

**AUGUST 2022**

We pray this little bit of news from Lake Hamilton Bible Camp finds you thriving in your spiritual walk with the Lord! The Summer Camp Meeting was filled with warfare, but most everyone pressed through. God brought salvation to some and tremendous deliverances and healings to many. It was said there is an atmosphere of Jesus here because the truth of God's Word is proclaimed. Thus so many deliverances and healings occur. The teachings lit a fire under many of us. We hope you will either obtain the CD's, DVD's or MP3 or listen to the messages on YouTube or LHBConline.com. We don't invite ministers to come here to tickle your ears or pamper your flesh. These men and women of God seek the Holy Spirit for truth that will set God's people free - not so they can do their own thing - but so God can continue to bring forth His Kingdom in and through them. Deliverance, dying to self, repentance, forgiveness, and making right choices are all a part of equipping the saints to go forth and make a difference in their homes, churches and communities. Light makes such a difference in darkness!

## 2022 SUMMER CAMP MEETING MEDIA

**22LHCD7-1 [CD - \$4.00] or 22LHDVD7-1 [DVD - \$5.00] - Randy & Callie Richey - SINS OF THE TONGUE** - Randy comes out of the gate in this first service with prayers of repentance, praying and casting out devils. He begins sharing about a release from "collective captivity" then Callie leads the congregation in thorough prayers to be set free from ancestral bondages. Two of the Ten Commandments instruct against sins of the tongue - Ex 20:7 & 16. In Pro 6:16-19, three of the things God hates has to do with the tongue. Numerous Scriptures are shared to reveal the critical need we have as Christians to tame our tongues. We need to be careful to "taste" our words before we let them pass through our teeth. The message is full of winning strategies to help us not sin with our tongues. Deliverance prayers and needful ministry throughout this entire message.

**22LHCD7-2A & 2B [2 CD Set - \$6.00] or 22LHDVD7-2A & 2B [2 DVD Set - \$8.00] - Jean Williams - GOD'S COVENANT & Kernaa Williams - GIFT OF DISCERNING** - **Jean:** When the Bible speaks of God's covenant with His people it is explaining how our relationship with God is made by His provision and exists by His terms. Through covenant with God we enjoy a relationship with Him that is akin to marriage. It includes protection from satan which is our enemy. It is God's covenant in that it is conceived, devised, determined, established, confirmed and dispensed by God Himself. His covenant is forever. Jean answers the question why God wants us to come into a covenant relationship with Him. She highlights five people in the Scriptures that God had a covenant with. The purpose of these covenants that were given was to address the problems and the sin unleashed into mankind and throughout the creation. She addresses the blessings that come when we align ourselves and obey God, as well as what happens when we violate His covenant. Walking in obedience to God's covenant equips us with covenant authority to execute war over the enemy that is advancing against God's Kingdom. With that Jean takes the listeners right into intense deliverance ministry. **Kernaa:** Many New Testament churches have counterfeit spirits masquerading as angels of light, infiltrating the body of Christ yet nobody is discerning. Kernaa admonishes, "Playtime is over. Your life will depend on your relationship with Jesus Christ." It's time for believers to understand how to operate in the gifts of the Holy Spirit and the specific cry of this message is for the discerning of spirits. In the days that are coming it is critical that we are able to identify what we are seeing - to discern the good from the evil. A vivid example of how determined the devil is, look at Luke 4:6 where satan attempted to give Jesus his power and authority. No one is exempt from being a target! Kernaa identifies numerous things to be aware of as the believer seeks to be equipped with discernment. The message concludes with prayers for deliverance.

**22LHCD7-3 [CD - \$4.00] or 22LHDVD7-3 [DVD - \$5.00] - Geri McGhee - HOW THE ENEMY GETS GROUND** - Geri wisely lays out the Scriptural principles as they relate to the title of this message. She simply states, the reason we need deliverance and healing is either because of our sin or the sins of our ancestors. We really don't have a demon problem, we have a God problem. Under the umbrella of Psalm 91, when we are walking in obedience and under His authority, we have a safe place.. When we're outside of God's refuge, we position ourselves to be hit by the enemy. One of the ways the enemy gets ground is by how we are trained up by our parents. When a man's ways please the Lord, it makes even his enemies to be at peace with him. When you don't know what to repent of, start reading the Word of God. Geri uses the example of the word "fool". When you do a word study on that you'll find plenty to repent of! This life-changing message concludes with deliverance prayers and ministry.

