Dear LHBC Family & Friends:

We pray for you in agreement with 3 John 1:2 that, *"Beloved, I (we) wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."* We must align our thoughts with the truth of God's Word, despite what we see or hear going on in the world around us. We are encouraged by Isaiah 60:1-2 which tells us, *"Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee. For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise upon thee, and His glory shall be seen upon thee."*

In this issue we are sharing the conclusion of Erma Miller's booklet, "Preparation for Entering the Kingdom ... What Will Keep You Out". We are also beginning a series on Repentance from the booklet by Pastor Chris Simpson. It has been suggested by one of our readers that more needs to be said about repentance and we couldn't agree more! It is discussed at length in many of our services but for those who don't listen to the messages, this booklet covers it well and will be spread out over several issues.

Some of the areas of repairs and restoration that were spoken of in our last issue have been completed. Praise the Lord! Here is an update on the areas that sustained hail damage: the parsonage, cabin and A-frame roofs have been replaced. The siding replacement on the cabins, and repairs for the roof attached to the A-frame (which holds the air-conditioners for the A-frame and the condenser for the walk-in refrigerator) have yet to be completed. Not all of these needed replacements/repairs are covered by insurance. In addition to the hail damage repairs, we are obtaining estimates to replace the wood on the bridge over the waterway which connects one side of the property to the other. We extend our heartfelt thanks to those who have sent financial help towards these needs, however, there are still some deficits. As the Lord leads we invite you to help LHBC financially cover the expenses of these repairs. As we have testified during the development of this ministry over the last fifty years, God has been and always will be our provider. Space does not permit us to rehearse the multitude of miraculous provisions He has sent our way over the years. Some have been supernatural and can only be traced to God alone. Others have come through the hearts of those He has prompted to help the ministry. Suffice to say, He is Jehovah Jireh in every situation! We will continue to keep you updated as progress continues.

2024 LABOR DAY CAMP MEETING CD's, DVD's & MP3

24LHMP3CD8 - 2024 LABOR DAY CAMP MEETING ON 1 MP3 CD 8 Services - 15 Messages - \$10.00

24LHCD8-1 [CD - \$4.00] or 24LHDVD8-1 [DVD - \$5.00] - Randy Richey - [THE KINGDOM OF GOD IS AT HAND](#) - The core of this message concerns sin that defiles, which in turn, catapults into the message title. It's repentance and turning from sin that renders the benefits of the kingdom of God coming forth in our lives. If you are not living a repentant lifestyle you are not living victoriously. Three ways defilement comes in: 1) Inherited (Ex 20:5) You did not ask for these but you received them anyway. 2) Imparted. You didn't ask for these either. Somebody abused you that shouldn't have - sexually, physically, emotionally, verbally or spiritually. Somebody didn't love you that should have, i.e. parent, etc. 3) Acquisition. We do our own sin. Perhaps due to either #1 or #2 or both. But now we own it. There is no deliverance without forgiveness. He dives deep into potential areas of where one needs to forgive including politicians! We are sitting in idolatry if we don't forgive ourselves and we nullify what Jesus did on the cross, robbing God of what He paid for. In depth repentance and deliverance prayer takes place in this service.

24LHCD8-2 [CD - \$4.00] or 24LHDVD8-2 [DVD - \$5.00] - Deborah Vails - [EXPOSING AND DEFEATING DEMONIC ATTACKS](#) - 1 Cor 10:13 Jesus is the way out of temptations. It is important to know that attacks will come in our lives. God will rescue us from the attacks of the enemy and provide a way out as we continue to submit to Him. The purpose of this teaching is to expose some of the attacks of the enemy and to allow the Lord to minister to us from His Word so that we may walk in victory. Everything is not a demon but when it is,

we better recognize it and know how to fight! The Lord gives us victory according to His Word. So learn how to stand strong and stay encouraged through this teaching. She exposes twelve specific spirits that clearly bring on demonic attacks and describes their methods. (1) Zapping, (2) Blocking, (3) Tracking, (4) Demonic watchers, (5) Python, (6) Mind binding and mind blinding, (7) Fear, (8) Confusion, (9) Slander and Accusation, (10) Jezebel, (11) Goliath, (12) Saul.

24LHCD8-3A & 3B [2 CD Set - \$6.00] or 24LHDVD8-3 [DVD - \$5.00] - Randy Richey - [BRUISED SPIRIT](#) - Luke 4:18-19 "... to set at liberty them that are bruised." The lies the enemy bundles us with as an aftermath of so many dysfunctional things that have transpired in our lives all must be unraveled. Lies about God, our parents, ourselves ... the list goes on. Randy hammers on the lies - the strongholds, stating those are areas the Good News has not yet penetrated. What keeps you broken? Unforgiveness and bitterness are the glue that holds pain in your heart. If we are going to have any kind of victorious life in the Lord we have to learn to love people. One of the most liberating things you can come to understand is that all your thoughts don't originate with you. The enemy projects thoughts. When your spirit is damaged and wounded in any way your ability to relate normally to others, to yourself and to God is hampered, as well as your ability to trust others and God. He states that sometimes the most difficult people to minister to are those that "know". He calls it "the I know spirit". He shares numerous symptoms of a bruised and broken spirit and concludes the service with deliverance prayers.

