REFLECTIONS by

Apostle Kerna Williams Sr.,

Prophetess Jean Williams

Reflecting back to our first visit at Lake Hamilton Bible Camp. It was one of the most memorable transformative divine encounters and it definitely forms a catalyst for deepening our walk, with profound insights, manifesting the miracle ministry of casting out evil spirits. We were overwhelmed by seeing the people get set free and delivered from demonic bondages. We experienced God's Ruach HaKodesh in such a way that we long to see more. This instantly made us feel comfortable and made us feel as though we were part of the global tribe of end time deliverance ministers.

Each time we visit the presence of God seems to intensify. We knew that this is where Jesus Christ ordained for us to be. Every camp meeting had its significant presence, and Godly manifestations. We had the opportunity to meet so many wonderful people and have seen them come and go.

This July Camp must be the most rewarding. We had 12 people receive water baptism. There were 5 adults and 7 children. They were filled with joy and laughter, and you could see in their eyes that they made the most important decision in their lives, and that is to follow our Lord and Savior Jesus Christ. This is truly a blessing, and I will forever remember that moment. It was priceless. Mark 9:39, "But Jesus said, do not stop him; for there is no one who will perform a miracle in My name, and be able soon afterward to speak evil of Me." Miracles are manifesting at LHBC.

We believe that reflection is something that we as Christians need to integrate into our daily lives. Reflecting on who we are, who God is making us, how God is working in us, and how God is working around us will allow us to live more fully Christian lives. Reflection will allow us to step away from the worldliness of life and truly allow us to become better disciples of our Lord and Savior Jesus Christ.

SUMMER FAMILY CAMP DVD's

26LHDVD7-1 [DVD - \$5.00] - Kerna Williams - A CRAB MENTALITY - This is a two part message. The first part is deliverance and the second part is about a dream that the LORD gave to his wife. The

devil has sinned and violated God's law from the beginning. Every believer is supposed to be destroying the works of the devil and untying and setting the captives free. Casting out demons is a miracle ministry. When you are casting out demons you are moving in a dimension of miracles (Mark 9:38-39). Christ purchased our freedom and redemption and redeemed us from the curse of the law by becoming a curse for us. There are many ways that demons leave. Kerna lists quite a few of them. After receiving deliverance you are going to have to keep your deliverance! Part two, Daniel 2:19-20 God is a revealer of secrets and mysteries. It is God that reveals the profound and hidden things. God can reveal to you where missing items are that you need. Ask God to show you the hidden things in your life. Kerna goes on to share about a dream and what the representation of the blue crab may mean in the dream. This explanation of the blue crab behavior applies to many situations in life. It is important for the believer to understand how this interference of the blue crab behavior can hinder your success in the Lord. This service concludes with deliverance from crab spirits attacking believers and many other spirits.

26LHDVD7-2 [DVD - \$5.00] - Deborah Greenhill - IT'S ALL ABOUT THE SEED - Genetically modified means anything that is created in a lab, or is a seed from the Lord but they messed with the DNA in a lab and then gave it to us. Some of the seeds are modified to not absorb the nutrients out of the soil. So after you eat the food you are still hungry. We need to be reading labels on our food. This takes us back to the seed. Run from the seeds "hybrid", be drawn to "heirloom" and "organic" seed. God says "I will put enmity between you and the woman and between your seed and her seed." Satan has a seed and the woman has a seed. We are the seed of Adam. "The seed of man (us) will pound your head (satan) and your (satan's) seed will bite the heel of man." When the Israelites went to spy the land they saw modified food - the grapes were huge. That is why God told Moses to destroy everything when they took the land. With the GMO plants most of the time you can't use the seeds to plant the next season. You have to buy new seeds every year. There is "Round Up" ready seed and these plants are killing bees or the bees it does not kill, take the chemicals back to their honey. One of those chemicals is glyphosate. We need to pray over our food - about where it came from, who has handled it, and what has been sprayed on it. GMO life as it has been going on is being done with cloning and gene splicing. Daniel 2:43 Daniel saw future genetic modification. Hybridize anything and it is not the original plan of God.

