## NEXT CAMP MEETING

### 2024 MEMORIAL CAMP MEETING

May 23rd - 26th

Scheduled to Speak:

Randy & Callie Richey - [Christ Outreach Oklahoma](#)

Dr. Deborah Vails - [Set Free Outreach Ministries](#)

Others to be announced

Dear Friends:

As Spring showers are falling in this second quarter of 2024, we are reminded to pray for you the Word of the Lord given to Ezekiel in 34:26, *"And I will make them and places round about My hill a blessing; and I will cause the shower to come down in his season; there shall be **showers of blessing**"* or as the Amplified says "divine favor". This entire chapter is stirring.

We are already preparing for the Memorial Camp Meeting which begins in just a few weeks. There are still accommodations available. Give us a call at 501-525-8204 if God has put it on your heart to be here for these services. We would love to have you. For those who can't be here, we invite you to join the services via Zoom for free. You may register [here](#).

The teachings from the 2024 Spring Camp Meeting were powerful, and the ministry in the 6:00 am prayer time and services brought tremendous liberty to those who were honest and serious about getting free. See the summaries listed below. We are so grateful for the ministry God has blessed us with. These men and women of God are up way before 6:00 am and ready to pray with folks and then go on to teach and minister throughout the day in the services.

# 2024 SPRING CAMP MEETING DVD'S, CD'S & MP3

**24LHMP3CD3 - 2024 Spring Camp Meeting on 1 MP3 CD - \$10.00 - 8 services - 10 messages on 1 MP3 CD**

**24LHCD3-1A & 1B [2 CD Set - \$6.00] or [24LHDVD3-1](#) [DVD - \$5.00] - Randy Richey - RELIGIOUS SPIRITS** - Randy repeatedly says, "Hear me" or "Listen". He is not drawing attention to himself but to what God says in His Word. We need to know what the Bible says is sin - and what isn't. We have believed so many things from numerous sources, only to find out they have been deception. We don't want to believe lies. The number one question is "Who are we going to believe?" Idolatry is the first thing we should confess because every time we sin we're choosing to place something else as more important than God. The more you die to yourself, the easier it will be when your time to die comes. The three Hebrew children in the fire didn't fear death, because they loved God. Somebody else's behavior doesn't give us an excuse to sin. Satan started the parade of religious spirits in the garden with his list of do's and don'ts. The roots of religious spirits are always rebellion and self. A whole lot of judgment that needs to happen on the earth might not happen because God's people are condemning, instead of praying for what they are condemning. Randy delves deep into the cardinal characteristics of religion and religious spirits. Message concludes with deliverance ministry.

**24LHCD3-2 [CD - \$4.00] or [24LHDVD3-2](#) [DVD - \$5.00] - Deborah Vails - RENOUNCE** - True to Deborah's passion for going to God first, having relationship with Him and having His Word embedded in our hearts, we appreciate another message that helps us in our daily walk to know God better. The word "renounce" means to disown, disclaim, reject, refuse or acknowledge as belonging to, deny, forsake. After repentance we must go a step further to renounce things as an act of our will to further validate the fact that one has made up their mind to come out or to come clean, to walk free from negativity. We must renounce the hidden things that would keep us from our potential. 2 Cor 4:1-2 Fasting and prayer will reveal things in our heart that we may have forgotten. As believers, it is our responsibility to act on the truth of God's Word. When we are completely set free from something of the past, it is gone! Nothing is activated in you if it comes up. (2 Cor 5:17) She shares a list of pertinent things we should renounce, words that are attached to curses, things that can activate a curse, things to help us renounce and much more. Sobering admonition is given to chronic addiction to electronic devices. She gives a heart wrenching clarion call to take heed to 2 Chron 7:14. We can't tell God what to do with the "Yes, Lord." Just say yes! Prayer concludes this message.