24LHCD8-4 [CD - \$4.00] or 24LHDVD8-4 [DVD - \$5.00] - Kerna Williams - [OSCARVILLE AND LAKE LANIER GEORGIA](#) - He begins with a powerful prayer and proclamation over people who are involved in litigation issues. He states the message for tonight is a Watchman's Alert. With his military background he refers to the current SitRep (Situation Report) as hostile. It involves identifying the plans and strategies of the enemy. A sub-title for this message could be Marine Spirits. Take the spiritual warfare fight to the waters! Demonic activity can extend to the oceans, seas, lakes and rivers. Chaos, death, destruction, demonic portals and marine spirits can be activated and manifesting in the water. He believes because blood was shed, the soil was contaminated and defiled in Oscarville, which left an open portal for demonic strongholds to come in and set up house. Oscarville, GA was a prominent black town. Because of Satan and his demonic activity it became a town of racial cleansing. We know how demonic entities can come into a region and set up strongholds. Over the years ninety-eight percent of black people ended up leaving their homes or being murdered because they refused to leave. Thousands of people lost their lives. The land that once belonged to these people was sold to the government, and by 1950 the plan to build Lake Lanier was in full effect. The water was needed to funnel into Atlanta, GA, some fifty miles away. Oscarville was covered up by billions of gallons of water by the Army Corp of Engineers to form the lake. There have been close to one thousand deaths since the lake was created. Many of these deaths are thought to be a result of paranormal activity (or because of curses as Kerna points out). He addresses various manifestations of marine spirit symptoms, along with things such as bloodshed which can defile the land. A plethora of Scriptures are shared. The service concludes with deliverance prayers and ministry.

24LHCD8-5A & 5B [2 CD Set - \$6.00] or 24LHDVD8-5 [DVD - \$5.00] - *Charles & **Jesse Jernigan - [*STEPS OF OBEDIENCE / **NOT LOOKING BACK](#) - *Charles is gifted to weld his Scriptural teachings to his revolving door testimony and produce a message that contains practical help for us in our daily walk as Christians. Ps 37:23-24 though we fall the Lord upholds us. When we walk in disobedience the Lord can put us in a place where He can get our attention. Obedience is tied into sacrifice. 1 Sam 15:22 The further we turn our ear from Him the fainter His voice can become. The first of several examples for steps of obedience is Jonah. God prepares the fish! He can walk us through some very hard times to bring us out to testify. Obedience is letting the Holy Spirit lead us, trusting in God's will for our lives, putting others before us and living a life that is Christ-centered. You can't be "half step". You have to be all in for God. To walk in obedience is to understand the true fear of God. He shares a chilling testimony of what happened to his wife when he fell back into sin which removed the hedge of protection over his family. Referencing the prodigal

son, He states that generally, nine times out of ten when starting over in steps of obedience, that first step is one of humility. We must ask the Lord, "Is there any step that I am taking that is in disobedience to you?"

****Luke 9:61-62** Looking back will keep us unfit for the Kingdom of God. We have to run forward and put our hands to the plough. This thing is real. We are a target of the enemy, a threat to the kingdom of darkness, which puts us in spiritual warfare every single day. The only thing we want to look back at is where God brought us from! **Luke 17:28-32** Don't be like Lot's wife. It's a danger zone. She shares heart wrenching personal testimony of the climb out of a life of hurt, rebellion and drugs and some of the consequences that resulted. She had a mother and father that hated each other but deep down she did not want to be like that. She reached a point where she chose to forgive and take personal responsibility for her choices. She knew the Bible would work, that the Word of God would heal her. God began to put things in order in her life as she continued to learn to not look back. She prepared herself to not be rejected by her family's lack of confidence that she had changed, because of her previous track record. We need to take off the graveclothes, the self-pity that glues us to the past. Ungratefulness and unthankfulness will destroy you. It's time to not be comfortable with the demons. Service concludes with them both speaking prayers of deliverance.

