered what had happened to Saul. The uncertainty, timidity and anxiety in Saul kept him from doing God's will. His view was clouded. David recognized his own rebellion and it haunted him. It's that gloomy feeling. Then God made him want to run to His marvelous light. David learned to sit and bask in His presence. You need to have a life that is free from anxious thoughts. The Holy Spirit has something He wants to speak to your heart. The presence of God brings to you: 1) confession 2) repentance 3) restoration. When you are loyal to wisdom and righteousness you receive the joy of the Lord which gives you a willing spirit. This joyful, willing spirit will sustain you. The impact your life has in the lives of others is equivalent to the joy of your salvation. Invite the light of God's truth into every one of your thoughts. God's presence will do marvelous things with your life.

12LHDVD9-5 - Kyle Nees - MY PLACE AT THE TABLE - When we are bothered, we want to look for fault in others instead of taking it to Jesus and asking Him to help us see clearly what is going on in us. Jesus says, "Cast all your troubles and anxieties on Me." Park it at My door, roll it off onto Me because I care for you." He reaches out to us and draws us to Himself. We have to believe that Jesus cares for us or we go no further. Our problem is unbelief which leads to anxiety. We have not believed that God is supremely able to meet our needs. For the sake of King David's friend, Jonathan, he showed mercy to Mephibosheth. David took him out of Lodibar, a pastorless place of no word and set him at the King's table. This is a picture of our heavenly Father. Our greatest need is to eat regularly at the King's table. This is a fearless place of unfailing love that God is calling us to. Start believing it. Keep seeking God and draw near to Him. Be absorbed in His Word. God will hear your cry. He wants to have mercy on His beloved. Be hidden away with Him. He wants men and women of sound mind. He will show us kindness and will restore us. He will bring us to His table and build our brokenness into something beautiful with Him at His table. We are being called from a place of brokenness to a table of restoration and provision.

13LHDVD3-4 - Kyle Nees - AWAKEN THE DAWN & BLESS THE LORD - Let's awaken the dawn. Get the lyre and tambourine and remove all the trappings of self and let Him infuse us with His power. God doesn't need what we can do. He just needs a vessel He can pour Himself through. Let us be a people who will be found early and often blessing His name. When we bless Him we bring His rule, authority and dominion into what He has given us to possess. Sing praises even with your soul, as David did. Others are dependent on what comes forth from your life. Those who rise to awaken the dawn are those who have their hearts and faces fixed toward God. Get your game face on and get serious. God is going to use you, so get over yourself. God wants to work you through an experience in the face of your enemies. You have to walk it out with Him day by day. He wants to remove from us our self-centeredness and learn to hear His voice say to us, "This is the way, walk in it." God wants to replace and overtake our fears and inabilities with His ability. In that way we will not be ruled and driven by those fears. Our life will be marked by His voice. If you want His benefits, learn to bless Him early and awaken the dawn with Him.

13LHDVD5-2 - Kyle Nees - TAKE IT TO THE LORD AND WAIT - God alone is our refuge. He's our defense, the rock on which we can stand. Ps 6:21 We must learn to wait on Him. There is a sound to the salvation that God gives to us but we must wait and listen for Him until we hear. Waiting on God will set you free from shame and timidity. Ps 25:3 We don't have to allow the enemy to torment us. Keep going to God with your problems and wait. In the waiting there is patience...and He's worth the wait. He wants to expose our fears so we can be set free. We see in Ps 23 and Mk 4:35 that He brings peace when He is present, leads us to quiet places, quietens the storm. We can be victorious over things that come to take our minds off our Father. We need not be moved by what we see, feel or hear. Keep looking and waiting for Him. Today is a new day, a day for us to allow God to carry out His plan for our life... for our good and His glory. Let the nearness of His presence reveal how much He loves you.

13LHDVD5-6 - Kyle Nees - FINDING GOD'S WELL SPRING IN YOUR CAVE - When we find ourselves in a cave, swallowed up by our circumstances, what do we do? There will likely be many voices there but God wants us to listen for His voice. Caves can change you. David became a king. He heard and heeded God's voice. He'll show us the next step needed for our coming out. In addition, He gives conviction, courage and the boldness to step out. John 7:37 tells us that from our innermost being will flow rivers of living water and that is the work of the Holy Spirit. Js 5:7-8 says that we must be patient. If you want a deep well with pure clean water, you will have to give up some of the access and control of your land. Receive the mind of Christ and begin to think like a son. God wants to release in you a flow of living water. He produces the well and the Holy Spirit is present to bring it forth. Prayer for the baptism of the Holy Spirit concludes the service.

13LHDVD7-4 - Kyle Nees - FREE TO DO THE WILL OF GOD - "The one who does the will of God abides forever." I John 2:17 Fellowship with God is the essence of eternal life and will cause you to do His will. We cannot stay on the fringes, on the outside looking in, isolated, avoiding intimacy with God. We must read the Word of God daily. That is when faith takes place and gives direction. We are a slave of whose will we obey. It is that simple. We can become self-deceived, self-absorbed and self-consumed. Where jealousy and selfish ambition exist, the enemy prevails over that place. Quit thinking about yourself so much. Quit trying to think your way to God. Abide in Christ - it speaks of fellowship. Get away from the instruments of man's correctness, to make yourself something and somebody, self-serving and perfect. We are too busy honoring our prideful and stubborn selves. But the Word causes us to think like a Son. It's the difference between a funeral song and a graceful waltz. Be careful of worrying about your image and the things you love in this world. The Holy One will develop His will in us as we fellowship in His presence.

13LHDVD9-9 - Kyle Nees - SIMPLICITY & PURITY - What God is after is simple and pure devotion to Christ. Do not let your mind be distracted and led astray. You have an influence and ambassadorship to the people in your life. Seek God for full repentance, deliverance and the work of sanctification. In the book of Revelation, Jesus speaks "to him who overcomes..." We must not be distracted by whatever will keep us from the simplicity that is Christ. Do not make this complicated. Christ wants us to surrender so He can have our heart. He wants to deliver us from the spirit of this world. "Buy Gold" from Jesus. His gold has been refined by fire. When there is a fire of testing, where do you turn to for comfort? He says, "Come to Me, you who are heavy laden. Hear the voice of My Spirit coming through My Word." He advises us to "purchase white garments" so the shame of our nakedness will not be revealed. If we are willing to pay the price, He will bring us through our trials and temptations and He will be our garment of righteousness. He chastens those whom He loves, so be zealous and repent...grieve over your sin. Pray for the spirit of repentance that leads to salvation and deliverance from evil.

14LHDVD5-2 - Kyle Nees - CALLED TO PURITY - The prayer to begin this meeting is that God would enable the spirit so that the righteous might go free. Where the Spirit of God is present, there is liberty ... liberty from walls of bondages, spirits of fear, etc. God calls us to purity. Mt 5:8 says, "Blessed are the pure in heart, for they shall see God." ... be able and fit for relationship with Him ... to comprehend Him in a deeper way. This is a word for God's people. There are things to be done in our lives in conjunction with

deliverance. It's not all about getting something cast out. 2 Tim 2:19 gives instruction to those who name His name. We are to depart from iniquity. Next we are told to purge ourselves from youthful lusts. Sometimes we need to change our mind, choose to think on what we've been instructed to do. Vs 22 says to follow righteousness, faith, love and peace with others of pure spirit. Do not be distracted ... focus, stay in step with Jesus. Like spirits locate each other...good or evil. Don't forget Adam in the garden. He hid from God because of disobedience. The object of our journey is to 'see' God, and when our heart is pure, we're comfortable in His presence ... free. There is prayer at the end for a heart to receive truth, to not be deceived by lying spirits, illusions, counterfeits, but see the truth of God's word, that we would come into the peace and freedom that God's presence brings. (No CD for this service)

14LHDVD5-5 - Kyle Nees - THE PLACE OF REST AT HIS TABLE - Think of a time in your life when God saved you for a purpose, for his plan and vision for you...to see Jesus for who He is. We need God's presence more and more...an increase in His Holy Spirit within us. He is calling us to the wedding feast. The spirit of God makes His Word alive. His purpose for our life is the feast He is preparing for us. What does it take to make us worthy to be invited to His feast and honorable in His sight? If we are on the guest list but for some reason we refuse to come to His feast, we are not worthy. Psalm 23 tells us there is a comfort Jesus wants to bring us to. The table he has prepared for us is the rest of God in the midst of all the mess, anguish, and confusion of our lives. He gives us His rest in the presence of our enemies. The table requires your presence in a way that you are not attentive to anything else. It needs to be important enough for you to be there. Instead, we want Jesus to come to our table and be part of our lives so we can have a good life. It is vitally important that we make it a priority that we make peace with Him and come to His table so goodness and mercy will follow us all the days of our life and we will dwell in the house of the Lord forever. PRAYER

14LHDVD5-9 - Kyle Nees - A PLACE OF PRAYER - This is a word of encouragement for our prayer life. Jesus invites us into His life and it is only found in a place of prayer. The greatest deliverance to be had is in a place of prayer. It is a place of real power. It is a seat of rest and repose where we can contemplate and reflect on the goodness of the Lord. Prayer hastens the promises and changes the outcome of things because it is the place of an open heaven. A house of prayer is an open heaven where God makes promises to you and me...from God's house to God's face. Prayer changes the outcome of every situation. God searches to and fro throughout the earth seeking those whose hearts trust in Him. He is looking to show His arm strong in our behalf. Our life is made better with a stronger bond, and greater communion with Him. He wants soundness in our life with well balanced thinking, and that comes through a life of prayer. If we are not careful, we can get self-righteous by having much knowledge of truth without a life of prayer. Prayer connects the Word to our heart and makes it come alive. Prayer sets in motion and executes the promises of God. Express your heart to God, be thirsty for living waters, and do not give up. Trust the Lord.

14LHDVD8-3 - Kyle Nees - LIMITLESS POWER OF PRAYER - Prayer activates God's power and ability which allows us to play offense and vanquish the works of the enemy. The spirit of unbelief is the greatest foe of the church today. Believing faith happens when we pray. It is the key to encouragement in our life. It comes from the proving ground of the place of His presence. Let's sing our song of prayer to Him with feeling and heart. Luke 18:1 "Men ought always to pray and not faint." We must not give up, but persist, overcome, and continue in prayer. A vigorous faith is committed to incessant asking. The enemy will try to heap the spirit of dread on us, but God wants us smiling at the future because of Who we know and because of the limitless power that is ours because of Him. Jabez had boundless faith. He asked God to enlarge his borders and God did it. Prayer in His presence proves God's power because there our faith is increased. In that place of prayer our faith is validated. Boldness in prayer gains us the necessary advantage to play offense. The strongman of the anti-Christ spirit of unbelief is a stubborn, proud and lying spirit that resists God's Word. Ask God to impart the spirit of prayer to us. Deliverance prayers follow this teaching.

14LHDVD8-5 - Kyle Nees - SPIRIT OF SOBERNESS - The great divide in Christianity hinges on holiness. Without holiness as the foundation of our Christian life we are on a path to bondage and destruction. We are in a state of unbelief. The world lies to us and tells us there are no rules. That is a lie. Our God gives us the spirit of soberness that helps us recognize the truth about His plan for our life, the expectation He has for us. Through His name we can access His power and the spirit of soberness. In that way we can identify with the sufferings of Christ. Sometimes we think our pain is from the devil, but it could be God is bringing some truth to us about our choices. Sometimes the struggles we are going through are for great benefit to our life. Wake up and understand so you will not be destroyed. 1 Thessalonians 5:6. Be on guard and take away the element of surprise in the enemy's attack. Eliminate his advantage. Do not allow him to break in and steal from you. Let us not sleep as others do, but let us be alert, watchful and sober. This vicious enemy prowls around like a roaring lion and he wants to eat us alive. Bind the spirits of drunkenness, ease, and the spirit of the fool. The spirit of soberness will bring us to our senses. Deliverance prayers follow this teaching.

14LHDVD8-11 - Kyle Nees - A FOG IN NEED OF A TOWER - Jesus is saying, "Pray, ask fervently, take the offensive, speak it out, find some boldness for God's presence, and get a voice with which to speak." Ask God to increase your desire for Him. He wants you to implore with fervency, but you are also going to have to play some defense and hold on to whatever ground God has given you. Be careful of living in one dimension ... what you see, the Word you think you know. God wants to speak to your heart when you read the Bible. He wants you to know His love so you can move in His power. His light will illuminate His word like a prism. There is a thick fog that we need to pray against ... the fog of discouragement and confusion. II Chronicles 7:14 We need to communicate with the tower. We need to learn to overcome the fog ourselves. It is dangerous to think that all you have to do is to get your favorite deliverance minister to pray for you. It is important to realize that when we pray, God's divine power, grace and peace will be expanded and multiplied in the knowledge of Him. Bind the prism of our own thinking, bind that fog of confusion against us, and bind from us the hindering power of the enemy and his thoughts.

JAMES NEWTON

09LHDVD9-2 - James Newton - SPIRIT OF BACKSLIDING - Preaching will get you saved - teaching will keep you. We hear testimony of how a grandmother took him to church and prayed for him. God's people are becoming complacent - quick to sit back and let others take responsibility. God wants a people who will hear a word and obey. When we hide our sins, we will not prosper. The spirit that encourages you to stop is called 'backslider' and he is out to destroy you by causing you to rebel against God's Word. He wants to destroy our witness and distort God's image in us.

09LHDVD9-9 - James Newton - CONTINUE TO PURSUE AFTER JESUS - James says that the Holy Ghost is like an atomic bomb - a shock wave may occur next week. You can't know God unless the Spirit reveals Him to you. Then you must really want Him. Is 33:22 says, He is our judge, our king and He will save us. No one can keep you away from God but you. 1 Jn 1:9 says if we confess our sins He will forgive us and cleanse us from all unrighteousness. God keeps His vows. Evil spirits know you, but do not fear. Just find someone who will pray with you. Don't be prideful of your knowledge - just know that the power that delivers comes from God. Eph 1:3,10.

DEON NICHOLS

19LHDVD11-3 [DVD - \$6.00] - Deon Nichols - IGNORANCE OF THE DEVICES OF SATAN - This is the 1st time for Deon to speak here but he has been coming here for many years, He learned about deliverance in the late 1980s but after his experience continued to believe Christians can't have demons. Later he was involved in a ministry where he sought to lead people to Jesus. A 16 year old boy came to him asking for deliverance from rock music and he began to pray as he usually did and that which he didn't

believe in, began to happen! At that point he knew that he was missing something that would enable him to better help those to whom he was ministering. He ended up at LHBC and his theology was dramatically changed requiring him to begin to search the Word of God. The result was not only a belief in deliverance but an enabling to teach and minister and see lives changed. It's not a one time event. We live it everyday...a lifestyle of walking in repentance. 2nd Cor 2:11 tells us to be aware....'for we aren't ignorant of his devices' {satan's}. We know he sometimes fools us but ignorance can be fixed. Deon gave us a very interesting example in the natural, comparing worms that attack a plum tree to what satan does in the spiritual concerning generational curses. He says that our enemy knows our call before we do and sets out to ruin us...and it's actually through no fault of our own but because of something that came down our family line. God has made promises and provision for us but sometimes we have to fight for it. Deon references the promise to Abraham, the guidance of Moses but still when they arrived in the Promise Land, they had to do battle for it...so it is with us. There are instructions involved that we must follow in the Word and it's one battle at a time. He goes on to give examples of areas that we should all look at in our individual lives. Let's not be ignorant of the devices of the devil pointing out that flesh and blood is not our enemy. The enemy is the one controlling them. So, who or what is controlling us?

19LHDVD11-8 [DVD - \$6.00] - Deon Nichols - ROOTED AND BUILT UP IN JESUS - How are we rooted and built up in Jesus? It is by His Word. Most of us cannot see God outside of what we know Him to be. But He is so much more than that! Jesus had perfect knowledge of the Father - they were One. John 14:10,11 "Do you believe that I am in the Father, and the Father is in Me? The words that I speak unto you I speak not of Myself: but the Father that dwells in Me, He does the works. Believe Me that I am in the Father, and the Father in Me: or else believe Me for the very works' sake." When Jesus spoke what the Father said, He knew it would come to pass. When we say what God's Word says, it goes out of our mouth, into our ears and then into our hearts where it plants a seed of faith. Faith comes from hearing and hearing by the Word of God - Rom 10:17. We must learn to speak God's Word - not what we see or feel. Our feelings are tied to circumstances but our faith has to be in God and what His Word says - no matter the circumstance. He will always watch over His Word to perform it (in His time). We have to understand what God's Word says in order to bring every thought into captivity to the obedience of Christ. Deon is an advocate of speaking the Word out loud. It is important for us to speak the Word, not just read it. It goes back to Proverbs 18:1 which tells us that "Death and Life are in the power of the tongue". This is not a message about "name it and claim it" but truly emphasizes how critical it is for us to have His Word in our hearts and believe what His Word says. He is the Living Word and if His Holy Spirit abides in us, then we are rooted and built up in Jesus. This is a wonderful presentation on how God's Word makes you an overcomer.

ZALMER NICHOLS

13LHDVD12-12 - *Zalmer Nichols / **Gail Bowen - *GOING DEEPER **THE GLORY OF GOD - *Brother Zalmer recounts stories about early revivals in America and the men and women who stirred it up. They were yielded vessels to God. Then Brother Zalmer teaches from Deuteronomy 11. The Israelites were instructed to place the Ten Commandments on their door post. Only people in covenant with God would come into their home and they were protected. We are in covenant. We could have our homes and families protected from the world as they did. Go deeper into God. When we are truly obedient, broken, and contrite the power of the Holy of the Spirit will radiate through us. **Sister Gail teaches us the brightness and splendor of God is known as the Shekinah Glory. We see the glory of God in nature all around us. God's glory was in the wilderness with the cloud and pillar of fire. His glory was in the Holy of Holies of the finished Tabernacle. We know that Jesus is the glory of God. Now the glory of God is in us because He built His temple in us...Christ in us. We can pray anywhere and God is there. We are being transformed into the image of Christ...from glory to glory by the Spirit of the Lord...the manifestation of the Sons of God that the Father may be glorified.

06DELTRDVD-10A & 10B – Dr. William Null – REJECTION – Eph 1:6 "To the praise of the glory of his grace, wherein he hath made us accepted in the beloved." Dr. Null introduces the subject of rejection by showing that by definition rejection can flow either into you or from you depending on your reaction to it. Then, by Scriptures he shows how you can react with fear if you receive rejection into you or by rejection of authority you react in pride. The fruit of both fear and pride are discussed in detail along with the relevant Scriptures. Deliverance and healing prayer follow this teaching.

06LHDVD11-3 – Dr. William Null – DELIVERANCE FOR CHILDREN – Dr. Null begins by giving us 2 cases in Scripture where Jesus prayed for children's deliverance. The references are in Mark 9:14-29 and Mark 7:24-30, with Matthew's account in Matthew 15:21-28. He tells us that when you see the word "compassion", miracles will follow. There are 5 principles learned from the 2 cases above: 1. Parents asked for help. 2. They were persistent. 3. They demonstrated faith and worshipped. 4. Jesus took a history. Dr. Null gives examples of prophets taking history. 5. Jesus states faith of parent is necessary. Concerning history, Dr. Null shows step by step, with questions to ask, that we are to obtain the family history from both parents including their relationship with Jesus and whether they are spirit-filled. Then he gives 7 questions we are to ask concerning the child needing deliverance. You must know who has delegated authority over the child. Scripture references can be found in Eph 1:20-23, Ephs 2:5-6, Rom 13:1-2 concerning your authority of prayers and Acts 4:19-20 and Matt 8:7 on submission to authority. He gives us Matt 8:13 where you will find an upgrade! Dr. Null divides children into age groups explaining ways to handle each group for deliverance. (0-2 years, 3-6 years, 7-12 years and teens). In conclusion, Dr. Null warns us to remember the devil takes territory very quickly but gives it up very slowly. The love of God will get you well. Get under the wing of God and stay there. And pray for your children. Dr. Null ended the teaching with powerful, authoritative deliverance over the congregation.

06LHDVD11-6A & 6B – Dr. William Null – WEAPONS OF OUR WARFARE – "For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds." (2 Cor 10:4) Dr. Null begins this teaching with a discussion of the necessity of forgiveness before you can begin warfare. He then discusses how satan affects your thoughts and influences your actions into wrong paths. The various sources of thoughts are discussed and methods to dismiss evil and harassing thought from your mind are given. A detailed discussion of binding and loosing is then given. He closes the teaching with a clear method of self-deliverance and a path to staying free.

06LHDVD12-3A & 3B - Dr. William Null - MAGIC - PART 1 - Dr. Null begins by giving us Webster's dictionary meaning of magic. Then he gives us his composite definition - which is the control of people or natural events by supernatural means. What does the Word say about it? He tells us there are three obvious instances in the Bible; Ezekiel 13:18-21, Ezekiel 21:21 and Nahum 3:4 with explanations of each. Dr. Null then takes the 3 categories on magic in Webster's Dictionary of witchcraft, sorcery and divination with explanations and scriptures on each. He then tells us all Christians have a familiar spirit - the Holy Spirit. Some evil spirits are real mouthy and strong. Remember when Gabriel came to rescue Daniel he had to call back for help. What determines their authority in your life? The more you yield to them the more power they have. He tells us there are 4 words translated witchcraft and all refer to using supernatural power to impose your will on someone else. Dr. Null closes with powerful deliverance prayers over the congregation concerning spirits associated with magic.

06LHDVD12-6 - Dr. William Null - MAGIC - PART 2 - Dr. Null opens the teaching with prayer. He begins by saying in Magic Part I we said Magic is the control of people or natural events by supernatural means and he talked about the three parts with explanations of each; witchcraft, sorcery and divination. In Deuteronomy 18:9-12, scripture tells us that if you do these abominable acts you become an abomination to God. He tells of drugs that are mind altering. God can heal mental problems. Get the fear and the rejection out. The Bible says anxiety in the heart causes depression and fear causes depression. Fear is a spirit and

God has not given you a spirit of fear. Dr. Null continues explaining witchcraft, sorcery and divination include soothsayer, enchanter, narcissistic (self worshiper), necromancer (seeking the dead), a wizard and a witch. He tells us a familiar spirit cannot read our mind. We have to speak it out. The devil cannot read your mind. He teaches us things used to bring familiar spirits such as potions, hypnosis, charmers, etc. How does witchcraft occur today? People get offended, and humiliated which opens up the door for a witch. You must defend yourself against self-pity, self-guilt and self-condemnation. When you rebel against authority in your life you are placing your seed under a curse. Learn about some rebellion in Numbers 16:1-29. He relates this story and tells us 16,000 died because they murmured and complained against God's chosen leaders. How does this apply to us today? When you rebel against God and leadership God says in Jeremiah, "I will send fiery serpents." These are serpentine spirits. In closing this excellent teaching Dr. Null says don't be afraid to praise God. He leads congregational recitation confessing Jesus and renouncing curses and evil spirits. He binds many evil spirits by name and speaks healing and restoration to all God's people.

06LHDVD12-18A & 18B - Dr. William Null - WALKING IN FREEDOM - Dr. Null gives us 3 weapons for warfare with many scripture references. 1. Know your weapons – forgiveness 2. Battleground of our mind - thoughts 3. Bind demonic (enemy) spirits. Then he teaches about our walk in freedom giving scriptural support including the race of faith and being a servant as Jesus, humbling yourself. He tells us hope is for the future but faith is for today. Learn psalms and hymns and praises. Be humbled through fasting. Dr. Null tells us about a Daniel fast. As in Joel 2:32 - anyone who calls on the name of the Lord shall be delivered. Self-deliverance should be a way of life to the Christian. He encourages us to read I Corinthians 5:13-15 at the end of every day inserting our name. Galatians 6:18 - repent and ask the Lord to help you to walk in His Spirit every day. The Bible is medicine to all our flesh. Dr. Null closes with prayers of deliverance over the congregation.

07LHDVD4-3 – Dr. William Null – FAMILIAR SPIRITS THROUGH GENERATIONAL CURSES – Dr. Null traces the steps of evil spirits working in the lives of believers through both the Old and New Testaments. Lam 5:7, "Our fathers have sinned and are not; and we have borne their iniquities." Gal. 3:1, "O foolish Galatians, who hath bewitched you?" We still are plagued with false teachers and spirits that will bewitch. The teaching culminates with prayers of deliverance.

07LHDVD5-3A & 3B – Dr. William Null – FAMILIAR SPIRITS, THEIR RELATIONS, SINS OF THE FATHERS – This message begins with an explanation about familiar spirits and the essential need to understand how demons and magic arts work. And rejection, the spirit that works in all of us, is the way familiar spirits can also work things like alcoholism, bad temper, etc. We don't have to be this way but we are - because of demons. Dr. Null explains that these familiar spirits are familiar with your family line. They know you and your family and they are passed down through the sins of the ancestors. Because of this the devil knows and watches and keeps books on you. He explains how sexual sin, lying, strife, poverty, bondage, infirmity, fear and others go down family lines and these familiar spirits are assigned to the family. He talks about sin and unclean things, and that rebellion and disobedience have to be punished. He helps the listener understand these are curses that have been visited upon us but there is hope through Jesus Christ who came to be the sacrifice for us if we confess our sins and appropriate deliverance. Deliverance prayers and ministry follow this teaching.

07LHDVD5-11A & 11B – Dr. William Null – WALK IN FREEDOM – Forgiveness is the main weapon of spiritual warfare. Do you want to be healed, made whole and set free? Then forgive and bless the ones who hurt you. Give up revenge! Bring every thought into captivity. The key to standing against principalities is to be in agreement with those in authority and other prayer partners. Hebrews 12:1 tells us how to walk in freedom. Push out bad thoughts by thinking good thoughts. Dr. Null gives many Scriptural suggestions to help you daily walk in victory. But the key is you have to do it. The operative word is "walk". It requires activity, discipline, making an effort – being aggressive and on the offense. Walking is exercise – whether it be spiritual or physical. Just do it.

07LHDVD7-4A & 4B – Dr. William Null – CONDITIONS FOR DELIVERANCE – Starting with Jer. 17:9-10, we are admonished to be honest with God and ourself. Listed reasons for wanting deliverance: 1) To glorify God, 2) To be obedient, 3) To bear fruit unto God. What do others see in you? Do you desire to change? Deliverance is for the desperate who are willing to fill their life with Jesus. It requires willingness to humble yourself before God, fasting, servanthood, repentance (your own sins and those of your fathers), and forgiveness. We must learn how to give and get mercy. Many Scriptures are given to illustrate this teaching. The latter part of the message deals with much information regarding the occult using Deut 18:9-12 as the largest list of occult practices found in the Bible. Deliverance prayers and ministry conclude this teaching.

07LHDVD7-15A & 15B – Dr. William Null – REJECTION #2 – This message is the conclusion of **07LHCD7-7 – Dr. William Null – REJECTION #1**. He begins by summarizing Part 1. Lucifer (the light bearer) fell. Is 14:12-14, Ezk 16:1-5 utter rejection. This message covers pride. Rebellion (Neh 9:16-17, 29) leads to legalism, Gnostic, cults and spiritualism. The spirit's name is Jezebel. She goes by many other names. When in revival, if people refuse to move on with God, they become legalistic. This can result in a cult and they end up denying Jesus. Iridology, reflexology, water witching, etc. – any place you receive knowledge other than from God. Break these curses. Do not read a witch bible. Yoga – you are worshipping a foreign god. We are to come out of all that and be holy. You will pick up demons if you are or were involved in martial arts. If we can see sin from God's view we would never do it. Sexual sin – outside of marriage – is worship to the devil (Col 3:5). It destroys the soul (Pro 6:32). Learning disorders are fruits of rebellion. Rebellion will bring you into gluttony and bondage. The spirit of stubbornness and its fruits are explored. If you have unforgiveness – repent, forgive and get free. Pride is seductive and deceiving. The remedy is to believe God, humble yourself and trust Him. Prayer and ministry follow this teaching.

07LHDVD9-3 – Dr. William Null – CONDITIONS FOR CHANGE – We cannot change ourselves – the Holy Spirit has to do the work. In this teaching, Doc presents conditions necessary for change, and expounds on each. He talks about the works of the flesh and the fruit of the Spirit. Deliverance is for the desperate who are willing to fill themselves with Jesus and abide in Him. Repentance – confession of sin – forgiveness are all necessary for change to occur. If you choose to forgive but are still angry, pray and ask God to heal the hurt. Ask God to bless your enemies and He will heal you. (Luke 6:28) Two types of idolatry that will open you to demonic oppression are 1) Magic arts and the occult and 2) Sexual sins. There are many Scriptures and several experiences within the content of this teaching which ends with prayers for confession, repentance, forgiveness and mass deliverance.

07LHDVD9-6A & 6B – Dr. William Null – REJECTION – You send out rejection when you rebel and you take it in when you are denied love. Rejection became our birthright when Adam and Eve rejected God's Word. Ezekiel 16:1-5 shows the descent from the Amorite (fear) and the Hittite (pride) which is the Canaanite (rejection). Fear of rejection, self-rejection, and self-hatred all let in a false comforter spirit. When you grieve the Holy Spirit, He withdraws and the light goes out. Darkness takes over and you decide your moves – you become as god. Lust or love of the world – sexual problems – perverse spirits – debased mind – this is a progression down from fear into a cave of darkness which leads to a grasshopper spirit (Num 13:32-33). You never feel good enough. This results in torment – terrors – depression – self-pity – perfectionism – occult, etc. Isaiah 30:1-3, “Woe to the rebellious who take council but not by My Spirit.” (false coverings). This message conclude with prayers for repentance and ministry for deliverance and healing.

07LHDVD9-11 – Dr. William Null – TO WALK IN FREEDOM – This is quite a message - a pan full of nuggets. Casting demons out is the easy part – keeping them out is the hard part. You can look at a family tree and see familiar spirits run in families. There are sorcerer's in the church who will bond you to them instead of to Jesus. Demons know which hot buttons to push for you to react. When you are offended and

react in anger or rage – the devil’s got you and it opens you up to oppression. Stand back and repent. Accept your guilt, humble yourself and repent. Tribulation means pressure. Embrace the tribulation – it purifies your character. Make yourself a servant and serve others – with joy. Forgive – give up the right to revenge. If you don’t, a well-trained crew is waiting for you and they are experienced in torture. These practical steps, plus many more will help you lead a victorious life. Dr. Null puts Scripture to all these nuggets.

07DELTRDVD-6A & 6B – Dr. William Null – THE THINGS THAT BRING ON DEMONIZATION

– The things that cause demons to be in you are the sins of your fathers or your own sins (or both). This teaching begins in Exodus 34:5-8 proclaiming that the name of God, the nature of God is to keep mercy for thousands of generations, to forgive iniquity (rebellion), and transgressions (knowing something is wrong but doing it anyway) and sins (missing the mark). In the Old Testament disobedience to God’s Word brought a curse and obedience brought a blessing. The Law could not be kept so all were under a curse. In the New Testament, Jesus paid the price (Gal 3:13) and curses coming down the family line must be broken as well as curses that are on us because of our own sins. True repentance leads to deliverance – sin leads to demons. Doc addresses some specific curses and things that bring on demonization in this message, i.e. 1) You can pick up demons touching dead things. 2) Sexual sins (idolatry – an act of worship to satan which brings a ten generation curse and causes demon infestation. 3) The curse that comes from doing the work of the flesh. If we continue to do the works of the flesh we will pick up demons and that results in loss of control of your will and emotions in these areas. 4) The consequences of murmuring and complaining brings a plague and will demonize you and your descendants. God wants you to support the people He has put you with. Honor your parents if you want to get rid of demons. 5) Witchcraft prayers and unkept vows. Be careful what comes out of your mouth. Prayer and deliverance ministry follows this teaching.

07LHDVD12-1 – Dr. William Null – UNFORGIVENESS – If you will not forgive, it stands as a wall between you and God. Unforgiveness is to seek revenge. Matt 6:12-14. In Rom 12, God says vengeance is mine. Release them to God. Matt 11:25-26 – forgive that He might forgive you. Walking in righteousness, peace and joy is walking in the kingdom of God. Using the parable of the unjust steward, he explains that because of unforgiveness you will be turned over to the tormentors. God does not do these things to you; you do them to yourself by walking out from under God’s covering – refusing to forgive. Start praying for God to bless the person who comes to your mind that has hurt you. If you want somebody to pay, you will pay. Matt 45:43, Jesus says love, pray for your enemies. God made every soul on this planet and wants you to pray mercy on them and He will be merciful to you - Luke 6:35-39. Dan 9:9 – forgiveness is a gift of God. When your heart is right, God will give you this gift. Doc shares his personal testimony of a recent experience of not forgiving. This resulted in a near death experience and a 7 week hospital stay, much surgery, pain, etc. – all resulting from unforgiveness. Forgive and if you have hurt someone, go and make it right. Doc closes this teaching with prayer.

07LHDVD12-18A & 18B – Dr. William Null – KEEPING YOUR DELIVERANCE – Jesus called demons mostly unclean spirits. Eph 6:11-12 tells us who they are. In II Cor 12:1 Paul talks of the third heaven. Jesus told the thief on the cross He would see him in Sheol this day; the place of the righteous dead and after the resurrection on to Paradise. In Gen 1:1 we see the heavens being spoken into being. A description of the Hindu religion follows. The Buddhist religion came out of the Hindu. Doc says Eph 6:12 shows an evil angel who sits in the second heaven and plans for earth bound unclean spirits. There are ranks of different evil angels of great beauty. In II Pet 2:10 and also in Jude it says do not speak evil of dignitaries, call them what God does in his Word. The devil got authority from Adam and gave it to the evil angels but we have authority Jesus gives. Eccl 10:20 – talking first about thoughts and about your voice. The blood of Jesus cleanses from dead works we have repented of. What causes unclean spirits to come in? SIN - yours or your fathers. The devil will have people in your life to tempt you, offend you, etc. Acts 14:22 – through much tribulation you will enter the Kingdom of God. I Tim 3:12 – all who live a godly life will suffer persecution. Keep binding these things that are tempting you and you will find the peace of God. Study the Word of God and repeat It to the devil. Rom 13:10 – respond in love; bless don’t curse. Talk to God, ask for His help. When you feel pride or fear welling up, ask for God’s grace. Rom 5:3-5 – God gives hope, faith and love. Jesus was perfected through the things he suffered. Pro 6:5 deliver yourself. Remember II Chron 7:14 and much more!

08LHDVD5-3 – Dr. William Null – FORGIVENESS – THE KEY TO HEALING - Matt says in the Amplified Bible that offenses of necessity must come. Using many scriptures, Dr. Null shows where Jesus could have been offended and how He reacted to them. He shares personal testimony of his background of searching in all the wrong things and places until being prayed for, healed and delivered when Francis McNutt prayed for him. He explains how an open vision brought unforgiveness from the distant past and God began to teach him about unforgiveness. God told Doc that he would heal him and explains how this happened. Doc says unforgiveness will give you cancer and other diseases he names. Ps 86:5, Dan 9:9 – to be able to forgive is a gift of God. When you have forgiveness you will not respond to the person or circumstance with anything but love. Lev 19:18 - God desires us to be kind and forgiving towards each other. Luke 6:37, Matt 18:32-35 – unforgiveness gets you turned over to the tormentors. Cry out to God for mercy. Gal 6:7-8 are fine verses on sowing and reaping. Matt 5:43-45 - sow mercy. If you judge you will be judged. Hidden memories that resurface is God speaking to you to forgive and be free. Begin to pray mercy for them. See where bad thoughts come from. Ask God to help remove them and restore your mind and memory and be like Him. Help us to die to our soulish life and be like Him. He closes with many deliverance prayers specifically naming and casting out demons in the name of Jesus.

08LHDVD5-11A & 11B – Dr. William Null – WALKING IN FREEDOM - What does “Lord” mean? It means He is your boss. The first step to deliverance is to know He loves you. Matt 18:7 – offenses must come. James 1:13 – desires will arise from within you. The devil will put pressure on you and pursue you. There is a host of evil spirits out there. Doc shares personal experiences. There are evil spirits assigned to you and your family. How do you respond to an offense? Some, you flee from, such as idolatry, fornication. Some, you react in faith/love and stop and pray. Pro 15:1. Settle your anger before the sun goes down. If you judge somebody you will be judged in the same way. If you react and sin - deliver yourself. Remember, when you read the Word out loud the devil can hear it and you can too. Faith comes by hearing and hearing by the Word of God. II Chron 7:14 tells us to humble ourselves. Deny your flesh. Mark 12:22 - pride proceeds out of the heart. Serving others is another way to humble yourself. When you speak a curse a demon goes out to fulfill it - Judges 9. Joel 2:32 – anyone who calls on the Lord shall be delivered. Evil spirits can come out by way of a yawn, sigh, cough, belch and passing gas. The only thing that holds us together is the Word of God. Deliverance is a lifestyle - as in repent of your sin, don't take offenses, etc. We must walk in love and control our thoughts. Like birds - “You can't stop them from flying over your head but you can stop them from making a nest in your hair”. Drive the unjust thoughts out of your mind and heal your land. Mark 16 says believers will expel demons. You need to read the Bible every day, do routine fasts, have a good church that believes the Bible, pay your tithes, walk with Him, evaluate your day and settle things before you go to bed. Doc closes with deliverance prayers.

08LHDVD7-9A & 9B – Dr. William Null – THE LAW OF SOWING & REAPING - Doc begins with Ezek 16:1-7 sharing that naked in vs. 7 means without covering or armor. Your inheritance from Adam was fear and pride. Doc explains some of his book on Rejection. With rejection you can respond with fear, pride and rebellion. Doc shares his life testimony explaining his healing and forgiveness. The first definition of forgiveness in the dictionary is to give up the right to revenge, to remit or cancel a debt. He compares Luke 11:4 with Matt 6:12. In verse 45 of Matt 5:43-45 "sons" is children. God's character is in Ex 34:6. I Pet 5:7-9 the devil is your enemy not the poor person beguiled. What is fear? It is a spirit. Sometimes it causes a panic attack which can last for seconds or much longer. Release people who have hurt you to God so you can pray for them. Pro 18:21. I Kings 8 shows the devil cannot read your mind. But God knows your heart. However, the words you speak are marching orders for evil spirits. Matt 7:1-2 as you sow condemnation and judgment into the lives of other people you've opened the door for God to do the same to you. Sow forgiveness, grace and mercy into your enemies and God will heal you. God is never late but He is seldom early; He does cut it short sometimes. It isn't wrong to take medication but will it heal you? Eighty percent of backaches are spiritually inspired. There is no healing outside of Jesus Christ and He does it the way He wants. Doc shares 2 scriptures on binding and loosing; Matt 1:19 – given individually as to Peter and to each of us and Matt 18:15-20 – given to the corporate church. He closes with Eccl 5:2 and Heb 9:13 be

careful what comes out of your mouth. Doc prays to break curses of unforgiveness, rejection, fear, pride, infirmities, etc. over the lives of everyone present.

08LHDVD11-5 – MEMORIAL SERVICE FOR DR. WILLIAM NULL – We were blessed Saturday morning, November 29th, to honor and say goodbye to our dear friend, Dr. William G. Null, who had labored in the kingdom with us at LHBC for many years. Ashley Null, one of Dr. Null's sons, officiated this touching memorial service. He injected a bit of humor where appropriate and shared briefly of Doc's interesting life as a pediatrician, Boy Scout leader, swamp rat, hunter and trapper. The real focus was on God's unconditional love for His children – which is what many remember the most about Doc. The service concluded with communion and "When the Saints Go Marching" with banjo accompaniment. If you weren't able to be here, get the CD or DVD. You will be blessed!

C. R. OLIVER

08LHDVD9-4A & 4B – C.R. Oliver – THAT'S RIGHT BROTHER - Ten days before this message was given, God gave Brother Oliver a word for the people at LHBC. (At that point he had not been invited to speak). The Lord gave him a question and then some probable answers with explanations. The question; How have we gotten where we have gotten now? He says the "Rabbi of redefinition" means there is no tolerance. The first probable answer is: Could it be that the church compromised where the early church never would? Pray for more boldness to stand when under persecution. God is a consuming fire. 2. Could it be that the early church responded more quickly to the call of the Spirit? Acts 8:26 – Philip went. God wants us to be instant in season or out of season. 3. Could it be that the people of God thought that holiness and righteousness were not an option? Without holiness no man will see the Lord. 4. They loved and invested themselves more deeply in each other's life than this time is capable of. They loved each other without reservations. There is no fellowship today; we need to get to know a brother in Christ. 5. Could it be that money was not a major concern to the early church? 6. Could it be that the early church hungered for the supernatural and weren't satisfied with the ordinary? 7. The early church looked at the political arena and realized they were more powerful. They knew God's Kingdom would rule. Luke 3:1-2 – the Word of God is still by passing the rulers to ones in the back side of the wilderness. 8. The early church ministry was to God; just what pleased God. 9. Their level of expectation was attached to their prayer life; they were Spirit led. He closed with Ezek 44:12-15 which is the premise of what God showed him is happening. Sanctify yourself today because I am going to do marvelous things tomorrow. Zadok in Hebrew means righteous ones. God says agree with Me on these things and I will use you more than you have been used in your life.

09LHDVD4-1A & 1B – C.R. Oliver – THE PLACE OF THE SAINTS - Brother Oliver shares nuggets from his books. "Solomon's Secrets" was given over 20 years of study. "Sons of Zadok" was given from Ezekiel and Zachariah, and teaches the difference between the clean and unclean, etc. It is time the believers know who they are. "En Punto" is about knowing where you ought to be. The gap is closing on understanding the truth. Listen to the voice of God. "The Regal Pair" tells about what a Pharisee really is. We will see the Kingdom of God explode in our churches or they will die. Ministry is doing exactly what the Holy Ghost tells you to do when, where, etc. The Greek word for Holy and Saint is the same. "Sealed Unto His Coming" is a commentary on every book in the Bible. Rev. 13:6-7 - you are a target in this war. Realize, there is a place in God where you cannot be overcome. There is power in being a Saint. "Called to be Saints" title came from Romans 1 and 1 Cor in which the same words are used. Limiting the Holy One of Israel is the primary sin of the modern church. The Saints will judge the world. It is time the world saw a saint in action. We need to give God what He paid for.

09LHDVD4-4 – C.R. Oliver – SAINT'S PRAYERS – He is coming in great power any way He chooses. The shepherds are not pleasing to God. God is dealing with holiness. Be on time. If you don't pray, there are things in the spiritual that will not be done. We are to pray continually before the throne from within. The prayers, circling the earth, cause a creation to take place; makes the highway of our God. Rev 5 - give

us direction so our words mean something. The perfume of heaven is the Saint prayers. Rev 8:1-6 the incense is the prayers of all the saints. Mingle your prayers with all of theirs. We have got to change our prayer life. It is not what you say or how you say it, it is the deep desires of the heart; the language heaven understands. Rom 8:26-28, Eph 6:10-17, Jude 20, Daniel 4:17, Col 1:24-29. The book of Acts is the "acts" of the saints.

09LHDVD4-5 – C.R. Oliver – EFFECTIVE PRAYERS OF THE SAINTS - Praying is an "entering in" process. Saints live on a different level. We pray for one another - the Holy Spirit prays through the saint. Putting on the armor of God means to pray and do warfare in prayer. Sometimes we need to ask God to repair the track ahead of the train. Col 4:2,3. Saint power, plus God gives us a word from Him. Prayer is labor as Paul said in Col 4. We need to get saint thoughts in our minds. Saints must abide in strong, knowledgeable, worthy, quality prayers so they can mingle with the prayers of Moses, Elijah, etc. I Peter 4:7 is a word for us today. Take a moment with God in prayer, and He will see you through. C.R. shares many scriptures on prayer. The difference in saint praying is: being in prayer with other saints, praying in line with the prophetic, praying with the mind of the huge "saint pool", and it brings attention in heaven.

09DELTRDVD-3A & 3B – C.R. Oliver – HOW IN THE WORLD DID WE WIND UP HERE? - Using Abraham as an example, we see how sometimes doing the will of God brings us into unusual circumstances. Moses, Joseph, Job, and Jeremiah are all pictures of the unexpected dilemmas that occurred because of the sins of the prophets and priests. The clergy have not lived or preached the kingdom of God. So ... How In The World Did We End Up Here? Almost everything that was in the early church is missing in the present day church. Jeremiah exposes the unholy clergy that no one challenges. God can remedy this by captivity or if we choose, we can repent and begin to challenge the rebellion of the leadership in God's house. Ministers of God, the battle is on! Will you join the fight? You will respond - one way or another. This message brought the congregation to their knees before God!

DARIO & CINDY PARISH

07DELTRDVD-5A & 5B – Dario Parish – DELIVERANCE AND CHURCH GROWTH – This is not just another message on deliverance but one that successfully incorporates the ministry of deliverance with church growth. Most pastors have experienced the opposite when they introduce the deliverance ministry into their local congregation – people leave! What a novel idea to think that God meant for the church to grow using deliverance as a resource and tool for that. This is a must hear message for Pastors! Dario defines success as a combination of things. 1) Leadership. 2) A message. 3) A vision. 4) Location. 5) Timing. 6) God's favor. Each person has to achieve the measure of success God has for them. You have to grow to maintain and grow abundantly to survive. Church growth is more of attitude than effort. Concerning what we do with our resources – for different results – we need an enlarged vision and must be willing to change. God takes us from uncomfortable to uncomfortable to uncomfortable. Concerning problems in the deliverance ministry Dario addresses 1) The devil will try to isolate you, pretend to illuminate you, and with the body will place seeds of destruction in us. 2) The enemy will cause you to loose focus on what God is doing. He will get you to engage in small battles while real issues are neglected. 3) The Pastor must keep focused on the overall picture and keep the troops in movement to achieve the vision. A church is either growing or it's stagnant. 4) Attitude – don't just do the minimum. Start multiplying yourself – create an atmosphere for growth. 5) Sometimes we are too radical. Sometimes talking about demons only turns people off so they won't believe. It is our job to connect with them – not to turn them off. 6) Pride of what we are and what we can do – the problem is not the message but delivery of the message. 7) Beware not to become religious about deliverance. There is a battle for the reality of the Gospel. The Holy Spirit has control. Growth starts with Evangelism. There has to be balance between and in the people in the church and those coming in.

ministry in Latin America and being in the US now for 3 years. We are where we are in life “for such a time as this”. Cindy centers this teaching on Jer 29: 4-14, specifically 29:11. God explains what His plan is. God has thoughts towards us. His thoughts are His plans for our life. Isa 55:8 God’s thoughts are so far above ours; they are His plans for our life. God’s plans can put us out of our comfort zone. Vs 28 tells us we need to settle in and accept His plan; we are here for the long haul. Jer 27:9. We can sometimes manipulate people to tell us what we want to hear. False words lead people into rebellion. Rom 8:28, Jam 1:1-4, I Pet 1:6 are some of the scripture references. Suffering that produces life and fruit in our lives is what we have when we know Him. “Know the story behind the glory” is about knowing what people have been through that are sharing the story. Cindy shares 5 things we can do while we are in captivity (going through the trials): 1) Jer. 29:5 – be active; build a house, plant gardens, make plans, be peaceful and settle down 2) Jer. 29:6 – be fruitful; produce fruit in a time of bondage, be diligent 3) Jer. 29:7 – forgiveness; if we are going to be free we have to forgive others and forgive God 4) Seek the peace and prosperity of all around you; bless those who persecute you, your husband, and etc. 5) Jer. 29:12-14 seek Him and He will be found by you; even in your time of captivity. God gives grace to face mistakes and He will walk with you and give you favor. Ps 107:20, 29:14.

NORMAN PARISH

06DELTRDVD-5A & 5B - Norman Parish - Deliverance from the Spirit of the World - Norman begins telling us that as we go through the Bible we will find the names of many spirits. The enemy is a master of disguise. He adapts to the situation he is confronting at that moment. In this teaching he talks about a spirit that is not only very prevalent in the world but also in the church. Even in churches that claim to be renewed by the Holy Spirit. They have been tempted, oppressed and captivated by this very powerful and at the same time very subtle spirit. This spirit is found in I Corinthians 2:12. I John 2:15 speaks of the world and world influence on us. He gives us the definition of the word "world" used in the Bible as basically meaning 3 things; planet- Psalms 24:1, humanity - John 3:16, 12:19 and enemy - I John 5:4, 2:15 and John 16:33. Norman says we must be not conformed to this world and gives us several things the world can do to us: deceive us, corrupt us, defile us and enslave us, with Scripture references for each. Then Norman asks what does the devil use in the world to deceive us and to bind us? Many things - Norman mentions ten, beginning with worldly friendships and expounds on each one. You will find out about the spirit of a cloned human and the 3 powerful principalities that operate in the world under the direction of the spirit of the world. The Bible says whoever loves the world; the love of God is not in him. What influence does the world have over you. In closing, Norman says God allowed him to preach this message because it is necessary. He said to dedicate what is left of your life for the Glory of God and he closed with prayer. This is an excellent and challenging teaching that can spare you a lot of trouble and save you from defeat and destruction if you will heed it and apply it to your own life.

07DELTRDVD-1A & 1B – Norman Parish – THE ROOT OF BITTERNESS – Bro. Parish shares some potent truth concerning the root of bitterness. This Scripture based teaching is one of the most common sins in the body of Christ. Everyone should examine their lives to see if bitterness is there or has crept back in. It can take deep root in us and we aren’t even aware it is operating in us. It stops God’s blessings from flowing in our lives and can cause us to fall. We need to daily face each situation and forgive. Using 1 Peter 3:13-14, he said (about justifying one’s self), God said – if you speak, I will be silent but if you keep quiet, I will speak on your behalf. Using King Hezekiah as an example (Isaiah 38:10,15, & 17) – at the point of death he was a success in all areas but his sin was bitterness of soul. Bitterness is caused by not forgiving - holding on to grievances which build up in the soul and produce hatred, etc. Generally this is a result of being hurt by someone or set of circumstances. Forgetting and forgiving is an act of mercy. We bind people when we don’t forgive them and hold bitterness against them – release them so they can enjoy life too! He asked the question, “Who are you bitter toward?” He gives numerous Scriptural reasons for bitterness: (1) Adultery, Pro 5:3-4. (2) Alcoholism, Isaiah 24:9. (3)

Backsliding, Jer 2:19. (4) Family relationships, Col 3:19. (5) Social relationships, Lam 1:1-4. (6) Loss of loved ones, Ruth 1:20. (7) Loss of freedom, Ex 1:13-14. (8) Loss of health. (9) Loss of income. (10) Involvement in the occult. Norman concludes this excellent teaching sharing the consequences of bitterness and then prays for the congregation.