26LHDVD7-3 [\$5.00] - Angela Grauke - UNDERSTANDING WHAT TRUE DELIVERANCE AND HEALING IS ALL ABOUT - Deliverance is not a quick fix, it is so you will walk closer to Jesus. In Isaiah 57 it says "the righteous perish and no man layeth it to heart: the merciful men are taken away, none consider that the righteous is taken away from the evil to come." People interpret this as death but we need God's peace and rest now, not when we cross over. There are some stumbling blocks that can stop the flow of the Spirit. We need to remove anything that hinders our relationship with God. Seek first the Kingdom of God and He will add all these things unto you. We need to study our attitudes, we need to study the beatitudes, the Fruits of the Spirit and the Fruits of the flesh. Get out of Religion and start having a relationship with Jesus. Psalms 32 is your life - the before and after. "Blessed is he whose transgressions are forgiven whose sin is covered... When I acknowledge my sin to You and my iniquity I have not hidden... You forgave the iniquity of my sin." The seven Spirits of God should be in operation in the person ministering to the body of Christ. Isaiah 31 - In reference to our attitude - we are not to be like the mule and the horse. God wants us to prosper not in money and in fame but in our soul and our health - III John 1 and 2. Part of removing stumbling blocks is found in

II Corinthians 4 - renounce the hidden things of darkness. In getting deliverance we need to bind the strongman and then cast them out. Prayer of repentance and deliverance concludes this service.

26LHDVD7-4 [DVD - \$5.00] - Jean Williams - SPIRITUAL OPPOSITION - Spiritual opposition has been around for centuries in the church even in the early church of the Bible. Ephesians 6:12 says "For we wrestle not against flesh and blood...." Our true enemies are not other people. We need to utilize spiritual weapons - truth, righteousness, faith, the Word of God and persistent prayer to stand against anger, gossip, or violence. Romans 8:28 "We are assured that all things work together for good...." God wants to affirm us and propel us forward but the enemy wants to distract us. Opposition provokes us to pray harder. We don't accept every form of opposition and we must be violent in the Spirit if we think the opposition is unwarranted or is targeted at destroying the good that God wants to do in us and through us. It is time to execute our authority over the enemy and stop letting the enemy dance all over us. Whenever we persist in our prayers, we will break through the resistance and opposition of the devil and his agents. Persistence breaks resistance!!! Opposition is certain - but Prayer changes things. When we begin to walk in the full favor of blessings, of knowing our identity and purpose; people begin to notice and so does the enemy. Oppositions come to advance us in the Kingdom of God. Opposition propels us into our destiny. Part of overcoming opposition is forgiving those who have hurt us. Decrees, declarations and deliverance prayer is included in this service.

26LHDVD7-5 [DVD - \$5.00] - Angela Grauke - ISRAEL SET AS AN EXAMPLE - God spoke to His people from the beginning of time. He speaks to us first in the natural and then the spiritual. I Corinthians 15:46 Jesus came to fulfill the law both in the Old and the New Testament. Now about Israel - I Corinthians 10:11 All these things happened to them as an example, and they were written for our admonition. Romans 15:4 For whatsoever things were written before were written for our learning, that we through patience and comfort of the scriptures might have hope. Exodus 23:20 The Israelites were instructed to fight the "ites" Hittites, Hivites... There are 7 of them and they each have anti Christ actions. The "ites" are like termites. Termites are kind of like demons. They want to hide out and all along they're eating inside of you, trying to tear you up. Numbers 33:55 Israel was to drive the inhabitants of the land out and if they didn't the consequences were the "ites" would be irritants in their eyes, thorns in their side, and they would be harassed in the land where they dwelled. In our lives we have to drive out the "ites". Simply praising the Lord can drive out demons. The Bible tells us to put on a garment of praise for the spirit of heaviness. So praise drives out depression. God is faithful to bring us through when we lay aside every weight that doth so easily beset us. Angie continues the teaching talking about our health regarding what we put in our bodies and using natural things for healing. We also need to avoid the lust of the flesh, the lust of the eyes and the pride of life - I John 2:16 Testimonies conclude this service.