24LHCD8-6A & 6B [2 CD Set - \$6.00] or 24LHDVD8-6 - *Jean & **Kernaa Williams - [*THE GLORY REALM / **TIME OF VISITATION](#) - *Glory encounters happen in God's timing as we die to self-sufficiency. Gal 2:20. Isaiah 60 provides the backdrop for much of this message. As believers we have been called to the Glory realm. The Glory realm is where God lives. It is His dominion. The Kingdom of God is the realm of God's Glory. Deliverance helps pave the way for access to the Glory realm. The Glory resides in all three positions of the Godhead. (Eph 1:17, Rom 6:4, Jn 1:14 & 1 Pet 4:14). As His Glory manifests in us more and more it draws people to us. In the Glory realm the Glory increases the gathering anointing. Isa 60:4. Glory will cause blessings and prosperity to come into your life. Amos 9:13-15. The Glory will rebuild your walls. Isa 60:10. Glory will cause you to rise above those who have afflicted you. Isa 60:12-14. You cannot stay the same when the Glory of God invades your life. When the Glory comes it brings deep conviction of hidden sins and attitudes displeasing to Him. Heb 1:3 She concludes with examples of mighty manifestations of God's Glory being demonstrated throughout the Bible. (We encourage you to also listen to **24LHDVD7-4 Benefits & Blessings of the Glory** which Jean shared at our 2024 Summer Camp Meeting - available on DVD, CD & MP3 or watch for free on [YouTube](#) or [Rumble](#))

****Luke 19: 41&44** We are in an unprecedented time where the need to grow closer to God is greater than ever before. Jerusalem did not recognize the time of the Lord's visitation. Visitation in the Greek is the time Jesus comes to investigate a city or a nation or perform an inspection, and also a time when He will bring judgment or punishment. Likewise, America is not recognizing her time of visitation. Her enemies have surrounded her both foreign and domestic. If she is not careful she will be like Jerusalem, hemmed in on every side, experiencing punishment and judgment. We need a Jehu in the Whitehouse! 2 Kings 9:20 - one whom our enemies will fear. Kernaa issues a clarion call for us to cry out for more discernment to distinguish what is of God and what is counterfeit. There are pastors who don't want the moving of the Holy Spirit and would rather stay bound up in their traditions and legalism. Too often the move of God has been shut down by man's agenda. We must learn how to not grieve the Holy Spirit. Excellent Scriptural examples are given of what is real as opposed to the counterfeit. It's time for us to get into personal observation mode, to become sensitive to the Lord's visitation. Don't let Him catch you in a place you shouldn't be at the time of His visitation.

24LHCD8-7 [CD - \$4.00] or 24LHDVD8-7 [DVD - \$5.00] - Deborah Vails - [NEVER LET THE FIRE GO OUT: ALWAYS LET THE FIRE BURN](#) - We must keep our lives stoked in prayer. This means the more wood you place in the fire, the more it will burn. We are the temple of God because He resides in us. As such, God requires us to live holy lives. As we strive to get closer to the Lord, He will continually purify and cleanse us in order that we will be meat for the Master's use. Holiness is freedom from moral evil - sanctified and set apart for sacred use. God expects us to use His Word to judge and cleanse our own walk of life. Eight things the fire does: (1) Judges & purifies Gen 19:24 (because of sin) - (2) Fire for sacrifice Gen 22:6&7 - (3) God is in the fire Ex 3:2 - (4) Fire that destroys Ex 9:23-24 - (5) Fire as light for direction Ex 13:21-22 - (6) Fire to confound the enemy Ex 14:24 - (7) The Glory of the Lord is like a devouring fire Ex 24:17 - (8) Fire on the altar should never

go out Lev 6:12-13. Principles of prayer: (1) Be persistent - (2) Pray without ceasing - (3) The prayer of confession - (4) We must confess - (5) Prayer of thanksgiving - (6) Prayer of worship - (7) Prayer of meditation. She concludes with a prophetic word and then she begins to preach the fire! "You can't live any kind of way with this fire. He's calling for holiness, right and honest living."

24LHCD8-8A & 8B [2 CD Set - \$6.00] or 24LHDVD8-8 [DVD - \$5.00] - [Various Speakers](#) -

Deborah Vails - PUT YOUR HOPE IN GOD - Putting your hope and trust in the Lord will give you peace that will pass your understanding. The world does not have the hope and peace that comes from knowing Christ and trusting Him for help and strength. The body of Christ is called to endure hardness as a good soldier and with that comes tenacity and stamina. Put your hope in the Lord. In doing this you will come out on top every time. A message of encouragement to put and keep our hope, trust and reliance in the Lord.

Laquitta Sizemore - PRAISE & WORSHIP AS A WEAPON - Prepare your heart to make praise and worship a part of your daily arsenal. Jn 4:23 - "The Father seeketh such to worship Him." 2 Chron 20:22 - "The Lord set ambushments up against the enemy." Your worship will confuse the enemies and cause them to be destroyed. Acts 16 - Paul and Silas worshipped at the darkest hour and the chains (bondages) fell off. The enemy is unbound by our worship. The walls came down. There are spiritual prison walls that keep us captive. Worship brings salvation to those who are lost!