07LHDVD-10A & 10B – Norman Parish – THE SPIRIT OF ANTI-CHRIST – 1 John 4:2-3,6 speaks of anti-christ which means against Christ or instead of Christ. Anti-christ can be a person, a system. It is a spirit of lying and deception. Jesus is the Spirit of Truth. 1 John 2:18,22 The anti-christ will appear in the church and can be identified by his attitude toward Jesus. Jesus is God in (flesh) human form. Anti-christ questions Jesus' humanity or His divinity. He IS fully God and fully man. Citing various Scriptures, Norman points out we are promised safety in tribulation but not in wrath. He says the tribulation is satan's wrath on the earth. He believes God's wrath is a later event. The same spirit that was in Judas will be in the anti-christ; rebellion, self-exaltation, pride and arrogance. The man of sin will appear in us – if we let him! He will do supernatural wonders. The anti-christ spirit wants to manifest. It says we don't have to suffer or face persecutions. Norman admonishes us to live in strict obedience to Jesus and stay in fellowship to keep your sanity in these end-times.

08DELTRDVD-1A & 1B – Norman Parish – WHY DELIVERANCE? – Norman begins by sharing some experiences as a missionary and how he intercedes for America right now and urges all to do the same. He shares 4 reasons why God loves this nation: 1. There is a large percentage of evangelical Christians in this land. - 2. America has been the missionary forwarding agency of the world. 3. America has been a very generous nation. 4. America's love for Israel. Demonic activity is going to intensify. Satan hates mankind. Norman shares 10 reasons why we should get involved in needful deliverance and explains each: (1) Deliverance validates God's Word - Ps 107:20 (2) Deliverance is the only way we can cause the downfall of the kingdom of darkness - Luke 10:17-19, Matt. 12:22, Rev.12:7-11 (3) Deliverance contributes to establishing the Kingdom on earth – Col. 1:13 Demons will not leave until you get rid of them - Matt.4:23, 24, 10:7, 8 (4) Deliverance contributes to the fulfillment of the great commission – a lot of diseases are demonic; diabetes, lupus, certain cancers, etc. Mark 16:15-20, Rom 15:18-19. (5) Deliverance demonstrates the power that is bound up in the name of Jesus - Phil 2:9-10 (6) Deliverance gives continuity to the earthly ministry of Jesus – John 14:12 (7) Deliverance applies the benefits of Jesus' work on the cross – Gal. 1:4, Heb. 2:14, Col. 2:15, Rev. 14:15 (8) Deliverance restores New Testament Christianity to the church – Joel 1:4, 2:25, Acts 3:21, Obadiah 15:17,21. (9) Deliverance convinces us of the need of the infilling of the Holy Spirit. (10) Deliverance prepares God's people for the second coming of Christ. We need to get God's people ready for what is coming. This message is an incentive to get involved in deliverance in order to shake satan. Our battle is not against flesh and blood but against demons behind the scene. Norman closes with prayer.

08DELTRDVD-2A & 2B – Norman Parish – DELIVERANCE FROM BITTERNESS – Bitterness shows on faces in the USA. It is a subtle spirit and you think you are the victim. You don't enjoy the good things God has given us. It is a very destructive spirit. Norman shares examples in the Bible of bitterness. Isa 38:1 - Hezekiah had it all. But at 39 years old became prey of bitterness. Isa 38:15 – the cause of his illness. God waits for us to acknowledge we are bitter. It attacks from outside, being welcomed, II Kings 18:1-15, a spirit will come in. II Chron 32:27-29. Matt 24, Sometimes those closest to us can hurt us the most. For example, Job's home situation could have been the root of his bitterness. Job 1:8 He lost everything and had physical illness. The only thing left was his bitter wife. Job 7:11 – Job 9:17 He blamed God. He admitted (vs. 18) to fear, bitterness, accusation. Job 10:1 – 5 times he confesses to bitterness. In order for Job to be healed and restored – He had to REPENT. Time to stop shifting the blame for some real or imagined slight, etc. "My problem is not others but myself." Eph. 4:22 put off the old man, put on the new man. A true Christian cannot be possessed because the demons can be in the soul but not in the spirit, unless we knowingly reject God. Eph. 4:31, Heb. 12:15 – others can be defiled. Much disease is caused by bitterness. Bitterness causes your sugar to shoot up. One example of results of bitterness – Is. 38:21 – not the poultice but by his obedience he was healed. Live according to the Word. II Tim. 2:10, salvation with

ISH PAYNE

07LHDVD4-1 – Ish Payne – FIGHT OR FLIGHT – Ish brings this excellent teaching with very informative, true life, examples. He begins by saying he doesn't want us to believe anything he says unless 2 conditions are met. 1) It has to line up with the Word and 2) Make sure it lines up with your spirit. In this hour God is trying to equip an army of men, women and children to rip chains off people. Is God for you or against you? Probably 80% of the church doesn't believe that He is for us. And God does want us to know what He thinks. Do we have an enemy? Can we know how he thinks? Absolutely, we can know from John 10:10. It says the thief comes to kill, steal and destroy you and your family. Ish tells us a lot of what he is going to minister is in his book "Life in the Red Zone" which you can order from LHBC. Ministry is about relationships. Relational problems bring on other problems. The first thing the devil does is he deceives you. He does this by making you listen. You've got to hear something. Second, after he got us deceived, he wants to get a foot hold in our life. When the foot hold is established you are not just hearing what is going on, you are listening. Third, you are living it; it has become a part of you and your lifestyle. Deliverance is a lifelong process. We are always only as free as our next choice. If you live in fear you've made satan bigger than our God and he is NOT. In his book, "Life in the Red Zone", Ish and his wife have created a Red Zone Chart he says is copyrighted, which means you have the right to copy it. He explains a quick synopsis of this chart showing us peace or homeostasis in the green zone, where God designed you and me to live before the foundation of the world. At the top of the chart is Fight or Flight - the thing that God designed for you so that you can run and fight in times of trouble. The minute you lose your peace you are in fight or flight. On the middle of the chart is the Red Zone. He says this chart can affect your life and also a lot of other people. Living in the Red Zone is resisting the Holy Ghost. Through personal testimony he shows that comparison and competition put you in the Red Zone because you might never measure up. It is all about relationships. He shares a deep truth with us – "you better learn to love yourself" because "wherever you go, there you are". He says he is trying to learn to be his own best friend. There are only 3 ways you can be broken: with God, with someone else or with yourself. Each story he has shared, in each case there is a broken relationship. If your relationship is broken between you and you, or you and someone else, it is automatically broken with God. If you don't forgive yourself you are saying our sin is bigger than Jesus. Repentance is agreeing with God. God said it and that's what I need to do about it. Ish closes this teaching with prayer and deliverance recitation with the congregation.

07LHDVD4-7 – Ish Payne – THE KINGDOM AND SIN – Ish tells of an open vision he had from the Lord. He tells us there are 3 Kingdoms to deal with: God's Kingdom, the devil's Kingdom and our Kingdom. Ours is the hardest to deal with as we serve it and not God's Kingdom and He will not give His glory to another. Matthew 4:23 – what we are looking at is the Kingdom of God. Salvation, to Ish, is taking on the new Kingdom of the Lord Jesus and laying down your life and your kingdom and following Him. Spiritual warfare is simply determining who is in control. Is Jesus Lord or am I? May of us are determined to live unto ourselves. If you are going to be in authority, you have to be under authority. He asked the question why do we die? Because of Adam and sin. It is because of sin that man dies. The minute you are born, you start dying because of sin. He shows 3 types of sin that can inflict you. He says there is probably more but he likes to teach it this way but reserves the right to change. When we were born, we were born into a sin cursed world. So we understand things happen that are unexplainable. Examples: 911, children dying, miscarriages, bad wrecks, and plane crashes. He gives examples of when he was a policeman. The second part of the sin issue is that we can become victims of someone else's sin. He gives more examples. The third issue of sin is your own sin - personal sin. Sin separates us from God. Matthew 18 shows the difference between a captive and a prisoner. Anything controlling us that is not the Holy Spirit is from another Kingdom. This Part A teaching CD ends with Proverbs 1 – Is God sovereign? Yes. Are you sovereign? Yes. But not like God. God in His sovereignty gave us the right to choose. This CD

continues the teaching on “The Kingdom and Sin” with a true story from Charlotte NC that Ish tells us about. This illustrates Proverbs 1:28 – We have all made bad choices. We reap what we sow. See Psalms 81:11-12. Ish then gives everyone present the opportunity to vocalize repentance by responsive recitation. He warns us to guard our heart and set boundaries for ourselves. At this time he allows people from the audience to share real life experiences of repentance brought to them during this service. He then gives us 3 important principles: 1. You are not responsible for someone else’s sin, sickness or torment. This includes your children, your husband or your wife. 2. You are not responsible to get that person saved, healed or delivered. You are not the Savior. When you try to become their savior, you are in idolatry and you’re not helping them, you are hurting them. 3. The only thing you are responsible for is to hear the Word of the Lord and do it. Don’t let tradition or your neighbor tell you what to do. Listen for the Word of the Lord. And God doesn’t get in a hurry. He prays for healing, deliverance and restoration over the congregation, and takes authority over specific evil spirits, and curses.

07LHDVD9-1 – Ish Payne – THE TWO KINGDOMS – DARKNESS OR LIGHT – This message begins in Mt 6:33 with a question to the listener, “Who is ruling in your life?” His rule is His Kingdom. Ish speaks of the Glory of God and uses personal experiences to illustrate His Glory being revealed in everyday events when Jesus is within us. The latter part of this teaching is taken from his book, “The Red Zone”. The body only does what it is told and what is going on in our brain is what happens in our body. He describes how continual stress (unforgiveness) can destroy our immune cells and shares how a woman who, after forgiving, became free of Fibromyalgia. The service concluded with many coming forward for prayer to heal heart issues.

07LHDVD9-7A & 7B – Ish Payne – THE FIVE FOLD MINISTRY & HONORING GLEN MILLER – This was a unique and heart warming service. Ish called Glen to the front and had him sit before the congregation. He then used a different minister to explain the individual offices of the five fold ministry – showing how God has used Glen in all of these offices. Geri McGhee profiled the Evangelist – concluding Glen is used to convert others to Christ. Carla Butaud outlined the Pastor and said Glen is available and sees to the needs of the flock. Darlena Fields offered explanation of the Teacher and states that Glen teaches the things of the Lord. Phillip Fields portrayed the Prophet as a seer, one who sees what other people cannot or are unwilling to see. Prophets take a stand and do something about what God tells them to do. The Prophet has discernment to separate light and darkness. And certainly Glen has fulfilled that office time and time again. Ish describes the Apostle as a birthing ministry and said signs, wonders and miracles must follow. Suffice to say, LHBC has birthed untold numbers of ministries and only eternity will reveal the signs, wonders and miracles that were done as a result of Bro. Glen’s obedience to do what God called him to. Ish then presented Glen with a hand-crafted rod he made and the group washed Glen’s feet. Ish then brought a teaching on perception versus reality. The foundation of faith must be right or you will be living in a performance type all your life. God always loves unconditionally. Every part of your being exhibits one kingdom or the other. People will remember what you do – not what you say. He states what you see about your earthly father is what you see about God. What you see about your mother is what you see about the church. This service concludes as uniquely as it began. Ish and Geri stand before the congregation to represent a father and a mother. They ask individual forgiveness for a multitude of sins, and the congregation individually forgives. A father’s and mother’s blessing was then prayed. There was a deep work done in a number of saints in the congregation. One lady was so tremendously touched, that the next day she didn’t even look the same – there had been such a transformation by the power of God. The anointing rests on this and will minister to you.

10LHDVD5-4 – Ish Payne – WARFARE COMMITMENT - Neh 4:14-17, Ezek 22:30 God is bringing people together who have little in common except Jesus. When we come into God’s army, become changed into a person of honor, He wants us to move on as one new man. You will never be a leader until you follow a leader. We must experience the furnace of shared hardships. We must learn to operate in the kingdom. It’s not all about you. If you’re a wounded soldier, you will need others to care for you. We must bind together to take on a common enemy. We grow up by neglect---of everything but Jesus. We are

being put in a place where the only important thing to hear is the voice of God. As the church we must not only really love each other, we must love all those that God loves.

10LHDVD5-6 – Ish Payne – RESTORATION OF THE FATHER’S HEART - Joseph was trained as a prince - not as a warrior. However, he became the ultimate warrior. Our perception becomes reality. Deut 1:23 Their murmuring brought their circumstances. This teaching has a very dramatic story of the abuse of a young lady by various father figures that is involved in his ministry. Getting saved did not take away the result of the abuse immediately. However, God has little by little set her free. She has been happily married to a pastor for 11 years. Ish and Carla stood in at the end of the service for our mother and father - asking forgiveness and praying a blessing on us.

LOUISE PEMBLE

08LCDVD2-3 – Louise Pemble – SONG OF SOLOMON - LOVE - This teaching is about the love affair between Jesus and His bride. Louise shows how this is for us today. It relates the testimony of the bride (us) and how she learns to know the love of the King (Jesus). Scripture shows us here that the bride is already a Christian. She wants to be close to Him. Then Jesus starts talking to her. Louise shows how this conversation between Jesus and His bride compare to our walk. She gives us 7 things (sevenfold) of what He is saying to us from the Song of Solomon. In chap 4:1-5, she compares the Praise of the Bride to the Spirit of God in Isaiah 11:2. Vs. 1 - Doves eyes – to the Spirit of the Lord (Holiness). Hair – to the Spirit of Wisdom (the strength of God). Vs. 2 – Teeth – to understanding. Vs. 3 – Lips – to council (Jesus says only what the Father says). Temples (fertility of mind) - to might, power. Vs. 4 – Neck – to knowledge (battle is the Lord’s). Vs.5 – Breasts (faith & love) have no agenda – to fear of the Lord. This teaching definitely gives you a better understanding of us today with our love for Jesus and His love for us.

10LHDVD9-6 - Louise Pemble - SONG OF SOLOMON - This teaching begins in Heb 6:1-3 which tells us not to stay as we were in the beginning – that we’ve been born again long enough to begin to come into maturity or as the Word says perfection. We are told in the Word to become perfect or complete. We have not understood who we are and how God feels about us. So we’re not so eager to get close to Him. What we’ve not understood and what Louise brings out in this teaching is that what God says about us is what we will be if we cultivate our relationship with Him. Get near Him and stay there. All the descriptions of the bride in the Song were not true yet but it was what the Bridegroom saw in her. He called her the rose of Sharon, lily of the valley, apple tree among the trees of the wood, said she had dove’s eyes She did nothing to make it happen except desire Him. He did the work. We get an overview of the process and the completion throughout the entire book of Song of Solomon.

RON & GLENDA PETTEY

08LHDVD7-5A & 5B – Ron & Glenda Pettey – TESTIMONY - Ron says LHBC is affluent with angels, warring angels who are armored. Glenda says they have been given a healing ministry. They also understand you must get the “splinter (demon) out in order for the healing to take place. This is a warfare center here at LHBC. Rev 12:11 is keeping Ron alive. This is their testimony and the testimony of Jesus. In the Word is our testimonies and they can be duplicated. Glenda says their story is true to their life and has stretched them. She says everyone may use it as the spirit of prophecy. Fear, depression, self-centeredness overcame Glenda at 31 years old as Ron’s (at 33 years old) brain problem almost took him. She was angry at God. God visited her in the night and told her He was giving Ron back. She received peace that passes all understanding. Ron shares how he died and went to heaven. You will hear about the “check-in table”, “guardian angel” and “heavenly smile” as Ron was in the “foyer” of heaven. He saw the Lord’s eyes dripping with love. When he returned he had “residual vision” from heaven. He received his memory back when he saw a “flounder fish”. They explain how the Lord uses them for healing. John 14:6. To God Be the Glory! God uses them at the close of this testimony to minister healing to many present.

NICKIE & DEBORAH PINSON

13LHDVD11-1 - Nickie Pinson - BEING ONE IN CHRIST - Jesus prays for us to be one with Him and the Father. Has the Father given you to Christ? All that the Father has given to Jesus will come to Him. If we serve Jesus we will follow Him. If the cloud moves, we move, otherwise we sit right where we're at, or we get our self in trouble. We are either with Him or we are scattered abroad. To be with Him is to be only where He is, doing only what He is doing, and saying only what He is saying, and doing it where He is doing it. This is the product and this is the proof of being one with Him. When we behold Him we will be transformed. If Christ lives in you, you will be crucified with Him through much tribulation. So tell your flesh NO and you won't sin. Be holy and blameless. Always remember, your body belongs to Jesus. Be very careful what you do with it. It is the temple of the Holy Spirit and Christ wants to live His life through your body. Jesus offered up His body. If we hope to be one with Him, we must continually offer up our body as a living sacrifice, holy and acceptable unto God which is our reasonable service. Yield to the ownership of the Lord Jesus Christ. Personal ministry follows this teaching.

13LHDVD11-2 - Nickie Pinson - CAN I BE DELIVERED? - To be delivered means to be set free or liberated, to be released or saved from, to be handed over, transferred, emancipated, redeemed or rescued. Ask yourself these questions: Is God able to deliver me? Is it God's will to deliver me? Why is it necessary to be delivered? First of all, get your eyes on God, not on the person who ministers to you. Jesus asks us, "Do you believe that I am able to do this?" Remember the one time Jesus did not set the captives free? In His home town of Nazareth He marveled at their unbelief. They just did not trust Him and they held back. Allow Jesus to have access to your total being. It is all or nothing. Come clean with Him. That might be why you are not getting deliverance. He knows our heart and when we are playing games with him. Our unbelief limits Him, the Holy One of Israel, from setting us free. Also, there is no deliverance without true repentance. You need to hate that sin. What will keep you right is the bad feeling that comes when you offend the One who loves you and gave His life for you. They that are Christ's will crucify their flesh with its affections and lusts. Otherwise those things will control us and we will not enter into eternal life with Him. Personal ministry follows this teaching.

13LHDVD11-5 - Nickie Pinson - FILLING OUR BODY WITH THE HOLY SPIRIT - John 20:19 Things change when Jesus comes into the middle of our situation. He said to His disciples, "Peace be to you." He breathed on their bodies then spoke a prophetic word for them to be filled with the Holy Spirit. Even today, no matter the size or color of your body, it is important to God. He wants to manifest His power in and through it. Be sensitive to the stirrings of the Holy Spirit and yield your body to the Lord so you will be able to move in the gifts of the Holy Spirit. Do things God's way and the blessings will come. If you worry about what people think, you will shut down the Holy Spirit. If you are wanting to see a miracle, remember that it is a miracle to speak in tongues, it is a miracle every time you prophesy or give a word of knowledge. If you are going to a church where they do not give the Holy Spirit His place, you need to get out of there. The leadership there does not want to give up control. Scriptures tell us prophecy is the best gift, and most of the other gifts operate through it. Let the other prophets in the church judge and let the carnal people be offended and move on. We are going to be what Jesus is to this world, baptized in the Holy Spirit. Personal ministry follows this teaching.

13LHDVD12-6 - Nickie Pinson - THE SEPARATENESS OF THE SAINTS (Part 2) - All through history there have been people who have lived a separated, hidden life. You have to obey God even though other people do not understand what you are doing. To be a washed, justified, sanctified saint you must be separate from this world, the works of the devil, from self, flesh and those who deny Christ. There is suffering that accompanies separation. We have been given to Christ by the Father. We are to behold His glory here and now on this earth. Only those who have Holy Spirit revelation can see Christ. As we behold Christ in the Spirit we are changed. We will not get into Heaven if we are not like Christ and you have to

see Him to be like Him. It is a lifelong process of becoming changed into the image of Christ and it will happen until the day we die. Being one with Christ and being glorified with Him is only possible to those who suffer with Him. What is number one on God's mind is that we become like His Son. Every son He receives, He chastens. If you ask, "What is going on?"...realize you are being conformed to the image of Christ. Lift up your heart to the Lord and allow Him to bless you as you live this separated life unto Him.

13LHDVD12-10 – Nickie Pinson – WHO CONTROLS YOUR BODY? - The Scriptures have much to say about our body. What we do with our body, our deeds, prove who our father is. A father has power and influence over his children. Whose power and influence is your body under? The body is not disconnected from the salvation experience. We can not do whatever we want with our body. It has to be brought under the power of God our Father. One reason you are not getting anywhere with God is because you are withholding your body from Him. It is all of us or none of us...the complete person. You are deceived if you think you are your own boss. We have a Heavenly Father and we are under His power...body, soul and spirit. If you do not come under the power of the Father we will die in our sins. Whenever we join ourselves to another person we become one body with them. Whoever you give your body to is whose servant you are and they have power over you. The first temptation was aimed at Jesus' body to see who was going to control it and the devil tempts us every day to see who will control our body. Many people have just a business relationship with God but He seeks intimate fellowship with us...soul, spirit and body so allow the Holy Ghost to touch your body.

13LHDVD12-11 - Nickie Pinson - DELIVERANCE FROM THE SNARE - Psalm 91:3 "Surely He will deliver you from the snare of the fowler." A snare is a bird trap or anything serving to entrap unawares. A fowler traps by trickery, enticement or deceit. The devil is a fowler. He is a bait-layer, he catches and imprisons men, women, boys and girls in his trap by enticing and luring primarily through the flesh. For what overcomes a man, to that he is enslaved... morally enslaved to wickedness. When you catch yourself enslaved to anything, just break that off. If we want to be used in the ministry of deliverance we must be free ourselves from bondage to sin. They that bear the vessels of the Lord must be Holy. A person who is enslaved to sin cannot bring deliverance because the devil does not recognize or obey those who are his slaves and in bondage themselves. If you need the blessing of deliverance, ask God to grant you repentance so you can escape the snare of the fowler. Do not take the devil's yoke ever again. Do not fall for his tricks and be ensnared. Instead, walk after the Spirit on the straight and narrow and be wise for the Lord's name and His glory. Your ministry will come out of your relationship with God and the revelations He gives you.

14LHDVD4-4 - Nickie Pinson - FAITH IS A CHOICE - Hebrews 11:6 Without faith it is impossible to please God. The fearful and unbelieving will not enter the Kingdom of God. The biggest problem Jesus' disciples had was unbelief. Their first concern and worry was for their food and clothing. Jesus told them to take no thought for their life. And in spite of our little faith, He will take good care of us as well. We are to seek first the Kingdom of God and His righteousness. We must first have undivided time with God and fight off the distractions that will come. God will work faith into us as we spend time in His presence. We must not doubt Him. We will lose our faith through fear and guilt, so do not pray a faithless prayer. Speak to the storm. Until the Lord answers you, keep praying. Jesus is praying for us that our faith does not fail, because through faith in the name of Jesus our faith will have power. It is our choice to receive and manifest faith or we can live life in unbelief and misery. If we will believe we will see the glory of God. Let us encourage each other to be strong in faith.

14LHDVD4-6 - Nickie Pinson - THE HOLY SPIRIT - Acts 2:36 They crucified the Christ! The Word of God pricks our heart and makes it burn. We ask, "Lord, what must I do?" He says, "Repent, be baptized and be filled with the Holy Spirit." When you believe on Jesus, the Christ, the Holy Spirit is with you. When you receive the Holy Spirit, the Holy Spirit is in you. Is He with you or is He in you? There is a great difference and it will show. If the Holy Spirit is in you, the good fruit of the Holy Spirit will come forth in your life. There is going to be the sweet presence of Jesus in a person who is filled with the Holy Spirit, because the Holy Spirit came to manifest and reveal Christ in us. If we allow the Holy Spirit to tame our

unruly tongue, He can get the rest of us in order. So we need to speak in tongues every day, worship in tongues, and stay full of the Holy Spirit. Praying with unutterable groanings is awesome and beautiful. When people see Jesus in us they will want to receive Him as their Lord and be filled with the Holy Spirit. Personal ministry follows this teaching.

14LHDVD4-8 - Nickie Pinson - NEW WINE SKINS - When Jesus becomes your Lord and King, He has claim of ownership over your life for the rest of your life. If you think you got saved but you are still the same person you used to be, you need to go back and redo that. You are baptized with Him unto death as you die to yourself. It is an ongoing process of sanctification. But if there is something in your life that you will not die to, God will expose it. You can not keep on doing your favorite sins. Act as religious as you want to, but it will not do you any good. If you are not dead to yourself, you are not alive unto Christ, you are not a new creation and you do not possess newness of life. The new wineskin does not match the old one. Salvation in Christ is not a patch to be applied to fix a few wrong behaviors in your life that you want to get rid of, that are causing you shame and discomfort...the old wineskin. There can not be in you a coming together of your old ways of self and sin in the world mixed with the new ways of the Kingdom of God and His righteousness.

14LHDVD5-4 - Nickie Pinson - DELIVERANCE FROM HIDDEN SINS - Jesus exhorts us, "If you continue in My Word, then are you My disciples indeed." That means to obey and live in the Word. You will not accomplish anything for God, you will not go anywhere with God, and you will never make Heaven if you are not an avid reader of the Word. The Word of God tells the truth about sin. Confess your sins. Do not make excuses for yourself and stop blaming someone else. Quit saying, "I can not help it. God understands." Instead say, "What I am doing is wrong." Continue to confess it and repent over it until victory comes. "Sin will take you farther than you intended to go, it will cost you more than you intended to pay, and it will keep you longer than you intended to stay." You will not be blessed by God or used by God until you deal with your hidden sins. You might have lived with your sin so long it does not bother you anymore, but you can be sure, every secret sin will be brought to the light. God can see in the dark and behind closed doors. What are your hidden sins? Godly sorrow over hidden sin is required. Freedom and deliverance comes when our hidden sins are dealt with and we live a life of true repentance. Personal ministry follows this teaching.

14LHDVD5-8 - Nickie Pinson - THE HOLY SPIRIT COME DOWN FROM HEAVEN - Only God can open the heavens. The Father sent us His Son from heaven and He sent another Comforter, the Holy Spirit. Jesus had an open heaven throughout His ministry. Some said He did His works by the power of the evil one, and in saying that, they blasphemed the Holy Spirit. Heaven was open on the day of Pentecost and some mocked and made fun of what God was pouring out. How do you get an open heaven? In Matthew it says, "Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you." That's an open heaven. Do not trust anyone in ministry who operates without an open heaven. There is nothing of value that is going to happen in the Kingdom of God without the Holy Spirit doing it. In Joel, God told us He would pour out His Spirit on all flesh...that is an open heaven. John the Baptist prophesied the baptism of the Holy Spirit. He saw an open heaven when he saw the Holy Spirit come down and hover over Jesus. The heaven opens when we obey and pray and are in one accord. In this teaching Brother Pinson continues to help us understand what we must do get our open heaven, because without the Holy Spirit we have nothing of lasting value.

14LHDVD7-4 - Nickie Pinson - FEEDING DEMONS - God provides food for our spirit and food for our body. Demons are spirits and they also need to be fed. Jesus describes the main food demons desire to be fed...they entice men to steal, kill and destroy. Demons are sustained by everything that comes under these headings. The devil is sustained by lies and unrighteousness. When we express the attributes of the devil and we sin, demons gladly feed on that. We are either the house of God or a house for the devil. Demons are parasites and need to live in a host. Every time we sin we feed a demon with evil such as excessive greed, depression, negativity, jealousy, envy, abusive behavior, fighting, wars, hatred, violence,

contentions, gossip, dissensions, sexual perversion, rape, child molestation, and drunkenness. An unclean spirit does not rest until it can satisfy itself in a polluted human heart where it can feed on evil and thereby harass and torment the soul of its host. We need deliverance and we must replace the void with the Holy Spirit. Personal ministry follows this teaching.

14LHDVD7-6 - Nickie Pinson - AVOIDING TEMPTATIONS TO SIN - As long as people are breathing there has to be repentance. The thing to do is to have preventive measures regarding temptations to sin. We are all tempted by the devil, by others, the world, and our own lusts. God wants us to learn how to overcome temptation to sin. 1 Corinthians 6:9 The unrighteous are those who practice sin, those who make excuses, defend what they have done, refuse to repent, are hypocrites ... they shall not inherit the kingdom of God. Unless we want to be of the devil we must 1) Avoid temptations. "And lead us not into temptation but deliver us from evil." God is able to keep us from being tempted if we pray earnestly that He will deliver us from the devil's power, snares, deceptions, the temptations. If you know you have a problem in an area, stay away from it. God's government, great power and glory will be manifested when we overcome sin. 2) Have faith that we will not fail the Lord this day. Believe that God is for you and wants you and your family to make Heaven. Personal ministry follows this teaching.

14LHDVD7-11 - Nickie Pinson - THE FLESH IS WEAK - Our biggest problem is not with demons, but with our flesh, our self life. Our flesh wants to "wax fat and kick". The Lord sends His prophets to straighten a church out, to reveal what is in there that shouldn't be. The way you react when you are rebuked will show you your self. Here is the standard by which to measure every message you will ever hear: Does it proclaim life in Christ by death to ourselves? Paul said, "I'm always delivered over to death for His name's sake." That is death to your flesh, your self-life. His grace is sufficient. He will see you through, you will be a better person, and you will have accomplished His will. The modern church says, "You, your flesh and self-life shall not surely die." But God's Word says the flesh is weak and those who live after the flesh cannot please God. Our flesh is an enemy of God. Self will always want to be on the throne. Our life should be about becoming like Christ and being made conformable to His death. Personal ministry follows this teaching.

14LHDVD8-2 - Nickie Pinson - REPENTANCE MUST BE GRANTED - Jesus said, "If you continue in My word, you will be My disciples. You shall know the truth and the truth shall set you free." Repentance is about keeping God's presence in your life. When God grants you repentance, you will know it because His presence will be there. Every gift that God promises to us has conditions attached and requirements demanded before those gifts are given. That includes salvation, grace, healing, the Holy Spirit, the gifts of the Holy Spirit, deliverance from unclean spirits, and even eternal life. The predominant requirement to receive the gifts of God is repentance which must be granted by God the Father. A truly repented person will manifest holiness. II Corinthians 7:1 "Let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God." To cleanse ourselves describes the true work of repentance. Another aspect is to live in peace with all men. You are looking at hell if you do not repent. You must have godly sorrow, deep regret for your sin, humility, a broken and contrite spirit, and determination to never commit that sin again. Truly repent and be truly changed. Personal ministry follows this teaching.

14LHDVD8-7 - Nickie Pinson - IT'S ALL ABOUT JESUS - I Corinthians 2:2 "I am determined not to know any thing among you, save Jesus Christ, and Him crucified." We have to be so careful in ministry and our personal lives that it is all about Him, not us. He is the center of everything. It is always Him first. If our life does not line up with that principle, then our life is not worth living. He is not our genie lamp, our spare tire, an insurance policy, our co-pilot, or our business partner. Life eternal is all about Jesus Christ the Son of God, the Life Giving Word. We must get away from our many distractions and shut ourselves in with Christ. II Corinthians 6:17 "Come out from among them and do not touch the unclean thing." We are to be separated to Christ. Be crucified to all that is not Christ. Philippians 3:7-8 "But what things were gain to me, those I counted loss for Christ. I count all things but loss for the excellency of the

knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ.” Jesus is the prize - not what we get out of Him. Be made conformable to His death. Regardless of the storms swirling around us, we are complete in Him. It is all about Jesus.

14LHDVD8-9 - *Luke Pinson (age 12)/Nickie Pinson - *SNARES OF THE DEVIL/**POWER FROM ON HIGH** - *We are not to be ignorant of the devil’s devices. God has a plan for your life and so does the devil. The devil tries to destroy you through your weaknesses. Money and jealousy for power are two of the main snares. He will not hesitate to go to extreme lengths to get rid of you. Our flesh is a big obstacle. It will not stop, kicking and screaming till it gets its way. The devil will say that God has left you behind. A hardened heart is another big snare. The devil will keep laying traps for you and he will accuse the brethren, day and night. He hates God and you and will not stop until he can get you to break. **In the closing minutes of Jesus’ earthly life, He said he would send the promise of His father, the filling of the Holy Ghost. When you are given the gift of tongues, it edifies you and is for power from on high. Faith and the Spirit will ever increase in your life when you pray in tongues, when you wait upon the Lord and learn how to hear His voice. He will give you a word for your circumstance. You might decide what you will do, but God knows how to make you desperate for His intervention, His will and His way. God is going to find out if you mean business. Then you will receive that power from on high.

14LHDVD11-1 - Nickie Pinson - DELIVERANCE THROUGH CHASTISEMENT - Psalm 119:67 “Before I was afflicted, I went astray, but now I’ve kept your Word.” God knows what He is doing when He afflicts us. He brings deliverance through chastisement, out of His kindness and great love for us. Affliction allowed by the Lord is His chastisement and it will deliver us from the error of our way. The purpose of chastisement is to get us back on the straight and narrow path. We have become unprofitable and we are sinners. Until we become honest and confess our sins, evil spirits will never come out of us. So how long are we going to put up with our sins? It’s time to get something done here because it’s just going to get worse. We need to get violent about our deliverance. The wimpy do nothing more than complain and feel sorry for themselves. The longer we attempt to cover up our sins, gloss over them, or make light of them, the longer we will be afflicted. Church, chastening puts us into a position to partake of God’s holiness! When the Lord chooses to use chastisement as a means to bring us into holiness, the key is for us to reverence and be in subjection to Him. We need to have a broken and contrite spirit, humble ourselves under the mighty hand of God and get free from bondage to sin.

14LHDVD11-6 - Nickie Pinson - PROPHETIC WORDS - This teaching begins with prayer for God’s help in this time of battle...we have not run from the fight but we do get weary. We want a true word from God; words that are applicable to our lives. We have need of every weapon that God has provided for us. 1 Corinthians 14:3 says that one who prophesies - exhorts, comforts and edifies Proverbs 15:23 says, A word spoken in due season, how good it is. One word from God can change everything. We’re talking about the God that spoke the world into existence! We may not always comprehend the meaning or the means, but if it’s from God, He will bring it to pass in His time. Scripture shows how God chose to bring healing, deliverance, instruction, correction, wisdom and restoration by means of prophecy. Examples from scripture are given. John 4:16 Jesus spoke a word to the Samaritan woman about her many husbands and she recognized Him as a prophet. In Acts 27, we see that Paul had a word of prophecy which was instruction for the safety of all that were on the ship that was about to be destroyed by a storm. We are given many other examples of how God used ... and yes, still uses prophetic words today to bring needed answers to our questions.

14LHDVD12-7 - Nickie Pinson - THE MYSTERY & REVELATION OF CHRIST - Colossians 1:25 “Christ in us, the hope of glory” If we do not have Christ in us, we do not have the hope of glory. 1 Cor 2:2 “I am determined not to know anything among you save Jesus Christ and Him crucified.” To know Him implies intimacy and knowledge grounded on personal experience. True obedience can only be possible if we know Him. Col 2:10 “We are complete in Christ who is the head of all principalities and powers.” There is nothing outside of Christ whereby we can become complete. As in the Garden of Eden, the devil is

constantly working on our minds trying to convince us that we need more than Christ. Seeing Christ inwardly, as the Holy Spirit reveals Him to us, is the only way we will ever change to be like Jesus Christ. Three levels: John 14:16 - 1) See Him not, neither know Him, 2) but you know Him, 3) because He is in you. The Holy Spirit sent down from Heaven means Christ is in us. If we want to see Him, we must get in the Spirit and we will see Him as He is. Then He will change us. Unless He knows us, we are not His sheep and we cannot hear His voice. It's all about us becoming one with Him...Him in us and us in Him, the mystery revealed.

14LHDVD12-10 - Nickie Pinson - OUR UNPREDICTABLE GOD - Sometimes God does not act the way we think He should. If you have a preconceived idea of what God ought to do in your home, family, marriage, or job, and God doesn't do it the way you think He should, you will get upset. We get in trouble when we look at the outward appearance of things. "Stagger not at the promises of God through unbelief. Be fully persuaded that what God promises He is able to perform." We will never have God figured out. Sarai tried to make things happen, made her plans and thought she could help God. Hannah, on the other hand, poured out her soul before the Lord and waited before Him. God wants to answer your prayer. He does not want you to figure out how to answer the prayer for Him. Sampson mistakenly thought God was predictable. God expects total obedience from us, to do exactly what He says to do, how, when, and where He says to do it. Expect God to put you under tremendous pressure to teach you to trust Him. He is going to find out if you mean business with Him. Be sensitive to the Holy Spirit. Do not let the devil push you into a decision. Wait on God, be patient, see what He has planned for you. It will be better than what you thought. It will be God.

14LHDVD12-11 - Nickie Pinson - JUDGE OR BE JUDGED, OR BE CONDEMNED - 1 Cor 11:17 This teaching is about judging ourselves. We are not to justify ourselves by comparing ourselves to one another. When there are divisions in a church, the flesh is operating. God will let people "show out" and "act up" to expose themselves for what they are. The more God moves, the more the devil is going to manifest himself. God allows some things so we can find out who is real and who is not real. Bro. Pinson prepares the congregation to receive Holy Communion. He cautions us to not receive the body and blood of the Lord unworthily. It is a holy sacrament and ordinance of the Church. 1) If we would judge ourselves we should not be judged. If you are full of the Holy Spirit, you will be corrected in time. Truth is the number one weapon to keep your church pure. It will separate the goats from the sheep. 2) If we will not judge ourselves God will come along and chasten us. 3) If we do not judge ourselves and are not chastened, we will be condemned with the world. Do not presume upon the mercy of God. A friend of Bro. Pinson's said, "There's enough stench in the church to make a turkey buzzard hold its nose." Judge yourself or you will pay the price.

15LHDVD4-2 - Nickie Pinson - THE GIFT OF THE HOLY SPIRIT - It is very foolish to start the day without prayer. "Early will I seek You," is not a suggestion. Encourage yourself in the Lord, and the Holy Spirit will draw you to communion and fellowship with Him. The Bible is a book about the Holy Spirit from one end to the other. The Holy Spirit wrote it and it is He who will bring revelation knowledge to you about its meaning. The Holy Spirit is the One who is working on the face of the Earth. It is also true that we have our own work to do to be saved and to endure to the end, but without the Holy Spirit, Christ cannot be revealed to us. We need to pray in tongues without ceasing. Bro. Pinson believes he is commissioned to warn God's people to be in preparation for the difficult days ahead in the natural and spiritual realms. We need to let the Holy Spirit guide us, prophesy to us and through us. He will show us the things to come. Our Heavenly Father wants us to have the same nature as His son Jesus Christ and do the works He did, but we need the Holy Spirit in us for this to be accomplished.

15LHDVD4-7 - Nickie Pinson - OUR CONFIDENCE - The confidence we have of our position in Christ has a direct bearing on every area of our life. Hebrews 3:6 says, "Christ's house or family we are if we hold fast tightly and firmly to the confidence and the rejoicing of the hope firm to the end." To have confidence means to have faith in, to rely upon, to trust in or have assurance in something or someone. It can be

described as an undisturbed calm. An offensive boastfulness is the wrong kind of confidence. We are to have no confidence in the flesh or in any man, especially ourselves. Our confidence must be in Christ Jesus. God will test and chasten us to be sure we have the right kind of confidence. Self-confident people have plans and dreams of all that they are going to do for God, but they don't involve God. It expresses that they don't need God. Israel put confidence in the Ark of God, but it did not save them. Do not put your confidence in the works He is doing through you. No one is getting into Heaven unless he is like Christ. We must have His likeness and character. Only the Holy Spirit can change us into Christ's image as we behold Him. Let us walk in the light as He is in the Light, be delivered from evil and be conformed to the image of Christ.

15LHDVD4-8 - Nickie Pinson - A PERSONAL RELATIONSHIP WITH JESUS - The Lord longs for an intimate relationship with each of us. Every morning we have to spend time with Him in prayer. That is when the Lord will speak to us. Write down what God gives to you, or you will forget. In 1 Samuel 14 we learn that Saul thought he had to do something instead of waiting on the Lord to speak to his heart. He had not developed his own close relationship with God. We must put down the rebellion and self-will in our hearts so God can restore and bless us. We must seek the will of God about everything in our life. It is so important to wait until we hear from the Holy Spirit and not depend on our own "common sense". God is concerned with our hearts, not with outward appearances. He is looking for a people who have a heart after Him. David had a relationship with the Lord that Saul did not know anything about. Jesus is looking for His Bride, so do not allow any sin or idol to come between you and Him. It will grieve you deeply to hurt the One you love. Allow your spirit to rise up and connect with the Lord. Keep seeking God and in time He will come to you. Anticipate being with your Beloved forever. "As a deer panteth after the water brooks, so my soul longeth after Thee."

15LHDVD5-7 - Nickie Pinson - ANSWERS FROM HEAVEN - The enemy's agenda is to destroy everything the Lord has given to us, but the devil does not take away anything from us that God does not allow him to take. We must combat this enemy according to scriptural principles. David did not go to war until he heard from the Lord. The Lord must be in the midst of us or nothing will go well, no matter how hard we try, so we must keep "our camp" holy. If we do what we are supposed to do, God will rebuke the devourer for our sakes and give back to us what the enemy has stolen, or perhaps something different and better. We must meet His conditions, such as: ask and keep asking, pray and keep praying, forgive others, confess your faults one to another, pray for one another that you may be healed, remember that faith is a choice, be willing for God to get the glory out of our difficult situations, do not be double minded, do not limit God, allow the Gifts of the Spirit to operate in your life and pay attention to details when God shows you something. Say and do only what the Holy Spirit gives you by revelation. Without a prophetic word we will not have "the goods" to do the works of Jesus. By the power of God and His Word, He will send to us His answers from Heaven.

15LHDVD7-1 - Nickie Pinson - HOW MUCH FAITH DOES IT TAKE? - Donation \$6.00 - Faith comes in three different ways and levels. 1) Scripture says God has given every man, woman and child a measure of faith. 2) One Fruit of the Spirit is faith. 3) 1 John 14 tells us there is a supernatural gift of faith. All of us would like to walk in more faith because faith gets us what we need. Hebrews 11:1 is called the 'Faith Chapter'. "Faith is the substance of things hoped for, the evidence of things not seen." I Peter 1:7 says, "Faith is more precious than gold which perishes." Romans 10:17 "Faith comes by hearing and hearing by the word of God." It is the ground, the basis, the foundation, the support, the confidence of things you want to come to pass. Faith is a choice you make, and without faith it is impossible to please God. Have a talk with God about what you need ... Him alone. Cry out to Him in fervent prayer. Wait on Him and answers will come. Then you will know it is God who has heard and answered you. Doubts will come, but decide not to listen to those thoughts. Finally, there is a time to come out of the prayer closet and speak things into existence. Faith is a force greater than electricity. Keep on believing, and you shall receive.

15LHDVD7-6 – Nickie Pinson – PREPARING FOR COMING TROUBLE - Donation \$6.00 - Has God called you to ‘save much people alive’ in these troublesome times? Brother Pinson shares with us that he is a “Prepper” and advises us to be “Preppers”, too. This is a Joseph Ministry. Although Joseph had been horribly mistreated by his family, he said to them, “I will nourish you and your little ones.” Psalms 105:13 reminds us of how God had His hand on Joseph. Under pressure you might disobey the leading of the Lord, but He knows how to bring you to a place where you are willing to be thankful for whatever He gives you. He will bless and prosper you as He did Joseph so you can be a blessing to others. If our economy weakens, and maybe collapses, people will be running out of the cities because there are only a few hours of food on the shelves of their grocery stores. Be prepared to feed them, not shoot them, folks. Show them the love of Jesus. Matthew 25:31 teaches us we are to share the goods of this world with our brethren in need. “Whatever you do to ‘them’, you are doing it unto Jesus.” Are you willing to “save much people alive”? Simply ask God what He expects you to do.

15LHDVD9-3 - Nickie Pinson - OBEYING LUST - Donation \$6.00 - The biggest cause of temptation to sin is lust. To lust is to have an intense desire, to hunger, to covet, to yearn or long for something or someone. Our body is temporary and weak and is prone to lust which leads to sin. Sin dwells in a believer’s body but it reigns in an unbeliever’s body. When our natural, God-given, life sustaining appetites begin to burn with lust, we will make fools of ourselves ... gluttony, drunkenness, sloth, and sexual perversion. The lust of the world, the lust of our flesh and the lust of the devil work on us. We could live in a place isolated from the world but still be eaten up with lust because the videos of fantasy, those “vain imaginations”, are playing in our head. Righteousness comes through Jesus Christ, so keep your mind on Him. Cry out to God to make you righteous and help you overcome lusting after fame and fortune, covetousness, jealousy, envy, retaliation, murder, wrath, plotting evil, and inventing evil devices. Entertaining lust makes a person a child of wrath and his father is the devil even if he calls himself a Christian. Deceitful lust promises pleasure but produces death. Finally, Scripture teaches us the only way to conquer lust is to crucify the flesh. Personal ministry follows this teaching.

15LHDVD9-8 - Nickie Pinson - OBEYING THE FLESH - Donation \$6.00 - We need the Lord’s help battling against lust. Search these scriptures concerning the lust of the world, the lust of the eyes, the lust of our flesh, the lust of our own hearts, and deceitful lust: 2 Timothy 2:22, Titus 2:12, Ephesians 2:3, Ephesians 4:22, James 1:14, Romans 6:7,12, 2 Peter 2:18. When we are tempted and allow ourselves to be drawn away and obey our own lust, we are imprisoned by it, trapped, a slave and servant to sin. Lust is inherent in us. We are born with it. Before we are saved there is just one of us, the carnal man which is full of lust. When we come to Christ, our spirit is born again. We still have the old man and now we have the new man. Those two will always be operating in us and will be in unending conflict. Therefore: 1) Deny your lust, starve it, and take up your cross. 2) Turn away from fleshly things and towards the things of God. Come out from among unbelievers. 3) Be baptized in the Holy Spirit and stay full of the Holy Spirit. 4) Speak in tongues to keep your soul clean. If you fail and feel wretched, recognize that you have a problem, confess it, quit making deals with the Lord, and ask Him to forgive you. With His help you will gain victory. Personal ministry follows this teaching.

15LHDVD10-4 - Nickie Pinson - THE POWER OF RECKONING - PT 1 - Donation \$6.00 - Romans 6:11 “Likewise reckon ye also yourselves (not someone else) to be dead indeed (completely, totally) unto sin, but alive unto God through Jesus Christ our Lord.” When you are dead indeed unto sin you are beyond its reach so that it cannot have dominion over you and it cannot reign in your mortal body. Does your heart cry out to be loosed from the reign of sin, even your secret sins? Only because of what Jesus Christ has done for you, by the power of His death and resurrection, are you able to reckon yourself dead indeed to sin. You have legal ground here, but until you have repented, there is no real authority for you to be alive unto God. You must decide to have nothing more to do with sin and that temptation that has been bothering you so long. Whatever it is, get rid of it. Look the other way. Put it down. Rebuke it. Flee from it. Refuse to take ownership of the thoughts the devil puts in your mind. Declare that for the rest of your life you are never going to do that sin again. Teaching, preaching, reading the right books, visions will not change you,

but you will be changed as you behold Jesus Christ by the Holy Spirit in you, and by the inward revelation of Him. Personal ministry follows this teaching.

15LHDVD10-6 - Nickie Pinson - THE POWER OF RECKONING - PT 2 - Donation \$6.00 - Paul had the will to do what was right but he could not find the strength to do right. We also are involved in this fight between good and evil. We discover that something besides the Holy Spirit is dwelling in us. The law of the renewed mind and the law of sin and death continue to war inside of us. We will never cast the law of sin out of us, nor can we reform it, but by appropriating the law of the spirit of life in Christ we can overcome sin. Be confident of this very thing, "He which has begun a good work in you will perform it unto the day of Jesus Christ our Lord." Jesus will watch over His Word. Still, something continues to war against God's work in us. We must never stop confessing and repenting of our sins with a broken and contrite spirit before God. He will forgive us and cleanse us. We must put on the whole armor of God and always be ready for the conflict between good and evil within us. The Kingdom of God is inward therefore the fight is inward. It is Christ living in us that is the answer. True salvation is when we give up our life and let God live His life through us. Let us reckon ourselves dead to sin, let God have control of our life and be conformed to the image of Christ.

15LHDVD11-1 - Nickie Pinson - THE HOLY GHOST SENT DOWN FROM HEAVEN - Donation \$6.00 - God has sent His Holy Ghost down from Heaven to His people, to those who will seek Him. We are to receive the promise of the Holy Spirit through faith in Jesus Christ. We can not be righteous or do one thing without His Presence. The Holy Ghost showed Jesus what the Father was saying and doing, and He will tell us what to say and what to do. Jesus left this earth with the Holy Spirit as the superintendent of the Church. It is only the Holy Spirit who restores, regenerates and renews. The Holy Spirit raised Jesus from the dead and will make alive our mortal bodies. The Holy Spirit is the power of God coming down from Heaven and working upon this earth in the affairs of men. People begin to receive revelations, prophets speak, people are marvelously changed and many other miracles occur. With the anointing of the Holy Spirit the Word of God can be preached and understood. It's a locked book, otherwise. If we are believers, signs should follow us. Praying in tongues is the perfect prayer to keep us filled with the Holy Ghost, and when we are full of the Spirit, we are led by the Spirit, we go in the power of the Spirit, are anointed with the Spirit and are comforted by Him. Get the Holy Ghost!

15LHDVD11-8 - Nickie Pinson - CUTTING OFF PROVISIONS - Donation \$6.00 - This is a teaching about what provisions are, what they do, and how to cut off wrong provisions. To make provisions means to set things up, to establish, prepare, fix, provide the means, to arrange, to make ready, to direct, to make contact, to do things that make a thing possible, to order, to confirm, to determine, to make strong, to make preparations, to make considerations, to fashion, to form, to make yourself ready, to make sure. We do so according to the way we understand the Scriptures. All provisions are aimed at the body, soul, and spirit of mankind. Matthew 6:26. Jesus is not saying, "Do not prepare," He is saying, "Do not worry, fret or be anxious. Seek first the Kingdom of God and His righteousness and all things will be added to you." Maybe God will give you a vision and send you ahead to keep much people alive, as He did with Joseph. On the other hand, some things are wrong provisions. Without provisions, nothing can be sustained. We must cut off provisions which provide opportunity for lust, our flesh and our mind. There would be no sin unless there was first provision made for sin by others, demons, or circumstances. If you will cut off the provision, you can cut off that sin.

