Sunday Morning, March 31st – 6am prayer & 10:00am morning service

The intensity of the Holy Spirit's presence throughout the 2024 Ladies Conference was a tremendous gift. The praise and worship ushered in a special anointing on each of the ministers who brought such wonderful encouragement, instruction, and ministry. In the morning prayer sessions and the main services, many were released from the prisons of their past, some received the gift of the Baptism with the evidence of speaking in tongues, healings and deliverances abounded and there was a mighty move to make us all more aware of who God is and who we are in Him. An unscripted theme arose for everyone to get more serious about their personal walk and time spent in God's Word. It is becoming more critical than ever before in the days and times we are living in. A precious sense of sisterhood always accompanies the Ladies Conference and that seems to be brought into the crosshairs as Constance Beckley faithfully draws out testimonies of the ladies through her special little "care bag gifts" and bookmarks. This year's bookmark Scripture was Isaiah 43:18-19a - ***"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it?"*** We encourage you to obtain the recordings and share them with your friends and loved ones. Your lives will be enriched and transformed through our precious Heavenly Father.

2024 LADIES CONFERENCE CD's, DVD's & MP3

24LCMP3CD2 - 2024 Ladies Conference on 1 MP3 CD - \$10.00 - 6 services - 7 messages on 1 MP3 CD

24LCCD2-1 [CD - \$4.00] or 24LCDVD2-1 [DVD - \$5.00] - Deborah Vails - FLESH vs SPIRIT - Tormenting dreams are the backdrop for this teaching. The foundation she uses is Galatians 5:19-23. The purpose of this teaching is to prepare us to lead a life free from sin, bondage and addiction to flesh. If we continue to engage in any of the works of the flesh we will not inherit the kingdom of God. After we are born again the flesh continues to be an enemy of God. God wants us to learn to walk after Him. The fruit of the Spirit will change your life. You want to combat the enemy, you fight with the Word of God. Let the Scriptures play as you sleep. The Lord does not want us attached to the past. When He says, "Let it go", don't pick it back up. Following the instructions in this lesson will help combat tormenting dreams.

24LCCD2-2 [CD - \$4.00] or 24LCDVD2-2 [DVD - \$5.00] - Callie Richey - SPIRIT OF OFFENSE - Offense "skandalon" is the name of the part of the trap on which the bait is hung that lures the animal into the trap. Satan uses offense to lure us into a lifetime of bitterness, resentment, unforgiveness and even hatred. If we truly want to be like Jesus we must give up our right to be offended. She explores the different aspects of offense, and also the things that people are easily offended by. She shares candid personal testimony of the testing and ongoing trial she and her husband are going through to not give place to offense. It's a choice one has to make. If offense is an issue in one's life they must come to the realization that the problem lies with them and they must begin to seek the Lord for how to remedy the issue(s). There are things we have to face to make progress. Preventive action is shared to avoid offense and deliverance prayers conclude this teaching.

24LCCD2-3 [CD - \$4.00] or 24LCDVD2-3 [DVD - \$5.00] - Jean Williams - SHIFTING THE ATMOSPHERE - Jean gives an extremely timely message about stepping into our Godly roles as overcomers in this world. How do we make a difference in our lives and circumstances around us? By getting grounded in who Christ says we are, what authority He has given us and growing daily in

our reading of God's Word, having fellowship with Him and changing atmospheres of chaos, fear, turmoil and hopelessness into joy, peace, love and happiness. Scripture references are Jn 14:12, Gen 1:28, Eph 2:6; 6:10-12, Ps 91:1; 13&14; 113:4-6, 2 Cor 3:17; 10:3-6, Jude 1:20, Matt 6:6 & Acts 4:31. In these times that want to shake us to the core, Jean reminds us we have the authority through Jesus to be overcomers. She concludes with deliverance as God led her.

