

JUNE, 2025

Dear Fellow Believers:

As we begin this newsletter we are reminded of the words to a song someone taught here many years ago: "God is moving us on, He is leading the way, a way we have never gone before. There are mountains to climb, there are valleys to cross, but before us there is an open door." Many are saying God is fixing to do a new thing. Changes are coming and we best equip ourselves with the full armour of God. We remain ever so grateful we can trust God's leading and direction for each of our lives!

Before we launch into the upcoming camp meeting and the summaries of the Spring and Memorial Camps, **may we take a moment to say just how much we appreciate all of you who subscribe to and read our newsletters.** The distribution method has dramatically changed from the days when Glen and Erma first published Voices From His Excellent Glory in the 1960's. They hand-addressed the envelopes in their living room! In this digital age we live in the majority of recipients receive the publication on their phones or computers. We still have a precious few who need theirs delivered through the US Postal Service and we are happy to accommodate them.

A few weeks ago we were in a phone conversation with an eighty-six year young woman who was recounting what a life-changing experience it was for her after attending her first camp meeting many years ago. She coined it the "golden years". Her testimony sparked an idea. If any of you experienced a truly life-changing turn around after attending your first camp meeting here at Lake Hamilton Bible Camp please feel free to share the "short version" with us. You may send it by email to 72lhbc@cableynx.com or write it legibly in a note and send it by mail to LHBC, PO Box 21516, Hot Springs, AR 71903-1516. Depending on the response we will share them in upcoming newsletters. Names will be omitted for privacy. May the Lord abundantly bless each of you in every area of your lives!

Testimony from one of our long time subscribers:

The faithful God is moving in the hearts of my family and all I have to do is to be faithful to be all He has called me to be; then He speaks to them. I take care of what concerns Him, and He takes care of what concerns me. Is He good or what!!!! Not by might, not by power, but by My Spirit says the Lord of hosts. "This mountain shall be removed."

YOUNG PEOPLE'S SERVICES

There will be separate meetings for young people, ages 5 through 18, on Friday, July 4th and Saturday, July 5th. James and Danica Baker will be back with us this year to minister and oversee these life-changing times with the youth. Please call 501-525-8204 for specific details. The young people will be accompanied by their parent, grandparent, or adult caregiver. This is not “a drop your child off for the weekend” event. The adults will be in the main services as listed above under Service Times.

2025 SPRING CAMP MEETING CD'S, DVD'S & MP3

25LHMP3CD4 - 2025 SPRING CAMP MEETING ON 1 MP3CD - 8 Services - 10 Messages - \$10.00

25LHCD4-1A & 1B [2 CD Set - \$6.00] or 25LHDVD4-1 [DVD - \$5.00] - [Randy Richey - BE MADE WHOLE](#) - God paid for us to be whole, to be full of His love and to love and be loved. First and foremost we must confess sin and forgive. Forgiving yourself may be one of your biggest stumbling blocks. This life is about dying to self and living for God. A plethora of prayers against demonic forces affecting God's people are presented in this message. They include breaking of curses from ancient spirits, inherited demons, as well as spirits coming in through personal sins. The number one benefit of being a child of God is peace with Him. Proclamations of wholeness are prayed at the conclusion of the message. For example: “We cancel every unconscious negative agreement in our lives, in Jesus name.”

25LHCD4-2A & 2B [2 CD Set - \$6.00] or 25LHDVD4-2 [DVD - \$5.00] - [Deborah Greenhill - WEAPONS IN OUR ARSENAL](#) - The statement was made that we have entered a new level of warfare

and unless we are prepared to fight we are going to lose. We must be walking in the blood of Jesus and hearing His voice as to what to do and say. She looks at Biblical anointed weapons the ancients used when there were unusual and abnormal circumstances taking place to resolve their situations. If the Lord impresses you to take action using one of these weapons and you don't understand the why, do it anyway. The Lord was very specific with Moses exactly how to smite with the rod. He was repeatedly commissioned by God to use the rod to shift the spiritual climate to gain the freedom of the Israelites in Egypt. She teaches about the shofar (ram's horn, [trumpet - most references], cornet), prayer shawl (mantle), banners (standard), harp (for prophecy, deliverance and praise & worship), tambourine, handkerchiefs & aprons, and anointing oil.