15LHDVD12-7 - Nickie Pinson - FIVE CHOICES MOSES MADE - Donation \$6.00 - Hebrews 11:24 Five verses, five choices. Who will we be? What will we do? What will we esteem? What will we forsake? What will we keep? Moses had a life of ease, pleasure, and influence. God put in his heart to deliver His people from Pharaoh's bondage. Moses made his decision knowing what it would cost him. *Each of us is making the choice today to become someone different than who we are. *Make a choice to believe that Jesus Christ is the Son of God, be blessed and rather suffer affliction with the people of God than enjoy the pleasures of sin for a season. Do not deny Him but do what He says. *Esteem the reproach of Christ greater

riches rather than to continue giving yourself to a life of pleasure. You will be hated by this world. *Forsake Egypt not fearing the wrath of the King. *Endure, seeing Him who is invisible. Those who endure to the end, the same shall be saved. If God has called you to ministry and you are doing it, there is a High Hand with you. *We are to fearlessly forsake this world and be conformed to the image of Christ. Through faith Moses obeyed the Father and kept the Passover, revealing the Christ. Is Christ being revealed in you? Personal ministry follows this teaching.

15LHDVD12-9 - Nickie Pinson - THE POWER OF THE NEW TONGUE - Donation \$6.00 - Words bring life or death, both to the speaker and to the hearer of those words. Jesus said the Judgment at the last day will be according to a man's words. "By your words you shall be justified and by your words you shall be condemned." Guard against idle, silly, stupid talk, foolish jesting, dirty talk, gossip, criticism, taking the Lord's name in vain, profane and vain babblings. Are you speaking life or death into people? Every morning ask God to help you use your tongue to help the weary. James 1:19, "Beloved, let every man be swift to hear, slow to speak, slow to wrath." Our tongue is a world of iniquity, lawlessness, out of control, set on fire of hell. The Bible teaches that if you can bridle your tongue you can control your whole body. Let all of your words be led of the Holy Spirit, the Watchman at the door of your mouth. The source of Jesus' words was the Holy Spirit. What about speaking in new tongues? It is a higher level of praying. When you pray in new tongues, you pray right. It's the greatest tool you have outside of the Word of God. Your tongue is supposed to be set on fire by the Holy Spirit. What spirit is setting your tongue on fire? Personal ministry follows this teaching.

15LHDVD12-13 - Nickie Pinson - OVERCOMING THE SPIRIT OF FEAR - Donation \$6.00 - There is a lot of fear in people's hearts these days about future events, not just in America, but it is happening worldwide. Jesus taught us the future is in the Father's hands. Let's keep our focus on staying full of the Holy Spirit so we will be able to deal with whatever comes. We have a great and powerful hope. Psalm 121:2 "My help comes from the Lord." We need to continually seek the inward revelation of Christ which is life-changing. Every morning for years Brother Pinson had to fight his way out of a dark, depressing sort of feeling. But recently a word of the Lord came for him to declare, "I break every bondage of fear." That would set him free for the rest of the day. Him whose sins are pardoned and whose heart is filled with the love of God has nothing to dread in this world or the world to come. Refuse to hear the accusations of the devil. Fear is going to come and we will have to decide what to do about it. Fear is banished when we know for sure that we are loved by God our Father perfectly, completely and forever. So, if we are righteous and we belong to God and we are walking in obedience and the power of the Holy Spirit, why would we fear? Man can not harm our soul.

16LHDVD3-5 - Nickie Pinson - A GREAT MYSTERY - Donation \$6.00 - Ephesians 5:32 is about the mystery of the relationship between Christ and His Church. God the Father is looking for a Bride for His Son. The work of the Holy Spirit is to prepare the Church to be His Bride. Esther 2:2 is about the purification and beautification process of selected young virgins of their land to see who would qualify to be the wife of the king. Maidservants were assigned to assist in their purification. God will give us 'maidservants' to help us with our preparations. The purification and beautification process is a lonely and difficult task and must be undertaken with detail and effort. John 6:44 Right now is the time and it is our purpose to be drawn unto Him. Preparing the Bride of Christ involves those whom the Holy Spirit has called to an intimate fellowship as in marriage where two become one flesh. The Coming of the Lord is about the Marriage of the Lamb. We are to desire Him in marriage, live with Him and be one with Him throughout eternity. He is our reason for living. Our only real destiny, our one purpose in life is this, "The Bride has made herself ready." John 14:1 "I will receive you unto Myself, that where I am there you may be also." Personal ministry follows.

16LHDVD3-8 - Nickie Pinson - SUCH AS WE HAVE - Donation \$6.00 - Peter and John went to the temple at the hour of prayer. God gave Peter an opportunity to minister life to a lame man. "Silver and gold have I none, but such as I have give I thee. In the name of Jesus Christ, rise up and walk." So what do you

have to give? If you do not have Jesus, you cannot give Him. The Spirit of the Lord must anoint you to preach the Word and minister His life to people. Be led by the Spirit to do only what the Father shows you to do. You need to have confidence that you are His child and that He is working in your life. When you sin, repent immediately and go on. In a crisis it is too late to get right with God, so stay right with God. He will heal and bless people through you for His glory alone, not your own. He will give you what you need before the appointed time to minister life in His name. If you laid your hands in prayer on someone, would anything happen? Are you able to deal with people in desperate need who have poor hygiene? How do you handle delays in your plans? Do some people get on your last nerve? Do you have the attitude of an Ambassador of Christ? If you want a ministry, it will be when He decides you are ready. Personal ministry follows this teaching.

16LHDVD5-3 - Nickie Pinson - THE NECESSITY OF THE HOLY SPIRIT - Donation \$6.00 - The first purpose of the ministry of Jesus Christ on this earth is to take away our sins by the sacrifice of His body on the cross, make manifest to Israel that He is the Lamb of God, and to baptize in water. The second purpose of the ministry of Jesus is to baptize people in the Holy Ghost and with fire. In these times we need to ask ourselves, "Who is the Holy Spirit descending upon and who is the Holy Spirit remaining upon?" Day after day we need to see the evidence of the Holy Spirit in a person's life. We determine and recognize who is being led by the Spirit if they are living according to the Word and will of God. People are watching our lives, so stay filled. It is a necessity for us to be baptized in the Holy Ghost and Him remaining upon us. The Holy Ghost is big enough to move on God's people without 'working the crowd up' whether you are teaching, preaching or leading worship, so give Him place. Jesus Christ put a tremendous emphasis on the Holy Spirit. We will not know Christ except the Holy Spirit reveal Him to us. It is essential to know that after evil spirits are cast out, the Holy Spirit must fill that persons' empty, cleansed, swept, and garnished house. Personal ministry follows this teaching.

16LHDVD7-3 - Nickie Pinson - BEING SET FREE - 1 Corinthians 6:9 and Galatians 5:19 tell us, "The unrighteous shall not inherit the Kingdom of God." There are many works of the flesh, activities and lifestyles that will keep you out of God's Kingdom, regardless if you think you can justify the practice of those sins. There will be no deliverance from demons unless you first repent! To be set free from sin is a lifelong process of depending on God. Sometimes we are haunted by a fear that we will never be able to overcome and let go of a particular sin. Certainly the Commandments of Jesus are more difficult to keep than God's laws that were given to Moses. We have all broken the Commandments, but we are washed, cleansed, sanctified and justified by that blood He once shed on the Cross for us. So if we continue in His Word, we are His disciples, with much effort on our part. Knowing Jesus Christ in an intimate, ongoing relationship will set us free, but we have been warned that if we forget to continue in the Word of God, He will forget our children. Personal ministry follows this teaching.

16LHDVD7-5 - Nickie Pinson - ATTACKING STRONGHOLDS - The gates of the government of hell will fall before us and shall not prevail against us. The living, overcoming body of Christ has been given the Keys of Heaven to bind and loose, but unless a prophetic word comes to us by the Holy Spirit, nothing is going to happen. Jesus came to attack the kingdom of darkness and destroy the works of the devil. He was totally committed to do the will of His Father. What God could do if we were not concerned about exalting our reputation and our own agenda! We are to be an instrument in the hands of the Lord using the nine gifts of the Holy Spirit. Always remember that the battle is the Lord's and the glory belongs to Him. Jesus asks us to follow Him in this way...Luke 4:1 1) Jesus was obedient and submissive and baptized by John to fulfill all righteousness. 2) Jesus was filled with the Holy Ghost and was led by the Spirit into the wilderness. 3) Jesus returned in the power of the Holy Spirit. 4) "The Spirit of the Lord is upon me because He has anointed me." Personal ministry follows this teaching.

16LHDVD9-3 - Nickie Pinson - USING OUR MIND TO OVERCOME SIN - Donation \$6.00 - Oh, wretched man that I am! We are rebellious, hateful, smart aleck, contentious people. There must be a way to overcome the flesh and there is one. We are to be conformed to the image of Jesus Christ. There is no

other name under heaven whereby we must be saved. Romans 2:2 tells us, "And be not conformed to this world; but be you transformed (changed) by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect will of God." More than anything, praying in tongues and reading the word of God will renew our mind in Christ. Titus 3:5 "Not by works of righteousness which we have done, but according to his mercy He saved us, by the washing of regeneration, and renewing of the Holy Ghost." I Corinthians 2:5 "Casting down imaginations, and every high thing that exalts itself against the knowledge of God, and bring into captivity every thought to the obedience of Christ." With the mind of Christ we can overcome sin. Let this mind be in you. Personal ministry follows this teaching.

16LHDVD9-8 - Nickie Pinson - THE FINGER OF GOD - Donation \$6.00 - Luke 2:25 "Simeon was just and devout, waiting for the consolation of Israel, and the Holy Ghost was upon Him. He came by the Spirit into the Temple." Simeon and Anna knew that baby was the Messiah by the leading of the Holy Spirit. Today we need to be led by the Holy Spirit wherever we go. As believers in Christ, we are a pawn on God's chessboard, a sign to be spoken against. Remember they hated Jesus without a cause and they will hate us without a cause. All who live godly in Christ Jesus shall suffer persecution, that the thoughts of many hearts be revealed. When the Holy Spirit leads us, we are to speak prophetic words of knowledge. The finger of God must come through us individually. Whatever He commands us we shall speak and not be afraid of their faces. At times His finger will show us what great things we are to suffer for His name. You and I are set as a sign for a contest between Ishmael and Isaac. Our God will answer with fire on His altar, again. "The Lord He is God." Personal ministry follows this teaching.

16LHDVD10-1 - Nickie Pinson - LOST SHEEP - Donation \$6.00 - Luke 15:1 tells how the undesirables of society drew near to Jesus. The words He spoke were spirit and life and He spoke with power. For example, He commanded the unclean spirits and they came out. Jesus came for the lost, the wayward, the unwanted, and the outcasts. It is the sick who need a physician. If you are a lost sheep, the Lord is looking for you. Jesus, your Good Shepherd, wants to meet your needs, look after you and keep you secure. The Lord rejoices when He finds His lost sheep and He wants others to rejoice with Him. Jesus has such compassion and great love for that lost sheep of His. Jesus never said how or why His sheep got lost, He just went hunting for them. Let us look for those who stray, without judging them. Repentance brings joy to Heaven more than many who need no repentance. May God give us compassion and love for men who once lived for God but somehow failed Him. We must determine if the church is to be a hospital or a social club for the self-righteous. Personal ministry follows this teaching.

16LHDVD10-6 - Nickie Pinson - LOVEST THOU ME? - Donation \$6.00 - After Jesus had been crucified, His disciples felt lost, foolish, tired and worn out. They just went back to their business of fishing. The devil continuously waits for us to feel like failures, to become discouraged, confused, distracted and disappointed. During these times the devil is quick to remind us of what we used to do and be. When we lose our direction, that devil subtly suggests that we should return to our former lifestyle. We will find that there is nothing back there that we want. It can not compare to the love relationship we had with Jesus Christ, to be in His presence. We will come to that place where we welcome the chastening of the Lord because it returns us to His love. What Jesus wants from us is to love Him. He will ask us if we love Him more than anyone or anything else and He will give us a chance to prove it. If we say we love Him but are not obeying Him, He does not know us. He will call us workers of iniquity and will tell us to depart from Him. Lovest thou Him? Personal ministry follows this teaching.

16LHDVD11-1 - Nickie Pinson - WHOSE KINGDOM ARE YOU IN? - Donation \$6.00 - If you are not alive in Christ you are not in His Kingdom. This Kingdom is populated with people who have beautiful feet because they preach the Gospel. Citizens of God's Kingdom speak truth, love good and hate evil. Because they trust in the Lord, they dwell in the land and shall be fed. They are just passing through Caesar's Kingdom. Kingdom of God people know that tithes come out first, then they pay their bills. The love of God dwells in them as citizens of the Kingdom of God. Kingdom people bear one another's burdens, restore one another, do not think too highly of themselves, and they take care of their pastors. They do not

know each other after the flesh but after the Spirit. The citizens of the Kingdom of God seek after the gifts of the Holy Ghost. They have poor, broken and contrite hearts and spirits and they tremble at God's Word. Kingdom people weep before their God because of their sins. They seek the Joy that is set before them. Their names are written in the Lamb's Book of Life. Personal ministry follows this teaching.

16LHDVD11-8 - Nickie Pinson - THE POWER OF GOD - Donation \$6.00 - Acts 8:18 We are not going to make it without this Holy Ghost power. The reason this nation is in bad shape is because there is no power in the Churches. For the most part, what calls itself the Church is just like the rest of the world, even trying to act like the world to attract people...marketing the Church and using high profile personalities to attract "customers". The power from on High must be granted by the Holy Spirit when there is a need for it. Jesus' last word to us from His Father was to tarry (sit down, sojourn, wait for it, settle down, abide, dwell in, remain or stay as in a place, to inhabit, to temporarily dwell, linger, halt, to be in readiness for, to remain inactive in a state of repose, rest, peace, calm, tranquility, until something expected happens, anticipate, look for, remain neglected for a while) for the power from on high. As we wait, the Lord will clean the junk out of our life and bring us into submission. Do not give up while you are waiting on God for His promise to come to pass. Personal ministry follows this teaching.

16LHDVD12-3 - Nickie Pinson - RECOVERY - Donation \$6.00 - In Luke 15:11 Jesus tells about the Prodigal Son and his spiritual recovery program. The purpose of recovery is not to enhance your life and get you the American Dream. Realize what you have become, realize that you are perishing, you're without hope and it's not anybody else's fault. Drop all the excuses and come to your senses. That is the way out of hopelessness. Confess your complete and utter failure that comes from doing things your own way. Quit feeling sorry for yourself. Do not blame a spouse, parents, teachers, schoolmates, the justice system, the arresting officer, incompetent lawyers, the preacher, or God. You will never be recovered until you admit and confess, "I did it." You can be recovered without things being like they were. Some things and relationships you will have to do without and eliminate from your life. Truly you can be happier having less. Know who and what is a waste of time, and let God set boundaries for you. Recovery is about getting things right between you and God. Personal ministry follows this teaching.

16LHDVD12-7 - Nickie Pinson - THE HOLY SPIRIT WITH US - Donation \$6.00 - Jesus is the Baptizer in the Holy Spirit - no one else. There are nine supernatural gifts of the Holy Spirit and this world needs them now more than ever before. God set those gifts permanently in the Church. The Word tells us to seek them earnestly. The move of the Holy Spirit can not be simulated in a church setting with colored lights and a smoke machine. If you let the Holy Ghost move in your church service, the devil is going to show up, too, and there will be a contest between what God wants to do and what the devil wants to do. Give the Holy Spirit a place in your church service. Honor Him by letting Him speak through you. You may have only the first few words of a prophecy or an interpretation of tongues. God will give you the rest as you go along. If a few words are all you get, then that is all you say. Do not let anybody put you under condemnation. God lets people know how much He cares about them as you submit to the working of the gifts of the Holy Spirit in your life. Personal ministry follows this teaching.

16LHDVD12-9 - Nickie Pinson - OPEN HEAVEN - Donation \$6.00 - We have heard that there are three heavens. There is the heaven immediately above us...the firmament, the sky. There is the second heaven where the devil operates with his army. Then there is the third heaven where God is. To get something through from the third heaven to us means we must have an Open Heaven. There are powers operating in that second heaven that must be broken through for us to receive something from God. Read II Kings 6:24. The King let things get out of hand before he went to God, as we often do. We need to wait upon the Lord and see what He says about our situation by way of an Open Heaven. Many times we just do not see how it could be the way He says it will be. It is up to us to believe. There will always be doubters, but do not listen to those mockers. It is true that God has windows and doors in Heaven where He can pour out His super abundant blessings. We must learn how to live in obedience so God can open Heaven to our families, churches and nation. Personal ministry follows this teaching.

16LHDVD12-10 - Nickie Pinson - MISUNDERSTANDING THE LORD - Donation \$6.00 - Matthew 16:21 says Peter rebuked the Lord because the threats against Jesus' life were getting too close to himself, but Jesus said Peter was an offence to Him. He was thinking like the carnal world. We are required to lay down our lives for Jesus. Real Christianity demands a radical dedication and commitment that most people will not pay. You are not to worry about your rights and your reputation. Humble yourself and become obedient under the mighty hand of God. What Jesus wants is for us to take the gospel to people but not by our own power or holiness. Get really full of the Holy Ghost and you will be able to do the works of Jesus. As we minister, we cannot attempt to use His name if we do not have the anointing of the Holy Spirit to back it up. Realize that the devil is always trying to move you away from the place God put you. He will use what he thinks will work on you. Do what God tells you to do because you are not your own, you have been bought with a price. Do nothing till you hear from Him. Personal ministry follows this teaching.

17LHDVD4-5 - Nickie Pinson - HIDDEN SINS - Donation \$6.00 - Deal with your flesh and deny yourself on a daily basis or you will not be able to maintain your deliverance. Numbers 32:23 Be sure your sin will find you out. I Timothy 5:24 Sins will follow after a man. Hide it now but regret it later. John 3:20 Everyone who does evil hates the Light lest his deeds be reproved. Luke 12:2-3 There is nothing covered that shall not be revealed, neither hid that shall not be known. Ecclesiastes 12:14 God will bring every secret work into judgment. Mark 4:22 There is nothing hid which shall not be manifested. Romans 2:16 God shall judge the secrets of men by Jesus Christ according to His gospel. I Corinthians 4:5 The Lord will bring to light the hidden things of darkness and will make manifest the thoughts of the heart. Genesis 3:1 Eve was drawn to stand by 'the tree' and was making provision for her flesh to sin. She and Adam thought they could hide their sin against God. Psalm 51 leads us in repentance. Let us be of a broken and contrite spirit and humble ourselves under the mighty hand of God.

17LHDVD4-8 - Nickie Pinson - THE SPIRIT OF THE LORD IS UPON ME - Donation \$6.00 - No matter where you go, no matter what the situation, whatever "mission field" God has put you in, what is important is that the Spirit of the Lord is upon you. God has pre-destinated you to be conformed to the image of His Son by the power of the Spirit of the Lord. That is what God says is "good". Where are the works that bear witness with signs, wonders, and gifts of the Holy Ghost that are supposed to follow you in your ministry? You are to forsake all and follow Him. It is not to be about how comfortable you are, because all who follow Christ Jesus shall suffer persecution. Thankfully your sufficiency is of God. Luke 4:1 You shall worship the Lord your God and Him only are you to serve. You need the power of the Spirit of the Lord upon you to be able to refuse the tempting offers that continuously come from the evil one. God does not need your best education, skills, training or talents. God wants you to be a vessel available to Him so He can flow through you. Surrender. That is when the Spirit of the Lord is upon you.

17LHDVD5-5 - Nickie Pinson - THE IMAGE - Donation \$6.00 - God created man in His image, but sin has distorted that image. This is a message concerning God recovering His own image in the hearts of a few people - it won't be everyone. The whole world is not going to be saved. "Few there be that find it." There will be those who will deny their own image and reach out and receive His image. The purpose of God is to recover His Image in us which was lost. The image Nickie is teaching is God's spiritual image. The enemy is always coming to us to add something in the physical, without regard to the consequences of what will happen to us spiritually. Nickie illustrates this quite well using Adam and Eve. We have to get a hold of the fact that we are complete in Christ. Excellent message.

17LHDVD5-8 - Nickie Pinson - ESTABLISHERS OR SUBMITTERS - Donation \$6.00 - Romans 10:3 sets the title for this message. Jesus is our pattern and He was a submitter. Bro. Pinson narrates side by side comparisons of what an establisher is and what a submitter is. Establishers live in the realm of self, and submitters are willing to be emptied of self. Submitters "let" God do things in them and for them. Establishers try to "make" things happen. This is not an "ear tickling" message! It is for those who need to

know that the opposition they are experiencing is not necessarily from the devil. It quite possibly is the processing of God, confirming them as a submitter. He that hath ears to hear, let him hear.

17LHDVD7-5 - Nickie Pinson - BY THE POWER OF GOD - Donation \$6.00 - Luke, Chapter 1 is the cornerstone of this message, specifically verse 35 - "The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee:" God's plans and purposes are demonstrated by and through His power. He didn't need Mary's permission, she had not called out to Him asking for this - it is what God did. Jesus waited until the Spirit told Him what to do. It's not the how-to videos or the formulas, it's by the power of God. The 7 sons of Sceva found out it's not about watching someone else do it, the Holy Spirit was not intending for that man to be delivered - they were not being led by the Spirit and they did not have the power of God operating. We're not going to accomplish anything except by the power of God. Jesus was conceived by the power of God. There is ministry beyond our imaginations if the Holy Ghost is upon us, and anointing us - it is awesome what God can do!

17LHDVD7-11 - Nickie Pinson - LET IT BE HEALED - Donation \$6.00 - Nickie opens with prayer then goes to Hebrews 12:1. He then backs up to the 11th chapter reminding us of the things that God's people went through in times past...most of which we can't even imagine. But they went through...meaning they came out on the other side. Our walk with God is not simply; get saved and when you get in trouble, God will get you out. Sometimes we go through things. In Hebrews 11:35 it talks of those that chose not to be delivered that they might receive a better resurrection. In Philippians 3, we see Paul choosing to suffer that he might know Christ. It's not always how it looks. If we go willingly, it will be easier than being dragged through. The fiery furnace and the lions den didn't look good but look what happened there. They were willing to go...not knowing what the outcome would be. We don't have to be afraid. Remember there was a 4th man in the fire. God doesn't leave us! Hebrews 12:1 tells us to lay aside the weight and the sin that does so easily beset us and run with patience the race that is set before us. Could it possibly be better to go through some things rather than be delivered? Paul seemed to think so. Jesus suffered the cross for the JOY that was set before Him! We will suffer too - for a purpose. The devil may do it but God allows and when the purpose is accomplished, it will be over. According to the Word, our healing has been accomplished. So whatever you are holding onto, whoever has hurt you, in word or in deed, 'let it be healed.' Sometimes we even blame God! When those things in you are dealt with, and you give it up, you can be healed. Sometimes it's our fault that we're in bondage. Then, sometimes it's just between you or me and GOD. Let it be healed. Ministry follows.

17LHDVD9-4 - Nickie Pinson - THE PURPOSE OF SEEKING CHRIST - Donation \$6.00 - The text of this message is found in the 6th chapter of John. We would think that the people would have been commended for seeking Christ but we find the Lord rebuked them for their reason in seeking Him. When God is not answering your prayers, perhaps it's time to examine the reason why. The fault never lies with Him. Are you laboring for the things that will perish or for that which will produce life? For some, this will be considered a hard word. For others, it will cause you to re-think your theology. And there will be some who hear confirmation to what the Lord has been speaking to them. There is something in this message for everyone if you are willing to allow the Lord to bring correction in you for His Glory. Are you going after Christ or the loaves and fishes?

17LHDVD9-8 - Nickie Pinson - BROKEN OR CRUSHED? - Donation \$6.00 - Nickie begins with prayer for an understanding of the decision we must make concerning the choice given in Matt 21. There Jesus is asking the question - will we be broken or crushed - the choice is ours. God wants to deal with our hearts. We can ignore, reject, include or just give Him lip service but there is a law of sowing and reaping. In verse 42, Jesus speaks of the stone which the builders rejected which becomes the head corner stone. We know that speaks of Jesus. He says it is a good thing...the Lord's doing. He speaks of what's happening then, what's soon to happen, and about ongoing events. That which was happening was the rejection of His own...the Jews, unbelievers to whom He was sent. The soon to happen event is about being taken and

crucified. By that He would become the chief cornerstone. The ongoing event has to do with each of us. We will either allow Christ to break us or we will be crushed to powder...no other options. Nickie goes on to talk about encountering this stone....which everyone shall do. The question is: What will we do? Matt 21: 44 says, Whosoever shall fall on this stone shall be broken but on whosoever it shall fall, it will ground him to powder. Choose you this day who you will serve!

17LHDVD10-2 - Nickie Pinson - CHRIST'S CLAIM ON YOU – Donation \$6.00 - Nickie begins his message in 1st Corinthians 6:19, which tells us our bodies are the temple of the Holy Ghost which is IN you (emphasis on IN). He goes on to say this scripture is not written to everyone but to those who have the Holy Spirit IN them. John 14:16 Jesus speaks of the Holy Spirit being given to be with them and will be IN them. When John baptized Jesus in the Jordan River, the heavens opened and the Holy Spirit came on Him and He became a different person. At that point, He began to teach, preach, heal, and cast out demons...after HE received the Holy Ghost. On the day of Pentecost, The Holy Spirit came to live in 120 people and He continues to come to those who receive Him. Back in 1st Corinthians 6:19-20 we see that we are not our own. We've been bought with a price....the price being Jesus, so we are to glorify God in our bodies and in our spirits, which are GOD's.

17LHDVD10-6 - Nickie Pinson - THE LIFE OF CHRIST IN US - Donation \$6.00 - Nickie shares many "nuggets of truth" in this message. This is a life of submission. It can't be bought. Nothing comes from us. It all comes from Him. "I live by the faith of the Son of God." God has a way of making us willing. There's 2 kinds of people sitting on the church pews - those that know Him and those that know about Him. There is a vast difference. It's not that we don't want more of God, it's that many don't realize there is much more of Him we can have. He challenges the men to quit going after ministry and just go after God! When you start finding God and knowing God you minister out of that and not after information that you have received. It needs to become an intimate relationship. Col 2:10 "And ye are complete in Him."

17LHDVD11-2 - Nickie Pinson - ALL THINGS FOR CHRIST - Donation \$6.00 - The church at Antioch ministered unto the Lord. Nickie challenges the listener with many questions that bring awareness of our motives as believers, congregations, pastors and churches. Are we "needs" based or "Christ" based? Who are we ministering to? If a church is seeking for what Christ wants and not what the people want, both the church and the people's needs would be met. Most have it reversed. Many people are looking for a ministry when they ought to be looking for Christ. There is a difference in preaching what Christ can do for you and preaching Christ. To embrace this message, one must be willing to forfeit all of self with all it's delusions of grandeur. You must accept the fact that God has never deviated from His original plan to have man in His image, and that this life is not about us individually but about Christ and Him being formed in us. Prepare to have your theology and belief system challenged. That's always a good thing! Step by step, Nickie builds a Scriptural foundation that supports the title of this message, "All Things for Christ".

17LHDVD11-8 - Nickie Pinson - HOW TO BE FREE - Donation \$6.00 - "I have one objective, and that is to preach Christ" is Pastor Nickie's opening statement. Only as Christ dwells in us - meaning the image, or the person of Christ - can we ever overcome the sin that dwells within us. Many would like to blame their sin on this or on that, or on a demon, or their parents, or their husband or wife, or their boss at work - but the scripture says it is our flesh producing sin! Whatever your problem is - the only answer is Christ in you, the only source of life! It is the Truth that makes us free and Jesus is the only Truth. Get the Word of God in a person, get them to abide in that Word - and they will be made free (John 8:31-32)! There are too many testimonies to that fact to ever refute it! We will know if we are in Christ - because old things have passed away, and all things are become new! We will know if we are in Christ - if I am not what I was, and I do not do or say the things I once did - for then I am a new creature in Christ. It is not if I got 'saved', or healed, or how many demons left, but rather - am I in Christ! Again, salvation and deliverance is necessary, but these are only a means to this end - which is to be found in Christ (Phil 3).

17LHDVD12-4 - Nickie Pinson - WHEN THE SPIRIT MOVES - Donation \$6.00 - Whatever we need - in whatever area of our life - the Spirit of the Lord moving in that area - is the answer. We must come to the understanding that "God's good" is not always what we think it should be, nor "His purpose" necessarily what we want it to be. It's not that He doesn't meet our need, but He is more interested in what's going on the inside of us than on the outside. Nickie digs deep into the purpose of God and the moving of the Holy Spirit, tying it altogether to show His desire to bring us into the image of Christ. (Rom 8:28-30) Just as the Holy Spirit moved upon the face of the waters, He has to move on us to bring us back in line with the purpose of God. The Holy Spirit is well able to do His job! It is the work and office of the Holy Spirit to change us. (2 Cor 3:18) The devil can imitate a lot of outward things such as visions, dreams and come as an angel of light but there is one thing he cannot do - he cannot copy or match the revelation of Christ in you. If you have been asking the Lord for more of Him, more of His Holy Spirit, you must listen to this message.

17LHDVD12-8 - Nickie Pinson - HAVING THE FAITH OF CHRIST - Donation \$6.00 - "Are you sitting together with Christ in heavenly places ... in Christ Jesus?" That was the opening question as Nickie began his teaching. The emphasis is on being 'in' Christ. Scripture says we don't know how to pray as we ought. If we don't know how to pray, how do we know how to have faith that pleases God? We must remember that the only way we please God is thru His Son. Ephesians 4:15 "But speaking the truth in love, may grow up into Him in all things which is the head, even Christ." Don't all things include faith? What faith? 'Grow up into Him' ... that includes His faith.... Everything is bound up in Christ. So we see that the only faith that works for us is the faith of Christ - the faith that opened blind eyes, calmed the sea, healed the sick ... the faith that faced the cross and said, "Not My will, but Your will be done." We've got to get past having just 'faith in Christ' which gets us salvation and get to the 'faith of Christ' which is what grows us up in Him and is pleasing to the Father. The reason we fail is because we try to do things with our own faith instead of the faith of Christ. We aren't going to raise anyone from the dead with our faith. The faith of Christ is a must if we're going to do what God tells us to do. Smith Wigglesworth was a man that heard from God and raised the dead with the faith of Christ. We will not have that type of faith in and of ourselves. If we can have His righteousness, we can have His faith. We're not talking about faith for Christ to do something but the faith of Christ that causes God to speak what He wants and then the faith of His Son in us to carry it out. Where do we get that faith? It is thru His Holy Spirit that He sends to work thru us. Are we to be doing these things? What does it say in John 14:12 - greater works! Galatians 2:16 - not justified by works but by the faith of Christ. Time to get down to business! Prayer follows.

18LHDVD3-4A & 4B [2 DVD Set - \$10.00] - Nickie Pinson - THE AUTHORITY OF THE BELIEVER - Nickie illustrates multiple types of authority as he lays the groundwork for this message on spiritual authority. Any and all true authority comes from God alone. Any authority that comes from God has a purpose and one of the greatest purposes is edification. The devil knows who has real authority with God. Nickie explains how you get authority from God and keep that authority. Jesus had authority because He obeyed His heavenly Father in all things. He did nothing to promote Himself. We have to be under the authority of the Holy Spirit or we have no authority. To be under authority means to be obedient to, or under another one's authority that's over you. If we are doing our own will, there will be no authority. Jesus came not to do His own will but the will of His Father in heaven. If we'll let go of our life, and the time comes that our life will be taken, it won't be an issue! Nickie prays, asking God to give us a heart to do His will, to be under His authority and to let us be like Christ and die to ourselves.

18LHDVD3-8 [DVD - \$6.00] - Nickie Pinson - HOW TO PRAY EFFECTIVELY - The thread that ties this message together is that we humble ourselves before God. The reason the Father always heard Jesus and gave Him what He asked for is because Jesus always prayed according to the will of His Father. 1 John 5:14-15 "And this is the confidence that we have in Him, that, if we ask any thing according to His will, He heareth us: And if we know that He hear us, whatsoever we ask, we know that we have the petitions that we desired of Him." Instead of us telling God what He needs to do, let us learn to say, "Thy Kingdom come, Thy will be done, on earth as it is in Heaven." Many times it is our fears that keep us from

praying that prayer. It's time to trust God that His will be done in our lives and the lives of those that concern us most.

18LHDVD5-4 - Nickie Pinson - CONSTRAINING CHRIST - Luke 24:13 "And, behold, two of them went that same day to a village called Emmaus, which was from Jerusalem about three score furlongs." Just three days before, 'one of them' named Peter, when confronted with these words, "Surely you also are 'one of them', for your speech betrays you", declared emphatically that he was not 'one of them' (Matthew 27:73). Notice Peter's speech betrayed him as being 'one of them'. Luke 24:29 But they constrained him, saying, "Abide with us: for it is toward evening, and the day is far spent. And he went in to tarry with them." The Arabic version renders it, "they held him by force" (the violent take it by force), the meaning is that these two men on the road to Emmaus, who were 'one of them', laid hands on Him in a forcible manner. Song of Solomon 3:4 describes this principle of constraining Christ, "but I found him whom my soul loves: I held him, and would not let him go". Psalms 42:1 says, "As the deer pants for the water brooks, So pants my soul for You, O God". The Apostle John, was so desiring to be close to Jesus, that he leaned upon Jesus' breast. By knocking at our heart's door, Christ is constraining us to invite Him in so He can abide with us. His knocking at our heart's door, and His voice calling unto us, will cause a burning in our hearts - if we are 'one of them'!

18LHDVD5-6 - Nickie Pinson - NO OTHER FOUNDATION - Nickie shares instruction on the gifts and operations of the Holy Spirit, exhorting the listener to know when it is the voice of God speaking through you or someone else. Jesus said, "My sheep know My voice." Paul said in 1 Cor 2:2, "For I determined not to know any thing among you, save Jesus Christ, and Him crucified." We preach Christ. Why, because we are complete in Christ. We don't add Christ to our life - He has to become our life. He is the answer to everything. We have to be changed into the image of God. Why? Because we lost the image in the garden. Rom 8:29 "For whom He did foreknow, He also did predestinate to be conformed to the image of His Son, that He might be the firstborn among many brethren." That is what He is after - for us to be conformed into the image of Christ. "That I may know Him". That "knowing" is intimacy not knowledge. Nickie shares on what the inward revelation of Christ is. We want to be set free but God wants to "make us free" - make us a different person - the image of His Son. The axe has to be put to the root. Your root has to change. What you are has to change. We cannot continue to be what we are and just "fix" some things. When Christ is in us, He is in our house. But when we are in Christ, we are in His house. Nickie shares a variety of different truths in this message but they all circle back to "No Other Foundation".

18LHDVD7-5 [DVD - \$6.00] - Nickie Pinson - THE POWER OF FATHERS - This message is like a garden, planted with a variety of seeds of truth. Abraham, as a Godly father, forms the border of this garden. God has nothing to offer us outside of His Son. Everything He has for us is found in Him. In Him is completion. Self-willed people may do their own thing in organized religion but they'll never do it in the kingdom of heaven - simply because they'll never be able to enter that kingdom. God loves those who do His will. The primary intent of this whole message is for us to hear, "Stop doing your own will." Does He know you? (Mt 7:23) Abraham was a godly father. God said about Abraham in Gen 18:19-20, "**For I know him**, that he will command his children and his household after him, and they shall keep the way of the LORD, to do justice and judgment; that the LORD may bring upon Abraham that which He hath spoken of him." The promises of God are not automatic. There are things we must do. Saul is given as an example. Pastor Nickie shares invaluable advice for parents. Do we love God and our children enough to do God's will. Abraham put God first and God saved Isaac. Parents have to make hard choices before God, but if the end result is for your child to be saved, is that not the greater freedom? Oh, the power of a Godly father! Your children need to know that God comes first.

18LHDVD7-8 [DVD - \$6.00] - Nickie Pinson - WHAT IS THE WILL OF GOD? - The will of God is that Christ be formed in us, that we grow up into Christ in all things (**it is a process**), and that we be changed into the same image of Christ! There is no discipleship training that can grow anyone up into Christ, for that is the work of the Holy Spirit alone. We cannot partially be changed into the image of

Christ - in some areas willfully retaining our will, our image - and in some areas allowing God's will, Christ's image. The will of God cannot be divided, the image of Christ cannot be divided, with us being selective in what we do or don't do. The will of God is not a mixture of His will and our will. Man does his own will in order to promote his own self, his own worth, his own fame, his own wealth, his own kingdom - and that is the spirit of anti-Christ! Read Romans 8:28-29. Being conformed to the image of Christ is the ultimate and eternal will of God, and everything will in time line up with, cooperate with, and support this eternal will of God, or it will burn with a fervent heat! God has apprehended a people for the purpose of being conformed to the image of His Son - and that alone is the will of God concerning those He foreknew and predestined.

18LHDVD9-7 [DVD - \$6.00] - Nickie Pinson - CHRIST THE FOUNDATION - Nickie begins by telling us that this will be a hard message, comparing it to surgery which may fix something or make it better. 1 Cor 3:9 talks about laboring together with God, being God's husbandry, God's building. He points out that just because we are doing ministry doesn't necessarily mean we are laboring together with God. It has to be His idea. He also points out that just saying a scripture doesn't necessarily make it so in your life. Neither does doing what you see someone else do. Remember the 7 sons of Sceva. They saw Paul casting out demons and took it upon themselves to do the same. It didn't turn out well for them! There are people that have taken it upon themselves to minister and it's time for the people of God to discern the source...be able to know if something is of God. In His kingdom, He rules - Jesus is the rock, the only foundation and we must be sure to stay with Him, progressively being changed into His image. Whether we are ministering or being ministered to, it is God, in Christ, in us that does the work. Nickie uses many, many scriptures to teach this message.

18LHDVD9-8 [DVD - \$6.00] - Deborah Pinson - CONFESSING CHRIST - Read 1 John 4:2,3 What does it mean to confess Christ? There must be an inward reality of God. If our confession is outward only, we are not confessing Christ and we are confessing self. Actions, choices, and lifestyle, as well as words are the evidence of who enthrones our heart. Outwardly, anti-christ can appear Christ-like. However, while man may look at the outward, God looks at the heart. He originally created us to be in His image inwardly. We cannot worship Him in spirit and truth unless we have the image of Christ...an internal work by the Spirit of God. We must do battle with the spirit of anti-christ, our flesh. She says that those who do not deny flesh will follow the anti-christ in coming days...thinking it is Christ because they cannot discern. The flesh is a bigger threat than any demonic spirit. We are vessels that need inward cleansing, not outward polishing. We must remember that Jesus said it was His Father that did the work. It's not the works - whether it is prophesying, casting out demons or any other good work. It is the source from which it comes. Are we being led of God, or might it be our own 'self'? Rom. 8:8 says "They that are in the flesh cannot please God."

HOWARD PITTMAN

06LHDVD12-10 - Howard Pittman - STUDY OF DEMONS - Howard touched on part of his testimony throughout this teaching, beginning with the fact that he was pronounced dead in August of 1979. He tells us that his testimony can be read in its entirety in his book entitled Placebo. This book is available from the LHBC bookstore. He said the voice he heard was so overwhelming his spirit cried out that God was speaking to him. He saw Ephesians 6:12 acted out. The first thing he saw was warfare plans being drawn up. Howard explained the job of a principality prince over an area of people. He says there are 3 ways demons can attack you; temptation, buffeting the flesh and through inherited generational curses. There are 2 emotions that rule the dark world; hate and fear. You will find out about the "cast" system. There are 3 basic theories that have run throughout Christianity concerning who demons are. Howard gives very interesting analogies and scriptural references on each of the three: 1. Disembodied spirits - created by offspring of angels mating with humans 2. Fallen angels 3. Disembodied spirits of the preadamite race. He says these 3 theories are born into the society of today. Howard says theory number 2 cannot be because of

Jude 6. Angels can take on human form for specific assignments. Demon spirits cannot - they are prisoners reserved for the end. He gives many scriptures pertaining to these theories. In closing he says if you know your name is in the book, so does satan. The 7 pieces of Gods whole armor is all you need. He ended with a prayer of confessing Jesus.

06LHDVD12-13 - Howard Pittman - WHAT CAUSES SICKNESS IN THE HUMAN BODY?

Howard teaches an amazing story, through his research in several authentic books, of how the eagle renews his youth. Then he asks the question "What really causes sickness in the human body?" Sin, James 1:16 is the cause of all sickness. Psalms 78:49-50 tells us of the destruction of a whole race of people for their national sin causing catastrophic illnesses. Two of the sins these people were destroyed for are incest and bestiality. Some people didn't participate but they tolerated or accepted it. The treasure we are looking for on earth is good health. Deuteronomy 7:4 tells us Moses was 120 years old and he walked to his grave. Hebrews 9:27 - we all have to die but we don't have to die sick. Ecclesiastes 7:17 - we can extend our life or we can shorten it. What if we could have a "pill" to give us health like Moses? There is a pill. It is called the "Gos-pill". It adds years to your life and renews like an eagle. The Gospel "gos-pill" has 7 ingredients which Howard lists and explains. Sin kills the physical body quick. He says there are only 2 sins that God won't forgive: 1. Worship of antichrist and 2. Blasphemy of the Holy Spirit. Continuing with scriptures on the story of Naaman and Luke 4:40 - God's will for healing, Howard then tells us God loves persistency. But why don't some folks get healed? He brings us 10 reasons in scripture concerning godly people that didn't get healed that he gleaned from Dr. Donald C. Stamps' notes. Do we want to die like Moses? Howard said the hope of this message is to inspire us to persist as Christians. It was designed to build confidence and faith in the believer. Renew your strength like the eagle. This is an excellent teaching on sickness and health.

07LHDVD12-10 – Howard Pittman – THE AGE OF THE ANTI-CHRIST – Howard begins this teaching by using a scientific example to prove the Bible. This is followed by his testimony of death and what transpired at that time. He begins with receiving knowledge of the spiritual realm and spiritual warfare. In Rev 13:7-9 John wrote of this. The age of the anti-Christ who is to come to rule the world. Howard says the authority to cast out demons was not given to the church but to the believers. Rev 6:2, the church will be deceived and give their authority to the anti-Christ. He plants his ministers in the church. There are signs everywhere in the scripture. Three things are to happen. I Thess 2:7–1, The mystery of iniquity will increase 2. The falling away which is already present. 3. He who must be removed. Matt 24:13 – a remnant will be faithful. Isaiah 49:13, Moral standards are dropped. I Thess 5:2-9, when he who holds back (the man of sin) is taken out of the way, then the day of the Lord can come. I Thess 5:4, the man of sin appears as a man of peace. A hero ushered in by the people. He will get in power by bringing peace and prosperity. The enemy's job is to make you as ineffective as possible; try to drown you in problems. Phil 2:15, if you live the life you will be a bright light and a real menace to the demons of darkness. Walk your talk. Howard refers to Matt 13 and 24. He says one in four stay with the truth. We need hope for the days ahead. Repent and turn back to Jesus.

07LHDVD12-13 – Howard Pittman – THE WILDERNESS LAND – Howard begins by asking us, "If we had a gold mine what would we do?" Yes, we'd dig out the nuggets. This is what the Bible is – a gold mine and we must dig to get the nuggets out of it. Then, by way of introduction he gives us interesting biblical history on who the Jews and Hebrews are and how we fit into the picture. He says he will get to his teaching on hope but needs the background to get into what we are going to study about; the wilderness land. God made preparation for everything that was coming down the pipe over 6000 years ago. God is protecting us to reach the end of that path if we will follow Him. This wilderness land he was preparing is for an event that is going to take place 6000 years from the Garden of Eden. I Chron 17: 9 and in Isaiah 55:5 – the prophet Nathan and the prophet Isaiah both let David know Israel was the most powerful nation on earth at that time. Nathan said God's going to move you and put you in a new promise land where you won't ever have to move again. He was talking about the pleural seed; it was going to be moved to another land in another time far away. II Sam 7:10, talking about this wilderness land and another verse in the NT directed to these same people. The Bible tells us in Revelation 12:1-4 – He knew that Jesus was coming and He was making preparation to take care of Him but God had made preparation long before to preserve that seed, that single seed that He promised to Abraham. In this chapter 12 the woman is Israel, His people. This wilderness land is prepared for those who have ears to hear and eyes to see who can recognize where

they stand on the roadmap of time. They will be able to discern the voice of God that speaks to your Spirit for He will do nothing without first warning His prophets. Daniel 8:21, the government is already in place it doesn't have to be formed. The book of Daniel tells us who the major builders behind the last civil government of time will be and Howard explains about each one. You'll find the wilderness land in the 18th chapter of Isaiah. We do have hope; our hope is in Jesus Christ. Micah 4:1, the top of the mountain means the strongest place on earth. Howard tells of some of his life journeys in Africa and other places and how God always has taken care of everything. He threw this in as lagniappe, which he said is something for nothing. In closing, he calls the elders of the church down to lay hands and anoint with oil and he offers prayer for healing.

08LHDVD12-13 – Howard Pittman – PLACEBO – AND HIS TESTIMONY - Howard shares his testimony beginning with the background of his life from birth 11-24-1928 until 8-3-1979, the day he was pronounced dead where it all began. He continues sharing hardships over the years as a child and how he was blessed with a home filled with love; His real life experiences. Eccl. 1:9 – we will have another depression and we are on the verge of it now. We are coming close to the last generation of time. Prophets are talking about the coming storms. What God did for Howard was not because of him but in spite of him. Howard relates scriptures during his death experience. How can the devil defeat you if you can cast him out? He saw the heavenly highway where only the redeemed can walk. Isaiah 35:8. Howard closes with 5 points that are a message to the church he was given during his death experience. 1. This is the Laodicean age 2. Your adversary, the devil-give no love, no fear 3. If you expect to see miracles you have to live your life with Jesus 4. As was in the days of Noah so shall it be now – wealth and pleasure 5. God is recruiting an army – Matthew 3:11.

08LHDVD12-17 – Howard Pittman – 45 DAY MYSTERY - Matt 13:34, 35 Jesus said He would reveal great mysteries in parables to us. Howard speaks of 8 parables in Matthew. The book of Daniel has great mysteries and we are going to unravel one of them in this teaching. Daniel 9:24 speaks of 70 weeks which is the amount of time God gives in which 6 specific things will occur. The next verse 25 – 69 periods of seven equals 483 years. Verse 26 - 2 things will happen. Verse 27 - signing a peace treaty between Israel and her enemies. In Daniel 12:12 notice 1335 days adds 45 days from verse 11. What happens between the end of tribulation and the beginning of the millennial reign? Those who make it through will be so blessed. Howard believes Jesus has revealed the mystery of this time in the parable of the wheat and tares Matt 24:15-28. The tares look exactly like the wheat. Jesus was painting a picture of His church. The devil cannot enter into a Christian church without a host. Look at Matt 7:21-23. This calls for extreme inventory of where you stand before God today. In the 45 day period is a picture of the tribulation. The Bible is the only offensive weapon we have – the Sword of the Spirit of the Word of God. Judge your life only by the Word of God. Matt 23:28 It is easy to be deceived because of lack of knowledge. Howard gives example of how false preachers deceive even the elect. Take this message as a warning to inventory your life in Jesus. Deut 13:3 God uses this to test if you know His Word. Rev 16:14 the devil can work miracles. We are called to war and we need to know every part of our weapon which is the Sword of the Spirit, the Word of God. Know it by heart and it will reveal to you.

09LHDVD12-10 - Howard Pittman - THE DAY OF THE LORD – 2Thess 2:1-3, Is 13:6, Joel 2:11,12 speaks of The Day of the LORD. How terrible it is - a day of judgment, a great falling away, the man of sin revealed. However, the wise shall understand - 1 Thess.5:4. We must prepare. Bro. Pittman describes the condition of the 'Cotton Candy Doctrine' church of today. We have allowed this to happen because our focus was in the wrong direction. We MUST repent and pray and stand fast – Phil. 4:1, Josh 1:9. We can win this war – on our knees.

09LHDVD12-13 - Howard Pittman - WILDERNESS LAND – Mt 24:15-37 God does nothing except He first tells His prophets. Bro Howard says that this is the 'fig tree generation' - the end of time as we know it - beginning with the rebirth of Israel in 1947. He says 2017 will be a very big year in the church. Which way will it go? If we be Christ's - we are adopted Israelites. Israel will be planted in a new place,

2nd Samuel 7:10. God has said He would hide, feed and protect in the midst of the turmoil. Those that make it to the end will be saved.

10LHDVD12-7 – Howard Pittman – GOD’S SECRETS - There is no new thing under the sun! Eccl 1:9 The Bible is like a gold mine - dig, dig, dig. Howard talks about how when the Roman Empire fell, the Holy Roman Empire sprang up. We were told how Queen Elizabeth would not renounce her Christian faith and how she and King James touched and changed the whole world. We heard about things that had been secrets from the foundation of the world and would be sealed until the last days. Dan 12:8,9. Can that mean now? Howard then gave testimony of his death experience and went on to explain a little about a 45 day mystery in scriptures. There is much scripture and much discussion of the meaning in this study.

10LHDVD12-10 – Howard Pittman - PERSONAL TESTIMONY – Howard shares his testimony going quickly from childhood to the time where he worked for the police force, was in the army, and ran for political office. Then suddenly, he was dead – stopped breathing, a burst aneurism which caused massive blood loss. He tells of the effort to revive him and how he could see what was happening but was no longer in his body. The rest of the message tells what was revealed in this time of separation from his body - in detail. God gave him a message to bring back to the church which he has faithfully continued to do for many, many years.

10LHDVD12-11 – Howard Pittman – THE 45 DAY MYSTERY - Howard points out that there are things in the Word of God that are revealed at the time appointed. In addition, they will not always be revealed to all at the same time. This particular session talks of the days seemingly unaccounted for in scripture concerning the days of great tribulation spoken of in Dan 12:11 & 12:12. This is likened to the days of Noah. The ark door was closed one week before the flood. We are aware of the dark clouds and signs on the horizon. God has a plan of safety for us and we need to be aware. Much more information is included.