24LCCD2-4A & 4B [2 CD Set - \$6.00] or 24LCDVD2-4 [DVD- \$5.00] - Dr Deborah Greenhill - ISRAEL & Jesse Jernigan - LITTLE FOXES - Dr Deborah: Based on her experience of living in Israel, extensive background in Biblical and modern Hebrew, and fastings and prayer she sheds light on the year of the door. On the practical side she begs the congregation to pray before committing when an apparent door is opening, to make sure it's God. Let there be no assumptions in God's kingdom. She then asks the question, "What does doors mean for Israel?" Depending on the spiritual and physical doors they walk through they could face a very positive or negative outcome. We could literally be on the edge of the time of Jacob's trouble. Since 2012, Israel and the US have seemingly been on a parallel track. Israel is at the point of civil war. Where is America? There is much explanation and illustration showing a map of Israel and the surrounding countries and exactly what is going on and what possibilities exist. You will understand the cry "Ho-shana" and perhaps begin to cry it yourself. **Jesse:** Beginning with Jer 17:7 and the planting of the Lord, Jesse quantifies the need to protect our root systems and be watchful of the infiltration of pests. Many Christians tolerate a lifestyle of "little" sins. Without true repentance it is like the little foxes that spoil the planting of the Lord in our lives. She exposes the destructive nature and tactics of the fox in the vineyard whose final goal is the eating of the fruit. Eight strongholds with their corresponding foxes are exposed. Twenty-five Scriptural hindrances to prayer are shared. Destiny stealing demons were evacuated in Jesus name and divine callings on lives were released. Walls around hearts crumbled and hearts of flesh came forth. Dark places in their souls had the light of Glory shine upon them and pains, deep hurts, and traumas were healed. Deliverance prayers concluded this service.

24LCCD2-5 [CD - \$4.00] or 24LCDVD2-5 [DVD - \$5.00] - Jean Williams - SEASON OF THE VIPER - The seriousness of this message cannot be covered in a short summary. One must hear it in its entirety. A viper is a poisonous, venomous, aggressive snake which is deadly when it bites its victim. Jean goes deep into the Scriptures to answer many questions, and in doing so fully exposes the nature of satan. Why did Jesus and John the Baptist use the word viper with reference to the Pharisees and the Sadducees? Can a viper spirit exist today? Why would the Holy Spirit call humans vipers? How do we handle these vipers? God would not have us ignorant of satan's devices (2 Cor 2:11). Many have come out of organized religion and must learn about his devices to sort out all the false teachings that have been absorbed. Satan can quote the Scriptures to accomplish his twisted goals. Service ends with an altar call.

24LCCD2-6 [CD - \$4.00] or 24LCDVD2-6 [DVD - \$5.00] - Various Speakers - 1) Jean Williams - AN EXPECTED END - Jer 29:11 is the word Jean brings to the ladies in this last service. She encourages them to hold close to their hearts what the Lord has poured into them over the weekend. They are each an original copy. There is no one like them nor will there ever be a duplicate. She shares a statement she and her husband say often. "You're somewhere in the future and you look much better than you look right now!" **2) Jesse Jernigan - WHO GOD IS** - She comes to the pulpit with a grateful heart, thanking God for who He is, for who He has put in her life, and to encourage the

ladies to stay in touch with one another after He has bonded them together this weekend. Psalm 23 is the Word he has given her and she weaves the names of God into the verses. Example: I shall not want - Jehovah Jireh. He is a good Daddy and He has everything we need in Him. **3) Callie Richey - CONFIDENCE & STRENGTH** - Habakkuk 3:18-19 creates an atmosphere to choose to rejoice and allow God to take us higher in Him. When the going gets rough is when we find new strength in Him to climb with confidence. We have the assurance He is giving us the courage to walk and keep our feet steady and sure on what would seem to be impassable terrain. Regardless of what others may do we must keep our eyes securely fastened on the Lord Jesus Christ. **4) Deborah Vails - PRAISE POWER vs HOLY GHOST POWER** - Let praise and worship be a vital part of your walk with the Lord. Praising God prepares us for worship. Worship is to bow down, to be reverent in appreciation for who He is. Adoration worship comes from your spirit when you make the connection after you have allowed true praise to go forth. Worship will bring in the Glory that fills the house so much we sometimes can't stand in the presence of God. Many have never experienced that level of worship but God will meet you in that place as you give yourself over to Him. When we are endued with power it is the Holy Spirit that enables the works of Jesus to be ministered through us. We must allow God to immerse us in the Holy Ghost completely. It is a gift. A true infilling is given so that we may fulfill the Word of God, preach the Gospel and declare the Kingdom of God. We can have God in all fullness because of what Jesus has done for us. It is His will that we are complete in Him and that we walk in victory.