25LHCD4-3 - [CD - \$4.00] or 25LHDVD4-3 [DVD - \$5.00] - [Deborah Vails - EXPOSING & DEFEATING THE EVIL EFFECTS OF CONTROL, MANIPULATION & DOMINATION](#) - This is a heavy message and one that may reveal to you problems you may not have been aware of. She shares personal testimony of the crippling and hindering effects of being subjected to these evils in a Christian environment. Through it all one must learn not to strike, hate or get in bitterness and find freedom in Jesus. Because he whom the Son sets free is free indeed! She breaks down each of the subtle ways these things operate, shares symptoms of being victimized, and gives Scriptural instructions on how to break free. You have to prayerfully be careful of the people you trust. Powerful deliverance prayers conclude this teaching.

25LHCD4-4A & 4B [2 CD Set - \$6.00] or 25LHDVD4-4 [DVD - \$5.00] - [Jean Williams - SETTING BOUNDARIES & Kerna Williams - WICCAPHOBIA AND XENOPHOBIA](#) - Jean: Boundaries are something that indicates or fixes a limit or extent. The Bible addresses the concept of boundaries from the Garden of Eden to the teachings of Jesus. They are powerful examples to shape and guide us, to protect us from all harm and direct us towards righteousness. What transpired in the Garden of Eden is a profound example of the detrimental effects of crossing boundaries that God sets. God is saying He is taking us back to His boundaries to set us in order and bring us into alignment so we can walk in the path He has called us to this day. This is a practical teaching and one that will help you in your daily walk as a believer! **Kerna**: Xenophobia is disliking the way someone dresses, you dislike the person, you don't like how they look. Wiccaphobia is when you feel witches, you feel ghosts. It's time to take that fear and pull that strongman down. This is a deep dive into both of these "phobias". 1 Cor 2:15 [Amplified] "But the spiritual man [the spiritually mature Christian] judges all things [questions, examines and applies what the Holy Spirit reveals], yet is himself judged by no one [the unbeliever cannot judge and understand the believer's spiritual nature]." A lesson we can learn from the Salem witch trial was nothing but apostasy, a bunch of deceiving spirits that got in there. Deliverance ministry is included.

25LHCD4-5A & 5B [2 CD Set - \$6.00] or 25LHDVD4-5 [DVD - \$5.00] - [Deborah Greenhill - BIBLICAL PLANTS - Part 1](#) - The Bible gives us plants that improve physical endurance, builds immunity, provides nourishment and increases longevity. It is a cookbook and a medicine cabinet. Insightful information and Scriptural parallels are given on herbs and grains. She breaks down the steps, giving a live demonstration of creating the substance that Ezekiel lived on for 390 days - differentiating between leavened and unleavened as it relates to the Feast of Unleavened Bread. Some of the items discussed are spelt (low in gluten), hyssop, mint, dill, rue, figs and coriander. (We recommend the DVD over the CD because of the visual demonstration).

25LHCD4-6A & 6B [2 CD Set - \$6.00] or 25LHDVD4-6 [DVD - \$5.00] - [Jean Williams - IDENTIFYING THE ORPHAN SPIRIT & Kerna Williams - A DREAM OF LAKE HAMILTON](#) - Jean: An orphan spirit is a type of demonic spirit that invades a person's mind causing a sense of abandonment, loneliness, and isolation. Spiritually you can feel like God has left you. Oftentimes it affects someone who has experienced extreme rejection in their life. It can infiltrate relationships, carrying arrested development and a certain element of dysfunction. We are not spiritual orphans but sons and daughters of God if we

have accepted Jesus Christ as our personal saviour. Knowing the Father's love is critical. She lists various symptoms that help identify the orphan spirit. Many victims of their circumstances can experience deliverance and healing through this message. **Kernaa**: He lays a Scriptural foundation showing the validity of dreams and visions. The personal reference is to a dream he had March 23, 2025, where he was transported into the assembly at Lake Hamilton Bible Camp as an observer. The application is for those in attendance at this particular camp and the possibility it concerns the gatherings they are fellowshiping with as well. The Lord revealed to him three areas of His heart and His concern. The first was the voices that said, "I'm frustrated, weary and I'm tired." The second was the people had long coats on. Many of the coats represented mantles but some of the coats were tainted. The third was he saw Director Merrill sitting there and a book opened and the title of the book was, "God Speaks Through Numbers". The book opened up and the number two jumped in his face. In Hebrew text the number two means, "God of the second chance". We encourage you to listen to both Kernaa and Jean's messages. (There are some unrepairable audio issues in spots & for that we apologize.)