11LHDVD12-1 - Howard Pittman -THE GREAT MIRACLE - Jesus warns His Church that not everyone who says, Lord, Lord will enter the Kingdom of Heaven. Brother Pittman shared his testimony. He had lived a good and honorable life. In 1979 he died of heart failure. While doctors worked to revive him, he was crossing the veil of deepest darkness. There, he encountered an evil spirit which tried to persuade him to yield to death. That devil left when it was recognized. Then holy angels showed him the Heavenly Highway. 1,950 of God’s people throughout the world had died during that 15 minute time period but only 50 were going to make it to Heaven. The Church is being seduced by peace and prosperity. Unless we wake up God is going to spew us out of His mouth. We must be willing to pay the price for the Crown of Life. This is a serious and sober message. Prayer for confession of Jesus concludes this message.

11LHDVD12-2 - Howard Pittman – WE’RE IN A WAR - We are all called to war. As a soldier you are never without orders. Somebody up higher has the plan. The enemies of our soul council together to plan war on us. A prince sits above and sends a demon to each believer to search them. The battlefield is in our head. To be victorious in this battle 1) be honest with yourself 2) learn from the Book and hands-on experience 3) get wisdom, faith and love. Wisdom is the ability to discern God’s will for your life. There are three kinds of faith...intellectual, dead and saving. The kind of love we must have is Jesus love. He cried for others pain. The key is patience, calmly enduring until the end.

12LHDVD12-1 - Howard Pittman - MYSTERIES OF THE BIBLE - Someone asked Brother Pittman to explain in terms they could understand what it means to be born again. He shared a Bible mystery, Jesus Parable of the Sower. This is the parable of the Second Birth. Jesus told how seeds fell by the wayside. That portrays people who hear the Word but do not understand a bit of it and never think any more about it. Then seeds fell on stony ground where people seemed to understand the Word, had intellectual faith, but the Word did not take root. Some seeds fell among the thorns and briars. Those people had temporary faith then went back to the world. Finally some seeds fell on good ground which resulted in saving faith and

produced fruit. That is what it means to be born again. Another of the Bibles mysteries is the parable of the wheat and the tares. This is a picture of the Church. Wheat and tares look just alike from the outside. Wheat produces fruit and is full of the life of Jesus Christ. Tares look like wheat but are full of themselves, children of the wicked one. False Christians look like the real thing. They put on a good show. They believe they are all right. It would do us well to take an extremely careful inventory of our life to know what we are producing. (No CD available.)

12LHDVD12-2 - Howard Pittman - PLACEBO - Brother Pittman shares his supernatural 'life after death experience' with us. August 3, 1979 he was declared dead in an ambulance while en route to a hospital. He tells how he was swallowed by a veil of darkness so vast that there is no way in the world a human could imagine what it was like. He felt abandoned, forsaken, all alone. He heard a beautiful voice tell him to stop breathing, just rest, no more pain. But Brother Pittman resisted the devil and he did flee. Then he was shown how the Ruling Council of satan operates. We need to realize that demons will not be defeated until the end of time and we must deal with them daily until then. They are determined to create as much havoc in our lives as they can. The only way they can defeat us is by our permission. They lie, trick us and deceive us. Demons know what our flesh wants. What they hate most is when we live the Gospel. The church is facing the greatest deception that was ever before us. The anti-Christ shall cause deceit to prosper and will magnify himself in his heart. He is going to use the things we pray for to deceive the church - peace, prosperity and security. We must make Jesus Christ Lord and promote Him to be the absolute ruler of our lives. Do not give in to the #1 selling false god which is 'self'.

13LHDVD12-1 - Howard Pittman - TESTIMONY - Brother Pittman begins his testimony by recalling the events of his life from his birth in 1928 during the Depression. It is interesting to hear how people got along without electricity, telephones, cars and television. Sunday School and Church attendance were central to his life experience from his youth all the way to adulthood. He lived a life of caring and service as a soldier, pastor, preacher, foster parent and police officer. In the Fall of 1979, as he was about to enter the political arena, the main trunk artery in his body cavity ruptured, causing a devastating blood loss. In spite of the best efforts of local medical teams, his body died. For 15 minutes he was in the Veil between heaven and earth. He refused to obey the devil's lovely voice encouraging him to quit breathing and die. Then angels escorted him through the Veil into God's marvelous light. He saw the heavenly highway of the redeemed. Sadly, the Eternal Judge was not pleased with Brother Pittman's life because he had been in Christian service to meet his own selfish ambition, not for the Glory of the Lord. In the balance of this dramatic message Brother Pittman tells us in great detail how his life was changed forever. He gives five points for the Church today so the fire of salvation will burn the world out of us.

13LHDVD12-4 - Howard Pittman - THE 45 DAY MYSTERY - How can I be born again? It is a spiritual birth and it does mimic the physical birth of a three fold process...conception, development and delivery. In this teaching he develops the message in the book of Daniel about the last days for the Church. There is a mystery so terrible that Daniel stated that it would be a great blessing to those who made it through the 45 Days. In the book of Matthew, Jesus compares Daniel's vision to the parable of the wheat and the tares. You have to be an expert to tell the difference. Tares are counterfeit of the real grain of wheat. This paints a picture of the church of Jesus. The devil plants tares in a fellowship to create discord...a host, a church member who is deceived and is a fake. In Matthew, Jesus tell us that whoever does the will of His Father who is in Heaven will enter into eternal life, otherwise he is considered a worker of iniquity. We must know Jesus Christ - we must have a personal relationship with Him. Our name has to be written in the Book of Life of the Lamb stating that we belong to Him. During the mysterious 45 days is when God's angels will gather up the tares and remove them from the earth and the thousand year reign of Jesus Christ will begin.

14LHDVD12-1 - Howard Pittman - FIVE DREAMS - God will do nothing without first warning His servants through prophets. God warned Brother Pittman of forthcoming events through dreams seven years before those events took place in his life. We have to be on alert not to listen to the voice of the counterfeit

god, the god of this world, who also talks to people while they are sleeping. Five dreams from God the Father came to Brother Pittman in seven days time. Each dream was like looking at a movie screen, a letter from God. He sought their meaning for years. Then the dreams became reality when he literally died on that hot August day in 1979, and God brought him into the spirit world and gave him a tour. God showed him Ephesians 6:12 being acted out. It was a description of a satanic, demonic spiritual government where the warfare plans are literally being drawn up against the saints of God. Satan and demons are real and the war is raging. This world is on fire and crumbling all around us. Christians are the only people on earth who could have changed things, but we have lacked the necessary concern. Too many of us have been more interested in celebrities and sports events than spiritual warfare. This service ends with Brother Pittman's prayer for the congregation. (On the DVD of this service you will receive the worship service, the announcements made by Merrill Miller and special music performed by Linda Henley.)

14LHDVD12-4A & 4B – Howard Pittman - THE GREATEST MIRACLE - Our fight with the devil is daily and we have to win the battle daily. The devil is determined to kill everyone who tries to serve the Lord. He is a thief, a murderer and a destroyer. Brother Pittman gives a thorough account of how God worked the greatest miracle in his life. God asked him to share his story all over the world and God has furnished him with food, shelter and the means to travel wherever he was asked to testify. For 30 years he has come to LHBC Camp Meetings to witness to the Body of Christ here. He warns us to be sure we know the voice of our God, because satan can take the lost at will, (II Cor. 4:4), because he is the god of this world. If you are lost, you are under satan's jurisdiction. You are his prisoner. If you belong to Jesus, you are not a citizen of this world, no longer satan's prisoner. You are an Ambassador of Christ, God's child in the direct line of the King. The devil doesn't care if you sing, preach, teach or shout, but if you start to live the Christian life, you scare the devil to death. When we are in Christ, we have His light. When the lost see that light of Christ, you can get them out of the devil's prison. So let them see the light of Jesus Christ in you.

14LHDVD12-5 - Howard Pittman - DIFFERENT PHASES OF SPIRITUAL WAR - Demons can attack human beings in these three separate ways: 1) They can possess. 2) They can afflict. 3) They can obsess. A born again believer cannot be possessed by an evil spirit, but a Christian can have a demon and be oppressed by the devil. One way the devil oppresses Christians is to try to drown us in personal problems every day to keep us from doing our duty to God. The devil is the most dirty fighting, murderous rascal that has ever been created and we are to wrestle with him. The place of this contact contest is the battlefield of our mind. The three different ways he attacks our mind have to be handled in different ways. We know the master plan of satan is to take over the world. He is using the weakest of all demons to do that. That demon is despised by the other demons. He looks like an overgrown green slimy frog. Those unclean spirits promote same-sex marriage which is the key to satan's success. Demons are individuals and have different assignments. Satan's system is organized like the caste system with the strongest, most powerful demons at the top, the principalities. We are going to see demons working miracles in the churches. The elect must study the Word of God or be deceived.

15LHDVD10-1 - Howard Pittman - THE COMING WAR - Donation \$6.00 - This teaching is based on 40 years of Brother Pittman's historical research and study of the Scriptures. He warns that all Biblical prophecies are pointing to these days as being the last before the return of Jesus Christ to Earth. He believes that a war of great devastation is coming very soon. He begins his teaching with Ezekiel 38 and Zachariah 14, and shows us Israel's path of migration down through the centuries. The trail begins in Genesis 48:15 when Jacob (Israel) passed his name on to Ephraim and Manasseh. This has prepared the way for the events which have brought our world to the brink of utter annihilation. Israel is the target and the key to this great tribulation. Pittman teaches us that God has scattered the true Israelites throughout the world. He keeps them hidden in plain sight. God will bring His people forth in these last days. This war which is about to break out in the Middle East will continue throughout the world. Muslims intent is jihad ... to completely eradicate Christianity. This is the time of "Jacob's Trouble", but God will save him out of the fire. Be

confident in this ... we are saved when we confess Jesus Christ as Lord, the only Door that leads to the Father.

15LHDVD10-2 - Howard Pittman - RIGHTLY DIVIDE THE WORD OF TRUTH - Donation \$6.00 -

The purpose of Pittman's message is to rightly divide the word of truth concerning some perceived conflicts in the Bible. What is important to God is what is in our heart, the context of what we really believe, our real intention. When an imperfect man tries to reflect a perfect law, he has to deal with conflicts. There is a difference between the letter and the spirit of the law. The letter kills but the spirit brings life. The law was not to be man's executioner, but his friend and his guide. We need the life-giving spirit of the Rhema word to operate in conjunction with the Logos of God, the letter of the law. Rhema means a specific spoken word. Everything was created with the Rhema word. This is the only way for a miracle to occur. The Rhema word does not violate Logos, it simply sets it on the side. Logos means the natural law, the driver and conductor of time and has no provision for a miracle. For example, every child of God is created by the specific spoken Rhema word of God when we come through the fountain of Jesus' blood and become born again. God set in place the principle of toleration to deal with man's failures in relationship to His perfect law. The Holy Spirit will lead us to all truth.

15LHDVD12-2 - Howard Pittman - JACOB'S PUZZLE - PT 1 -

This message is the culmination of 60 years of Bro. Pittman's diligent study of history. You have to learn all the Scriptures contained in this teaching because there are many who will dispute it. Jacob's Puzzle contains the answer to the mystery of the ages. What are you going to find when you solve this puzzle? You will find where Israel is today, who they are and how this came to pass. I Chronicles 17:9 God will plant Israel in another place where they will live in peace and will be moved no more. Every promise God made to Abraham always included "the seed" which will bear the brunt of both the punishment and the promises of God. Grace and salvation came through Abraham's seed. Ezekiel Chapters 19, 20, and 21 tell how God had to punish His people for their rebellion. Revelation 13:7-9, Isaiah 62:1, Jeremiah 30:7 (Jacob's Trouble). 'Jacob' is not found in today's nation called Israel. Who are the real Jews? They are the bloodline descendants of the tribe of Judah. In Daniel 12 learn that only those whose names are written in the Lamb's Book of Life will be preserved from the punishment to come. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth." When all else fails, read the Manual.

15LHDVD12-4 - Howard Pittman - JACOB'S PUZZLE - PT 2 -

This message includes many Biblical and historical subjects of great interest: The Bible teaches us that God promised to bless the world through the seed of Abraham's children. God kept His Word by blessing Joseph and the tribes of Ephraim and Manasseh (today's British Empire, the Commonwealth of Nations) and the United States of America (the most powerful single nation on earth.) The House of Israel is God's Covenant People. 'Iysh' is a Hebrew word for 'man'. 'Brit' is a Hebrew word for 'covenant'. So 'British' is a word which means 'Covenant People'. 'Saxon' comes from 'Isaac's son'. Today Queen Elizabeth occupies David's throne. The British Commonwealth of Nations is ruled by the Throne of David, fulfilling the promise made to Jacob and Isaac through the birthright of the firstborn, Ephraim and Manasseh, the true House of Israel. In 1800, God's promise began to unfold. The British Empire and the United States enjoyed wealth and dominion until about 1950. Since that time the blessings have been squandered and the nations have turned away from God and His commandments. God now promises His everlasting wrath. Tragedy can be averted if we repent and turn back to God.

16LHDVD12-4 - Howard Pittman - TESTIMONY - Donation \$6.00 -

In his 88 years of life, this is the 37th year Brother Pittman has come to LHBC to share his inspiring testimony. He relates the events of his life as a young boy, in the seminary, army, and as an officer in the police force in New Orleans. He and his wife had been foster parents to many unwanted and abused children. His life had been dedicated to public service. He had been faithful to his Christian principles and considered himself to be a "saved" man. Then on August 3, 1979 he met his appointed time to die. He encountered a sweet voice encouraging him just to quit breathing. But that was satan lying to him. Pittman resisted him and he fled. God showed him satan's

form of government, the delegated authorities in his national plan, generational plan, fellowship plan and individual plan for the destruction of God's people. Pittman was shocked when God said his own life had been based on self-serving and was considered unacceptable. Space does not permit the telling of this unforgettable and heavily anointed testimony.

16LHDVD12-5 - Howard Pittman - THE PROPHECY - Donation \$6.00 - Brother Pittman relates five prophetic dreams which were given to him by God about His people, and satan's unwavering determination to destroy them. Then he teaches about the beginning of the nation of Israel. The promises made by God to Abraham were passed to Isaac. This nation escaped from Assyria through the Caucasia Mountains where they disappeared into the western part of Europe. There they settled among the nations along the waters. That was the last that was ever heard of them. God has always known where they were and He said he was going to change their name. The new name would be "Sons of Isaac", which means Saxons. Eventually, the Saxons inhabited the British Empire and birthed America, which is the last "Light of the entire world, a city set on a hill that cannot be hid." Pittman is convinced that if we had lost this election we would have lost that Light, and the entire world would have gone into total darkness. God is a loving Father and He will continue to bless His people and heal our land as He has promised.

DEBORAH RAI EES-DANA

12LCDVD2-3A & 3B [2 DVD Set] Deborah Raiees-Dana WOMEN'S SEXUALITY - To be in deliverance you must be comfortable talking about sex. God created us male and female. The first commandment God gave Adam and Eve was, "Go and multiply?". Twisted sex is all about what "I" want. Marriage is a picture of Christ and the Church, so satan wants to pervert it. Reactions are to dress in a masculine way, eat too much to hide your feminine curves, or get angry and fight as a way to avoid intimacy. Women have a lot of power over men. God did not create a woman until the man knew he needed her. We are created to bond for life. One partner. God's perfect love can bring healing to all our deep wounds. Flee immorality. When sin is involved with sex, there is shame. God hates our sin because of how it has hurt us. He wants to forgive. He loves us. God will give you time to heal. Deliverance service concludes this message.

12LCDVD2-5 Deborah Raiees-Dana THE PARADOX - A paradox is a statement that seems absurd but expresses a truth, such as Jesus dying on the cross. It is a paradox that we must walk in the Spirit. Only by walking in the spirit will we gain the victory over the flesh. The Israelites followed the cloud. It was a light to them but darkness to their enemies. He will utterly destroy the enemy when the time is right ? only by His Spirit and in His time and in His way. The Word tells us that Daniel had to wait 21 days for the answer to his prayer. The battle was going on even though Daniel did not know it. Elijah destroyed the false prophets and he became exhausted and discouraged, so God had him rest. God rests and the Ark rested. Ceasing from our labor is sometimes hard. Trying to do all the work is a sign that we are under a curse. He wants us to come to Him and rest today. This teaching ends with prayer.

VITO & PATRICIA RALLO

10DELTRDVD-1 - Vito Rallo - OLD MAN - NEW MAN - We began with a story about 4 worms and how their surroundings affected their life. He compared the worms to the church. If we are not fed and watered sufficiently, we are adversely affected. We were told that the reason the church has become ineffective, is because we've not gone on to maturity. There is much to be accomplished after the new birth. The Word of God will grow us up. This has to do with our minds. We are to put on the new man, in righteousness and holiness. Eph 4:24. It takes sanctification for holiness. There has to be discipleship. We can't teach what we aren't walking in. If we aren't growing, we're dying! If we get set free, and aren't taught truth, we won't stay free, Jn 8 :32. We must choose to be more than conquerors as the Word says we are.

10DELTRDVD-8A & 8B – Vito Rallo – ASSAULT ON THE CHURCH - Out of the box and going to prove it! The truth sets us free. A season of change is taking place. No more cookie-cutter methods. Things we will be doing must be done quickly. Sin feels good for a while but it affects our spirit mind and body. Gen 3:1 –Eyes are the gateway to the soul- They saw. They heard. But they had a choice and we are still reaping results of wrong choices. The enemy works thru our senses. In Gen 3:11, God asks Adam, “Who told you, you were naked?” Good question! What has the enemy put in your mind? Who told you that you were ugly or fat or stupid? Whose voice are you listening to? We must know God’s voice or we’ll not be following HIM.

11LCDVD2-4 – Patricia Rallo – WHEN MERCY KISSES TRUTH - Some people resist truth. People are drawn by God’s love, but they are changed by truth. James 2:13. She gave testimony of a ‘not so great’ relationship with her mother. However, her mother told her she’d never be happy if she wasn’t in God’s will. “Rejoice not in iniquity but rejoice in truth.”- 1 Cor 13:6 Truth gets thru to the mind; mercy gets to the heart. Mercy without truth will keep you bound. Sometimes when we rescue people, we’re getting them out of God’s dealings. She gives several instances where love and mercy are not working together, and says, “Truth without love is brutal and love without truth is fatal.”

RANDY & CALLIE RICHEY

14LHDVD11-3 - Randy Richey - UNHOLY JUDGMENT - Three factors combine to form unholy judgment: 1) fault-finding, 2) accuser of the brethren, 3) the spirit of religion. The Holy Spirit’s gift of discernment can be counterfeited as unholy judgment. Stop judging or you will be judged by the standard with which you judge others. Instead, be blessed as a peacemaker, love your enemies, and pray for those who persecute you. We clearly see right from wrong, but how do we handle those situations? We are to do battle and not agree with the darkness. If we speak evil over people we are agreeing with the enemy. We are to be intercessors, stand in the gap for others and love them. Randy lists many synonyms to help us understand what it means to be a judgmental, fault-finding religious Pharisee. We have to guard against giving place to that self-seeking lust, because it invites a demonic spirit that specializes in inspiring a person to find fault with every one and every thing they encounter. That person becomes unteachable and dissatisfied and will never walk in the goodness of God without repentance and deliverance. Those who have this spirit must be stopped by prayer and godly counsel or they will spread havoc. Deliverance prayers follow this teaching.

14LHDVD11-5 - Randy Richey - THE RELIGION OF FREEMASONRY - This teaching is not against Masons. They can be good, nice people who love their families. The purpose is to expose the anti-Christ religion of Freemasonry. 1) Freemasonry says Jesus Christ is not necessary for salvation, but simply by living a good and moral life you can go to Heaven. 2) It is gnostic in nature. 3) It claims you are saved by knowledge, and you can thereby attain higher levels of purity. 4) The sin of partiality favors fellow masons in business and the courts 5) Vows bring death if violated. 6) It is a hidden, fraternal order, a system of morality. Randy describes in great detail the demonic symbols and meanings of the craft whose roots go all the way back to Babylonian, Egyptian and Baal worship. Masonry mixes the Bible, idolatry, paganism, the occult, gnosticism, kabala, fertility cults, satanism, and spiritualism to come up with the Masonic religion. It is not of God, it is a harlot of Babylon and it is a lie. The truth is that Freemasons worship Lucifer. This deep and thorough teaching will prepare us to repent and receive our much needed deliverance from bondage to this false religion. Deliverance prayers follow this teaching.

15LCDVD2-2 - Callie Richey - SAUL - CONTROL & THE ORPHAN SPIRIT - The controlling spirit personified in Saul has violated many families personally, emotionally, spiritually and sometimes physically. If a father operates in the spirit of Saul, he can evoke responses of anger, resentment and rejection of God in his children because they have not known a kind, caring, earthly father. They have a

distorted view of the Heavenly Father's love. Many people experience an emotional or mental block when they try to call God, "Father". They think God is remote and harsh, so they settle for a formal relationship with Him, not understanding the depth of the love He has for us. The damage done by the Saul spirit in an earthly father causes a wounded and broken spirit and sorrow of heart in a child who spiritually becomes an abandoned orphan. The Saul spirit is a controlling, manipulating schemer, impatient, insecure, and explodes in fits of anger. God, our Father, longs to renew us and restore us with the healing power of His love...nurtured, celebrated, loved, wanted, good, and valuable. If this speaks to you, admit where you are in this and what is being done in you or by you. Renounce, forgive, be forgiven and be set free. Deliverance prayers follow this teaching.

15LHDVD9-2 - Randy Richey - ALIENS, SCIENTIST & DNA ALTERING THE IMAGE OF GOD -

Donation \$6.00 - Randy leaps into the void and teaches about his conviction that gigantic creatures existed on Earth in ancient times...human beings mixed with fallen angels...aliens who troll the universe even today. Thousands of encounters with such alien creatures have been reported recently by Christian pastors. When these demonic entities begin to openly manifest among us, they will say they are our creators, sent by God to rescue us from our calamities. They are unredeemable deceivers, full of lying wonders, false Christs, false prophets, and if possible they will deceive the very elect. They will manifest as glorious men, not as freaky monsters. Randy believes the anti-Christ will be a mixture of a human and one of these creatures. This will be the Answer Man. DNA manipulations have been developed which mix human beings with animals. It's all about altering and defiling the image of God in man. We also need to know about the hidden symbolism, images and statues in Freemasonry which empower demons and bring Babylon to our present reality. As children of light, we must bring to light the hidden things of darkness. Deliverance prayers follow this teaching.

15LHDVD9-7 - Randy Richey - THE SPIRIT OF TRAUMA -

Donation \$6.00 - Randy and David Nees enact a scene which demonstrates how to respond when the devil throws fiery darts and lies. We are to rebuke demons with the Sword of the Spirit which is the Word of God, or those darts will stick. Then Randy proceeds to teach on the Spirit of Trauma. Demons can cause traumatic events and then take advantage and enter us because of the weakened state of our will. Trauma is an overwhelming life event that renders one helpless and fearing for his or her life. It is an emotional response to a terrible event like an accident, rape, physical, emotional, sexual, or verbal abuse, shock, violence, a natural disaster or war, and often remains in the subconscious mind. Immediately after such an event, shock and denial are typical reactions. Amnesia, complete obliteration of memory is a defense against the horrors of trauma. As you hear this message and you begin to remember, repent if you are aware of anger, hatred and bitterness because of these events. Otherwise you will be in a "fight or flight" mode the rest of your life. Often trauma is revealed by the Holy Spirit with words of knowledge and wisdom from the Lord on how to minister deliverance. Deliverance prayers follow this teaching.

15LHDVD11-2 - Randy Richey - ARE YOU BROKEN HEARTED? -

Donation \$6.00 - This comprehensive teaching reveals to us how a person with a broken heart lives in inner misery and cannot ever fully receive cleansing and holiness. Abandonment, abuse and betrayal are life events that cause your heart to break. Unforgiveness and bitterness are the glue that holds the pain there. You need to know your Heavenly Father as your Abba, your Daddy, the one you run to for protection because He loves you, celebrates you, provides for you and gives you identity. When you know your Daddy loves you, it does not matter what freight train the devil sends you. But when your heart is broken, negative thoughts fester, like anger, rage, resentment, depression, worry, anxiety, frustration, fear, excessive grief, guilt and shame. Based on what your brain thinks, chemicals in your body produce electromagnetic waves and actions. The negativity of a broken heart poisons you, and your body will develop ailments such as: heart disease, depression, multiple personality disorder, ADD, ADHD, chronic bronchitis, epilepsy, extreme anxiety, sleeplessness, panic attacks, extreme fear, thyroid issues, blood disease... Dwell on the goodness of God and His Word. Deliverance prayers follow this teaching.

15LHDVD11-3 - Callie Richey - THE SPIRIT OF JEALOUSY - Donation \$6.00 - Before Callie received deliverance, the spirit of jealousy brought an unbearable feeling of hopelessness to her. Many times she tried to take her own life. Jealousy was cruel to her and caused her to be cruel to other people. She was in bondage to it. In this teaching she defines jealousy and envy, and reminds us of historical events where the spirit of jealousy triumphed. Lucifer's fall, Cain slayed Abel, Esau was jealous of Jacob, Joseph's jealous brothers tried to eliminate him, Korah and Miriam rose up in fiendish jealousy against Moses and Aaron. God's spirit left Saul and the evil spirit of jealousy entered him. He became insanely jealous of David, but the Lord was with David. To the jealous person, there does not have to be a real threat, merely a perceived threat. Callie insightfully describes the characteristics of jealousy and its negative consequences. Jealousy is always about fear of being displaced. I Cor 13, Phil 2:3; 4:8-13, James 3:16 and Pro 27:4 help us overcome and dominate demons. She and Randy share how spirits of jealousy and anger almost destroyed their marriage. God showed Randy how to respond as Priest of his home. Deliverance prayers follow this teaching.

15LHDVD11-5 - Callie Richey - THE SPIRIT OF PYTHON - Donation \$6.00 - What is the Python Spirit? How does it attack and gain entry? How do we overcome this demonic power? We begin with the ancient city of Delphi and the Greek gods to establish historical facts and Biblical foundation regarding the Spirit of Python. 1) In the shrines of ancient Greece, a Pythoness, a priestess, would reveal hidden knowledge. She was a diviner, a soothsayer, a fortune teller, a prognosticator, a witch. The Spirit of Python works with the spirit of Jezebel to set the stage for false prophets of Baal. The Book of Acts 16:19 tells of the girl with the spirit of divination, or Python. Soothsaying is the counterfeit of the Holy Spirit's gift of Prophecy. Deut 18:10-14 forbids all forms of witchcraft as an abomination to the Lord. 2) In the natural, a python crushes its prey to death by suffocation. In the spirit, Python attacks by control, pressure and manipulation. It achieves spiritual apathy, suffocating the breath of God from your life. It crushes your hopes, your drive, your motivation and your fight. 3) The only way to kill a Python is to cut off its head. Bring every thought to the obedience of Christ. Refuse to be in agreement with Python. Deliverance prayers follow this teaching.

15LHDVD11-7 - Randy Richey - ROCK & ROLL & THE MYSTERY CULTS - Donation \$6.00 - Rock and Roll is dangerous. It affects your eye gate and ear gate. If God is delivering you out of drugs, alcohol, disaster, and sexual sin, but then you dabble in the wrong music and watch witchy or sexual programming on TV, you are going to fall. "Guard your heart with all diligence for out of it flow the issues of life." Occult music and dancing originated in 'Mystery Cults', a term used to refer to religious organizations which flourished in ancient Greece and Rome. They were not associated with the state religions but were extremely secretive and exclusive by nature. Randy goes into great detail in exposing the horrors of these abominable occultic religions and their satanic rites. He names many demons which continue to afflict God's people today, one of which is the spirit of Kundalini, two snakes running up and down the backbone. Voodoo rites use the beat of the drums to stir the blood with ecstasy, enthusiasm and wild dancing. Even in church satan can put you in an ecstatic state to make you think what you call praise and worship is from God. Money, magic and music operate together to accomplish satan's objectives. Always ask, "Holy Spirit, is this of You?" Deliverance prayers follow this teaching.

16LHDVD9-4A & 4B [2 DVD Set - \$10.00] - Randy Richey - TRAPS, SNARES & DELUSIONS - This teaching deals with demonic symbolism, jewelry, toys, games, and the spirits of Kundalini and Freemasonry. Hosea 4:6 "My people are destroyed for lack of knowledge." Give up all traditions of man, religion, doctrines of demons, and lies from the pulpit, which make the Word of God ineffective in your life. Symbolism matters in the spirit realm. Every witch hates God and His people. They understand and use symbols. Within each symbol is the enemy who is determined to destroy you because you give the enemy a legal right to access your life. Delayed calamity can be caused by demonic symbols in your home. Get rid of them. Burn them. The occult Third Eye opens us into the spirit realm to bring in witchcraft prophecy, divination, false tongues, and clairvoyance. 16LHDVD9-6 - Randy Richey - THE SPIRIT OF TRAUMA - Donation \$6.00 - Trauma is an overwhelming life event that renders one helpless or fearing for their life, interferes with abilities to cope, and is outside the range of normal experience. Trauma is an emotional response to a terrible event, typically followed by shock, denial, amnesia, unpredictable emotions, flashbacks, strained relationships and physical symptoms. Traumatic experiences often remain in the subconscious mind so that people do not understand why they have trouble moving on in their lives. The spirit of trauma introduces confusion, insecurity, disillusion, sexual abuse, bullying, domestic violence, alcoholism, and addictions. If you see death occur, it can bring trauma. First responders and soldiers experience PTSD this way. Hidden trauma can stop your soul and spirit from maturing, resulting in arrested development. Allow God to expose those deep, dark, hidden places with His light and love. Get those trauma demons cast out and it will no longer hurt you emotionally to tell your story. Deliverance prayers follow this teaching.

16LHDVD10-2 - Randy Richey - SEXUAL SIN & UNHEALTHY SOUL TIES - Donation \$6.00 - Randy teaches what God says about the perversion of sexual sin. The Bible gives us clear instructions on what is okay and what is not. Genesis 1:27-28: "God created male and female in His own image." Genesis 2:24: "A man and his wife will become one flesh." 1 Corinthians 7:2: "To avoid temptation each man should have his own wife (female partner in marriage) and each woman her own husband" (male partner in marriage). Hebrews 13:4: "Let marriage be held in honor and let the marriage bed be undefiled, for God will judge the sexually immoral and adulterous." Exodus 20:14: "Thou shalt not commit adultery." Leviticus 20:10 "The adulterer and adulteress shall be put to death." Today, instead of being stoned to death, a spirit of death is released against you. Proverbs 6:32 "He who commits adultery with a woman destroys his own soul." Randy deals with fornication, incest, bestiality, homosexuality, pornography, venereal diseases, and how spirits come through ancestral curses. Deliverance prayers follow this teaching.

16LHDVD10-4 - Randy Richey - FEAR - WHAT IT IS & HOW IT WORKS - Donation \$6.00 - Synonyms of fear: bother, worry, fret, fuss, stress, sweat, trouble, alarm, anxiety disorder, dread, fright, horror, panic, scared, terror, trepidation, phobia, creeps, jitters, nervousness, willies, twinge, agitation, apprehension, consternation, fear of the devil, discomposure, disquiet, funk, perturbation, concern, dismay, cowardice, faintheartedness, timidity, strain, tension, disturbance, edginess, frantic, hand wringing, jumpiness, panic, angst, torment, cold feet, doubt, foreboding, fear of the unknown, panic attack. The root spirit of panic is Pan, also called Bacchus, the god of the wild, wine, revelry, chants, orgies and fantasy witchcraft. Refuse to live in panic and fear. Once you get cleansed of all that sexual sin and anger, walk with God in forgiveness and you will not have a lifestyle of panic, fear, and disease. You will dominate the enemy. There is a place and peace in God that regardless of any raging storm, you know you are safe and secure in Him. The power of the living God will sustain you. Deliverance prayers follow this teaching.

16LHDVD12-1 - Randy Richey - FAMILY REPENTANCE - Donation \$6.00 - Randy opens this service with a prayer of deliverance to cleanse our family blood lines and to help us repent. He brings to light the collective sins that defile a nation because that brings about the defilement of its individual people. Repentance means a sincere turning away of the mind and heart from self to God. It means to crucify the flesh, turn away from sin, and come into agreement with the Lord. Repentance needs to be a lifestyle as we daily confess godly sorrow for our sins. Remember that every demon's job is to impart their character to you, and Pride is a strongman that builds walls in you to prevent you from confessing your sins. As we confess the sins of this nation, we take accountability and disarm the enemy from gaining power from the defiling sins of its people. Defilement makes unclean or impure, is to debase, to violate the sanctity of, to desecrate, to make filthy. All sin is idolatry...any defiling thought or action which is contrary to God's will, so flee from it. Deliverance prayers follow this teaching.

16LHDVD12-6 - Randy Richey - REJECTION - Donation \$6.00 - The enemy of your soul will send the spirit of rejection into your life to wound your heart and make you think you are not of value to God or anyone else in the world. Your identity is not as a citizen of this world, but you are wanted and accepted in God's Kingdom. Give all you have and are to Jesus Christ and follow Him as His Disciplined One, which is your real and true identity...the being that has come forth according to His plan. Your identity is about who you are in Christ. The truth you know will set you free, so fighting Scriptures must be engrained in

your mind and soul for fighting the enemy. When the devil attacks you, fight him with the Word of God. Warfare Scriptures tell you who you are in Christ. Declare these Scripture every day until you believe them in your heart. Learn about the many ways rejection comes to attack and destroy you. That is not who God says you are. Renew your mind with the truth of the Word of God and your identity will become anchored in Jesus Christ. Deliverance prayers follow this teaching.

17LHDVD7-7 - Randy Richey - GREAT DECEPTIONS - Donation \$6.00 - Randy deals with the great deceptions of occult activity, entertainment, tattoos and essential oils. Everyone is affected one way or another by some form of deception, if not through personal involvement then at the least, what has come down the bloodline. Randy coins the phrase, "the enemy is an equal opportunity destroyer". We want to get clear of these things so that we are not affected in our ability to believe God, we're not scared of it and we can speak, in the name of Jesus, against the workers of darkness. He thoroughly dissects all of his subject matter and leaves no stone unturned. You won't walk away from this message and say, "Nobody told me there was anything wrong with that." Extensive deliverance service concludes this message.

17LHDVD9-1 - Randy Richey - FEAR - Donation \$6.00 - What is fear, how does it work and how do we defeat it? These are questions and subsequent answers Randy addresses in this message. He explores deep roots of destructive fears. Many diseases come out of fear, anxiety and stress. We have to get rid of the spiritual aspect of fear, focus on God's Word and what He says for us and then begin to do battle - because if you do, you can beat this thing. Continual agreement with the power of darkness in the area of fear is disastrous and falls far short of the victorious life that the death, burial and resurrection of Jesus purchased for us. Many of us are not aware of where fear is operating in our lives. Fear can be extremely covert, working behind the scenes, causing us to believe that it is normal behavior for us. Extensive deliverance ministry with prayers of repentance is offered throughout this message.

17LHDVD9-5 - Randy Richey - MANY SHALL COME - Donation \$6.00 - The first twenty minutes contains what Randy calls "bonuses". These are Kingdom principles that help folks walk in victory and be overcomers. He then moves into the whole premise of this message which is to help people walk in truth. The worst deceptions are those that have had the name of God attached to them, because that's what people fall for. Jesus said, "Take heed that no man deceive you. For many shall come in My name, saying, I am the Christ; and shall deceive many." Time does not permit the full exposure of other doctrines of demons found in various and sundry organizations. The focus given in this teaching is in relation to the Roman Catholicism. The facts are laid out comparing doctrine to what the Bible says. The truth is presented in love and we recommend obtaining this teaching. It contains a very thorough renunciation prayer which not only benefits former Catholics, but also folks who have never practiced Catholicism but have it in their background or through some other association.

17LHDVD10-1 - Randy Richey - UNFORGIVENESS, UNHOLY JUDGMENT & DANGEROUS VOWS - Donation \$6.00 - Wounds can fester into infections if left untreated. That's exactly how unforgiveness works. If something isn't done the person ends up facing demonic harassment and torture and becomes a very bitter and unhappy person. You are actually opposing God when you don't forgive. He says if we don't forgive others, He doesn't forgive us. Randy speaks about unholy judgment and it's partners - fault-finder, accuser of the brethren, and the spirit of religion. Oftentimes people forgive but that original judgment is still working. The unholy judgments need to be broken. Discerning of spirits is a gift to help you pray for people - not condemn and judge them. When you're sincerely praying for people, it's awfully hard to find fault with them! Dangerous vows - "I will never be like my father," or "I will never marry a woman like my mother." The measure of judgment you give will be measured back directly to you. The vows are ongoing without a finish line. They place you in bondage. They may seem positive because you don't want to be like that but they work a curse in reverse. Extensive prayers and deliverance ministry concludes this wonderful teaching.

17LHDVD10-4 - Randy Richey - FREEMASONRY - Donation \$6.00 - Randy addresses the symbols and snares of the religion of Freemasonry and it's conflicts with the Word of God. This in-depth expose reveals things that most Masons aren't even aware of. Freemasonry is no different than other false religions in that there is a mixture of lies and truth. Masonry mixes the Bible, idolatry, paganism, the occult, gnosticism, kabala, fertility cults, satanism, and spiritualism to come up with the Masonic religion. That is why it is important to understand the snares and symbols so as not to fall for the deceptions and be found embracing this anti-christ spirit. Whether there is Masonry in your family or not, we recommend obtaining this message to make you better aware of how to minister. Prayers for deliverance conclude Randy's teaching.

17LHDVD11-1 - Randy Richey - REPENTANCE AND WARFARE - Donation \$6.00 - The war begins and you become satan's target the very moment you repent and become born again. Randy breaks down the process of repentance, forgiveness and the goodness and greatness of God towards those who live a life of repentance. As he addresses various issues he stops and takes the listener through extensive repentance, forgiveness and deliverance. A second title for this teaching could also be "The greatest weapon a Christian has against the enemy is obedience to God." Though Randy is blessed to minister in the area of deliverance, he is a teacher. The next weaponry is the armour of God which Randy explains in excellent detail, adding a dimension to Ephesians 6 that perhaps you haven't seen before. Armour has to be part of your lifestyle as a believer. He goes on to give other weapons we, as Christians, have at our disposal to live and walk as victorious believers. Deliverance ministry is provided at various intervals throughout this teaching.

17LHDVD11-5 - Randy Richey - MANY WILL COME - KUNDALINI - Donation \$6.00 - Matthew 24:5 "For many shall come in My name, saying, I am Christ; and shall deceive many." The world does not raise us up to agree with God. Randy gives a massive documentation on the kundalini spirit. He begins with potential ancestral embedding, moving on to entry points from yoga, karate, and meditation (passive mind - not meditation on God's Word). He highlights its movement in the churches of today - emphasizing it doesn't show up in dead churches - only the ones where people are looking for miracles and spiritual happenings. Many Christians don't have a clue as to all the portals the enemy uses to implement his goals of stealing, killing and destroying. It behooves us to be aware. Extensive renunciation prayers and deliverance ministry is included. (This message is a continuation of what Randy taught at Labor Day Camp when the subject matter centered on Catholicism (17LHCD9-5 or 17LHDVD 9-5).

17LHDVD12-1A & 1B (2 DVD Set - \$10.00) - Randy Richey - FAITH TO OVERCOME THE THREE FOLD CORD - What is the three fold cord Randy deals with in this message? It is unforgiveness, rejection and shame. What does faith have to do with all of this? Faith is just a word unless it becomes operational in our lives. How does it become operational? We believe God. We are all given a measure of faith, or we wouldn't even be saved. It is a supernatural gift from God. Growing in faith is a process. When we can grasp what Jesus has done for us it makes it easier to pass that grace on to others. The sycamine tree is used to help us comprehend the importance of forgiving down to the very root of issues. The bottom line is this - if you allow bitterness and unforgiveness to rule you, it will ruin your spiritual life and could possibly kill you. Rejection is the absence or the perception of the absence of meaningful love. It's the absence of unconditional acceptance. It results in the rejection of self and low self-esteem and, as a protective device, often moves into rejection of others. The purpose of the eradication of rejection is to experience the true love of God. Sometimes people just don't treat you right. You then have to fall back on the price the Lord paid for them, even if they aren't acting right. Randy profiles the many symptoms of rejection and the remedies for them. Shame is one of the many bondages the enemy oppresses God's people with. Removing the cloak of shame paves the way to put on the robe of righteousness. Prayer and ministry are provided throughout this entire message.

devastate every area of our lives. The healing of our soul - the mind, will and emotions doesn't happen the moment we are saved. It is progressive as we apply the Word of God, His Power and His Presence in obedience to the Word of God. Callie shares many Scriptures that tie our souls to a plethora of issues we need healing and deliverance from. The reasons our souls need healing is because we have been wounded. Sometimes the burdens of wounds will cause people to totally give up. That is how much power a wounded soul has. Jesus can and will heal us from every wound that we have. Callie explores different things that can wound our souls - such as sin, trauma and generational iniquities. Likewise, she identifies consequences when souls become wounded. Even constant complaining could be the result of a wounded soul. Soul wounds can negatively control our emotions. Callie shares glorious testimony of how the Lord healed her of multiple infirmities and afflictions that stemmed from a wounded soul. She gives identifiers to help us know if we have soul wounds that we can take to the Lord for healing. Service concludes with prayers of deliverance and healing.

17LHDVD12-5 - Randy Richey - SUPERNATURAL CREATURES - Donation \$6.00 - Why would God, who is the God of Truth, use fantasy, witchcraft, black magic or white magic to teach His people anything? God is not a mixture. Though many attest to fairies, elves, gnomes, trolls, etc. having supernatural powers, the power doesn't come from God. They are demons. If you entertain darkness, darkness will entertain you. Randy shares history, Scriptures, and personal experience to give the listener a "college crash course" on things you shouldn't be involved in, watching, give to your children or have in your house. Deliverance prayers and ministry are shared throughout this entire lesson.

17LHDVD12-6 - Callie Richey - THE SPIRIT OF JEZEBEL - Donation \$6.00 - We learn in this teaching about the roots, the effects and the remedy concerning this spirit. First of all, who was she? We learn that there are two Jezebels found in the Bible – one in the Old Testament and one in the New Testament. In 1st Kings 16:31 she is seen as an evil woman that marries King Ahab and they served Baal. However there was Elijah, a prophet of God who proved his God to be the true God against Ahab and 450 prophets of Baal, and God came thru for Elijah, making him even more the enemy of Jezebel and Ahab. There were many more chapters of evil in their lives eventually bringing death. The Jezebel in the New Testament is found in Revelation 2 where she is described as an evil woman who calls herself a prophetess, teaching God's people to commit sexual sin and eat things offered to idols. Callie goes on to discuss the numerous problems that the victims of the Jezebel spirit may encounter. Abandonment of the father, either physically or spiritually because of the control of a Jezebel in his life is a very prominent issue-especially in today's culture. Then what does the control of Jezebel teach our children? The maternally dominated family becomes the pattern. There are many other examples in this teaching. An absent father means the child has to learn to take care of themselves. But frankly most husbands and fathers are absent because of the controlling lifestyle of the wife and mother. What they learn from the Jezebel mom is how to be one. There is an emphasis on the mother in this teaching because its pattern is to travel down thru generation after generation. There are also male Jezebels but the majority are women. There may be bitterness at mom for causing dad to desert them. Sexual issues will usually be in the forefront because of the search for love...sometimes even in the father-daughter or son relationships. Is it any wonder our families are in such turmoil?!

18LHDVD3-1A & 1B [2 DVD Set - \$10.00] - Randy Richey - THE SPIRIT OF OFFENCE - The enemy uses offences as bait to lure us into a lifetime of bitterness, resentment, failure to forgive and even hatred. When we allow the spirit of offence to come in it becomes a hindrance to us. It causes us to stumble in our walk with God. You can start to be offended over the littlest things and when you're not healed, those little things that should mean nothing turn into mountains. There is a place in God's kingdom where we can walk and not be offended. Randy examines different aspects of offence. If you're easily offended there's a good chance selfishness is involved. There can be insecurities. David is a good example of one not easily offended - so was Jesus. We have to be determined to not be offended. Pray for those who offend you the most! It's good to say, "Lord, if I'm offended, show me where." Extensive deliverance ministry concludes this very practical teaching.

18LHDVD3-6 [DVD - \$6.00] - Randy Richey - JEHOVAH WITNESS & LATTER DAY SAINTS -

Randy speaks for the first 20 minutes on the door of hope and ministers to the people on hope deferred. Jehovah Witness and Latter Day Saints is a continuation of his series on Many Will Come. Randy states the root of Jehovah Witness is buried in Freemasonry. And though one has no knowledge of any Jehovah Witness in their lives or their bloodline, there is a great possibility the line contains Freemasonry. The falsehoods of Jehovah Witness and how it compares to the Bible are revealed in this message. Many people think Jehovah Witness is just another Christian group. But they have a totally different character they put the name of Jesus on. Discerning of spirits is what we need to know the difference between what is God and what calls itself God. Mormons lure people in by claiming to be a Christian organization and family oriented. Their friendly masquerade is one of kindness and love. The Mormons are very powerful in the world today because of their wealth. Be watchful about sending your DNA in for ancestry testing. Extensive prayer for renunciation and deliverance of both Jehovah Witness and Latter Day Saints is included with this message.

18LHDVD5-1 - Randy Richey - GRACE - Randy shares extensively on what grace means, concluding with his definition - "God's power in our lives that accomplishes God's will for our lives." It is a gift that has to be received by faith to accomplish anything. Grace gives us the ability to receive the fullness, breadth and depth of God's love. It is NOT a license to sin. By the grace of God we can be dead to this world and alive unto God. Throughout this entire message Randy stops at strategic times to lead the congregation in specific prayer concerning forgiveness, repentance, revealing of individual sins, ancestral sins, etc. Grace is extended to help us forgive. It takes God's grace for every detail of our lives. Randy asks the questions, "How much of your life are you living in your own strength?" "How much of your life is spent doing works that are good but not God breathed?" Perhaps we should be asking the Lord, "Do You have a better way than what I know to do?" We want to be God-sufficient, not self-sufficient! Much repenting and deliverance takes place within this message, paving the way for a deeper relationship with our God.

18LHDVD5-3 - Randy Richey - TRAUMA - Randy begins his message on trauma with deliverance prayers. Before he begins praying, he admonishes us to be sure we are saved and then to repeat the prayers after him. Randy then led us in prayer, emphasizing the power and willingness of God to carry out the deliverance. He says, passivity kills....that we must fight, resist the enemy, put our flesh to death and make God our #1 focus. Each area that he touches on in prayer, he then commands evil spirits to leave. We must learn to tear down these strongholds, the lies in our mind, and put in the truth, which is what God says. The description of trauma is a life event that may render one helpless or fearing for life. It may not be in your conscious mind...buried but still doing it's damage. Sometimes it causes amnesia or delayed recall, and some have replay over and over as happens in wars, prison experiences and concentration camps. Sometimes it's temporary and sometimes it's blocked out forever. It can range from slight depression to complete stupor. Regardless of the cause, we mustn't allow unholy judgment to take up residence. Take accountability, forgive, give it over to the Lord and be freed. Confusion, betrayal, insecurity, openings for sexual abuse, domestic violence, addiction and the list goes on - whether it is the source or the result, there is one remedy and that is our Lord's love, forgiveness and deliverance. Randy gives many more examples and more prayer.

18LHDVD5-8 - Randy Richey - WEAPONS OF WARFARE - The final service of this camp meeting contains quite a few "bonuses" as Randy put it. We won't list them all in this summary. The power of words, as a weapon of warfare, is given serious consideration in this message. If you really want some understanding, go to Proverbs and highlight every time you see "words" or "speech" and read how much God has to say. You will be amazed. After he completes the lesson on words, he makes the statement, "if you're words don't change, your life doesn't change." The greatest weapon of warfare that we have is obedience to God. On it, hinges the success of all remaining weapons. When you have a problem that besets you, get into agreement with believers who will stand with you to see you through to victory.

Sometimes the victory comes by doing something different. For example, if you have a problem with pornography don't open your computer without there being someone else in the room that you can be accountable to. Other weapons of warfare are the name of Jesus and the blood of Jesus. Never hide from your sin - repent and apply His blood. This message would make a wonderful booklet!

18LHDVD7-1A & 1B [2 DVD Set - \$10.00] - Randy Richey - WITCHCRAFT & OTHER SNARES -

Randy lays a Scriptural foundation for this teaching on witchcraft and other snares. People are looking for power. They are looking for something real. Sad to say for the most part, God's people have failed to display the power of God. The enemy is trying to mold his character into us and he uses all available resources he has. Children are being taught the power of darkness through movies, video games, television, school, etc. It is the responsibility of a parent to discern the source of what their kids are watching. It's not easy being a parent today but you are not your child's best friend - you're their mommy or their daddy! There are only 2 kinds of supernatural power in this world - if it's of God it is good. If it is of the devil it is not. Randy shares a plethora of information to instruct us, and help us understand and discern the cloaking devices the enemy uses in his efforts to fill us and our children with his supernatural powers. Deliverance ministry is included. (Visual illustrations are not shown on the DVD)

18LHDVD7-3A & 3B [2 DVD Set - \$10.00] - Randy Richey - RETURN OF THE DAYS OF NOAH -

We're not going to stop what is written - the Bible. What we're doing is fighting the enemy in the meantime for the sake of those who don't know Jesus. Randy's sub-title for this message is "Alien Scientists and DNA Altering the Image of God in Man." Eccl 1:9 "... there is no new thing under the sun." He states that everything that is going on has happened before. Using Gen 6:1-8, he shares his views on fallen angels, giants on the earth, Nephilim, sons of God and how they are connected. Many other Scriptures are provided in this lesson referencing giants found throughout the Bible. His research shows archeological structures that even today, with modern technology, would be impossible to construct. Search for "world governments preparing for aliens". It brings up current news that might surprise you. There's a reason these stories are about aliens. Randy uncovers the set-up and what's behind the schemes. If you're born again you have nothing to fear but you need to know who you are in Christ. The world is being set up to believe these things are our creators and will be what save mankind. Schools and colleges are already using this information to teach your children. So what's the point of all of this? Why should we know and what should we do? Get the teaching. (The DVD does not include any of the pictures referred to in this study.) Randy provides more than adequate material for you to do your own research.