26LHDVD7-6 [DVD - \$5.00] - Deborah Greenhill - PSALM 82 DIVINE COUNSEL REBUKE - God is telling us to conquer the land, conquer the enemy, and possess our possessions spiritually and physically. Israel never possessed all the Land that had the giants. They only conquered some of the giants. Psalm 82 is a unique look at how God judges His creation. When David saw the situation in Psalm 82 he may have seen past, present, and future. Psalm 82:1 God standeth in the congregation (Strong's #5712 council of beings) of the mighty, He judges among the gods (spirit beings). Vs.2 How long will you judge unjustly, and accept the persons of the wicked? vs.3 Defend the poor and fatherless: do justice to the afflicted and needy. God is rebuking a created "council of beings" that are non-human. Sons of God in Job 1:6 were created beings, angelic entities that reported to God Himself. In Job 2:1 we see a class of angelic beings that were responsible for managing the affairs of

God's creation. The early church fathers referred to them as the holy watchers. Gen 6:1-4 when men began to multiply..., and daughters were born unto them, that the sons of God (spirit beings) saw the daughters of men (humans) that they were fair; and they took them wives of all which they chose. Psalm 82:6 All the foundations of the earth are out of course. When you read Leviticus 18:25 it talks about the earth vomiting out the sinful inhabitants. The earth knows what is happening and we know this from the Cain and Able story where the earth cried out when Able was killed Genesis 4:10. Psalm 82:7 they (the spirit beings) shall die like men, and fall like one of the fallen principalities. Psalm 82:8 "Arise, oh God, judge the earth: for thou shalt inherit all nations." This is the Lord's ending - He will inherit all nations. Listen to hear the complete teaching about how this applies to today.

26LHDVD7-7 [DVD - \$5.00] - Kerna Williams - SPIRITUAL LESSONS FROM SOLOMON - We all need a Gibeon like experience. I Kings 3:5-15 The Lord appeared to Solomon in a dream by night; and God said, Ask what I shall give thee. vs 9. Give your servant an understanding heart...that I may discern good and evil. vs.10. It pleased the Lord.... All that Solomon did from here forward all started with that dream. Whatever task you are about to achieve...get God's authorization. Do not make a move unless you seek His guidance. "Seek ye first the Kingdom of God...things will be added unto you." Proverbs 29:18 Where there is no vision the people perish.... God gave Solomon rapid success, there was no procrastination. Don't trash your dreams, get a dream journal, write it down and put a date on it! Numbers 12:6 Hear My words. If there be a prophet among you I the Lord...in a dream or a vision. Effective leaders recruit wise counselors to guide and help them make decisions. Prov. 11:14 In a multitude of counselors there is safety. Prov. 4:7 Seek wisdom above all else. One of the most influential leaders in history, King Solomon, was marked by wisdom, prosperity, and an understanding heart. We need these in our lives. Stay humble no matter your success. God spoke to Mary and Joseph in a dream...go home another way. God will warn us and give us confirmation through our dreams Matthew 1:18-21. God will correct us and rebuke us in a dream Genesis 20:3&7. You can intercede through a dream Amos 2:5. You may get a dream or vision for someone else I Corinthians 14:31. Children need to be equipped in how to prophesy. Declaration and deliverance prayers conclude this meeting.

26LHDVD7-8 [DVD \$5.00] - Jean Williams - MAINTAINING YOUR DELIVERANCE - It is critical that we maintain our deliverance. Maintaining means to keep an existing state... preserve from failure or decline. John 10:10 says, "The thief comes... but I came to give you life more abundantly." Matthew 12:43-45 talks about the unclean spirits trying to find a way back in. Don't be ignorant of satan's devices, plots and plans. Don't neglect to take care of your own spiritual needs. Do not return to areas of temptation if you are not strong enough to resist. It is the fear of the Lord in our lives that keeps us from doing things that will grieve the Holy Spirit. The mind can be the breeding ground of deception if we do not know the Truth of the Word of God. #1. Our mind set has to be renewed and changed in order for us to walk out this life the way that God wants us to. We need to meditate on the Word for a renewed mind, and revelation from the Word of God. #2. Pray and speak scriptures over yourself that fight against what the enemy is trying to do in your life. If you are fighting a spirit of death - speak "I shall not die but live and declare the works of the Lord." Once a spirit is cast out you need to fill it with something else. An example is if you cast out depression fill the space with joy. #3. Inner healing of wounds to the soul. Often unhealed trauma can hinder our ability to truly receive that love. #4. Join a spirit filled discipleship community that teaches you the Word of God. You need good friends and mentors. #5. Avoid sin and be quick to repent. Galatians 5:1 It is for freedom that Christ has set us free... Mini sermons from the speakers and a prayer for activation of dreams and visions

conclude this service. At the conclusion of the last service this prayer for activating your visions and dreams from God was given.