MERRILL MILLER'S DREAMS & VISIONS - Part 1

We have been encouraging Director Merrill to share some of the dreams and visions that God has given him so they can be recorded and transcribed. This became a reality at the 2024 Ladies Conference. Below is the first of these transcriptions. We will share others in subsequent newsletters.

I had not planned to share this but brother Kerna Williams sent me a text that coincides with what the Lord showed me. It has to do with the year 5784 of the Hebrew Calendar. It is the year of the open door.

Now with Donald Trump, and I know it's overwhelming with him, but the Lord gave me a vision of him the night before he left the Oval Office. He was on his knees and he was crying and I could hear him speaking. He was telling the Lord that he had done all these things for You. I changed the Supreme Court. I changed things in Washington. And I've taken nothing but grief for four years and it's still going on. He was crying out to the Lord.

Now in the vision I saw four angels standing around him with their swords out, pointing down. These angels were about twelve feet tall. They were listening and they were watching him but they did not speak. And he was talking to the Lord, crying out his heart. And in the vision I waited and watched. The angels didn't speak and the Holy Spirit didn't speak, but a golden scroll came down out of heaven and went into him and that was the end of the vision. And this was the last night he was in the Oval Office. Now whether this happened or not I don't know but it was a quite vivid vision that the Lord gave me. I think it really happened.

I was part of a million people that had been organized to pray and fast for Donald Trump on election night in 2015. My wife had gone to bed and I was listening to Fox News, on my knees and praying. And Brit Hume was saying it looks like Hillary is going to take this state, and this state, and this state. And I'm praying, Lord, You said, You said, You said that this man would be Your Cyrus. That he would come and change Washington and change America. And at the stroke of midnight, New York time, nine o'clock California time, Brit Hume said wait a minute, wait a minute, something is happening. I looked up and he said all the states that Hillary was carrying had changed over to Donald Trump. The Lord is never late, but He loves to take us to the edge. He loves to do that. And at the stroke of midnight the election was changed to Donald Trump. And Donald Trump did everything that he had said.

The year of the open door, now in 2020, I was praying like before. Donald Trump had been in Vegas and had spoken at a church. I think it was a church but I'm not sure. And a lady walked up to him and said, "Can I pray for you?" And of course he said yes. And I was listening and she prophesied to him that when he woke up in the morning that he would be president. And a chill went through me and I knew this was not going to happen. And the next day Mr. Biden was president.

I went into prayer and fasting. I fast a lot on Mondays and I pray every day early in the morning. And I prayed, and I prayed and I prayed. And the prophets were saying he would be back by Christmas. Then they said he would be back by January 6th. Then they said he would be President by January 20th for the inauguration, which never happened. So I'm praying and asking the Lord (and I'm going by Kim Clement who prophesied Donald Trump would be there for two terms) saying, I know this prophecy about Donald Trump is true, yet he was not re-elected. And I asked him, "What happened?"