**24LHCD3-3A & 3B [2 CD Set - \$6.00] or [24LHDVD3-3](#) [DVD - \$5.00] - Dr. Deborah Greenhill - ISRAEL AND NARCISSISM** - She begins by showing a map of how tiny Israel is in relation to the vast area of enemy countries surrounding it. The question is, "Why does this matter?" It shows how far we are into this. Using Ps 83 as a basis she features the fine points both historically and biblically of what these nations mean and what it's going to mean to Israel for the future. Is there an ancient animosity alive today between some of these nations? Marriages join tribes together as do similar behaviors. She lays out certain nations that have formed alliances together. Evil intent was already at work against Israel while they were trying to get to their land and become a nation. Extensive research went into the timelines of trouble and connecting the dots. With the naked eye it appears to be a hopeless battle if they all jumped on Israel at once. She answers the question of what does Yemen have to do with anything. Shifting gears, she takes us down the path of a narcissist. Narcissistic personality disorder

involves a pattern of self-centered, arrogant thinking and behavior, a lack of empathy and consideration for other people, and an excessive need for admiration. She explains the narcissist discard phase, some of the symptoms of narcissism, Christian narcissism, the orphan spirit, and much more. No normal, long-term relationship can happen until the narcissist forgives whoever treated them badly. Deliverance is their only hope. This is not only for the narcissist but also for the one under the control of him or her. (Editor's note: There is no mention of the two titles to this message having any connection to each other.)

**24LHCD3-4A & 4B [2CD Set - \$6.00] or [24LHDVD3-4](#) [DVD - \$5.00] - Jean Williams - VISION OF EZEKIEL CHAPTER 8 - Kerna Williams - JONAH AND NINEVEH MOMENT - JEAN:** She begins by sharing a dream and interpretation she had about Lake Hamilton Bible Camp. She declares that God is calling His people forth and they will minister the Word with boldness and will not compromise the Word of God. In a nutshell, we are living in a season where we have to be real about our walk and our walk has to match our talk. She breaks down the vision in Ezekiel 8:1-18 and says, "This vision captures the acts of the idolatries and abominations defiling worship in the temple of Jerusalem. The Lord's jealousy is directed towards these unfaithful covenant breakers and directed towards the violent idol practices that He allows Ezekiel to witness. The end result will be the departure of the Glory of God from the temple and the execution of the promised judgment of Jerusalem." Our eyes and ears must be open to what is going on around us, so that we can see behind the smoke screens of the enemy's attempts to destroy the work of the Lord. God is after the secret sins in His people. Those things we think nobody can see, the ones we cherish and enjoy. And for the ministry who thinks they can "Preach the Kingdom down" and God will let you off the hook, they are sorely deceived. What He would not tolerate in Ezekiel chapter 8, He still does not tolerate today. Lord, help us to come into alignment with You! **KERNAA:** Beginning in Matthew 12:39-41, Kerna lays the groundwork for America and us being in a Jonah and Nineveh moment. The core of this message is about obedience. In Jonah 1:1-2, "their wickedness has come up before Me" in Hebrew means their wickedness has come up before My face, presence and countenance. Jonah's attempts to run from the presence of the Lord ultimately catapulted him into a position of obedience. Kerna relates America as a typology of Nineveh. If you love America Kerna is issuing a clarion call for fasting and prayer. He brings informative correlation concerning the 2017 and 2024 eclipses and how they refer to God speaking to us from the heavenlies and potential warnings for America. These messages concluded with approximately 20 minutes of deliverance ministry for healing, i.e. asthma, hay fever, fear, stress, anxiety, immune system failure, osteoarthritis, back problems, autism, baldness, bell's palsy, bladder infections, high blood pressure, cancer and much more.

**24LHCD3-5A & 5B [2CD Set - \$6.00] or [24LHDVD3-5](#) [DVD - \$5.00] - Jean Williams - MANIFESTATION OF ABUSIVE CONTROL - Kerna Williams - ENDTIME SCORPIONS - JEAN:** What is control? The power to direct or influence people's behavior aka as total witchcraft through domination, manipulation and control. The abuse of control holds a person in unnecessary bondage and hinders them from fulfilling the purpose of God in their lives. There is a positive control to be discerned and when we submit to God's order of authority we can grow into full maturity. The individual who exercises abusive control has no personal regard or consideration for the one being dominated. The controller's goal is survival at any cost. When a church leader refers to the congregation as "my people", let that be a red flag. Abusive controllers are insecure but they want you to think they have it all together. Eph 4:14 The weak person is an easy target for this control. Jean shares major character traits of an abusive controller. Abusive control is sin because the Bible tells us we are to love one another. This is a must listen to for all believers! **KERNAA:** Kerna gives us a dream he had, and in