"Father, in the mighty name of Yeshua, I declare Joel 2:28-29 over my life in these last days. You said You will pour out Your spirit on all flesh. Your sons and your daughters shall prophesy. Your young men shall see visions and Your old men shall dream dreams. And Father, I position myself that You will communicate with me through my sleep, in Yeshua's name. Lord, speak to me in dreams. You spoke to Joseph. Father, speak to me. Genesis 37 Father, it records and contains an entire map of this type of destiny. Show me about my life. Show me about my calling. Show me the destiny of others. Show me seasons and cycles and patterns through my dreams and visions in the mighty name of Yeshua. Father, give me the gift of interpretation as I have these dreams and visions. Father, give me wisdom. Father, guard my sleep against deceptive dreams and demonic influences. Deuteronomy 13:1-3 warns us that not every dream is from God. Help me to be discerning. I reject any evil dream or vision in the mighty name of Yeshua. Lord, let every dream and vision that I receive through Your Holy Spirit bless others and bless me. Father, let the dreams and visions that come from You be purposeful, kingdom directed, confirmed by Your word and counsel in the name of Yeshua, we pray. Amen"

FIGHT FOR YOUR RELATIONSHIP WITH JESUS!

Below is an excerpt from an email that was Holy Spirit inspired. It is worthy of sharing with our readers for their personal edification or perhaps to use when ministering to others. This can be especially helpful for individuals who need to pursue Jesus deeper and not always expect others to provide the solution.

"There is no one like Jesus who can meet you where you are at all hours of the day and night to give you the mental and spiritual healing and deliverance that you desire. Jesus is not a quitter. He went all the way through the persecution, cross, death and resurrection for you and us. He has already conquered it and He is here to help us conquer it through HIM. Get up! Wash your face! Complete a load of laundry - washed, dried, folded and put away and move on to the next task at hand. Don't quit!!!! That is NOT who you are. If you don't have laundry then clean the kitchen, wash the dishes, wipe off the counters - get up and do something positive for yourself today. Get motivated to achieve more. Move your body - 10 minutes cleaning the bathroom, 10 minutes processing the mail and bills, 15 minutes of worship to the King of Kings and Lord of Lords. Don't take this attack lying down. Get up and fight for the Jesus in you that is starving for attention. You can do this. YOU can do this! No, really "YOU CAN DO THIS" get up and fight for your relationship with JESUS! Fight for breakthrough to the next level. Fight to reach your destiny. Fight because He made you and loves you and wants

more for you. You can grow in Christ, You can submit yourself to God. Resist the devil and he will flee. Yes you CAN! Grow in Grace and the Saving Knowledge of Jesus.

Additionally, we have teachings at LHBOnline.com, YouTube and Rumble. We recommend that you start with the deliverance teachings and participate in the deliverance prayers in the services."

The Arkansas Story

(Written by Erma Miller and published in the summer of 1974 in the LHBC newsletter, Voices From His Excellent Glory.)

"One day after we had been on an extended fast, Glen walked in with the statement, "The Lord has showed me that we are to move to Arkansas". The place that the Lord has led us to has the same scene in the timber that Glen saw. This was not the only time the Lord has spoken to us about leaving California.

There were many questions in our minds as to what we would do and how the burden the Lord had placed upon us could ever be accomplished. Prayers were sent up for more guidance in the calling the Lord had placed us in. We saw the need for a place for family camps and where people could come for special prayer and help. Even though we have helped thousands with the tape and book ministry, we knew that there was more that the Holy Spirit was trying to show us. It is our belief that when entire families come into right standing before God that a revival will sweep America like we have never known. To be a part of that revival is our fervent desire. That is why we are establishing this family campground." (Written by Erma Miller and published in the summer of 1974 in the LHBC newsletter, Voices From His Excellent Glory.)

Looking for a Place

We had only passed through the state of Arkansas a couple of times in our life, but we began to pray for the Lord to lead and guide us. The Scripture clearly states, "Seek and ye shall find", and we did just that. While at Jackson, MS, Full Gospel convention, we met a real estate lady from Hot Springs, and she invited us to come and take a look at property in and around Hot Springs. The Real Estate people were helpful, but we just never quite found the place. It was after five trips back and forth either by plane or house car that we really got down to business with the Lord.

