## LABOR DAY CAMP MEETING DVD'S & CD'S

**22LHCD9-1 [CD - \$4.00] or 22LHDVD9-1 [DVD - \$5.00] - Deborah Vails - EXPOSING AND DEFEATING THE SPIRIT OF JEZEBEL** - The background for this teaching is taken from 1 Kings 18 - 21 and II Kings 3 - 9. The spirit of Jezebel is very vicious. It will tear up homes, churches, jobs - anywhere it can destroy God's order, government and authority. We need to be aware if any of that spirit resides in us, we should want it out! Some of its characteristics are it will attempt to abort your destiny, promote false prophecy, intimidate and will attack your mind. Don't run like Elijah did, when the enemy gets on your heels. When things come at us, the way to overcome it is with the Word of God! Deborah visits a lengthy list of various symptoms that are hiding behind Jezebel's influence. The operative word here is hiding! It's easy when you are in leadership, if you are not careful, to slip over into control. Take inventory and let the Lord root out this spirit in any area it has set up camp. Prayer of deliverance concludes this timely message.

**22LHCD9-2A & 2B [2 CD Set - \$6.00] or 22LHDVD9-2 [DVD - \$5.00] - Randy Richey - THE MIXTURE** - In this teaching Randy presents to the listener why the Lord is going to have to shorten the days if man is going to survive. Now, if you are already born-again you don't have to worry about survival. (Matt 24:22 & Mk 13:20) He speaks about giants in the land and supernatural beings originating from a mixture between man and something else. Then something happened again after the flood. He tethers what he teaches back to the Bible. It's the mixture that causes destruction. When the restrainer is lifted, the man of sin will be revealed. But man does not set that - God does. How does this all apply to us today? Jesus said, "As it was in the days of Noah ..." Though the Scripture tells us there is nothing new under the sun, there's mixture coming that far exceeds what has already been conceived. There is a plan to offer immortality apart from God. It's all about genetic alteration. What does it mean to behave? It means you have a heart of obedience.

**22LHCD9-3A & 3B [2 CD Set - \$6.00] or 22LHDVD9-3 [DVD - \$5.00] - Jean Williams - SPIRITS THAT BLOCK YOUR DISCERNMENT - Kerna Williams - DREAM OF ROMANS 8:2 - Jean:** Many times we wonder why we don't have clear discerning of the spirits. It's because we have spirits operating that will not allow us to hear what the Spirit of the Lord has to say. She answers the questions, "What is discernment? Why do we need discernment? What are some of the spirits that block discernment? How do we develop spiritual discernment?" God has given us this gift and He wants us to use it in an appropriate way. Spiritual gifts are given for us to help one another. When we walk in obedience to God, He leads and guides us in the use of the gift He has imparted. True discernment comes from the Holy Spirit and is a way of having insight in determining the true nature of a situation, person or thing. She shares scores of various things that block our discernment. Kerna: This is a call for the demonstration of the Kingdom of God in the earth realm! He walks us through Job [33:14-19](#) and shows the numerous ways God wants to speak to His saints. Then he lays

the foundation for how God gives instruction and direction in the night season. The presence of God has no boundaries. Kerna had a dream on 08/06/22. He was in a hospital and there were people there who were sick. The patients all were looking at him and some began to point their fingers at him. One by one they said to him, "For the Spirit of life in Christ Jesus has made me free from the law of sin and death." It became a domino effect. He woke up then fell back into a deep sleep and this time he began pointing his finger at them, quoting Rom 8:2. He breaks down the symbolism of the dream. Then goes on to share how John G. Lake was never infected with the Bubonic Plague, though he was surrounded by thousands of victims. Fear is a faith destroyer. These inspiring messages conclude with much needed deliverance ministry.

**22LHCD9-4 [CD - \$4.00] or 22LHDVD9-4 [DVD - \$5.00] - Geri McGhee - HOW THE ENEMY GETS GROUND** - Those who have heard Geri minister before know full well she is walking out what she teaches. As she says, "We are all a work in progress." To that end, she is trying to change her conversation by eliminating any moaning and groaning and simply speak what God's Word says. The secret to an overcoming life is to align yourself with the Word of God. Under the umbrella of Psalm 91, when we are walking in obedience and under His authority, we have a safe place. When we're outside of God's refuge, we position ourselves to be hit by the enemy. One of the ways the enemy gets ground is by how we are trained up by our parents. When a man's ways please the Lord, it makes even his enemies to be at peace with him. Her intent for this teaching is for the listener to see the enemy does not do anything that God does not let him do. Yes, we do warfare, but most of it is just dealing with God. The best spiritual warfare is to just get with God! It says "those who dwell in the secret place", not just visit occasionally. If something is going on, say, "God, what are you trying to teach me through this? Where am I not lined up with Your Word?" Deliverance prayers and ministry conclude this message.