18LHDVD9-1A & 1B [2 DVD Set - \$10.00] - Randy Richey - SO WHY FREEDOM? -

Before getting into the meat of this teaching on freedom, Randy takes some time to explain the critical importance and need in the believer's life for the Baptism of the Holy Ghost with the evidence of speaking in tongues. As he begins to minister on freedom he addresses the question, "What does the Bible say about freedom?" and then proceeds to share multitudes of Scripture from both the Old and New Testament. He points to New Testament commands that take the believer far past what the Old Testament required - focusing on attitudes of the heart as well as obedience. All of the Old and New Testament moral laws tie back to the Ten Commandments. He suggests to the listener that if you want to be free, you never want to justify sin - there can be no "but's". Some of the many freedoms Jesus provided at the cross include the way for us to choose not to sin, the provision to be delivered from demonic bondages, the ability to die to self and the desire to serve God in complete surrender to His will. Extensive deliverance prayers and ministry accompanies this teaching for those who want to be free.

18LHDVD9-3A & 3B [2 DVD Set - \$10.00] - Randy Richey - SPIRITUAL ORDER -

In part of this teaching Randy brings with great simplicity, a healthy dissection of body, soul and spirit and uses relevant Scripture to illustrate all. We are three separate parts - like our Creator - each part is different but inseparable from the whole. The end result is to be completely conformed to His image and likeness with all of our three parts lined up with His Word, His Will and His Spirit. We have to learn to win the battle between our senses, our natural thoughts and the Word of God. You have the deciding vote whether to be

under God's or the enemy's government. Example: lustful eyes and thoughts - only look at people from the neck up! Forget there are any other parts to their body. (This will help with unholy judgments as well.) Concerning family order - husbands learn what your part is - wives learn what your part is and put your spouse's part out of your mind except to pray. Your job is to get your part right! If you've dishonored your parents (even if they were dishonorable) repent so that it may go well with you. This message should be heard by everyone! If homes are restored to God's order, what a transformation would come forth in this land. We must respond to the fiery darts. Randy gives a great analogy concerning this. Anointed deliverance prayers and ministry.

18LHDVD11-1 [DVD - \$6.00] - Randy Richey - THANKFULNESS BRINGS DELIVERANCE - Thanksgiving is very important according to God's Word. First Thessalonians 5:18 states specifically that it is the will of God that we give thanks in all circumstances. Randy says the fastest way through a trial is to praise God...to be thankful for the things that God has already done for you. One Hebrew word used for thanksgiving found in the Old Testament, 1st Chronicles 16:34 means the acknowledging of what is right about God with praise and worship. There's another word used in the New Testament which means to give thanks...either in reference to the Lord or not to Him. Randy goes on to teach the importance of repentance and deliverance. He compares salvation/repentance to a shotgun prayer and deliverance to rifle shots....precise real honesty with God that is deeper and continual. As he continues to touch on the different areas, he then prays deliverance for each.

18LHDVD11-8 [DVD - \$6.00] - Randy Richey - CONFESSIONS FOR A VICTORIOUS LIFE - Randy begins by describing grace as God's ability or power to accomplish His will in our life. Jeremiah 29:11 says He has good plans for us. Our first confession may be that we want to look like Jesus because we love Him and want to please Him. However in deliverance, we are required to confess our specific sins and ask for and then to receive your forgiveness. We see both Daniel and Nehemiah saying they had sinned, their ancestors and the whole nation had sinned, asking God to forgive them. That is identificational sin which simply means we are interceding for them. Then Randy goes another direction...confessing what God says about us. Proverbs 18:21 tells us that death and life are in the power of the tongue. Our words need to line up with God's Word....not what we see or feel in the natural. Does our heart believe what God says? Whatever our issue is, financial problems, sickness, or just plain sin or rebellion, God has an answer for it. Speak what He says. You must respond to fiery darts, or they will continue to burn. So throw up the shield of faith, find out what God says and respond accordingly. Randy says that faith grows confession.

18LHDVD12-1A & 1B [2 DVD Set - \$10.00] - Randy Richey - UPROOTING THE ENEMY - Randy begins this session with a testimony of how he became acquainted with the deliverance ministry and ultimately Lake Hamilton Bible Camp. He goes on to point out that this is not a 'one shot deal'...that deliverance is a progressive lifestyle. He also emphasizes that it all starts with repentance. He begins his message with Jeremiah 1:8-10 where the Lord is talking to the young prophet. Randy says this scripture is the pattern for deliverance. We are to "root out, pull down, destroy and throw down"...this dismantles the enemy. Then we replace the work of our enemy with truth which sets us free. We still need healing...the wounds from past experiences. If we get delivered but not healed, we still have a problem. We may not have as many demons but there are still some areas that need attention, so now we build and plant". Then we get a blueprint for deliverance. He begins with forgiveness and repentance, both individual personal as well as identificational and goes from there, pointing out that it all must begin in the heart. Mark 1:14,15. John 3: We must be born again. Jesus said we must be born of water and the Spirit. Randy continues to lay out a pattern for deliverance and to walk us through it, giving scripture and declarations and ending in mass deliverance.

18LHDVD12-8 - Randy Richey - MOVING FORWARD IN THE LOVE OF GOD - Randy begins by reminding us of how even going to God for repentance is an act of faith and when that's finished, we are not to look back. The reward for repentance is cleansing. There's no progression while looking back.

Once we are forgiven, we must change our ways...thus changing our future. If we continue to lament our past, we'll repeat it. We make headway when we forgive our enemies, and pray for those that despitely use us. We waste time by thinking about the past. We must get it in our mind that His blood is enough! We've been cleansed and each time we go forward being more loving, we're being polished. Our heart change causes us to desire to do what Jesus says and little by little we begin to resemble Jesus. If we behave because we love Jesus and want to please Him, we'll be free, but if we behave because we don't like the consequences, we'll not be. Our check list is 1st Corinthians 13. Randy says that the deliverance part is easy but then you must walk it out...hear and obey. Love causes that to happen. First we receive it from God and then we pass it on. The fruit of the Spirit is the result. Galatians 5: tells us what love looks like. The love that we receive from Him is what enables us to keep His commandments. John 14:15, 23, Luke 10:27, John 13:35. He gives us the ability to love as He commands. John 17:26 Jesus prays, "that the love wherewith thou {GOD} hast loved me {Jesus} will be in them and I {Jesus} in them". Randy uses many other scriptures, did deliverance and then Callie, his wife came up and led us in declarations.

19LCDVD2-3 [DVD - \$6.00] - Callie Richey - THE SPIRIT OF JEALOUSY - Callie begins by first telling us that she has known this spirit quite well – naming it the angry eyed monster that was a raging fit-thrower. Numbers 5:14 talks about what happens when we become jealous for no cause. It is an evil spirit. She shows us that this spirit works together with envy. There are ways that we can open doors to envy and jealousy. It can be lack of trust because of a particular experience with someone or simply insecurity because of our past. She gives a very personal example of jealousy of the relationship of her husband and his son. She wanted all the attention. We get a very thorough list of symptoms of jealousy...some that we've all surely felt including grudges, suspicion, betrayal, competition, anger, hatred and many more...sometimes toward your self, sometimes toward others. Jealousy doesn't have to make sense. Insecurity usually is resident, causing an aggressive drive for self gratification. We believe this is who we are and always will be, having no idea that it is an evil spirit that can be cast out. We get precise descriptions of jealousy and envy and it's all about "self"...“I want what you have and I don't want you to have it...don't want to share either.” We are given examples of jealousy or envy in Is. 14:12-14 where Lucifer was jealous of God, wanting to be bigger and more powerful. Then we go on to Ezek 28:12-15 where we find the description of the anointed cherub - perfect - until iniquity was found in him...envy and jealousy. Then we look at Eve in the garden with the serpent who tells her that she can be as God...if she goes against what God told her. Envy was at the door and she let it in. This is just a small sample of the content of this message. Mass deliverance ministry follows.

19LCDVD2-5 [DVD - \$6.00] - Callie Richey - SAUL CONTROL AND THE ORPHAN - Callie begins by saying probably all of us have been controlled or have controlled others. She calls it a Saul spirit. We know that how we see our earthly father affects how we see God, our heavenly Father. Some have not been able to recognize God as a father because we were taught to revere and to fear Him which keeps our relationship distant and/or formal. In Rom. 8:15 we read that we have not received a spirit of bondage but a Spirit of adoption so we can cry Abba Father. Gal. 4:6 says because we are sons, God sent His Spirit to our hearts crying Abba Father. Abba is an Aramaic word that can be translated as daddy, a common word used to address their earthly father. This is a word that means there's someone looking out for me, taking care of me and really loves spending time with me and can't bear the thought that he would be upset with me but know he will forgive me and is proud of me and given me his name. This is the kind of relationship our Father God wants to have with us. Now we are going to investigate a wounded spirit damaged by a Saul spirit. The story of Michal, Saul's daughter is recorded in 1st & 2nd Chronicles clearly illustrates the pain of a damaged spirit caused by an angry, impatient, controlling father. Saul used his daughter to destroy David. His plan didn't work and David eventually deserted Michal to get away from Saul who then gave her to another man. Later David returned to claim Michal as his wife, taking her unwillingly from her present husband. The whole story makes it easy to understand her anger and disapproval of his dancing in the streets as he brought the ark to the tabernacle. She was hurt and angry, having been used by her father and by David. At this point, forgiveness was the necessary medicine but was not used. She reminds us

again of our good father, God. The rest of the message details the Saul spirit and the one who is controlled by that spirit. It's very possible to find yourself in one or both. Deliverance follows.

19LHDVD4-1 [DVD - \$6.00] - Randy Richey - THE EIGHT R's and SOUL TIES - Randy begins with prayer for God to touch each one in whatever area is needed. He goes on to say we are all here for the purpose of becoming more free...that it is a continual pursuit - a Journey ... from glory to glory. Just know that we are not battling alone. Our Father GOD is with us! We are not to be passive - go into battle swinging your sword, knowing that we have the Almighty on our side and His promises are "yes and amen". Randy then begins to detail eight R's that are necessary for our freedom beginning with Recognizing the problem, taking Responsibility and Repenting eventually ending with Rejoicing and Restoration. Next, we go into some detail on sexual sin and soul ties...what God's Word says. We are given scripture after scripture ... verses that give very specific guidelines for our sexual activity ... marriage, adultery, fornication, pornography, abortion, etc. This teaching gives many references in both the Old and New Testament concerning our moral behavior as well as what happens when we disobey. He notes that when we continue to disobey God's word, we'll be given over to a reprobate mind...that we'll believe that we are ok and our land will be defiled ... individually then corporately. He describes what happens when souls are knit together, how it can happen, that there are good as well as bad soul ties and especially the effect that the evil ones can have on us. This message is packed full of needed information beginning and ending with prayers of deliverance.

19LHDVD4-2 [DVD - \$6.00] - Callie Richey - REJECTION - Callie's husband, Randy, prepares the ground for her to teach by taking the congregation through submission, warfare, and declaration prayers. Rejection can be a great hindrance to healing. It is one of Satan's most effective forms of oppression and is the root to many problems. Callie encourages everyone to purpose to allow the Lord to deal with sources of where problems came in - even if it is painful. When a child doesn't experience the love of a father or mother, they oftentimes have trouble grasping the love of our Father God. This results in a need for healing of those childhood wounds. Many of God's people have experienced "identity theft". They don't know who they are in Christ. Callie shares relevant Scriptures to help one be established in the Lord. And with that, the statement can be made, "If I will renew my mind with the Truth of the Word of God, my identity will become anchored in Jesus. When that happens, I will not be made smaller by the enemy when I fail at something. Neither will I become puffed up when I succeed because all Glory is His. I will no longer need to defend territory." We have to reach the point that what negative things others might say about us or the enemy tries to make us think about ourselves doesn't affect us, because we know what God says about us. Turn the choice to be offended into an opportunity to pray for that person. They must have problems or they wouldn't behave that way. There is a realm of personal deliverance that comes when you can do this! She goes on to profile the rejection spirit, which can make one feel valueless or worthless because of the sense of being thrown away. One important thing to remember about rejection - it doesn't matter if it is real or imagined. It becomes real to the person, even when it is imagined. This entire message contains valuable truths to help understand and be free from rejection. Don't think because you have heard other messages on rejection that you don't need this one! You are missing out on some fundamental truths if you pass this one by. Deliverance ministry is shared at the conclusion.

19LHDVD4-5 [DVD - \$6.00] - Callie Richey - FEAR - This message is about what fear does to our bodies. If we can "get this" a lot of diseases, unnecessary anxieties and worries will be gone! Scattered throughout this teaching, Callie shares her own testimonies of the massive impact fear has had on her life physically, and the many healings she has experienced in the process of being set free. She talks about what fear is, how it works and how to defeat it. As she shares an extensive list of fear's characteristics, she instructs the listener to repent when they relate to one or more of the attributes. The purpose is to begin to come out of agreement with it. God did not give us a spirit of fear but of power, love and a sound mind. Unholy manifestations of fear in a human's life can include psychological problems, i.e. anxiety which is a direct result of fear. This produces its own set of related issues such as panic attacks, phobias, etc. That leads into the arena of physical problems which are directly and/or indirectly a result of fear. Some of

these can be stomach problems, feelings of choking, smothering, shaking, tremors, faintness, and dizziness. Jealousy, persecution, paranoia, heart disease and various physiological systems of the human body are discussed here. The impact that fear has on the organs and systems of our bodies is astronomical. We are created to walk in divine health and victory, but fear has been craftily working behind the scenes to cripple and deteriorate us, serving up both disease and death. The good news is that "we are fixable" in Jesus! Dig into the deliverance offered at the conclusion of this message. Your destiny does not have to be riddled with disease and drugs. Callie is a living example of that.

19LHDVD4-8 [DVD - \$6.00] - Randy Richey - THE MOST POWERFUL WEAPON IS LOVE - We begin by going to 1 Cor 13 which needs to be our mirror. Randy then led us in a prayer for God to grant us Godly sorrow that leads to repentance. Prov. 18:21 tells us that "death and life are in the power of the tongue." One of the reasons to revisit our past is for a testimony. We must be sure that our words agree with God's word. When we truly repent, we will change what we say. Decide what is truth by comparing it to what God says. Love is a fruit of the Spirit and when it is working, our character begins to change and love begins to multiply. Then, as with any fruit, it will feed others. We then discuss the different types of love and learn that the love that is the fruit of the Spirit is God's love - agape - unconditional love, that loves no matter what the situation or whether you're loved back or treated badly. Only God's love works like that and we can do that if it's the fruit of the Spirit. Then we touch on other fruit...joy that may sometimes have to be cultivated...work at it...then peace with God, with others and yourself... patience, long suffering, gentleness, faithfulness, kindness, self-control, goodness, temperance. The closer we are to God, the more we will think, act and live more fruitfully. Jn 14:15, Jesus said "If you love Me, keep My commandments." Vs 23 says if we love Him and keep His commands, He and the Father will come and live with us. Lk 10:27, says we are to love God with all our heart, soul and strength and our neighbor as ourselves. The greatest of these is love. If we love Him, we'll do what He says. Jn. 13:35, By this, men will know that we are disciples, if we love one another. Lk. 6:35, love your enemies, Lk 6:27 love enemies and do good to those which hate you. Several more scriptures are given that emphasizes the necessity of sharing the love of God with others as well. He closed with prayers of repentance and deliverance.

19LHDVD5-1 [DVD - \$6.00] - Randy Richey - AGAPE LOVE - Jesus loved us so fiercely that He took nails for us - He cared that much! After speaking a bit on the various applications of the Blood, he leads the congregation directly into some deliverance, clearing the way for them to receive God's love and to be a better vessel of His love toward others. To grow in grace, Randy suggests you take 1 Cor 13 and use it as a mirror and say, "How do I compare to this, Lord?" If you love the Lord with all your heart, mind and strength and love your neighbor as yourself you're going to obey all the other stuff! One of the things we need to get a hold of is that it's not about us (me). In our weakness He is made strong. He helps us love the un-loveable - if we cry out for His help. Love is the first one listed in the fruits of the Spirit. Where there is fruit, there is God! The measure of where we are in our Christian walk (how Christ-like we are) is how we deal with those who don't agree with us. For Christ to be formed in us, His type of unconditional love has to be received and pursued and given. Agape love is unconditional - it loves no matter whether the other person agrees with us or not. Jesus committed to the cross because we are worth it. He sees value in us and we need to see value in each other. When you commit to pray for the unholy, wicked, evil person that rubs you the wrong way, it will change your attitude towards them. You exchange unholy judgment for the love, grace and mercy of God. Remember, there by the grace of God go I (we). You can go through repeated deliverance and not walk in love, and your soul and body will be a revolving door for demonic oppression. Randy also shares hindrances to walking in love. Randy is a faithful deliverance minister, moving also as an evangelist and teacher to equip the saints. He concludes this message with more extensive deliverance ministry.

19LHDVD5-8 [DVD - \$6.00] - Randy Richey - PROBLEMS WITH FREEMASONRY - Before Randy gets into teaching on Freemasonry, he reminds us how important it is to not only be saved but to be baptized in the Holy Ghost with the evidence of speaking in tongues. Next he reminds us that there's nothing new under the sun. Then he begins talking about angels, saying according to Gen. 6:2 that the sons

of God saw the daughters of men and took them for wives. Vs. 4 says there were giants in the land and evil got so bad that God regretted that He had made man. He says that the technology before the flood was far more sophisticated than what we have today. There's a saying in the cultic realm, 'As above, so below.' Whatever is going on in the heavenlies is also on the earth. Randy goes on to explain the problems of Freemasonry beginning with the meaning of the signs...one being if you just live a good life, you can go to heaven...without Jesus. The G is supposed to stand for God. He tells us about their belief that man is evolving into Godhood. He talked about partiality and how Freemasonry influences businesses and government, mentioning the ring, handshake and the square. He goes on to name famous people who are or were Masons. Randy tells us that there is a certain Masonic degree that pledges to serve allah with a hand on the koran...some know they're serving lucifer. We end by removing all that is connected to a masonic vow and Randy prays deliverance.

19LHDVD7-1 [DVD - \$6.00] - Randy Richey - IDOLATRY - God says we are going from glory to glory. That means something has to change to put us at that next level. Generally, that something has to do with us changing! God's goal for us is to be made into the image and likeness of Jesus. God loves us just as we are but He loves us too much to leave us there! We are to live the life God puts before us - not someone else's life. Our number one enemy is ourselves - our flesh. Number two enemy is satan and demons. Our third enemy is the world's system. The thief commeth to steal, kill and destroy. Why would we want to help him? Be quick to repent and quick to forgive. We are spirit, soul and body. Freedom only comes when we are walking it all out. Just casting the demons out doesn't solve all your problems. That flesh is still going to have to be crucified. You are going to have to do something else with your body that is different from what you have been doing. Randy makes the comment, "If everything that we have been doing was working, we wouldn't be here!" Randy covers a whole plethora of potential idols in our lives and most of them are not false religions. Whatever you choose to do that is contrary to God, you are literally bowing down to that. The question is: "Do we take idolatry as serious as God does?" There is a reason He lists it as the first Commandment [Exodus 20:3] "Thou shalt have no other gods before Me." Randy concludes with extensive prayer and ministry for deliverance.

19LHDVD7-5 [DVD - \$6.00] - Randy Richey - SPIRIT OF TRAUMA - Randy begins by reminding us how important our words are and that if we would read a Proverb a day, it would change us. He then leads us in deliverance over some Proverbs reminding us to be agreeing with God's words and repenting when we aren't obedient to them. There was a disturbance at one point in the service that had to be dealt with and prayer was the weapon of choice. Randy then goes on with service reminding us that we must respond, not only with prayer, but with forgiveness. We must not hate or be in fear. Moving into his subject of trauma, we learned that it may come in various ways...accidents, any type of abuse, wartime experiences... anything that overwhelms us outside the range of normal experience. Firemen and policemen see things on a regular basis that may be a cause of trauma. We may not remember but it remains in our mind, sub-consciously causing emotional or even physical symptoms. Fear, anger, stupor, anxiety, agitation and stress can all be resident with trauma. We must battle to agree with God, fighting the lies, facing facts, but not allowing our emotions to control our life. The goal is that we get free and continue to walk in that freedom. He talked about rooms in a house...Jesus may own the entire house - but the rooms might not all be cleaned out yet. The anger and fear rooms may be clean but the rejection room is still occupied. So we asked God to shine His light on anything hidden. We still need healing of the trauma after we get the deliverance. There can only be total deliverance when we deal with the obvious and the hidden and walk out the requirements. However it is ultimately our choices that decide the outcome. Do we choose God's way or our own? Randy prays throughout the message and continues to pray deliverance at finish of message.

19LHDVD11-1A & 1B [2 DVD Set - \$10.00] - Randy Richey - RENOUNCING THINGS BY THE BLOOD OF JESUS - Randy gave instruction on how to co-operate with those ministering in order to receive. He begins his message telling us that he will mainly be renouncing things. He opens with Proverbs 28:13 which speaks of confessing and forsaking our sins. Is. 54:17 tells us that no weapon

formed against us will prosper. James 5:16 says the prayers of the righteous avails much. He then takes us thru prayers of repentance, forgiveness and blessing toward those that have spoken against us, calling out spirits that may have resulted. He also gives instructions on how to stay free. True repentance includes change of mind and change of behavior. We confessed our sins of pride and blaming God for not protecting us, coming against anti-christ spirits that cause us to blame Him. Hindrances to receiving deliverance are sin, pride, passivity, ungodly soul ties, fear, embarrassment, unbelief, apathy, lack of desire and lack of knowledge. He goes on to remind us in order to keep our deliverance, it's vital that we read God's word daily, fellowship with other believers....even if they don't believe the same as you do and we need to pray. Demons regain entrance thru an undisciplined thought life. 2nd Cor. 10:5 gives our instruction. We need to speak out...'life and death is in the power of the tongue.' We thanked God for giving us the Holy Spirit because it is the anointing that breaks the yoke. He continues this message by leading us in renouncing numerous areas of demonic influence and control, praying deliverance as he proceeds.

19LHDVD11-5 [DVD - \$6.00] - Randy Richey - THE FINAL SEDUCTION - The first fifteen minutes of this message Randy teaches that to walk out deliverance, we are mandated to walk in love. He takes the listener through repentance and deliverance, for the purpose of casting out spirits that block us from knowing the love of the Father. Next he moves into the subject of the title of the message. He prefaces that he has taught on this before under the title of Aliens, Scientist and DNA, but is renaming it to The Final Seduction. Ecclesiastes 1:9 "The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun." We must always remember that in Genesis 1, God gave man power and authority over the earth - God still owns it but He gave man dominion. Randy goes on to differentiate and give examples between sons of God in the Old Testament and sons of God in the New Testament. The premise here is the historical fact of beings that came from the sky, took women for wives, created giants and in most cases were cannibals. Genetically, Adam fell so the last Adam had to come out of the seed of the woman in order to redeem us. Randy states why it matters that we know some of this. It's not something to shift you from Jesus crucified. It is because "We've been lied to, historically, and God is a Spirit of Truth." And this is leading up to what is coming and already happening. The world says all this came from aliens in outer space but there is a Biblical explanation. Preparation is taking place to produce super humans. "And there is no new thing under the sun." Randy concludes this intense teaching, devoting the last forty minutes to a massive deliverance service.

19LHDVD12-1 [DVD - \$6.00] - Randy Richey - WORKS OF THE FLESH - THE ARMOR OF THE ENEMY - Galatians 5 is the foundation for this excellent training. The bad news is that we are born into a mess. The good news is salvation, and within that is deliverance. In the middle of all the bad news, Randy makes over twenty (20) declarations of good news. Additionally, you do not have to wait until the end of the message to participate in deliverance. It is injected throughout the entirety of the teaching. Randy identifies the flesh as our #1 enemy, the devil and demons as #2, and this world's system (operated by the devil and his demons) as #3. The devil is like the cheerleader for your flesh. No demon can make you do anything if you do not have agreement with it. Sometimes we inherit those "agreements". However, if your daddy was a fornicator, he never made you commit that same sin. You still had to be in agreement with it. We must repent and change our mind about the sin we are in or our ancestors were in. We then choose to turn. Randy illustrates this by physically turning his body to go a different direction. You decide to come into agreement with God, turn and begin to walk in the ways He has for us to walk. "As a man thinketh, so is he." If it's all in your head and never gets into your walk, you will walk in the works of the flesh. God's word is the plumb line for everything. But there are demons that are called out in deliverance, whose names may not be found in the Bible. However, they are real and have to come out in Jesus' name. There are works of the flesh that have demons that work with them. This message includes an in-depth look at the works of the flesh and the nasty rotten fruit they produce. It concludes with extensive prayer for the fruit of the Spirit to be produced in each one's lives.

and dominate the foe. That is what Jesus did. If there is no response from you, the fiery dart will stick. For some, passivity is killing them. The more permission you give the devil, the more power he has. Learn to be excited that demons have to go in Jesus name! If the weapons of our warfare are not carnal, what are they? They are spiritual and they are mighty through God to the pulling down of strongholds. What are strongholds? In a nutshell they are a demonic thought process, way of thinking or belief system that will cause you to act or behave a certain way every time. If you don't get the sword out, the sword doesn't cut. And the sword divides between good and evil. It's not a head knowledge that in Jesus name, the demons have to go, it's that you KNOW in your "knower". The victory comes when the demons know that you know. Therein lies your effectiveness. In the segment of this message that deals with the tongue and the words we speak, Randy encourages the listener to take a highlight pen and go to the book of Proverbs and highlight every single thing that pertains to word of speech. Get it into your soul the importance of what comes out of your mouth. Randy drops segments of his personal testimony into the contents of this message, producing practical truths that can help in your everyday Christian walk. Anointed deliverance prayers and ministry that you can actively participate in, conclude this teaching.

ANGELO & NANCY ROSARIO

08LHDVD7-13A & 13B – Angelo Rosario – WHAT GOD IS DOING - We must trust more in God than in our self. He says God has a sense of humor. An illustration is given of how God took a gang leader that brought peace among several races of people. Jesus never had a race except the human race. He came for all the races. Why do we ask for something we already have; freedom from demonic forces. Greater is He that is in us than He that is in the world. Your little finger can cast out demons if you believe. We are playing church. Matt 10:6 The church today is lost. The house of the Lord is in decay. God is putting something in us to be a warrior. Jesus came for the lost sheep of Israel. We are His sheep. We are being abused; the enemy is walking all over us and our families. And as you go preach, saying the Kingdom of God is within us. With our hands we have ability, tools of the Kingdom. You don't become an expert overnight but each day you become stronger. We have a battle because we are in the image of God and the Devil hates us. All you have to do is use God's power. Ask God to help our unbelief. Religion and denominations have destroyed the church. Listen to what the Spirit of God says to the church; God's Word. This war is a spiritual warfare that cannot be fought in the flesh. That is why God sent the Holy Spirit. Jesus came to save our soul. We get old and die. But as Jesus saves our soul we feel younger, healthier, etc. Preach God's love and God will put everything in its place in our families, friends, etc. God is real. He uses the illustration of driving a car to show how with use, you become a more observant, safe and expert driver. This is also true in spiritual warfare. You are warriors and you have got to be prepared. There are demons all around you and your house; powers and principalities. The Good News is that the gates of hell cannot prevail. The Kingdom of God is in your hands.

08DELTRDVD-9A & 9B – Angelo Rosario – DELIVERANCE FROM FEAR & ANXIETY - The things we don't understand we fear. God is able to deliver us from all our fears. There are demons out there that we are to war against. The enemy likes to put fear in our lives. It is a terrible thing to live in a condition that we do not fear the Lord. The Lord, our provider. I John 4:18 When we have God's perfect love in us we have no fear. Fear is a place we go where we have no faith in God. We have to train our people to not live in fear. The enemy tries to impart fear in the ministry. When you fall away from God, the pit of hell opens up. God told Moses, Joshua, Jeremiah and others, to fear not. The Lord is our supplier. Fear sometimes stops us from what God calls us to do. The only good thing we have is Jesus. We have authority to keep demons from coming in. If the Holy Spirit is not guiding us we cannot do what God is asking us to do. The name of Jesus will destroy the hosts of hell. Luke 10:7 every demon has to submit to the name of

Jesus. Meditate on the Word day and night. Is the Spirit of the Lord upon you? Rom 8:15-17 Die with Christ to be able to live. To be victorious we have to believe it. Rom 8:16.

10LCDVD2-2 – Nancy Rosario – NEITHER GIVE PLACE TO THE DEVIL - Eph 4:27 Demons are territorial. They must be evicted and then kept out – by keeping the door closed. We may need to fast to humble ourselves before God. If we do not take control of our bodies, the enemy will. Nancy split us into age groups and explained the different chapters of our Christian life – how we should be maturing as we get older in the Lord. We must become aware of our great need of Him no matter how long we've known Jesus. There are new battles and new wars in each age group. However Eph 4:18 gives us the promise of victory, saying He will deliver and preserve.

10LCDVD2-5 – Nancy Rosario – WOMAN OF FAITH - Study to show yourself approved. 1 Sam 1 & 2 We can learn a lot about how we should handle the issues of our lives. We find that men should only have one wife. We see Hannah seeking God in her grief over being childless. Women of faith face real problems. Vs. 1-19 some very desperate prayer. We see God not only giving Hannah her heart's desire, he makes her son a special vessel for God's use. Hannah kept her promise to God. Nu 27:11 – praying daughters asks for their share of an inheritance – and got it. A woman of faith will give Him the praise because she knows the source of her provision and is thankful.

10LHDVD7-1 – Angelo Rosario – HEAVEN AND EARTH - When the world was without hope, Jesus came - the Way, the Truth, the Life. When all around you is dark, God is able and willing to keep you, your children and grandchildren - even in the midst of evil, He will take care of you. If He is your Lord, your King, Lk 10:17 you are under His protective covering - safe in the storm - He'll take you through. Just keep in a place of prayer and trust. We have been given power over the enemy! No power on earth can stop you when you put your hand in God's hand. Don't allow the devil to lie to you anymore. Prayer follows.

10LHDVD7-5 – Nancy Rosario – SPIRITUAL FRUITS - Deliverance is FREE to everyone. According to Gen 1:27 we have been given dominion. However, the enemy comes when he sees us in a position where he may be able to entice us. He knows what the weaknesses are in us or in our family line. The serpent found Eve in the garden alone and tempted her with food - something we need - sometimes. Gen 3:6. Esau sold his birthright for a bowl of soup. However, we see in Gen 3 also that God will give us opportunity to repent. We are children of the kingdom - God has a way for us to be free. Repentance and obedience will always bear good fruit. It is our duty to resist the devil. Eph 6:11, Js 4:7, 1 Peter 5:8, Jn 5:16. Prayer follows.

10LHDVD7-7 – Angelo Rosario – OVERCOMERS - In order to be overcomers, we must overcome some things in this life. The enemy wants to destroy the image of God - His Life in us. No Jesus = no life. Rev 2:7 is telling the church to have a hearing ear. That speaks of learning. When we are separated from God, we are separated from each other and He has made us with a need for fellowship. We must stop speaking death and begin to talk LIFE! From death, God brings resurrection. Jesus has promised abundant life. Verse 17 says to those who overcome, there will be hidden manna, a new name written on a white stone. God is doing a new thing and we are here especially for this hour. We have been redeemed! Prayer follows.

10LHDVD7-13 – Angelo Rosario – GOD'S CHILDREN - What God created, He created for us, His children, to enjoy. He made man, woman, families, providing a way we could be victorious. By the seed of a woman, we could be saved - JESUS. God knew the enemy would be after us. There are different things in each of our lives that are trying to destroy us – trying to destroy the human race. There is one Holy Spirit but He is in all of us and is more than enough to bring a remedy. Just as a human father protects his children, so God protects us. The family structure is a gift from God. He has called each of us to a certain place to do a certain thing. Stay there. That's where the provision lies. Prayer follows.

JOHN ROTHACKER

10LHDVD12-1 – John Rothacker – HOLY NUTRITION – PART 1 - Nutrition is mostly ignored by the church but the 'world' is paying a lot of attention to it. Job 5:26, 27, says, we are to come to an old age in vigor – not die of disease. Bro. John says he saw his mother healed of a tumor but not arthritis, causing him to question, WHY? Why are Christians as sick as the world? His mother began to take supplements and within a month, her arthritis was gone. Can correct nutrition play a part in our healing at times? Ex 15:26 says if we hear, pay attention and obey God's Word, He'll put none of these diseases on you. This message gives multiple scripture references as biblical guidelines for our health.

10LHCD12-4 – John Rothacker – HOLY NUTRITION - PART 2 - Psalm 23 tells us that "the Lord is our shepherd." That certainly is a good thing! Our water is contaminated, our bread is cursed and fluoride is toxic. Pro 3:7 says to "Fear the Lord and depart from evil." When we are obedient to Him, He has promised to take care of us. Food can be a snare, a trap and a stumbling block. Perhaps we should get deliverance from church suppers. The Word of God gives us specifics as to what He made for food but even some of it has been contaminated. Sometimes we just have to eat in faith but still we need to be obedient to His guidelines. Ex. 23:25 says if we serve God, He will bless our food and water and take sickness away from us.

10LHDVD12-13 – John Rothacker – THE COMING OF THE LORD – PLUS - Our brother gives us some specifics on the benefits of natural herbs, spices, honey, etc. that God has provided. God has an answer for everything in the natural and in the spiritual. Many Christians want 'hands laid on' them for healing, and have not taken responsibility for what they should be doing in the natural, that God has told them to do or not do in the scriptures. Jesus is coming soon but we are not all ready. A seducing spirit is at work. There is a falling away and the appearance of the anti-christ before we are gathered together with Jesus. However, people will perish because of their lack of love of the truth, and deliberate rebellion because they love their sin. We've got to be righteous, holy and sold out to God.

MERLE SCHROEDER

12LHDVD4-3 - Merle Schroeder - VICTIMIZATION SPIRIT - The basic goal of being delivered from evil spirits is to become free to help set others free. Jesus heals the broken hearted. A Mother's Blessing and a Father's Blessing are wonderful prayers of healing, forgiveness and reconciliation. The spirit of trauma is one of the first spirits to afflict and torment us. It enters through shock. Fear becomes the strongman and many spirits are named under fear. They injure our emotional and mental health. In praying for deliverance first remove the ancestral roots and deal with unforgiveness. Command spirits out of the conscious and subconscious mind. The victim spirit operates with the predator spirit. Some spirits work at only certain times. In deliverance there is always more than one issue to deal with. A mind set needs to be changed. Thankfully Jesus Christ has given us power over all the power of the enemy. Merle prayed for the broken hearted. He offered the Father's and Mother's Blessings to those who gathered for prayer and concluded the message with deliverance prayers.

12LHDVD9-1 - Merle Schroeder - DEFILEMENT AND SHAME - This teaching expands our understanding of how these spirits in the enemy's arsenal are used to steal, kill and destroy the Body of Christ. Both defilement and shame are generational curses. Defilement means to make unclean or impure, corrupt perfection, violate chastity, make something unpleasant or contaminated. The purpose of the enemy in the area of shame is to put us in a position where we will be reluctant to use the authority God has

provided for us. Shame is a painful feeling of having lost the respect of others because of improper behavior or incompetence. It creates dishonor and disgrace. This includes inferiority, pride, anger, rebellion, rejection, fear of rejection, self-rejection, self-focusing, social fears, a spirit of competition, and sexual guilt. Issues of defilement and shame can bring a person to the point of feeling worthless and hopeless until one has no ability to go on. These are important factors as far as suicide is concerned. The remedy is definitely repentance, forgiveness of yourself and others and ungodly soul-ties have to be broken. Deliverance prayers follow this teaching.

13LHDVD5-7 - Merle Schroeder - GENERATIONAL PRIDE - This teaching is "breaking news" for God's people. Merle exposes the strategies of many previously unidentified demons. He attacks spirits of pride, Jezebel, and the political spirit of Herod and many goddesses as well as charismatic witchcraft and Wicca. Hundreds of spirits are identified and you have an opportunity to cooperate with the repentance and deliverance prayers and get set free in a marvelous way. Merle calls out the spirits that nourish the system of pride in us. Until pride is dealt with, Jezebel and Ahab and their nest of horrors will flourish. Think about this approach to how idolatry has been allowed to enter - we all have to get at our Catholic roots! Generationally speaking, we have all been Catholics from before the Reformation. The reason the enemy can work in us so freely is primarily because of idolatry and the worship of saints. We have to ask the Lord for forgiveness and go after deliverance to get rid of whatever is tormenting and defiling us. Deliverance is not an event, it is a walk and a lifestyle. Enter into the prayers of this teaching. Repent, renounce and begin to be conformed to the image of Jesus Christ. Prayers for deliverance conclude this teaching.

CHRIS SIMPSON

06DELTRDVD-1A & 1B – Chris Simpson – WHY MOST STUDIOUSLY AVOID DELIVERANCE

This message begins with a brief testimony of how God brought him into deliverance. It is this speaker's opinion that the reality of the God's supernatural is a rare experience in most churches today. Chris expounds on 7 reasons why Christians avoid deliverance by using 1 Samuel 13 as his text. Chris looks at why people avoid deliverance so we can avoid the traps and deceptions of the devil that could possibly knock us or others out of the way. There is a tremendous anointing for healing at the conclusion of this service.

06LHDVD12-4 - Chris Simpson - KICKING OVER A MAJOR SACRED COW - Chris begins by telling us people have their little "pet" belief system. We need to go to the Word of God like a little child and look at verses for their face value. Know the truth and the truth will set you free. Romans 6:14 gives us the key to be free from sin. The whole book of Galatians is about the legalistic attack of satan. Then Chris begins kicking over sacred cows. He gives us scripture and shows the sacred cows involved. For instance, he said being born again is not a guarantee of heaven. In Matthew 7:14 Jesus said narrow is the gate and straight is the way. A heresy started about 50 years ago that you should write in your Bible when you were saved and refer to it. Saved is eternal life not eternal event. Chris explains that Eve believed satan when he told her she would not die if she ate the fruit, so she ate it. People today believe the same way. If they don't think they will die for committing a sin, they do it. It is better to live a conformable not comfortable life. When you take up your cross daily, be ready to lose your life. You are a threat to demons. Our churches today are playing "tiddly winks". Witches and homosexuals, among other things, are accepted. No where in the book of Acts is God's love preached; it is His wrath and mercy. Whoops, another sacred cow! Chris gives several scriptures on eternal salvation and how to be eternally secure also with a definition of eternal life in Romans 6:22. Chris sums this teaching up kicking over a major sacred cow permeated in our culture. And the biggest one of all has to do with people's eternity. He challenges us to search the Word to speak to our spirit and be warned, admonishing us to wake up! The true gospel is a true believer must endure to the end and remain faithful to God in the Kingdom. Chris ends with prayer and congregational deliverance.

06LHDVD12-7 - Chris Simpson - CORRECTION OR DECEPTION - Chris teaches it is necessary to put ourselves in an environment where we can receive correction. Correction and rebuke are necessary to grow up in Christ. We never get too old for correction and reproof. The local church should be spiritual parental guidance for the family of God. Chris gives scriptures in Proverbs concerning correction and reproof. Also the definition of wisdom is knowing a need for correction. And a man's character is best determined by his acceptance for correction. We are to lose our life in the context of others to find our life in the Lord. God wants us to die to ourselves then He will raise us up in the newness of life. The purpose of pressure is promotion. He gives examples in I and II Samuel of David heeding correction and being corrected by those under his authority (Joab). Chris uses more references in Proverbs concerning the local church and danger of not listening to correction. He says our culture is an abusive culture. Chris concludes with prayer asking the Lord for forgiveness for times we have hardened our hearts to correction and reproof.

07LHDVD7-11 – Chris Simpson – WALKING IN RIGHT CHOICES WHEN YOUR FLESH IS SCREAMING – This is one of the finest messages we have ever heard on temptation. To repent is to feel so contrite about sin that you will not do it again. God is not impressed with our speech – it's what we do that counts. In the moment of temptation is when true repentance is glimpsed. Mt 6:13 and Mt 26:44, God knows how we stand, look into a hole and fall into it. Don't seek out a temptation – they will find you. Our daily temptations have eternal consequences. Examples used were Joseph – he resisted and saved a nation. David's son – yielded – and divided a nation. James 1:2 Have wisdom in the face of temptation. Sometimes God gives us "pop quizzes". When you pass you get promoted. I John 3:22 Our Father loves us all but gives greater responsibility to those who obey. Walking in the discipline of the Lord is being in God's favor. James 1:12 Blessed is the man who endures temptation. Grow up so your life will have reverberating results around the world. A prayer for wisdom follows. Chris, as always, delivers the message with humor that can make a hard word easy to receive.

07LHDVD7-14 – Chris Simpson – PAYING THE PRICE FOR POWER – In Luke 4, after Jesus' first sermon, they were ready to kill Him. God's ways and thoughts are above ours. Isa 55:6-9 Chris says we have superficial Christianity across our land. He explains teaching from the tabernacle. Using Lev 16, he shows we have outer and inner court believers. 1 John 2 – It is Satan's intent to keep God's people in the nursery. In each court we see the requirements, the anointing and the judgments. In Num 20:7-12, trivial disobedience got Moses and Aaron in trouble. They had higher responsibility, more accountability, and heavier judgment. 1 Chron 21:1-4, David, also an inner court guy, had a stiffer judgment – 70,000 died. Maybe you want outer court responsibility with inner court anointing. Are you willing to pay the price for power? Such as willing to fast every other day? David Hogan does and God raises the dead through him. We have been in the outer court too long. We are on a journey. The key – we are not doing what the Holy Ghost is saying – and that is that we obey Jesus!

07DELTRDVD-2 – Chris Simpson – OBEDIENCE IN AN AREA BRINGS AUTHORITY IN A REALM - Chris begins this session pointing out that obedience is a basic principle of Christian living. Teaching from Luke 16:10-12, he lists 3 facets of obedience: (1) Faithfulness in the little things. (2) Faithful with money. God will provide if you are faithful. (3) Submission to authority. Obedience is essential to deliverance. It is the opportunity to live in a higher realm. In 1 Samuel, David, who was faithful to defend the sheep from a lion and a bear, was later given an anointing to save nations. He first learned to be faithful with the responsibilities of the sheep. God is waiting for us to do exploits of faith. They release God's power. He is not going to equip you with much until you are faithful with the little. In 2 Kings 13:14-19, the passion expressed in a little act brought authority in the battle. How much authority and anointing do you want in your life? There is no limit in the Kingdom. How big is your vision? As you love, love will come back to you. God will send you to ones with similar needs that you already have victory over. The reward is Deut 1:21, "Behold, the LORD thy God hath set the land before thee: go up and possess it, as the LORD God of thy fathers hath said unto thee; fear not, neither be discouraged."

07LHDVD12-2A & 2B – Chris Simpson – THE BLINDNESS OF THE REALITY WE SEE – To introduce this teaching, Chris tells of a vision about a candle that he was given a couple of years ago for their ministry. The interpretation told him their ministry was out of balance. They have been teaching deliverance for many years. LHBC has been a “mother-ship” for his ministry in deliverance. But there is another side and that is healing. God gave Chris a Word - “go back to your roots”. He says the key to supernatural healing is compassion, moved with love. We need the Holy Spirit and power, as Jesus, who went about doing good. The definition of doing “good” here is healing all who are oppressed by the devil. Chris always believes it is Jesus’ will that we be healed. The pastor’s job is like going to a gas station and filling up your vehicle. The pastor trains us (fill us up) but then we are to drive our car away, using the fuel to go and do other things. The fuel moves your vehicle. Chris shares some of the teachings of Jesus from Acts 17 and Mark 6; Discipleship 101 and 102. In Mark 8:1, the Lord did the same teaching again because they didn’t get it. He tells us when we allow influences of our culture to come into us we become hardened. One reality we see is that it is harder to heal a brain stem than a headache - but it isn’t. In Matt 15:36, Christ is teaching the disciples a reality. Jesus has called us to heal the sick, raise the dead, cast out devils and cleanse the lepers. PERIOD! Chris closes this excellent teaching with Mark 8:17-21 – this rebuke is to you and me and is warranted today. We are blinded by the reality we see. The Word is given to reprove, correct and rebuke us. What is our calling? Wherever you go just say “I’m available” to Jesus. Chris invites us to go on a “healing safari”. He ends with prayer to open our eyes getting past the blindness of the reality we see.

07LHDVD12-5 – Chris Simpson – GOD LIKES YOU RADICAL AND FANATICAL – We live in a fog, a realm of darkness in this world but God has called us to live in the heavenlies. I John 3:22 gives us 2 conditions – 1. Keep His Commandments – love your neighbor as yourself 2. Do things pleasing in His sight – (a) one way is works you think are pleasing to Him (b). Heb. 11:6 is the second way to please Him – by faith which is the key. And the key to faith is persistency. Get out of the box and do faith exploits. Chris shares personal experiences of faith throughout this teaching. Chris gives more illustrations of being radical for God with radical faith. He explains the story of Jonathan’s faith and also another example is David and Goliath. God likes it when you are a “radical fanatical”. You’ll hear what “popcorn prophecy” is. Guess what? The world is your oyster. Jesus wants us out of our comfort level to be available to Him. God has called us to be radical. He gives more scriptures on this as Matt 9:1-2, Mark 2:4, Matt 9:20, 11:11. Acts 10:38 is our call. God is waiting for you. Matt 11:12 – bottom line is true faith is anything but wimpy. Chris prays for God to show us something radically fanatical to do. Concluding with last scriptures, II Sam 7:1-13 which is really where the temple was originated; in David’s mind. He was thinking outside of the box. The key is resistance. If it takes effort, the better it is for you. Faithful ones will get the rewards in heaven. The point he wants to make is do whatever is in your heart. What are you willing to do?

08DELTRDVD-4A & 4B – Chris Simpson – DELIVERANCE FROM RELIGIOUS SPIRITS – Luke 4 tells of Jesus first sermon; at the end they wanted to kill Him. Sometimes people who really get into deliverance end up weird or religious. The only protection is to be in humble fellowship with brothers and sisters who accept correction and accountability. One of the devil’s major attacks is pride; pride is the greatest thief of the anointing. Matt 23:1-12. Chris says “Jesus is the foot stomper; I am just going to step on toes”. Paul’s thorn in the flesh was to keep him from getting full of himself. To be a leader, you need to be a servant. Let each esteem others better than themselves. The religious spirit is so predominate today. Vs. 11 – true spiritual humility. Isa 65:2 – what God thinks of people with religious spirits. Matt 4 shows us evidences of religious spirits: vs. 2- tend to be judgmental - living by right and wrong and should be living in Jesus, vs.10 - they are exclusive. Religious spirits tend to be drawn to religious spirits. God has called us to be community. Christianity is meant to be 7 days a week. Vs. 32, 33 - religious spirits are full of unbelief. Four symptoms of religious spirits; find it difficult to quickly forgive people, quick to judge and slow to apply the same to themselves, tend to blame others far more than to take responsibility themselves and they often feel judged by others. Chris gives us examples of how religious spirits work in Luke 7:36-41 with key points. Jesus plus anything is demonic. Chris shares his personal Isaiah 6 experience and now he walks in the fear of the Lord. Judgmentalism towards someone is judgmentalism towards Jesus. Mark 14:3 – from the abundance of the heart the mouth speaks. Rom 14:10 is a picture of Paul’s freedom. The more grace the less legalism. Mercy comes as you repent - grace you cannot earn. Chris closes with prayer to break legalism.

08LHDVD12-10 – Chris Simpson – DELIVERANCE FROM PRIDE - Ps 36:11 Pride wants to get its foot in the door. Chris shares principles and examples of pride in this teaching. In Eph 4:27 'place' means speck. Prov 6:16 gives us 6 of "God's A-bombs". Prov 8:13, pride is often behind everything else. Prov 13:10 with pride you never get away from strife. Gen 4:3 a stronghold of sin. Cain was full of rejection. God said your problem is sin. Pride is a deadly, dangerous game to play. I Sam 25:2 in this story of Nabal, David and Abigail, Chris makes the account come alive to show pride and how God's sovereignty overcame it. Nabal was totally concerned with himself and totally consumed by anger. Pride is a protective shield to keep people from knowing you. The cure for pride is having lots of friends who are not impressed by you. In Gen 4 God stepped in at the anger stage. Cain had 'first born rejection'. Have you heard of a "helicopter parent"? It is when parents hover over a new baby. The next example with principles is in Job 32 – 41 Job is humbled but cannot yet hear. God is trying to get the truth to us and we are running from it. Discipleship is mentoring not just living your life alone; loving one another, sharing hearts, you get to be real. Safest place to be is in brokenness before Jesus. Chris prays for the love of Jesus, not pride, so clear crystal water can come forth from our lives and flow out to others.

MARVIN & KATHY SISTRUNK

07LCDVD2-3 – Kathy Sistrunk - "THE CARROT, THE EGG, & THE COFFEE BEAN" - Kathy tells a joke on the story of creation – how life is explained, to move into a humorous teaching you will not forget. She illustrates, with the carrot, egg and coffee bean boiled for 30 minutes in water, how each change and relates each to our walk with the Lord using scripture to confirm the comparison. We are called to be barometers (to change) not thermometers (to measure). We have to guard our heart and keep it soft and pliable. Deliverance is wonderful but better than that is getting to a point so you don't need it. Kathy encourages us to get Frank Hammond's book, "The Father's Blessing". She says it has a corporate prayer that changes your life, healing something deep inside of you. Examples are given of what blessing and prayer can do for others. The joy of the Lord is our strength. We can make a difference – be an encourager. Philippians 3:10 – our purpose is to know Him and become more like Him. Stay with the Word. God said it - that settles it - and I believe it. She closes with prayer.

07LCDVD2-5 - Kathy Sistrunk – "FAITH" - God can give you the Word and set you free and use laughter and have fun is how Kathie introduces this powerful teaching. She give us an interesting poem "Housecleaning Recipe for 2007" for our personal temple, including throwing out worrying, hate and I might, I think, I ought. Faith is the nature and Word of God. Everything we do is by faith. Faith has the power to make you what God wants you to be. Kathie explains the two functions that operate in the Spirit; faith which is the stronger and works by love and fear. Satan's greatest tool is the spirit of unbelief and he knows our weaknesses. She relates a beautiful story of a woman's dream. We should look at challenges for assurance of faith. Hebrews 4:2- the Word has to be mixed with faith. Kathie recommends reading the word out loud. She gives a parable about the rubber band. We are an instant society but God is not. God is the slowest person to always be on time. Remember Daniel who waited 21 days. Kathie tells the story of the ant which compares with "bulldog" faith that will not give up until you get the answer. Examples of we never know what God is up to as in story of Noah, Moses, Abraham, and Joseph. But Psalms 43:5 tells us to put our hope in God. He is working all things out for His glory. God does what he meant to do. She tells a delightful little story of how Plainview Texas got its name. We can have faith in what satan says. Faith is just believing something somebody says. God does not want us to have fear and doubt. The world bombards us with fear on every side and creates an atmosphere to pamper our flesh. Faith in God always takes you forward but fear will keep you in neutral, stop you or take you backward. Fear is putting a perverted faith in what you can see and touch. Faith you cannot see such as in healing, etc. Whatever is not of faith is sin. You don't need a whole lot; just use what you've got. Faith! Faith! Faith! Janie says her

teaching to you is to stir up your belief and faith. She ends this great teaching with congregational deliverance prayers against evil spirits.