The Showdown Came

In August, 1972, we went by Hot Springs enroute to the Camps Farthest Out near Atlanta, GA. At that time, there seemed to be nothing for sale, and we enjoyed the 1st week of camp with all of our family. We were scheduled to stay the second week, when we just decided to look one more time. Leaving camp early, we fasted and prayed all the way to Hot Springs. We asked ourselves, "Do you have the mind of the Lord, or don't you?" In desperation, we prayed the following prayer: "Lord, this will be our last trip to look for land around Hot Springs. If we do not find it this time, then we will take it that You don't want us there."

The prayer was short and to the point. The fast was difficult, but we stuck with it and arrived on Sunday afternoon to find that the real estate lady that had first invited us had spent most of Thursday with her prayer group praying for the Millers. She told us that they had a confirmation from the Lord that we would find the place.

We were just sitting there talking when all of a sudden her husband said that he thought he knew the right place for us. She was sure the place mentioned was not for sale, but telephoned to check. The man said that the place was not for sale, but if we wanted to look at it we could because he might consider selling his land for a Bible Conference Ground.

Our friends explained to us that it was already a going campground, was on the lake, with some woods and had 120-acres with a river going down through the property. It already had shower rooms, a house, some

cabins, boats and many spaces to hook up trailers. We drove out to inspect it, and the man that owned it was a lovely Nazarene and he and his wife showed us around the office and the reading room for the campers. A soft breeze was blowing off of the lake, and it was a beautiful place.

Could this really be the place? Glen took on a glow of happiness. It was too good to be true. He kept saying, "It's more than we can dream about. It is exceedingly abundantly more than we could ever ask or think about." They explained that they would tell us the next day at 10am how much they wanted for the place.

Ten o'clock came and went. It was hard to guess what the price would be. Lake property was very expensive. Ten-thirty came and went and no call. Then the real estate lady spoke up that we should make an offer. She telephoned with the offer, then the counter offer came. By 2pm, we were the new owners of a campground and drove out of town toward Denver, CO, to another convention. This was August, 1972.

Talk about joy, talk about excitement, then we sort of came down out of orbit. Who was going to take care of the grounds until we could make the move? Were we capable of such a charge as a Bible Conference Ground and a deliverance teaching center? We concluded that He had led us this far, and we knew what was begun, He was able to complete. Things shaped up fast. The loan came through, Erma's father sold his farm in northeastern Missouri and came down to manage the camp. (By the way he had tried to sell it for 3 years, but sold it two weeks after his decision to come.)"

That was 54 (fifty-four) years ago as of August, 2026, the writing of this issue of the magazine. God has been so faithful! Glen and Erma have since gone on to be with the Lord. However, Erma's statement that, "We concluded that He had led us this far, and we knew what was begun, He was able to complete", continues to be completed today, and for as long as our Heavenly Father desires. We invite you to listen to their entire testimony of [The Arkansas Story](#) to capture the fullness of the miracle of the founding and establishment of Lake Hamilton Bible Camp.

SOME OF OUR CURRENT NEEDS

- We are still in need of donations to replace two 80 gallon commercial water storage tanks for the main building.
- We are in need of additional donations for water proofing and repairs to the walls in the lower part of the cabin building.
- We are accepting donations for electrical and plumbing needs including labor and materials. (If interested, call to discuss details)
- There is an urgent need for tree removal on the property line for the safety of the camp ground and neighboring home owners. Tradesmen doing the work must be bonded and insured.
- The office needs two new PC computers with hardware not older than 2025, replacing one that is running Windows XP Pro Version 2002 and another that is older than Windows 10. We are thankful for the longevity of these computers.
- The parsonage and main building both need new washing machines. These mainly function for bedding which includes sheets, towels, blankets, etc. We prefer top loaders with an agitator and a brand history that is known to last.
- We always have a need for carpenters and maintenance people with a spirit of excellence.
- Experienced media technician to work with sound board installation and video recording.

We thank God for all who faithfully pray and contribute financial support to Lake Hamilton Bible Camp. We pray Ephesians 3:14-19 over you and your family.