Jesse Jernigan - HE MAKES ALL THINGS NEW - Let us remember to return to our first Love. Sometimes we get going so fast and busy that we forget the enemy excels at keeping us busy. It's good to slow down and reflect on the former things He has done for us and what He has brought us from. Old things are passed away and He makes all things new. God's process is to continue doing something new for us to reflect back upon, and to also take us through things that will prepare us for what is ahead. Eph 4 lays out how we are to put off the old man and put on the new man.

Charles Jernigan - KEEPING YOUR EYES ON HEAVEN - There are times we need to cry out to God for a new heart. David did that and it was because he had done things that were displeasing to the Lord and the joy of his salvation had been stolen. We want the joy of the Lord to be in our lives. That joy in itself is a powerful witness to people and can draw them to Jesus. Isaiah 35 lays much of the foundation for what he shares about keeping our eyes on Heaven. Praise God if He takes away our aches and pains, the demons that harass and torment us, but Praise God if He doesn't in this life. But He will take it away someday and we don't have to worry about it. Perhaps it's there for a reason. Godly wisdom and insight coming from this young man.

Callie Richey - BEING HOME - She shares tender testimony of how she and Randy started coming to LHBC in 2004 and what a big mess they were. They kept coming back again and again, listening and gleaning, taking home what they learned and practicing what they were taught. She likens it to their spiritual tool box - how to do the things we need to do to overcome the enemy. All of her life she never felt like she was at home, even when she was home. But today, because of deliverance ministry and healing, she says, "I love my home and I'm comfortable in my home. But I also feel I'm home when I come here (LHBC) because this is my family also." She has learned that what we think, how we think, and what we believe affects our entire body. We must replace the lie with the truth.