And I had a dream. The Lord showed me Him standing next to Donald Trump with His hand out to the side holding him back. And I watched this for a long time in the dream and then I looked and it seemed like the length of a football field and there was an open door. When Brother Kernaas texted me this, I remembered about the open door. The Lord was not finished with Donald Trump and there was an open door for him. The Lord told me He held him back because too many people were praising and uplifting him and they had forgotten what the Lord had done in the 2015 election at midnight. They had forgotten that He had put this man in the Presidency. So the Lord said He was going to hold him back. I'm going to let these other people come in and take over the White House. And you see what has happened. Last June they had a rainbow holiday. Some of them were stripping down on the lawn at the White House. It's an abomination using God's rainbow that was a sign to us that He would not destroy the earth again by a flood. And here they are using it for their own symbol.

So then I had a vision of Donald Trump last year. And in the vision he was bound and gagged. He was

standing, bound from head to foot with a rope and a gag in his mouth so that he could not speak or move. When I saw that I knew the enemy was doing all that he could do to gag him and keep him from running in this race.

How I chose tonight to tell you these dreams and visions about Donald Trump because of the last vision the Lord showed me of him. I was standing and looking down a road. At the end of the road I saw two people standing there holding a ribbon. There was a race and I saw this man running down the road and he was running and staggering and I thought, Lord, are you showing me? Am I in this race? He was running better than I could. He was staggering and the two men at the end were waving him on. He fell to the ground on all fours and stayed there. And this, in the vision, is why I chose tonight to tell you this. Two elderly women that were in the race also, came up behind him and took him by each arm and they carried him across that finish line. That's why I say to you, "You are the handmaids of the Lord. You are the strength of the remnant church. You are warriors unto the Lord. You are the Deborahs of this time. There are more women in the remnant church than there are men." But that is going to change. So he finished the race with the help of these two ladies. And that was all of the vision that I saw of him.

The Lord didn't tell me he was going to be re-elected. He didn't tell me he was going to do this or do that. He just showed me what's happening with him and being held back. Now there are many things coming this year. Mostly toward the prosperity churches, the woke churches, the philosophy churches, churches that refuse the Holy Spirit and don't allow Him to come into their churches. These are the lukewarm churches. He has judged them and found them wanting. He has separated the lukewarm from those who love Him. Many things are going to happen between November, 2023 and November, 2024. He said by the end of November, 2024, the whole world will proclaim that only the Lord could have done this. So with Donald Trump bound and gagged and maybe even thrown in jail before November, it doesn't matter because the Lord is in charge and He puts up in high places, whom He will. And He tears down those in high places those who do not love Him. Most of Washington denies the existence of God and they hate Him. But God is in control, even then.

## **2023 WINTER CAMP MEETING CD'S, DVD'S & MP3**

**23LHMP3CD12 - 2023 Winter Camp Meeting on 1 MP3 CD - \$10.00 - 8 services & 14 messages on 1 MP3 CD -**

**23LHCD12-1A & 1B [2 CD Set - \$6.00] or 23LHDVD12-1 [DVD - \$5.00] - Randy Richey - WEAPONS OF WARFARE AGAINST FEAR** - Randy shares an exhaustive list of synonyms for fear that many people would not recognize as the face of fear. As he identifies them, he simultaneously prays for deliverance of the named demons. His scope of deliverance prayers cover areas of fear that people would have no idea they had those fears, because the knowledge of where they originated has been kept hidden from the masses of the population. Additionally he targets fear related infirmities in his deliverance prayers. The first half of this teaching contains a combination of personal testimony, instructions, counsels and helpful advice with regard to our Christian walk. Throughout this entire teaching the emphasis on how much God loves us is paramount.

**23LHCD12-2A & 2B [2 CD Set - \$6.00] or 23LHDVD12-2 [DVD - \$5.00] - Deborah Vails - SPIRITUAL ROOT CAUSES OF DISEASES** - There is a cause for every sickness in the earth. When we get to the root we can be healed. There is a cure! There is wholeness for you. We have to choose to walk in it. Whose report will you believe? Are we willing to choose right over wrong? Are

we willing to choose to believe the Word of God? Can you see Jesus right where you are - no matter what you might be going through? Ps 103:1-5 clearly proclaims His deep love and desire for us. There is no sickness in Him. He never intended for us to know sin. She shares from personal experience, times when some medical diagnoses that if she had accepted would have put her in bad shape, but she chose to declare, "No, the Lord did not say that!" Everything that comes your way you don't have to keep. You can throw it back. In this message she gives spiritual root causes of various diseases beginning with breast cancer and concluding with osteoarthritis. She ends this inspiring message sharing steps to freedom and then prays for healing.