25LHCD4-7 - [CD - \$4.00] or 25LHDVD4-7 [DVD - \$5.00] - [Deborah Vails - DELIVERANCE & HEALING FROM SYSTEMIC RACISM](#) - Deborah begins by reading a very poignant article she was asked to write a number of years ago on "Systemic Racism - Her Journey". Her mother always taught her there should be no division or disliking of people, no matter who they were or where they came from. It's not what people do to you but how you react to what they do. We are here to do the will of God! We are all made in His image and likeness. If you truly love people for who they are, God can put you wherever He desires, for His work to go forward. We must have a willingness and quickness to forgive. She shares basic truths to help understand racism. It is a demonic stronghold. Eph 6:12 The message concludes with Deborah praying a powerful prayer for healing from racial cancer.

25LHCD4-8A & 8B [2 CD Set - \$6.00] or 25LHDVD4-8 [DVD - \$5.00] - [Randy Richey - KEEP YOUR FREEDOM](#) - The only one that can guard your soul is you. God will help you but it's a partnership with Him. He's the boss but He won't make your decisions for you. Not all problems are devil related. Get right with God and you can stand in authority over the devil. If the thief comes to steal, kill and destroy then why would we want to help him? Critical areas for walking in freedom are alignment, the power of words, consecration and deliverance. Sowing to the flesh will reap corruption. Sowing to the Spirit brings life everlasting. There are two roads to obedience. The low road is, "I'm going to behave because I don't like the circumstances when I don't." The high road is, "I'm going to behave because I love my God and He's paid for me and it is just right that I want to thankfully do what He wants me to do." Deliverance ministry is included in this message.

FROM OUR BOOK STORE

 <p><i>Deceptive Tongue</i></p> <p>Elle Debra Williams</p>	<p><u>DECEPTIVE TONGUE</u> by Elle (Jean) Williams (\$10.00 + \$4.50 postage) - The purpose of this book is to introduce the reader to the enemy, and how he can use the tongue, the organ of the body, to defile you. This is the hour the Lord is exposing the wiles of the enemy and equipping His saints for end time spiritual warfare. The author's prayer is that you will be inspired, encouraged and have a heart of expectancy to change the way you speak. We are shaped by the way we speak (Proverbs 18:21) "Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." She examines twenty-five (25) deceptive uses of the tongue and concludes each chapter with a Holy Spirit led prayer for repentance and help to maintain deliverance from the deceptive tongue. Paper - 68 pages.</p>
 <p><i>The Python Spirit</i></p> <p>BY PASTOR MONTY MULKEY</p>	<p><u>THE PYTHON SPIRIT</u> by Monty Mulkey (\$7.00 + \$4.50 postage) - The python spirit is associated with the area of witchcraft and false prophecy. It is a spirit of divination. If you have attended any of the modern charismatic, prophetic churches of today, it is very likely that you've opened the door for this spirit to come in. In addition to the deception that this spirit brings, it is often a root cause for sicknesses and illnesses. Booklet - 25 pages</p> <p>Table of Contents</p> <ol style="list-style-type: none"> 1. Introduction 2. Background of the Python Spirit 3. The Characteristics of a Python Snake 4. Fighting against a Python Spirit 5. Prayer of Renunciation
 <p><i>How To Resist The Devil</i></p> <p>by Monty Mulkey</p>	<p><u>HOW TO RESIST THE DEVIL</u> by Monty Mulkey (\$7.00 + \$4.50 postage) - I want to cover this concept of how to resist the devil more in depth for people who are bound, hurting and tormented; so that they have an instructional on how to gain victory over all of the power of the enemy. We don't just enter into warfare or a battle with the enemy automatically knowing what to do and how to fight. It's something that you learn over time. Deliverance is not entirely a faith issue. Faith definitely plays a part, but it is not something that if it is only spoken once then the enemy will leave you alone for the rest of your life. Deliverance is not just a command spoken in faith one time. Deliverance instead is about understanding your authority. Booklet - 53 Pages</p>