sharing it he wants to bring a watchman awareness to the listener. He gives a prayer waging war against the scorpion spirits. He then reveals Scriptures that show the various ways God uses dreams and visions to instruct and warn those who are asking and listening. He declares it is time for believers to get a better understanding of the prophetic. He warns that in discerning we must look beyond the external and see the agenda of what is going on in the spiritual realm. We must seek the Lord for Him to reveal what we can't see. We are being engaged with a hostile set of spirits by the name of end time scorpions so we need to study and get more insight on their manifestations. The core of this message is about becoming more discerning, especially when it comes to who is standing behind the pulpit. In this age of Artificial Intelligence it behooves us to know what or who is ministering. He ends with prayer for release and deliverance from scorpion spirits and their manifestations/symptoms.

**24LHCD3-6A & 6B [2CD Set - \$6.00] or [24LHDVD3-6](#) [DVD - \$5.00] - Callie Richey - OCCULTISM -**

This in-depth teaching on the occult is a tremendous tool of instruction for a Bible Study group, home fellowship meeting and so much more. She begins by saying if you did or are doing some of the things on the occult indicator list that she is going to give, don't panic. This teaching is to open one's eyes to the world of occultism so that you can work with the Lord to walk out of occultism and out of its bondages. Occultism is anything that offers itself as truth in the place of God. It can be defined as anything receiving or giving out supernatural help, power, guidance or information about the future or healing using a supernatural power or source outside of God through Jesus Christ. It is strictly condemned and forbidden by God in the Scriptures. Participation in the occult whether directly or indirectly can have damaging influence in your life, your children's lives and your grandchildren's lives. Num 14:18. She answers the question of what drives one into the occult, and then takes it further by sharing some of the symptoms of the occult. Often there is a fine line between evil and good because evil uses truth to hide behind. We have to know the Word of God to discern. Let the Holy Spirit use this message to draw out any hidden things of the occult in all of our lives that could, left covered, put us in a state of strong delusion. Prayers of repentance and deliverance conclude this teaching.

**24LHCD3-7 [CD - \$4.00] or [24LHDVD3-7](#) [DVD - \$5.00] - Deborah Vails - HOW TO KEEP GOING UNDER PRESSURE** - It can be difficult to maintain momentum when under pressure but there will be times when God will allow pressure in order to press you forward. Pressure can be good. In order to grow, you have to go. He will never lead you and then leave you. He is faithful. Phil 3:13-15. Don't let someone else get your reward. We can each get to the goal but we have to keep going. With His assignment on your life comes His grace to fulfill it. When you find yourself with nobody around you, you'll find what's in you! She lays out five Scriptural steps for how to keep going under pressure. God is the one that graces us to endure as we learn to put our complete trust in Him. With regard to praise and worship she declares she will not let the rocks cry out for her. God has done too much in her life and brought her too far to not freely praise and worship Him with all that is in her. Her statement is that we are all "too locked down" and need to let go of fear, inhibition and our flesh and move into a higher realm of giving Him the Glory He deserves. She concludes by sharing a Word from the Lord.

**24LHCD3-8A & 8B [2CD Set - \$6.00] or [24LHDVD3-8](#) [DVD - \$5.00] - Randy Richey - LIFE IN THE SPIRIT** - God is after our hearts. With God's plan for the feasts and sacrifices in the Old Testament it keeps His people remembering Him. Today, we are the temple of the Lord and the requirements that applied to the stone temple now apply to our physical temple. In order to stay free from the enemy's entanglements we have to be a living sacrifice before God. We have to keep our "bride of Christ" garments ready for His return - without a spot or wrinkle. The devil and demons have access to us

through the works of our flesh. By keeping our hearts free from the snares in this world we can walk pure with the Lord. We are made up of 3 parts - Spirit, Soul and Body. Our Spirit needs to be led by the Holy Spirit and submitted to the Holy Spirit. Our Soul then makes choices that our Body acts upon. Part of those soul choices are us choosing to come out of bondage that leads to fear. Many of us are already in bondage to fear but God's perfect love casts out fear and leads us to freedom. This service concludes with Prayer.