07LHDVD7-2 – Marvin Sistrunk – THE CHOICES WE MAKE – Using the Biblical examples of Lot and David, and the results of the wrong choices they made, this teaching starts with the comment, “Sin will take you further than you want to go.” We make choices all day long. Do the ones we make effect our lives in a good spiritual way? When we make a wrong choice, do we dwell on it? We need to follow God and learn to make His choices. In Matt. 11:29, Jesus said, “Take my yoke upon you.” Marvin said the answer to oppressions is to say, “Jesus!” He told of the lady who sold her soul for a new house and when the devil came for his payment – it took many long hours of ministry before she was able to say “Jesus.” Many other vivid examples of choices are in this teaching. We choose to either serve God or satan everyday with choices on finances, marriage, and much more. We learn from the choices we make. When we make a bad choice to do call on God to help us? Also, we can learn from the mistakes of others and the choices they have made. There is considerable exhortation made to the young people with the ending to make the choice everyday to follow Jesus.

07LHDVD7-10 - Marvin Sistrunk – WHAT IS THE ROLE OF THE FATHER TO HIS HOUSEHOLD? – This is a very good message on family life, coming from God’s Word and many years of experience with a wife, several children and grandchildren. Eph 5:20-33 is the basis for this teaching. Jesus is the provider for all things. The husband is the provider for the family. He needs to learn his wife’s weakness and help her with them. He must seek God first. This is a big responsibility and he is accountable to God. If both work, he is to share in household chores. The couple must come into agreement on discipline of children and on all else. He must provide security for his family and be their protector in the areas of finances, priest and instructor. If a father fails to discipline a child, a bastard curse comes on the child. There is much more down to earth, practical instruction given on this CD & DVD.

BILL SMITH

07LHDVD4-4 [\$8.00] – Bill Smith – BUILDING ACCORDING TO THE PATTERN – Bill begins his message with the words, “God, bring me to the place you can trust me.” I Sam 2:35 – God wants a faithful priest – a “sure house” He can dwell in forever. God is on the move! From the flickering candlestick to the light of His presence, from Blue Cross/Blue Shield to divine health, from those who were on the wrong side of the tracks to Main Street, from fresh oil, to anointing, to His presence. He relates the process God has taken him through in learning: to trust and obey, repent and believe, to rebuild after a storm, to witness miracles that only God could do in Mexico and Fort Worth, Texas. This message is a demonstration of kingdom living with signs, wonders and miracles following those who believe.

07LHDVD4-5 – Bill Smith – GOD IS MAKING A MAN – “You are in training for reigning.” Bill’s opening remark provokes both questions and understanding. Psalms 17:15 summarizes the message ... I will make the choice to behold His face in righteousness – I will not be satisfied until I awake in His likeness. God is purifying His body. Through the refiner’s fire, pure gold will reflect His image. As yeast is co-mingled with flour and loses its identity, so will God’s creation become one with the Creator. The question is posed, “Why can’t I enter this destiny with my grandchildren like Joshua and Caleb entered the promised land?” The question deserves an answer – why not? Bill walks through the Word of God and paints the picture of an overcoming body who takes back what the enemy stole and lives to see His kingdom come on earth.

07LHDVD11-1 – Bill Smith – THE THRONE ZONE – Bill begins by saying, “We want to see Jesus,” and “God, bring me to the place where You can do what You want with my life.” Teaching from Rev 4:1-5, he states, “We are in the Throne Zone.” Today, Jesus is being released in His Body and God is saying,

“Come up hither.” We need the release of the power of God in the body of Christ. Bill asks the question, “Why is the church so full of showmanship?” Answer: “Because there is no anointing.” We must follow after the heart of God until He is manifested in our bodies, His likeness and His image, to do His work on the earth. He is bringing us into the realm of the Spirit that He has purposed from the beginning.

09LHDVD5-1 – Bill Smith – THE IN-CHRISTED LIFE - Bill was in Mexico in March and saw a man in a wheel chair healed by God’s presence. He tells how God protected a man in a truck from running off the end of an uncompleted road - where seven people had already run off and were killed. God wants the TRUTH revealed today – not religion - but God’s revelation. We are moving in the realm of the Spirit today; we are being beheaded. He is raising up carbon copies of Him - Jesus is in us. Hab 2:14 “For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea.” God is telling us to dig deeper into the rock, Jesus. He is removing the flesh nature to fill us with more of Him. He is the true bread and we are eating of Him to be an exact copy - to reign with Jesus Christ. We are being changed from glory to glory into the same image by the spirit of the Lord. There is no place for the enemy in our households, we have dominion. We are becoming just like Him. We are on the winning team. We haven’t arrived until we get there. This is a battle of warfare. Learn to separate the precious from the vile. Everyday say, “God wash me, cleanse me, fill me.” We cannot be satisfied until we awake in His likeness.

09LHDVD5-5A & 5B – Bill Smith – IT’S YOUR MOVE - God is waiting on you. You are not waiting on God. The hour has come for you and me. It’s your move! Rev 22:10 the time is at hand. We are overcoming the first death with the second death. It’s time we walk out of our limitations and into God. Rev 21:1-7 co-mingled together, living in the same Spirit, over comers. Phil 3:11 God’s telling us it is now. Don’t limit God. He is deity. We need to get all we can and can all we get. I Cor 15:20-22 we are children of light. In Adam, all die, in Christ all are made alive. Vs. 23, 24 there is a difference between authority and power. Bill gives illustration to explain. We’ve been given authority over all the enemy. God called us out. It’s your move! God doesn’t use “used to be’s”; He uses what is now. Rev 21:8 it’s time we move from the shadow into the substance. I Cor 6:16, 17, Rom 8:18, 19 it’s time that we show up in the authority of God. The last enemy that shall be destroyed is death. Where is the door? The Word says Jesus is the door! We are going to be set free, body, soul and spirit. God is opening up these seals as we read in Rev 22. Don’t limit God. We go in His power - not ours. Ps 66:10-12 God has brought us into a wealthy place in Him. God is ready for us to walk out on a limb and watch the tree fall. Speak the Words of God and He does the work. Remember God has already moved and it’s your move now.

TOM & DIANNE STONE

06LHDVD12-17 - Tom Stone - BLOOD COVENANTS - Tom begins by telling us this is a divine appointment to get a nugget from God. The blood was shed for you. But now you need to move on to your calling and do your job properly. Jesus says search and you will find. Seek and I will answer. We have to submit to His Spirit. God is good and real and He wants a lifestyle of communicating with Him. We need to be ministers in our families. They have a blood covenant with us. We must pray for those who are unlovable. The storms make you strong. A lying spirit brings fear of man, fear of judgment and fear of rejection. Listen, pray, dismiss it because you carry false burdens if you don't release them. This is called fibromyalgia. Listen to the spirit. Get a hold of His Word. We can't hear because we are walking in fear. That small still voice will turn away wrath. God is our defender. Tom shares that in I Corinthians 5 a story is conveyed in the first part of this chapter of a wound from incest. This will erase the blood covenant of Jesus if not confessed. This curse lasts 10 generations which is 400 years. He says secret sins are a blood covenant that keeps you from the other blood covenant. Pray for people that come against you. "If the Lord be with you who can be against you." Tom wants everyone to receive the real blood covenant. Jesus made the way. He closes with prayer breaking evil soul ties and blood covenants.

07LHDVD5-8 – Tom Stone – EXAMPLES – Tom begins this message with Jesus, who is our example to set the captives free. He prayed, “God, open our ears to change our ways.” He tells that children are for a reason – we are their examples and they are our pruning shears. He asks the question, “Are we a New Testament church?” You have the power to reject offense. God knows you. If you test God, guess what? He has the valve to turn up the heat. The Holy Spirit is continually working something in you and out of you. He asks, “How many have been down to Lodebar? That means barren – can’t hear from God. One reason is anger. It affects you mentally, physically and spiritually because you gave your peace away – the result can be headaches. The message concludes with a prayer for wisdom and for a spirit of discernment in order to be good examples of and for Jesus.

07LHDVD11-6 – Tom Stone – PRECEPTS – God’s precepts, laws and statutes apply today for our protection. We have to line up to Him – not Him to us. His Word is His Word – we don’t choose what to obey. We are told to do what He says to do. We have been negligent to know God’s Word and choices we have made that don’t line up to that Word have led us down wrong paths, with consequences that are severe. But God sent a deliverer – His name is Jesus. But sin (disobedience to His Word) must still be confessed, repented of and put under the blood of Jesus. Sit under a Pastor that teaches you the Word of God. It will bring freedom in your life. We are all living below the potential God has purposed for us. Going back to the precepts is going back to the heart of God. Remember, God can reach down a lot further than you can reach up. He really loves each one and is concerned but we still have to do things His way. Deliverance ministry concludes this session.

07LHDVD12-6 – Tom Stone – CONFUSION – Tom begins this teaching with Lev 18:1. He shares a word of knowledge for a closet where the door has never been opened. The Holy Spirit does things to draw you. As soon as you come under Jesus blood there the battle begins. The battleground is the mind. If you have had blood transfusions you need to break all soul ties. Tom read God’s rules for sexual conduct as told by God to Moses for us. God is concerned for His children. We can repent of our ancestors’ sins. We can be forgiven for our sins because of Jesus blood. God can set us free and restore things. Using a personal illustration, Tom spoke of being delivered from anger, saying it took more than once and it will with you too. A vagabond spirit – not feeling welcome any place; you may be spewed out of the land. God condemns sin but loves you and does not want you cast out. Jesus wants people who believe in Him and love Him. He brought us out of Egypt and now He is getting Egypt out of us. Relying on the Holy Spirit helps us live in an abundant life and helps a lot of people get free. Tom closes with prayer for breaking generational sins, binding religious spirits and many more.

07LHDVD12-15 – Tom Stone – SOUL TIES – Tom begins by saying it is not who we are but who God is. He said a prophet flew over this area and said it would be a safe place and to remember that. He recaps some of the week’s teachings and includes personal testimony, which leads to the subject of soul ties. Soul ties in the Bible are like Jonathan and David, they knitted their souls together and they loved one another. We need somebody to war for our souls. There are 2 or 3 ways we can make soul ties as we walk down through our lives. One way is just to look into someone’s eyes. But if you get in a confrontation with them, that is an evil soul tie. Gal 6:2 – bear one another’s burdens to fulfill the law of Christ. Soul ties represent a bonding of persons together, agape love. Eph 5:31 – this is a soul tie that is honored by God. There are 2 kinds here; one is come together in love, in one accord, a good soul tie. The other is an unhealthy one no unity, anger and wrath with your spouse. By breaking evil soul ties and submitting to the word of God you can restore families. The act of submission is emptying yourself out. You can’t break a good soul tie but you can break an evil soul tie. Tom shares examples from personal experiences. In a divorce there is great trauma and there are soul ties that need to be broken. I Sam 18:1- a good soul tie. Gen 44:20, a good soul tie is formed with a child and parent. Eph 4:16 – the church forms a good soul tie so that we can watch for one another’s soul. Good soul ties between parents provide security throughout the child’s life. Soul ties formed in the body of Christ are not only desirable but necessary. For they enable the body of Christ to mature and to fulfill its calling. We need to be able to come together and pray for one another and form these proper soul ties. But if we jump the fence we are making evil soul ties. Sometimes ministers need to

break soul ties with people they pray for because their garbage can get on them. It's a bad soul tie during deliverance but a good one right afterward. Good soul ties are founded upon love. Demonic soul ties are founded upon lust or anger or bitterness. Tom concluded with prayer and proclamation and deliverance to break soul ties.

08LHDVD3-3 – Tom Stone – COMMANDMENTS - John 1:1 – Tom starts with “in the beginning was God”. Deut 6:25, John 1. Tom asserts God spoke in the Old Testament and Jesus in the New Testament. All came from God. Tom says he believes the kiss of God to be deliverance. The Old Testament commandments lead to a longer, healthier life. Deut 15:5 – Know and listen to the Holy Spirit in the days ahead. We need to know the heart throb of God. Sin messes with your immune system. Sin causes us all many tribulations. We need to know what God says in His Word to us. We need to learn to do warfare in our sleep. When awake at 2 am, it may be God calling us to pray warfare. Once you name the name of Jesus you have entered into warfare. We need to change our vocabulary. Ps 103:18. We refuse to believe God's promises and gifts are true. Ps 112:1, Ps 119:19. Delight in His commandments. God blesses the strangers – even more so us. Tom gives two personal testimonies. Matt 15:9, Isa 11:2 – gifts of God's character. He gives us the ability to do what He asks us to do if we have Godly principles in us. Heed to what He says. Mark 7:7 – we have laid down His commandments for the traditions of men. John 14:21 Jesus says he who keeps My commandments is he who loves Me. Check out your reactions – are you praying for your enemies? Col 2:22 – to perish is to go with the doctrines of men. John 4:6 walk in love for life and more abundantly. Tom closes with some don'ts; don't eat blood, drink alcohol and others. Deliverance prayers follow.

08LHDVD3-8 – Tom Stone – PASSOVER & COMMUNION - Ex 12:1 – the beginning of Passover. Jesus died and His blood should be put on the mantels of our hearts or heads as it was put on the doorposts. And He puts His seal on us that even the demons of hell can see. Tattoos form blood covenants with the person who administered the tattoo. Ear piercing forms a covenant with the world. Luke 22:15 is the first place the Passover was shown before Jesus went to the cross. God wants to have communion with us with His love and His passion. He wants to pull us into the Holy of Holies. He deserves to hear our hearts. Tom asks “have you heard His voice?” He will get your attention. Rev 6:8 – we see the pale horse of death but God's people had the blood on the doorposts. We will not see the death angel. We need to pull down anger. Someone has to say, I refuse to get angry, in Jesus name; cast down vain imaginations. Tom shares a personal testimony of a wreck that involved time, patience and lots of forgiveness that resulted in a preacher going to Israel, preached in the name of Jesus and 500 souls were baptized in Jesus Name. Salvation comes by listening to the voice of the Lord. Do we respond to discernment by judgment or mercy? Say, Father, explain what you are trying to tell me. God wants to talk to us. You need money? Pray “God give me a job”. A key for problems is forgiveness so we can be healed. God has forgiveness for us so we can receive healing in our hearts. Sometimes we can respond with a spirit of bitterness. We need to take responsibility for our self, forgive and be forgiven. We do this the way the Holy Spirit says. The do's and don'ts will mess with you and your stuff. He will free us when we hear the voice of the Lord and obey. Let the wine press, press us. Tom closes with testimony of an illness from the result of being judgmental. God told him to let it alone. Tom said “Listen quickly to a doctor then go home and start repenting. Corporate deliverance prayers follow.

08LHDVD5-2 – Tom Stone – REPENT QUICKLY - Tom begins by giving 2 testimonies. One is about “bull knats with long teeth” and the other about “take care of your keys”. God wants us to repent quickly because everything we do and say affects us. Prov 18:21 – what kind of appetite do you have; to bless people or to curse people, especially children. We better be careful about the fruit we like to eat, in our mind, will and emotions. Matthew 12:36, 37 - if we condemn people what will boomerang back to us? What do you think would cause an ear ache? Anger in the household between spouses can cause it. Also hernias and varicose veins are caused from anger and rage. Matt 16:19 - if you live in fear it will manifest in you. Matt 6:9-15 - “in earth” means in us, forgive ourselves and our debtors. Matt 7:1, 2 - how much weight can we carry? II Tim 2:24-26 – the key is to repent and recover yourself. Take ownership of our sins

and faults and repent. You can be healed of anything that has ever attacked you. Tom shares many more scriptures concerning getting to the root of the problem, fear and anger. Prov 14:30 - envy and jealousy causes arthritis, osteoporosis, bone cancer. He closes this teaching with prayers of deliverance.

08LHDVD5-8 – Tom Stone – SOUL TIES - “I’m afraid to let my guard down” is a bad soul tie with yourself. We need to stop and change gears where we are. The first thing we ask for is love with protection. God is calling us into a deeper relationship with Him. God is the author and finisher of our faith. We need to make a firm soul tie with Him. Gal 6:2 is a good soul tie. How do you bear one another’s burdens? You listen to the request and bring it before the Lord. James 2:8 – love people, love yourself, this is a good soul tie. Eph 5:31 - marriage is a good soul tie. Matt 19:3-6 – this was supposed to be a good soul tie. God’s Word was built on relationships. The ultimate good soul tie is with Him. Tom gives 10 classifications of soul ties, 4 good and 6 evil with scriptures and explanations of each. 1) Marriage - a good soul tie 2) Friendships – good soul ties 3) Child/parent – good soul tie 4) Between Christians – Eph 4:16 - good soul ties 5) Demonic soul tie with a harlot - I Cor 6:16 6) Anger, rage with our self – evil soul tie 7) Perverse relationships – Rom 1:26-27 8) Inordinate affections - Gen 2:20 – with animals treating them like they are human beings - evil soul tie. Col 3:5 – an evil soul tie amounts to idolatry 9) Evil companions – I Cor 15:33, Pro 22:5 – a froward mouth – someone who is always accusing of something. Vs. 24, 25 – “loose lips sink ships”. Ex 20:12 - a death curse when you turn it around. Tom prayed to break this curse over all present. 10) Soul ties with the dead – Gen 50:10. Center your thoughts on Jesus. Tom closes with named deliverance prayers over all people present.

08LHDVD9-11A & 11B – Tom Stone – BITTERNESS - God will sustain you but you will have tests. Tom gives us a prelude scripture to the message, using Pro 13:3 and asks the question “How many want to live?” Pro 18:21 we can fall into unwanted situations real quick. Tom shares some personal experiences. If a spirit of bitterness stands there it will manifest and grow. Matt 12:36 sometimes we have a Pandora’s Box and we gather up all the words and they go into our hearts. If we keep these words they will cause bitterness. John 20:23 – we need to walk in this Word. Tom asks everyone present to repeat corporately, “I Choose To Remit Your Sins!” The key is the Holy Spirit speaking the word to you. And He will give you the right key at the right time. Matt 6:9-15 forgive and He will also forgive you. Forgiveness has power and protection. Who wants to walk in the kingdom of God? Forgive. Don’t forgive and walk in the kingdom of flesh. Matt 7:1 when does judgment come? When you refuse to forgive. Pro 7:21-23 is talking about hepatitis from sexual sins. I John 3:14, 15 – beware folks, of hating anybody. It is the act of murder. The spirit of bitterness is serious. The gall of bitterness sets up and will eat you alive. Tom closes with prayers of deliverance over all present.

08LHDVD11-3 – Tom Stone – SOUL TIES – Tom explores ten classifications of soul ties that can be operating in our lives as a result of various situations and relationships. Examples he touches on are with teachers, churches, false doctrines, marriages, not loving yourself, being determined to get your own way and many more. He talks about rejection, abandonment and gives practical advice for living an overcoming life. He concludes with prayers of healing, breaking of curses and deliverance.

08LHDVD12-18 – Tom Stone – JUDGMENT STARTS IN THE HOUSE OF THE LORD – Prov 18:21 Death and life are in the power of the tongue. Matt 12:36-37 We can speak life or death on ourselves. We will be held accountable for every idle word. How you apply your mouth is how you travel your walk. John 20:23 to walk in the Kingdom of Heaven – forgive! We have the keys to death hell and the grave. Matt 7:1-2 Judgment in the house of God. The tormentor can be anything about your body, from head to feet. Turmoil causes physical problems. Judge not lest you be judged; our choice. Rom 2:1 we condemn ourselves. The power of God can do some things but we have to be in the right frame of mind; the compassion of Jesus. I John 3:14 hate cannot be in the body of Christ. Hate and anger are the things that control the person. James 1:13 it is always pride or lust of the world that tempts. II Chron 16:9 God shows Himself strong on behalf of those whose heart is toward Him. Jesus says My yoke is easy (Psalms 26:2) and my burden is light. Try the reins of my heart. God is the Healer Prov 26:2.

09LHDVD4-6 – Tom Stone – GOD’S LAW - God wants to share His power and His glory with the church today. Doing things our way leads to idolatry. Come out of the church into the Kingdom; but you cannot come without forgiveness. No forgiveness, no salvation. Put down your selfish desires. If the righteous are barely saved, where are the rest. This is serious war! Lev 11:1 God is speaking. Lev 18:1-30 - list of incest related sins. Every family has situations in ancestry. Sin messes with your immune system. Keep teaching God’s ways from the cradle to the grave. Look in the mirror, see your faults, sins, etc. and deal with them. That is how to be an overcomer. Every voice in this pulpit is breathing out life to you. Prov 19:19 a man of great wrath must be delivered many times. Witness means you were there. What kind of witness do you have? Teach, preach, show the Christ that is in you. Come up higher and live. Deliverance prayers and ministry conclude this message.

09LHDVD5-9A & 9B – Tom Stone – THE LAW - We are dragging around baggage - our old self. There will be no old trunk or baggage in heaven. Mark 7:6 we are judge, pronouncer of the laws over us. We need to confess and renounce generational curses and be free. Repent, Jesus wants to make you whole like the one leper who returned to Jesus. We need a heart transplant. If you get free of anger and bitterness don’t go back and pick it up again. After a gall bladder is removed, the bitter gall remains and must be purged out to be made whole. What does your life put out? Murmuring and negative speech? The pride of life, lust of the flesh and lust of the eyes are killers. God’s Word is here to bring us into a personal relationship with Him. Repent of every little thing you have done. If you don’t deal with the person, or your problem, God will send you 10 more just like them or worse. Bind, loose and forgive. Tom shares a personal example of a childhood injury that resulted in anger and a physical problem. God keeps saying “grow up”, get on with the program. Today is a start of walking into the kingdom. Lev 17:10, Lev 17:1-15 – blood made atonement for sin. Eating of blood – makes beastly violent behavior, opens to demons in the physical and Lupus. Lev 18:1, 5, 9, 30 - laws concerning the family. Through repentance, forgiveness, deliverance, you can be set free. Abstinence is the best answer concerning sexual sins. Meditate on God’s Word. A deliberate sin is iniquity. Repent, break covenant with all sin. Tom shares a personal experience of prayer for a house and casting out a demon of suicide that polluted the land and tormented the lady who moved in there. Keep God’s statutes and judgments and we will live and not die. Deliverance prayers follow.

09LHDVD7-9 – Tom Stone – OBEDIENCE – It is important to not only know what God requires, but to do what His Word commands. There is grace, mercy and forgiveness available for repentance but sometimes we have to deal with the issues. It is easier to deal with the triggers than to reap the result after the fruit has come forth. In strife, the Holy Spirit departs. When we fight against God, we’ll always lose. God wants to look at us and see His own reflection. The kingdom of God is real and we can live there - now. Deliverance prayer follows.

09LHDVD9-6 – Tom Stone – SPIRITUAL LAWS - How hard is it to confess your sins? Gen 9: 21-27 The sin of incest has a 10 generation curse but Jesus is our answer and we can be free from that curse. God is not a respecter of persons and He wants us free from defilement. The curse shows up in illness, not fitting in, no roots etc. Legally, it can stay in a family for 400 years, or we can confess the sins of our forefathers as well as our own and be free. Let’s look at the remedy and get our eyes off the problem. Deliverance prayer follows.

09LHDVD11-3 – Tom Stone – SEXUAL SINS - God’s requirements do not change. He requires a holy people - which means we must be a repentant, obedient, forgiving, people. We deal with not only our personal sins but the sins of our ancestors which, in sexual sin can be 400 years. We want to be free and see our seed free and God has a way. He wants us free! We are His temple. 1Cor 3:16. We must forgive, then break curses and walk in obedience to His Word. Deliverance follows.

09LHDVD11-6 – Tom Stone – A MANUAL FOR THE BODY - We have learned that God desires to heal us. Provision has been made. It was never God’s will that we were dependent on doctors and hospitals. The saints of God are needing to ascend into a higher place. The question is posed, “Are we part

of the church or part of the kingdom of God?" There are no impossibilities with Him in His kingdom. We are limited by our unbelief and lack of knowledge. Is 11:2 Deliverance follows.

09LHDVD12-3 - Tom Stone - FREEDOM - Are we walking in the kingdom of God or are we walking in the church realm. God wants to have control of our lives. He will change us a little at a time. He wants us to walk in the love that comes from Him: Love God, love our self, love our neighbor. There's freedom in that! Unforgiveness is one of the things that keep us bound and in addition, it brings physical issues. If we want to be free in all areas of life, we must relinquish our hold on our life.

09LHDVD12-15 - Tom Stone - SEXUAL AND FAMILY SINS - Sexual sins are cutting our nation off from God's blessings. They cause confusion and insanity. We perish for lack of knowledge. Sin breaks down the immune system and opens us up to illness. Confess, repent and get free. How serious is it? God wants to bless us and free us from the curses. However, we must hear and obey His word in order for Him to bring life abundant.

10LCDVD2-3 – Dianne Stone – WOUNDED SPIRIT - Lev 17:11 The life of the flesh is in the blood. Your soul is in the blood. Prov 14:30 Sin in your body causes sickness and death. But Neh 8:10 says that the joy of the Lord is our strength. Prov. 18:14 tells us that a wounded spirit will manifest in our body. The blood of Jesus will set us free from all the old wounds. There is a secret place where we can dwell that is a safe haven - Ps. 91. Dianne gives many examples of problems in our lives and the results. However, Prov 4:23 says to keep our heart with all diligence. Are you preoccupied with your past? Jesus came to set us free. We no longer have to be victims! Deliverance follows.

10LCDVD2-6 – Dianne Stone – IMAGINATIONS - We first are reminded to keep our priorities straight - God being first, then our spouses, children and church. We can stay in Him - in the secret place in the midst of all that seems wrong around us. Can our family see something of Jesus in our life? We must keep our eyes on the goal - the higher place. Don't look back and take a chance on being crystallized like Lot's wife. Neither can you daydream about the future. Live in the 'now.' Stop imagining. The trials are for our benefit if we walk with Jesus. We lose when we quit. Count it all joy! Our imagination can take us where we think we want to go but the end may not be for our good.

10LHDVD5-9 – Tom Stone – ANCESTRAL SEXUAL SINS – Sin - whether it be yours or ancestral, messes with your immune system. Lev. 18 talks about sexual sin - incest in particular. God forbids any kind of sexual sin, including homosexuality and bestiality and there will always be a price to pay. Even if we are ignorant of the laws, we are going to suffer the consequences. However, God has made a way of escape - called repentance - whereby we may be free of the curse. We are to be a holy people. Deliverance from ancestral sexual sins follows teaching.

10LHDVD7-12 – Tom Stone – ABUNDANT LIFE - Deut 28 tells us how to be blessed - to live the abundant life. Infirmities, curses, etc. are the result of sin. We hear examples of how sickness attached itself to some who were in sin and to others who had been a victim of generational sin. Either way, we have an out. God has given us power over the power of the enemy and if we avail ourselves, we can be set free. Tom gives several examples. We must be willing to repent and turn from our sin in order to receive. Every day is a new day – one where we are given an opportunity to rid ourselves of sin in our lives and access a more abundant life. Prayer follows.

10LHDVD7-17 – Tom Stone – GOD'S LOVE - God uses us. We become His mouthpiece, His hands and His feet. Do we really believe that Jesus is all we need. What in you is really not of Him? Don't give away your birthright. The power of death and life is in the tongue. The abundant life is for us. God wants to open our eyes to a lot of things, but He must be able to trust us. He will not open up to us arenas where He can't trust us. Tom ministers prayers of deliverance both corporately and individually.

10LHDVD11-4 – Tom Stone - THE UNCOVERED SOUL - One of the ways a person is uncovered is to be unwanted. A child is aware of what is being said, even in the womb. But we need to know and understand that God ordained our birth and that we are wanted – by HIM! Jer 1:5 - We must renew our minds to that truth, forgive, remit sins and be reconciled. Unforgiveness keeps us bound to that relationship, keeping it strained and puts a barrier between us and the Lord also, keeping that relationship with Jesus distant. Much deliverance followed this teaching.

10LHDVD12-3 – Tom Stone – KINGDOM OF DARKNESS - Tom says we were all born in witchcraft - in darkness, in Egypt, disobedience, rebellion - and we need to be drawn out just as Moses was drawn out of the water - Ex.2:10. Rebellion grieves God. Heb 3:17, Judges 10:16. If God was grieved with His people then, how must He grieve over this land today? We are all guilty of areas of unbelief today. We can be changed. We can be free of the past, free of the fear of tomorrow, free to be all Jesus has called us for, because He has already paid the price. Deliverance prayer follows.

10LHDVD12-15 – Tom Stone – BREAKING SEXUAL BONDAGES – We are never without hope when we're trusting God. The weapons of our warfare are supplied - and they "are not carnal, but mighty through God to the pulling down of strongholds." 2 Cor 10:4, We are to be "bringing into captivity, every thought to the obedience of Christ." Even if there is incest between parents & children or between siblings or any other sexual indiscretion, we can be free. There are repercussions but there are also biblical remedies that we can access. No matter what our past has been, we have recourse. Stay clean and pure and "repented up." Jesus came to set us free. Deliverance prayer follows. The DVD has some audio problems at the beginning.

11LCDVD2-5 – Dianne Stone – THE TEN COMMANDMENTS IN THE NEW TESTAMENT - Dianne begins with Ex. 20 – The 10 Commandments and then Mt. 7 - where Jesus is continuing His instruction on how to honor God and treat others. We are in this battle together, one body. She begins to connect the teachings of Jesus with the O. T. commands going back and forth between the old and New Testament. This is God's work and it WILL be done His way. Dianne gives many, many scriptures defining the commands in the Word and telling us how vital it is to obey God. We are commanded to not only obey, but to obey with a pure heart and right attitude. She also points out the consequences to rebellion and disobedience. Be thankful to God because He is on your side. Love is the fulfilling of the Law. We obey Him because we love Him.

11LHDVD7-13 – Tom Stone – BEGUILE - means to charm, to divert – this is the method of the enemy – to entice by falsehood, maybe not a total lie but just to color the truth enough to mislead. Sometimes this happens in relationships ... friendships, marriage. We have been given power over the 'liar' and we must use it in order not to be deceived. In addition, it is necessary to not only discern the truth, but to forgive when necessary. Otherwise we become bitter and angry, opening ourselves up to diseases such as cancer and heart disease. Prov 19:19 says a man of great wrath will be put in prison ... not a natural prison but we'll be bound to the lie and the liar as well. Another issue we may deal with is pride, which according to Prov 16:18 goes before destruction. Deliverance follows.

11LHDVD9-3 - Tom Stone - BEGUILE - The definition of 'beguiled' is to influence, intentionally mislead, even to pass time pleasantly. Are we eating of wrong teachings? Are we being beguiled? Spend time with your children and have them tell you what they are being taught. Speak life to them when they come in from school. Speak life to each other. If there is hurt and disappointment in your children's lives they will hurt other people. Command the evil forces to leave. Anxiety, fear and stress are companions to anger. We all have hot buttons that God wants to defuse. Anger allows a spirit of witchcraft to enter us. Holding on to the gall of bitterness may be a cause of gall bladder and liver problems just as mental disorders can come from generational sins. Evil words of betrayal spoken by angry family members can cause physical problems in us, even while these family members attempt to beguile us into believing all is well between us. God wants to set us free from all these things. We do not have to be in prison in our

minds, sick or disabled. God is real and He forgives all. Deliverance ministry concludes this message. DVD has low volume.

12LHDVD4-6 - Tom Stone - LEARNING GOD'S LESSONS - Jesus is the answer to every problem. Thank God for restoring us from the damage to our lives which the devil had planned for us. For example, a parent even speaking about abortion causes a wounded spirit in their baby before it is born. That parent sees itself as a god the god of self. To get understanding of what curses and evil spirits are operating in you, pray through until God shows you what your ancestors have done. Generational things influence our lives today. Jesus went through trials. This is the time of year when God the Father said, "It is time." And it is time for us to get it right. If we get our minds on the world we will be destroyed. We will suffer mental torment. Only God can show you what has got you held down. Follow the instructions of God or you will operate in wild fire, possibly ministering in anger. Then the evil spirits will gang up on you and the Holy Spirit goes off and leaves you without the anointing. Walk into the shadow of the Almighty and stay there under God's protection. You never know what obedience brings. Get ready. The door is opening. Take us higher, Lord.

12LHDVD5-8 - Tom Stone - COMING OUT OF PRISONS - Be aware of your motives for getting deliverance. If you are really hungry for God your motives will be pure, not self-serving. In order to get out of your prison you can't just go to a fellow-Christian and ask them to get the discernment of the Holy Spirit for you. YOU ask the Holy Spirit what is keeping you from moving on in God. Be compassionate when you try to understand what is keeping another person locked up. Could it be rejection, criticism, hurt, abuse, being lied to, molestation in mind or body. It all puts you in a prison that is almost impossible to get out of. Once in a while a well-meaning fellow-Christian will try to help you get out of your prison. They will be eager to tell you what demons you have. That comes from a spirit of judgment ... the third eye. It is witchcraft. None of us is without sin. Do not be afraid to repent. Repentance stops the death angel from snatching you. Know His Word. Build up your faith in the Holy Ghost so what we say is not our words but His words. We are without excuse. We have within our bodies the ability to cause diseases or to be healed from them. Don't sit down and entertain judgment. Learn to pray through. Get caught up in the presence of Jesus where time has no meaning. If you don't like your life, ask God to recreate it. He will get you out of your prison.

RICHARD TATE

08LHDVD5-10 – Richard Tate – OVERCOMING - The harvest is really white and the laborers are few. Our life is about control. Who is going to have it - God or us? We are willing to share but God is not. We just want some kind of control over our life. Esther 4:11-14 - she had to overcome some facts. 1) May cost her life 2) Exposure - of finding out she was a Jew 3) She had a plan, it may not work out. Any way she turned, it may cause her death. God is a God of going through. We go around and around the mountain and dig a trench. God says "go through". God has a purpose and plans - this is your time. He wants to do it through you. We are works in progress. John 10:27 - say as Jesus did, "Father you have brought me here for this hour." Instead of trying to be an overcomer, just do what God is telling you to do. It is not about being an overcomer it is about overcoming. Heb 12:1 - don't get in a hurry, just finish it. Our eye can't be on the finish line but must be on Jesus. We overcome as we go; obstacles etc. II Cor 6:9 - we get up and go and that is the devil's problem. He can't get rid of us. You don't get muscles by sitting on the sofa eating popcorn or watching weightlifting on TV. You can't have a valley without two mountains. We are into signs and wonders in these last days. Hunger can be the most dangerous thing in your life. God is longing to bring a people forth. Be willing to let Him. It is time to break camp and move on. Richard closes with prayer.

08LHDVD11-8 – Richard Tate – BEYOND DELIVERANCE – When we close the door the enemy may scream but he can't come in unless we open the door. Then God puts us on the potter's wheel and when He

touches our flesh we pull back and open a “back door” to our life and make it so “someone” can come in. The spirits that enter the back door are more deadly because we invite them in and they make us feel good. We only want Jesus to touch the spots that offend us but we need to let Him touch the parts that offend Him! This is the time for preparing. He shares two positions he sees in the storm. He closes with a corporate prayer of confession.

08LHDVD12-8 – Richard Tate – RELATIONSHIP - We have responsibility when we open our mouth for what we say. Acts 17:10, 11, Matt 12:6, John 14:26. Richard says the text for this teaching is John 17:2 & 3. Relationship is where it is at and don't be afraid to tell God the truth. You don't go from hot to cold you gradually cool off. Richard shares some personal examples. God is not looking for us to react; He is looking for us to respond. We have to make changes in ourselves. We are priesthood. Rev 5:10, Ex 19 – kingdom of priests. What we do for God may not work but what He does with you does work; it may not be for you but for someone else. The hardest thing is forgiving yourself. Richard shares some personal testimony of how he was self-destructive before he met God. Richard's prayer is that God will show you who you are through His eyes. God straighten out our perception. You can help others by where you have been. He closes with prayer for everyone to listen for a word from the Lord.

08LHDVD12-19 – Richard Tate – COMMUNION SERVICE – NEW YEAR'S EVE - Richard teaches on worship. He says lots of worship leaders do not know how to worship. Psalms 100:4. Start thanking the Lord; enter His gates with thanksgiving, His courts with praise. Praise is a vehicle to get us to the destination of worship. Acts 15:13-16 - the Tabernacle of David to be re-built. God was looking for something not found in Moses' Tabernacle. In the Old Testament they worshiped before leaders; they bowed down to them; didn't have to feel anything. David made God approachable. There was no worship in the garden. David saw God for who he really is - His goodness. God seeks worshipers. The Old Testament worship is concerned with actions, the New Testament with attitudes. The essence of worship is found in Luke 7:37-38. God wants to show us a way to communicate with Him. Praise is a vehicle and worship is the end. This is where God wants us. God says wait on Me. Richard then goes to I Cor 11:26-33 where Paul gives directions for communion and Richard leads those present in partaking communion as 2008 ends and 2009 begins.

09LHDVD2-8SUN - Richard Tate – Sunday 10am-2-8-09-The Day of the Lord - Richard begins by telling us his text today will be from I Thessalonians 4:12-18. The term that seems to be used today is “rapture”. He explains there are many rapture theories. Rapture is really “the catching away”, to be snatched away. In order for there to be error there has to be truth. Richard shares 3 positions which most people take on the Day of the Lord. The first is “pre-trib” – to be caught up before tribulation begins. Scripture references include Matthew 24:20 and Revelation 3:10. Keep us through is easy as saying keep you out. Genesis 7:1, Daniel 6:7-9, 23. You will see Jesus when He comes one day. “He is the sky.” Matthew 25:5& 6. The second is “mid-trib” which is to be caught up half the way through the tribulation. Scripture references include Revelation 12:1-6 and I Thessalonians 2:1-3, 6. And the third position is “post-trib” – which is to be caught up at the end of tribulation. We will be changed in the twinkling of an eye. II Thessalonians 2:1-3, 6. Richard uses the parable of the 10 virgins to illustrate, saying this is where we are at now. Five of the virgins thought He was going to come sooner so they thought it wasn't a necessity to go through any kind of preparation. And when He didn't come they were not prepared for the long wait. Are we preparing to go through what is coming, because He is not going to take us around? And most of us He is not going to take home, He is going to take us through. We are going to operate in gross darkness. The only light there is going to be is the light in you. Don't let us relax and not let Him prepare us in the days ahead, for His coming; not only days of trouble but there will be days of glory. Jesus goes before us, He goes with us and He goes behind us and He lives in us.

09LHDVD4-8 – Richard Tate – COMMUNION – The 14th day of the first month was Passover. Exod. 12:6-8 lamb with bitter herbs was eaten. Vs.12-14 there is no fear of God in the church today. Passover was not observed for generations until the book was found. It is all about God; reverential fear. The devil would

like to kill us but all he can do is neutralize us. II Cor. 5:10-11 knowing the terror of the Lord, we persuade men. Phil 2:12 work out your salvation with fear and trembling. II Tim 1:7 this fear has to do with our conduct. Any church you are in, you are either a part of the solution or part of the problem. At Passover, the blood protected them from God. Lev 23:1-4, 27, Sabbath days are discussed. In every church there are people who will respond to God. I Cor 1:10-13; 3:1-4, 11:17, 20. Communion was an afterthought. As today, there was no fear of God. It's something we do. Vs. 21-27 – Repent - God give us Godly sorrow. Change us and we will be changed. The Lamb is mentioned 26 times in Revelation.

09LHDVD5-8 – Richard Tate – THE PROCESS OF PROMISE - Gen 1:1 says in the beginning God ... it's just GOD. We don't live like He is in us. In Gen 12:1-3 Abram knew God was talking to him. The Word is to give us peace with God not with ourselves. When God speaks to us and we get ready to go, not everything in our suitcase is good for us. God is more determined to get you in the Promised Land than you are. The wilderness is necessary in God's economy; this is where we learn. The children of Israel got out of Israel but then came the wilderness which is there to get Egypt out of us. They needed to learn war in a controlled environment; they needed to learn rest but don't get settled because they moved when the cloud moved. **We have to learn to trust God when He isn't talking.** We learn obedience by what it costs us. Sometimes obedience hurts; but it changes us. The wilderness is not the end. Half the battle is knowing that it is a tunnel from glory to glory and not a cave. Three things we must know for our journey; put on all the armor of God, stand fast - resist the enemy and ourselves, begin to let the Holy Spirit live through you. Richard shares more scriptures with illustrations - Josh 7:1, 21, Ps 26:2, Num 14:28-31. We need to be tested, to see where the wickedness is in us. In closing he says where does that leave us? We must be like Caleb who stood for his family and Joshua who stood for the nation. You cannot let God loose in yourself as long as you hold on to yourself. You must deny yourself. Whatever comes on you prepares you for the Promised Land.

09LHDVD5-11 – Richard Tate – ARE YOU A SOLDIER? - II Tim 2:1-3 there is no way to get away from real battle. Acts 16:1-3. The first soldier Richard shares about is Timothy. Timothy was obedient. God is not looking for generals, He is looking for soldiers. Any job that is honest is honorable. We must do all as unto the Lord. God's Kingdom is made up of servants, priests, warriors. It wasn't easy for Timothy to go with Paul. The other soldier Richard shares about is Mark. He and Barnabas were relatives and they were close. II Tim 4:11 these two young men, Timothy and Mark, were from different backgrounds but that didn't matter - they endured and were obedient. They did not start out having anything or doing anything, they just walked before the Lord and were soldiers who persevered. It cost Timothy to go with Paul. When you are in the army you have to watch out for each other. As a soldier you have someone who tells you what to do. Jesus always said, "if you keep My commandments". His enemies in the OT were His enemies in the NT. Both of these young men set examples for us. They persevered. It is not about how quick you can get there, it is that you get there. They never looked for position, title, recognition, etc. Richard shares personal experiences and examples of being a good soldier. John 14:26, Matt 12:43-45. In closing Richard explains about closing the front door and the back door of our minds to demons and giving Jesus the key. Rev. 3 – the front door doesn't have a handle on the outside. Watch your back door. Prayer for your "doors" follows.

09LHDVD7-13 – Richard Tate – WORSHIP – What really wakes people up is trouble. In Joshua we find that even though God had said He would drive out the Jebusites, the people did not overcome the enemy and began to worship their gods. We must do things God's way! Abraham had a relationship with God so that he knew when God spoke to him. God wants that kind of relationship with us - what He's trying to bring us into. Eventually we'll have to come back to Him and He's looking for roots as well as fruit. God requires that we learn from the hard places. He doesn't require that we win the race but He does require that we finish. Find out what God is after and take care of that.

09LHDVD9-1 – Richard Tate – MOUNTAINS, VALLEYS & PLAINS – In order to have a valley, there must be two mountains - one on each side. If there is only one mountain, then you have a plain. Ps 137:1 speaks of Zion, God's people in a valley of weeping. There will be crushing, breaking and ultimately death - again and again - from the mountain to the valley, then to the mountain again. Know that it is not

because you are living in sin, but because you are being prepared for the next mountain. God is changing your attitude so that you only need Him. If we stay in the valley, we're 'plains' people. We have to want to be changed and want our eyes opened – then God will complete the work in us.

09LHDVD9-8 – Richard Tate – WHY NOT YOU? - God says, if you're going with Me, you're not going to drive! Change happens without us even looking for it. It is not in the outer court, but in the Holy Place. Jer 1:1-10 God knows who you are. His calling is special. In Jeremiah's time, the people were saying one thing and doing another. God said the way out was to repent. We like doing things our way for the Lord. It's going to have to be His way or we'll stay in the outer court. The outer court people will not ask to come in until they see us change into God's image. We must choose to move with God into the Holy of Holies. He's calling a people for this time.

09LHDVD11-1 – Richard Tate - CHANGE-ONE STEP AT A TIME - We cry out for relief and God says, Wait - it's not time." He desires to do some things in us which will not come forth if He allows us to have our way. God has a purpose for His plan and our part is to humble ourselves and allow Him to do it His way. TRUST, yield and don't quit. Even Jesus learned obedience by the things He suffered. Heb 5: 8

09LHDVD12-5 - Richard Tate - RESTORATION FOR PURPOSE - God will not work His program on your time frame. God brings change & so does the enemy. We need to hear the right voice. The tabernacle of David has fallen – we have lost the glory. God wants to rebuild what has been lost but it takes time. God has eternal purposes. It's not about us - or even about the present - it's about His presence operating thru us for others. Mt 22: 14, Rev 17:14. Overcomers have overcome some things. 1Sam.17 says David ran to the battle - without Saul's armor. He had God's provision and he overcame. Be available, willing and obedient.

09LHDVD12-14 - Richard Tate - IN TRANSITION - Of what Spirit are we? The Holy Spirit will teach you all things - lead you into all truth. Gold has to be found, dug and purified and then formed into the desired product. Fit scripture to scripture, allowing yourself to be guided by the Holy Spirit. Richard also talks about the salmon and how, at the end of its life, it works its way back to the place of its birth, lays eggs and then dies. If we return to our first love and then die, allowing God to take over, He will bring His desired results. Help us to yield to You, Lord.

10LHDVD5-2 – Richard Tate – WHAT IS YOUR PRIMARY GOAL? – When you enter a cave, it may be by yourself. Elijah did. At the bottom, where you find yourself, repent - for God has an elevator. Flowing water will wash out the rust in the empty pipe that we are – let God flow. We teach children how to be good because the sin nature is in them from conception. We have plenty of knowledge but God gives us life. His life changes us - if we cooperate with Him. Is your goal to be that empty, washed out pipe that God can operate through? Mt 11:28,29. Let's walk where we are and not always be looking at where we want to be. Jn 17:3, James 1:12

10LHDVD7-2 – Richard Tate – INDEPENDENCE! REALLY? - Richard says this message will not win friends - hopefully it will influence people. It is never popular to talk about death. He believes the deeper the death, the higher the resurrection. Jn 17:2,3 eternal life is to know God and Jesus whom He sent. That's grace. 1 Cor. 6:19,20 says our body is the temple of the Holy Spirit. We are bought with a price. Maybe you're legally His - but does He own you? Perhaps we need to learn a little more about slavery and get out of the independence mode. There are several good illustrations included. Prayer follows.

10LHDVD9-2 - Richard Tate - LEARN OF ME - Mt 28:11-30 'His yoke is easy and His burden is light' When we're first born again, it's an easy time - no cares, just peace and love. However, God has a plan for your life. He's taking you somewhere. What we need to do is stop trying to figure it out and just go with Him. Let's start over today - allowing Him to take us. In the coming storm, there will be no time to prepare or get to know Him. We must be ready - in tune with our God - able to hear and quick to trust and

obey. Eph 4:30 says “Grieve not the Holy Spirit of God.” He is grieved when we aren’t walking closely with Him. Col 3:15 (Phillips) “Let the peace of God rule as an umpire in all your decisions.”

10LHDVD9-10 – Richard Tate – RESTORATION - Rev. 3:4,21,22, God is looking for a people who are willing to go up the mountain to hear what He has to say. If we hear what the Spirit is saying, we have hope. Someday we will see and know the person made in His image - the one He created us to be. In the 1500’s, God began restoration of the outer court - faith by belief in Jesus. In the 1900’s, holiness was more in the forefront than salvation; restored altar, laver, then the holy place, priesthood and the baptism in the Holy Spirit. In the 1940’s, the Latter Rain movement – Jesus - the shewbread. The 1960’s brought praise and worship. Richard goes on to detail where we are now and where we’re headed with a description of process, the cost and the results.

10LHDVD11-8 – Richard Tate – AMEN! SO BE IT! - God is everywhere but sometimes He withdraws and we have to call out to Him. The enemy will challenge the ground taken and it is up to you to hold your victory. Sometimes we just want relief – not to just stay free. Hold on to God and His word until the end. Amen is a universal word – past, present and future. The word is in the OT 74 times & the NT 54 times. Amen - “So be it.” It’s agreeing with God – going His way, standing with Him. Mt 17:20 says if we have faith as a grain of mustard seed, nothing shall be impossible to us. Faith brings ‘so be it’ into the present.

10LHDVD12-2 – Richard Tate – IN YOUR HEART OF HEARTS – Phil 3:10 “That I may know Him....” Do you know God? Do you recognize His voice? He said that His sheep hear His voice. We must! The answers we need may not always be obvious. If the Bible was all that is needed, God would have given Adam one. But He came and walked and talked with Adam in the garden and He wants to come and walk with us too. Are you in that type of relationship with God? When you hear a voice, do you know who is speaking to you? If you keep company with Him, you’ll stay on the right track – no compromise. You will want to please Him. Prayer follows for a love-slave relationship with God. The DVD has some audio problems.

10LHDVD12-16 – Richard Tate – TO THOSE WHO HAVE A HEART TO KNOW - God is going to have a pure people but it is costly. There are conditions but there is also promise. We are called to be a kingdom of priests. Deut 5:1 Moses was called to stand between God and the people. To be a priest, you have to hear from God. Acts 15:12. We know that God speaks to those who will hear. He wants us in close to Him – not on the outside edges. A higher place is available. 1 Pet 2:9,10. Are you really satisfied to stay at a distance, listening to what God tells others, taking a chance on falling away? There has been a better way prepared just for you. It may be a hard road to travel, but there’s still joy on the journey!

11LHDVD4-2 – Richard Tate – HIS KINGDOM – FOR YOU TO KNOW - Richard talks to us about ‘Pipe Theology.’ God pours thru us – pushes the junk out - pours in the good. We are the pipes. The Holy Ghost is determined to get us to where God wants us. Acts 1:6-8. There’s a vast difference between the spiritual kingdom and the natural kingdom. We know that ‘strong delusion’ comes when we do not love truth. 2Thess 2:11 It is not enough to know the truth - we must have a love for the truth. Count the cost. God wants to have relationship with us. It’s good to know the book, but much better to know the author. God takes us thru but the choice of whether to go is up to us. Be stiff-necked or be changed.