2025 MEMORIAL CAMP MEETING CD'S, DVD'S & MP3

2025 MEMORIAL CAMP MEETING ON 1 MP3CD - 8 Messages - \$10.00

25LHCD5-1 [CD - \$4.00] or 25LHDVD5-1 [DVD - \$5.00] - [Deborah Vails - STAND AND STAY IN THE FIGHT](#) - Jesus has come to see about you! Sometimes all we can do is stand, but God thoroughly equips us to stand and stay in the fight. Eph 6:13-14 and 2 Cor 4:8-10 are two examples. His Word enables us to withstand the hits. To stand is to resist without yielding, to maintain a position, or to be persistent to endure and to remain upright. David encouraged himself in the Lord. Sometimes you have to praise your way out! As an heir of God you must stand in the place that is already yours. We must be determined to go on with God no matter what comes our way. Don't give up. Don't let the enemy come and suck the anointing out of you because of opposition. The peace of God will keep you when everything else looks like it is in turmoil.

25LHCD5-2 [CD - \$4.00] or 25LHDVD5-2 [DVD - \$5.00] - [Deborah Greenhill - THE ANCIENT ALIEN DILEMMA: Understanding the Fallen Angel Incursion](#) - She presents concepts to help God's people understand where their battle lies and what they need to do about it. There is a "thesis" in the pipeline promoting the aliens live "up there", they came down and seeded mankind, and one day they are coming back to claim us. Scholars call this whole theory, "panspermia". Their ultimate plan is for us to get on their scheme of things. LHBC will never do that! There is an agenda out there that is determined to make us worship something we are not to be worshipping. Many souls are hanging in the balance and having an understanding of the evil bigger picture can bring a release from captivity to those living under hidden deceptions. The first part of the message title segues into understanding the fallen angel incursion with documentation of the giants in the land.

25LHCD5-3 [CD - \$4.00] or 25LHDVD5-3 [DVD - \$5.00] - [Deborah Vails - TURN TO GOD](#) - God is calling for His people to turn to Him. Some may need to return to Him, while others need to turn with their whole heart. We each have a responsibility to respond to His call and conviction. When you really turn you are going in a different direction. That is what repentance is. The need to turn encompasses individuals as well as the Church. God is taking a scrub board and cleaning up the Church, looking for a return to holiness and righteous living. We need Him! There is a lot of mess taking place in assemblies that He is not pleased with. He loves us but He wants us to go straight and not crooked. In the book of Jeremiah God tells the people one hundred and eleven times to TURN! In actuality, He has never stopped calling for His people to turn to Him!

25LHCD5-4 [CD - \$4.00] or 25LHDVD5-4 [DVD - \$5.00] - [Kernaa Williams - MEN AND WOMEN OF ISSACHAR](#) - 1 Chron 12:32 refers to men who understood the times, to know what Israel ought to do. We are in a season of Acts 2:16-21. We need to realize the wealth of His presence that He wants to pour into our lives. The sons of Issachar were able to make the right decisions because they were empowered by the wisdom of God. We are in a time when all need to know the voice of God! God's order is the five-fold ministry - not just one man or woman so that we may all grow up into Him in all things. Eccl. 3:1-8 defines various seasons. Kernaa challenges the listener with a very important commission - to find out from the Lord what season they are in. It's important to know when one move of God ends and another begins. Deliverance ministry concludes this inspiring message.

25LHCD5-5 [CD - \$4.00] or 25LHDVD5-5 [DVD - \$5.00] - [Jannetha Vails - DELIVER ME FROM THE SPIRIT OF FEAR](#) - Jer 1:5 and Rom 8:28-30 are just two examples that cement God's calling and purpose on each of our lives. Our purpose in Christ was planned before time began and not earned by works or deeds. We must recognize that the enemy, the accuser of the brethren, does not want this

plan to be fulfilled in our lives. He uses fear to attempt to abort God's plan for us. She explores five effects of fear to the believer. Timidity and low self-esteem are crippling tactics the enemy uses to exploit fear. God equips us with power, not fear. But as with Moses, when God calls us to an assignment we point to our inadequacies, which operate out of fear. The results of negative fear and positive fear are presented. A very practical teaching to help us understand fear, how it operates and to be delivered.