**22LHCD7-4 [CD - \$4.00] or 22LHDVD7-4 [DVD - \$5.00] - Deborah Vails - DEFEATING OCCULT MANIPULATION & DECEPTION** - Both parents and children are in the crosshairs of this message. She connects the dots of rebellion, pornography, idolatry and witchcraft to the demonic video games that have their claws in children and adults, including Christians. Children love to play but the enemy is the one who preys! Some do not think of a video game as being wicked, however, these games are enticing young people into fantasy, creating worlds that are not real. The problem is when enough time is spent in the altered reality, that becomes their reality. It's the parent's responsibility to say, "No", and not give in just because the child wants it or everyone else has it. The manifestation of rebellion and disobedience that these games produce set a path of destruction for those entrapped by them. God expects us to obey. The more disobedient you are the longer it's going to take you to get where God wants you to go. She tells the young people she has a responsibility to tell them the truth. They are the church of tomorrow! Prayer and ministry to the children conclude this needful message.

**22LHCD7-5A & 5B [2 CD Set - \$6.00] or 22LHDVD7-5 [DVD - \$5.00] - Randy Richey - DESTROYING JEZEBEL** - In this message, Randy dives deeply into the roots, effects and remedy for the spirit of Jezebel. The Jezebel of the OT and NT share similarities. She brought idolatry and immorality into God's people. This spirit is undergirded by rejection, rebellion, anger, control and fear of losing control. There are reasons and roots for this stronghold. Jezebel infects people who are victims. God has an order and when we get out of His order we have trouble. Sound advice for husbands and wives, based on Scripture, is provided in this session. Jezebel is a master of web spinning strategies like a spider that spins its web to catch its prey. Editor's note: Jezebel spirits would most likely be included in what is spoken of as "the depths of satan"! Specific renunciation prayers and ministry concludes this much needed teaching.

**22LHCD7-6 [CD - \$4.00] or 22LHDVD7-6 [DVD - \$5.00]- Geri McGhee - GUARD YOUR HEART FROM IDOLS** - Flee idolatry. What does that mean? Many people think that because they don't worship Buddha, statues, Diana or Catholic saints, they don't have any idols. An idol is anything we love, or are trusting in more than God. Geri presents an extensive list of what some of our idols are. When you realize anger, depression, jealousy ... the list goes on and on, are all idols we are full of them! Any disobedience against the Word of God is idolatry. Many have an unloving spirit, a voice that speaks to them negatively about themselves, i.e. self-hatred, self-rejection, etc. They think it's them but it's a demon that needs to be cast out. Wisdom and practical experience as to the means

and purposes of dying to self are shared here. Based in Scripture, she shares many potential consequences of having idolatry in our lives. Prayers of repentance and deliverance conclude this message. Little children, keep yourselves from idols.

**22LHCD7-7A & 7B [2 CD Set - \$6.00] or 22LHDVD7-7A & 7B [2 DVD Set - \$8.00] - Jean Williams - Spirit of Self-Pity and Kerna Williams - ANCIENT SPIRIT OF PERGAMOS - Jean:** Self-Pity is excessive, self-absorbed unhappiness over one's own troubles. It is when we have pity for ourselves especially when we have a self-indulgent attitude towards our own hardships. Something bad happens to us and we decide to bear our loss alone since no one else apparently will - as the enemy would have us to think. It is our sinful selfish response to something not going the way we think it should. It is a subtle sin and we often don't recognize it right away because it wears a disguise of righteous indignation. We feel justified to indulge after the injustice we suffered, even if all that happened was that we didn't get our way. Everyone has been prone to self-pity because we are born with a drive towards self-centeredness. Scriptures that provide a way of escape from this are shared. The cure for self-pity is understanding how pitiful it really is! **Kerna:** This message is centered on Rev 2:12-17. Each one of the 7 churches in Asia represent the condition of our present day churches. After a brief review of them, Kerna targets the depths of Pergamos. This was satan's seat. He lists some of the pagan gods in the area of Pergamos. Satan's seat affected the entire church and geographical location. The one sitting on the throne has a great impact on the surrounding area, whether it be church, city, county, state and country. Pergamos has 3 special meanings, the first being that the church was married to worldly power. There will always be a few who hold up the name of Jesus and not deny the faith. Saints of God are coming into a time when we say, "If I live, I live for Christ and if I die I die for the Lord." A glorious touch to the three-fold promise for the overcomer found in vs 17 comes to light. Deliverance ministry concludes the final thirty minutes of these two excellent teachings.