11LHDVD5-2 – Richard Tate – FOLLOW ME - In Jn 21:22, Jesus speaks specifically to Peter ... follow thou Me. This is a decision made alone. The disciples knew Jesus because they followed Him – stayed near Him. In vs. 15-17, we see the difference in how we love. We start out as servants and progress to friendship. Servants get rewards but friends have a heart involvement in what is happening. Jesus said, “Feed My sheep.” We must die to ourself and follow Him. Love, forgive, and walk in harmony with Jesus. Be a worshipper or you’ll have trouble being a follower. Let God do something through you.

11LHDVD5-11 – Richard Tate – MOVING FORWARD - God has a variety of ways to look at truth. It's dependent on who or what He's looking at. It's like a building – There may be four builders, doing four different sides of the same building – depends on the angle from which you are viewing but it's all the same building. God likes variety and He'll use anyone. He's never locked in to a particular pattern. Even the misery we go through can be a good thing and it has limits. The summarization of this week's messages were; Christ in you, Christ in me. The services were progressive as God spoke and built on it all week. With a mixture of humor and sincerity, we heard what God said this week. We are reminded that God chooses the procedure that works on each of us, - no cookie cutter techniques. No patterns!

11LHDVD7-14 – Richard Tate – WE BELONG TO JESUS – We need to hear the Lord! We're past the 'tipping point'. However, as long as we stay with Jesus, we have hope, even in the darkest of days. Richard gave testimony of a recent deliverance that he experienced that came a total surprise – something was brought to the surface that he never would have thought existed. It was so deeply engrained that only God would have known it existed. This is a time when God is going to go deeper than we thought possible. Have you ever told God something and then He called you on it? We have to watch our words ... sometimes even those we sing. He will take you at your word. We have a window of time. We're ordained for this time and for a purpose. It is transition time – God is moving and things change when He moves. We make choices, how far we want to go with God. We must get to a place where we are familiar with the author and not just the book. We either stay with Him or fall by the wayside. We make that choice.

11LHDVD9-7 - Richard Tate - TESTIMONY - When God gives you a prayer, something will happen. Some very religious people know the Bible but not the Author. It is a good day to know the Lord. Jesus wants to get at our motives. We have to get close to Him or it is all useless. When He tells you to go ...pack it up and go. Richard shared God's dealings with Him in his younger years as a drug using hippie. He was delivered from cigarettes, liquor and drugs. God will apprehend you where you are. Richard's heart was changed overnight. Jesus says, "Follow Me." The Truth is a person. Don't worry about what's coming on the earth in these times. Ask Jesus to prepare your heart to follow Him. What God asks from you in war time is what you have promised Him in the time of peace.

11LHDVD9-11 - Richard Tate - GOD'S HOLY CALLING - To be in God's presence is all that matters. He wants to break us from our thing so He can do His thing. We are to be a Kingdom of Priests and a Holy Nation. We are spirit beings with a soul in a body. God will rebuild the tabernacle of David. The Outer Court and the Holy Place are places we are not to dwell in but are to pass through. How much of ourselves will we give Him for Him to produce Himself in us? Some refuse God's gifts. Some want God to take the gifts back. Some never use what God gives, and some misuse what God gives. Will we be servants, friends, or sons? To what degree will we allow a relationship to develop? The sons live with Him in the Holy of Holies. Where will we finally pitch our tent? Will we work for Him, with Him or in Him. He has called us out of darkness to live with Him in the Holy of Holies. This Priesthood is a warring Priesthood. Jesus wants to take a people through the veil into the Holy of Holies.

12LHDVD5-2 - Richard Tate - WHERE ARE WE GOING? - We know the Word pretty good but we don't know God too good. It is the unknown we have fear of. Cease to do evil ... then you will do good. We are chosen to be in the end-time. Are we looking up or are we looking down? We are seated in the Heavenly Places. We are to be looking down on our earthly situations, problems and concerns from Heavenly Places. Who then is to rule us? The old man of earth or the heavenly man? God's intention is for the spirit man to rule. God has a will and a purpose for your life. We have power and position. Start looking WITH God. See things as He sees them. He takes us through, not around our problems - there is where He changes us. He sent an army after the Israelites every time they backslid. Without a progressive vision the people perish. Go with the peace of God but move. God is moving all over the earth. He is looking for an army. We are it. Darkness does not dispel light. Light dispels darkness. It may not be what you are saying to someone that touches someone's heart, but it is God's Holy Spirit flowing out of you into that other

person. We are here for a reason, not to be just fat and happy. We want to be wherever Jesus is because that is where we want to spend eternity. We are not what we used to be but we are not what we will become. Jesus says, "Follow Me ... choose Me."

12LHDVD7-6 - Richard Tate - ATTITUDES - Richard gives his testimony of how he had been looking for God's peace in the world. Then one day Jesus came to him and changed everything. In a Teen Challenge meeting God spoke to him saying, "Follow Me or I will never speak to you again." He quit taking drugs and gave away all his stolen clothes. The Holy Spirit led him to a Samoan church which took him in. After marriage to Mara, about three years later, he had a great need. A man walked behind him and prayed about what was tormenting him. Later, he was singing, "Not by might, not by power, but by My Spirit", saith the Lord," and he had a vision of a mountain with a path by it. There was a sign on it saying, "Relationship" God showed him the mountain he was singing about and which represented this problem that had been tormenting him, was hollow. He has purpose for each of us. The things He does in our lives are eternal. He wants to reach through us to those who cannot help themselves. Our attitude determines how we walk and He changes us whether we like being changed or not. As we wait on God we will be changed.

12LHDVD9-7 - Richard Tate - JESUS LOVE CHANGES YOU - When God deals with you, you are going to be changed. Nobody ever met Jesus and stayed neutral. Something happens when you meet the Master. Holiness is not imparted to us, He works it into us. We cannot comprehend the real love of God. Jesus is God indeed in all His splendor but He is not afraid to lower Himself to redeem a relationship with us. He's not afraid of the truth from us. He will start with the truth and will build from there. Jesus is wrapping things up. He's calling out a people. He wants to share His glory and vision with us. He's going to bring a group of people, His family, into the Holy Place. The key is in the book of John. Here's how you tell the difference. John followed Jesus without hesitation. Peter followed him but he had questions. John simply had an ear to hear and he followed. Some churches do not ever intend to follow Jesus. They need a real hunger for God...to be really open to the leading of the Holy Spirit. God always hears the cry of His child. That's how the Godhead is. He's just as much God now as He ever was and He wants to bring us up into Himself where we will be changed into the image of His dear Son.

12LHDVD11-6 - Richard Tate - WORSHIP IS AN ISSUE OF THE HEART - You cannot worship God with your intellect. True worship comes from the heart. The core of Old Testament worship was, 'Who do you bow down to?' It was about power and fear for them. New Testament worship reveals the beauty of a love relationship between our God and each of us. God calls us a peculiar people, His royal priesthood. That is what we are to be to Him. Ruling and reigning with Him means we are within the royal family. There is one King. No one else took sin for us. And that is why we long to worship Him alone. We come before Him with thanksgiving and praise in the Outer Court. Spirit-filled people minister to Him in the Holy Place. There the gifts of the Spirit are released. There we enjoy the wonders of His glory, the majesty and beauty of His holiness. Then God tests us to see if we are satisfied with these blessings or do we want Him? Will we settle for something less than Him and knowing Him for who He is? The Father seeks those who will worship Him in spirit and truth.

13LHDVD5-8 - Richard Tate - RESTORATION - God is concerned with our attitudes but He won't change them. However, if we are cooperative, He will walk with us in the process and the enemy will be forced to give ground. God has a plan for this time and you and I are part of it. Things will probably not be the way we have imagined. He chose Jeremiah to be born at a certain time to carry a particular word to His people. But He told him ahead of time that it would not be a popular word and the people would not receive it. However, Jeremiah's part was to give the word. He was not responsible for their response, only for his obedience. God has a plan for our restoration and also for future generations. We have allowed God's gift and promises to fall through the cracks. But God has not forgotten and we are still responsible to hold to His word. Acts 15:16 tells us that David's tabernacle will be restored. Our freedom from the past is paid for. Liberty = forgiveness and freedom from our past. Deliverance = freedom from demonic oppression. The

way has been made for restoration for ourselves and future generations and we are part of His plan to bring the kingdom to our children and our children's children. Jer 34:17 talks of God's wrath but Is 58:6 reiterates, "Is this not the fast I have chosen...?" "It's time.

DEBORAH VAILS

15LHDVD5-3 - Deborah Vails - EXPOSING & DEFEATING THE SCORPION STING - Isaiah 59:1-5 and Luke 10:19 give us insight into how much the Lord hates sin. He has given us power, authority and the right to walk in His strength to tread on our enemies. Every time God frees us, we have more authority to go on the offense against the devil...that slick, sly, cunning, intelligent creature. The devil works on our minds. He is relentless in his schemes to entice us to break God's commandments. The sting of the scorpion means to pierce by stinging with his tail. That sting opens a wound and is an entry point for the enemy to inject deadly venom into his victim. The intent is to destroy that person by way of temptation, deception, accusation and destruction. Satan tempts us through our senses and imagination. Portals open wide when we yield to sin. Deborah exposes many defiling strongholds of the enemy. The stings of the scorpion are hostile to all virtue. So forgive everyone, renounce and repent of every sin and surrender to God completely. Allow God moment by moment, day by day, to cleanse our lives and keep us obedient, pure, holy and walking in His Holy Word so that when we rebuke the enemy, he has to flee. Deliverance prayers follow this teaching.

16LCDVD2-3 - Deborah Vails - WALKING IN FREEDOM - Donation \$6.00 - Jesus came to set the captives free. The closer we get to Jesus the more we come out of darkness. He brings us out of darkness so we can be a blessing and comfort to others. God has given each one of us a call and a purpose for our life. We must not allow anyone to discourage us with words of doubt or scornful looks. Jesus will equip us with His divine nature to accomplish His purpose. II Pet 1:3-11. "He has given us all things pertaining to life and godliness through the knowledge of Him." His divine nature is faith, virtue, knowledge, temperance, patience, godliness, brotherly kindness, charity. This is walking in freedom, victory and harmony with the Lord. We need to understand that our heavenly Father loves us completely, so come boldly to the Throne of Grace. When you feel overwhelmed, remember that Jesus is interceding for us continuously. Remember that the Father sent the Holy Ghost to be our teacher, our comforter, our guide. As we learn to walk in freedom, we realize that we are part of the family of God and we need one another. Let us apply the inspired Word of God to our lives so the enemy will be exposed. Walk in freedom in the light of the Lord.

16LCDVD2-5 - Deborah Vails - DEFEATING THE ENEMY - Donation \$6.00 - This teaching is about 13 attacks used by the enemy and the counterattacks to use against him. 1) ACCUSATION (Attributing blame) Ask God to vindicate you. 2) BETRAYAL (Robs us of trust through the violation of covenant) Forgive and release love. 3) CARNALITY (Pleasing your self) Rule your flesh by the Spirit. 4) COMPROMISE (Make concessions) Do not give in or give up. 5) DISOBEDIENCE (Refusal to come under authority) Submit yourself to the Lord. 6) ENTANGLEMENTS (Caught in a web that will stagnate development) As God sets you free, stay free. 7) FEAR (Used to penetrate faith and will keep you from your potential) Pray for power, love and a sound mind. 8) GENERATIONAL CURSES (Defiant disobedience by our forefathers) Break every curse, chain and shackle. 9) BAD HABITS (Having no time for devotions) Diligent discipline. 10) IMMATURITY (Lack of wisdom and emotional development) Grow up. 11) LUST (Strong desires of the flesh and cravings of the soul) Mortify the deeds of the flesh. 12) PROCRASTINATION (Putting off what God gives you to do) Just do it. 13) SABATOGE (Causes malicious destruction of an individual or a work) Ask God to strengthen and encourage you.

16LHDVD11-2 - Deborah Vails - DISMANTLING DEMONIC STRONGHOLDS - Donation \$6.00 - We must first identify demonic strongholds, expose them, and take them apart. PRIDE (Leviathan): disobedience, rebellion. LYING: gossip, tale-bearing, flattery, slander. FEAR: torment, anxiety, worry.

17LHDVD5-2 - Deborah Vails - REFUSING THE SPIRIT OF FEAR - Donation \$6.00 - "When you're walking in fear, then your love ain't right!" (1 John 4:18) The mantle of Agape love is found in 1 Corinthians 13. Fear will cause you to miss the potential God has for you. We don't have to be afraid of the enemy/demons because God has given us power and authority over them. Fear will cause you to run. It is rooted in "phobos" (phobia). Deborah puts numerous fears in the crosshairs and shoots each one of them down with the Word of God. She addresses certain signs and symptoms of fear and then prays deliverance. You can be delivered by participating in these prayers!

17LHDVD5-7 - Deborah Vails - A JOSHUA LEADER - Donation \$6.00 - Deborah delivers a prophetic message that is for everybody, but states it is specifically for Bro. Merrill Miller, the director of Lake Hamilton Bible Camp. The Word that comes forth is from Joshua 1-4. God is the one that places the anointing on our lives. As we continue on in the Lord, God will bring out of you what is in you - for His plans, purposes and glory. It's all about relationship. If you have been called to be a leader, you have to KNOW that God is with you! Though Moses was the one that had led them those forty years, Joshua was the one appointed and anointed by God to take the children of Israel into the promised land. Deborah identifies several points that God spoke to her out of the book of Joshua for a Joshua Leader. When you are called of God to be a leader, you must first have been a follower. A leader's life is one of submission and servanthood. They are not aspiring to be a leader. They didn't ask to be a leader. They are appointed and anointed by God.

17LHDVD9-3 - Deborah Vails - FLESH vs SPIRIT - Donation \$6.00 - Everything is not a demon. Some things we choose to do. You can't attach it to a demon when you've made the choice to do wrong. The reality of carnality is that it will keep us from our spiritual potential in the Kingdom of God. You can choose to walk in the Spirit or you can choose to walk in the flesh. As the Spirit of the Lord frees us, God wants us to walk in that liberty every single day. We are not in debt to the flesh! When you really close the door, don't open it again. Deborah breaks down the works of the flesh so there is no excuse for ignorance of what these are and makes it clear that they who do these things will not inherit the Kingdom of God. This is a strong but needful word for believers today. The time to repent and change is now.

17LHDVD9-7 - Deborah Vails - DRESSED TO KILL - Donation \$6.00 - You can't play with your enemy. When you are in the military they teach you how to fight. God wants to dress us so that we are prepared - armed and ready to battle. Jesus did not shed His blood on Calvary for you to walk in defeat. The Bible says we are to "tread" on serpents and scorpions and all the power of the enemy. We have authority and we need not let the enemy keep taking us down. Discipline is required if we are going to function in the army of the Lord. The army that God is constructing is one that He can both call on and count on. If you're a prayer warrior, can He count on you to pray in the middle of the night? Can He count on you to get up and seek His face if He calls you? In order to fight effectively we must have a thorough understanding of our armor and how to use it. Deborah uses experiences from her time in the military to highlight similarities to being in the army of God. One of the key components to serving in God's army is obedience. If you don't have orders from the Holy Spirit to go, you don't go. Don't jump rank. God has an order, a chain of command and there is safety in that. This message is full of common sense that will help you be a better Christian. It has something for believers of all ages.

17LHDVD11-3 - Deborah Vails - BUILDING A SPIRITUAL HEDGE - Donation \$6.00 - Many times we think of hedges and walls as ways to keep things out. However, God gives us points in His Word that help us build a spiritual hedge to help us become stronger in Him and His Word. Hedges are scriptural and are made to set boundaries to protect you from intruders, to buffer or hedge from obstruction by enemies, and to keep foxes or trespassers from breaking the wall. We want these hedges up to where the enemy stays out and the Lord stays in and we get closer to God. The closer we get to God, the further we get away from the enemy. In this message, Deborah gives us ten hedges - starting with spending time daily in God's Word. God's design to communicate with man started in the garden but the enemy sought to break that. Some of the other hedges are renewing your mind, prayer, moral consciousness, our words and several others. As we seek God for these hedges in our own lives, our children and grandchildren will benefit. This message speaks life and encouragement to the hearer.

17LHDVD11-7 - Deborah Vails - THE POWER TO TREAD - Donation \$6.00 - Luke 10:19 is the beginning text for this teaching. God gives us power and authority to do His will - not our own. Moses is used as an example of God's timing, power, position and placement. No matter how the enemy attempts to thwart the plans and purposes of God, He is the final authority and as we put our trust, confidence and faith in Him, the power to tread is a done deal. If we could understand all that God has for the body of Christ the enemy would not be able to triumph over us, because we would take the full authority which God has given us. The key 'take away' from this message is that you are triumphant in God and you are an overcomer, because "Greater is He that is in you than he that is in the world." There is clarion call going forth to bring God's people back to prayer, back to the altar, back to repentance, back to Him. We must learn to hear the voice of God for ourselves. Sister Vails flows as a teacher, evangelist and prophet.

18LHDVD3-2 [DVD - \$6.00] - Deborah Vails - THE PURPOSE OF PRAYER - The gathering in the upper room found them all in one accord, waiting on the Holy Spirit. They needed this helper and we, as Christians today, continue to need the Holy Spirit to help us. We all have a responsibility to pray. The purpose of prayer is to determine God's will in a matter. He's calling the church to pray, to wait on Him to give us direction to know what to do. Without the direction of God, who is really leading? When we get connected in the Holy Ghost He will show us how to pray. Prayer should be our priority and our lifestyle. Jesus is our example: He came not to do His own will but that of the Father's. Additionally, He ever liveth to make intercession for us. Stay in the pocket of prayer and watch God move! Prayer is ministry to the Lord. Prayer causes your spiritual eyes to be open so you can see in the spiritual realm. Birthed in prayer, this message reveals twelve different purposes of prayer and is a call for ALL believers to be stirred to a deeper life of prayer.

18LHDVD3-7 [DVD - \$6.00] - Deborah Vails - DIMENSIONS OF PRAYER - Deborah give seven points concerning the dimensions of prayer. They are the prayer of confession, thanksgiving, worship, meditation, petition, intercession and persistence. God does not look at the length of our prayers but at the sincerity. In order for us to be victorious in our Christian walk we must stay built up. This comes by us praying in the Holy Ghost. If you are baptized in the Holy Ghost you should pray in tongues because the Holy Ghost knows how to pray when we don't. (Rom 8:26 & Eph 6:18) Only the Holy Ghost knows God's thoughts. When we flow in the Holy Ghost we will know the mind of God. It is important for us to walk in the Spirit daily so we don't fulfill the lusts of the flesh. Keep communication with your Heavenly Father and most of all, keep a fervent prayer life. In doing this you will be able to minister to those in need and God will be glorified in your life. Be inspired by this message on prayer.

18LHDVD9-5 [DVD - \$6.00] - Deborah Vails - THE BODY WAS MADE TO HOUSE NOT TO LEAD - Deborah began this service with prayer for our president and our country...a prayer we all should hear and pray! Then she begins to teach, going back to the beginning where God - Father, Son and Holy Ghost - made man in His image...a body, a soul and a spirit. Man has so perverted God's creation that it has come to the place where it is hardly recognizable. This teaching gives us an in depth view of the difference between the fruit of the Spirit and the works of the flesh using many scriptures. She also noted that works

of the flesh can become a demonic stronghold in our lives. How important it is to keep ourselves clean according to God's Word! It's dangerous to allow the flesh to operate in our lives. When we do this, the body is leading. It was never meant to lead. It was created to house the Spirit so when it is leading, it is the enemy of God. No flesh will glory in His presence. The meeting ended in mass deliverance with many being set free.

18LHDVD9-6 [DVD - \$6.00] - Geri McGhee - BARRIERS TO HEALING - Do a word study on plague, disease and sickness and read those Scriptures. You will see that God can and does allow sickness. Geri has seen so many miracles over reading the Word of God and repenting for the things God shows her. She goes so far as to say ninety-nine percent of the deliverance she has received over the last fifty-seven years has come by repentance through the Word of God. If you have not received healing after following the instructions in James 5:14-16, then ask the Lord to show you what the barriers are to your healing. For example the word disease comes from "dis + ease" so any place you are not walking in peace can open you up to sickness and disease. Geri shares over 30 possible barriers to healing and most of them are detailed with corresponding Scriptures. Prayers for deliverance and healing are included. (There was an electrical problem during the recording of this message and approximately 10 minutes was lost. Don't let that deter you from obtaining it. Excellent teaching!)

18LHDVD11-3 [DVD - \$6.00] - Deborah Vails - DEFEATING WITCHCRAFT & PERSONAL CURSES - We have to be very careful about what we say. We can be caught by our words. Gen 12:1-3 is the premise for this teaching. After examining a thorough definition of "What is a curse?", Deborah shares some examples of curses in the Bible. Some times, when things keep going wrong, it's because there is a curse in effect. It's important to pray. We must know God through prayer. He will reveal what we need to know in order to break free from curses. This "sure word" is given to the church - not the world. It's time for character assassinations to end. No more Christian cannibalism! Christians need to represent God in the things they say about one another. "We can't be cursing one another. We've got to love one another." This is a message everyone needs to hear. Instructions are given on how to break these curses. Deborah closes with a prophetic word and powerful prayers for the staff and congregation.

18LHDVD11-7 [DVD - \$6.00] - Deborah Vails - IT'S TIME FOR HEALING - Isaiah 53:1-5 is the foundation for this teaching. We need healing - not only individually but corporately - at national level, local level, communities, neighborhoods, churches, and family's lives. There is much warfare going on and it's time to see the breakthroughs. These camp meetings are not just for people to be changed, they are for these changed people to go back and bring change to where God has them in their homes, churches, jobs and communities. This message centers on healing with prayer, faith, spiritual warfare and deliverance weaving the title together. Scriptural reasons are given to explore hindrances to healing. God wants His people healed. The Bible has the answers that we need. Deborah concludes with prayers for healing and deliverance.

19LCDVD2-1 [DVD - \$6.00] - Deborah Vails - STEPS TO DELIVERANCE - In this first service, Deborah doesn't hold anything back as she lays a 7 point foundation for us to receive deliverance and be equipped to carry out the mission God has for us. Deliverance is not something to play with. It is not just to get relief. It's about commitment to be obedient, and live a changed life in the Lord Jesus Christ. We must be honest with ourselves and with God if we want to receive deliverance. It's critical to realize it's "not my brother or my sister, Oh, Lord, it's me!" Focus on what He wants to do in you, not your husband, your boss, your children, your pastor, etc. A great take-away from this message is that "Change will come when we change." A lot of people know the Word, but they are still bound by demons. Falling out of agreement with sin will help us to get free. Ask God to help you see yourself as He sees you and to bring to light anything that He does not like. Then allow Him to deal with it. We must let things go. When we do this, we are both releasing and positioning ourselves to be the whole person God desires us to be. This powerful teaching concludes with deliverance prayers and ministry.

19LCDVD2-6 [DVD - \$6.00] - Deborah Vails - RETAIN AND MAINTAIN YOUR DELIVERANCE -

Retain means you keep it. Maintain means maintenance. This message brings balance to all that Jesus wants us to do - not just cast out demons. Everything can't be blamed on the devil, even though we want to because it seems like it's the easy way out. Deborah shares 7 keys for believers to apply to everyday life that will truly help them retain and maintain their deliverance and their walk with God. She gives practical examples concerning the armor of God from when she was in the military. All of her outfitting was measured for her. Our armor is made to fit us individually but if we don't put it on, it does us no good. Fear can hinder folks from moving in the Holy Spirit when they are around a deliverance ministry - "if I do it wrong somebody's going to say I'm of the devil", or "what if they think it's a demon". The Holy Ghost doesn't fight itself. The same Spirit that speaks to you in your prayer closet is speaking to you wherever you are. Intense emphasis is shared on the importance of the Word to help us retain and maintain. If we apply the 7 principles shared in this message it will ensure that your house (your life) is filled, after having been cleansed.

19LHDVD4-3 [DVD - \$6.00] - Deborah Vails - HOMOSEXUALITY AND ALL SEXUAL SINS -

Deborah points out that homosexuality is sin but it is only one among many sexual sins. She shares that when we love Jesus, we must be truthful...even when it's not politically correct...no compromise! One of the ways that we've been held in bondage is through the works of the flesh. That in itself is not necessarily demons but it can be an open door for them to enter. Gal 5:19-21 are some examples of the things fleshly. Mt 5:28 says if we look at someone with evil desires, we've committed adultery. In God's eyes we are guilty even though we have not physically done this. Pornography is an example of this. It becomes a stronghold. Galatians 5:16 says if we walk in the Spirit, we'll not fulfill the lusts of the flesh. We have a choice. 1 Cor. 6:18 says to flee sexual sin for it is sin against our own body. 1 Thess 4:3-5, Col.3:4-5, 1 Peter 2:11, James 1:14,15 are all used to clarify what God is telling us and how to respond. Next Deborah turns to scripture on sexual immorality. 1Cor 5:9-11 talks about who we keep company with. We must have boundaries. 1 Thess.4:3-7, Rom 12:1,2. Then she gives many scriptural reasons why gay and sexual sin is unacceptable before God. Genesis 5:2 says clearly, "Male and female created He them." Mt 9:4-6, Eph.5:22-33, 6:1-4, and many other references are given. She points out that animals know their gender. After this very thorough teaching, she does deliverance.

19LHDVD4-7 [DVD - \$6.00] - Deborah Vails - FIGHT, WAR AND WIN -

The subtitle to this message could be, "A Call to Battle". This summary is going to mostly be statements Deborah made to educate the listener on the importance of the title of this message. We must fight! We can't give up. Don't give in to the uprisings of the enemy. We must learn that we are above and not beneath and the head and not the tail. We must think what the Word of God says, we must say what the Word of God says and we must do what the Word of God says. When you understand that the Word of God is the most powerful weapon you can have, you will be more determined to keep your sword sharp. As believers we are all called to fight. Even in the fight we are overcomers. No fight is for naught. God will instruct you and see you through to the final outcome. Jericho was defeated because Joshua followed God's instructions with complete obedience. We must stay "fight ready" because there could be surprise attacks. We have to live right and stay right with God to be an effective warrior. The devil should be afraid of you! Stay humble, no matter how God uses you. Deborah profiles weapons of warfare that we must equip ourselves with every day. It's time to arise, fight, war and win. When you find yourself in the midst of a fight, seek God and His direction and be quick to obey Him in all that He says. When you obey God you are a WINNER! "Ye are of God, little children, and have overcome them: because greater is He that is in you, than he that is in the world." Don't stop, don't quit, don't slow your roll.

19LHDVD7-3 [DVD - \$6.00] - Deborah Vails - DELIVERANCE FROM MENTAL BONDAGES -

Deborah opens in prayer then goes right into her message by making it clear that depression, oppression and mental bondage should have no place in our lives, She begins in Isaiah 61:1-4. Jesus says this also in Luke 4. This message is about total restoration. She reminds us that we should not always be looking at events or happenings negatively. Even death which God does allow, has a positive side. She gives

definitions and examples then takes each situation we may find ourselves in and shows us that the remedy is provided. This scripture tells us that He is available and able to heal broken hearts, set captives free, give beauty for ashes, as well as joy for mourning and praise for heaviness, explaining as she goes. However, we are also reminded that we must be willing to do our part...receive from God, and be obedient to His instruction...be willing to let go of the past, face your issues, forgive. There are tests that we must pass and then final exams to see if we are prepared for the next level. We learn that mental bondages can keep you bound if you continue to be offended. Forgiveness is vital to get free. Be willing to be corrected and be self-disciplined. Watch where you go, what you watch or listen to...your mind records. She lists 7 ways to pull down ungodly thoughts then lists ways we can build a hedge to protect our mind. Give God a special place and time daily and pay attention to what He says. Renew your mind, keep heart pure, watch what you speak and what you do. She prayed many scriptures that give us instruction as to how to live in victory. She then prays deliverance.

19LHDVD7-8 [DVD - \$6.00] - Deborah Vails - THE FIRE OF GOD - The fire of God will help us share Jesus wherever and whenever He provides the opportunity. We should always be ready to share Jesus. We need more of Him - the light of His life in us. The more of God that we have the less territory the enemy has to occupy. The Lord wants to move in and through us but we have to have an active part. This message contains seven parts about the fire of God. 1) Sodom and Gomorah - God's fire brought purification. It's a wake up call to how sin really brings devastation in our lives. 2) Abraham's willingness to offer Issac on the altar of sacrifice - God wants us to be willing to put our "thing" (whatever it is) upon the altar and let Him burn it. 3) God was in the fire with Daniel and the 3 Hebrew men - they were there because they would not bow down to false gods. There are many false gods in the earth today. God is very clear when He says we should have no other gods before Him. The remaining four identifiers of the fire of God illustrate additional characteristics of His fire. One of them relates to prayer. Deborah shares practical principles regarding prayer. Her prayer is that everyone's relationship with the Lord will intensify. God wants us to be transformed - changed! Don't be conformed to this world. You can't run in the new ... in the old! He that hath an ear hear what the Spirit is saying. If you want the light of God to shine through you, do it God's way. We must spend time in His Word, praise, prayer and repentance - that's where we are changed.

19LHDVD9-1 [DVD - \$6.00] - Deborah Vails - WALKING IN AND TAKING AUTHORITY - Deborah begins by blessing us with a song, prays and then proceeds into her message. She tells us that according to Luke 10:19, God has given us authority and it's time to walk in it. The Amplified version makes this very clear. If we are walking with God, staying in tune with Him, He will enable us to walk into every situation, prepared even for the unexpected! You see, she found out while she was on her way here that she would be speaking TONIGHT! Then after arriving, was told that she would be singing also. SURPRISE!! But ... God said He had it covered, so she would just go with Him. He gave her the message and she delivered it powerfully. Jesus said that HE had given us power and authority over all the power of the enemy but it's up to us to use it. We learned that it is vital that we have an intimate relationship with the Lord because when we are in His presence, being where He places us, the devil has no power and we can tread on him and he will flee. We must submit to God, give Him our plans, decisions, purposing to submit to God rather than our enemy or ourselves. It's all about choices. We must start on the offense and not defense. Our enemy belongs under our feet not in our mind. In Mark 5:8, when Jesus told the evil spirit to come out, it had to obey because He was the authority. He has given us that power also. Jesus died that we could be free! We are the army of the Lord so we must stay in touch with our 'Commander', dressed and ready for battle. She goes on to explain the purpose for the parts of our gear. The 1st example is the helmet which protects our mind. We make choices concerning what we allow ... remember we were given power over ALL the power of the enemy. She continues to expand our thinking concerning the purposes of each piece. We must fight from a high place where we can see the truth of what's coming at us and be prepared. She finishes with a Word from the Lord and deliverance prayers.

19LHDVD9-8 [DVD - \$6.00] - Deborah Vails - WEAPONS OF WAR - WOW! The final message of the conference concluded the underlying theme the Holy Spirit brought throughout the weekend - that being the Army of God, warfare and what we need to fulfill the position of our commission. Deborah proceeds to "give the orders from headquarters"! Be ready! Take charge! Keep the mind of Christ. It's time to "offend the devil". Be a threat to the enemy's kingdom - to the point they see you coming and say, "Let's get out of here, here comes Deborah (or you)!" You can't war right if your mind is not right. She gives us ten conditions, along with the Scriptures, that our minds must be in. Three examples of the ten are: Stayed mind, set mind, and persuaded mind. After setting us straight on what condition we need our minds to be in, she navigates through twenty-five of the fifty weapons of war that we have been given. (Hopefully, the other twenty-five can be given at another camp meeting). This is not a typical session on warfare tools. The staples of Ephesians 6 (armor of God), Isaiah 58 (fasting & prayer) and Matthew 16:18-19 (binding & loosing) are included, but this WOW message equips us with weaponry that will protect you when you find yourself deep in enemy territory. Putting these into action can protect you from the ambushments of the adversary. Of course, and most importantly, be strapped and armored with God's Word. Be willing to fight. You will war but you are a winner when you are fully submitted to the will of God and actually be walking in the proclamation of, "Not my will, Lord, but Thine be done." The surrender is that place where it's no longer about you (me) but simply His will and purpose. This message will help you in that process. A Word from the Lord is given at the conclusion and is listed as Sunday Morning under the caption, The Word of the Lord, in the issue of this newsletter.

19LHDVD11-2 [DVD - \$6.00] - Deborah Vails - MATTERS OF THE HEART - Deborah begins by making heart comparisons. The heart is a vital muscle in our body. If the heart muscle isn't strong, it can't pump the necessary blood to our body, thus causing our body to be weak or totally unable to operate correctly. A recent death in her family brought this home to her. She also saw examples of the necessity of a right heart concerning past relationships. Then we begin to look at the church...if we aren't loving, forgiving, etc. correctly, we will see problems. Are we really loving or just going thru the motions? We are reminded that it's not how people treat us that is so important, but it's our reaction...response. She then goes on to list 9 heart 'conditions' beginning with a heart of love which gives without reservation, serves, is kind, merciful, forgives and doesn't keep a record of wrongs 1st Cor 13. says 'thinks no evil' True Godly love will cause your mind to change! Next she talks about a heart that is sincere using Joseph as our example Gen. 37 how he went through various hard places but stayed faithful even though he was grossly mistreated but God was faithful to him. She also points out that sometimes it's God that puts us through things that we blame on the devil. Often we have to learn things the hard way. Next is the heart that remembers Ps 78:35, that God is our rock and redeemer. We must keep our focus on Him. Deborah continues to list and elaborate on conditions or matters of our heart reminding us how important it is to always use God's Word. She says His Word is medicine. Take it like a prescription. It will change your heart, actions and attitudes. It is life, light, and hope. She reminds us that we can get prayer all weekend but if our heart isn't in it, and we're just going thru the motions, we'll go home just like we came. Then comes the heart of forgiveness. Jesus said 'if we don't forgive, God doesn't forgive us'. according to Mt 6:14,15. We learn of a wise heart in Prov.2:2, a heart of integrity, Ps.26:1, using David as an example, and finally a pure heart. Lastly she gives a word from the Lord which included reference to a healthy heart. 3rd Jn. 1,2 and Prov. 4:23.

19LHDVD11-7 [DVD - \$6.00] - Deborah Vails - A HEART OF WORSHIP - Rev 4:1-11 is the basis for this rich message of life. Being in the presence of the Lord should move us to cry "Holy, Holy, Holy. Thou art worthy, O Lord, to receive glory and honour and power: for Thou hast created all things, and for Thy pleasure they are and were created!" We don't praise Him by how we feel - we praise Him because of who He is! When we think about the goodness of God and all He has done for us, we can't help but praise Him. If we can't give Him a heart of worship, what impact are we making for the Kingdom of God? We've become stiff, traditional, sophisticated, following protocol and religious. Instead of giving the Holy Spirit liberty in our gatherings, we've constrained Him to our timeline. Worship means to honor, revere, to adore, pay homage to, devotion and respect. All of our service should spring from a spirit of true worship and

praise. We must know that whatever He takes us to, He will take us through. God's people come in many "flavors" that are unique to the Body of Christ. We must stop trying to change one another but instead, embrace them for who they are. We can't be judging one another for their mode of worship. God looks at our hearts. What matters is if the motive is to get to God. Deliverance frees us to move into greater worship but we must understand what worship is. We must stop wasting our time trying to be like and do it like everybody else. Become who God has created you to be! You will have to listen to this message to get the substance of the nine acts of worship and hindrances to worship that Deborah shares. 1) Ministry of thanking God, 2) Ministry of praise, 3) Ministry of rejoicing and joy, 4) Ministry of clapping your hands, 5) Ministry of shouting, 6) Ministry of dancing, 7) Ministry of lifting up your hands, 8) Ministry of worship, 9) Ministry of saying Amen.

19LHDVD12-5 [DVD - \$6.00] - Deborah Vails - IN HIS PRESENCE IS EVERYTHING YOU NEED!

- Deborah begins with worship, thanksgiving and praise in song, prophetic words, declarations, prayer and apostolic correction. We were called to account for not cooperating when deliverance prayers were prayed the night before because we shut down, causing a subduing of the spiritual atmosphere and causing others not to get help. She said this was not what she had prepared to teach but the Holy Ghost had something to say, so she cooperated. We were told that we were being religious by not being who we really are, not worshipping the way we usually do, by not being responsive to God when He speaks to us, hiding in a cave. She reminded us of the importance of having up close, personal relationship with God, how necessary it is to spend much time in the Word and prayer, reminding us that scripture says if we 'submit ourselves to God and resist the devil, he will flee from you.' James. 4:7. Every time we get more freedom, we must keep and walk in it. Luke. 10:19 Jesus said, "Behold I give you power to tread on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you." That's God given power! That makes you a threat to the devil but we don't have to be afraid. Deborah also reminded us of our need to watch our relationships. Stay under your covering until God looses you. Obey God. When all the stuff is stripped away and it becomes all about God, we'll see the greater works. But we have to be invisible...Die! Even the clothes we wear may change. We can't bring attention to ourselves. We must pray more than we do anything else. We are to hide ourselves like Moses did so that when we come out, the glory of God is seen...His image, His likeness. When we are ready, God will bring us out. In the midst of the correction was teaching on how to come out of our caves and instruction for our walk of obedience in accordance with God's word.

20LCDVD2-1 [DVD - \$6.00] - Deborah Vails - HEALING THE WOUNDED SPIRIT - Prophetic prayer and warfare intercession launches this powerful message on exposing the seeds of emotional damage and how they cripple and keep us from our potential. Wounds come to take us out. God has made our physical bodies tough. If our immune system is strong enough it ramps up to fight off colds, flu, etc. Likewise, the Word of God is our spiritual immune system and it gives us what we need to fight the enemy. It's the Word of God that is our defense - not what we think. We can't fight with what we think, we have to fight with what we know. And we know the Word is True. The Word is our medicine! Deborah reviews a long list of emotional needs - both positive and negative. What causes damaged emotions? Negative words, actions, and attitudes inflicted upon us by others often in our childhood. God has emotions and many of them are shared in this message. How do we get healed? 1) We must get rid of self-pity. When we first get wounded we want to feel sorry for ourselves. 2) Take responsibility because sometimes our actions are what activated the damage. 3) Ask yourself if you want to be healed. Some people don't really want it - they want to be "stroked". They like the attention. 4) Forgive everyone that was involved in the problem. 5) Forgive yourself. 6) Ask the Holy Spirit to show you what your real problem is. The narrative then moves into betrayal. It's one of the worst things a person can experience and is one way wounds come into our lives. There is no undoing it but we can be healed from it. It's another thing Jesus took to the cross with Him for us. She gives thirteen critical points on how to dismantle betrayal. Realizing that we don't have to prove ourselves to anyone or become what someone else expects us to be, but be focused on how God wants to transform us using our uniqueness, will propel change in our life like nothing else. Prayer for healing and deliverance conclude this message.

20LCDVD2-6 [DVD - \$6.00] - Deborah Vails - THE POWER OF ENDURANCE - This message is to encourage you to walk in the power of the Holy Ghost and be determined to endure as good soldiers of Jesus Christ. He will not leave nor forsake you. He will be your all in all. So continue to trust God and watch Him work His complete will in your life. He equips us to war, to fight and to win. As we continue to go forth in healing and deliverance, He empowers us to overcome and to endure. When we keep our eyes on Jesus, we can make it! 2 Timothy 2:3-4 is the foundation for this message. "Thou therefore endure hardness, as a good soldier of Jesus Christ. No man that warreth entangleth himself with the affairs of this life; that he may please Him who hath chosen him to be a soldier." A good soldier must go through a training period so they will be ready to engage in battle. They may possess qualities of leadership but they must still pass through the ranks of training and experience before moving into those positions. Endurance often requires you to put up with things you really don't want, but if it's God's call on your life, He will empower you. However, there are times when we end up on the wrong "playing field" and are entangled in affairs that are unnecessary and we must find the place God really intends for us to be. When we are where we are supposed to be, we are a genuine threat to the kingdom of darkness. No matter what you are going through, He will give you the power to endure and it will make you better - not bitter! Surrender and submission to Him is everything - even when bad things happen. Deborah shares five essential weapons of war, and thirteen points for us to realize about God when we are in a fight. There is something for everyone in this message, no matter where you are in your Christian walk.

VARIOUS MINISTERS

08DELTRDVD-8 – Various Ministers – PANEL: DELIVERANCE QUESTIONS & ANSWERS - An esteemed panel consisting of Jim Landry, Bo Fisher, Angelo Rosario and Ed Johnson was asked 10 questions pertaining to deliverance. Each panel member was given the opportunity to respond to each question. A few of the questions and responses will be shared here. Why can't we cast out demons with a word like Jesus did? We can! God's Word will not come back void. Pray and Fast. What is the difference between casting out and binding a demon? Binding is stopping and freezing them in their tracks. They have to respect the Word of God. Why do spirits get into things? They are territorial spirits and they stay in objects they feel comfortable in. How can I help my son who is saved but full of evil spirits and not open to deliverance as I see results in my grandchildren? You can take authority over your blood line. You don't have to see it, just believe it. With regard to territorial spirits that rule over businesses, how can we pray against them without backlash? You can't take legal rights for a territory that is not yours. You can bind but not cast them out. Luke 9, 10:1. Many other helpful answers are given to these questions and all of the remaining questions which you can hear on the CD or DVD available from LHBC.

09DELTRDVD-6 – Various Speakers – PANEL – DELIVERANCE – QUESTIONS & ANSWERS - A panel of ministers endeavored to answer various questions submitted by those present at our conference who were also ministers. We all have dilemmas at times and it was interesting to get different input from our panel. Sometimes it's good to get a look from another angle.

10DELTRDVD-6 – Various Speakers – PANEL DISCUSSION – Panel consisted of Carla Butaud, Geri McGhee, Tom Stone, Bo Fisher, Vito Rallo and Jim Landry. Opportunity is given for ministers to answer questions from the attendees of conference. How can you tell MPD from mental disorder? How old is 'too old' to sleep w/parents? What about oral sex? Can we safely have 'hands laid on'? How do we deal with Jezebel? Are demons on flesh or mind-or both? How do we begin deliverance with children and teens? What about churches that are not doing deliverance? - or are celebrating pagan holidays. Plead the blood? Transference of demons during deliverance sessions? These and other questions are addressed during this session. We apologize there is some audio difficulty on the DVD.

KERNAA & JEAN WILLIAMS

11LHDVD7-5 – Kerna Williams – VAMPIRISM – This message is a real education as to what's going on in our country in the occult involving vampirism ... how people are eating blood and even getting their teeth sawed to represent knives and swords. He says there is a Vampire Alliance in Ga. that has thousands of members. A vampire spirit will drain your energy, they are drama queens, demanding your full attention. They are very critical, controllers, full of self-pity. They want you for what they can get from you, financially and sexually. It is vital that we become aware and on guard against these spirits. Bro. Williams gave a lot more info about certain movies and books, etc. that we need to be aware of. There are many scriptures that help us to identify these enemies of God's people as well as identifying some of the physical traits. Every parent needs to hear this message! Deliverance follows.

11LHDVD7-7 – Jean Williams – GOD'S PROTECTION FOR THE BELIEVERS - Ps 91:1-4 God is our covering, our protection, a defense for us from danger and harm. We have total safety in Him. He will never disappoint us - Mk 16:17,18. Even under His feathers is safety. Isa 26:3 tells us He'll keep us in perfect peace if our minds are kept on Him. That says that our minds are kept safe, too. It is a spiritual battle that we must fight against the powers of darkness. Eph 6:12 However, Gal 3:13 tells us that we have been redeemed from the curse. Many scriptures are included in this teaching, which tell us how to stay under His protection as well as the benefits.

11LHDVD7-10 – Kerna Williams – PERSONALITY DISORDERS IN THE CHURCH – Bro Williams begins by reminding us that there are many rejected in the church and that Jesus is concerned about the whole man. He talks about destruction of the soul and some of the causes. Prov 6:32. He gave descriptions of a paranoid personality, anti-social personality, dependant personality, an obsessive personality, and those who suffer from satanic ritual abuse, among others and gives references that describe such behavior. The bottom line is that we need to minister to those coming to God's people for help. Deliverance follows.

11LHDVD7-15 – Kerna Williams – PROPHETIC WARNINGS TO THE DAUGHTER OF BABYLON - 1 Chron 21:15 AMP. God can delay time and judgment for America. We are seeing gross ungodliness in America at this time but we read here that God regretted and relented, stopping the destroying angel. We certainly match the description of the daughter of Babylon as seen thru out the

scriptures. Jer 50:23, hammer to the nations, (Korea, Viet Nam, Iraq, Afghanistan, and perhaps Libia is next. Rev 18:7, lived deliciously, a queen - Statue of Liberty?, no widow full of pride. Rev 17:18, reigneth over kings. The list goes on. In Isa 47 a fall is prophesied. Can God delay His judgment? Yes, He can ... but will He? There is much more to this teaching that we all need to hear.

11DELTRDVD-2 - Kerna Williams - ZOMBIFICATION OF AMERICA - Zombification is on the rise in America and in the church today. Bro. Williams lists 7 ways to recognize if your pastor is a "zombie" and if you are in a congregation of the dead. Few Christians recognize the power that is in the Word of God. We must accept it with childlike faith. God is raising up a people who are not afraid of spiritual warfare. Deliverance prayers follow this teaching.

11DELTRDVD-7 - Kerna Williams - DUPPY - THE CARIBBEAN EVIL SPIRIT - A "duppy" is a Jamaican ghost in the form of a person or animal a water spirit or a shadow of a dead person. In Jamaica grieving people get under attack by sexual demons and goat demons who impersonate their deceased love ones. Those marine spirits can overthrow church leadership. There are aggressive duppy spirits who attack school teachers. These things are not as yet in our nation.

12LCDVD2-1- Jean Williams - DEMONIC TONGUES - Do you know the words we speak with our tongues keep us from going forth in God? We either curse or bless ourselves and others. Only God can tame our tongue. It is powerful, deadly and out of control. We have hurt ourselves and our brothers and sisters in Christ. The tongue is meant to edify, build up, to please God. Jean names these seven ways we use our tongue to curse others. 1) lying, 2) gossiping, 3) argumentative, 4) judgmental, 5) boasting, 6) rude, and 7) retaliating. When people offend you, do not try to avenge yourself. Vengeance belongs to God. Pray for humility to understand others and give it all to Jesus. Prayers follow to become free from these seven demonic tongues.

12LCDVD2-4 - Jean Williams - THE WICKED SPIRIT OF PISGAH - Pisgah is a place of rebellion. Moses was the first to know God as Jehovah. He was a powerful man of God who worked wonders in Egypt with a rod. Because of sin he was not able to enter into Cannan. He could only view it from Mt. Pisgah. He struck the rock in rebellion. God has a purpose in what He tells us to do. The rock was Christ. This wicked spirit of Pisgah today lets you see the promises but will not allow you to enter in. Rebellion also robs you of health, wealth, etc. It is a tormenting spirit. It can operate in our lives today but doesn't have to, because Jesus has given us dominion power to get this spirit out of our lives. Speak it into the realm of the Spirit and it will come to pass in the natural. All within us that is not like God, release it. Deliverance prayer follows.

12LHDVD7-1 - Kerna Williams - DEATH SAINT - SANTA MUERTA - Recently the Williams went on a missionary visit to Mexico. In those meetings people came forward to be delivered from curses and spirits of death because they had worshipped a statue called Santa Mureta, the Saint of Death. Some other names for this demon are Lady Death, Sacred Death, White Girl, Skinny Girl, Goddess of the Dead. Worship of this statue requires blood sacrifice - animal or human. This practice is rooted in ancient Aztec religious rites. This statue wears a hooded shroud, has the face of a skeleton, often holds an owl in its hand, and has a globe of Earth attached to its body signifying world domination. Drug cartels participate in rituals of blood sacrifice to this statue to gain power and territory. This spirit is moving into the USA today. As a Church we must pull down these principalities and powers of death. In order to fight we must have an abundance of God's Word in us. The Spirit of God is moving and saying, "Will the real men and women of the Lord stand up!?" Deliverance prayers follow this teaching.

12LHDVD7-2 - Jean Williams - THE SPIRIT OF WORRY - The definition of worry is? to harass; difficult to deal with. In the authority of Jesus Christ we do not have to bow down to this spirit. Worry is sin. It affects the whole body. This spirit is on the rise to get us to doubt that God will take care of us. God rules. He has the ability to deal with every situation. Do you believe God rules and reigns in your life for

your future, health, job, family members, friends, finances? Release all worry to Him. What is not of faith is sin. Worry puts your focus in the wrong direction. Keep your eyes on Jesus. You will know peace because He is in control. Worry is satanic meditation. We must give Him all of us so He can use us for His glory. He says, "Come to Me and rest." Do not allow a divided mind. You will either have the mind of the Lord or the mind of the devil. Choose Jesus. Know who you are in Christ. If you worry, why pray? If you pray, why worry? Believe, wait on God and He will move in that situation. Deliverance prayers follow this teaching.

12LHDVD12-6 - Jean Williams - A DECEPTIVE TONGUE - God is concerned about what comes out of our mouth. With our mouth we can bless or curse others and ourselves. Our tongue is an unruly evil full of deadly poison, a consuming fire and completely out of control. The mouth of fools pours out foolishness but God wants us to comfort, edify and exhort one another with our tongues. Sister Jean teaches us about seven deceptive tongues. 1) a lying tongue which is deceitful and full of half-truths and exaggerations; 2) a gossiping tongue which tells secrets, destroys another persons reputation and breaks up friendships; 3) an argumentative tongue which is a busy-body, quarreling, butting in, winds up and never shuts up, annoying, vexations, contentious; 4) a judgmental tongue which always has something negative to say; 5) a boasting tongue which seeks glory for oneself; 6) a rude tongue which is degrading and uncharitable; 7) a retaliating tongue which gets even, rendering evil for evil. God wants us to bless those which curse us. When we step out of Gods boundaries and take matters into our own hands there are consequences to pay because it is sin. Ask God for humility - freedom from pride, arrogance and an exalted sense of ones own worthiness. Deliverance prayers follow this teaching.