Randy Richey - WALKING IN RIGHTEOUSNESS - Randy leads the people in what he dubs, "a mop up prayer". This is the final deliverance service of the 2024 Labor Day Camp Meeting. Consider in this time of prayer that though you may not have been involved in some of these things, it is likely there has been some ancestral participation. Spirits called out include astral projection, astral angels, occult curses & blessings & powers, demons enforcing curses, vows, covenants, contracts, oaths, pledges, commitments, agreements, dedications, assignments that have been made to satan and any other deity other than Jehovah, the sovereign God, by me or others on my behalf at any time whether before or since my birth. I rejoice the Blood of Jesus Christ, my Saviour, has the power to break all connections to satan and will keep me safe from any consequence of breaking these oaths. I claim His power and protection for myself. This is just the beginning of the completeness of this prayer of deliverance. It is approximately thirty minutes long and well worth listening and participating in.

~~~~~ PREPARATION FOR ENTERING THE KINGDOM

.... What Will Keep You Out?

(This is the conclusion of Part 1 which was printed in our July, 2024 newsletter)

This booklet was first printed in February, 1987, at Lake Hamilton Bible Camp

By Glen & Erma Miller - Founders of Lake Hamilton Bible Camp

WHAT WILL KEEP US OUT OF THE KINGDOM?

Using our carnal mind will keep us out of the Kingdom. Walking in the Spirit with the mind of Christ will bring us in.

In Galatians 5:19-21 it reads, *"Now the works of the flesh are manifest, which are these... Adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revelings, and such like, of the which I tell you before, as I have also told you in times past, that they which do these things shall not inherit the Kingdom of God."* Paul makes it rather clear, doesn't he?

II Corinthians 12:20 ... *"lest there be debates, envyings, wraths, strifes, backbiting, whisperings, swellings, tumults."*

In Hebrews 6:1, it reads, *"Let us go on unto perfection (full growth) ...Verse 6, "And this we will do, IF GOD PERMIT."* Is God permitting us to go onward, or do we need to take care of some of these things before we can?

Ephesians 5:5, *"for this we know, that no whoremonger, nor unclean person, nor covetous man, who is an idolater, hath any inheritance in the Kingdom of God."*

I Corinthians 6:9 reads, *"Know ye not that the unrighteous shall not inherit the Kingdom of God? Be not deceived, neither fornicators, nor idolaters, nor adulterers, effeminate, nor abusers of themselves with mankind (perverts), nor thieves, nor covetous, nor drunkards, not revilers, nor extortioners shall inherit the Kingdom of God."*

It makes sense that we have to do something to enter into God's best. We will take the above items one at a time, so there is no misunderstanding of the meaning of these words.

ADULTERY - Jesus says that we commit adultery by lusting after a woman (or man). He says in Matthew 5:32, Luke 16:18, Matthew 19:9, and Romans 7:3 -*"Whosoever shall put his wife away save for the cause of fornication, causeth her to commit adultery: and whosoever shall marry her that is divorced committeth adultery."*

In Mark 10:11-12, Jesus says, *"Whosoever shall put away his wife, and marry another, committeth adultery against her. And if a woman shall put away her husband and be married to another, she committeth adultery."*

FORNICATION - Unlawful sexual intercourse of an unwed person. Whoredom, incontinence, carnality, improper or illicit intercourse, lewdness, unchastity, harlotry, concupiscence, promiscuous, debauchery. The act of sexual relations, without or before marriage. Lustful desires, lechery, gross sensuality.

Jesus considers dabbling in the occult fornication.

LASCIVIOUSNESS - Immoral, fleshly, wantonness, unrestrained, unreserved, unfettered, wayward, fanciful, fickle, frivolous, lewd, malicious, smutty, dirty, indecent, foul-mouthed, obscene, vulgar, off color talk, racy, impure, immodest, suggestive, vile, unladylike, ungentlemanly, unvirtuous, pornographic, gross, depraved, unregenerate, polluted, masochistic, sadistic, incestuous, beastly, goatish.

UNCLEANNES - Spotted by the world, filthy, bedraggled, polluted, defiled, rotten, vile, contaminated, impure. In the Bible, there are two main divisions: spiritual or moral uncleanness and ceremonial uncleanness. The Biblical laws on unclean food came directly from God in Leviticus 11. Also, He forbid them from touching anything dead.

Leprosy, being a type of sin, was looked upon as unclean, and God gave detailed instructions in dealing with it in Leviticus 13:15.

God also gave other rules of personal cleanliness in Leviticus 15:1-33, which includes rules for husband and wife sexual relations. Please read all of these passages.

IDOLATRY - The adoration of things of the world; center of one's affection - worship of false gods. The second commandment forbidding man to make and bow down to images of any kind, is idolatry. It is also anything that leads to the dethronement of God from the heart, as for example, covetousness.

Covetousness is marked by inordinate desires for wealth or possessions, or for another's possessions. It tends to make one grasp for material possessions. This sin can come from the extreme confession message. "You can have whatsoever you say", can lead into coveting and iniquity.

HATRED - Ill-will toward a neighbor instead of loving a neighbor as one's self can bring in the Spirit of Hatred. Hate causes one to bear a grudge, to resent, and harbor unforgiveness. Hate causes one to look daggers at and place curses on your enemies.

Hate generates hostility, and usually has fear behind it, with roots of bitterness. The Word of God states in 1 John 3:14-15, that *"Whosoever hateth his brother is a murderer."* And in 1 John 4:20 it says, *"If a man say, I love God, and hateth his brother: HE IS A LIAR."* Where are liars doomed to go? THE LAKE OF FIRE!

WITCHCRAFT - 1 Samuel 15:23 says, *"Rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry."* Witchcraft is rampant in America, as is rebellion. One can hardly pick up a newspaper, magazine, or