**22LHCD9-5A & 5B [2 CD Set - \$6.00] or 22LHDVD9-5 [DVD - \$5.00] - Randy & Callie Richey - THE ENEMY CALLED REJECTION** - Callie launches the message by taking the congregation through repentance and warfare prayers. These prayers are thorough to clear the atmosphere and aid in our deliverance!!! Randy begins calling out spirits immediately after Callie finishes the prayers. Freedom is a choice. Choose life! In order to be free from the fruit of addiction or any other sinful fruit in our lives it is critical to destroy the root, or the fruit will simply return. The fear of the Lord in its simplest terms is you care about what He cares about. We must have a foundation of obedience. We were born to have relationships. Family should meet the basic needs for love and acceptance. Should the father fail to communicate love and acceptance, the result will be a love vacuum and out of this vacuum grows rejection. Rejection can be inherited as well as communicated. Jesus took all rejection upon Himself so we don't have to be rejected. When a person feels rejected, most often they are going to build a wall that rejects others. The basic needs of a child are love, acceptance, identity (a sense of belonging), recognition and value, determination and purpose. Rejection maims and destroys the whole person. When you really get it that you have a Daddy (Heavenly Father) everything else will fall into place. Say, "Lord, because you have adopted me, I am not an orphan. I reject every orphan spirit in my life in Jesus name." This message is needed for both parents and children. Randy and Callie stood in behalf of the father and the mother who didn't do right by their children, asking forgiveness and saying they were sorry. The moving of the Holy Spirit that took place during this time brought tremendous healing as folks sobbed from deep within their souls, allowing God to break down walls they didn't even know existed.

**22LHCD9-6 [CD - \$4.00] or 22LHDVD9-6 [DVD - \$5.00] - Geri McGhee - THE BENEFITS OF THE YOKE OF JESUS** - It takes faith to submit to God when you have mother/father issues because you see Him through the eyes of how your mother or father treated you. Those issues have to be worked out of you so you can trust God. It could be control, lack of love and protection, fear, rejection and any number of things. How you are trained sets a default, a foundation. But as these misconceptions are removed, you are free to walk in relationship with your Heavenly Father. We must be willing to die to our flesh. When a grain of corn is planted the seed has to give up its life to the soil. We have been given this parable that when we die to our lives, the life of Jesus springs forth and we have His character. So to wear the yoke of Jesus, you give up your life. Geri takes us deep into the benefits of walking with the yoke of Jesus. Who wouldn't want to wear the yoke of Jesus? Geri concludes this powerful teaching allowing time for repentance and prayers for deliverance.

**22LHCD9-7 [CD - \$4.00] or 22LHDVD9-7 [DVD - \$5.00] - Jean Williams - GUARD AND PROTECT YOUR ANOINTING** - In this powerful message we need to understand that man was not anointed for himself but was anointed for the purpose of God on this earth. Jesus has entrusted us with this precious anointing and we need to guard it. Satan understands the importance of discovering the source of power, success and favor on your life. He also knows that to retrieve this information he will cause us to connect with someone that we think we can trust, which is a distraction to stop us from succeeding. You are a target and he looks for any open doors to destroy you. She gives Scriptural examples of how great men in the Bible were seduced and lost their anointing and other examples of those who stayed true to the Lord and fulfilled the purposes of God. We have to put on the full armor of God and trust Him through whatever fire or process He is taking us through. She teaches us 10 ways to protect this precious anointing. You cannot defeat the enemy if you are still enjoying his company. If you learn to guard and protect the anointing, that same anointing will protect you.

**22LHCD9-8 [CD - \$4.00] or 22LHDVD9-8 [DVD - \$5.00] - Deborah Vails - IT'S TIME TO PRAY** - This call to prayer and battle message launches with 1 Tim [1:18](#) & 2 Chron [7:14](#). Prayer will move the heart of God. She submits that it is time to arise to a new dimension in the Lord, to war a good warfare based on the Word of the Lord that He has spoken over your life. As you move forward in the Lord it is imperative for you to know that warfare is not a bad thing. Prayer will keep you in the hour of temptation. Prayer will allow God in, push the devil out and cause you to catapult to a dimension in God so that His will can be done in your life. Disobedience and rebellion will kick you out of God's face and His presence. King Saul experienced that very thing. She breaks down 2 Chron [7:14](#) in a very practical and personal way. Have you ever stopped to ask the Lord what is on His heart today? She concludes with eight things you really need in life and that's the fire of God.

The Holy Spirit will help you.

22LHCD11-4A & 4B [2 CD Set - \$6.00] or 22LHDVD11-4 [DVD - \$5.00] - Deborah Vails - DELIVERANCE AND HEALING FROM THE SPIRIT OF TRAUMA - Trauma is an overwhelming life event that renders one helpless and, or, fearing for his or her life. These are the things on the checklist to look for in others and yourself. "Herein is My Father glorified, that ye bear much fruit; so shall ye be My disciples."

22LHCD11-6 [CD - \$4.00] or 22LHDVD11-6 [DVD - \$5.00] - Deborah Vails - PRINCIPLES OF HEALING - The premise for this messages is based in Ps 107:20, "He sent His Word and healed them and delivered them from their destruction." 22LHCD11-8 [CD - \$4.00] or 22LHDVD11-8 [DVD - \$5.00] - Deborah Vails - POWER OF FASTING & PRAYER - Fasting is synonymous with abstaining - literally meaning to cover the mouth - with the purpose of drawing closer to God. She shares Scriptural results of fasting and prayer along with admonition to pray and fast for the right reasons. We must allow the Lord to help us crucify our flesh. Additionally several helpful Scriptures are shared with regard to our minds.