12LHDVD12-5 - Kerna Williams - THE TACTIC OF ABADDON - Brother Williams message concerns married couples and the tactics of a ruler spirit named Abaddon or Apolyon, the Destroyer. Abaddon is the place of destruction, death and ruin. He is the angel of the abyss. The assignment of this demon is to destroy marriages. It causes one marriage partner to withhold sex from the other. Abaddon stirs up uncontrolled passions which lead to anger, emotional abuse, and passive aggressive behavior. This opens demonic portals for demons to enter. Anger and wrath bring forth strife. Abaddon speaks through a spouse those damaging words of negativity, contention and strife and bring division in the marriage. Other marital sex killers are stress, depression, medications, embarrassment, control, manipulation, exhaustion, pain, frigidity, guilt, shame and jealousy. Married couples must pray together and make things right before going to bed each night. Failure to pray together will allow violence, abuse, lust and wandering eyes to devastate your marriage relationship. If you give permission to these manifestations of demon powers, you will not be effective in this next move of God. Abaddon wants your marriage, your ministry and the anointing God has placed on your life. Activate the gifts of the Holy Spirit so they come out of dormancy and defeat the tactic of Abaddon. Deliverance prayers follow this teaching.

13LHDVD7-1 - Kerna Williams - KAIROS ENGAGE MARINE SPIRITS - Kerna opens this message by engaging the enemy with prayer declaring freedom from demonic powers. The devil has transferred warfare into the waters and the battles are intensifying. The church has been asleep concerning water spirits. Revelation 12:12 "Woe to the inhabitants of the earth and the seas." Marine spirits are destructive demonic powers in the waters. They have a great influence upon the earth. Marine spirits are extremely vicious and cruel, conceited, evil, merciless, mean and stubborn. They try to control and manipulate every aspect of life, trade and commerce, even the marriage, the family and the Church. Prolonged grief over the loss of a loved one can be a demonic portal. This marine spirit kingdom is also responsible for demonic winds. It's time that we attack these demonic powers. Forbid anyone to draw demonic power from water spirit worship. Use the hook of the Lord and the sword of God to punish Leviathan, the spirit of pride, who sits in the heart of the seas. We must exercise the authority given us by Jesus Christ who lives in us. Deliverance ministry concludes this message.

consecrate ourselves to Him, we are set apart and strengthened to do things we alone cannot do. The anointing equips us with the miracle power of God to cast out devils. As we begin to obey God's perfect will, He will entrust us with the anointing more and more. People can recognize it operating in us. You have to have a consecrated life, according to the Word of God. Once the anointing is activated, it begins to produce fruit. Jesus begins to show and prove Himself, that He is God. There are true and false anointings. Judge by the lifestyle of a person. Imposters, seducers, deceivers, false leaders and anti-Christ glory seekers have gone out into the world. He wants us steadfast with daily Bible reading, prayer, and fasting. The price of the anointing is to spend time in God's presence and get to know Him. Do not hinder the anointing with a bad attitude. Cease strife and worry. Be a partaker of the divine nature of Jesus Christ. Deliverance ministry concludes this message.

13LHDVD7-7 - Kerna Williams - THE BOGIEMAN - Kerna adds more details to the subject he spoke on at the Youth Meeting. The bogieman is an oppressor of children. The bogieman is an imaginary being used by adults to frighten children into compliant behavior. Kerna tells about his own early childhood experiences with the paranormal. He has found out that spoken word curses can open up demonic portals to allow the paranormal to manifest in a child's life. Even though parents do not mean any harm, words have power and authority and there are demonic entities ready to go into action by the release of our words. If we lead children to believe in pagan fantasy creatures such as the Tooth Fairy, the Easter Bunny or Santa Claus we are setting them up for demon infestation. Legends, fables, myths and old wives tales lead people away from absolute trust and confidence in God. These are lies, falsehoods, imposters, imitators, counterfeits and anti-Christ deceptions. Revelation 21:8 "All liars shall have their part in the lake which burneth with fire and brimstone which is the second death." Speak truth to the children. Close the doors to the occult. We have missed the mark in this matter. It is time to turn the hearts of the fathers back to the children. Deliverance concludes this message.

16LHDVD3-3 - Jean Williams - A RISE OF THE HORSEMEN - Donation \$6.00 - God showed Jean a dream about a brown, reddish horse. He began to reveal the meaning of this dream to her. She went to Habakkuk 2:3. We are in the season and the time of the brown horse, unmasking hidden sin and hidden agendas. God demands holiness in His people, so take the veil off your face and come clean. God expects us to apply these Scriptures to our life today. We must continue to yearn after holiness and take our purification seriously. Heavenly horses represent dramatic judgment for violent purification in His people. The horse represents power and strength in fleshly carnality. God wants to take that carnal flesh and purify it today. The horse also means strength, authority and power in battle. Natural characteristics of the horse: his first defense is to flee, he lives in a herd where there is security and protection, he is a social animal, a creature of habit, has special needs and he submits his own will and learns the ways of his master. Our Master will provide us with supernatural characteristics of consecration, obedience and fellowship with Him so He can pour forth His glory into us. His perfect will for us is to be conformed into the image of Jesus Christ. Deliverance prayers follow this teaching.

16LHDVD3-4 - Kerna Williams - THE 4TH SPIRIT BEAST - Donation \$6.00 - Daniel 7:7 "Behold a Fourth Beast". God is raising up watchmen in this hour to warn His people. They are unafraid to speak because, "My times are in Thine hands". There is a plan to destroy the Constitution of the United States and its Constitutional form of government. America is in danger of losing her freedoms. Kerna has some startling information to share about the agenda and strategies of the New World Order, the shadow government working behind the scenes to destroy this nation. You can see the acceleration of the 4th Beast Spirit that is moving through America. Jeremiah 18:7-9 "If that nation turns from their evil, I will repent of the evil I purposed to do to them." Sadly, many are under the influence of post-hypnotic mind control because of the media. We all must fast and cry out in travail unto our God. "Shadow Government" written by Grant R. Jeffrey, opened Kerna's eyes about government and military manipulation and surveillance of our general population. We are battling demonic entities...violent, brutal, cruel, vicious, savage Beast Spirits, Demon Destroyers. In Jesus Christ's Name engage in warfare against this 4th Beast, anti-Christ spirit. Deliverance prayers follow this teaching.

16LHDVD3-6 - Kerna Williams - THE GREGORIAN AND HEBREW CALENDAR - Donation \$6.00 - America uses the Gregorian calendar. This teaching is about its naming of multiple gods and goddesses. January was named after the Roman god Janus. Belial is its ruler spirit. February is named after the Roman god Februra, the god of the dead and of satanic human sacrifices. The ruler spirit is Leviathan. Valentines Day is paganism, Church. March is named after Mars and falls under the rule of satan himself. April is connected with Aphrodite, the goddess of love. May comes from the Greek goddess, Maya, a goddess of fertility. Its ruler is Lucifer, the bearer of light. June comes from the Roman God, Juno, and is connected with the Queen of Heaven and Baal Berith. July is named after Julius Caesar. The ruler spirit is Beelzebub. August is named after Caesar Augustus Octavious and is ruled by Asteroth. September means seven and is ruled by Tamuz. October means eight and is ruled by Baal. Read II Chronicles 23:17. November means nine and is ruled by Osmodeus. December means ten. The ruler spirit is Moloch. Due to time restraints, Kerna encourages us to research the Hebrew calendar ourselves, to study and discover its fascinating, prophetic arrangement of months, tribes and purposes.

16LHDVD3-7 - Jean Williams - ALIGNMENT BRINGS ASSIGNMENT - Donation \$6.00 - God wants to align and position you into that place in Him so He can equip you to do your assignment. In military service both Jean and Kerna were taught to get in alignment for their assignments. God is preparing you for your destiny. You might feel shaken and riled, but when He is finished, you will be prepared. He aligned Abraham, Sarah, Moses, Nehemiah, Peter, Paul and many others. Whatever it takes to align you, He will do it because He is a God of order. There will be challenges along the way as God prepares you. Every tear, disappointment, struggle, and frustration ... God wants to use it for His glory. It is about the alignment of the Kingdom of God and it is the will of the Father. If something in your life was not built on the rock of Jesus Christ and His principles, God wants you to let it go so He can take you to the place where He wants to take you. He wants you to carry His anointing on this earth and conform you to Jesus Christ's example in living. In order for the Kingdom alignment to come, you have to disown yourself. Alignment consists of an ongoing life transformation. Allow the Father to calibrate those fine adjustments. Surrender your heart to Him. Deliverance prayers follow this teaching.

16LHDVD7-4 - Kerna Williams - DREAM OF THREE WOES - Ezekiel 33:6-9, A watchman must warn the people of their wickedness or God will hold him accountable. God is raising up a prophetic people who are also watchmen. There is a stirring in the Body of Christ of what is ahead of us. Regarding the pre, mid, or post tribulation, Brother Williams asked the Lord, "Where are we?" God gave him a dream, a prophetic visitation. He was driving north, south, east and west and he heard an audible voice, "One woe is past yea there be two more woes." Dreams are to be tested by the Word of God so Brother Williams examines a number of relevant scriptures. The Greek word 'woe' means grief, a time of trouble and sorrow, unhappiness, pain, horrors and all types of trials and tribulations. Revelation 9:12 Kerna believes prophetically we are in a time when the seal judgments and trumpet judgment are being fulfilled. We are in a time of deep repentance. God wants you to use your voice as a prophetic trumpet and begin to warn what is coming in the land. Deliverance prayers follow this teaching.

16LHDVD7-7 - Jean Williams - OVERCOMING THE SPIRIT OF INTIMIDATION - Randy Richey presents a brief teaching called "Deliverance 101" to help us understand the fundamentals of deliverance. We learn how to remove the many layers of corruption which defile us. Sister Jean admonishes us not to let this moment pass us by, but surrender ourselves completely to the will of God so we can know Him in a more excellent way. The spirit of intimidation is coming against the people of God to shut us up and shut us down, to keep us from going forth in what the Lord has called us to be. Webster defines intimidation: to make timid, fill with fear, frighten, especially to compel or deter as if by threats. It takes you out of your comfort zone and its intent is to disarm you of your legal right. Remember, God has not given us a spirit of timidity, cowardice, cringing and fawning fear but a spirit of power, love and a calm and well balanced mind and disciplined self control. It is your choice to be armed and ready for battle. God can still do a great work in your life. Deliverance prayers follow this teaching.

16LHDVD7-9 - Jean Williams - TAKE CAPTIVE EVERY THOUGHT - Who and what is moving you...what the Word of God says about you or what other people say? A fiery dart is a weapon that Satan uses to inflict a disabling wound into a believer. Its objective is to silence us from advancing the Kingdom of God in our personal ministry but also to attack and wound God's people so they would turn bitter towards Him. The things that you are going through are to bring you into alignment with God's Word. To be used by God, you are going to go through some things. Take the shield of faith and quench all the fiery darts of the wicked. The enemy throws fiery darts of fear against what God's Word says about you. Satan hurls wicked and negative thoughts at you such as, "I cannot do it, I am a failure, I cannot be used of God." These are all debilitating lies of the enemy. Prophesy into your destiny. Take Isaiah 45 and make it personal to you. By God's grace you will overcome at the moment of your testing. Believe what the Word of God says about you. Deliverance prayers follow this teaching.

16LHDVD7-10 - Kerna Williams - THE FIVE FOLD MINISTRY IS THE EXPRESSION OF JESUS - God is doing a new thing in the Earth realm. There is a percentage of pastors who are experiencing mental and spiritual burnout, full of stress, anguish, worry, bewilderment, depression, fear and alienation. Some feel they are in the wrong ministry. There are others walking in five fold ministry titles, but they do not even understand the characteristics or the function of how that ministry is supposed to operate. Exodus 25:9 describes the pattern of the Tabernacle. Its example, design, model and blueprint is the expression of Jesus Christ. Other visions and efforts are man made and there is no power. Submit to divine order, divine obedience, finish the work and the glory of the Lord will fill His house. The winds of restoration and change are blowing. The Lord is returning the church to New Testament Church order...Apostles, Prophets, Evangelists, Pastors, Teachers (the five-fold ministry), and the Gifts of the Spirit. We will soon experience greater works than have ever been seen before. Deliverance prayers follow this teaching.

16LHDVD10-3 - Kerna Williams - AESHMA - UNCONTROLLABLE ANGER - Donation \$6.00 - Aeshma is an end-time ruler spirit of uncontrollable anger that resides in men. Anger in America at this time is dangerously high because we have been placed under a spell of uncontrollable anger. Aeshma is the demon of wrath, rage, fury and violence. It is designed to stir the hearts of men to do evil. In the occult realm, it is the most fierce demon spirit of anger that can be unleashed. Aeshma is responsible for national aggression such as malicious words and extreme bloody violence. Aeshma has another name: "The Bloody Mace", an ancient instrument of war used to establish authority. This spirit will not stop the aggression until somebody is bleeding or near death. It sounds like the streets of America. Even professing believers are having trouble these days controlling their tempers and hateful words. Anger opens a portal for the vagabond spirit, heaviness, and mental illness. You have to deal with Aeshma anger before you can go to the next level of God's authority and power. Deliverance prayers follow this teaching.

16LHDVD10-5 - Kerna Williams - 21st CENTURY MEN OF ISSACHAR - Donation \$6.00 - 1 Chronicles 12:32 - Issachar men had understanding of their times to know in their hearts what Israel was to do. At this time of crisis in America there is a great need for Issachar men who listen to God's voice, obey His instructions, minister in the gifts, receive revelation knowledge and seek His purposes and plans for America. America's current path and destiny is self-destruction. Proverbs 1:30-33 "Those who will not accept My council will eat of the fruit of their own ways. They are backsliding, self-confident fools." Deuteronomy 28:47-48 "Serve the Lord with gratitude or serve your enemies." e.g. Today technology is disrupting weather patterns worldwide. Where are the prophetic voices of Issachar men who will weep between the porch and the altar? Have they become girlie men? It is time for men to be intercessors, to fast and be consecrated unto the Lord, to receive His prophetic words, to bind and loose and take authority over the enemies of the Most High God. Do it now. Deliverance prayers follow this teaching.

move in a particular direction. The Lord is propelling and forwarding you into your position. This year the Lord is restoring and recovering everything that the enemy has stolen from you. God wants to affirm you and remind you of the promises He has spoken over you. God's will is to drive you forward to your calling. The Holy Spirit allows opposition to come to bring you into alignment with God's plan and purpose for your life. The enemy is also taking notice of you. The more you move in deliverance, the more you are a threat to his plans to steal from you, kill and destroy you. The Holy Spirit is allowing a pruning and purging to take place in your life so you can move into the next level of operation in your personal walk with Him. Separate yourself from defiling, corrupting and contaminating influences in your life so you can be set apart and used for honorable and noble purposes. Deliverance prayers follow this teaching.

17LHDVD4-2 - Jean Williams - THE GOD OF SOVEREIGNTY REVEALS SECRETS - Donation \$6.00 - 'Sovereignty' means supreme power, supremacy, and possession of power. Absolute sovereignty belongs to God only. 'Reveal' means to make known. 'Secret' means unseen, private, secluded. We serve a God who reveals His secrets. We need to yearn to know His secrets that we may do all the words of His law. However, we do not have to reveal to others everything the Holy Spirit reveals to us. God has a set and appointed time for that. Hold His secrets close to your heart until He gives you permission to share with others. Sometimes we need to be protected from those who do not have our best interest at heart. I Corinthians 2:9-10 tells us God examines and scrutinizes the deepest secrets of our heart continuously. He wants our hearts to be pure, because He only reveals His deepest secrets to the righteous. When the truth-giving Spirit comes He will guide us into the whole, full truth as He receives from the Father and transmits to us. Can the Lord trust you with the secrets of His heart?

17LHDVD4-3 - Kerna Williams - MESSIANIC PSALMS 22 - Donation \$6.00 - Yeshua Ha-mashiach, is the name of our Savior, the Crowned Man with the Sword. Our Messianic Savior is the one who has power to change the world and bring peace. In Psalm 22 David prophesied Christ's crucifixion thousands of years before it happened, detail by detail. Jesus cried, "My God, My God why hast Thou forsaken me?" Many believers feel forsaken by God, left to fend for themselves, rejected, deserted, abandoned, all support and protection withdrawn. Could God be silent in your life because He is waiting to see if you will trust Him in your crucifixion? During Jesus' crucifixion, high level satanic powers opened portals to the strong bulls of Bashan, giant, bloodthirsty, wicked men. 'Dog's', sodomites, encircled Jesus as He was dying. The 'power of the dog' was the agent of execution. We are in a time when those same shameful, corrupting, evil demons from hell are making their appearance again. Jesus moved from humiliation and suffering to Glory, and we will, too. Deliverance prayers follow this teaching.

17LHDVD4-6 - Jean Williams - THE WINDS OF CHANGE - Donation \$6.00 - We live in a world that is rapidly changing. Technology and fashion change daily. Are we changing? We have all done things that were not right. But the wind of the Holy Spirit, the wind of change, is starting to blow and is beginning to get rid of the garbage and debris we have stored in our lives, all that is hidden beneath the surface. When you leave here, do not think that you can get by with anything. The Almighty sees and knows it all. God wants to bring new life to your deadness and dryness and restore resurrection power in you. Psalm 103:16 The wind passes over it and it is gone and the place thereof shall know it no more. No remembrance of the past. God wipes it clean. It is gone. When you repent of your sins and say yes to the Holy Spirit and He comes, it's a wrap. God wants to awaken a spirit of revival in you. You will no longer be the same. He is radiant, light and pure and He is Holy. Allow yourself to be changed into that image of Christ and demonstrate His power. Personal ministry follows this teaching.

17LHDVD4-7 - Kerna Williams - LEVIATHAN IN THE CHURCH - Donation \$6.00 - Zachariah 13:6 "I was wounded in the house of my friends." Here is a sketch of Revelation 2:1 and the conditions of today's end-time churches. 1) Ephesus: you have left your first love; religious imposters have entered the church. 2) Smyrna: you are reviled by those who say they are Jews and are not, the synagogue of satan, bringing spirits of intimidation and fear. 3) Pergamos: you exist in an area where satan is enthroned as Balaam. 4) Thyatira: you tolerate Jezebel, a spirit of compromise and sexual immorality. 5) Sardis: you are

dead; the spirit of tradition has entered and made the authority of the Word of no effect. 6) Philadelphia: you have a draining spirit of weakness because of spoken word curses. 7) Laodicea: you are lukewarm because of wealth and pride. Job 41:34 Leviathan is the king of the sons of pride, an animal that twists, winds and coils, a marine spirit. Proverbs 6:16-19 and Job 13:1-3 tell about the seven abominations of pride and the self-righteous attitude that God hates. Deliverance prayers follow this teaching.

17LHDVD7-3 - Jean Williams - LEARNING TO OBEY GOD - Donation \$6.00 - Jean goes to great lengths to emphasize how important it is for us to obey the Word of God. Obedience does not always come naturally. Just as a child has to learn the consequences of disobedience, so do we. We have to do whatever is necessary to bring our minds and our wills under submission to the Holy Spirit. The flesh hates to submit, but it is God's will that we obey. Jean shares seven things that are very helpful in learning how to obey God. We live in a microwave society where we want everything "right now". That mentality has affected the way we commune with God. It is past time we learn to wait to hear from Him. In the days ahead it will be even more critical to hear and know the voice of God for yourself. Learning to obey God is a process. It behooves everyone to digest this message! Service concludes with deliverance ministry.

17LHDVD7-4 - Kerna Williams - THE SPIRIT OF JANEES & JAMBRES - Donation \$6.00 - 2 Timothy 3:8-9 is the Scripture basis for this message. What we are seeing in this nation is an attack on leadership. Not only is there a political battle going on but there is intense spiritual warfare. The Bible says that "we wrestle not..." and there are many churches that are "wrestling not!". Bro. Kerna exposes many things about the occult that Christians need to know. It is the scheme of the enemy to keep these things hidden! The Word of God commands us to pray for those in authority over us. Bro. Kerna's insight will help you pray more effectively. Will the church be powerless or will the church engage? Message ends with powerful deliverance prayers.

17LHDVD7-9 - Jean Williams - DELIVERANCE FROM THE SPIRIT OF PYTHON - Donation \$6.00 - The ultimate purpose or goal of the spirit of the python is to crush and destroy the vision, dreams and hope of the church and the individual believer. The spirit of the python promotes divination, witchcraft and rebellion. It seeks to break down God's plan and purpose of the local church by destroying the divine order and authority. It will always draw attention away from Jesus unto other human beings or self. This demonic spirit causes people to focus on the predictions of future events and away from now and today. The python is the source of many sicknesses and deaths of many people in curses, spells, voodoo and incantations. Where python is allowed to rule there will be an ever increasing use of drugs. It can constrict the flow of and literally steal our finances from us. As born-again believers we have absolute control and victory over the spirit of the python. Wonderful deliverance ministry concludes this session.

17LHDVD7-10 - Kerna Williams - VANGUARD PEOPLE - Donation \$6.00 - A vanguard is the front part of an advancing army in battle - a group that leads the whole military into battle - a type of reconnaissance team - spying out the land before the battle. God is raising up His army for His end-time purpose on planet earth. He is pruning a people of the soulish order and Kerna goes to great lengths to identify that order. The vanguard people are those who are willing to go into regions and do what the Holy Spirit says do - including tearing down altars and images! They understand the Gifts of the Spirit and are not afraid to move in them. We are in a time when the saints must understand what it is to be equipped! The vanguard are about the cloud of glory - they move with the cloud. This message is not about playing church! It's about impacting cities and nations with Jesus.

17LHDVD10-3 - Kerna Williams - WATCHMAN, WHAT OF THE NIGHT? - Donation \$6.00 - The title of this message comes from Isaiah 21:11 in the Amplified Bible. The authority of the watchman has far reaching impacts if the listener will avail themselves to intercession. Kerna believes there is a clarion call going forth to every man to arise in the nightwatch - to pray and to intercede - so the day can be ruled. When the call to pray comes forth, it takes understanding to know what to do. The enemy knows every trick in the book to abort this "sleep interruption". Kerna shares personal experiences of how his loved

ones were preserved because he was obedient to pray in the middle of the night. Many people don't understand why they are awakened in the night season, and Kerna identifies what some of these things are to help the listener discern what the call of the watchman of the night is. There is much demonic activity going on at night but the gifts of the Spirit also operate at night and as you avail yourself, God will direct you how to pray, what and who to pray for, etc. We're in a time when this nation needs prayer. This message is a challenge to the men (but women need it to!) to pray!!!! Kerna concludes this message with a deliverance service.

17LHDVD10-5 - Kerna Williams - OCTOBER 2017 - Donation \$6.00 - In the Hebrew calendar the month of Tishrei is from September 21st to October 20th. Kerna identifies a variety of actions that are to take place in the spirit realm and in our personal relationship to the Lord during this time cycle. Additionally, this is the month we ask the Holy Spirit to help us to return to our first love - and it is also the month when God wants to touch you and bring you into His presence. Kerna, can switch gears and turn any message into deliverance! And he does so by connecting October to a teaching on mind control. He examines causes of mind control, forms of mind control and things you might want to consider that are happening in your life as a result of mind control. Television is a strong force of mind control - why else do they call it programming? He concludes this service with much deliverance.

18LCDVD2-3 - Jean Williams - DELIVERANCE FROM THE "ITES" SPIRIT - Donation \$6.00 - What are "ites"? They are distractions that attempt to hinder you from reaching the promises of God. They are evil spirits working through people who don't want you to have the promise of all God wants to give you. They are dark forces working against us to keep us from the inheritance that is rightfully ours. But we are here to take it back from these enemies. The children of Israel often found themselves fighting against these nations and were affected by them until God cleared the way for them. God commanded these "ites" to be destroyed (Deut 20:17). We must never underestimate the power of the enemy. The reason satan doesn't give up the fight against us is because he is convinced it all belongs to him. Jean goes into specific detail, breaking down the different modern day characteristics of the "ites". Extensive deliverance prayers and ministry conclude this service with much deliverance taking place. Get delivered as you listen to this message!

18LCDVD2-5 - Jean Williams - BIBLICAL REASONS WHY GOD WON'T MOVE - Donation \$6.00 - Jean begins with a very personal example of facing disappointment concerning the custody of her grandson who was found on the street at 3am...in Chicago, IL. She and her husband, Kerna, made several trips to Chicago only to hear a judge refuse them custody. They had fasted, prayed and cried unto the Lord and were just so sure they would be taking him home with them. So now how do we deal with that? They were doing the work of the Lord and living right. So why didn't God do what they petitioned Him for? Then she began to understand ... it wasn't in God's timing. She was reminded of how when her son was a child, he would ask for something and she would say "no". It is the same for us, sometimes it is a timing issue. Ecclesiastes 3:1 in the Amplified Bible tells us that there is a time and purpose for every matter under heaven. Then Jean goes on to give us 12 reasons, backed by scriptures, why our prayers are not ... or seem not to be answered. Examples ... wrong motives, priorities, needing to forgive, etc. If you have any "whys" between God and yourself, this will be a good teaching for you.

18LHDVD12-2 - Jean Williams - WHERE IS GOD IN OUR PAIN AND STRUGGLE? - Jean is like a Holy Ghost tour guide. She takes us around one curve showing how we feel and think in our pain and struggle - then around the next bend is what the Scripture says. The whole journey is really about where our focus is and our personal relationship with Jesus Christ. God's got us! He understands and He will deliver, but we must wait for Him. He is the final destination through all this back and forth but we have to keep at His "speed" to reach the end result. It's when we try to navigate these twists and turns of life ourselves that we get ahead of what He is doing. That only leads to more pain and struggle! We are looking for Him just around the corner but He wants to speak to us from a different spot. That is why we must focus on Him and not on what we are going through. This message brings understanding to the experiences of pain and

suffering. Embrace what God is doing through it! His ultimate goal remains - to conform us into His image and likeness. He wants us to learn to hear His voice so we can understand what we are going through. Jean looks at 4 ways pain and suffering can shape us. God doesn't just want you to survive - He wants you to thrive. Message concludes with an altar call and prayer.

18LHDVD12-4 - Kerna Williams - DIVISIONS, ISMS & SCHISMS IN 2019 - Jude 17-19 lays out the blueprint for this title. In the end-times there will be scoffers sent to cause division. This prophetic word is not just about the church. It includes government, families, educational systems, work places and more. We should be crying out for God to bring us into a greater measure of discerning of spirits. Kerna profiles what an end-time scoffer is. They come to ridicule, belittle, discredit, find fault, and condemn others to promote themselves. This spirit operates behind the pulpit as well as in the congregation. In the Hebrew, a scoffer is the same as a fool. A scoffer does not want to be corrected. They will recruit others to join in their rebellion. Scriptural instruction is given as to what to do with those who cause divisions, isms and schisms. Extensive deliverance and healing for medical issues (over 60 minutes) concludes this sobering message.

18LHDVD12-6 - Kerna Williams - JANUS OR THE MONTH OF TEVET - Before Kerna begins this teaching he shares 3 recent events that are fulfilling Bible prophecy. He then digs deep into the idolatrous background of the Gregorian calendar, with specific emphasis on Janus (January) and the paganism, witchcraft and impact it has, especially on the mind. Janus is two-faced and a keeper of the doors. Kerna states, "satan's false system (the Gregorian calendar) was introduced into our lives to hinder the blessings." We are being governed by the Gregorian calendar but it's time we understand God's calendar. In the Hebrew calendar, we are in the month of Tevet (Dec 11-Jan 11). The Hebrew calendar is prophetic. It is not the Kabala and it is not Jewish mysticism. We are in 5779 on the Hebrew year which is an era of favor, grace and goodness as long as one walks in obedience to Jesus Christ. Kerna says every month on the Hebrew calendar is connected to the 12 tribes. Tevet is connected with the tribe of Dan. He breaks down the month of Tevet and the blessings of aligning ourselves with the Hebrew calendar. Fasting, praying, purifying, placing things on the altar - these are all part of the month of Tevet. He reminds the people that you will still have to use January when you write a check but to pray about shifting to the Hebrew calendar and it's applications to the Kingdom of God. Kerna concludes the last 30 minutes with additional prayer, ministry and deliverance in the scope of medical issues.

18LHDVD12-7 - Jean Williams - UNDERSTANDING GOD'S TIME AND SEASONS - The only time that you and I have is now, so there's no time to waste to be out of the will of God. This message is really about God's Kingdom business. He is not concerned about your age but with what you did with your time while on this earth. Jesus knew His time and purpose. Many times He said, "My time has not yet come." This is an extremely thought provoking, practical, wise and timely message for all to hear. We want to be aligned with God's timing and season in the decisions that we make. One of the surest ways to miss God's timing for our life today is murmur and complain during our wilderness of dry season. The advice given in this message for the "dry season" is priceless. Jean explains why we must understand time and seasons. She shares 5 advantages of time, 7 things you must know about your season and 5 questions to ask yourself about your purpose. Wasted time is a wasted life. Extensive deliverance ministry concludes this excellent teaching.

19LHDVD5-2 [DVD - \$6.00] - Jean Williams - CONFRONTING THE DEAF & DUMB SPIRIT - After Jean prays, she begins her teaching. We learn how a deaf and dumb spirit operates and the effect it has on us. First, we hear of how it affected her life, beginning when she was a young girl being bullied at school, causing her to refrain from speaking because of embarrassment. That was a stronghold...and she gives a very thorough description of how a stronghold works. Then we get scripture Eph. 6:11-12 instructing us to put on the whole armour of God which enables us to do battle and win. It's vital that our ears are hearing what the Spirit of the Lord is saying to us. Mt. 13:43, Jesus says 'Who has ears to hear, let

him hear'. We are called and given authority to confront and evict demon spirits. The enemy's job is to rob you of your calling. In Mk. 9:25, Jesus commanded the deaf and dumb spirit to come out...and we see in vs. 26, it obeyed. This spirit is connected to learning disabilities, A.D.D., concentration, spiritual and physical deafness. We have ears but we are not hearing. Is. 42:18-20 we see that even with eyes and ears, we may be blind and deaf. She gives a personal example of her husband saying one thing and she would hear something different. Communication issues are prevalent in marriages, which is a focus of our enemy. Jer 5:21 speaks of eyes and ears but no understanding. Jean lists and explains with scriptures, the causes and description that allow this spirit to enter...trauma, addiction, infirmity, etc. She also lists manifestations. God gives us the authority and the strategy to win this battle! The good news is that God is a restorer! Ps. 23:3 He restores my soul. Deliverance follows.

19LHDVD5-4 [DVD - \$6.00] - Kerna Williams - TIMES OF VISITATIONS - Kerna begins by going to Joel 22:28 which says, You shall decree a thing and it shall be established. We want our words to stir and activate what is in the atmosphere. He uses Micah 7:15-20 as a basis for the word spoken to be decreed. We see in Gen 20 that Abimelech was warned in a dream that Sarah was Abraham's wife...a visitation which served as a warning. Gen. 41, Joseph interpreted dreams of 2 men concerning Pharoah as meaning the same...confirmation. Kerna then told of a dream he had about Donald Trump 2 nights in a row...confirmation. He says we are in a kairos time when God is speaking clearly BUT we are not listening. He points out that Gen. 41:32 says that when there is confirmation, a thing is established. He points that according to Job 33:14-15, God speaks to us in dreams and visions as we sleep. Vs 16 says He also speaks words of instruction, that we can know His way. We need to learn to apply the Word of God by action...making ourselves vessels that God can use...first to listen and hear...then follow thru with intercession, etc. Another amazing dream is spoken of in Mt.1:20 where an angel appeared to Joseph in a dream giving the fact that the baby would be a boy and His name would be Jesus. Jesus promised greater works. At this point Kerna begins to declare and prophesy a place of power, dominion, authority and influence that is coming in and to God's people in this time, operating in the spiritual realm. Believers are to be demonstrating the kingdom of God. We are then told of 4 dreams that he has received and the interpretation of them. Deliverance follows.

19LHDVD5-5 [DVD - \$6.00] - Kerna Williams - MENTAL PASSIVITY - Listen up, Christians, as Kerna takes us into deeper deliverance. Bluntly put, Satan is after the minds of believers. He's playing for keeps. Kerna doesn't sugar coat this. It's really a matter of life and death. Opposite the mind of Christ means your mind is full of demonic mind-control. If Jesus is not Lord of your mind, your mind can be under mind-control, mind-binding and blocking type spirits that you aren't even aware of. Let this mind be in you that is also in Christ Jesus. This message focuses on mental passivity in professing believers. Many, many Scriptures are shared concerning the mind - both spiritual and carnal. One of the definitions Kerna gives of mental passivity is to put your mind in neutral, thus having no control. We must bring into captivity every thought to the obedience of Christ (God's Word). If it doesn't line up with the mind and heart of God, it will get us in trouble. If it's not a fruit of the Spirit it is a work of the flesh. Our minds cannot be passage ways for demons to come and go. We must guard our thoughts. Television, the internet and sad to say, many churches are portals for the enemy to enter your mind. Some churches disregard holiness. They either embrace or tolerate the occult (mind-altering drugs), eastern religions (Yoga), fornication (and most sexual sin) and have compromised the Truth of God's Word. We, as Christians, cannot just assume that everything that goes on in the Church is God. We must seek His Truth for ourselves and not be gullible and give the enemy a foothold or stronghold in your life.

19LHDVD5-7 [DVD - \$6.00] - Jean Williams - IT'S TIME TO COME OUT OF LO-DEBAR - Jean said she believed her message is for this time because she could see a lot of people weighed down...not knowing how to experience our Lord...and it's time to get free! Many are still stuck in Lo-debar. She begins by telling us about Mephibosheth, Jonathan's son, and the grandson of Saul. 2nd Sam 4, tells us of an accident that left him lame. Some of us have been crippled by someone else's mistake and are wondering if we are ever going to get free. Lo-debar means without pasture, no communication or

direction...depressed. She points out that it's not our fault if we were molested or abused as a child or if you had no parents or had to raise ourselves. King David learned of Mephibosheth and desired to bless him because he was the son of his friend Jonathan. When we're in Lo-debar, we're hopeless and don't believe things will ever change...but GOD! He says it's time to come out! He will send deliverance from Lo-debar. He desires for us to dine with Him but we don't know how to have a friend. We feel unworthy but God will make a way to get thru to you. Jean gave a very moving testimony as to how He got thru to her. Eph 2:6 tells us that God has raised us up and made us to sit together in heavenly places. He desires that we be together with Him. In Is. 55:1, God calls out to those who are thirsty. He's got the answer but we must choose to respond. Joel 2:25,26 says God will restore what has been taken from you. Deliverance follows.

19LHDVD9-3 [DVD - \$6.00] - Kerna Williams - GRASSHOPPER INVASION IN LAS VEGAS - A sub-title could be "America - A Call to Repentance". Many of you are unaware of the time that you are living in. It cannot be emphasized enough, that with the things that are being released upon this earth ... we must know the power and the protection of the Lord and have the Holy Spirit mark us. There are black clouds over America but in the midst of that darkness can be found God's Glory. At times He dwells in thick darkness (1 Kings 8:10-12). A prelude to the explanation of the grasshopper invasion was the plague of locusts sent by God on the Egyptians. Kerna presents the case for us being "as it was in the days of Noah". Man is playing God in the laboratories - cloning and making hybrids. Demonic portals are referenced and explained. On July 27, 2019, millions of grasshoppers invaded Las Vegas. News media reported it as a "plague of Biblical proportion". Was this a prophetic sign? Could it be the warning of a coming military invasion? Is God judging the spirit of Egypt in America? God told Israel He would make a full end of all the nations but I will not make a full end of thee. We are in a dangerous time in this nation with a threat of civil war. The spirit of Egypt is brother against brother - sword against sword (Isaiah 19:1-4 Ampl). God showed Kerna it could be stopped through intercession. After this intense teaching is concluded on the grasshopper invasion, Kerna spends the remaining twenty-five minutes taking the congregation into deep deliverance ministry. The anointing of the Holy Spirit was strong to deliver and many demonic chains were broken!

19LHDVD9-4 [DVD - \$6.00] - Jean Williams - THE REVELATION OF GRACE - Jean begins with prayer, taking authority over anything that would attempt to interfere with what God wants to do during this conference. She testified of how she had to do battle in order to even be able to come to this conference. However, God is ever faithful and the battle was won and she gave God all the praise. She begins her message by saying that the revelation of grace is Jesus Christ. Revelation is the act of revealing or communicating divine truth, of the enlightening by God to mankind. Grace is our heavenly Father ... His enabling power and spiritual healing given of God to us to enable us to carry out a life of victory. It's all about our relationship with Jesus Christ. She then takes us to Gen. 37 where the story of Joseph unfolds and multiple impossibilities are before him. Then we see how God moved to cause him to have victory over all his enemies. This is what Jesus Christ can and will do on our behalf when we have a revelation of Him and His grace. We must understand that whatever we are going through is for a purpose. Spiritual warfare is real but God uses these battles. We must begin to seek God for the purposes so they become guidelines for our walk with God. 1st Cor.1:27 says that God uses the foolish things of the world to confound the wise. We looked at Judges 11:1-11 and saw how God took a nobody ... Jephthah ... and made a somebody of him. We serve the same God! The enemy does not want us to go into our Godly destiny but if we believe God, He'll take us to 'impossible' places. Ps. 34:9 says, "Many are the afflictions of the righteous but the Lord delivers them out of them all." We know that verse but do we believe it when the battle is on? She emphasizes the importance of staying in the Word, planting it on the inside of us, speaking it, and knowing God is faithful to fulfill His word. Jean continues to give us direction using many scripture, giving examples of types of attacks and our correct response. Deliverance prayers follow.

19LHDVD9-6 [DVD - \$6.00] - Jean Williams - A STEADFAST SPIRIT - Jean begins by leading us in a declaration, concerning our reception of God's wisdom, prays and then goes into her message. dependable. We need to ask ourselves if that describes us. God is drawing us unto Himself for a purpose, so He can show us things. This is why the enemy tries to discourage us from being quick to respond by diverting our attention to other things. What is your goal? Do you have a determination to attain? In Ps 51:10 David prays to have God create a clean heart and renew a right spirit in him.. In vs. 12, he asks for a free spirit, a willing spirit. He desired to be steadfast. God is looking for Christians that are rooted, grounded. The days are coming when we must be determined to be faithful to God's word no matter the circumstances. In the midst of the trials, we decide how to react. Will we be unwavering in our relationship with God or will we waffle or compromise? James 1:12 shows us there is good resulting from enduring temptation. Embrace it. Jesus says in Jn. 16:33 to be of good cheer for He has overcome the world. When God's word has penetrated your spirit and you realize where you stand in Him, the situations around you won't disturb your peace because you know He has your path ordered. Ps.108:1 speaks of a fixed heart. If we find ourselves drifting, we must go to God and find the cause. Are we faithful in prayer and regularly in His word? Eph.6-18 is our instruction. Is. 26:3 says if we want perfect peace, we must keep our mind focused on God. Intimate relationship with God is possible, but we have choices to make if we want to live there. 2nd Tim. 2:15 says, "Study to show thyself approved, a workman that needs not to be ashamed, rightly dividing the word of truth." This is the necessary key to having a steadfast spirit concerning your walk with God, healing or deliverance. Without that steadfast spirit, we are vulnerable to the errors of this world including false religions. Jean finishes with several more scriptures and then goes into deliverance.

19LHDVD9-7 [DVD - \$6.00] - Kerna Williams - THE ABRAHAMIC COVENANT - This message breaks down into three parts. In the first arena, Kerna tackles satan as the anointed cherub (Ezk 28:14), identifying there is an anointing. He is the prince of the power of the air, the god of this world and is a formidable adversary. He has authority in his kingdom and attempted to impart, activate and release that authority to Jesus in Luke 4:5-7. Jesus, leading by example, allows us to pattern His victory through, "It is written." Satan hates God, the nation of Israel and ultimately every believer - especially those who cast out devils. Many Scriptures are presented in this portion of the message identifying the nature of satan and his ongoing rampage against those he purposes to steal from, kill and destroy. Points to be considered are that God chose Israel to be a witness to the world, they were given the Bible and the Word of God and through that lineage we were given Jesus. Part two of this message centers on the Abrahamic covenant with particular emphasis on God's covenant of favor (Gen 12:1-3 Ampl). Don't mistake Kerna's contagious excitement over the blessings of Abraham with anything that has to do with the "prosperity message". He believes that to be the gospel of greed and is a perversion of the blessings of the Abrahamic covenant that God has for each of us. He answers the question, "What is favor?" It is kindness beyond what is due to you. His love of the Word of God is shown in the many Scriptures he shares dealing with favor. It is important for believers to understand their inheritance and that we are heirs to these promises. He concludes with a proclamation of favor over the congregation. Part three is the ministry of deliverance that begins with a comprehensive attack against every conceivable type of death related spirit one could have, and is followed by an all-inclusive deliverance prayer against the nest of spirits that attack marriages. Additional areas of deliverance prayers are alcohol, occultism, inner ear diseases, eye disease, feet problems, heart problems and more.

19LHDVD12-3 [DVD - \$6.00] - Jean Williams - BREAKING THE ACCUSING SPIRIT - We began by decreeing who we are and what we believe, emphasizing the benefits of favor. In Rev 12:9 &10, we can see that satan is the accuser of the brethren. Accuse means directing blame in order to bring persecution....to kill, steal and destroy. Job's life was a good example of what our enemy's capabilities are. He was a very rich man with family, he loved God, yet everything was taken from him, causing him to wonder what he'd done wrong. She gave an excellent personal example of how the accusing spirit operates. When accused, sometimes the accusation goes deep into our spirit, causing us to question even when we know the truth. This is especially true when there is family or close friends involved. In studying Job, she began to take notice of what he was. He was a man of integrity, wisdom, and substance. The accusing spirit wanted that to all fall because he was a man of influence...people paid attention to him and since he loved God, the enemy wanted to take him out. It's the same with us. If our ministry or testimony honors God, we

will be attacked. Job 1:25 says the thing he feared had come upon him...and come unto me, meaning that his spirit was vexed. When we are attacked, our integrity questioned, the spirit of fear will come. We soon forget that God is with us and is in control and we may begin to believe the accuser. If we remember who we are in Jesus Christ, we can stand in the face of the accuser, but fear affects our entire being. Prov. 18:21 tells us that death and life is in the power of the tongue. So, it's vital that we do not agree with the accuser. 1 John 4:18 says that perfect love casts out fear...not made perfect in love. 2nd Tim. 1:7 tells us God did not give us a spirit of fear but of power, love and a sound mind. We need to believe and speak the word of God. Jean says that our enemy has gone to another level and we must also! We continued to get examples of the different tactics of that spirit as well as what our responses should be. Sometimes we may fall but Prov. 24:16 says that a just or righteous man falls seven times but he gets up again. So, we must not lose hope or give up. In the end Job prayed for his accusers and ended up more blessed than when he started. There's much more instruction followed by repentance prayers and deliverance.

19LHDVD12-4 [DVD - \$6.00] - Kerna Williams - PREMATURE DEATH & ENDTIME ASSIGNMENT - Kerna begins by telling us that according to the Hebrew calendar this is the year of Peh which is a prophetic picture of a mouth. So we see that for the next decade our mouth determines our inheritance whether we curse or bless ourselves. It is a time to decree and declare a reversal to the plans of the enemy. We then go to Job 22:28 which talks about decreeing a thing and it shall be established unto thee. At that point he led us in a series of decrees to shift the atmosphere, especially concerning assignments against our family and ourselves this year. We are in a war, so you'd better be prepared to do battle for your life. In Luke 22:31, Jesus tells Peter that satan desires to sift him like wheat. That's what he desires to do to you and me also. This means to strip and overthrow us, to dethrone us in every area of our lives including our physical life. In other words, to kill us before our time. Kerna shared a very serious situation that happened while on a mission trip where a spirit of death overtook him. After returning to the states, he began to ask God what had happened. He learned that he was not alone...that it had happened to others. It seems that satan has begun to use this type of tactic to abort our destiny. Eccl. 7:17 says not to be wicked or foolish, for why should we die before our time? Ps.25:23 says that bloody, deceitful men shall not live out half their days. Prov. 10:27 says the fear of the Lord will prolong your days. Eph. 6:1 gives instruction for children. Verse 3 says the result of obedience is long life. 1 Cor.11:28 speaks of being properly prepared to receive communion and the danger of partaking without doing so - weakness, sickness and early death. 1 Chron.10:13 tells us why King Saul died an early death. He didn't keep God's word and sought counsel from a witch. Kerna continues to give examples of how our life can be shortened. John 10:10 says the thief comes to steal, kill and destroy. But Jesus said that He had come to give us abundant life. Our choices play a vital part in our life. We must stand strong in the face of the enemy as we are not ignorant of his devices and we must take our authority over the spirit of death. Deliverance prayers follow.

19LHDVD12-6 [DVD - \$6.00] - Kerna Williams - THE DONALD TRUMP SYNDROME - This is a time to get real about what the Word of God says. As believers, we are mandated by the Word of God to love. 1 Jn 3:14-15 clearly tells us, "We know that we have passed from death unto life, because we love the brethren. He that loveth not his brother abideth in death. Whosoever hateth his brother is a murderer: and ye know that no murderer hath eternal life abiding in him." Hate is the manifestation of a spirit of murder. If you hate, there is a spiritual death trying to line itself up with you. Kerna has seen so much seething hatred amongst believers for President Donald Trump. Whether you like the man or not, 1 Tim 2:1-3 tells us it is acceptable to the Lord that you pray for him. Whether you believe it or not, or even care, the White House is under intense spiritual warfare. The psychiatric profession has now named Trump Derangement Syndrome a mental disorder and if you are a Trump supporter that is how you are being classified. Why is there so much hatred for this man? Do we as Christians not know that anyone that is fulfilling God's assignment and purpose becomes a target? Have we not considered that God has appointed this man for the destiny of this nation? Perhaps we are much closer in Bible prophecy than we think. Consider coming off the mind-control plantation and the hypnosis you are possibly under from the mainstream media and recognize that God uses whoever He pleases to accomplish His plans. Kerna makes it clear that Donald Trump is not being glorified in this message - all glory goes to Jesus! He educates the listener on the

Hebrew roots of why we are in the "season of the mouth" and shares multiple scriptures on the evil cavity of the mouth and tongue. In that same vein he includes prayer, decrees and declarations for 2020. The final thirty minutes is devoted to prayer and deliverance ministry with an emphasis on medical problems.

19LHDVD12-7 [DVD - \$6.00] - Jean Williams - NEW LEVEL OF KNOWING GOD - Before this message begins there was a wonderful move of the Holy Spirit and we included that. How do we get to that new level of knowing God in a more excellent way? Jean gives "spot on" direction from the Holy Spirit that helps us not only reach for that new level, but also jump the hurdles of opposition that will come. One of the greatest barriers we will face in going to a new level is being too comfortable in the one we are in! We have a choice to allow Him to move us forward. If you choose to accept the call, then believe He will equip you as you begin to feel the responsibility and authority of this new place. You must be prepared for an increase in spiritual attacks. The more you move into this new level, the greater threat you are to satan's kingdom. Be aware that transition takes time. Don't get ahead of God. The flesh always wants to push us. Be patient and spend time with Him. God has designed change to be a process, not an event. We must have bold faith in this new level. His way is a way of faith. The problem plaguing many of us is that "if we can't see it, we can't believe it". We must exercise "now" faith (Heb 11:1). We must commit to overcome the opposition. As God moves us forward, the devil wants to move us backwards. He will attempt to overwhelm us with thoughts of "this is too much for me" or "I can't do this." We must apply the Word to our situation, to our circumstances. As you sense the call of God to move you to a new level, ask Him for discerning of spirits, to give you assurance that you know, that you know, that you know. Once this is established in your heart you are better able to "stand your ground in the Lord!" Remember, to know God is not just knowing the stories of Scripture. It is to know Him in experience. He desires relationship. It takes time to spend time. Will you make the time?

COL. SPEED WILSON

10LHDVD9-1 – Col. Speed Wilson - WORLD WAR 2, KOREAN WAR AND VIET NAM – Col. Wilson gives personal testimony as well as photographs from his beginnings in Texas where he began his pilot training as a Marine. We saw several planes used in the many battles and heard vivid descriptions of the battles fought in three wars. We heard the details of ending up in the ocean, with his face crushed and how he made God a promise to serve Him if he was allowed to live. There were many battles described with several other stories of his planes being disabled. His actual salvation experience had to be explained to him by a chaplain but it changed his life. He said there are no atheists in foxholes. (The DVD has volume decrease about 1 hour into the message that cannot be fixed.)

10LHDVD9-5 – Col. Speed Wilson - KNOWING THE TIMES AND SEASONS – Speed gives much info on where we've been, where we are and where we're headed. Nine times in the New Testament, it says that God would not have us to be ignorant. Seventeen times in Mt and Lk, Jesus says that deception is the mark of the age. Numbers are very important in the Bible and still pertain to us today if we are able to discern them correctly. When we are baptized in the Holy Spirit, we are baptized into the body of Christ and are to be operating in the kingdom - now. This teaching gives many statistics to show us how to understand what is happening now and what an exciting time is on the way.

10LHDVD9-9 – Col. Speed Wilson - UNDERSTANDING CURRENT EVENTS - God considers knowledge important to His people –Hos 4:6, 2nd Peter 1:5. In 1863 Abe Lincoln spoke of conspiracy. Then we had Woodrow Wilson, Garfield and Kennedy. All were killed. There has been a worldwide conspiracy to destroy civilization as we know it - engineered by the Illuminati. How news is reported is important but news that is not reported is even more so. There is much going on that the regular citizen knows nothing of. Speed exposes many plots, naming names and giving specifics. He also warns against getting involved in foreign affairs. Our troops are in over 30 nations - not many left at home. Trusting God is our only workable option.

10LHDVD9-13 – Col. Speed Wilson – END-TIME DECEPTIONS - Speed says if you don't learn from history, you will repeat history. A democracy will always collapse from a loose financial system, becoming a dictatorship. The USA has gone full cycle. What happened to the Republic? He says the border will not be closed and that eventually Mexico, the USA and Canada will become one nation. You will get an overview of our future with Scripture references to prove the statements. He blows the "rapture" theory out of the water with 17 Old and New Testament references. In addition, we heard what our part is, in this age. Be not deceived - study this for yourself.

10LHDVD9-14 – Col. Speed Wilson – END-TIME BABYLON AND MR 666 - In the body of Christ, no one has all the information. Each one has a piece. Tribulation is translated 32 ways. The Col. goes into much detail concerning 666 - how it is integrated into many aspects of things we're totally ignorant of, including our alphabet and Roman Numerals. He explains all this in this teaching. In the end, if we don't deny Jesus, we will end up in concentration camps and He says the Shekinah Glory will be visible to us. He gives testimony of his experience on the battlefield. This message is packed full of pertinent information for anyone who wants to know truth.