turn on the TV but that witchcraft is displayed before our eyes. It is practiced in schools, in churches and in the homes of America, with no conviction whatsoever.

First, came the rebellion of the 60's, then came the witchcraft of the 70's, and now idolatry in the 80's. False gods, guru worship, Eastern religions, the Light Force, are being worshipped in America, as if we were a pagan nation. These things are touching every strata of the American home through TV, books, health kicks, drugs, etc. and it is an abomination to God.

It is practiced in our schools and also in the churches of America. Mind control is rampant ... seeking the supernatural ... only in the devil's direction. Would to God America would seek the Kingdom of God and the supernatural by the Holy Ghost.

One man told us recently that his 10 year old son came home from school telling about a new boy who had just enrolled. The boy was dressed all in black, boldly stood up in front of the principal's office and announced to the students that he was a warlock in charge of the school ... He made pronouncements of school bus wrecks that he would cause and other havoc he intended to do. Strange, but the teachers did nothing.

Why? Mostly lack of knowledge of the powers of witchcraft, which are very real, and little or no knowledge of the power of Jesus' name. Fortunately, this man's son had experienced deliverance and was Spirit-filled, and had a friend in school who was filled with the Spirit. Who knows what these two Spirit-filled boys will accomplish when they go into warfare against the enemy?

Other forms of witchcraft are horoscopes, palm reading, water witching, fortune tellers, Ouija board reading or keeping occult books, ESP, séance, telepathy, hypnotism, Lamaze, magic charming, yoga, voodoo, metaphysics, self-realization, handwriting analysis, religious cults, tarot cards and card playing, communication with the dead or spirit guides, Rosicrucians, Spiritualism, Mormons, Christian Scientists, Unity, Baha'i, Theosophy, Inner Peace Movement, Spiritual Frontiers Fellowship, Association for Research and Enlightenment, Religious Research Foundation of America, Unitarian, Jehovah's Witnesses, Mormonism and on and on.

THE PRACTICE OF ANY WITCHCRAFT WILL KEEP US OUT OF THE KINGDOM OF GOD

EMULATIONS - Envious rivalry ... never content in the ministry God puts you in, a tendency to imitate. Competition between churches, denominations, how many in Sunday School, how many buses, etc. This will lead to emulations and should not be.

VARIANCE - At odds, always in disagreement ... dissension, sowing discord among the brethren, out of harmony, argumentative, etc.

SEDITIONS - Insurrection against authority, revolt, mutiny, rebellious, disloyal, treason .. leads to a Judas Iscariot or spirits of a traitor, false apostles, (lawless) one who is wild, untamed, savage, fierce, violent, uncontrolled, defiant of laws, insubordinate, disobedient to man and to God.

HERESY - Nonconformity, schism, false doctrine, unscriptural ideas.

ENVY - James 3:16, *"For where envying (jealousy) and strife is, there is confusion and every evil work."* This green-eyed monster seems to be everywhere from small children, to ministries, government and nations. Webster says: To harbor ill-will, grudges, malice, backbiting, etc. Envy and strife causes disease of the liver and can open us up to many other diseases... cancer, strokes, heart attacks, ulcers, insanity, blood diseases, etc. It will keep us out of the Kingdom of God.

Envy is one of the seven deadly sins. Proverbs 14:30 reads: *"A sound heart is the life of the flesh; but envy the rottenness of the bones."* Envy and strife are like cancers.

DRUNKENNESS - Read Proverbs 20:1, Proverbs 23:31, Habakkuk 2:15, and Luke 1:15. This drinking of wine is a mockery to the new wine of the Holy Spirit. It will bring in the spirit of mockery.

Strong drink brings in rage. Do you have rage and anger within? It can come to you in your family line and needs to be repented of... washed by His Precious Blood, and then cast out by the Spirit of God. In Luke 21:34 it reads, *"Take heed lest your hearts be overcharged with surfeiting and drunkenness."* Surfeiting means eating - to gorge, overindulge, excess, intemperate, self-gratification, greedy. Overeating comes right along side with drinking.

MURDER - To have an abortion, looks that kill, hating your brother, killing, etc.

REVELLINGS - Wild parties or celebrations, entertainment, lovers of pleasure, sports to excess, etc. Proverb 21:17 says, *"He that loveth pleasure shall be a poor man: he that loveth wine and oil shall not be rich."*

WHAT SHALL WE DO?

"Rend your heart." saith Joel, and see if there be any of these things lurking in the darkness of your hearts.

Jeremiah 17:9 tells of how our hearts are desperately wicked, and who can know them.

Repentance is not out of style. Allow the Precious Blood to flow over you, turn your face toward the LORD. Do some soul searching, and above all: BE HONEST! Be honest with yourself and with God. We overcome evil by doing good. We are cleansed by the blood. We are washed by His Word every day. We are delivered by the spirit of God and the name of Jesus.

Don't make light of deliverance or casting out of evil spirits. Luke 11:20 reads, *"But if I by the finger of God cast out devils, no doubt the Kingdom of God is come upon you."* Matthew 12:27 reads, *"And if I by Beelzebub cast*

out devils by whom do your children cast them out? But if I by the Spirit of God cast out devils, then the Kingdom of God is come upon you."

AS JESUS WALKED THE EARTH FULL OF THE SPIRIT .. SO WE WALK!

AS JESUS ENCOUNTERED SATAN... SO WILL WE!

AS JESUS CAST OUT EVIL SPIRITS... SO MUST WE!

LET US PRAY... "THY KINGDOM COME".

One More Time

I call for My people one more time to come to Me with all your heart. Come to Me, weep, mourn, and travail because of the sins that are before Me, says the Lord.

I call for My people to surrender all to Me. For I the Lord am a just God, I will not despise those who will give Me your whole heart. I call one more time for those who will submit their all to Me that I may leave a blessing behind, says the Lord.