**23LHCD12-3A & 3B [2 CD Set - \$6.00] or 23LHDVD12-3 [DVD - \$5.00] - \*Jessie Jernigan - SUBMISSION IN THE HOME & Charles Jernigan - SPIRITUAL WARFARE IN THE MARRIAGE -**

**\*Jesse:** The most remarkable time that God ever spoke to her was when she asked Him what her calling was and He told her to "Be a good wife". Little did she know what an anchor that Rhema Word would be for her. She shares testimony of coming out of a life of drugs (beginning about the age of twelve), being in rehab, doing prison time and facing struggles (that many families can relate to). The hope, confidence in God's Word and trusting in His faithfulness that comes with a commitment to prayer on behalf of loved ones will encourage the listener. In this teaching/testimony we hear God's wisdom in this young lady that far exceeds her years. Listen, be blessed and encouraged. It is fuel to put order back into an existing marriage, and wise counsel for those who have not yet committed to marriage vows. **\*\*Charles:** One of the hardest things about being a Godly good husband and father is when you were not raised with any example of that in the home. But God created marriage and He gave us the roadmap in His Word. Using the familiar Scripture in Genesis he points us to the first spiritual warfare attack on marriage when Adam stood by passively as Eve talked with the serpent and ate of the forbidden tree. The enemy achieved his unrelenting mission for us to be separated from the presence of the Lord. Ahab operates in fear and lets his wife take control. He shares that in his own marriage, considering the life they both came out of, they thought they were doing pretty good. But their marriage was out of order and that was causing problems. In Eph 5:23-29 he looks at how Christ loved the church and compares how husbands are to love their wives. When the husband is living in sin, the wife is impacted by that. The rapid work that God is doing in this young man's life reveals the transforming power to prepare His army and have them in readiness for what is ahead. Clearly this couple is part of the replacements in the deliverance ministry for those who have finished their race. Prayers for deliverance conclude this service.

**23LHCD12-4A & 4B [2 CD Set - \$6.00] or 23LHDVD12-4 [DVD - \$5.00] - Randy Richey - GREAT**

**DECEPTIONS** - The beginning is a video skit dialogue between "Tommy and God" for Tommy to "get" that he is God's masterpiece. We should all want God to keep chiseling away until we as individuals reflect the image of God. Extensive exhortation and ministry for self-hatred and not knowing or believing who God says we are precedes the subject of this message. Included in great deceptions are occultism, entertainment, tattoos, essential oils, and many more. Webster partially defines the practices of witches, sorceries and enchantments as intercourse with the devil. He digs deep into the many faces of witchcraft, exposing areas some would never have known to be rooted in witchcraft. He explains how sometimes works of witchcraft are sent as good works but they are a trap to ensnare you for the bad works that are planned to follow. He also discusses elemental and technological witchcraft. Deliverance prayers and ministry are woven throughout this entire excellent teaching.

**23LHCD12-5A & 5B [2 CD Set - \$6.00] or 23LHDVD12-5 [DVD - \$5.00] - Laquitta Sizemore - THE SIN OF GLUTTONY, OVER INDULGENCE AND GREED** - This message applies to more than just food, encompassing many of the sins that so easily beset us. It can relate to anything you long for to look at, such as television, shopping, online shopping, and all the social medias. 1 Thess 1:9 "For they themselves shew of us what manner of entering in we had unto you, and how ye turned to God from idols to serve the living and true God." Gluttony comes with spirits of stubbornness, rebellion and disobedience. Deut 21:20 It will lead to poverty. In her life it was generational, coming from the past and moving forward into the future. She discusses weight demons, food porn, the threat you are to satan when you are not all gluttoned up, and food traps the enemy sets. Special attention is given to Matthew 25 and what the Holy Spirit has shown her. Prayers for deliverance conclude this insightful teaching.