25LHCD5-6 [CD - \$4.00] or 25LHDVD5-6 [DVD - \$5.00] - [Deborah Greenhill - WHAT HAPPENED AT BASHAN: Storming the Gates of Hell](#) - Inspiring message to encourage you to take the land and dispossess evil from your life. Answers to questions you may not even think to ask are presented here. Have you ever wondered why God had the children of Israel come up from Egypt and go through Saudi Arabia instead of just taking the short route through Philistia? What is the correlation between Joshua and Jesus? The book of Joshua is about the giants in their lives. They weren't going to settle their land until they got rid of the giants that were in their way. The word "Bashan" originates from a word meaning serpent. How do we connect Bashan with Jesus' ministry? Golgotha comes from a word that means "the head of Goliath". Jesus was crucified on the burial ground of Goliath. Strap yourself in and take notes!

25LHCD5-7 [CD - \$4.00] or 25LHDVD5-7 [DVD - \$5.00] - [Kernaa Williams - PREMATURE DEATH](#) - He exhorts the people if they are not in a funeral home or a morgue, God is not finished with them yet! He shares personal testimony of being hit by the spirit of premature death. Satanic warfare is reaching higher levels. The enemy is going for the jugular. In 1 Cor 15:26 we see the Bible speaks of death as an enemy. God has an appointed time for us to depart this earth. (Ps 31:15; Ps 90:10) Eccl 7:17 warns us that wickedness and foolishness can cause us to die before our time. Greed of gain will take your life (Pro 1:19) Sin will stop your biological clock! This is a good prophetic warning for us to look at ourselves and ask the Holy Spirit to reveal to us what is not pleasing to God. Deliverance ministry concludes this sobering message.

25LHCD5-8 [CD - \$4.00] or 25LHDVD5-8 [DVD - \$5.00] - [Deborah Vails - THE WIND OF GOD BRINGS CHANGE](#) - The theme Scripture for this message is Acts 2:1-4. We need the Holy Ghost stirred up in us every day. The wind of God brought change to the Gentiles in Acts 10:1-48. Do you prepare for a move of God? Even Israel had to prepare by putting blood on the doorposts for the Lord to pass over them. Referencing the plagues in Egypt, always remember, just because the enemy can mimic God doesn't mean God is not moving. She discusses the four winds represented in the Bible. The Holy Spirit is there to keep us connected to God. That is proven as He convicts and nudges us when we are heading off the rails into areas of sin. Sin is what disconnects us from God. A great message to help us get right, stay right, want more of Jesus and be empowered by the Holy Spirit.

BE ALERT

This is a season where I am alerting My people to be alert. Watch, pray, and seek Me continually, says the Lord. Keep a guard on what you say, think, and how you react in unexpected situations.

Be alert, pray in the Spirit daily. Stay sensitive to Me, for I will walk you through this season as you move forward. Do not allow circumstances to cause you to regress.

As I lead you to new assignments, take time to get instructions from Me, and be attentive to walk before Me and allow me to teach you the things you need in order to go to your next. I will provide all you need, trust Me, for I will not fail you, says the Lord.

I say to you, be alert, keep your weapons sharp, and maintain your armor. Be ready for mM call, as you answer and heed the alerts, I will continue to equip you to handle each assignment, intercession, warfare, and battle, says the Lord.

I am with you and will continue to strengthen you for the journey you are on, says the Lord.

Scriptures to ignite you: Matthew 26:41, 2 Corinthians 10:4-6
(One of Deborah Vail's daily Devotions From the Father's Heart)

~~~~~

As I was driving to work, I noticed the white concrete and the black top where they join. At this joining point plants/weeds grow up. This is a lot like spiritual things - we have our idea of black and white. What God said is not OK and what God said is OK. But where those two things meet there is gray area and if we do not keep the "weeds" pulled it will cause division in our lives. (Foxes spoiling the vine) Just like on the road we can't choose what falls in the cracks between the concrete and blacktop but we can choose what to do with it. Lord, help us to keep our spiritual lives free from the weeds. (Submitted by Christel Helderman - LHBC Staff)

~~~~~

(We will continue with the article from our March issue on "Repentance" by Chris Simpson in our next issue. The booklet is available for purchase for \$2.00 plus \$4.50 postage from LHBC.)