**22LHCD7-8 [CD - \$4.00] or 22LHDVD7-8 [DVD - \$5.00] - Deborah Vails - RETAINING AND MAINTAINING YOUR DELIVERANCE - Randy Richey** shares some nuggets for about fifteen minutes prior to Deborah teaching. Change causes you to change. Most often when folks leave camp they go back into the same environment they were in. You don't want to lose what God has done for you. He gives us tools to help retain and maintain what He has done. Maintenance means you are continuing to get help and be set free. Seven steps are shared to help one stay free. The battle is in the spirit realm and she gives great insight into the full armor of Eph 6 and the tactical advantage it provides us. Fill your heart and mind with the Word daily. The "I" in idol will take you all the way to hell if you're not careful. Forgiveness must be an active part of your life, every single day. You cannot maintain deliverance apart from the Word of God. By doing the seven things she teaches you will insure that your house, your life is filled after having been cleansed. It is a spirit that attempts to trick you to regain entrance. See that it is cast out as soon as possible, either by yourself or with the help of other believers. If other areas of demonic activity in your life is brought to the light, seek deliverance.

[Women's Daily Declarations for Spiritual Warfare](#) - **Biblical Principles to Defeat the Devil by John Edkhardt** - \$16.00 + postage - Defeat the Devil and Rout His Demons ... Every Day of the Year. With the same bold, declarative style as the best-selling book *Prayers That Rout Demons*, this daily guide gives you inspiration, understanding, and direction for actively confronting demonic strongholds. You are God's beloved daughter, and each day's text is written from His point of view, giving you the power and wisdom to pray for your needs or the needs of others. Each day includes: My Call to Battle--wisdom and counsel from God's perspective on a specific topic. Prayer Declaration--a scripture-based prayer and an opportunity to identify someone to pray for. Word from God--a specific Bible verse focused on the day's topic. Hardcover - 382 pages - 6-1/4"x4-1/4"

[Engaging Morals to Defeat Pornography](#) by Monty Mulkey - \$7.00 + postage - This booklet looks at how to engage morals in order to get victory over any sin. Many struggle with trying to get victory over sexual issues and that is the primary objective of this text. Lust has such a broad application but it is the author's hope this book will help you gain understanding so you are able to have victory over any sin and any demon. Sin doesn't just sneak up on us. No, you literally go through a process of being drawn away from morals, values and principles. There was a day when people were raised with a certain set of behaviors and you lived by them. It was a type of moral code. A way of life that we don't have anymore. Because they took a major one out of schools, it's called the Ten Commandments. It's the representation of right and wrong. Paper - 29 pages

**Unshakeable by John Eckhardt - \$17.00 + postage** - We all know people who sometimes act in polar opposites: the minister who is godly, prayerful, and holy at times, yet has periods of sin and perversion; the person who is outgoing and cheerful, yet falls into bouts of withdrawal and depression; or the person who is gentle and kind, yet has periods of outburst and rage. Unshakeable is a teaching unlike any other from best-selling author John Eckhardt on breaking the most binding, demonic force: double-mindedness. Through this powerful book you will develop a firm, Christlike identity that will not be easily shaken by this world. You will learn how to overcome the manifestations of double-mindedness that result in: Broken marriages and divorce - Indecision and passivity - Bitterness and anger - Hurt and offense - Fear and rejection - Spiritually rooted sickness and disease - And much more! Paper

**Spirits of Addiction by Monty Mulkey - \$7.00 + postage** - The important aspects to be understood from this booklet is that being an addict involves much more than just the habit or the doing of something. Addiction changes the soul so that you've become the addiction. In order to put something away, you will have to change the patterns, or characteristics that you've become. Speaking, thinking, understanding, etc. If you don't receive deliverance from the spirits that have created these patterns, you'll still be an addict, even if you've stopped the activity. For example, you may no longer drink alcohol, but for all practical purposes you're still an alcoholic if you think and act like one. And the spirits are still inside you, waiting for you to have a bad day sometime in the future and then will manifest again, destroying your life. This, of course, is no small work and will take you some time in accomplishing. But once completed, you will be a new person, or the real you. Paper - 33 pages