I call for My people one more time so that I may revive, refresh, and renew your heart, encourage your soul to run after Me so that My will may be done on the earth, says the Lord.

I call for you one more time that I may spare and not pour out My wrath on the earth because of the sin that comes up before Me. I am calling for a pure and holy body to walk before Me in righteousness, says the Lord.

I call for you one more time, hear My voice, heed My voice, and do not resist My leading for I am calling you today. Hear My voice and know that I the Lord will bless you as you give Me your all, says the Lord.

Homeopathy: Medical Treatment or Demonic Gateway? by Drs. Vann and Sandy Hutchinson - They have written this book in order to warn Christians about the demonic dangers of taking homeopathic medications. They have revealed the New Age and Eastern religious roots of homeopathy as well as the mysticism and blasphemy of those who influenced the founder, Samuel Hahnemann. The basic principles of homeopathy, which include the law of similar, the law of potency, and the process of succession are described. The book concludes with a chapter on the spiritual ramifications of homeopathic treatments, and gives instructions for receiving and ministering deliverance from demons who have gained entrance through homeopathy. Paper - 69 pages - **\$10.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

Breaking the Kundalini Release and Chakra Deliverance by Drs. Vann & Sandy Hutchinson - In this book, Drs. Vann and Sandy Hutchinson have described the Kundalini spirit and the seven chakra systems of both the upper body and lower extremities. They have listed the detrimental effects related to the release of the Kundalini spirit and have presented their revelation of how to break the release and its effects. The demonic characteristics of each chakra are described and detailed instructions for deliverance are given. Paper - 111 pages - **\$15.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

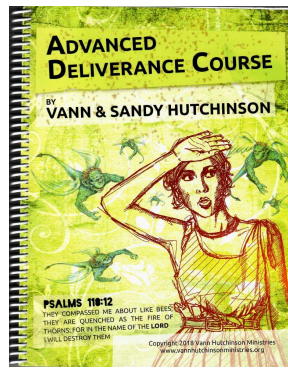

First Steps to Deliverance by Drs. Vann & Sandy Hutchinson - They have ministered deliverance to people all over the world. They feel that, along with casting out demonic spirits, effective deliverance must include instructions on how to remain free. God has revealed to them that people need spiritual weapons with which to fight the attacks of the enemy. For that reason, this book contains the prayers, scriptures, and other materials which Vann Hutchinson Ministries have shared. Spiral Bound - 77 pages - CD's no longer included. **\$17.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

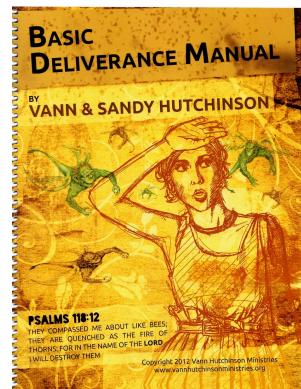

Deliverance From Adverse Childhood Experiences by Drs. Vann & Sandra Hutchinson - There have been many studies conducted and books written on Adverse Childhood Experiences (ACEs) and their effects on the quality of life in adulthood. However, none have included demonic deliverance as a possible means for overcoming these adverse events. They explain how demonic spirits enter through toxic stress and affect brain development, emotional control, and physical health both in childhood and throughout life. The book is based on hundreds of articles and statistical research studies on the effects of ACEs. It concludes with instructions on how to be delivered from ACEs that have tormented you and destroyed your health and emotional well-being. Paper - 165 pages - **\$17.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

As Christians we can make a difference. We pray for the government so we might as well vote for the government! We encourage you to vote in this upcoming election.

Advanced Deliverance Course by Drs. Vann & Sandy Hutchinson - They have developed the Advanced Deliverance Course as a companion to their Basic Deliverance Course. This present work consists of materials and techniques that will assist you in providing effective deliverance to highly demonized individuals. It includes all of the advanced techniques which they have found to be highly effective in their individual deliverance sessions. The techniques for the following areas of deliverance are fully explained: Freemasonry, Chakra Deliverance, Kundalini, Adverse Childhood Experiences, Incubus-Succubus, Witchcraft, Biblical Curses and much more. Spiral Bound - 214 Pages - CD's are no longer available with this book. **\$25.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

Basic Deliverance Manual by Drs. Vann & Sandy Hutchinson - Twenty-five percent of the ministry of Jesus involved casting demons out of afflicted people. However, the church has largely neglected this area of ministry or has turned it into a sideshow with sensationalism. Demonic deliverance is a simple principle. Every believer can and should exercise his authority in Christ Jesus by casting out devils (Mark 16:17). What the world calls sickness and mental illness is in fact, the work of demonic forces in the lives of people, both Christian and non-Christian. They have systematically presented effective techniques that are time-tested and scripturally sound. This manual will help equip all Christians to deliver themselves and others from demonic oppression and control. Spiral bound - 55 pages - CD's are not available with this book - **\$17.00 plus postage of \$4.50 or 10% of orders \$45.00 or more**

When erecting a building of any size or type, the most important feature of that building is its foundation. Every structure must be built on a foundation that is sufficient to bear its weight, or it is sure to collapse at some point. For this reason, much planning and work goes into the laying of a building's foundation before the rest of the construction is even started. This same principle applies to your walk with Christ as well. Once you get saved, there is a lot of work necessary in order for you to have a foundation sufficient to bear up against the constant assault you will experience from the world and from the forces of darkness. If your foundation is strong, you will stand no matter what is thrown at you. However, if it isn't strong then you will likely fall whenever trials and temptations come.