**23LHCD12-6A & 6B [2 CD Set - \$6.00] or 23LHDVD12-6 [DVD - \$5.00] - Charles Jernigan - \*THE SPIRIT OF UNBELIEF and Jesse Jernigan - \*\*TAKING A STAND AGAINST JEZEBEL - \*Charles:** Faith in Jesus is what sets us free. We are held in bondage through unbelief. It is the counterfeit of faith. Emphasis is placed on the seriousness of unbelief referencing Hebrews Chapter 3. It resides in our hearts and it becomes a hardening of the heart. It has a lot of demons attached to it that open doors. It causes one to second guess everything about God and His Word even when the demonstration of God's power has been revealed in our lives, time and time again. It will deceive us into believing the devil's power is greater than the One who created the heavens and the earth. It is second to the fearful, of those who will have their part in the lake of fire. Rev 21:8. This is a powerful message, and the subject matter likely runs neck and neck with forgiveness, when it comes to victoriously finishing our race. Erma Miller used to say, "When you think you're all delivered, work on your unbelief!" **\*\*Jesse:** Don't agree with the lies of the enemy. Agree with the Holy Spirit and don't grieve Him. It all boils down to who we agree with. This spirit's purpose is to cause you to give up and throw in the towel. Jezebel is one of the most active spirits in relationships, the church, government, worldwide and maybe even you. It thrives on lack of repentance and wants to keep you far away from self-examination. These spirits operate because of sin, generational curses, pain, trauma, etc. Highlighted in this message are some of Jezebel's behaviors. For example it seeks to destroy true worship, the family, morality, the God-ordained role of male authority, misleads and corrupts the church, seeks to neutralize the life of prophets, pastors, is genderless, murders, hates the Word of God, kills off God's prophets and cuts off the influence of the true prophets. It is very religious and its religion is idolatry and worship of false gods and the works done by one's own hands. Not only must we allow the Holy Spirit to help us self-examine, but also be alert to when this spirit is operating around us. This will help you know how to stop this spirit from operating in marriage, workplace, children, etc. Jezebel's destruction was so complete she was unrecognizable! We encourage you to listen to both of these messages in their entirety to reap all their priceless benefits. Deliverance ministry concludes this service.

**23LHCD12-7 [CD - \$4.00] or 23LHDVD12-7 [DVD - \$5.00] - Deborah Vails - SATAN'S WEAPONS EXPOSED** - In this teaching she shares seventeen things that identify when the enemy is coming at us to keep us from reaching our full potential. The Word of God is our counterattack and by utilizing that provision we will be able to quench every fiery dart the enemy launches at us. We have to understand our position in God. We must run to God to get delivered, but it is critical that we also run to Him to get strong in Him. The first weapon of satan she dives into is the many aspects of adversity.

The second is bands, third condemnation, fourth disillusion, and on to number sixteen regret and seventeen sin. Thank God for exposing the plots, schemes and devices of the enemy and providing the wisdom, discernment and way of escape to finish our race and walk in victory. This is a message, that if put into action, will help us be overcomers.