**70DPCD3-10 – Derek Prince – [THE CROSS – YOUR EXECUTION!](#)** - Other than the message of salvation, this is the second most important message for every Christian to hear. Are you Christ's or are you not? They that are Christ's are crucified. Many Christians have never heard the truth about divine execution. Have you ever submitted to execution? This is the distinctive mark that you belong to Jesus Christ – in that you have crucified that old, carnal, rebellious nature, with its affections, emotions, doubts, fears, unbelief, and lusts. And don't forget, these are just as much a product of the old carnal nature as adultery and drunkenness. And of the list of those that go into the lake of fire in Revelation, those that head the procession are the fearful and the unbelieving. They that are Christ's have crucified these affections & lusts. We do not let the senses dictate and tell us what we are to do. The majority of Christians are under the dictates of the carnal nature. It can be very polite, very respectable, very religious – and very deadly. The enemies of the cross are those whose god is their belly. He quotes Don Basham who said he has learned that his stomach does not tell him when to eat – he tells his stomach when he will eat. Who is the master and who is the servant in your life? There are two distinct aspects to the cross. 1) What Christ did on the cross FOR you and me. 2) What the cross will do IN you and me.

The cross was a substitution act – Jesus took it all. Everything He did was a substitute for us. Wherever sin enters in, the curse follows. And because Jesus was made sin for us, He was also made a curse for us. The curse was exhausted on the cross. Every last vestige of satan’s power over us was removed at the cross. The cross is a big red stop sign. We need to learn to live on the right side of the cross. There is a place in God where the devil cannot touch us. Derek enjoyed seeing the demons tremble – because of the name of Jesus! Our greatest enemy is our old nature – that root of rebellion. Addictions are just branches. We must deal with the trunk.. Put an ax to the root of the problem. There is only one solution for the old nature. God doesn’t reform him, he doesn’t patch him up, and he doesn’t send him to church. The only solution is execution! The execution has already taken place at Calvary. Your believing that doesn’t change the fact – it only changes you. Oh, how we have been deceived about what salvation is. What is death to sin? He tells of a man who cursed, drank, and abused his wife and children. Time after time, the wife and children would go to church, only to come home, to the man blaspheming, swearing and abusing. One night they came home, he was sitting in the chair, the TV was on, the whiskey was beside him, the cigar was in the ashtray, but there were no words of cursing, blaspheming, or abuse coming from his mouth. He had died while they were at church. That is our example of death to sin. It can be all around us but none of that adamic, carnal, lustful nature has any hold on us. We are dead. Bro. Prince concludes this service with a call to come forward to be executed. He then prays toward that end. There is a tremendous anointing on this entire message and service. (All Derek Prince messages were recorded by Glen Miller, founder of Lake Hamilton Bible Camp, in the 1960’s to 1976 as he was commissioned by The Full Gospel Business Men’s Fellowship International, and other ministries during that time.) **The CD is \$4.00. ~~~~~

Many of our subscribers have drifted away from attending local assemblies for one reason or another. We know it is difficult to find a place of worship that is Christ centered, exposing sin and teaching repentance, let alone one that believes in the five-fold ministry for the perfecting of the saints, divine healing and deliverance. Some are in transition, waiting on the Lord to direct them to a place of fellowship. Others are “gathering” online via Zoom or other avenues of live streaming. There is no judgment against any of these sources of spiritual nutrition.

We encourage you to be watchful, always asking for the Holy Spirit’s discernment and stay current with your daily Bible study and personal time of fellowship with the Lord. Develop your prayer language and praise and worship in communion with Him. If you don’t have the Baptism of the Holy Spirit with the evidence of speaking in tongues, ask for this gift. Paul, in his writings to Timothy, was giving warning not only to Timothy but to us as well. In 2 Timothy Chapter 3 Paul lays out the perilous times to come but reminds him how the Word of God makes one wise. And that all scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.

Over the last fifty years here at Lake Hamilton Bible Camp the Word of God that has consistently been taught focuses on obedience, discernment, surrender, forgiveness, repentance, honesty and love. Yes, salvation, deliverance, healing, Holy Spirit Baptism and much more are weaved into this glorious tapestry but without the primary focuses, these other things will fade away and no longer bear fruit. God Bless all of our readers and their families. We thank the Lord for each one of you.