There are certain doctrines of the faith that are especially instrumental to a believer having a strong foundation in Christ. These particular beliefs are laid out by the Apostle Paul in his letter to the Hebrews:

"Therefore, leaving the discussion of the elementary principles of Christ, let us go on to perfection, not laying again the foundation of repentance from dead works and of faith toward God, of the doctrine of baptisms, of laying on of hands, of resurrection of the dead, and of eternal judgment." (Hebrews 6:1-2)

Notice that the very first foundational principle is repentance. Without a true understanding of repentance, what it is, and how it manifests in our lives, we will never grow into maturity or gain victory over the enemy's devices. And yet I have found that many believers really don't know what repentance means and, as a result, their spiritual foundation has a faulty slab. The evidence of not having a proper foundation in the area of repentance is that, although you struggle with guilt and shame over a certain area of sin in your life and are continually saying, "I'm sorry," there is never any real change in your behavior. If you have a faulty slab of repentance, be sure the devil will take advantage. For this reason, we need to have a clear understanding of what repentance is, and what it is not.

What is Repentance?

Repentance is not only the first principle in the doctrine of Christ, it is also preeminent in the preaching of the gospel. The first thing out of John the Baptist's mouth in Matthew 3:2, was, "*Repent ye.*" Jesus also started His ministry saying, "*Repent*" (See Matthew 4:17). Repentance was the disciples' message in Mark 6:12, an integral part of Jesus' last instructions in Luke 24:47, and the first words of the Church, as seen in Peter's sermon in Acts 2:38. Repentance is also mentioned seven times in the first three chapters of the book of Revelation.

The true definition of repentance is, "to feel so contrite over your sins as to change your mind about them and to decide to change your ways." Many times, it is not sin that people change their minds about, but rather the consequence of their sins. The guy sitting in jail is truly very sorry, but he's not sorry he robbed the bank; he's sorry that he got caught! He doesn't like the consequence of his action, so he decides never to rob a bank again. But, deep in his heart, he is still a thief. In contrast, repentance means to look squarely at the sin itself and to say "no" to it. Consider the following analogy:

Have you ever had an old car that started having problems and became a drain on your pocketbook? It may be that you finally decide it's time for a new car. As soon as you make that decision, everything changes in your attitude about your present car. You find yourself becoming increasingly neglectful with it, and you become far more attentive to newer cars that you like. This is the same type of thing that takes place in your mind when you decide to repent. You make a decision, and because of that decision, everything begins to change.

Repentance is not just “being sorry.” Using the previous analogy, you may be sorry you drive an old car, but nothing changes until you make the decision to purchase a new one. How many times have you been sorry for your behavior, but it never changes? Just as you may decide to acquire a new car once your present one begins to have problems, so also it’s often not until you suffer the consequences of your sin that you hopefully will change your mind about it. We often must eat the bad fruit of our choices until we get sick of it and say, “I’m not going to do this anymore!”

The Awful Price of Sin

“Cry aloud, spare not; Lift up your voice like a trumpet; Tell My people their transgression, And the house of Jacob their sins.” (Isaiah 58:1)

Our problem is that we simply don’t see sin in the same way that the Lord does. If we did, we would never, never do it. We are desensitized to sin’s true nature because we are breast fed on it from our birth. As David said in Psalm 51:5, “in sin my mother conceived me.” Job 15:16 tells us that man, “drinks iniquity like water!” If we had God’s perspective, we would understand that sin, whether our own or another’s, is the source of all problems and suffering. One of the primary goals of the entire Bible is the exposing of man’s sinful nature; this is why God had Isaiah proclaim to Israel their sins. Sin is an abomination to God and diametrically opposed to His very nature.

After Adam and Eve provoked God’s curse, the Bible says he made skins of animals to cover their nakedness. Until that time, never in all of creation had there been death. Imagine that first slaughter of an innocent and trusting creature! In fact, it was one that Adam had only recently named. But, God took this undeserving animal and killed it and skinned it to cover Adam and Eve’s sin. This was, of course, a prototype of the price Jesus paid in shedding His blood. The slaughter of an innocent creature to atone for sin was meant to show the horror of sin.

In the same way, according to Isaiah 53:10, Christ’s soul was made an offering for sin. Jesus came to drink the cup of sin in order to permanently strip it of its power in a person’s life. I believe the only way you can ever really repent of your sin is to truly look at Jesus and what He did on the cross. You must fully consider the price that He paid and see that a drop in that terrible cup that He drank was your sin. Jesus took upon Himself all sin, past, present, and future. And, as terrible as the physical suffering was, the real horror to Jesus is found in Habakkuk 1:13, *“You are of purer eyes than to behold evil, and cannot not look on iniquity.”* God turned His eyes away from His Son when He became sin. This was the most dreadful moment Jesus had ever known. That was the point in Psalm 22 when Jesus cried, *“My God, My God, why have you forsaken me?”* This is what Hell is - to be forsaken of God, separated from all comfort and security.