**23LHCD12-8A & 8B [2 CD Set - \$6.00] or 23LHDVD12-8 [DVD - \$5.00] - Various Speakers** - This final service is a mini camp meeting in itself with all speakers contributing a message. Interestingly, none of them knew they would be called upon to share, yet the Holy Spirit stitched each of their messages into a wonderful garment for a conclusion to this series of messages. All praise and honor to God! 1) **Laquitta Sizemore - YOUR CALLING** - She reminds us of how powerful the Word of God is and how important it is to partake of it on a daily basis. She brings an instructive, encouraging word from 2 Pet 1:4-13 which provides us with the truth that will keep us from falling. And then she brings Phil 4:4-9 which is the solution for keeping you on the right path. She shares a powerful testimony of how her mother clothed her in the spirit realm. 2) **Charles Jernigan - UNDERSTANDING** - We must understand who God is but we also must understand the cunning, clever ways of the angel of light. The great deceptions used to be in the bars and gutters but now it's in the church - spirits that are not the Holy Spirit but using Jesus to masquerade. Pro 3:19-27 gives understanding of who God is and what He will do to keep us in safety. It behooves us all to dig deeper into the Scriptures so the Holy Spirit can give us greater understanding and ability of how to navigate the season we are in and the path God has put us on. If you are in a church that is preaching about Jesus, make sure they are telling you what Jesus did - healing, deliverance, repentance, forgiveness - just to name a few. Make sure you are paying attention to who is feeding you. You can make a beautiful meal and still put food poison in it. You don't know the poison is there until it's affecting you. 3) **Jesse Jernigan - WILL OF GOD** - Using Phil 4:6, Eph 6:18-20 and more, she brings an emphasis on prayer, fasting, and the power of them with special attention to bearing one another's burdens. Job's later part was more blessed than his former, and the Lord turned his captivity when he prayed for his friends. We need to be able to shift and move when God says to and be able to let go of things when God says it's time to let go. We need people in our lives who have God's wisdom, who will tell us the truth, who will pray for us. Let's clear out our closets for the secret place! 4) **Deborah Vails - WORD OF GOD** - Maintaining and retaining your deliverance is the order of this message.. In order to fight effectively we must put on the seven pieces of the armor of God. Most demons seeking to re-enter will attack your thoughts. Think on these things! Phil 4:8 Fill your mind with the Word daily! Speak what the Word says. You cannot maintain deliverance apart from God's Word. Crucify the flesh. When you pray and fast your flesh gets crucified. Break old habit patterns that are set up in league with evil spirits. If you find yourself falling into any of the works of the flesh, get into the Word of God, get into prayer and if you need prayer get it from somebody but we have to learn to maintain on our own using the Word of God. Faith and trust in God is the greatest weapon against the enemy's lies. **Randy Richey - WALKING IN GOD'S BLESSINGS** - Randy focuses on both 1 Cor 13 and Matthew 5 as a mirror for us to gauge our spiritual condition and behavior. "Then there is the Beatitudes." Do you want to be "blessed" or "cursed"? He turns Matt 5 into a repentance and deliverance message. With regard to being poor in spirit, it is prideful to hate yourself and not go to God and get cleansed. It is haughty and defiant to not accept that His blood is enough, to not be obedient to love yourself. We are blessed when persecution and men's revilement targets us. Lord, forgive us for every time we grumbled when we went through persecution, only because we belong to You. He breaks the power of the "victim" spirit and commands it to go. Our true self shows up when we are experiencing

opposition. He encourages us to give God permission to continue the work He has begun to transform us into His image and likeness.

[The Laying on of Hands](#) by Frank Marzullo, Jr - \$8.00 plus \$4.00 postage - Recently there has been over cautious teachings of the "Laying on of Hands." Fearful doctrines have kept many from benefiting from the fundamental truth and the benefit of the Laying on of Hands. It is my attempt to bring you Biblical truth and, in the process, it will be my hope to expose any false or bad doctrine that you have received over the years.

There will be two sections in this teaching. In the first section, I will show you how Biblical it is to pray for someone with the "Laying on of Hands" and how God uses our hands in ministry.

In the second section, I will show you how hands are used in Spiritual Warfare. These are personal experiences, and I will show you how it reveals the power of God or it advances the person or the Kingdom of God.

We are not to be afraid of people laying hands on us or to be afraid to lay hands on others. We are not to be afraid of using our hands in spiritual warfare either. Paper - 37 pages
